THE PICTURE ON THE COVER

Wakefield, then called East-town, was granted in 1749 by the Masonian Proprietors. Six acres of land were set aside for a parade ground for soldiers, a schoolhouse and a meeting house and a cemetery.

The meeting house was built slowly, not having been completed before the Revolutionary War. It served as a Town Hall until 1838, when the new one at Wakefield Corner was purchased.

On October 13, 1948 Mr. Albert O. Robinson, nona genarian, unveiled the monument and plaque which the Town of Wakefield, in collaboration with the Wakefield - Brookfield Historical Society, placed on the site in the Lovell Lake Cemetery.

The Veterans of Burroughs-Drew Post No. 7663, Dept. of New Hampshire, Veterans of Foreign Wars are indeed grateful to the citizens of the Town of Wakefield, N. H. for the appropriation which made this possible. It was our earnest desire to obtain a band, and to parade to one of the local cemeteries, and there

symbolically decorate a soldier's grave to honor the brave men who have given their lives in the defense of our democratic way of life. Inasmuch as the appropriation was received at such a late date it was found that the only available band would cost over \$200.00. With practically no discussion this was turned down as too expensive, with the hope that next year, with the cooperation of the citizens of this Town, and with an earlier start, we should be able to obtain the services of a good band, and thereby memorialize these honored dead in a manner befitting their great sacrifice.

ALBERT W. WIGGIN, Trustee

GAFNEY LIBRARY

by Mrs. George Tessier, Librarian

The year 1948 was an outstanding one for the Gafney Library. The total circulation of books increased substantially over the previous year, which in turn exceeded the year before that. This reflects the steadily increasing use of the facilities of the Library by the people of Sanbornville, the community in which the Library is located; by the people of the whole Town of Wakefield; and by "the people of Carroll County," for whom the Library is operated in accordance with the Trust established under the will of the late Charles B. Gafney.

Early in the year the Library was completely redecorated and the improvement was greatly appreciated by the patrons and by the staff. Many compliments were received on the handsome appearance of the interior. The painting was done under the expert supervision of Mr. Albert Wiggin. The new window drapes were selected by the Librarian and made by Mrs. Marjory Hanson. The splendid floor finish and the rubber strips covering the heavily-used areas were selected and procured by Mr. Ansel N. Sanborn, who deserves great credit for obtaining them at a time when they were scarce and hard to get.

The beautiful blue-green color on the walls, which has been much admired, is a special color-tone created for the Wakefield-Brookfield Historical Society by Mrs. Edwin Geauque. Small samples of this color were found on walls of some very old houses in this area and, working from these bits, Mrs. Geauque tinted paint to reproduce the effect. The color is called "Wake-Brook Country Green," because of its early use by pioneers in their Wakefield and Brookfield country houses.

The circulation figure for the year was 3350. Of this number,

Fiction	2439
Non-fiction	283
Juvenile	529

While the circulation of fiction represented a part of the increase for the year, the major part of the increase in circulation for the Library was in the books for children. This is highly gratifying to the staff, for it indicates increasing use of the books by the young people of the area who will be our leading citizens of the future.

One interesting activity of the Library, not reflected in the circulation figures, is the "Mystery Shelf," which developed extensively during the year. Started originally with a gift of paper-backed pocket-size mystery stories by Mr. and Mrs. W. Russell Burwell of Cleveland, Ohio and Brookfield, the shelf has become a self-operating "swap department." Mystery fans bring in books they have read as gifts to the Library, and borrow from the shelf those they have not read. Appreciation of this department has been expressed enthusiastically by its patrons and the shelf has grown steadily.

There were 155 new books added to the catalogue during the year. Of these 103 were fiction, 9 were non-fiction and 43 were for young people.

Books were donated by Miss Violet Pike, Mrs. Verlie Garland, Mrs. Hathaway, Mrs. Edwin Geauque, Miss Donavon, Miss Enid Watson, Miss Charlotte Garvin and M. E. Tessier. Magazines were donated by Mrs. L. S. Edwards, Mrs. Seiders, Mrs. Ansel Sanborn, Mr. McCausland and Mrs. M. E. Tessier. Magazine subscriptions were donated by Mrs. Grant Leman-Waldron and Mrs. M. E. Tessier.

The Trustees of the Library are:

MR. ANSEL N. SANBORN, Chairman

MR. ALBERT O. ROBINSON

MR. EDWIN PRESTON GEAUQUE, Treasurer

WAKEFIELD PUBLIC LIBRARY

To the Selectmen of the Town of Wakefield,
Sanbornville, N. H.

Dear Sirs: —

I herewith submit my report for the year ending
Jan. 1, '49.

The association met at the Library on Wednesday,
July 7, 1948. Mr. John Roberts, Mrs. Thomas Grier,
Mrs. Nancy Paul and Miss Elizabeth Spencer were
present. In the absence of the President and
Secretary Miss Spencer acted for them. The follow-
ing Trustees were elected for the ensuing year:

President: Mrs. Ethel Mackenzie

Secretary: Mrs. Ruth Tuttle

Treasurer: Mrs. Marietta Haskell

Librarian: Mrs. Ruth Tuttle

Members: Mrs. Nancy Paul, Mrs. Thomas
Grier, Miss Elizabeth Spencer, Mr. John
Roberts.

A committee consisting of Mrs. Mackenzie, Mrs.
Haskell and Miss Spencer was appointed to investigate
the matter of the furnace. They decided the old
furnace should be replaced with a new one. We now
have a very modern oil heater that is a great improve-
ment. Through the effort of Mrs. Carlton B. Spencer,
Miss Elizabeth Spencer and Mrs. Marietta Haskell
sales of Glidden pottery have been held at the library
to help pay expense of the heater. This has proved
a very successful undertaking and because there has
been such a popular demand for it they will continue
to sell it next year.

With added expenses, Mrs. Haskell has also kept
up our standard of book selection. Some new books
added are:

“The Purple Plain” by H. E. Bates

“Eagle In the Sky” by F. Van Wick Mason

“Light In the Window” by Mary Roberts Rinehart

“A Horse to Remember” by G. T. Eames

“Came A Cavalier” by Frances Parkinson Keyes

“The Wall Between” by Elsie Barker

“Pilgrim’s Inn” by Elizabeth Goudge

“Peony” by Pearl Buck

“Lusty Wind for Carolina” by Inglis Fletcher

“Bishop’s Mantle” by Agnes Sleight Tumbull

“Scarlet Patch” by Bruce Lancaster

“Running of the Tide” by Esther Forbes

“Tobias Brandywine” by Dan Wickendon

“Beloved Bondage” by Elizabeth Yates

“Shannon’s Way” by A. J. Cronin

The Bookmobile continues their good services and have loaned us many books — especially mystery stories and children’s books. Several have been given by friends and all has helped to make another good year for the library. I wish to thank all the people who have helped by giving to the library and patronizing it and who have helped and worked with the committee with their pottery.

Sincerely thanking you for our appropriation

Respectfully submitted
RUTH E. TUTTLE,
Secretary

REPORT OF THE FOREST FIRE WARDEN

Your local organization to prevent and extinguish brush and woods fires is glad to report a good year of forest protection in 1948. In spite of danger conditions nearly equalling at times those of 1947 when great losses were suffered in New Hampshire and New England, fire damage and loss this year have been gratifyingly low.

With the continuing cooperation of all the people, we can hope to have another successful year in 1949. Let us remember that in any year, over 90% of all fires are caused by carelessness and that all of these man-caused fires are preventable.

Today, we have more slash and uncut grassland than for many years in the past. Smokers, campers and tourists who use our outdoors are also more numerous than ever before. We must therefore be ready for fires which might occur but, above all, prevention by everyone is the greatest need.

A few simple precautions taken by every citizen will help, as follows:

- (1) Always get a written permit from the warden before kindling a fire outdoors when the ground is not covered with snow.
- (2) If you smoke, always extinguish matches and tobacco before dropping or throwing them down. In automobiles, always use the ash trays.
- (3) Report fires and smokes to the warden without delay.

The observance of these and other simple rules will go far to insure safety from fire damage and your cooperation in this way is earnestly solicited.

1948 FIRE RECORD

Number of Fires	12
Acreage Burned	116 Acres
Number of Fire Permits Issued	61

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Wakefield:

Teachers in the Wakefield schools during 1947-1948 were: Sanbornville Primary Miss Abbie F. Tuttle, grades 1 and 2; Miss Flora Brackett grades 3 and 4; Sanbornville Grammer Miss Frances Nye, grades 5 and 6; Walter E. Brasier, grades 7 and 8. In the Union School Mrs. Florence Gerrish, grades 1 to 4, and Mrs. Helen Abbott, grades 5 to 8. With the prevailing scarcity of qualified elementary teachers Wakefield is fortunate in having a competent staff with few replacements. Miss Nye was absent for a period of one year but returned with the opening of school in September, 1947. A high per cent of turnover in teaching staff is common in many communities, and presents one of the outstanding problems in education throughout the country. No business enterprise could hope to prosper with such a high turnover. Every effort should be made to hold good teachers.

During the year graduates of Wakefield schools attended high schools as follows: — Brewster Academy 2, Nute High School 16, Spaulding High School 30, Kennett High School 1, a total of 49. Reports from the high schools show that our graduates were well prepared and compare favorably with those from other towns.

The increase in the birth rate during recent years is beginning to show in our first grade registration. Last year there were in this grade 19 pupils. During the current year 24 have enrolled to date. The census returns of September 1948, which included all children from birth to 16 years of age, indicates that this trend toward an increase will continue through the next five years with approximately 34 pupils entering the

first grade in 1952. This increase in school population may make necessary an increase in the number of class rooms and teachers. Should a building become necessary, the provisions of the Cooperative School Act of 1947 should be studied carefully. This act makes it possible for two or more school districts to form a cooperative school district for the purpose of organization and operation of a school or schools.

Schools in several communities in this area are profiting from the activities of recently organized Parent - Teacher Associations. These are affiliated with the state and national organizations and are serving effectively to promote the interests of education in their respective communities. I suggest that interested parents investigate the possibilities of such an organization in Wakefield. Your superintendent will give all possible assistance in the formation of such a group.

The effective interest and cooperation in the operation of our schools shown by members of the School Board, teachers, parents and pupils is gratefully acknowledged.

Respectfully submitted,
EVERETT H. BRASIER
Superintendent of Schools
