 4. General Government Buildings
 5. Reappraisal of Property
 6. Legal Expenses
 7. Community Action Program
 8. Chamber of Commerce
 9. North Country Council
 10. Contingency Fund
 - b. Public Safety:
 1. Police Department
 2. Fire Department
 3. Civil Defense
 - c. Highways, Streets & Bridges:
 1. Town Maintenance
 2. General Hgwy. Dept. Expenses
 3. Maintenance of Hgwy. Equipment
 4. Sidewalk Maintenance
 5. Street Lighting
 - d. Sanitation:
 1. Landfill
 2. Sewer Maintenance
 3. Water Rent
 - e. Health:
 1. Ambulance Service
 2. Life Squad

f. Welfare:

1. General Assistance
2. Soldier's Aid
3. Old Age Assistance & Aid to Permanently & Totally Disabled

g. Culture and Recreation:

1. Public Library
2. Parks & Playgrounds
3. Recreation Program
4. Band Concerts
5. Patriotic Purposes - Memorial Day

h. Public Service Enterprises:

1. Cemetery Association
2. St. Matthew Cemetery
3. Regional Airport

i. Debt Service:

1. Payments on Principal of Debt
2. Interest Expense

j. Capital Reserve Fund:k. Miscellaneous:

1. Dalton Property Tax
2. Insurance - Property, Liability, etc.
 - Group Health
 - Group Life/Disability
 - Workmens Compensation
 - Unemployment Compensation
3. FICA and Police Retirement
4. Municipal and Court Audit

3. To see if the Town will vote to authorize the Selectmen to borrow money by temporary loans in anticipation of taxes.

4. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by tax collector's deed by public auction, or advertised sealed bid, or in such other manner as determined by the Selectmen as justice may require, in accordance with RSA 80:42.

5. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

6. To see if the Town will authorize prepayment of resident taxes and to authorize the tax collector to accept prepayments as provided by RSA 80:1-a.
7. To see if the Town will vote to raise, appropriate and expend the sum of One Thousand Dollars (\$1,000.00) for the overall maintenance and operating expenses of the Children's Community Center.
8. To see if the Town will vote to raise, appropriate and expend the sum of Three Thousand Nine Hundred Ten Dollars (\$3,910.00) to assist or fund, in whole or in part, the Whitefield Senior Citizen Center for programs for the aging, and the administration thereof with the advice of the N. H. State Council on Aging pursuant to RSA 167-A:10.
9. To see if the Town will vote to raise, appropriate and expend the sum of Two Thousand Five Hundred and Eight Dollars (\$2,508.00) as Whitefield's contribution to the White Mt. Health and Developmental Services, a non-profit mental health service. (By Petition)
10. To see if the Town will vote to raise, appropriate and expend the sum of Five Thousand and Sixteen Dollars (\$5,016.00) to continue Public Health Nursing Service in Whitefield.
11. To see if the Town will vote to raise, appropriate and expend, in addition to the sum encumbered from Revenue Sharing, the sum of Three Thousand Dollars (\$3,000.00) for purchase of a police cruiser.
12. To see if the Town will vote to raise, appropriate and expend the sum of Three Thousand Dollars (\$3,000.00) to purchase a parcel of land containing six acres more or less from Ruthy, James, and Bernard Bean located off Twin Mt. Road for construction of a new covered reservoir.
13. To see if the Town will vote to raise, appropriate and expend the sum of Thirty Seven Thousand Five Hundred Dollars (\$37,500.00) as its share of the cost of reconstructing Bridge No. 099/110 on Brown St., so-called, a Class V highway and, in addition, to authorize the Selectmen to apply, negotiate for, and expend federal and state funding earmarked for the remaining total costs.
14. To see if the Town will vote to raise, appropriate, and expend Thirty Thousand Dollars (\$30,000.00) for purchase of a new truck with sanders for the Highway Department and, in addition, authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act. of 1972.
15. To see if the Town will vote to raise, appropriate and expend Twelve Thousand Dollars (\$12,000.00) for purchase of a new truck for the business use of the Water Department Superintendent and, in addition, authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

16. To see if the Town will vote to have the Appraisal Division of the Department of Revenue Administration conduct a complete revaluation starting in 1986 or thereafter. To establish a Capital Reserve Fund for the purpose of conducting such revaluation and to appoint the Selectmen as agents to administer the fund. In addition, to see if the town will vote to raise \$2,000.00 to be placed in the Capital Reserve Fund for the revaluation of the Town by the Appraisal Division of the Department of Revenue Administration.

17. To see if the Town will vote to have the Selectmen take over management of the Town Cemeteries from the Cemetery Association of said Town, thus formally disbanding the Cemetery Association.

18. To see if the Town will vote to accept title to a 6" water and 6" sewer pipeline installed by Robert and Frederick Stiles and running approximately 2,000' from property of William Pezulli to property of Robert and Frederick Stiles and to repair and maintain same thereafter.

19. To transact any other business that may lawfully come before said meeting.

Given under our hands and seal of the Town this first day of February in the year of our Lord one thousand nine hundred eighty four, and of the independence of the United States of America the two hundred and eighth.

Town of Whitefield

AUDITOR'S REPORT

To the Board of Selectmen
Town of Whitefield
Whitefield, NH 03598

We have examined the financial statements of the Town of Whitefield for the year ended December 31, 1983, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The financial statements of the Whitefield Municipal Court for the fiscal year ended December 31, 1983, have not been included in the accompanying financial report. However, we have examined the financial statements of the court and have issued a separate report thereon.

As discussed in Note 1 to the financial statements, the Town's Water Department Fund does not capitalize fixed assets or recognize depreciation as required by generally accepted accounting principles. The effect of these material departures from generally accepted accounting principles is indeterminable.

As is the practice with many New Hampshire municipalities, the Town of Whitefield has not maintained a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, except for the omission of the statements of the Whitefield Municipal Court, the failure of the Water Department Fund to capitalize or depreciate fixed assets, and the omission of a statement of general fixed assets, these financial statements present fairly the financial position of the Town of Whitefield at December 31, 1983, and the results of its operations and changes in financial position for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with the preceding year.

The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Town of Whitefield. The information has been subjected to the auditing procedures applied in the examination of the financial statements mentioned above and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Very truly yours,

Robert H. Thomas, CPA
Martin & Thomas
Public Accountants

AUDITOR'S COMMENTS

Board of Selectmen
Town of Whitefield
Whitefield, NH 03598

Members of the Board:

We have examined the financial statements of the various funds and account groups of the Town of Whitefield for the year ended December 31, 1983, and have issued our report thereon dated January 26, 1984. As a part of our examination, we reviewed and tested the Town's system of internal accounting control to the extent considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing, and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgements by management.

We are satisfied as to the Town's system of internal accounting control using the concept of reasonable assurance.

Fixed Assets

As is the practice with many New Hampshire towns, the Town of Whitefield has not maintained a record of its fixed assets. In order to adequately maintain control of its existing fixed assets we recommend the Town take an inventory of these assets as soon as practical. As part of their long-term policies, the Town officials should initiate fixed asset records. Cost or consideration given is the generally accepted method for valuing fixed assets, and should be recorded on all new acquisitions. Where adequate documentation of cost is unavailable for existing fixed assets, an estimate of the original cost is an acceptable standard under accounting principles for governmental entities. The existence of fixed asset records will not only aid Town officials in their control of these assets, but should be an invaluable tool in long range planning.

Publication Requirement

The provisions of RSA-71-1:21 require that only this letter need be published in the next annual report of the Town. However, we suggest that you consider the publication of the entire report which includes the auditor's opinion, financial statements, and notes to financial statements.

Conclusion

Our purpose in making these recommendations is not one of presenting a critical analysis of the Town, but rather to assist the Board in planning and providing for continued successful operations.

We appreciate the opportunity to present these comments and suggestions for your consideration and are prepared to discuss them further at your convenience.

We extend our thanks to the officials and employees of the Town of Whitefield for their assistance during the course of our audit,

Very truly yours,

Robert H. Thomas, CPA
Martin & Thomas

MORRISON NURSING HOME

The healthcare industry in 1983 saw sweeping reform proposals triggered by spiralling costs at every level of the health field. One only has to look at his or her health insurance increases as a barometer to this fact.

Nursing homes have not gone unscathed in this process. In an attempt to hold costs down, governmental agencies will make the criteria for nursing home residents more stringent. This will require nursing homes to add staff to meet the demands of the more disabled residents. Ironically, this will somewhat increase costs of nursing home care.

The offsetting factor will be that the more mobile and less ill people will have to find alternative health care, namely, "group homes", "shared homes" and "congregate living" units. These alternative settings cost approximately half that of nursing home care. The resident is afforded more independence in a less restrictive atmosphere. General supervision entails watching for personal hygiene, meals, medications, clothing, housekeeping, etc., on a 24-hour basis. More of these type facilities will have to be built or converted as time goes on.

Morrison Nursing Home will be ready to meet this challenge as changes will inevitably happen on a continuing basis. This change will be a slow and gradual process. The Trustees and administration will continue to develop the needed services to meet the needs of our elderly population. We feel that our responsibilities go beyond the bounds of a "nursing home". We strive to assist individuals and their families in planning their health care needs. We remain an important informational resource for those people who are at a crucial point in their lives and help them make those difficult decisions that are necessary.

Our goal for the future is to become more involved with those agencies and groups that care for our elderly citizens so that we can all be more productive and cost effective in delivering our important services.

Many thanks again go those individuals and organizations that give so much of their time and effort on behalf of our residents. We could not do without them.

We trust that the next year will bring rewards to all of our staff and people who bring care and happiness to our residents.

Respectfully submitted,

DAVID L. MONAHAN
Administrator

WHITEFIELD LIFE SQUAD

1983 was a very active year for the Whitefield Life Squad. As a result of a successful fund drive the Squad raised enough money to purchase the following needed items:

Life Pak 5 Heart Monitor/Recorder/Charger	\$ 4,745.06
Three 5 watt portable radios w/chargers	1,625.00
Equipment for the ambulance	321.00
4-drawer file cabinet	<u>170.00</u>
 Total	 \$ 6,861.06

The ambulance service consists of ten members, all of who are E.M.T.'s or Advanced First Aiders and who are certified in CPR. In addition, four members are certified in MAST (anti-shock trousers) and two are certified in E.O.A. (Esophageal-Obturator Airway), which are advanced courses available to Nationally Registered E.M.T.'s. Monthly meetings are held in the town office and are open to the public. The Squad welcomes, at any time, anyone who would like to attend our meetings to see what we do or who may be interested in becoming members of the Squad. Continuing education and training take place throughout the year at our regular monthly meetings, sessions at both Lancaster and Littleton Hospitals, and at State seminars.

During 1983 the ambulance responded to 123 calls and treated 132 people. A summary of patient treatments is listed below:

Respiratory Problems	17	Strokes/Seizures	11
Chest Pain/Heart Attack	16	Drug/Alcohol/Poison	8
Cardiac Arrest	2	Eye Injuries	1
Vehicular Injuries	22	Hemorrhage	8
Abdominal Pain/Injury	6	Fever/Nausea/Flu	9
Falls/Broken Bones/ Dislocations	12	Infections	3
Diabetes/Insulin	1	Back Injury/Pain	3
Obstructed Airway	1	Head/Neck/Spine	7
Expectant Mothers	2	Emotional Problems	3
 TOTAL PATIENTS TREATED			 <u>132</u>

We would like to express our sincere appreciation to the Whitefield Police Department and the Whitefield Fire Department for their support and assistance during the past year. To you, the people of Whitefield, we wish to express our heartfelt thanks for the time, effort and money you have provided. Without your generosity and support we could not continue to exist to serve you. Thank you and God bless you all.

YOUR EMERGENCY MEDICAL SERVICE TELEPHONE NUMBER IS 837-9901.

Respectfully submitted,

PAUL LADUKE, Director
DONNA MONAHAN, President
LIZ MATOTT, Secretary
WILLIAM JONES, Treasurer

PUBLIC HEALTH NURSING

Public Health Nursing Service has continued to serve the Town of Whitefield since 1969. The visiting nurse is available Monday through Friday from 8:00 a.m.-4:00 p.m. on a regularly scheduled basis and evenings and weekends when special arrangements are made. We have one full time nurse and one full time aid responsible for the Whitefield-Dalton area.

Skilled nursing visits include such activities as dressing changes, injections, colostomy care, blood pressure checks and health teaching. Home Health Aides perform such functions as assisting with bathing, shampoo, or following a treatment plan established by the physical therapist, under the supervision of a registered nurse. In our new program, the Homemaker, under the supervision of a registered nurse assists with housekeeping, laundry, shopping and meal preparation. Most recipients are elderly and there are medical reasons for needing such assistance.

Children enrolled in our Well Child Clinics receive physical examinations, immunizations and dental care. Blood pressure clinics are held monthly in all the towns served.

A total of 6,200 visits were made during 1983 to the six town area served by our agency resulting in a 62% increase over 1982. The following visits were made in Whitefield:

Skilled Nursing Visits	940
Physical Therapy	90
Homemaker/Home Health Aide	<u>436</u>
	1,466
Enrolled in Well Child Clinic	14

Public Health Nursing provides for physical therapy and speech therapy at Morrison Hospital. In addition to the above home visits, Public Health Nursing sponsors two blood pressure clinics monthly in Whitefield on the second Tuesday of each month at the Senior Center and the fourth Monday of each month at Highland House. There is no charge and all residents of the town are welcome to participate.

The continued ability of Public Health Nursing to meet the health needs of our communities is dependent on the contributions of time, effort and appropriations to the Agency from the communities served.

Sincerely,

ROBERTA DAYCOCK, R.N.
Director, Public Health Nursing

WHITE MT. MENTAL HEALTH & DEVELOPMENTAL SERVICES

1983 has been a year of change for WMHDS. We relocated our central offices in Littleton. This is the first time we have been able to combine mental health and developmental services into a single facility. Along with this move, we changed our name. Previously, we were White Mountain Mental Health Center and TEMPO Workshop. The new name, White Mountain Mental Health & Developmental Services, reflects the intergration of services which occurred. We have been at our new site for nine months and we have clearly felt improvement in the efficiency of our programs.

We have also added two new Developmental Service programs during 1983. One of the programs is Day Habilitation. This is a day service for severely or profoundly handicapped individuals. Its purpose is to teach skills which will help them to attain their highest level of functioning possible. Many of the clients in this program are former residents of Laconia State School. The second program is Early Intervention. This is a service to the 0 to 3-year-old population (and their parents) who are developmentally delayed, or at risk of being delayed. The program staff work with the children and their parents in their own home. The goal of this service is to enhance the developmental growth of these children. We are very proud of our new programs and feel that they offer our communities essential services to the developmentally delayed.

The change and growth of our agency has occurred in addition to our regular workload.

Mental Health

Direct Counseling	6165 hours of service
Consultation	433 hours of service
Emergency Service	543 hours of service
Inpatient Service	213 hours of service
Partial Hospitalization	2947 hours of service

Developmental Services

Days Open for Service	239 days
Average Daily Attendance	24
Number of Open Cases	45
Amount Paid to Clients for Work Performed	\$21,716.51

This is a brief sample of the work done by our agency. It is difficult to represent all the activities which we perform. I hope this gives you some sense of our work.

Respectfully submitted,

DENNIS C. MACKAY
Area Director

WHITE MT. MENTAL HEALTH & DEVELOPMENTAL SERVICES

FISCAL SUMMARY - FY 1984

Similar to last year, we have had some changes in our budget format. These changes are reflected in new line items. The major expense increases have occurred in Developmental Services with two new programs, Day Habilitation and Early Intervention.

INCOME:		EXPENSES:	
Contributions	\$ 10,000	Salaries	\$ 350,900
Local Government	45,000	Benefits	63,000

		Memberships, Dues, and Other	<u>3,300</u>
Totals	\$ 626,100		\$ 626,100

Respectfully submitted,

DENNIS C. MACKAY, Area Director

WHITEFIELD POLICE DEPARTMENT

It is with deep regret that I submit the 1983 report of the Police Department. The reason being of course is the fact that we must enter 1984 without the guidance of Chief Steven Barnett. His official resignation as Chief of Police on January 10, 1984 has generated a lot of comments by the people in town and the general feeling is, "He is a good cop and the town is suffering a big loss". We here at the Police Department will miss his guidance and knowledge of the town and its people. I know that I speak for everyone when I say "Good Luck, Steve".

The Police Department investigated a total of 73 motor vehicle accidents this year. Fifty of these accidents involved property damage in excess of \$500.00. We are happy once again to report there were no fatal accidents this year; however, thirteen of the accidents investigated involved personal injury. We are very proud of the fact that only 5 of the 73 motor vehicle accidents involved persons who were intoxicated (DWI). The high arrest rate of drunken drivers for a town this size is a major factor in the low DWI related accidents.

The department investigated 142 criminal cases in 1983. These cases involved the theft of property valued at \$28,931.52 which is up slightly from the 1982 figure. Through investigation and information given to us by you, we were able to recover \$15,254.02 of this stolen property. Your continued cooperation and support will be greatly appreciated. The year 1983 has also left us with the reminder that Whitefield is not immune from major crime. The investigation and arrest of an individual involved in a brutal rape this past summer along with a drug arrest which netted more than seven pounds of marijuana with a street value of almost \$10,000 are only two examples. We should not take this lightly!

In April, 1983, Sgt. Dennis MacKay conducted a fingerprint program at the Dalton and Whitefield Elementary Schools. This was done in conjunction with a nationwide effort to provide parents with additional means of identification in the event an unexpected crisis should arise. Anyone who did not have an opportunity to obtain their child's fingerprints is encouraged to contact us to make arrangements to have it done. The next missing child may be yours.

In November, 1983 Patrolman Brooks attended a police radar instructors course held in Concord. His successful completion of the course will enable him to instruct and certify other police officers in the proper use and operation of the police radar.

Phillip Quinn resigned his position as a Special Police Officer for the Town in September, 1983. He has since moved to New York and we would like to thank him for his service over the years and wish him the best.

Again this year we were able to have students from our schools come to the station to review the calls and situations that we handle. They also get a chance to see some of the equipment and how it is used.

The cases brought before the Whitefield Municipal Court this year by our department totalled 274 as opposed to 347 in 1982. These cases do not include any of the 378 warnings that were issued in 1983. A breakdown of the cases brought to court is listed below:

<u>MOTOR VEHICLE OFFENSES:</u>	<u>1983</u>	<u>1982</u>	<u>1981</u>
Driving While Intoxicated	29	29	13
Speeding	117	167	89
Solid Line Violation	7	17	16
Stop Sign Violation	8	16	25
Operating Without a License	12	8	9
Operating an Uninspected Vehicle	24	25	21
Operating an Unregistered Vehicle	8	10	0
Reckless Operation	2	5	3
Unauthorized Use of a Motor Vehicle	4	3	0
Operating after Suspension/Revocation	11	0	7
Miscellaneous	<u>5</u>	<u>19</u>	<u>36</u>
Totals	227	299	219

CRIMINAL CASES:

Assault	12	11	0
Bad Checks	2	4	9
Burglary	2	0	6
Criminal Mischief	1	3	6
Criminal Trespass	6	6	1
Disorderly Conduct	7	9	10
Drinking in Public	0	4	0
Resisting Arrest	4	3	0
Theft	4	5	5
Possession of Drugs/Alcohol	2	0	0
Miscellaneous	<u>7</u>	<u>3</u>	<u>4</u>
	47	48	41

There was a drastic upswing of juvenile cases brought before the Lancaster District Court for 1983. This year we literally doubled with 28 youngsters being brought into the judicial system as opposed to only 14 last year. These cases involved burglary, theft, assault, possession of alcohol or drugs, and some motor vehicle violations. Every possible means of crime prevention will be used this year in hopes that we do not have to repeat this in 1984.

I would like to thank the Whitefield Ambulance Service, Highway Department and Fire Department for their assistance during 1983. We would also like to thank you - the people we serve - for your continued support and cooperation.

Respectfully submitted,

SGT. DENNIS MACKAY

WHITEFIELD FIRE DEPARTMENT

List of Firemen as of January 1, 1984

W. A. Placey, Chief
Jonathan Miller, Assistance Chief
Frederick Stiles, Second Assistant Chief
David Monahan, Clerk

Roy Birard	Stephen Marro
Howard Bray	Dennis MacKay
Leo Couturier	Walter Morton
Gary Cross	Thomas Mosher
Stanley Glines	Carroll Rexford
Charles Hatfield	John Severance
Donald Hatfield	Alan Smith
Roy Huntoon	Robert Stiles
Kevin Jordan	Robert Thompson

There were 47 alarms this year which included 2 house fires, 13 chimney fires, 1 oil stove fire, 1 body shop, 1 bad wiring call, 1 car fire, 1 barn fire, 1 electric stove, 1 gas stove, 1 truck accident, 1 brush fire, 1 garage fire, 1 truck fire, 1 camp fire, 1 roof accident, 1 oil spill, 1 trash fire, 5 Highland House alarms, 5 Regional School alarms, 2 bomb threats and 5 mutual aid calls.

Please continue to clean those chimneys. This is the best way to avoid chimney fires. CHECK THE BATTERIES IN YOUR SMOKE DETECTORS. A reminder to those who rent apartments and rooms - the State law now requires a smoke detector in each apartment, hallways, stairwells and each bedroom of multi-apartments, motels and hotels. Inspection of these is in process and will continue until all have been done.

A special thank you to everyone who contributed to the Jaws of Life Fund. We now have \$8,200 in the fund and are awaiting word on our qualifying for matching funds on State and Federal levels. If these are received, we will be able to proceed with acquiring the Jaws and accessories and the air bag rescue system. The Fire Department is planning on having another wood raffle this Spring and this should finish the project even if we go without matching funds.

We would like to thank everyone that contributed to the John Stiles Memorial Fund. A flag pole was installed in front of the Fire Station and a bronze plaque was attached to the building in memory of John and his 55 years of service to the community and Fire Department. A dedicational flag raising ceremony was held at our October meeting with Fr. George Harvey delivering an exceptional eulogy.

Spring burning is planned again this year on a donation basis. Contact any of the firemen and we will put you on the list. If the weather is favorable, we will try to give everyone who requests it our assistance.

W. A. PLACEY
Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated. As Smokey says, "REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!"

WHITEFIELD RECREATION COMMITTEE REPORT

In 1983 the Whitefield Recreation Program operated as a full time Summer activity and on a limited basis during the remainder of the year. Once again we were fortunate to have James Haley as our director. Under his direction the program has continued to serve the people of Whitefield with a comprehensive recreation program.

The activities included a swimming program which was held at Forest Lake State Park. For the first time this activity operated with an entire staff of W.S.I. (Water Safety Instructors). The additional cost that this incurred was more than justified with the improved results, with many more of our children receiving passing grades this year. It is the hope of the Board that we can continue this next year. The Board wishes to express its appreciation to Jackie Hoverman for her able directorship of this program. Other activities included a trip to the Hersey Track Meet in Concord, a trip to Montreal to attend a baseball game, a Babe Ruth Baseball program, and trips to various activities in the area.

Programs that are offered at other times during the year included a ski program and a hockey program. The Board would like to thank Debbie Bragg for her outstanding job of running the ski program. We will miss her as she has decided to "retire". A special thanks goes to Pam and Jeff Boucher for their unselfish efforts and dedication to the Whitefield Youth Hockey Program. We are sure that few realize how instrumental they were in making this program the success that it is today.

The Board wishes to express its gratitude to the people of Whitefield for without your support the program would not be possible. Also, a special thanks to Stiles Fuel Co. for their support in bussing for the various programs. We feel very strongly that the program is a worthwhile one and it is our hope that you continue to support it in the future.

WHITEFIELD REGIONAL AIRPORT COMMISSION

1983 has been both a rewarding and sad year for the Whitefield Regional Airport Commission. Mr. Warren Kiel of Whitefield resigned while newly appointed members include Mr. Donald Mooney of Dalton and Mr. Donald Herbert of Whitefield.

In April, Mr. William Roberts, the Commission Chairman and fixed base operator selling fuel and renting hangar space passed away. His loss has been felt by all connected with the airport.

In June, Mr. Gary Sanborn was appointed as airport manager and fixed base operator. He has been kept busy with housekeeping and hangar rehabilitation. Mr. David Astle has started giving flight instruction and B&B Aircraft has been gearing up to become an aircraft maintenance facility.

September brought word from the Federal Aviation Administration that a federal grant of \$422,000 has been awarded for runway rehabilitation and relocating the airport and industrial park access road so as to comply with federal laws. Construction will start in the Spring of 1984. The New Hampshire Aeronautics Commission was instrumental in helping us obtain the federal grant. They are also rebuilding the instrument approach system.

Corporate aviation users have been supportive and use the airport more than ever. James River Corporation now bases a twin engine airplane at Whitefield and they have renovated one of the airport commission hangars. Burndy Corporation and Georgia Pacific Corp. are among the regular users. Transit aircraft have been bringing in passengers to stay at the resort facilities located here.

Regular airline commuter service was again established for a one month trial period. The airport commission is in negotiations to establish seasonally scheduled commuter airline service for next summer.

1984 will require the airport authority to initiate programs to further improve the runway and to meet federal requirements. These projects will be funded from the 1984 airport operating budget. We have also implemented programs to try to hold down the expense of maintaining and running the airport.

With continued dedicated support from the community the Whitefield Regional Airport is well on its way to becoming a viable modern airport. Thank you for making the airport an active part of the community.

Respectfully submitted,

LEIGH WHITE, Chairman

The Library Board of Trustees completed a study this year to determine the feasibility of renovating our basement. It was decided (with the aid of architect Don Sturm) to proceed gradually to make the cellar into an "all purpose" reading and/or "project" room. The first priority was to rewire the cellar and this has been completed by Norris Davis and paid for by interest from library trust funds. Further work will be done in the future as additional money becomes available.

Summer saw another successful Story Hour program using volunteer story tellers. Our Weathervan Theatre friends entertained at a very well attended party. Lavina Maykut and Phyllis Gonyer have continued the weekly story hour for preschoolers and an average of 35 children pile into the library every Tuesday morning for an hour of stories, songs and games.

News from the State Library in Concord continues to focus on budget cuts and loss of services. There is no longer any Bookmobile or van service to the library; books are, however, still available if we are willing to carry them to and from the Twin Mt. Regional Office. This does mean a supplemental supply of books, however meager. (The Twin Mt. office has not had a book budget for three years). "Inter-library Loan" continues as always for requests for specific books for reports, etc. One positive note from Concord is the automation project which is now in the works. The holdings of each library in the state will eventually be computerized. Larger libraries will have terminals - smaller ones will be able to phone in - enabling any book to be located and procured through the new system. Service will be faster and more efficient than the current system of mailing in requests. (Last year we borrowed 225 books from other libraries through Interlibrary Loan.)

Our membership in the North Country Library Co-op continues. One immediate benefit of the Co-op has been an increased discount on books we buy for the Library. We now can buy at a 39% discount - a year ago 33% was the best we could do. Volume buying by the Co-op has made this possible. Meetings are held monthly at member libraries and help North Country librarians share ideas and exchange information on the administration of the Library.

Thanks and appreciation are extended to all those who are supportive of the library in so many different ways - donors of gifts, memorials, magazines, books for the book sale, and all around moral support. Assistant librarians Louise Jordan and Sherry Harris are to be commended for jobs well done when I am unable to be at the library.

Respectfully submitted,

SANDRA HOLZ, Librarian

COMMUNITY ACTION PROGRAM

Outreach is the field services arm of the agency. The purpose of this program is to assist low income, elderly and handicapped persons to solve individual problems and meet needs through individual and/or group self-help efforts. Outreach workers accomplish this purpose by providing information, referrals, guidance, organizational assistance, individual counseling and by effectively linking and utilizing community resources.

During the 1982-1983 fuel assistance season, a total of \$63,966.35 was given to residents of Whitefield. An additional \$24,719.26 was spent on weatherization projects. Weatherization uses local suppliers and contractors whenever possible. In two cheese distributions, we provided 434 households and 150 elderly with \$4,331.32 worth of USDA cheese and butter plus \$440.47 worth of Title II foods that were given to the WHEET program emergency food pantry. An additional \$250.00 in FEMA (Federal Emergency Management Agency) monies was given to the WHEET program to purchase canned goods for the pantry shelves. Emergency rent of \$180 was given to help a client that had been evicted.

I believe that your town officials will agree that whenever I have any monies or services available, I call and let them know. The last place I want to send people for help is to the town. We exhaust all other possibilities first.

I hope you will agree that my Outreach Office is a year around necessity and that it saves the townspeople many times the \$750.00 that I am asking to help support it during the seven months of the year that we do not have federal funding.

Respectfully submitted,

HARRIET E. FORBUSH
CAP Outreach Worker
Southwestern Coos County

CHILDREN'S COMMUNITY CENTER

The year 1984 will complete the ninth year of successful operation for the Childrens Community Center. The day care services provided by the Center are presently being used by 35 families from Whitefield and surrounding areas with 45 children presently enrolled ranging in ages from 18 months to 5 years and older. As well as daycare, the Center provides a pre-school and kindergarten program to meet the needs of the community. The Center is a member of the North Country United Way.

Licensed by the New Hampshire Division of Welfare, the Childrens Community Center offers a friendly atmosphere and quality care by a staff of eight employees led by Co-Directors Shirley St. Cyr and Loretta Pitt. Other part-time staff members include Donna Sargent, Peggy Simmons, Peggy Cormier, Shari Pilotte, Jenny Gage and Theresa Boutin, working efficiently to provide tender loving care for area children. The Center's hours are from 6:30 a.m. to 5:30 p.m. At the day care center, the children enjoy breakfast, a hot lunch, and a snack daily. Day care parents pay a rate of \$1.35 per hour for one child and \$2.00 per hour for two children, with maximum weekly charges of \$42.00 and \$68.00 respectively. Tuition rates are also available for 51 week programs. The nursery and kindergarten programs offer separate weekly rates.

As a non-profit, tax exempt organization, a fifteen member board of directors is elected from the community to work with the staff on its policies and activities. Various fund raising events are sponsored by the board of directors throughout the year which include bake sales, a golf tournament, raffles, a bike-a-thon and a skate-a-thon.

Finally, the Children's Community Center would like to take this opportunity to thank the volunteers and our friends within the community for your willingness to support us and we look forward to providing quality day care services for Whitefield residents in the years to come.

Respectfully submitted,

EDWARD QUIGLEY
JUDY ERICKSON
CATHY SMITH

WHITEFIELD SENIOR CITIZENS CLUB

The Village Center was organized in March, 1969 exclusively as a Senior Citizens Center. Its purpose was to provide services for the elderly, such as information and referral as well as a place for them to meet; to participate in recreational activities such as card parties, bingo games, birthday parties, holiday parties, trips, dining out, quilting, crafts, etc.

In October, 1969 the Senior Citizens Club was organized. This brought into focus the setting of goals, fundraising, and organizing volunteers. Volunteers have played a very important role in the operation and success of all programs at the Center.

This is the tenth year the nutrition program has provided a hot well-balanced meal to the elderly shut-ins five days a week. The program is designed to enable the elderly to stay in their homes as long as possible. Quite often this can avoid a premature or inappropriate institutionalization.

The meals on wheels serve between 43 and 53 meals per day, five days per week. Those who are able may come to the congregate meal at the Center which is served Monday through Friday at 12 noon. The fee for the meals is on a donation basis. The number of meals served per week average around 300. The number of individual persons served the last fiscal year which ended this past September was 339 persons.

The Senior Wheels provides transportation for the elderly - those who have no other means of transportation. Most trips are for medical purposes. Trips are scheduled for St. Johnsbury and Berlin as well as the Littleton and Lancaster areas. The wagon also goes as far as Groveton. This is Senior Wheels ninth year of service.

A blood pressure clinic, free to all, is held on the third Tuesday of every month from 11 a.m. to 12 noon at the Center given by the visiting nurse association of Lancaster.

Until the past five years or so, the seniors were able to raise enough money to cover expenses. With high fuel costs and increased rent, this has become impossible.

On behalf of the Senior Citizens of Whitefield and the Site Council for the Nutrition Program I would like to thank the voters of Whitefield for the support they have given us in the past.

Respectfully submitted,

MARJORIE PORFIDO
Meal Site Coordinator
Village Center Director

NORTH COUNTRY COUNCIL, INC.

North Country Council is the regional planning and economic development agency for communities in the northern part of the State. Whitefield is one of forty-three member towns that utilize the Council staff in community and land use planning, economic development, solid waste, transportation, recreation, and municipal services. The Board of Directors is made up of representatives from every member town.

Economic development, grantsmanship and air service were the major areas of Council assistance to Whitefield this past year. In the Town's efforts to obtain federal funds for the development of its industrial park, Council staff wrote and documented the application to the Economic Development Administration for development of water supply. We also provided information on the State's new Job Training Program to local industries. The council has tried to foster continued use of regional rail lines through discussions with Guilford Transportation, the State Rail Division, and area businesses, and by sponsoring a two-day rail tour.

The Council worked closely with the Airport Commission and was the liason between the Commission, Air Vermont, and the public for the six-week trial period for air service between Whitefield and Burlington, Vt. Though the effort was not without its frustrations, it was the only private sector (unsubsidized as well) opportunity for developing this service. The Council held public meetings for area businesses and advised the air carrier on local preferences for schedules, routes, and other service characteristics. We communicated with the media and area travel agents frequently and maintained almost a daily link with Air Vermont. We have attempted to provide feedback on the service and look forward to working with the Airport Commission on the planned 1984 summer service.

The Council also assisted the Town and its neighbors in creating a Solid Waste District and in preparing a schedule for planning for future waste disposal. Information was provided to the Town for its Farmers Home Administration water grant application. In the area of community planning, a municipal planning law lecture was held in Littleton and information on zoning, subdivision regulations and the new recodification was provided.

Besides direct assistance to each member town, the Council is an advocate for all North Country towns in legislative and funding issues at the State and Federal level.

Respectfully submitted,

Your NCC Representatives
