THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Deerfield in said County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Deerfield Town Hall in said Deerfield on Saturday, the twenty-fourth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of rebuilding Old Center Road. Approved by the Budget Committee.
2. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of rebuilding Mt. Delight Road. Approved by the Budget Committee.
3. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of repairing and reconstructing South Road. The State to contribute \$20,000. Approved by the Budget Committee.
4. To see if the Town will vote to authorize the selectmen to withdraw from the Build/Repair Bridges fund an amount not to exceed \$12,000 for the purpose of meeting town obligation of Bridge No. 144/109, known as Freeses Pond Dam Bridge. Approved by the Budget Committee.
5. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of procuring Computer Equipment/Service, and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Approved by the Budget Committee.
6. To see if the Town will vote to establish a Capital Reserve Fund to be used for future Town Hall Offices and to raise and appropriate \$5,000 for this fund, and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Approved by the Budget Committee.

7. To see if the Town will vote to raise and appropriate the sum of \$3,000 for the purpose of repairing Pleasant Lake Sluice Way. Approved by the Budget Committee.
8. To see if the Town will vote to raise and appropriate the sum of \$2,500 for the purpose of repairs to the Soldiers Memorial/Library building. Approved by the Budget Committee.
9. To see if the Town will vote to raise and appropriate the sum of \$7,000 for the purpose of updating Deerfield's Master Plan. (Total amount for completion of project will be \$21,000 to be raised over 3 year period.) Approved by the Budget Committee.
10. To see if the Town will vote to raise and appropriate the sum of \$93,614 to reconstruct the Freeses Pond Dam and to authorize the Selectmen to borrow this amount and to issue notes or bonds for a period not to exceed ten years. Requires 2/3 vote by ballot. Approved by the Budget Committee.
11. To see if the Town will vote to raise and appropriate the sum of \$93,614 to reconstruct the Freeses Pond Dam and to authorize the Selectmen to borrow this amount and to issue notes or bonds for a period not to exceed ten years. Requires 2/3 vote by ballot. By Petition. Approved by the Budget Committee.
12. To raise such sums of money as may be necessary to defray Town charges for the ensuing year, and make appropriations of the same.
13. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.
14. To see if the Town will vote to authorize the Board of Selectmen to contract for the sale of timber and other wood products from any Town Property but specifically the properties known as McNeil Woods, Fife and Wells, and Chase lots. Cutting operations are to be managed by a forester hired and directed by the Selectmen, who shall be reimbursed from the proceeds of timber and cordwood sales. All other revenues are to be deposited to the Town general fund.
15. To see if the Town will vote to authorize the Selectmen to sell the 12 acres of commercial land purchased from Dwight F. Raab and described on the plan of T. W. Chesley, Plan No. 2453A as revised in December, 1974.
16. To see if the Town will vote to establish a Town of Deerfield Rescue Squad to be constituted as follows:
 1. The Town of Deerfield Rescue Squad shall be composed of a Director of Rescue Squad, appointed by and serving at the pleasure of the Board of Selectmen, and such other qualified residents of the Town as may volunteer their services and be appointed by the Director.
 2. The Director and all other Town Rescue Squad members shall be licensed as required by the State of New Hampshire pursuant to RSA 151-B.
 3. The Town Rescue Squad shall provide emergency medical care, not to include ambulance service, within the Town of Deerfield and outside the Town where appropriate in accordance with the State emergency medical service program under RSA 151-B.
 4. The Board of Selectmen may adopt regulations pertaining to the operations of the Town Rescue Squad.
17. To see if the Town will authorize and direct the Selectmen to review considerations, through the Tricounty Solid Waste Management District, which may involve participation in the (Manchester-planned) Vicon Recovery Systems/Citizens Utilities Co. project or any other solid waste project, consistent with the district plan.

18. To see if the Town will authorize the Selectmen to sell the grave sites in town owned cemeteries.

19. To see if the Town will vote to accept sums of monies, from the following persons for the purpose stated:

- a. Two hundred dollars, from Gus Csuka, for the care of Csuka lot in the Morrison Cemetery.
- b. Two hundred dollars, from A. Judith Yeaton, for the care of Merrill lot - Herbert & Mary Merrill, in the Morrison Cemetery.

20. To see if the Town will vote to accept the sum of \$360.90 from Friends of Rebekahs to be used as a scholarship for a graduating student from the George B. White School and to be at least \$25 each year as long as the monies last. (It shall be awarded by the school faculty to the student who most exemplifies the principles of "friendship, love and truth.")

21. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

22. To transact any other business which may legally come before the meeting.

Given under our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and eighty-four.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens

because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

Warden

SELECTMEN'S REPORT

The highlights of 1983, as seen from the Selectmen's office, were the acquisition of two parcels of land which carry out a recommendation in Deerfield's Master Plan that the town "protect areas of natural or cultural importance."

At the March 1983 town meeting the town authorized the purchase of a tract of about 50 acres bordering on Routes 43 and 107 and surrounding almost the entire southwestern portion of Freeses Pond, including the dam site. This parcel of land, located just north of the exact center of the town, has a great potential - a portion zoned commercial may be sold for that purpose; the preservation of the pond will recreate a natural and recreational area; much of the acreage may be held to meet the needs of the town as population increases.

A second acquisition was, in fact, a gift to the town by Gilbert Knowles, now late, of Epsom who deeded to the town approximately 80 acres on Nottingham Road to be known as Dowst-Cate town forest and park. A lovely wilderness area with meandering stream and historic old mill site, it adds a conservation area to Nottingham Road which formerly had no town owned acreage. With the establishment of an official town forest, the Board appointed a Town Forest Commission of three: Roger King, Frederick Dodge, and David Sidmore.

Most recently word has been sent to the Board that the town will receive, by the will of Gilbert Knowles, another parcel of land, about five acres, fronting on both Cate and Nottingham Roads and surrounding the old Cate cemetery for which Mr. Knowles has left a \$1,000 trust.

The work on expansion of Old Center Cemetery has been very nearly completed. The one acre purchased directly behind the old portion of the cemetery has been graded and fenced and in 1984 will be seeded and surveyed for sale of lots.

The Freeses Pond Bridge, to be constructed mainly with state and federal aid money, has been let to contract and work is planned for early in 1984. This is the bridge located over the Lamprey River near the outlet and dam of Freeses Pond.

The Selectmen wish to extend their appreciation to the "Grader Committee" - Russell Bowden, Jon Winslow, Frederick Dodge and Paul Smith - for the many hours put into investigating equipment needs for the highway department. Their recommendation resulted in the purchase of a new Caterpillar road grader which was delivered in the summer of '83 and proved invaluable in the road construction and repair of this year.

The town authorized a three year TRA plan for 1983 and this money was spent on extending the Mount Delight road westward from the corner near Haynes Road. This was an expensive project with blasting of ledge necessary and replacement of a large culvert on Nicholls brook. Work on Old Center Road was continued a distance of six tenths of a mile with plans for further work in the direction of Griffin Road for 1984. Many roads were shimmed and sealed during the year although funds did not stretch to cover all projects planned.

TRA (town road aid) became a thing of the past during 1983 as the State switched to a different method of funding towns for road work. We shall no longer receive TRA as such but shall receive a "Highway Block Grant Aid" replacing previous grants.

A new source of highway aid will be requested in 1984 for Deerfield's class II road. The State has funds available on a two to one matching basis for repair and reconstruction of these roads. Deerfield's class II road extends from Butlers Corner westward on South Road to Middle Road and then along Middle Road to the Allenstown line. The warrant for 1984 will contain an article for the town to raise \$10,000, the state to contribute \$20,000 for work on this road.

The town meeting approved a warrant article to have certain town owned lands surveyed. David Sidmore is currently working on this project and we expect the work be continued in 1984.

An order, in October, from the State Board of Land and Tax Appeals for Deerfield to reassess all the taxable property in the town in 1984 will create a considerable extra burden of work for the selectmen's office and for the town assessor and will result in a change in most property valuations for 1984. This will not be reflected in your June tax bill as this bill is simply an estimate based on one half of the previous year's figure but will be in effect for the fall tax billing. Deerfield had a complete reassessment in 1982 which was received with little local criticism. State authorities, however, considered it to be unacceptable because of the high "coefficient of dispersion." The town has been ordered to bring properties into line with a proportionate evaluation of all properties whether land or buildings. This will mean higher valuations on land, though it may affect buildings little or none.

During the year many problems in the town hall became evident - the need to revamp the electrical system, parts of which dated from the 1930's; a settling back foundation; miscellaneous but numerous small items, and the need to install an access to the building to accomodate the handicapped. These needs will be met or planned in 1984.

John L. Sherburne
Robert B. Sanborn
Joanne F. Wasson
BOARD OF SELECTMEN

MUNICIPAL BUDGET COMMITTEE

The MBC has met with Selectmen and the School Board regarding their 1984 budgets. Open hearings have been held on both budgets and the MBC's recommended budgets have been given to the Board of Selectmen and the School Board.

This year the biggest item in the Selectmen's budget is the Freeses Pond Dam expenditure of \$93,614. It is the intent of the MBC to approve this article presented both by the Selectmen and by Petition, so that it can appear on the floor of the Town Meeting and be enacted on by the voters. The balance of the Selectmen's budget showed very few changes being made by the MBC.

Faced by three areas in which no real fiscal control can be maintained i.e. High School tuitions, Special Education, and Supervisory Administration Unit 53 expenses, the School Budget shows an overall increase of approximately 15.7% increase over the 1983 budget. The actual running of the inhouse programs of the G. B. White School reflects an 8.5% increase over last year.

Joe Stone
Chairman

POLICE DEPARTMENT

Chief Paul H. Dewey
Lt. Earl Ray III
Sgt. John Garland
Sgt. Massad Ayoob

Cpl. Elizabeth Garczynski
Officer Peter Lindahl
Officer Russell Pallas
Officer Steven Long

Burglaries, criminal mischief and theft continue to be the biggest problem within the town. Burglary loss for the year was in excess of \$28,000. Theft loss was slightly over \$8,000, and loss due to vandalism or criminal mischief was \$5,070. Crimes of violence increased slightly over last year, as indicated on the following page.

Pleasant Lake and the Deerfield portion of Northwood Lake continue to lead the way in burglaries. Both of these areas are difficult to patrol and are isolated enough from view to offer relatively easy pickings for thieves. 1983 saw some unique burglaries in that some took place while people were within the house sleeping. One way Deerfield citizens can help reduce these types of crimes is to be a little more aware of who comes and goes in your area. Don't be afraid to call the Police Department if you think something is going on. You will note that the criminal mischief rate doubled this year over last year. This is mostly due to a group of individuals who smashed 35 mail boxes in one night. Each case is a separate offense. The clearance rate for criminal cases this year is in the area of 46%. This is slightly down from last year.

The traffic statistics fairly well speak for themselves. As usual, the main cause of accidents in Deerfield is speeding. As is indicated, more summons were issued and less warnings. Traffic laws will be enforced even more in 1984. There will be a concentrated effort in Deerfield, as there is in other areas, to get the drinking driver off of the road. Two arrests have been made this year already, as of 1/3/84.

I wish to thank the citizens of Deerfield for the cooperation rendered the Police Department.

Paul H. Dewey
Chief of Police

DOG OFFICER REPORT

1983 saw fewer complaints than in 1982 and 1981. More people licensed their dogs this year (333), but there are still many people who have not bothered to license their dogs, or give them the necessary immunizations against Parvo and/or Rabies.

All unlicensed dogs found in 1984 will be impounded and the owner cited.

Many persons still allow their dog to run at large contrary to State law. Also many persons who have licensed their dog do not place the tag on the dog's collar. This defeats the purpose of the tags, which is to identify an animal and facilitate its return to you.

PARKS AND RECREATION BALL FIELD

Again this year our Community Ball Field was used by young and old alike. Many organizations in town used the facilities, i.e. Little League, Babe Ruth, George B. White physical education classes, intramural and soccer teams. Also Co-Ed softball and many pick up games took place this year. A first this year was the first annual Deerfield Hershey Track Meet held the latter part of June. Under the expert guidance and unselfish help of Art Connally and many other volunteers, the event was held and our various winners went on to the State Hershey Meet held in Concord in July.

My sincere thanks to Park and Recreation Commissioners, Lana Stevens, Dick Clark, John Crummey and Veasey Park representative Judy Clark for another great year. To the many volunteers who pitched in, Thank you. To Bruce Stevens our caretaker another fine job well done.

The highlight of the year was the second annual Old Timers baseball game held on Old Home Day in August. It draws a large crowd and the players and fans had a tremendous time. This year the "Newcomers" reversed last years loss and managed to defeat the "Natives" 4 - 3. Plan now on attending the 1984 game; you'll enjoy it.

Joe Stone
Chairman

VEASEY PARK

As the summer of '83 set records for being hot and dry, Veasey Park set records of high attendance. The holiday weekends produced scenes of Coney Island with hardly an inch of beach space to be had!

Wendy Smith once again returned as our weekday lifeguard and very well qualified water safety instructor. A good turnout of 73 young people participated in swim instruction and with the help of swim aides Glenda Smith and Kelly Healey everyone accomplished many new swimming skills.

Kevin Fisher was sworn in as a third commission member this year replacing retiring Dick Marquis.

This past summer, for the first time the beach had a lifeguard on duty for a full 7 days each week. Danny Bush was our weekend lifeguard this past summer and did an excellent job, especially with the very high attendance. New also this past summer was extending the park guards position to cover the park until closing each evening. Jan Laduke and Karen Perron shared this position this year and did an excellent job of keeping the park clean and trouble free.

The police department was very helpful whenever they were called upon and made Veasey Park a daily check in point each day.

Many thanks must be given to the many volunteers who pitched in again this year to help put Veasey Park in condition for the summer season. The list is long, headed by BSA Troop 138 of Deerfield for raking and debris cleaning, the Bilodeau, King, and Clark families for grass cutting, raking and debris removal, Dick Guyette for securing 3 new fireplaces and a repairable picnic table free for us and John Scott Sherburne for picking up and delivering them to the park. Also to Jim Foss and Glenda Smith for putting some much needed cuprinol on the picnic tables and bath house. There were a few unknowns who also pitched in while we were working and to them thanks also.

We are fortunate here in Deerfield to have a facility such as this available for our use and the commission wishes to thank all those who enjoyed the beach this past summer for showing care and respect of the park. Looking forward to another warm and sunny season.

Judy Clark

OLD HOME WEEKEND

The Old Timers Dance held Saturday night and the Horse Shoe Pitching Contest were the new events added to the 1983 Old Home Weekend. These events, along with the favorites Old Timers Baseball, 3.3 mile Road Run Frog Jumping, Water Balloon Toss Town Parade, Children's Treasure Hunt and the Leaky Drum Contest, back this year by popular demand, contributed to the successful weekend of events for old and new residents of Deerfield.

Old Home Day activities rejuvenated in 1979 by Willis Pollins, Jr. have grown in the last 5 years to be a two-day event attracting all ages of the Deerfield community. Each year special invitations are sent to past residents of Deerfield to urge their participation.

The 1983 Old Home Weekend Committee included Howie Maley, Mark Tibbetts, Jack Hutchinson, Suzie Sherburne, Jim County Robin Talkowski, Bob McGowen, Jack Sullivan, Bob Stevens, Dan Briggs, Mary County, and Walt Markson. These and many, many others, individuals as well as Deerfield organizations, contributed to the planning and implementation of the Weekend events. The committee always welcomes new ideas and individuals to help plan the weekend. Join us in 1984!

Rebecca Crosby Hutchinson, Chairperson

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission held eight monthly meetings, generally on the first Monday of the month at 7:45 p.m. at the Deerfield Library. Some of the more significant activities of the Commission included the following:

The Commission sponsored and supported, what has now become an annual event, a Warrant Article which states that the Town supports the adoption of a returnable container system for the State of New Hampshire. This Article was passed.

The Commission also sponsored an Article calling for the more stringent clean air legislation to reduce or eliminate acid rain.

Two additional articles the Commission had sponsored, establishing a Town Forest and authorizing the Commission to manage the Forest were withdrawn due to a possible conflict with the acquisition of the Dowst-Cate property on Nottingham Road and the desire of the Board of Selectmen to manage the Town Forest themselves.

Two of the members attended the annual meeting of the New Hampshire Association of Conservation Commissions held in Manchester in November. The members listened to presentations on wet lands, open space, and Town roads.

Commission member Joseph Brown declined reappointment to the Commission following several terms of membership on the Commission. Joe had worked hard on the Commission and for the Town and his presence will be missed.

The Selectmen appointed two new members to the Commission in April, Win Hutchinson of Birch Road and Fran Menard of Nottingham Road.

The Commission was fortunate to be able to work with the senior forestry class at UNH in preparation of a report on four Town-owned parcels of land. The parcels investigated were: Lindsay Woods off Raymond Road; McNeil Woods on Blakes Hill Road; the Wells lot off Mt. Delight Road and the Chase lot off Ridge Road Extension. The report investigated the potential for timber harvesting, recreational uses, and wildlife potential on each of these four parcels. The Commission hopes to work with the junior high class at the George B. White School in implementing some of the recommendations contained in the report for the Lindsay property. The total cost to the Town for this report was only \$250.

A map of major Town-owned parcels of land was prepared by the Commission and was on display at the 1983 Town Meeting. The Commission hopes to update that map for the 1984 Meeting.

Frederick J. McGarry
Chairman

REPORT OF THE PLANNING BOARD

The Planning Board held a total of 22 public hearings for subdivisions. The 16 subdivision approvals resulted in the creation of 39 new lots. The Board collected over \$500 in fees, nearly equaling its operating expenses during the year.

The Board voted to reelect Philip Bilodeau, Chairman; Frederick McGarry, Secretary; Joseph Dubianski and David Sidmore, Alternates; and John Brinkler, Representative to the Southern New Hampshire Planning Commission.

The majority of the Board voted to recommend five revisions to the zoning ordinance at the 1983 Town Meeting. All five articles passed. These changes consisted of:

1. Temporary use of mobile home during construction or reconstruction of a residence.
2. Rezoning of the westerly corner of the intersection of Routes 107 and 43 from residential to commercial.
3. Definition of a public way to conform with State Statutes. This will require approval of the Board of Adjustment to obtain a building permit on a road closed subject to gates and bars.
4. Reference compliance with Site Plan Review Regulations for non-residential uses in the zoning ordinances.
5. Minor editorial changes in the regulations.

The Board in its 1984 budget is recommending raising \$7,000 to begin a three year program of updating the Town's Master Plan. This is necessitated by the passage by the State Legislature of a revision in the laws governing planning and zoning. These revisions outline what a Master Plan must consist of. The Town's Master Plan does not fully comply with those requirements and unless the Plan is brought into compliance, we face the real possibility of losing any legal challenge to the zoning ordinance.

The Town could wait until we were challenged and possibly lose a court case. This would delay expending the money for the Master Plan for several years. This approach has several drawbacks; 1) the cost of the plan will probably increase over the next few years; 2) if the court challenge was lost, the Town would have to pay the costs of defending and losing this challenge; and 3) the Town would likely have to prepare the Master Plan immediately after the unsuccessful court case, to keep the zoning ordinance in effect.

The Planning Board urges the Town to give full consideration to the proposed Master Plan article.

Frederick J. McGarry
Secretary

REPORT OF THE BOARD OF ADJUSTMENT

The Board of Adjustment serves as a kind of appeals board on the Zoning Ordinance. By State law the Board has five members on staggered terms and may have up to five sworn alternates - we have three at the present time.

In order to be heard by the Board of Adjustment, an application is required from the administrative officer or board that refused a permit or proposed action by an applicant. The back of the form requires a signature by the Building Inspector, or the Selectmen, or the Planning Board and should state what part of the Zoning Ordinance is in question. Once the application is received, properly filled out as per instructions on the form with fees and mailing costs, a Public Hearing will be scheduled.

Hearings are normally held on the fourth Tuesday of the month.

Applications are needed 15 days prior to allow for publication of notices and notification of abutters.

In 1983 the Board held public hearings on eight variance requests. All of these were granted; several with stipulations and conditions on the proposed use.

If you have experience or interest in Zoning and would like to be considered as an alternate or member of the Board of Adjustment please contact the Board of Selectmen's Office.

Charles Copeland, Chairman
Thomas Fowke, Clerk

RURAL DISTRICT HEALTH COUNCIL, INC. REPORT

The Rural District Health Council, Inc. has a dynamic, highly qualified professional staff of nurses, physical, occupational and speech therapists, and social workers. The professional staff is complimented by experienced home health aides, who provide warm, compassionate care to those they serve. Nursing staff members make home visits to persons recently discharged from hospitals, nursing homes, rehabilitation centers and to those who have developed health problems at home. In addition to assessing the over-all health needs a person may have at a given time, the nurses may provide direct services such as dressings, injections, administration of certain medications or may teach a family member to give the medication. There is a nurse available 24 hours a day, 7 days a week. Nurses may also change catheters, help families arrange necessary medical follow-up, arrange for and coordinate ordered therapy, social worker, and aide services.

The office duties are performed by an experienced and efficient administrative assistant.

The therapy or rehabilitation staff inclusive of physical, occupational, and speech therapists, assist those with physical disabilities to regain maximum functions. Range of motion exercises, gait training, instructions and supervision of patients in transfer activities are among the activities carried out by the physical therapists.

The occupational therapist teaches persons daily tasks that most of us take for granted. Skills needed to carry out dressing, eating and other necessary functions some times have to be relearned. Fine coordination activities and energy conservation measures are areas in which the occupational therapist works to assist those with respiratory dysfunctions or energy limitations.

The speech therapist has much to offer the person with functional limitations. Diseases such as Parkinsons, M.S., and strokes can effect communicating skills, eating habits, swallowing abilities and energy levels. Assessments carried out by the speech therapist can result in a plan of care that includes regular exercises to strengthen weakened facial muscles and structures involved in the respiratory process, assisting disabled persons to be able to command assistance through the telephone to draw attention to the fact that help is needed are responsibilities of the speech therapist. With the loss of speech as may occur with post-brain, trauma relearning speech patterns and helping individuals re-establish thinking are important speech therapist priorities.

The medical social worker have a vital role in assisting families with acute or pending crisis. Often times they may help young families with parenting skills and also help the elderly with seeking financial aide, food stamps, fuel assistance, etc.

Home health aides are vital members of the health care team and quickly become helpful member of families where personal care assistance is needed. Health aides perform those tasks that a family member might be taught to perform. Bathing, dressing, ambulation, range of motion under the direction of the therapist are all tasks home health aides perform. One of the most important things they provide is their caring presence. They are able to assist families until they are capable of resuming total responsibilities. These are direct services provided to all residents of the nine towns served by the Rural District Health Council. Many of these services are covered by Medicare, Medicaid and third party insurance. However, services are not refused to anyone regardless of ability to pay. A request for payment according to ability to pay is accepted.

Grant monies and town appropriations are received to help with payments; also State Council on Aging and United Way funds. A bequest to the Council may be made either for unrestricted use in furthering the general purpose of the Rural District Health Council or for such special or restricted purposes as the donor may desire. All gifts to the agency are deductible for estate and income tax purposes. The Board of Directors would like to thank the family of George and Helen Slack for the bequest granted the agency

from the estate.

The Rural District Health Council also provides a maternal child health program to all member towns. This includes children from 0-6 years of age. Physical examinations, immunizations, growth and development, counseling, and as appropriate referrals are made to other community and state agencies for direct service or for counseling in parenting skills as needed. The agency also provides immunizations for school children through the school nurses.

The agency has an elderly maintenance health program provided in the senior centers. This program includes health counseling of medications, monitoring blood pressure, weight checks and diet teaching for weight loss. This year flu clinics were added and found to be a great success.

This year the agency is anticipating an increase in services with decreased reimbursement from Medicare and Medicaid, due to the new diagnosis related groups systems. The Board of Directors voted to increase the per capita cost by .15¢, a result of \$3.25 per capita for fiscal year 1984.

During the past year the Council has made for your town 134 nursing visits, 212 home health aide visits, and 84 therapy visits. There have been 13 child health home visits and 78 children have attended the child health clinics.

Anyone interested in additional information or needing service may call the office at 755-2202.

Ardala Houle, R. N.
Executive Director

NEWMARKET REGIONAL HEALTH CENTER REPORT

The Newmarket Regional Health Center completed its twelfth year of service in 1983. The Health Center operates two medical offices, one in Newmarket and the other in Raymond, the Lamprey River Clinic. Both facilities provide general medical care, preventive health services, community outreach, social services, and short term counseling with referral to area mental health agencies.

In 1983, Joseph Fuller, M.D., Michael Lewis, P.A.-C., Barbara Janeway, M.S.N., A.R.N.P., and Anne Fawcett, A.R.N.P. The medical team also includes registered nurses, medical assistants and community health workers. For more information, or to make a medical appointment, call 659-3106 in Newmarket, 895-3351 in Raymond, or toll-free in Newmarket at 1-800-582-7279.

The community health workers coordinate a school health program and preventive screening clinics to detect potential health hazards. They hold informative workshops and act as liaisons between the medical providers and patients.

In November, 1982, the Newmarket Regional Health Center initiated a Self-Care Program for the Elderly in conjunction with the Occupational Therapy Department of the University of New Hampshire. The purpose of this program is to enable the elderly to stay in their home setting as well as to maintain a quality of life and independent status within their community. The focus of the program is to provide self-care skills before disability occurs and to anticipate problems with functional activities. Contact Anne Fawcett, A.R.N.P. at 1-800-582-7279 for more information.

The Newmarket Regional Health Center continues to operate the Senior Citizen Transportation Program. Three of the four busses are equipped with hydraulic lifts to provide services to the handicapped. The transportation service enables senior citizens

to remain independent, self-sufficient and active by providing the needed services, including medical, food shopping and recreational trips. For more information, or to arrange a ride for a senior citizen, call 659-2424 or toll-free 1-800-582-7279.

The Newmarket Regional Health Center wishes to express its deepest appreciation for the support of the town of Deerfield.

Ann H. Peters
Executive Director

SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION REPORT

A wide range of services, resources and technical assistance is made available to your municipal officials through the Town's membership in the Southern New Hampshire Planning Commission. A professional staff having diverse planning and engineering skills, backgrounds and experiences works under the direction of your representatives developing and carrying out a cost-effective planning program to help meet the development needs of your community.

Staff services provided under the Commission's local assistance program are largely decided by the planning board and/or board of selectmen according to what they determine are their Town's planning and community development priorities. Manpower allocations are made on the basis of the community's membership fees.

Local assistance services provided during the year included:

- . Met with Planning Board members and the Building Inspector to evaluate the Town's administration and enforcement of the National Flood Insurance Program requirements. The evaluation indicated a need to update the Town's Subdivision Regulations, Nonresidential Site Plan Review Regulations and Building Code Regulations to assure continued eligibility to participate in the NFIP;
- . Provided members of the Planning Board, Zoning Board of Adjustment, Board of Selectmen, and the Building Inspector with the schedule of the Fall, 1983 Municipal Law Lecture Series;
- . Acting in the Town's interest, testified at Legislative hearings relative to the recodification of the State's planning and zoning statutes, and was successful in securing necessary amendments prior to the legislation's passage. As a follow-up, submitted written comments, questions and suggestions to the N.H. House Committee on Municipal and County Government in an effort to further improve this important legislation during the next session;
- . Provided the Planning Board and the Board of Selectmen with a suggested schedule for public notices and hearings pertaining to zoning and/or building code amendments, if any, to be considered by the March, 1984 annual Town Meeting;
- . Suggested a possible Zoning Ordinance amendment to be considered by the Planning Board as a means of establishing policies with regard to the treatment of non-conforming lots;
- . Provided the Planning Board with an estimated cost of updating the Town's Master Plan in order to comply with the requirements of the recodified planning and zoning statutes which became effective on January 1, 1984;
- . Counseled the Board of Selectmen regarding the preparation of a response to the Federal Highway Administration's proposal to include N.H. Route 101 in a national network of highways on which tandem trailer trucks (up to a gross weight of 80,000 lbs.) would be allowed unrestricted daily use.

Regional Planning programs and special studies, which can vary from year-to-year, are carried out on a contractual basis depending upon the availability of other funds which are allocated for specific projects or designated geographical areas. The sources of these funds may include other municipal appropriations, the Federal Highway Adminis-

tration, the Urban Mass Transportation Administration, the Department of the Interior, the Federal Emergency Management Agency, etc.

Deerfield's representatives on the Commission are:

Board of Commissioners: Mr. John L. Sherburne, Secretary
Mr. John S. Brinkler
Mr. Roger C. King, Alternate

Executive Committee: Mr. John L. Sherburne

FREESSES POND STUDY COMMITTEE REPORT

The Freeses Pond Study Committee was established at the 1981 Annual Town Meeting and has continued with few changes in membership. Initially we worked to develop an understanding of the wishes of the residents of the pond area and attempted to relate these wishes to the best interests of the Town of Deerfield. In 1982 we assisted in negotiating a proposal for the purchase of fifty acres of land owned by Mr. Dwight Raab which surrounded the pond on the west side of Route 107 and included bottom land as well as the dam area. This land was purchased by the town in 1983. Present members of the committee are Charles M. Copeland, Chairman; Frederick McGarry, Vice Chairman; Ronald Alie, Secretary; Allen Daigle, Frederick Dodge, Robert Farr, Warren Guinan, Roger King and John Sullivan.

Since last spring the committee has worked to develop a plan and a cost estimate for reconstructing the Freeses Pond Dam and to obtain the necessary state and federal approvals required. Through the cooperation of the Board of Selectmen a contract was made with Northeast Engineering and Construction of Manchester, N.H. to provide detailed plans and a cost estimate for reconstructing the dam and to obtain the required approvals. This is the basis of the article appearing in the 1984 warrant.

The committee feels that although it is not imperative that this dam be reconstructed immediately, there are advantages in proceeding with the project in this year. We realize that nothing seems to get less expensive in this day and age and it will certainly cost more to build it at a future date. Although the \$93,614.00 estimate is a major expenditure, when the long lasting return to the town is considered, a cost approximating that of a new fire truck or grader may be a reasonable expenditure. Our committee feels that there are potential savings in reconstructing this dam at the same time as the adjacent bridge on Route 43 which is scheduled for rebuilding the summer. It is felt that some of the material which would otherwise require trucking away from the bridge site can be utilized in the dam construction with savings to both projects.

When this expenditure is considered in the light of the \$50,000.00 spent a year ago for the Raab land, it may be looked upon as excessive. However, it appears that in the near future the Selectmen will be in a position to sell the twelve acres of commercial land included in the Raab property and proceeds from the sale should return much if not all of this money to the town.

Although the committee does not feel that it is practical to attempt to deepen the pond at this time, the proposed plan for the new dam includes a provision to drain the pond in the event that it may be desirable to do this at some time in the future. The shortage of gravel in this area may make removal of accumulated humus and gravel from the bottom of the pond desirable at some future date.

The committee hopes the residents will consider this dam reconstruction on a long range basis. By borrowing the funds required, the cost can be spread over the next few years. Some revenue can be obtained by increase in the assessed valuation of waterfront property. Sale of some of the property purchased from Mr. Raab, in addition to the twelve acre commercial piece, would generate offsetting funds. We feel that it is very much in the best interest of the town to reconstruct the Freeses Pond Dam and that there are very good reasons for going forward with this work in this year.

ANNUAL TOWN MEETING, MARCH 8, 1983

Meeting called to order by Moderator James A. McIntyre at 10:00 A.M. at the place appointed.

Warrant read by the Moderator, also the School Warrant.
Ballot boxes were inspected, shown to be empty and locked.

The following Election Officials were present: Ballot Clerks Mrs. Nettie Farr, Mrs. Irene Shores Mrs. Jennie Owen and Mrs. Judy Sullivan; Moderator James A. McIntyre, Assistant Moderator Charles Day, Town Clerk Ruth S. Sanborn and Assistant Clerk Phyllis F. Sanborn.

Gatekeeper was Robert Stevens.

Moderator stated all officials were sworn in. Instructions for voting were given by the Moderator.

Polls declared open.: Balloting began.

10:05 A.M. Moderator read the complete Warrant for the Annual Town Meeting, March 19th.

10:30 A.M. Polls declared closed. School absentee ballots cast.

10:34 A.M. Polls declared open.

1:57 P.M. Polls declared closed. Absentee ballots cast.

2:20 P.M. Polls declared open.

Polls declared closed at 7:00 P.M. Counting of ballots began immediately.

Serving as additional ballot counters were the following: Marion O'Neal, Jean Carozza, Victor Carozza, Thomas Linskey, Sandra Cassier, Jonathan Hutchinson, Jean Dubois, Linda Tuttle, Beverly Gardner, Brenda Gardner, Ginger Demers, Mary Csuka, Gus Csuka, Neil Maynard, Aloysia Hickey and Carol Keech. These additional ballot counters were sworn in by the Moderator.

Results of the balloting were declared by the Moderator as follows:

Regular Ballots cast	391
Absentee Ballots cast	26
Total Ballots cast	417

For Selectman for Three Years

Joanne F. Wasson	had 355 votes
Roger C. King	had 17 votes
John Williams	had 17 votes
Scattering	5 votes

and Joanne F. Wasson, having a plurality of all votes cast, was declared elected Selectman for a term of three years.

For Highway Agent for One Year

Keith Rollins	had 315 votes
Kevin Fisher	had 23 votes
Paul Smith	had 18 votes
Scattering	10 votes

and Keith Rollins, having a plurality of all votes cast, was declared elected Highway Agent for the ensuing year.

For Overseer of Welfare for One Year

Martha C. Southmayd	had 372 votes
Scattering	1 vote

and Martha C. Southmayd, having a plurality of all votes cast, was declared elected Overseer of Welfare for the ensuing year.

For Trustee of Trust Funds for Three Years

Folger A. Shores had 374 votes
and Folger A. Shores, having a plurality of all votes cast, was declared
elected a Trustee of Trust Funds for a term of three years.

For Trustees of Philbrick James Library for Three Years

Frederick E. Dodge had 356 votes
Linda E. Tuttle had 339 votes
Scattering 2 votes
and Frederick E. Dodge and Linda E. Tuttle, having a plurality of all votes
cast, were declared elected Trustees of Philbrick James Library for three years.

For Water Commissioners for Three Years

Willis Rollins, Jr. had 358 votes
Scattering 9 votes
and Willis Rollins, Jr., having a plurality of all votes cast, was declared
elected Water Commissioner for a term of three years.

For Planning Board for Three Years

John S. Brinkler had 361 votes
Scattering 2 votes
and John S. Brinkler, having a plurality of all votes cast, was declared
elected a member of the Planning Board for three years.

For Municipal Budget Committee for Three Years

George F. Menard had 299 votes
Donald R. Watts had 297 votes
Wadsworth Winslow, Jr. had 99 votes
John Williams had 23 votes
and George F. Menard, Donald R. Watts and Wadsworth Winslow, Jr., having a
plurality of all votes cast, were declared elected members of the Municipal
Budget Committee for three years.

For Auditor for One Year

Robert A. Stevens had 362 votes
Joy Gelatt had 11 votes
George W. Owen had 4 votes
Paul Hussey had 4 votes
Scattering 18 votes
and Robert A. Stevens, Joy Gelatt and George W. Owen, having a plurality of
all votes cast, were declared elected Auditors for the ensuing year. In the
case of the tie vote between George W. Owen and Paul Hussey, the Moderator
held a drawing and the winner was George W. Owen.

Question 1.

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning
Board for the town zoning ordinance as follows: (This amendment would correct cross-
reference numbering currently in error).

Yes 297 No 62

Question 2.

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning
Board for the town zoning ordinance as follows: (This amendment would reference com-
pliance with Site Plan Review Regulations for non-residential uses).

Yes 232 No 105

Question 3.

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning
Board for the town zoning ordinance as follows: (This amendment would permit temporary
use of a mobile home during the construction of a residence.

Yes 276 No 96

Question 4.

Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the town zoning ordinance as follows: (This amendment would revise in part the definition of a Variance and add to the definition of a Public Right of Way the exclusion of VI highways).

Yes 210 No 125

Question 5.

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the town zoning ordinance as follows: (This amendment would extend the Commercial District to the intersection of Routes 43 and 107.

Yes 224 No 140

DEERFIELD SCHOOL DISTRICT BALLOT

Regular Ballots cast	391
Absentee Ballots cast	2
Total Ballots cast	393

For School Board Member for Three Years
George H. Humphrey had 328 votes

For Moderator for One Year
Jonathan W. Hutchinson had 332 votes

For Clerk for One Year
Karen A. Fowler had 344 votes

For Treasurer for One Year
Cynthia E. Tomilson had 364 votes

For Auditor for One Year	
Joy Gelatt	had 24 votes
Robert A. Stevens	had 23 votes
Paul Hussey	had 16 votes

Joy Gelatt was declared elected Auditor for the ensuing year.

Karen A. Fowler came forward and was sworn in as Clerk of the Deerfield School District for one year by the Moderator James A. McIntyre.

The following newly elected town officers came forward and were sworn in by the Town Clerk in open meeting: Joanne F. Wasson, Selectmen for three years; Keith Rollins, Highway Agent for one year; Linda E. Tuttle, Trustee of Philbrick James Library for three years; and Robert A. Stevens, Auditor for one year. Jonathan W. Hutchinson was sworn in as School District Moderator for one year.

On motion of Robert A. Stevens it was voted to adjourn at 9:00 PM

A true record,
Attest:

Ruth S. Sanborn,
Town Clerk

ANNUAL TOWN MEETING, MARCH 19, 1983

Moderator James A. McIntyre called the meeting to order at 10 A.M.

Election Officials Mrs. Irene Shores and Mrs. Nettie Farr were using the checklist at the door to check off names as people entered the hall.

Police Chief Paul Dewey warned there is a cat burglar in town; be sure all doors have good locks.

The Moderator read the result of the Town Ballot, March 8, 1983 and also the School Ballot.

Moderator called Roger C. King to stand and gave recognition for eighteen years service to the Town as a member of the Board of Selectmen. The entire meeting joined in with applause for Mr. King.

Moderator swore in Folger A. Shores as a Trustee of the Trust Funds for three years and also swore in George Menard as a member of the Municipal Budget Committee for three years.

Moderator introduced those on the platform: Selectman John L. Sherburne, Selectman Robert B. Sanborn, Selectman Joanne F. Wasson, himself Moderator James A. McIntyre, Assistant Moderator Charles Day, Parliamentarian Jonathan Hutchinson, Town Clerk Ruth S. Sanborn and Assistant Clerk Priscilla Watts.

Moderator read rules of the meeting. Meeting will follow Roberts Rules of Order as modified by the Moderator.

Non-residents seated in roped off area.
Smoking allowed in designated area only.

Instructions were given for addressing the chair, for presenting, amending and voting on a motion, for calling for secret ballot and for obtaining assistance, if needed, in making a motion.

Article 1. To see if the Town will vote to raise and appropriate the sum of \$1,335.94 for Town Road Aid. The State to contribute \$8,906.26. Approved by the Budget Committee.

John L. Sherburne moved the adoption of Article 1 as read. Seconded by Mrs. Nancy Guyette. It was a vote in the affirmative, so declared and the motion carried.

Article 2. To see if the Town will vote to raise and appropriate the sum of \$20,000 for the purpose of making improvements on Class 5 roads within the Town, such roads to be designated by the Selectmen. Such sum to be raised through the issuance of bonds or notes, under and in compliance with the provisions of Chapter 235, N.H. RSA 1982, and to authorize the Selectmen to determine the rate of interest thereon, and to take such steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town. Requires 2/3 vote by ballot. Approved by the Budget Committee.

John L. Sherburne moved the adoption of Article 2 as read. Seconded by Mrs. Nancy Guyette. Mr. Sherburne spoke to the question. A ballot vote was taken. Yes 111. No 17. Two-thirds vote by ballot was in the affirmative, so declared and the motion carried.

Article 3. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of rebuilding Old Center Road. Approved by the Budget Committee.

John L. Sherburne moved the Article be adopted as read. Seconded by Wadsworth Winslow, Jr. It was a vote in the affirmative, so declared and the motion carried.

Article 4. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of rebuilding Mt. Delight Road. Approved by the Budget Committee.

John L. Sherburne moved the adoption of Article 4 as read. Seconded by Wadsworth Winslow, Jr. It was a vote in the affirmative, so declared and the motion carried.

Moderator declared a five minute recess.

Meeting call to order.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$39,300 as its share toward the reconstruction of Bridge No. 161/023 on Cotton Road, known locally as the Cotton Road Bridge, to match State and Federal Funds and to authorize the Selectmen to borrow this amount and to issue notes or bonds as necessary. Requires 2/3 vote by ballot. Approved by the Budget Committee.

John L. Sherburne moved the adoption of Article 5 as read. Seconded by Alvin Upper. Mr. Sherburne spoke to the question, then yielded to Roger King. It was explained it will be three to five years before work is actually started. It is closed legally now to anything over six ton. After general discussion a ballot vote was taken. Yes 114. No 23. Article 5 having the necessary two-thirds vote was declared a vote in the affirmative and the motion carried.

Article 6. To see if the Town will vote to authorize the Selectmen to withdraw the sum of \$13,000 from the Build/Repair Bridges Fund for the purpose of meeting town obligation of Bridge No. 144/109, known as Freeses's Pond Dam Bridge. Approved by the Budget Committee.

John L. Sherburne moved the adoption of Article 6 as read. Seconded by Wadsworth Winslow, Jr. It was a vote in the affirmative, so declared and the motion carried.

Article 7. To see if the Town will vote to raise and appropriate the sum of \$80,000 for the purpose of purchasing a new grader, and authorize the withdrawal of \$40,000 from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and to further authorize the withdrawal of the other \$40,000 from the Highway Equipment Fund. Approved by the Budget Committee.

John L. Sherburne moved the adoption of Article 7 as read. Seconded by Mrs. Nancy Guyette. John Sherburne spoke to the question. General discussion followed and many spoke on the Article.

William Sanborn explained that many years ago he and Howard King moved to establish a fund that would set aside money to procure new equipment. \$40,000 would come from this Highway Equipment Fund and \$40,000 from the Revenue Sharing Fund. The money is already there to pay for it.

Mrs. Elaine Alexander moved the question. A hand vote was taken. It was a vote in the affirmative and so declared. The motion carried.

Main motion put to vote. Yes 82. No 40. It was a vote in the affirmative, so declared and the motion carried.

Article 8. To see if the Town will vote to authorize the Board of Selectmen to continue the Freeses Pond Study Committee and to vote to raise and appropriate the sum of \$2,500 to pay for work previously authorized. Approved by the Budget Committee.

John L. Sherburne moved to adopt Article 8 as read. Seconded by Mrs. Nancy Guyette. John Sherburne yielded to Charles Copeland who explained the Article. It was a vote in the affirmative, so declared and the motion carried.

Article 9. To see if the Town will vote to raise and appropriate the sum of \$2,500 for the purpose of continuing site preparation to the Old Center Cemetery extension. Approved by the Budget Committee.

John L. Sherburne moved the Article be adopted as read. Seconded by Robert Farr. It was a vote in the affirmative, so declared and the motion carried.

Moderator declared a five minute recess.

Meeting called to order.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the purpose of repairing Cotton Road Bridge and to authorize the Selectmen to transfer any unused monies to the Capital Reserve Fund Build/Repair Bridges established at the Town Meeting in 1980. Approved by the Budget Committee.

John L. Sherburne moved the Article be adopted as read. Seconded by Robert Farr. It was a vote in the affirmative, so declared and the motion carried.

Article 11. To see if the Town will authorize the Selectmen:

- a. To purchase all property owned by Mr Dwight F. Raab in the Town of Deerfield, more particularly described on the plan of T. W. Chesley, Plan No. 2453A, as revised in December, 1974, for the sum of \$50,000;
- b. To borrow all sums necessary to complete the purchase described in paragraph a;
- c. To sell any portion of the property described in paragraph a, with the advice and consent of the Freeses Pond Committee, and apply all sums thereby obtained to reduce the amount of debt mentioned in paragraph b. Requires 2/3 vote by ballot. Approved by the Budget Committee.

John L. Sherburne moved Article 11 be adopted as read. Seconded by Charles Copeland.

Ronald Alie moved that Article 11 a, b, and c be voted on separately. Seconded by Donald Smith. It was a vote in the affirmative, so declared and the motion carried.

Moderator ruled the only portion requiring a 2/3 vote by ballot would be the bond issue. Article 11 a requires a majority vote.

John L. Sherburne spoke to the question, then yielded to Charles Copeland. Mr. Copeland gave a detailed report and stated the Town will recover the high figure for dam reconstruction through taxes in the 8th year. He stated it is the intention to retain a good section of the land for Town use. John Sherburne stated there may be gravel in the area valuable for Town use. Stanley Penny asked what effect the present septic systems and wells would have on the area. Charles Copeland said he could only assume they were put in on an approved basis. Two members of the Study Committee are residents of the Freeses Pond Area. Building Inspector William Sanborn asked about selling building lots on a road that is not at least a Class 5 road. No answer. Joanne Wasson stated that right now the only part intended for sale is the part zoned commercial - two six acre lots.

James Shirley challenged the Moderators ruling that only Section B needs a 2/3 vote.

James Shirley moved an amendment to reconsider the previous motion and take up Sections a and b together and the 2/3 vote would apply. Seconded by Wadsworth Winslow, Jr.

Joseph Stone moved to amend the amendment by adding at the end "and to take such steps as may be necessary to negotiate such bonds or notes as shall be to the best interest of the Town." Seconded by Ronald Alie.

Vote taken on James Shirley's amendment to take up Sections a and b together. It was a vote in the affirmative, so declared and the amendment carried.

Elaine Alexander asked if she could make an amendment to raise the \$50,000 in one year. Moderator asked her not to make the amendment at this time.

Discussed were ways of raising money to buy the land and length of time intended to pay it off.

Joseph Brown asked if a substitute motion would be in order. Moderator ruled no.

Elaine Alexander moved the question. James Alexander asked the Moderator to explain the yes or no vote. Moderator stated this sets no time, it is simply to add the words "and to take such steps as may be necessary to negotiate such bonds or notes as shall be to the best interest of the Town. Vote to move the question was a vote in the affirmative, so declared and the motion carried.

Amendment moved by Joseph Stone to raise money through bond issue with no time limit put to vote. It was a vote in the affirmative and the amendment carried and so declared.

Back to main issue Sections a and b as amended.

Winfred Hutchinson asked what will be done with property when acquired. Joanne Wasson replied the pond would be restored. There are 55 odd acres, only 12 acres zoned commercial. It will be for Town use, recreational, future will benefit.

Winfred Hutchinson moved to amend the Article to raise and appropriate the sum of \$50,000 to purchase the Freeses Pond property, money to be paid within one year. Seconded by George Humphrey.

Legality challenged.

Moderator declared a ten minute recess.

Meeting called to order.

Winfred Hutchinson changed his amendment to read "Such bond issues would be payable in a one year term and that this section be taken in an advisory nature. George Humphrey accepted the change.

Section a and b, as amended, put to vote. It was a vote in the affirmative and so declared. Yes 116. No 18. The motion carried.

Moderator took a vote of the meeting whether to recess 45 minutes for a lunch break or continue. It was voted to continue.

Moderator declared a ten minute recess.

1:25 P.M. Meeting called to order.

Article 11-c, John Sherburne moved Article 11-c as read. Seconded by Charles Copeland.

John Williams moved to amend Section c by deleting the words "with the advice and consent of the Freeses Pon Committee." Seconded by Joseph Stone.

Charles Copeland asked to delete only the words "and consent." John Williams and Joseph Stone agreed. Vote taken on the amendment. It was a vote in the affirmative and the amendment carried.

Alvin Upper moved an amendment to read "only twelve acres of property described in paragraph a zoned commercial." Seconded by Roger Hartgen. It was a vote in the affirmative and the amendment carried.

Joseph Stone moved the question. It was a vote in the affirmative and so declared.

Main motion Article 11-c, as amended, put to vote. It was a vote in the affirmative, so declared and the motion carried.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the purpose of surveying town owned properties. Approved by the Budget Committee.

John L. Sherburne moved to adopt Article 12 as read. Seconded by Robert Farr. It was a vote in the affirmative, so declared and the motion carried.

Moderator again took the sense of the meeting to recess for lunch. A hand vote was taken and it was voted to continue the meeting.

Article 13. To raise such sums of money as may be necessary to defray Town charges for the ensuing year, and make appropriations of the same.

John Williams moved that \$575,000.00 be raised and appropriated to defray Town charges for the ensuing year. Seconded by Mrs. Mary County.

Reginald Boucher moved to take up the budget section by section. Seconded by Ronald Thomas. It was a vote in the negative and the motion did not carry.

Joseph Stone moved the question. It was a 2/3 vote in the affirmative, so declared and the motion carried.

Main motion to raise and appropriate \$575,000.00 put to vote. It was a vote in the affirmative, so declared and the motion carried.

Article 14. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

John L. Sherburne moved the Article as read. Seconded by Jack Sullivan. It was a vote in the affirmative, so declared and the motion carried.

Moderator declared a ten minute recess.

During the recess, the Moderator gave Joseph Brown permission to have a name drawn for the raffle of one cord of wood to benefit the Community Center. Joseph Brown asked Jonathan Hutchinson to draw a name. The winner was Mrs. Neil Maynard.

Meeting called to order.

Article 15. To see if the Town will vote to authorize the Board of Selectmen to contract for the sale of timber and other wood products from any Town Property but specifically the properties known as McNeil Woods, Fife and Wells, and Chase lots. Cutting operations are to be managed by a forester hired and directed by the Selectmen, who shall be reimbursed from the proceeds of timber and cordwood sales. All other revenues are to be deposited to the Town general fund.

John L. Sherburne moved the Article be adopted as read. Seconded by Charles Copeland.

Frederick McGarry moved an amendment to Article 15 as follows: "No timber operations will be started until the report now being prepared by the Forestry Class from the University of New Hampshire has been completed and submitted to the Town. Before beginning such operations, the Selectmen or their designee will take into consideration the recommendations contained in the report and will follow them to the greatest extent possible." Amendment seconded by Alvin Upper. It was a vote in the affirmative, so declared and the amendment carried.

Main motion, as amended, put to vote. It was a vote in the affirmative, so declared and the motion carried.

Article 16. To see if the Town will authorize the Selectmen to sell the grave sites in town owned cemeteries.

John L. Sherburne moved the adoption of Article 16 as read. Seconded by Joseph Brown. It was a vote in the affirmative, so declared and the motion carried.

Article 17. To see if the Town will authorize the Selectmen to dispose of the land and any buildings thereon, acquired by Tax Collector's Deeds, in accordance with RSA 80:42 as follows:

- a. Lot #16 on Mt. Delight Rd., formerly Caruso property.
- b. Lot #58 on Griffin Rd., formerly Page property.

John L. Sherburne moved the adoption of Article 17 as read. Seconded by Charles Copeland. It was a vote in the affirmative, so declared and the motion carried.

Article 18. To see if the Town will authorize the Selectmen to dispose of the land and buildings thereon formerly of Sidney Hackney Estate, acquired by Tax Collector's Deed to the present occupant, Winifred Shattuck, for the sum of \$1,672.11.

John L. Sherburne moved the Article as read. Seconded by John Williams. John Sherburne and Roger King explained the Article. It was a vote in the affirmative, so declared and the motion carried.

Article 19. To see if the Town will vote to accept \$300 from Eric and Linda Behre for the care of Behre lot in the Old Center Cemetery.

John L. Sherburne moved the Article be adopted as read. Seconded by William Sanborn. It was a vote in the affirmative, so declared and the motion carried.

Article 20. To see if the Town will to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

John L. Sherburne moved the Article as read. Seconded by Louis Nephew.

Erick Berglund moved an amendment, after the word expend, to read "with the approval of the Municipal Budget Committee." Amendment seconded by Alvin Upper. It was a vote in the affirmative and the amendment carried. Motion, as amended, put to vote. It was a vote in the affirmative, so declared and the motion carried.

Article 21. To see if the Town will vote to authorize the Board of Selectmen to grant one or more franchises to operate a cable television system in this Town, said authorization to encompass the setting of such conditions as the Board shall deem necessary and appropriate, including the setting of subscription or service rates to citizens and franchising fees to the Town, so long as they are not inconsistent with N.H. RSA Chapter 53-C and the Rules and Regulations of the Federal Communications Commission.

John L. Sherburne moved to adopt Article 21 as read. Seconded by Roger C. King. It was a vote in the affirmative, so declared and the motion carried.

Article 22. To see if the Town will vote to go on record in support of the adoption of a returnable container law for the State of New Hampshire. The record of the vote on this article shall be forwarded by the Town Clerk to the members of the New Hampshire General Court representing the Town. By Petition.

Frederick McGarry moved Article 22 be adopted. Seconded by Joseph Brown. It was a vote in the affirmative, so declared and the motion carried.

Article 23. To see if the Town will vote to establish the Town Forest in accordance with RSA 31:110 and designate the following Town-owned parcels as such:
Tax Map 2, Lot 11 - An 83 acre parcel off Mt. Delight Road (the Wells lot)
Tax Map 8, Lot 131 - A 37.3 acre parcel off Ridge Road.
Tax Map 4, Lot 70 - A 50 acre parcel on Blakes Hill Road (McNeil Park)

By Petition.

Frederick McGarry stated he wished to withdraw Article 23 put in by petition. Moderator McIntyre ruled "Your withdrawal is accepted."

Article 24. To see if the Town will vote to authorize the Conservation Commission to manage the Town Forests in accordance with the provisions of RSA 31:112, Section 2 and direct all proceeds accruing from the management of the Town Forests to be placed in a Town Forest Trust Fund to be managed by said Commission and utilized for the management of the Town Forests. The balance in the fund shall be allowed to accumulate from year to year. "Expenditures from the Fund shall be made for management of the Town Forests and acquisition of other land for the Town Forests." By Petition.

Moderator ruled Article 24 out of order.

Article 25. To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1982 appropriation, said funds to be placed in the Conservation Fund in accordance with RSA 36-A:5." By Petition.

Frederick McGarry moved the adoption of Article 25 and stated the year should read 1983. Seconded by Joseph Brown. It was a vote in the affirmative, so declared and the motion carried.

Article 26. To see if the Town will vote to go on record in support of more stringent clean air legislation which would include provisions for the regulation of the long range transport of pollutants, one of the major causes of acid rain which is harmful to Deerfield's environment. The record of the vote on this article shall be forwarded by the Town Clerk to the New Hampshire Congressional Delegation and to the President of the United States. By Petition.

Joseph Brown moved the Article as read. Seconded by Frederick McGarry. Joseph Brown spoke on acid rain. Moderator stated Mr. Brown had exceeded the time limit for a first speaker. If no one else wished to speak he could have the floor again.

Louis Nephew moved the question. It was a vote in the affirmative and so declared.

Main motion put to vote. It was a vote in the affirmative, so declared and the motion carried.

On the motion of Louis Nephew, seconded by Walter Markson, it was voted to adjourn at 3:00 P.M.

A true record,

Attest: Ruth S. Sanborn
Town Clerk

SPECIAL TOWN MEETING, JUNE 28, 1983

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Deerfield in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Deerfield Town Hall in said Deerfield, on Tuesday, the twenty-eighth day of June, next at seven thirty of the clock in the evening, to act upon the following subject:

1. "To see if the Town of Deerfield will vote to pay to Gilbert H. Knowles of Epsom, New Hampshire the sum of \$3,000.00 (three thousand dollars) for a certain parcel of land situated in Deerfield, County of Rockingham, State of New Hampshire, described as follows:

With buildings thereon being located on the easterly side of the highway which leads from Deerfield Parade to Nottingham Square, just West of Old Number Six Schoolhouse in said Deerfield to the so-called Wheeler place, bounded and described as follows:

Westerly by the aforesaid highway, thence turning at a point opposite the highway to Deerfield Parade and running in a general Easterly direction by a stone wall and the so-called Fellman property, twenty-one (21) rods to a stone post marked with the letter "C"; thence turning and running in a Southwesterly direction by an old barb wire fence and said Fellman property ninety-six (96) rods to a point; thence turning and running in a general Southeasterly direction by said Fellman property and in part by said fence, one hundred (100) rods to a stone set up in the swamp, at property now or formerly of George W. Clark; thence turning and running in a general Southwesterly direction by said land of Clark and in part by a stone wall, one hundred (100) rods to land formerly of Charles E. Tilton; thence turning and running Northwesterly and then Southwesterly by said Tilton's land to the highway leading from Nottingham Square to Deerfield Parade; then running in a general Northwesterly direction by said highway and certain small lots belonging now or formerly to Eben Smith, Albert Anderson and Henry Walsh to the first mentioned highway and the point of beginning.

Excepting and reserving that portion of the premises conveyed to John and Laurie Freeman recorded in Volume 2003, Page 53 and to the Public Service Company of New Hampshire recorded in Volume 2130, Page 154.

This conveyance is subject to various easements and all other restrictions and conveyances out of record. Mr. Knowles believes and has represented to the Town that the parcel contains one hundred (100) acres more or less. The Town has not verified this by survey and plans no survey.

If this article is accepted, the tract shall be permanently known as the Dowst-Cate Town Forest and Park."

Given under our hands and seal, this 31st day of May, in the year of our Lord nineteen hundred and eighty-three.

John L. Sherburne	Selectmen

SPECIAL TOWN MEETING, JUNE 28, 1983

Meeting called to order by Moderator, James A. McIntyre at 7:30 P.M.

Election officials present were the Board of Selectmen John L. Sherburne, Robert B. Sanborn and Joanne F. Wasson, Moderator James A. McIntyre, Town Clerk Ruth S. Sanborn and Assistant Clerk Priscilla S. Watts.

Moderator read the Warrant.

Article 1. John L. Sherburne moved the Article as read. Seconded by Mrs. Irene Shores. An abutter asked to be notified when a survey is done. Warren Billings, Jr. asked the specific use of the land. Mr. Sherburne answered ecological area, natural wildlife land, forest land and park land.

Joseph T. Brown asked how many acres does the Town own and how much land should the Town own? Mr. Sherburne replied this would make around 400 acres the Town would own.

Joseph Stone asked what was the recommendation of the Municipal Budget Committee? Municipal Budget Committee voted in favor of the Article.

Warren Billings, Jr. asked what effect this will have on the tax rate? Mr. Sherburne answered little or no effect on the tax rate.

Article 1 put to vote. It was a unanimous vote in the affirmative and the Moderator so declared.

Meeting stood adjourned at 7:50 P.M.

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF DEERFIELD, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Town Hall in said District, on the 17th day of March, 1984 at 10:00 o'clock in the forenoon, to act upon the following subjects:

1. To see if the District will vote to authorize the School Board to accept gifts and donations on behalf of the School District.

2. To see if the District will vote to authorize the School Board to accept and expend on behalf of the District a sum of money not to exceed \$15 486 00 to be obtained from the Federal Government or other sources that may make such funds available to the District; such funds to be used for the following areas:

Federal Nutrition Program	\$9,986.00
Handicapped Aid	3,000.00
Block Grant	2,500.00
	<u>\$15,486.00</u>

provided that the School District will not be thereby required to raise any money by local taxation in this or subsequent years as the result of such expenditure of \$15 486.00. (Budget Committee recommends approval.)

3. To see if the District will vote to authorize the School Board to apply for, accept, and expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1984-1985 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money and have the approval of the Municipal Budget Committee.

4. To see if the District will vote to raise and appropriate \$23,452.00 as a deficit appropriation for high school tuition for the 1983-1984 school fiscal year to be paid to the School District prior to June 30, 1984. (Budget Committee recommends approval.)

5. To see if the District will vote to raise and appropriate \$13,000.00 for installation of a new heating system to change from electrical heat to a forced hot air by oil system for the 1970 wing of the George B. White School. (Budget Committee recommends approval.)

6. To see if the District will vote to raise and appropriate \$1,800.00 to hire a school/community coordinator, previously funded from a private foundation. (Budget Committee recommends approval.)

7. To see what sum of money the District will raise and appropriate for the support of schools for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District.

8. To choose Agents and Committees in relation to any subjects embraced in the Warrant.

9. To transact any other business that may legally come before said meeting.

Given under our hands at said Deerfield this 23rd day of February, 1984.

SCHOOL BOARD REPORT

This past school year has been a year of positive growth for the Deerfield School District. Determining growth can be difficult to ascertain in public school situations. Due to our involvement with the four-day school week concept, we have been able to very clearly measure growth and see results.

First, and most important, student achievement is positive, and for that we have proof - standardized achievement test scores are consistently above the national average, and our growth trend is upward. These scores are only concrete proof of the remarkable efforts that the staff have given to curriculum development, the setting of yearly and long range goals and the development of many academic program improvements.

Second, when we look at budgetary issues, we can see clearly the effect of our four-day schedule in substantial money savings through energy conservation. To quote the 82-83 Four-Day Week Report, we did indeed have:

- a 10% savings on custodial salaries
- a 20% savings on bus driver salaries
- a 20% savings on gas needed for buses
- an 8% decrease in kilowatt hours used

Third, attitudes of students, staff and community members are positive. FOCUS has brought enthusiasm and spirit to continued efforts to support the concept that the G. B. White School is a school for all the community. Adult education programs, the new tennis court, FOCUS sponsored activities, the increasing number of volunteers in the school on a regular basis and Friday activities are all signs of positive attitudes regarding our school system.

A special thanks to Peter Sweet, the staff at G. B. White, FOCUS members, and to you, the citizens of Deerfield.

Judith Bush, Chairperson
Deerfield School Board

PRINCIPAL'S REPORT

To the citizens of the Deerfield School District, I respectfully submit my annual report as the Principal of the George B. White School.

We are fortunate this year to have the following people as new members of our staff: Sylvia Burgess is the new second grade teacher, Deborah McCann is the Physical Education Instructor, Jane Winslow has joined us as the School Nurse, Bob Miller is the Lunchroom Supervisor and Bill Fowler is our Maintenance Supervisor.

We were unfortunate to lose two members of our staff this year. Mrs. Ramona Stevens, our Readiness teacher, retired after serving the Deerfield School District for twenty-six years. Those of us fortunate enough to have worked with Mona, or to have been a student of hers, will long benefit from having known her. We were all saddened last April by the death of our custodian, and good friend, Phil Winn.

The test results for Deerfield students in all grades (1-8) met or surpassed national norms in reading, science and social studies. This trend was also true for all grades except the seventh in math and on the complete battery. It should be noted that in many cases our students' performance surpassed national norms by a substantial amount.

In addition to positive test results, the parents of our students gave a positive assessment of their child's performance in school. Eighty-six percent of the parents rated their child's performance as excellent or good, and only two percent gave a rating of poor. Also, it should be noted that ninety percent of our parents preferred the four-day week calendar versus the traditional school calendar.

FOCUS has had a very productive year! They continued to offer an Adult Education Program for Deerfield residents, they published a monthly community newsletter, the Communicator, and they raised the funds to build an All Purpose Court for Deerfield citizens. I would like to congratulate the members of FOCUS for the contributions they have made both to the school and the community. A special thanks to: Mary Benton, Sue Sherburne, Paula Amazeen, Carol Lobdell, Elsie Brown, Geraldine Mathews, Diana Marquis, Hal Stevens, Jane Miller, Patrick Cassier, Charlie Day, Annie Barnes, Evelyn Cronyn, Mary Ellen Carter, Mary County, Christina Campbell, Fran Menard, Rachael Bloomfield, Mona Stevens and Mary Maloney for their efforts and accomplishments.

Due to John Dickson's efforts, the children in Deerfield for the first time had the opportunity to take courses during the summer this year. For the last two weeks in July children attended courses in French, Pre-Algebra, Typing, Computers (Logo and Basic), Math, Experimental Education with Science, Basketball, Soccer and Photography.

This year we have initiated a program to emphasize to the children the importance of reading for enjoyment. After reviewing statistics on the average number of books read by adults and children annually, and considering the population of Deerfield, we have set as our goal 10,000 books. Representatives from the community and school met to discuss the initiation and operation of this program. The acronym R.E.A.D (Reading Enriches All of Deerfield) was adopted and a sign was constructed for the outside of the school to indicate the number of books being read. All citizens of Deerfield have been encouraged to participate in the reading challenge. I would like to thank the following people for organizing this project: Mary Benton, Joan Bilodeau, Dot Brandon, Joe Brown, Elsie Brown, Mary Ellen Carter, Evelyn Cronyn, and Suzie Sherburne. I'd like to also thank the Blue Bowl Store, The Deerfield Market, True Value Hardware and the town library for allowing us to use their facilities to distribute and collect the reading slips. When our goal is reached we plan to have a celebration for all those who participated.

The teachers of grades five through eight have initiated some major changes to better prepare their students. Students are now being taught Study Skills as an on-going part of their curriculum. Also, in addition to their five major subjects, Reading, Math, Language Arts, Science and Social Studies, the students in grades seven and eight now have the opportunity to take the following courses: Architectural Drawing, Computer I and II, Public Speaking, French, German, Spanish, Algebra, Woodworking, Sewing, Art, Calligraphy, Arts and Crafts, Law, Economics, Typing, Music, History of Rock and Roll, Physical Education, Adventure, Cross-Country Skiing, Newspaper/Yearbook, Community Service and Food Management.

For 1982-83 we have been very fortunate to have so many citizens willing to become involved in their school. I would like to give a special thanks to Mary Ellen Carter, School Volunteer Coordinator, and Sue Sherburne, School/Community Coordinator for all their time and effort they have given to the betterment of our school. Also, on behalf of the students and staff of Deerfield, I would like to express our appreciation to the following individuals for volunteering in 1982-83: Michelle Ackerson, Ron Alie, Maxine Arnold, Sarah Assante, Linda Bandecchi, Annie Barnes, Pam Barnum, Michelle Bauer, Kathy Berglund, Joan Bilodeau, Rachel Bloomfield, Catherine Blye, Nina Bonnell, Connie Boucher, Dot Brandon, Rose Breton, Janice Brinkler, Verona Brinkler, Paul Buffington, Judy Bush, Linda Butler, Mal Cameron, Bernie Cameron, Judy Capelle, Bill Carrozza, Vic Carrozza, Pat Cassier, Don Chandler, Helen Chicchetto, Judy Clark, Mona Clock, Alberta Cole, Arthur Connolly, Nancy Copeland, Elizabeth Carens, Susan Corrigan, Nanette Coulter, Jim County,

Mary County, Evelyn Cronyn, Donna D'Agnes, Barbara Daley, Charlie Day, Paul Dewey, Joe Bubiensky, Maureen Dubiansky, Linda Dustin, Cheryl Emery, Pat Fisher, Marilyn Forbes, Roger Foley, Bill Fowler, Karen Fowler, Doc French, Warren Guinan, Susan Hanson, Judy Hartgen, Roger Hartgen, Eve Hazen, Linda Hoffman, Kathy Humes, Marty Humphrey, Paul Hussey, Phyllis Hussey, Rebecca Hutchinson, Robin Jodoin, Bob Jones, Carol Jones, Judy King, Marty King, Peg King, Pat Knowlton, Carol Kuczewski, Dennis Kuczewski, Jan LaDuke, Dick Lee, Mickey Leiby, Carol Lobdell, Charles Lobdell, Howard Maley, Sylvia Maley, Sigrid Marble, Diana Marquis, Barbara Matthews, Paula McCoy, Tom McCoy, Kevin MacDonald, Penny McGarry, Fran Menard, Linda Meyer, Suzanne Miller, Ruth Mills, Richard Moore, Martha O'Connell, Lillian Oczykowski, Doris O'Gara, Dolores O'Neal, Paul O'Neal, Kathryn Palmer, Jim Palmeri, Sue Palmeri, Faye Pence, Terry Penny, Karen Perron, Clarissa Peirce, Linda Piwowarczyk, Connie Poisson, Louise Richardson, Gloria Riel, Dot Ross, Carla Schou, Jack Sherburne, Kathy Shigo, Roberta Simoneau, Martha Smith, Marion Smith, Martha Southmayd, Louise Spear, Carol St. Clair, Brenda Stevens, Pearl Stevens, Barbara Sullivan, Jack Sullivan, Denise Tessier, Cindy Tomilson, Carol Tordoff, Elaine Tremblay, Linda Truncelitto, Lorraine Twombly, Mary Van der Ploeg, Bill Wagner, Francine Walker, Vicki Wentzell, Karen Widmer, Skip Widmer, Karen Wilkins, Christine Williams, Jane Winslow, Jeanette Winslow, Waddy Winslow, Pauline Witham, Janet Woodruff, Allen Young and Pat Young.

I would be remiss if I did not give the greatest share of the credit for this fine school to the excellent staff. They are truly qualified, caring and dedicated individuals. We are blessed to have them working in Deerfield.

In conclusion, I would like to express my gratitude to George Blaisdell, Superintendent of Schools, and his entire staff at S.A.U. #53; the School Board, Judy Bush, George Humphrey and Tom Foulkes, for their devotion and giving of themselves for the children of Deerfield; and to the citizens of Deerfield for supporting your school system.

Peter J. Sweet
Principal

REPORT OF THE SUPERINTENDENT OF SCHOOLS

A great deal of public attention has recently been given to a report prepared by the National Commission on Excellence in Education entitled, "A Nation At Risk." That document reported powerfully that "The educational foundations of our society are presently being eroded by a rising tide of mediocrity." It went on to say that, "Our society and its educational institutions seem to have lost sight of the basic purposes of schooling, and of the high expectations and disciplined effort needed to attain them." While most of the report addressed itself to high school programs and students, there were several findings and recommendations about elementary and middle grade programs and practices.

As those of us responsible for the administration of the Deerfield School District compared the situation within the George B. White School with the findings and recommendations of "A Nation At Risk" it became apparent that our students and teachers are demonstrating better performance than many of their counterparts. As we completed our second year of the four day week, our students' achievement levels in national achievement tests increased. Virtually all of our classes are scoring above national averages on the Stanford Achievement Test which measures student achievement and performance. Credit for these gains belongs to the staff who brought them about and the students who achieved them. Our continuing curriculum improvement efforts are working. The curriculum planning efforts which I described to you in my report last year continue to improve and are accumulating results to demonstrate that improvement. At a time when national trends show declining student achievement, increased student and staff absenteeism, and poor staff morale, it is a pleasure to report exactly the opposite of those trends for our students and staff.

We have continued to work cooperatively with staff from the State Department of Education in evaluating our performance under the four day week. The Commissioner of Education and members of his staff recommended to the State Board of Education that we be allowed to continue the experiment for a third year. As of this writing, Mr. Sweet and I are working with the Commissioner to attempt to bring about a longer term waiver of the state requirement of a 180 day school year so that we can study our results over a longer period of time.

The district experienced its first out of district, private, residential special education placement during this year. We continue to make every effort to supply the special education services, needed by some children and required by law, within the school district. The special education staff has done very well in this regard.

The SAU central office has made several improvements in its financial management practices. Assistant Superintendent of Schools Patsy Baugh did an excellent job of formalizing and writing a "Business Practices Manual" which clearly outlines all procedures relative to the district's finances. This decreases the likelihood of error and means that staff and accounts are paid promptly and accurately.

Community involvement in the life of the school is important and continues to be excellent. Large numbers of you volunteer time and services to the school. Many of you now attend Adult Education classes, held during the evening. Many of you support the efforts of FOCUS, an organization representing all segments of Deerfield's population. Your interest in what our school does and your continued support for our students and staff play a significant part in what I believe is a successful school program.

George I. Blaisdell
Superintendent of Schools

DEERFIELD SCHOOL DISTRICT ANNUAL MEETING

Saturday, March 12, 1983; Deerfield Town Hall - Business Meeting

The meeting was called to order at 10:02 a.m. by Moderator James A. McIntyre.

The Moderator introduced the following persons: Mr. George Blaisdell, Superintendent of Supervisory Union #53; Mrs. Patsy Baugh, Assistant Superintendent of Supervisory Union #53; Mr. Peter Sweet, Principal, G. B. White School, Mrs. Judith Bush, Mr. Thomas Foulkes and Mr. George Humphrey, members of the School Board; Mr. Jonathan Hutchinson, Assistant Moderator; Mrs. Karen A. Fowler, Clerk; Mrs. Paul Amazeen, Assistant Clerk.

The Moderator turned the meeting over to the Assistant Moderator, Jonathan Hutchinson, explaining that Mr. Hutchinson had completed Moderator's school and was qualified to run the meeting. Mr. McIntyre would assume an advisory position.

A voice vote in the affirmative allowed non-voters to address the meeting if they so desired.

George Humphrey announced that forthwith extraordinary volunteers would be recognized for their dedication to the school. Mr. Sweet made the first two presentations of this award to Mrs. Mary Van der Ploeg and Doc French. A plaque bearing their names and their successors will be hung in the school.

Mr. Humphrey also read a list of donations to the school. Donors are Alberta and Lynda Johnson, Robin Talkowski, Mr. and Mrs. Fred McGarry, Sr., Paula Jacobson, John and Kay Williams, Kelly Behre Fund, Deborah Merrill Fund and the Deerfield Education Association.

Mr. Humphrey and Mr. Sweet presented an overview of the four day school week. Prepared reports are available to the public at the school. This report documents all phases of the four day week.

The Assistant Moderator listed the rules for the meeting: Robert's Rules, as modified by the Moderator; no smoking except in designated areas; non-voters to sit in designated area, no more than two amendments to any warrant article. On motions, when discussion has begun, the Maker will speak first, then others may raise their hands and wait to be recognized. Speakers will be allowed three minutes.

The Moderator read the Warrant:

ARTICLE 1. To see if the District will vote to authorize the School Board to accept gifts and donations on behalf of the School District.

Mr. George Humphrey moved the article be accepted as read; seconded by Nancy Guyette. It was a voice vote in the affirmative and the motion was declared carried.

ARTICLE 2. To see if the District will vote to authorize the School Board to accept and expend on behalf of the District a sum of money not to exceed \$7,500.00 to be obtained from the Federal Government or other sources that may make such funds available to the District; such funds to be used for the following areas:

Block Grant	\$2,500.00
PL 89-313	5,000.00
	<u>\$7,500.00</u>

provided that the School District will not be thereby required to raise any money by local taxation in this or subsequent years as the result of such expenditure, of \$7,500.00.

Mr. Humphrey moved the article be accepted as read; seconded by Wedsworth Winslow, Jr. It was a voice vote in the affirmative and the motion was declared carried.

ARTICLE 3. To see if the District will vote to authorize the School Board to apply for, accept, and expend, without further action by the School District Meeting, money from the state, federal, or other government unit or a private source which becomes available during the 1983 1984 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money and have the approval of the Municipal Budget Committee.

Mr. Humphrey moved the article be accepted as read; seconded by Nancy Guyette. It was a voice vote in the affirmative and the motion was declared carried.

ARTICLE 4. To see if the District will vote to raise and appropriate the sum of \$276,976.90 to fund all cost items relating to teachers' salaries and benefits for the 1983-1984 school fiscal year, \$36,368.64 of such sum representing additional costs attributable to the latest collective bargaining agreement entered into by the School Board and the Deerfield Teachers Association.

George Humphrey, as point of order, stated that the amount shown in the article should be changed from \$276,976.90 to \$289,707.60 and moved the article; seconded by Nancy Guyette. Mr. Humphrey explained that the error was reflected only in the warrant and that the increase was related to cost items in the teachers' salaries. It was a voice vote in the affirmative and the motion was declared carried.

ARTICLE 5. To see if the School District will vote to adopt and approve the cost items as set forth in the latest collective bargaining agreement with the Deerfield Teachers Association for the 1984-1985 school fiscal year.

Mr. Humphrey moved the article be accepted as read; seconded by Wadsworth Winslow, Jr. Winfred Hutchinson made a motion that the increase for teachers' salaries should not exceed five percent in the second year. The Moderator ruled the motion out of order and sought an appeal from the meeting. Mr. Blaisdell explained that the School Board needs the authorization to negotiate in good faith with the teachers. Mr. McIntyre read a letter from counsels, Soule, Leslie, Bronstein and Zelin, concerning the article. The letter stated: "If the school district meeting should disapprove any of the cost items included in the Collective Bargaining Agreement, then the Collective Bargaining Agreement may be reopened by either party." "Isolating the cost items resulting from Collective Bargaining Agreements results in the School Board and the Collective Bargaining Unit knowing precisely what action the school district meeting has taken on cost items relating to the Collective Bargaining Agreement." Robert Sanborn moved the question. It was a voice vote in the affirmative to stop debate. The Moderator made clear that what the meeting would be deciding was whether or not the meeting would consider specific terms of the contract or only the funding for the contract. A voice vote in the affirmative would sustain the Moderator's out of order ruling. It was a voice vote in the affirmative thus allowing only the funding to be considered. Mr. Foulkes, School Board member, reiterates that what the School Board wants is support from the meeting for their negotiations with the teachers. Mrs. Martha Humphrey moved the question; seconded by Wadsworth Winslow, Jr. It was a voice vote in the affirmative to stop debate. It was a voice vote in the affirmative and Article 5 was declared carried.

The meeting recessed for fifteen minutes and resumed at 11:20 a.m.

ARTICLE 6. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District.

John Williams moved the article using the bottom line figure of \$946,399.89 as recommended by the Municipal Budget Committee; seconded by Jonathan Winslow. Mr. Williams, member of the MBC, explained that this figure reflected a \$25,000.00 decrease in the area of high school tuition. Mr. Humphrey stated that the School Board concurred with that figure, however, if that item goes over budget, the School Board would come back to the MBC rather than trying to find the funds elsewhere in the budget.

Under discussion of the budget, Mrs. Sue Palmeri made a motion to amend Section 110-563 - tuition to other districts - to reflect the \$25,000.00 the School Board had asked for, thus the figure would change from \$241,630.00 to 266,630.00. Mr. Warren Billings reminded the meeting that the School Board had concurred with the Municipal Budget Committee. Mr. Joe Stone stated that the cut could not hurt the School Board as a special meeting could always be called if necessary. Rebecca Hutchinson moved the question; seconded by Nancy Guyette. It was a voice vote in the affirmative to stop debate. It was a voice vote in the negative and the amendment was declared defeated.

Mrs. Martha Humphrey asked for a sense of the meeting as to whether the budget would be taken up line by line or the bottom line figure.

Mr. Warren Billings asked for an explanation of increased costs in the Special Education section.

A show of hands indicated that the bottom line figure would be considered with the exception of the Special Education section.

Mr. Blaisdell stated that at the present time there are 30 students at G. B. White School who require a Special Education staff, 10 high school students and one student who is in a 24 hour a day program. This one student is mandated by the State and Federal governments which say that if you must provide other services in order to obtain education then you must provide these services. Mr. Blaisdell stated that all the alternatives for this student had been explored.

In answer to Mr. Fred McGarry's inquiry on the amount of state aid we receive for such education, Mr. Humphrey stated that \$25,000.00 is received for Handicapped Aid, \$2838.00 for Catastrophic Aid and Federal Handicapped Aid amounts to \$7500.00. Mr. McGarry made a motion to direct the representatives to the State legislature to work to increase the Special Education monies to cities and towns; seconded by Alvin Upper. Mr. Stone read excerpts from a letter drafted by the Municipal Budget Committee to Governor John Sununu. He continued from the letter: "Special Education cases mandated by the Court System or the Welfare Department should be funded in its entirety by the State when either of the above rule the child must be educated 24 hours a day, it must be recognized that a small percentage of the annual cost is attributable to actual education of the youngster." Also contained in the letter: "Presently when the Courts or Welfare Department place a child in a foster home in a community, the State pays a small weekly stipend for the room and board of the child to the foster parent. The receiving community is now responsible for the cost of educating this youngster. If the individual is of high school age, and if the community does not have its own high school, then the child must be tuitioned at the community's expense to a receiving high school. On top of this they must also provide for transportation. Thus the State should be made responsible for the total costs rather than the taxpayers of the community paying through property taxes with no input as to why this individual was placed in the community as a foster child." "Finally, the State must do away with the requirement that all Special Education youngsters must be transported door to door. We strongly feel there are cases where this requirement must be met, i.e. crippled, blind, deaf and mentally retarded individuals, but to have to say that all must be is not appropriate. School Boards should have the right to decide who gets transported this way....."

Mrs. Mary Kelley made a motion to support the MBC letter. Mr. McGarry concurred and withdrew his previous motion. He then made a motion to have the meeting support the MBC letter to Governor Sununu and the State legislature; seconded by Alvin Upper, having withdrawn his second on Mr. McGarry's previous motion. It was a vote in the affirmative and the motion was declared carried. It was a voice vote in the affirmative and the motion for total appropriations of \$946,399.89 was declared carried.

ARTICLE 7. To choose Agents and Committees in relation to any subjects embraced in the Warrant.

Mr. Humphrey moved that Article 7 be stricken from the Warrant; seconded by Nancy Guyette.

ARTICLE 8. To transact any other business that may legally come before said meeting.

Mr. Humphrey moved the article be accepted as read; seconded by Nancy Guyette. A discussion on the time of the district meeting brought the consensus that Saturday mornings were fine.

winfred Hutchinson offered a resolution instructing elected officials for both school district and budget committee to make every attempt to restrict growth of the school budget based on the rate of inflation versus the rate of growth formula. The resolution was ruled out of order.

Mr. Robert Sanborn moved to adjourn the meeting; seconded by Nancy Guyette. It was a voice vote in the affirmative.

The meeting was delared adjourned at 12:15 p.m.

Karen A. Fowler
Clerk
