AUDITOR'S REPORT

I certify that I have examined the accounts of the Town Clerk, Town Tax Collector, Town Treasurer, Town Selectmen and Trustees of the Trust Funds. I found the records of all officers correct, with the exception of the records of the Town Selectmen. The following problems were noted:

- 1) Town employees did not sign the payroll sheets in several cases:
 - A) Police
 - B) Dump Attendant
 - C) Highway Department employees other than the Road Agent
- 2) Town Officers' Bond — insurance policy could not be produced.
- 3) Vouchers authorizing disbursements of funds were not always accompanied by invoices.

4) Total revenues received as reported by the Town Selectmen on the Financial Report did not agree with the Town Treasurer's figures. The audit of the Town Treasurer's books proved her figures correct.

5) The following discrepancies were noted between the Town Selectmen's Ledger Book, and the Financial Report prepared by the Town Selectmen:

	Ledger	Financial Report
Planning/Zoning	\$ 359.96	—0—
Cemeteries	\$ 500.00	—0—
Discounts/Abatements & Refunds	\$ 951.38	\$ 4,133.90
Tax Anticipation Interest Only	\$ 7,145.54	\$ 4,765.00

6) The following items were entered in the Town Selectmen's Ledger Book under "Town Hall and Other Buildings." These items should have been entered under Article 19, "Town Hall Plumbing Contract" account:

A) Voucher #7918	\$225.00	Flooring/New Bathrooms
B) Voucher #8002	\$431.00	Septic System Plans
C) Voucher #8143	\$200.00	Septic Design
D) Voucher #8195	\$100.00	Blasting
E) Voucher #8196	\$433.55	Blasting
	Total	\$1,389.55

All above statements are correct and true to the best of my knowledge and belief.

Respectfully submitted,
Susan R. Hopkins
Town Auditor

DEPARTMENT OF REVENUE ADMINISTRATION

Total Gross Property Taxes	<u>\$ 289,403.00</u>
Less: Est. War Service Tax Credits	<u>3,800.00</u>
Net Property Tax Commitment*	\$ 285,603.00

Tax Rate - Town	54.69
-----------------	-------

* The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriation.

The net amounts approved for school, county and precinct are indicated below. These amounts are the total monies which should be transferred to each of these units of government.

Net School Appropriations	\$ 222,987.00
County Tax Assessment	34,492.00

In arriving at the above approved rate the Overlay has been set in the amount of \$3,006.00.

Very truly yours,
Lloyd M. Price,
Commissioner

**POLICE DEPARTMENT REPORT
1983 Year End Report**

Just a few words to let you know that 1983 was a very quiet year for the Goshen area.

I would like to inform you of a change in Police dispatching service. Due to an enormous increase in the cost to Goshen for Newport Dispatch Service, Goshen has contracted for a new dispatch service. Valley Dispatch of Claremont has been contracted to serve our community as of January 1, 1984. The new number is 542-1233 for dispatch service. The Goshen Police Department number is still 863-1702.

Please report any unusual activities as soon as possible so we may check them out to keep our community secure and protected.

Thank you for your continued support
and cooperation,
David B. Burnham,
Chief of Police

REPORT OF THE FIRE DEPARTMENT

In 1983 your fire department responded to 25 calls recorded as follows:

Structure fire 2, Chimney 10, Grass & Brush 1, Dump 4, Mutual Aid drill 2, Mutual Aid Fire 6. Estimated fire loss in Goshen was \$127,400. A total of 268 men responded representing 529 man hours of service fighting fire. Records show a nearly equal amount of time contributed to clean up, training and meetings.

Our annual auction and other fund-raising activities earned \$2,200 (net) for our equipment fund. When you do your spring cleaning, please remember our auction and give us a call at 863-2055 or 863-3293 if you have something to donate. We pick up year round.

This year among our equipment purchases we were able to replace all of the WWII civil defense hose on the Chevy pumper. We have also purchased more self contained breathing apparatus.

In cooperation with other departments, your fire department has been working for several years towards a County Emergency Dispatch Center. One number to call for any emergency service needed (fire, police, medical) anywhere in Sullivan County. By the time this report is published, the concept will have been proposed to the County Commissioners and the County Delegation.

Another project you will be hearing more about is a grid map of the town to aid us in locating fires and other emergencies, water supplies, etc.

I want to stress again, to report a fire in Goshen, dial **542-5155**, give your emergency message to the dispatcher and we will be notified by radio pager. Please remember, **542-5155** is the number to call to report a **FIRE EMERGENCY ONLY**. For burning permits, call Forest Warden Arthur Nelson at 863-1509. For all other information and fire department business call 863-2055 or 863-3293.

Please accept my sincere thanks to the officers and firefighters of the department for their many hours of work and participation, a special thanks to the wives and families for sharing the time away from home, and to the dispatchers, auction crew, town officials, and to the citizens and taxpayers for the help and cooperation given to make the Goshen Volunteer Fire Department a very effective service to the town.

Respectfully submitted,
Edwin I. Baker, Chief

**REPORT OF THE TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER**

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest Fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated. As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

AMBULANCE REPORT

The ambulance service has had the second busiest year in its history with 734 emergency situations, including ammonia leaks, fire stand-bys, football games and special events.

Newport ambulance service covered the towns of Newport, Grantham, Croydon, Goshen and Sunapee.

To the dispatchers without whom we could not function, to the police officers who have been responding to the scene when we get a call in town, to the fire department personnel who have been so willing to help us, to the mechanics at the town garage, I extend many thanks.

I would like to acknowledge the services of the FAST squads and police in the towns we service for their help and response to the calls from their towns.

To each member of the ambulance crew I can only say "a job well done!"

The following are members of the ambulance service at the present time: Gail Ford, Keith Gregory, Darlene Gregory, Brian Tracey, James Raymond, Yvonne Evans.

TRUSTEES OF OLIVE G. PETTIS LIBRARY
1983 Report

The Olive G. Pettis Library has continued its service to the town of Goshen throughout the year. Books requested by the patrons of the library have been bought by the librarian, Margaret Kingston, whenever possible. Meeting of the Friends of the Library were held the 2nd Tuesday of February, May, August and November. The organization also held its annual Book Fair on the lawn. The Goshen Historical Society held meetings the second Tuesdays of January, April, July and October at the library. The Goshen Country Day School Children have continued to visit the library for a story hour and selection of books.

The Friends of the Library presented a metal file case to the library in the past year.

The Goshen Community Church Circle held the Land O' Goshen Fair again this year under a large tent on the library lawn.

GOSHEN PLANNING BOARD

The Planning Board has spent time this past year in thinking about the environmental future of Goshen. We have responded to the direction that town officials and groups such as the Sounding Board have indicated are important. Considerable effort and energy have been devoted to the Master Plan. Each section has been carefully reviewed and legal changes have been inserted in the language based on the advice of the town attorney. The last section, Roads and Highways, is still being modified with the assistance of the Road Agent. As quickly as this work has been completed, the material will be re-typed.

Goshen has not been faced during 1983-1984 with any large scale sub-division requests. This has allowed the community additional time necessary to continue to plan for orderly growth.

As in past years the Board is appreciative of citizen input as it encourages building trends and developments that are most apt to lead to resident/non-resident property owner approval.

SULLIVAN COUNTY REGIONAL REFUSE DISPOSAL DISTRICT 1983 Annual Administrative Report

The Sullivan County District Committee devoted its efforts during 1983 to development of a waste-to-energy facility.

Clark-Kenith, Inc., presented a technical and financial proposal to the NH/VT Solid Waste Project (representing the Sullivan County District and the Southern Windsor/Windham Counties Solid Waste Management District) during January, 1983. The technical proposal was acceptable. However, work was required on the financial proposal to reduce projected disposal costs.

Clark-Kenith and their investment banking firm, Lazard Freres, have been working to reduce capital costs and to develop a less expensive method of financing the facility. The Project concentrated on a search for additional waste, and on preparing an application, through the Town of Newport, for a four million dollar Housing and Urban Development, Urban Development Action Grant.

The City of Keene voted on December 1, 1983 to petition to join the Sullivan County District, but voted against joining on December 15, 1983. Westminster, Vermont voted to join the Southern Windsor/Windham Counties District on December 16, 1983. New London, New Hampshire petitioned the Sullivan County District during December and is expected to vote on joining the District at March town meeting. New London has agreed with the New Hampshire Solid Waste Board to become a member of the Sullivan County District.

The addition of New London and Westminster brings the total tonnage available in the two districts to approximately 55,000 tons of waste per year. The Clark-Kenith facility is capable of burning 67,000 tons per year.

The Urban Development Action Grant application is currently being considered for funding. A decision is expected in early February.

Contract negotiations with Clark-Kenith are now being finalized. A decision will be made by the Districts on whether to sign a contract with Clark-Kenith during the first week of February. If the Districts decide to go forward with Clark-Kenith, the contract will be signed after March town meetings. If the contract is signed, financing is expected to be complete during the summer.

A twenty year electric purchase contract has been finalized with Connecticut Valley Electric Company (CVEC). A base of 9 cents per KWH, changing at 50 percent of the Gross National Product Implicit Price Deflator has been agreed upon. This price should provide a long-term stable electric supply to CVEC customers while protecting the towns against excessive inflation in solid waste disposal costs.

Environmental issues associated with locating the facility in Claremont became a major issue this year. A great deal of time has been spent addressing Claremont's concerns, and the District Committee believes the City of Claremont will continue to support the Project.

Appraisals have been completed on land necessary for the facility and for the ash disposal site. Option agreements are now being negotiated with the landowners.

**NEWPORT AREA HOME HEALTH AGENCY
1983 Report**

1983 was a year of continued growth for the Newport Area Home Health Agency. There was a 20% increase in skilled nursing visits and smaller increases in other areas.

The Agency's Clinics remain well attended with increases in the Well Child Clinic for pre-school children. The Agency has seen an increase in the number of low income families requiring health service for their children.

Occupational Therapy has been added to the Agency's services and it expects to add Speech Therapy in early 1984.

The Agency continues to participate in training professional health and medical students, from Dartmouth Medical School and the Vocational Technical College in Claremont.

A telephone answering system has been installed by the Agency so that messages can be left when the office is closed.

A low cost rental program of Child Safety Seats was started in 1983. The Agency now has 45 seats out on loan and expects to expand this service in 1984.

Newport Area Home Health Agency is working closely with the Claremont Visiting Nurses Association to promote coordination of services. Talks are continuing to determine if more collaboration can improve the delivery of Home Health to the Newport/Claremont Area.

The Agency appreciates the support of the United Way and all the area towns and will continue to provide high quality service to all those who need home health care.

REPORT OF THE ASSISTANT SUPERINTENDENT

PARENTS AND CITIZENS OF GOSHEN-LEMPSTER SCHOOL DISTRICT:

I'd like briefly to comment on some of the progress made at your school this past year.

Your School Board has been extremely diligent and conscientious in the areas of budget and expenses. Since we have a new building, which should and has cut down on maintenance costs, the proposed budget for 1984-85 is up only 5.7%. This figure reflects only the necessities with the bulk of the increase scheduled for faculty and staff. You may recall that your teaching staff has one of the lowest salary schedules in the State. This year the Board hopes that you'll support the raises in order that we retain and attract better teachers. At this point in time, we expect and desire that the staff at Goshen-Lempster will return intact next September.

As I have stated in the past, I believe that your youngsters are receiving a fine basic education. You have provided the children a practical, safe and attractive building and staffed it with competent professionals.

It should be pointed out, however, that there are some curriculum areas that are not provided for, particularly in grades 7 and 8. Those subjects are Industrial Arts, Home Economics, and Physical Education. In the future we hope to investigate some of these curriculum needs.

If you have any questions or concerns regarding your school, please don't hesitate to call. I believe that the citizen support and cooperation regarding the school is excellent, and it is rewarding for me also to be part of all the accomplishments.

Respectfully submitted,
Paul J. Linehan
Assistant Superintendent

PRINCIPAL'S REPORT

Nineteen Eighty-Three brought four excellent new staff members to the Goshen-Lempster Cooperative School. Mrs. Debra Ross, who taught in Jaffrey, N.H., last year, ambitiously assumed the duties of third/fourth grade teacher. Miss Jennifer Salathe is eagerly beginning her career as our Resource Room teacher. Mrs. Geraldine Rudenfeldt brings to us an immeasurable wealth of expertise as our new music teacher. Finally, Mr. Phillip Tirrell has been hard at work continuing the high quality of maintenance service that was established by Mr. and Mrs. Charles Newton. All of the personnel who are associated with the operation of the Goshen-Lempster School are indeed appreciative of the many years of impeccable service rendered by Mr. and Mrs. Newton.

A mention of thanks is in order for our support personnel. These dependable people keep our school operating smoothly. The kitchen staff members are always ready with a nutritious lunch. Our maintenance person ensures not only that the building is clean but that the mechanical apparatus are always functioning. And our school bus drivers transport our students within a schedule that's like clockwork; not to mention their always being there for our field trips.

The members of the teaching staff have been busily at work providing quality educational experiences for our students. As they strive to enrich the children's learn-

ing experiences, the teachers continually seek new and innovative techniques. As an example of innovation, Mr. Harrison organized a Whale Watch for a literature group that had completed a unit on the New England Whaling Industry of the last century. The nine hour whale watching cruise, aboard the Viking Sun of Portsmouth, N.H., brought the students within photographing distance of several large Finback Whales.

An example of instituting new classroom techniques is Mrs. Rickard's introduction of Sound Start for first grade students. During the first quarter of school year 1983-84, with the assistance of Mr. Purmort (Chapter I Reading Aide), Mrs. Rickard implemented the very successful choral reading program which served to develop skills in reading, language, penmanship, spelling and phonics. The goals of Sound Start were to achieve image-to-word association, left to right orientation, reading to writing and vice versa, word encoding and decoding, word recognition, and a sight word vocabulary of between 150 and 200 words.

Still another example of new learning experiences for our students is Mrs. Rudenfeldt's recent formation of student choral groups. The students, who are currently practicing on a weekly basis, are developing skills in singing, working in a team, and performing before an audience. The chorus has performed for our student body and the Parent-Teachers' Club.

This past year saw an immense growth in the membership of our Parent-Teachers' Club, indicating the community's high level of interest in its school facility. As a result, the organization is bringing the community into the school with its many activities, and the community-school partnership is strengthening its bond. The P.T.C. is presently working toward its goal of developing the school's playground facilities and providing some extra materials for music instruction.

A measure of the Goshen-Lempster School's success in educating its students lies in how well the students are prepared for work in the area's various high schools. Let's take a statistical glance at this year's eighth grade class (via the Iowa Exams) as it prepares to take its leave. We'll consider the profile in terms of averages within three scoring groups (top third, middle third, and bottom third). The data is in terms of national percentiles (percents of students in the nation that scored as well or lower) and grade equivalents (highest grade level at which a student would be expected to achieve the same score). The test was administered in the first quarter of the student's eighth year (8.2). the **top third** received an average language score in the 84th percentile; and average mathematics score in the 90th percentile; an overall percentile of 88 (which includes a test on the use of visual data, graphs, charts, etc.); and an average grade equivalent of 10.7 (on the average, this group did as well on this test as a high school sophomore in the third quarter would be expected to do). The **middle third** received a language percentile of 79, a mathematics percentile of 74, an overall percentile of 79, and a grade equivalent of 9.8. The **lower third** received a language percentile of 47, a mathematics percentile of 61, an overall percentile of 50, and a grade equivalent of 8.2. The class average yielded a language percentile of 67, a mathematics percentile of 75, an overall percentile of 73, and a grade equivalent of 9.6. The data suggests that the students are well prepared for their high school experience.

The Goshen-Lempster School is a healthy, productive, educational unit, and such will remain the case under the articulate direction of the School Board and the School Administrative Unit #43 personnel. The children and the community are depending on us; we will not let them down.

Respectfully submitted,
John Bonfiglio
Principal

SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE
NOTICE: POLLS OPEN FROM 4 TO 9 P.M.

To the Inhabitants of the Goshen-Lempster School District, qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School in Lempster on the 17th day of March 1984 at 4 o'clock p.m. to act upon Articles 1, 2, 3, and 4, the meeting to be recessed and opened again at 7 o'clock p.m. to act upon the remaining Articles in the Warrant. (Articles 5 through 9)

ARTICLE 1. To choose a Moderator for the ensuing year.

ARTICLE 2. To choose a Member of the School Board from Lempster for the ensuing five years.

ARTICLE 3. To choose an Auditor for the ensuing year.

ARTICLE 4. To hear reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

ARTICLE 5. To see if the District will vote to raise and appropriate the sum of \$522,715.00, as recommended by the School Board, for the support of schools, for the payment of salaries of School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of available income estimated at \$17,708.00.

ARTICLE 6. To see if the District will authorize the School Board to appropriate receipts from federal lunch reimbursements, tuition, gifts, and other receipts from miscellaneous sources, in addition to the original appropriation for 1983-84 for the school lunch program, general expenses, equipment, and improvements.

ARTICLE 7. To see if the District will vote to accept the new service of Business Administrator for School Administrative Unit Number Forty-three (43) in accordance with RSA 189:47. (A vote to accept a new service shall not be construed as a vote to raise and appropriate money within the meaning of RSA 197:3.)

ARTICLE 8. To transact any other business that may legally come before this meeting.

Given under our hands at said Lempster this 23rd day of February, 1984.
