REPORT OF COUNTY COMMISSIONERS

To the Citizens of Grafton County:

In accordance with the Public Laws of the State of New Hampshire the Commissioners of Grafton County herewith present the annual report of the Commissioners, Treasurer, Auditors, Superintendent of County Farm, Jailer, Clerk of Court, Solicitor, Sheriff, Chaplains, Physician and Farm Bureau.

Our Treasurer, Harry S. Huckins, has again collected all County taxes for the year 1945.

Register of Deeds

The 1945 Delegation appropriated \$3,500.00 for the year 1945 for indexing Register of Deeds records for five years, from 1940 to 1945 inclusive. Up to December 31, 1945, there had been \$836.84 spent for this work, which accounts for the excessive unexpended balance which appears on the Comparative statement.

County Farm

The number of inmates cared for at the farm shows a slight decrease over the year 1944. The per capita cost per week amounted to \$ 7.98.

The hospital as usual has been filled to capacity. It enables us to provide proper care for those needing hospitalization and is a real financial asset to the county. The shortage of nurses has been a great handicap this year. The new elevator authorized by the 1945 Delegation is being installed and will help materially in the operation of the hospital as well as the home.

Expenditures at the County Home are somewhat larger this year because of increased costs of all commodities, equipment and general repairs, also, salaries have been raised to meet the higher cost of living.

The buildings connected with the farm are in first class condition due to the fact that repairs are made as needed.

For the excellent conditions of affairs at the farm we are indebted to Superintendent and Mrs. J. E. Andrews and the continued efforts of their staff of assistants.

For details covering administration of the Institution we would refer you to the Superintendent's report on other pages.

Welfare and Relief

County relief still continues to decline; most of our calls are for medical assistance or due to some emergency in the home. Boarded children are our biggest relief item. At the present time we have 66 children boarded by the County; they are boarded in foster homes and several are in institutions. Effective November 1, 1945, the Commissioners raised the board paid for children from \$20 to \$25 per month. This year \$6,101.38 was collected from the parents of boarded children. Of this amount, \$5,840.49 was collected by our two investigators. Personal contacts are very necessary to make these sizable collections. Reimbursements on relief cases, which include boarded children, increased \$1,370.43 over the year 1944.

Finances

With a bonded debt of only \$40,000.00 which is for bonds issued to build the new almshouse in the year 1929, we believe the finances of the County to be in the best of condition.

The Commissioners are sincerely grateful to the various County and Town officers and all others who have aided in the administration of County affairs.

We, also, wish to express our appreciation to our very efficient office force who have served us faithfully for a number of years.

Respectfully submitted,

GEORGE A. PUSHEE,
FRED PARKER,
KENNETH G. BELL,
Commissioners.

The crops of 1945 were an improvement over the previous year, especially hay and potatoes. Garden vegetables were also good. We missed the strawberry and raspberry crops, which due to the early frost, were a failure.

From 30 acres of land sowed to Ladino clover we derived much benefit in the way of feed for the stock. The milk production was the largest in years, which was due partly to this feed as well as good care.

In the way of repairs, the wash-out on the water line required the greatest expenditure of time and labor. The long talked of elevator has begun to material-

ize, and although causing much inconvenience and labor for our employees, will doubtless prove a benefit to the place in future years.

We regret that during the year, our pastor, Rev. R. W. E. McKenzie, was called to another part of the state, but his place has been efficiently filled by the Rev. R. B. Nichols of Woodsville, to whom many thanks are due. We have enjoyed his stay with us.

Several parties have been held here during the year. Our Christmas party program was arranged by the employees assisted by the family and was declared a very enjoyable affair. Our annual picnic was held at Lake Morey in the month of September.

The Bookmobile made its usual rounds and is now looked forward to as one of the bright spots in our existence.

There have been many changes in our working staff during the past year. The hospital is now under the supervision of Evangeline Maccini, R. N., assisted by Carolyn Sawyer, R. N., Mrs. Ruth Knapp and Mr. Alonzo Morris. Mrs. Alice Thompson is night nurse. All have shown much interest and their work has been well done. Mrs. Emma Sayers, a former employee has joined our working staff and assisted in general work. Charles Cushman has served as turnkey with Orrison Wade as assistant. Bert Maples succeeded Irving Thayer as night watchman, as Mr. Thayer was called home by the illness and death of his wife. The remainder of staff is the same as in 1944 with the exception of Harry Hatch, who has been added to our list as assistant to the herdsman, Richard Knapp. Harry White, who has been employed here many years, has retired and is missed by his many friends. Thanks are due all of the employees for the efficient manner in which they have performed their duties.

We are indebted to outside friends for their contributions of books, magazines and other articles. All are appreciated. We extend thanks to the County Commissioners, County Physician, Chaplain and other

officers with whom we have been associated during the year. Their helpfulness and co-operation has been fully appreciated.

Respectfully submitted,

J. EARLE ANDREWS,
Superintendent.

ANNE M. ANDREWS,
Matron.

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ending December 31, 1945, and find them correctly cast and properly vouched.

GEORGE A. PUSHEE,
FRED PARKER,
KENNETH G. BELL,
Commissioners of Grafton County.

CHAPLAIN'S REPORT

To the Honorable Commissioners of Grafton County:

It affords me great pleasure to present to you my fifth annual report as County Chaplain. Having been transferred to another field of service effective September 7th, 1945, I regret that I cannot cover a whole year in this report.

From January to September I conducted sixteen preaching services in the Chapel, visited the sick in the Hospital and the inmates in the Institution as often as possible. I believe that much has been accomplished for good, both in the worship services and through visitation. I have had opportunities for heart to heart talks with the unfortunate which brought to them comfort, consolation, and hope, and to me satisfaction in doing the things that were so much appreciated by all concerned.

In the worship services there was a good spirit and usually very good attendance. The choir under Mrs. Lang's direction rendered splendid service on every occasion. The courtesy and cooperation of Superintendent and Mrs. Andrews is highly appreciated. They are giving of themselves and their talents in very generous proportions. They have a task to do and they are doing it well.

In closing this report I want to thank the Commissioners, Superintendent, Matron, the nurses and doctors for their cooperation and friendliness during my association with them, a period of nearly five years.

I shall not soon forget the true missionary spirit as revealed in the life and effort of the above names, my co-workers at Grafton County Farm.

Very respectfully submitted,

R. W. E. MacKENZIE,
Chaplain.

To the Commissioners of Grafton County:

I herewith submit my report for the last quarter of 1945.

Following the departure of the Rev. R. W. E. MacKenzie from North Haverhill in September, and when it appeared that there would be no successor to him for an indefinite period, Supt. Andrews asked me to serve as Chaplain for the interim. I was very glad to be of assistance and agreed to serve to the best of my ability.

In October I began holding services every other Sunday afternoon. An attentive and appreciative audience always greets me. I have not had the opportunity to become personally acquainted with many, but a friendly spirit is always evident. The supervisors and attendants are fostering a fine atmosphere in the institution.

A party was held at Christmas time with a tree and program. I was unable to be present, but I am informed that the affair was a bright spot in the lives of the people in the home.

I wish to express my appreciation to Supt. Andrews, to Mrs. Lang for her aid in the music, and to others who have cooperated in any way. I appreciate very much the opportunity that has come to me to minister here, as one sees here a side of life not usually much understood, and I shall be happy to be of service at any time.

Respectfully submitted,

REGINALD B. NICHOLS,
Interim Chaplain.

REPORT OF THE COUNTY PHYSICIAN

To the Commissioners of Grafton County:

I herewith submit my report for the year ending December 31, 1945.

Because so many nurses have been serving in the Armed Forces there has been a shortage of them everywhere, but for most of the year we have been fortunate in maintaining our regular staff consisting of three trained nurses and two orderlies and it is a pleasure to commend the fine spirit of cooperation among them.

Many of the patients have been advanced in years and some have been sent in from other hospitals for terminal care. It has been the purpose of your Physician and the staff of nurses to give each patient the best of care possible. Consulting Physicians have been called in and special nurses employed when necessary. The hospital is always ready to receive emergency cases, but before they are sent in, one of the Commissioners should be consulted whenever possible.

Besides those in the hospital many patients have been attended in the Almshouse, Jail and House of Correction.

I gratefully acknowledge the valuable counsel of the Commissioners, the cooperation of the management and the assistance of all those connected with the work of the institution.

Respectfully submitted,

E. M. MILLER,
County Physician.

SUMMARY OF FARM ACCOUNTS OF GRAFTON COUNTY FARM FOR 1945

This year's operating profit of \$10,024.99 is the largest during the 15 years of farm account keeping. It has ranged from a -\$2,148.38 in 1933 to the present figure.

Farm accounts were started in 1932 as the result of county delegation action for the purpose of determining the value of the farm to the Institution, as for instance, the dollars and cents value of milk, vegetables, meat, eggs, woods, etc., produced and consumed on the farm.

The operating profit for this year, as can be seen from an examination of the accounts, is influenced by a very substantial increase in the inventory for "livestock" and "feed and supplies" due to an increase in the value per head of livestock and an increase in the amount of feed and supplies on hand. Other important contributing factors include—an increase in the value of milk sold and consumed on the farm, an increase in the value of meat and vegetables consumed on the farm, and an increase in the sale of livestock, as well as a decrease in the amount of feed purchased. More money has been paid out for seed and fertilizer, which, in turn, has resulted in more and better pasture and roughage.
