LITTLETON WARRANT

The State of New Hampshire

To the inhabitants of the Town of Littleton, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Town Hall on the sixth day of March next, being the first Tuesday of March, at eight o'clock in the forenoon (the polls are to open at 8:00 A.M., and may not close prior to 6:00 P.M.; business meeting to be held at the High School Auditorium at 7:30 P.M.), to act upon the following:

ARTICLE 1. To choose one Selectman for the term of three years, one Park Commissioner for three years, a Town Treasurer, three members of the Board of Trustees of the Public Library for three years, and one member of the Board of Trustees of the Public Library for two years, and one Trustee of Trust Funds for three years.

ARTICLE 2. To see if the Town will vote to adopt the provisions of Chapter 287 of the Revised Statutes Annotated, 1955, relating to playing Beano in the Town of Littleton, and that the following question be placed upon the ballot to be used at said meeting: "Shall the provisions of Chapter 287 of the Revised Statutes Annotated relative to playing games of beano be adopted in this Town?"

ARTICLE 3. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: providing in substance that mobile homes and trailers in residential and commercial districts be restricted to mobile home parks, but not affecting any said mobile homes or trailers now located in a residential or commercial district?

ARTICLE 4. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows: providing in substance for a fine of not more than Ten Dollars (\$10.00) per day for a violation of the zoning ordinance?

ARTICLE 5. To raise and appropriate such sums of money as may be necessary for Town Officers' Salaries, General Expenses, Elections, District Court, Town Building, Police Department, Forest Fires, Sewers, Streets and Highways, Street Lights, Vital Statistics, Sidewalks, Town Garage, Superintendent of Public Works, Health Officer, Hospital, Public Dump, Welfare, Old Age Assistance, Parks and Playgrounds, Community Center, Social Security, Blister Rust, Fire Department, Damage by Dogs, County Tax, Public Library, Cemeteries, National Holidays, Advertising, Region Association, Whitefield Airport, Planning Board, Recreation, Debt Retirement, Interest on Indebtedness, Sewage Treatment Plant, SKI 93, White Mountain Community Services, Dutch Elm, Town Road Aid (A & B), Highway Subsidy, Hydrants, North Country Home Health Agency, and other necessary expenses.

ARTICLE 6. To see if the Town will vote to authorize the Board of Selectmen to borrow monies, from time to time, for current indebtedness of the Town for the ensuing year, in anticipation of taxes to be collected for the year 1973 and to be paid therefrom.

ARTICLE 7. We the undersigned citizens of Littleton wish to have placed on the ballot an article to regulate the dog population of said town. To read. The ordinance for the licensing and regulation of dogs, that was used on a trial basis beginning May 8, 1972, become effective immediately on an affirmative vote at the 1973 town meeting in Littleton. The complete ordinance is attached. (This Article inserted upon written application of voters.)

ARTICLE 8. To see if the Town will vote to reconstruct that portion of Main Street located between Cottage Street bridge and Maple Street and to raise and appropriate for said purpose the sum of One Hundred Ninety Thousand Dollars (\$190,000.00); and further, to authorize the withdrawal of One Hundred Thirty-three Thousand Dollars (\$133,000.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, and further authorize for this purpose the application of the sum of Thirty-one Thousand Dollars (\$31,000.00) in the Highway Subsidy Fund and the sum of Twenty-six Thousand Dollars (\$26,000.00) from the Parking Meter Fund.

ARTICLE 9. To see if the Town will vote to convey a parcel of land three hundred (300) feet by three hundred (300) feet in size located at the intersection of U.S. Route 302 and the North-bound exit from Interstate Highway 93 to Cray Oil Company in consideration of the conveyance to the Town by Cray Oil Company of two (2) parcels of land, with the buildings thereon, situate on Union Street adjacent to the Town Building.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) to purchase the Littleton Water & Light Department's share of the back-hoe presently owned jointly by the Town of Littleton and the Littleton Water & Light Department.

ARTICLE 11. To see if the Town will vote to take over the so-called "Keeler Road" for a distance of 880' LF at 33' wide with 1 rod each side of center line of existing pavement. As per plan date August 1972 by Perry A. Goodell, P.E. (This Article inserted upon written application of voters.)

ARTICLE 12. To see if the Town will authorize the Littleton Park Commission and the Board of Selectmen to drain and level the existing playing field at Remich Park with the Technical Assistance being provided by the North Country Resource Conservation and Development Project, Inc. and that the advertising and contracting by seal bids be supervised by the Park Commission with the approval of the Board of Selectmen. (This Article inserted upon written application of voters.)

ARTICLE 13. To see if the Town will vote to raise and appropriate a sum not to exceed \$35,000 in order to drain and level the existing playing field at Remich Park providing that one-half of this total project cost be reimbursed to the town of Littleton under the Federal Land and Water Conservation fund program. (This Article inserted upon written application of voters.)

ARTICLE 14. To see if the Town will vote to adopt the provisions of the Municipal Budget Law. This article to be voted upon by secret ballot. (This Article inserted upon written application of voters.)

ARTICLE 15. If the above article is adopted to see whether the members-at-large of the Budget Committee shall be elected by the Town Meeting or appointed by the Moderator and to determine whether the Budget Committee shall consist of 3, 6, 9, or 12 members-at-large. (This Article inserted upon written application of voters.)

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) for the extension of sewer lines on the Whitefield Road, said sum to be added to the sum of Twenty Thousand Dollars (\$20,000.00) appropriated last year.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of Twenty-five Thousand Dollars (\$25,000.00) to construct a sidewalk on the Whitefield Road from the vicinity of the Sherwood Manor Development a distance of approximately twenty-eight hundred (2,800) feet to connect with the existing sidewalk.

ARTICLE 18. To see if the Town will vote to appropriate the sum of Sixty-five Thousand Dollars (\$65,000.00) to repair and redeck the Beacon Street bridge, and further authorize the application for this purpose of the sum of Twenty-five Thousand Dollars (\$25,000.00) carried forward from the year 1972, with the balance to be raised by taxation.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) to repair a portion of the Glenwood Cemetery wall located between the first and second exits and adjacent to the Auburn Street culvert, as estimated by the New Hampshire Department of Public Works and Highways.

ARTICLE 20. To see if the Town will vote to fix the salary of any special Judge sitting in the Littleton District Court at the rate of Twenty Dollars (\$20.00) for each day or part thereof that he shall serve in said capacity, in lieu of any annual salary.

ARTICLE 21. To discuss the Littleton Sewer Extension projects and to see if the Town will vote on resolutions concerning the same. (This Article inserted upon written application of voters.)

ARTICLE 22. To hear the report of Agents, Auditors, Committees, including the Planning Board, or Officers chosen, and pass any vote relating thereto.

ARTICLE 23. To choose any other necessary Town Officers for the ensuing year, and to choose and elect any Agents or Committees which may be necessary to carry into effect any vote that may be passed under the Warrant.

ARTICLE 24. To transact any other business that may legally come before the meeting.

Given under our hands and seals this sixteenth day of February, 1973.

TOWN OF LITTLETON LICENSING AND REGULATION OF DOGS

(See Article 7 above)

Section 1. DEFINITION OF TERMS. As used in this ordinance, unless the context otherwise indicates.

- A. "Dog" shall be intended to mean both male and female.
- B. "Owner" shall be intended to mean any person or persons, firm, association or corporation owning, keeping or harboring a dog.
- C. "At Large" shall be intended to mean off the premises of the owner, and not under the control of the owner or member of his immediate family either by leash, cord, chain, or otherwise.
- D. "Leash" shall be considered to be not over 6 ft. in length.

Section 2. No owner or keeper of any dog shall permit such dog to run At Large.

Section 3. IMPOUNDING.

It shall be the duty of police officers (or some other designated official) to apprehend any dog running at large and to impound such dog in the town pound or other suitable place. The police officer (or some other designated official) upon receiving any dog shall make a complete registry, entering the breed, color, and sex of such dog and whether licensed. If licensed he shall enter the name and address of the owner and the number of the license tag. Licensed dogs shall be separated.

Section 4. NOTICE TO OWNER AND REDEMPTION.

The owner shall be notified not later than two days after the impounding of any dog. The owner of any dog so impounded may reclaim such dog upon payment of the license fee, if unpaid, and of all costs and charges incurred by the Town of Littleton for impounding and maintenance of said dog. The following charges shall be paid to the Town of Littleton: for impounding any dog, \$2.00; for keeping any dog, \$2.00 per day up to ten days.

Section 5. CONFINEMENT OF CERTAIN DOGS.

No dog of fierce, dangerous or vicious propensities and no female in heat, whether licensed or not, shall be allowed to run at large or upon the premises of one other than the owner. If such dog is found running at large in violation of this provision it shall be taken up and impounded and shall not be released except upon approval of the police officer (or person designated by the town) after payment of the fees provided in Section 6, provided, however, that if any dangerous, fierce, or vicious dog so found at large cannot be safely taken up and impounded, such dog may be disposed of by any policeman.

Section 6. HABITUAL HOWLING, YELPING, OR BARKING — DECLARED NUISANCE.

The keeping or harboring of any dog, licensed or not, which by habitual howling, yelping, barking or other noise disturbs or annoys any person or neighborhood is unlawful; and is hereby declared to be a nuisance and each day shall constitute a separate offense.

Section 7. DAMAGING PROPERTY.

It shall be unlawful to suffer or permit any dog to trespass on private or public property so as to soil, damage or destroy any property or thing of value and the same is hereby declared to be a nuisance and any such dog may be impounded by the police officers (or a designated person). Whenever it shall be affirmed in writing by three or more persons having separate residences, or regularly

employed in the neighborhood that any dog is a habitual nuisance by reason of trespassing, howling, barking, or other noise, or damage to property, being vicious or by its actions potentially vicious or in any other manner causing undue annoyance, the police officer (or designated person) if he finds such nuisance to exist in fact, shall serve notice upon the owner or custodian that such nuisance must be abated within 48 hours, after which the police officer shall decide whether such nuisance has been abated and if not, any such dog shall be impounded. Refusal to release to the police officer any such dog shall constitute a violation of this chapter. That the owner or custodian of any dog impounded under the provisions of this section, shall pay to the Town of Littleton a fee of five dollars (\$5.00) in addition to all other charges payable under the provisions of this chapter.

Section 8. PENALTIES.

Any owner found violating any provision of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than five dollars nor more than twenty-five dollars for such offense.

Section 9. EFFECTIVE DATE.

This ordinance shall be in full force and in effect upon approval.

LIBRARIAN'S REPORT

1972

Our book budget did not buy as many books as the same amount last year. This year we purchased 975 books for \$6,015.00. Ten years ago we purchased 931 books for \$2,636.03. These figures are given only to say that the library, its books and its people have felt the prevailing economic pressures. But our readers must have found books that appealed to them, for our circulation shows substantial increase and throughout the year new borrowers have been registered.

In December, the woodwork and walls of the young people's room were given a clean, lighter look with new paint. It has been 10-12 years now so there is much more to be done. I almost neglected to say that this same room has new carpet in a beautiful gold color.

Since May, an upstairs room of the library, formerly used for a small collection of books and library board meetings, has had art exhibits scheduled by Mr. Leon Karr. Mrs. Marlene W. Baker has handled the publicity for these artists and their exhibits. This is an added service for local and area artists as well as people interested in the exhibits.

Our three assistant librarians, Mrs. Morrow, Miss Stillings and Miss Miles, who are scheduled for reference at our library, all took the library techniques course on reference last fall at Plymouth State College. The class met Tuesday morning, 10:00-12:30, for 10 weeks and was taught by a member of the State Library staff. The library board felt that this is an important course for all assistant librarians to experience.

For another year, our film program was active. We supplied outside groups with 70 films from the New Hampshire State Library. The Grafton County Home borrowed a large number of these.

There were 32 programs presented at the Littleton Public Library for over 1,100 children from Lakeway Elementary School, St. Rose of Lima School and pre-school groups. The Brownies came several times during the year for pre-arranged programs. During National Library Week in April, there was an adult film program enjoyed by a large number of people.

In October the N.H. Poetry Society sponsored a poetry exhibit during National Poetry Week. Miss Eleanor Lane Harte, a former Littleton resident, and Miss Winona Richardson, both members of the N.H. Poetry Society, assembled the wide variety of poetic materials. Mrs. Elaine Conn and Miss Sandra Lynn Fillion of Littleton also contributed some of their own compositions.

Thanks should be expressed to the White Mountain Garden Club for gifts of new gardening books for our collection and for flowers on our loan desk all the weeks of the summer. The Littleton Garden Club improved our landscaping and we are always pleased with the wreaths that they make for us at Christmas time.

Memorial books were given in 1972 in memory of Elizabeth Glessner Edge, Mary S. Ruland, Richard J. Fowle, Harold Kyte, Margaret Mason, Ellen Smith Van Stone, Mrs. Maurice Santy, Mary Ames Lorenz.

Mary Ames was librarian in this library from November, 1940—March, 1961, when she married Dr. Carl Lorenz and went to Plymouth Meeting, Pennsylvania to live. Those of us who knew Mary well were really shaken to hear that she died November 7 after a comparatively short illness. Her professional work for the over 20 years she served in this library showed healthy building, and it has been a pleasure to continue as the library has grown from 12,432 to 22,685 books at the end of 1972.

In closing I wish to express my usual but sincere thanks to the staff of the New Hampshire State Library; to the Littleton State Library Staff: Ralph Riley, John Wright, and Harry Paquette; to the Littleton Public Library board; to my own staff: Ellen Morrow, Patricia Stillings, Mary Miles, Norman Kinne and the high school students: Frank Harkelrode and Carol King.

Most sincerely,

ELSIE R. RILEY
Librarian

**ANNUAL REPORT OF
LITTLETON DEPARTMENT OF
PUBLIC WORKS AND HIGHWAYS**

STREETS AND HIGHWAYS

This past season we completed 3500' of TRA work on the Slate Ledge road with the aid of Francis Corum, foreman for the State of New Hampshire Public Works. The selectmen hired a gradall and we did a lot of ditch work on the Slate Ledge road. We also replaced some culverts and at the same time did some ditching on Broomstick Hill.

Some 220 feet of Richmond St. was reconstructed to help relieve water damage to private properties.

On South St. we installed 690' of 8" storm drain and installed five new catch basins. Also, on South St. we removed the wall in front of the Ross property, widened the curve and then rebuilt the wall.

On Bishop St. we installed 686' of 12" storm drain and 220' of 8" storm drain. Seven new basins were replaced on Bishop St. Also, we removed the bridge and replaced a new 6' by 8' culvert with the help of Crushing Inc.

On Washington St. we installed 186' of 12" storm drain with two new basins.

On Fairview Ext. we installed 330' of 4" storm drain with three new basins

DUMP

We spent from four to six weeks during the year hauling cover to the dump from the Mt. Eustis pit.

SEWERS

We installed about 600' of 12" sewer line on Crane and Willow Sts. and three manholes. There is about 300' left to complete this project.

We worked on 36 septic systems consisting of 16 existing ones and 20 new ones.

SIDEWALKS

We did not have time to do much work with sidewalks, but hope we will be able to this coming season.

WINTER SAND

Some 300 yards of winter sand was hauled from the Mt. Eustis pit to the Town Garage for winter use.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative state-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

**SUMMARY OF ACTIVITIES OF WHITE MOUNTAIN
COMMUNITY SERVICES, INC. — 1972**

One of the major goals of WMCS is to participate in the process of developing a community of helping people. Such a community hopefully includes volunteers as well as professionals, all working together for the well being of their neighbors.

In light of the above goal, we wish to offer in this report the following description of some of our efforts during 1972:

A. General Services

Received 545 new individual requests for mental health services to area individuals and families.

Held 2690 counselling sessions with individuals, families or groups from the region served by WMCS.

Held 454 consultation sessions with other professional persons and volunteers (doctors, nurses, social workers, members of FISH, etc.) and organizations concerning those individuals they were attempting to serve.

Provided pre-admission screening and after care services for patients entering and leaving the New Hampshire Hospital, Concord.

Participating in the development and implementation of a state-wide plan and program to combat alcohol misuse and abuse at the request of the Governor and in cooperation with the Department of Alcohol and Drug Abuse.

Provided social-psychological evaluations for schools, courts, and state vocational rehabilitation services.

Offered an ongoing bi-monthly in-service training program for those in the helping professions. The goal of this program was to provide new information, skills and coordination of services for individuals seeking help in our local communities.

Continued to provide counselling to individuals and consultation to the Administration at the Grafton County Home and House of Correction.

Provided weekly psychiatric consultation to physicians serving patients hospitalized in our local, general hospitals.

Conducted a monthly in-service program for community and school nursing personnel covering such topics as identifying "shut-ins" for the fire department in case an emergency evacuation is needed and dealing with drugs and problem pregnancies encountered by school age children.

Developed a training program to help local hospital personnel deal effectively with the emotionally upset patient and the alcoholic patient in our local hospitals. (This program to be implemented during 1973)

Developed and implemented a research program to measure the effectiveness of services provided by WMCS to individuals seeking our help.

B. Services to Children and Youth

Started a group program for adolescent girls to teach them communication skills in their personal relations with their families, peers and institutions.

Provided school consultation on a weekly basis to schools in Supervisory Unions 23 and 35.

Conducted a screening program for children's learning disabilities in Supervisory Union 23.

Taught a course to guidance and special education teachers in cooperation with Pupil Personnel Services of Supervisory Union 35. This course was designed to teach the administration and interpretation of a testing program to help identify specific learning disabilities in the school age child.

Taught a course open to all school personnel and other selected professionals in the Introduction of Group Techniques. This course awarded three graduate school credits through the University of New Hampshire.

Continued the Lisbon Development Center (third year), a demonstration classroom for handicapped children currently unable to attend public school.

C. Services to the Elderly.

Completed Geriatric Services Program to the elderly to help develop telephone reassurance lines; distribution of surplus food; and friendly visits by volunteers.

Continued the Retired Senior Volunteer Program (second year) to help retired persons continue to be meaningfully involved in their community affairs through their volunteer efforts.

White Mountain Community Services is approved as a psychiatric out-patient clinic by the New Hampshire Department of Mental Health and is affiliated with the following state and national organizations: New Hampshire Association of Community Mental Health Clinics; Northern New Hampshire Mental Health System; New Hampshire Health and Welfare Conference; Psychiatric Out-Patient Clinics of America.

This non-Profit agency is governed by a 40-man Board of Directors of local citizens. Elections are held each year at the time of the agency's Annual Meeting (May). All meetings of the Board are open to the public and citizens are encouraged to attend. All monies voted or contributed to White Mountain Community Services are used to support local needs. This agency services 22 towns totalling a resident population of 23,900.

I wish to thank personally all those public officials, both at the state and local level, who represent the towns this agency serves. Their cooperation and assistance has been deeply appreciated.

Furthermore, the staff at WMCS wishes to pay tribute to all those in the helping professions who have given of their time, effort and much energy on behalf of those whom we all serve.

Finally, I wish to offer highest praise to the many, many volunteers, who, through their untiring efforts throughout 1972, have helped others in crises, prevented further anguish on the part of many, and in general have contributed to making our part of the "North Country" a community of caring and concerned beings.

Respectfully submitted,
DONALD W. GILPIN
Executive Director

LITTLETON PARK COMMISSIONERS' REPORT

The Littleton Park Commission wishes to thank the voters of Littleton for their support throughout the past year and looks forward to your continued support in 1973.

Changes to our parks and playgrounds, and to our recreation program were few, but improvement in each of these areas was surely noticed.

Our summer recreation program was most improved as it was more varied. It not only attracted the youth of our community but also many of its adults, basketball, tennis, softball and volleyball, combined with many cultural trips and an excellent arts and crafts program, were enjoyed by all.

Our learn-to-swim program was also most successful. Season ticket prices to our pool were decreased and it was followed by an increase in our overall pool attendance. Our learn-to-swim program was most excellent and attracted many healthy and anxious new faces. Also offered at our pool was a senior life-saving program. The program was under the director of Miss Kathy Gordon, Pool Supervisor and Water Safety Instructor (WSI). The Park Commission sincerely thanks Mr. Richard Bouley, Recreation Director, and Miss Kathy Gordon, Pool Supervisor and their most capable staff of young men and women for a job truly well done.

In September of 1972 the tennis courts at Remich Park were resurfaced. Immediately following the resurfacing, Darrell Champagne began to make ready our facility for winter. The ice skating rink has a new look to it, and can not only serve the public as a skating rink, but it is very easily converted to a nearly full sized ice-hockey rink. Mr. Champagne did a very professional job and our rink is something we can all be proud of.

Hockey, Bidy Basketball, and Skiing at Mt. Eustis make up our winter recreation program. Hockey and Bidy Basketball combined involve over one hundred and twenty (120) young boys.

Many thanks to Mr. Gary Riff and his assistants for their time and devotion to the hockey program. We would also like to thank Mr. Richard "Doc" Bouley and his Littleton High School Crusaders for their unselfish time and effort in the Bidy Basketball program.

Maintaining our facilities and equipment is the job of Darrell Champagne. Darrell's many talents not only have saved our town money, but they have also resulted in our facilities being in the best possible conditions at all times. The Park Commission sincerely Thanks You, Darrell.

Respectfully submitted,
HENRY SHERBURNE, Chairman

LITTLETON POLICE REPORT

Chief Stanley L. McIntyre of the Littleton Police Department, in making his annual report for the year 1972, stated that there was a decrease in arrests of 161 from last year's high of 470. He further advises that the Littleton Police Department investigated 139 accidents in which there were 40 persons injured, one pedestrian killed by a motor vehicle, two fatal one-car accidents, or property damage in excess of \$100.00. This represents an increase of 18 accidents over the 1971 total of 121.

Of criminal arrests, alcohol related crimes are the leading offenders with 22 arrests for Drunk and Disorderly, 18 Minors in Possession of Alcoholic Beverage, and 2 Arrests for Procuring Alcoholic Beverage either for Minors or Prohibited Persons.

Other criminal arrests are listed as follows: 12 Assault and Battery, 5 Assaulting or Resisting Police Officers, 17 Adults arrested for Drug Violations and 7 Juvenile Offenders, 7 Malicious Damage, 6 False Pretenses, 5 Failure to Answer Summons, 5 Burglary, 5 Larceny, 7 Fraudulent Checks, 5 Persons wanted by other Police Departments, 4 Hawkers, 4 Hitchhikers on Limited Access Highways, 3 Non-Support, 3 AWOL, 2 Derisive Words, 2 Possession of Fireworks, and one each of: Abusive Phone Calls, Neglected Child, Suspicious Person, Manslaughter, Surety of Peace Bond, Aggravated Assault, Forged Prescription, Failure to Restrain a Dog, Cruelty to Animals, Auto Theft, Lewdness, and Fraud—bringing the Criminal Arrest total to 147 Adults and 22 Juvenile Offenders.

There were 140 motor vehicle arrests made in 1972 of which DWI was the most prevalent at 39, and speeding next with 23. The increase in these figures may well be the result of use of the Breathalyzer and a Radar Unit, both of which were bought by the Town of Littleton, utilizing matching funds made available to us through the Federal Highway Safety Agency and the New Hampshire Highway Safety Agency.

Other motor vehicle arrests were as follows: 8 Registration Violations, 11 Inspection Violations, 11 License Violations, 12 Defective Equipment, 4 Stop Signs, 7 Illegal Passing, 3 Right of Way, 3 Conduct after Accidents, 6 Operating after Revocation, 2 Failure to File Proof of Financial Responsibility, 2 Eye and Face Protection (Motorcycles), 2 Reckless Operation, and one each of Crossing a Fire Hose, Depositing Trash on Highway, Improper Starting of a Parked Vehicle, Excessive Noise, Illegal Backing, Disobeying a Police Officer and a violation of the Littleton Traffic Code—making a total of 140 motor vehicle arrests.

THE CONSERVATION COMMISSION

Broad, new challenges face the Littleton Conservation Commission. In confronting these, we fully realize that this commission exists as a collective servant of the people of Littleton; therefore we wholeheartedly seek the suggestions and counsel of interested persons. It is also our task to focus attention on matters which we believe should be of concern to the people.

In 1973, study and recommendations for scenic roads will come under our jurisdiction by request of the Selectmen. It will be our responsibility to survey such town roads as might fit the designation "Scenic" and then to recommend scenic status to the people in the Town Meeting of 1964.

The Commission began a careful examination of the Dells in 1972, aided by advice of the New Hampshire Fish and Game Department, to determine the feasibility of the pond for fish stocking and to develop a background for decisions as to future management of the Dells area. The Littleton Park Commission continues to provide some funds when needed for the Dells under the Remich Trust Fund.

The whole perplexing question of recycling paper, bottles, and cans will surely be an important consideration in 1973. It makes little sense to use valuable ground space to cover those items of our waste which might be recycled into further use.

The commission reminds all citizens that we have in our collection a film strip series entitled "Crisis of the Environment" which is available for loan to any Littleton organization upon request. Parts of this series have been shown to the Littleton Garden Club and to classes at the Littleton High School.

Commission members are appointed by the Selectmen. The current membership is as follows:

CARLETON SCHALLER, JR., Chairman
WILLIAM HAUCK
MRS. JEANNE JOSLIN
WILLIAM LATULIP
WILLIAM NICHOLS

The total number of nursing visits made for 1972 stands at 586. There were 29 Physiotherapy visits and 61 Social Service visits from March to December. This represents a total of 676 professional calls made to Littleton residents in 1972.

There were also 3 Immunization clinics, 2 Orthopedic clinics and 4 Expectant parent classes in 1972. These services are provided free of charge. The total number of visits showed a 33% increase from December 31, 1972 to January 31, 1973 in the Littleton area. With the services offered at this time we can shorten hospital stays, help keep older patients at home longer and happier, and to rehabilitate patients to function as healthy and happy members of the community.

Meetings are scheduled to develop Homemaker—Home Health Aide Service for this area. These services will assist patients needing light housekeeping, preparation of meals and also will provide people to do unskilled nursing service which now cost the agency and community much money, as nurses do the unskilled service at this time. This will allow nurses to do more skilled care, and therefore, cut cost per visit and allow more service for less money.

Other programs are under consideration at this time. These will broaden the scope of service provided by this agency and other agencies in the community. Because of the delicate nature of these discussions we must forego details, but these will be published as soon as significant progress is made.

We received consultation and cooperation from All State and Community Agencies in this area. We have referred many patients to Hospitals, E.C.F., and Nursing Homes. We also refer patients to agencies and offices.

We at North Country would like to extend special thanks to Eleanor Kenney and Carol Smith, P.H.N. for the state, and R.S.V.P. for the valuable service offered our agency in 1972. We would also like to express thanks to all others contributing time or energy to help us better provide service to all our patients. Our agency now services 15 towns, with a population of 16,097 and covering an area of 720 square miles.

REPORT OF THE PLANNING BOARD

During the past year there have been some changes in the membership of the Planning Board. James (Jim) Baker was appointed by the Selectmen to fill the vacancy left by the resignation of Clarence (Clem) Allard.

Our Chairman, Ray Marshall, resigned from the Board to devote full time to surveying, and Daniel Edgar was appointed in his stead. Maurice (Buzz) Stearns, Jr. became the Chairman. Daniel Edgar was elected Secretary-Treasurer. Thomas Pancoast, Esq. was appointed when George Quig resigned.

The present members of the Board are: Maurice Stearns, Chairman; Daniel Edgar, Secretary-Treasurer; Stephanie McGoldrick, James Baker, John Streeter, Thomas Pancoast, and Donald Bull, ex officio, as Chairman of the Selectmen.

The Board has met the first Wednesday of the month at 7:30 p.m. on the second floor of the Town Building. The meetings are open to you.

Issues have arisen over land use in Littleton, and in time a fair conclusion has been found. Presently the Chairmen of three Town Boards—Selectmen, Planning and Adjustment—are meeting to draw up a "procedural booklet and guide" for people to follow for applying for sewage and water installations, zoning variances and subdivisions. This guide will facilitate the mutual understanding of the Boards and the townspeople, and efficiency in working together.

Board members urge the townspeople to attend monthly Board meetings in order that questions may be answered. Copies of Littleton's Subdivision Regulations and Zoning Ordinance are available at the Town Clerk's office.

**WHITEFIELD REGIONAL AIRPORT
COMMISSIONERS' REPORT — 1972**

The Regional Airport Commission is happy to submit its annual report to the various towns that it serves.

A glance at the Budget on the following page will show that the Airport Board is acting in a prudent, hold the line manner while continuing to provide services to all the people in the area. Even though the country is in a period of inflation and prices are skyrocketing, the cost of running the Regional facility remains at all time low.

Throughout the year the airport served as a base for National Guard search and rescue operations, provided regularly scheduled air service to and from Boston, charter flights, scenic flights, and many other services to both private and commercial interests.

Air line service continues to be a problem and if the major air lines had their way they would drop service to most of New Hampshire. At the insistence of our congressional delegations, the State Aeronautics Board and many people who are concerned with air line service for New Hampshire, hearings have been held; the outcome of which will determine the need for air service and which airport will receive said service.

The Whitefield Regional Airport was represented by Randall Spalding at the hearings and the recommendations that have been made by the Bureau of Operating Rights seem to favor our Regional Airport. A decision on the final outcome is not expected until late 1973. In the meantime the towns served by the Regional facility can expect air line service to and from Boston will be continued throughout the summer season.

Your Commissioners wish to thank all of the towns that have supported us in the past and we make an urgent plea for future support from all of the towns served by the Regional. We cannot operate without financial support from the several area towns.

Governor Thompson has recognized the need for financing airports from a different source and is, at present, studying the situation. For the time being we must depend on area towns.

A special thanks to Mr. Randall Spalding and all our friends who supported us in the recent investigations.

LITTLETON COMMUNITY CENTER

1972

The annual meeting of the Littleton Community Center was held last Thursday evening at the Community House with H. Hubert Merrill in charge.

Elected to the Board of Directors were: for three years, Mrs. Frances Lytle, Andrew W. Poulsen, Rev. Carleton Schaller, Miss Frances Heald and Daniel Ellingwood; two years, Donald Sargent; one year, John Farr.

The annual report by Naomi B. Tefft, hostess, and Carroll C. Tefft, custodian, written by Mrs. Tefft, follows:

Tonight I am going to ask you to travel back through the pages of time while I endeavor to paint you a picture, in very simple words, of some of the changes and projects of the last 15 years.

Looking back over the records of the monthly activities since Mar. 15, 1958, when Carroll and I assumed the responsibility of caring for this Center and catering to the demands of the general public, I find it amazing at the way the Center has grown into a bee-hive of activity.

For instance, the number using the Center in 1958 was 15,337, while this year there were over 50,000.

Also, many changes which have been wrought in an endeavor to make the house a more attractive and convenient place in which people could meet; with a slip cover here, a rug there, some drapes or some paint on the old Windsor chairs.

In 1958 and previous to that time there had always been a live Christmas tree, the generous donation of Charles Brown of the Rocks, which stood in the bay window in the big room through the entire month of December. This was a very wonderful gift for the people to have to use during their many Christmas parties, but it did pose a fire hazard as it was here for the whole month.

An artificial tree, purchased thru kind donations of friends, was obtained in 1960, which has served the needs of the many organizations very well.

In 1960 I made slip covers for the big divan and two over-stuffed chairs in the Ladies Parlor. They were in need of fixing up as they were all very soiled and ragged after constant use since 1919. Through the kindness and interest of the late J. C. MacLeod, I was able to buy the material at a 20% discount, and if my memory serves me correctly I obtained the entire amount to cover the three big pieces for around \$30. The late Roger Lord looked them over after I had made them and told me that I had saved the Center somewhere in the vicinity of \$200.

Later, with donations, new drapes were purchased for the Parlor and little room next to it, and then when Fannie Heald moved from her house on Cottage St., the late Trevor Mooney was able to buy the lovely red flowered rug which is in the Parlor.

In 1958 the floors in the Big Room, Dining Room and hall were all sanded and fixed, revealing for the first time in years the beauty of the cherry and oak parque flooring. In April 1958 we purchased, with donations from friends, and by using our hotel discount, a disposal for the kitchen sink. This was a boon in disposing of leftover food after the many dinners, luncheons and teas.

I noted also in the records that there were no curtains at the windows in the big kitchen, butler's pantry and entry which tended to make it look dismal. The late Miss Helen Pearce had turned over to me the sum of \$5 to be used to buy soap and cleaning stuff but instead I used it to buy material and I made seven pairs of sash curtains for those windows and bought the soaps and cleaning supplies out of our own pockets for the remainder of the year.

Back in August of 1958 the National Red Cross instituted a program of home nursing and survival, instructing several of us so that we might teach the mothers and housewives these techniques of home nursing. We all delved into the course as if our very lives depended on it. The Legion boys kindly turned over the Legion Hall, on the third floor, for this course and beds were set up there; a big slate was moved in by Mr. Mooney and three of his men and we were in business. The classes got underway Jan. 12, 1959 and I wonder at our courage in trying to put across this program, but some of the women took it all very seriously and some of them still go out to care for the sick, using some of the methods and material we taught them.

Then in June of 1958, Carroll and I painted and fixed up Bob's old room, the old bath and hall on the third floor. We had brought back some paint from the South with us, so we used that on the walls, ceilings and floors and put down a linoleum runner, which we had, on the hall floor. These rooms were in a sad state and our meager efforts did make them look cleaner and more cheery and with no expense on the part of the Community Center.

In 1960 James Salta, then the Chamber of Commerce secretary, renovated that office, which was also a dull, drab place previous to this. He had bought some paint for the walls but decided he did not like it so gave it to Carroll to paint the Ladies Room with. Carroll got it all painted and it made such a wonderful change that the old floor was spoiling it all so I prevailed on Hollis Burgess, who was the president of the Center, that a new floor covering would be just what we needed. After much pinching of pennies the flooring was purchased. Everyone remarks, even today after 13 years, how nice the Ladies Rooms look.

In 1965 we were able to purchase, through donations by groups and individuals, the drapes that hang in the Big Room; then in that same year, thanks to some of our thoughtful directors, Carroll and I were able to use a little kitchen by ourselves, as they took what had been Miss Bryant's office and turned it into a kitchen for the hostess and custodian. It is one of the best things which could happen to anyone taking care of this property, as it used to be so difficult using the big kitchen with people who were putting on dinners and parties. They were not pleased to have us under their feet.

The Christmas candles, shining from the front windows during the holidays, were first installed in 1965, the gift of Mary and Frances Heald in memory of their father.

In looking back over the records I was amazed at the number of wedding receptions we used to have here, before liquor became such an important part of those affairs. There used to be about one per month during the Spring and early Summer. We still, of course, do have some, also anniversary celebrations, showers, etc.

As we turn back the pages of time we also recall helping people find adequate housing over the busy holidays such as the Columbus weekend; this was before the very welcome FISH program was started. I noted that we sat up until after 1:30 one Columbus holiday, endeavoring to find places for stranded souls to sleep; even making up a bed on the third floor for one young couple and housing another family of six with Father Mann. Those people were so very grateful and they still write to us at Christmas.

For some of you, who perhaps did not even live in Littleton in those days or some who were too young to take a civic interest, this bit of history is all foreign, but I feel it is nice to know the background of things which took place and why and how various projects were accomplished.

This year, like others, has been a busy, productive one for all of those groups and individuals who have availed themselves of the use of this Community Center; as always playing an important role in the life of Littleton and the surrounding areas.

There have been the usual number of church suppers, sales, teas, public card parties, blood drawings, showers, three wedding receptions, one 50th Anniversary celebration, many classes offered by the League of N.H. Craftsmen, the instruction offered by the Home Demonstration, Head Start training programs, Medical Clinics, a new 4-H group, Boy Scouts, Girl Scouts, the NCAA Assoc., besides the regular club activities.

In spite of what some wish to think and broadcast, the Center is a vital part of your community.

The White Mountain Grange has installed a convenient and attractive kitchen at the Barn and also painted the exterior where it was peeling so badly. All in all, this organization proves to be a great asset to the Center. Thank you, Grangers, for all you do.

This year the Center has been the recipient of some lovely gifts, among them two beautiful linen tablecloths—one an imported cut work cover—the gifts of Irene Kezer and Greta St. Germain; some beautiful glass plates with the plastic doilies to go with them, the gift of Ruth Moore; a lovely bone china cup and saucer from the little Brownies; flowers from Thomas Pillsbury, Mary Albany, Julia Clark, the CDA, Arminda Silsby and Hazel Bronson.

To everyone for everything you do for this Center, we say a great big thank-you. These gifts mean so much to your Center as it makes for a more homey and cheery atmosphere.

The China Fund, which we were collecting for last year, finally brought it up to a service for 60 people and there was \$3.71 left over which I turned over to the new project, the Bench Fund. We are in hopes to obtain some new benches by Summer for the use of all the people.

Our sincere thanks to the following for their kind donations to this project: The Colonial Club, the Senior Citizens, the White Mountain Grange, the NCA Assoc., Ruth Witcher, the Woman's Farm and Home League, the Legion, the Legion Auxiliary, Edson and Louise Berry, the Littleton Garden Club, and the Past Matrons' Assoc.

Our gratitude to those merchants who have indicated that they would like to contribute a bench to this worthwhile cause. To every friend of this Community Center who have so thoughtfully and generously given of their time, money and efforts, we say a big thank you. From Carroll and I personally, thank you all for the many courtesies shown us during the past year.

In August we were very pleased to have the privilege of welcoming to the Community House Arthur Folsom, the new executive director of the Chamber of Commerce. Mr. Folsom is a diligent worker, a wonderful family man and Littleton is indeed very fortunate to be able to obtain his services in the work of the Chamber of Commerce. Welcome, Art, Louise and the two boys.

We were all saddened by the death of four of our valued and loyal members this past year. Roger Lord, a former president and director, Elmer Southard, a former president and director, Helen C. Pearce, a former hostess and director, and John D. Parent, a former director. They all worked so hard, giving freely of their time and energy to promote the welfare of the Center, always striving to preserve the ideals and objects for which it was organized and incorporated. They are all greatly missed.

“With us their names shall live
Thru all succeeding years,
Embalmed with all our hearts can give
Our praises and our tears.”

Approximately 52,543 persons enjoyed the uses of the facilities of the Littleton Community Center during the year 1972.

Respectfully submitted,
NAOMI B. TEFFT, hostess

REPORT OF THE WHITE MOUNTAINS REGION ASSOCIATION**SUMMARY PROGRAM OF THE WHITE
MOUNTAINS REGION ASSOCIATION****1972 — (35th Year)**

The officers and directors held two meetings to re-assess the goals and projects of the Association to make them more meaningful for the 1970's. Out of these two, eight hour sessions came agreements on five programatic objectives. They were the need to insure a quality environment, orderly development, improved public transportation facilities, vocational training, and the need for a community college. The first objective has received the most attention since these sessions were held. In this regard the Association sponsored a workshop on air pollution in Berlin.

The Association has spoken out on the need to preserve the small family farms and, thus, it has actively supported the Open Space Bill, HB44. The Bill permits selectmen to tax land upon current use instead of its potential value. The Association spoke out in support of this Bill at a senate hearing in Concord and contacted the state senators and representatives in the region notifying them of the Association's position on the subject.

The Association sponsored a very successful sewage conference in Waterville Valley. Billed as a "sharing of ideas" the conference dealt with some new concepts in sewage treatment such as combining wood wastes with sewage to make fertilizer.

The Association organized a hearing on regional planning in Twin Mountain and worked with the Town of Carroll in setting up what turned out to be the most successful snowmobile hearing in the State.

Finally, as an integral part of its annual meeting the Association, held a very exciting panel discussion on "Development/Environment." Gov. Frank W. Sargent of Massachusetts, a former commissioner in the Department of Natural Resources there, addressed the group following the annual dinner on a theme in keeping with the theme of the meeting, "Best Use of Our Natural Resources."

Non-environmental Association activities for the past year included: help in preparing background information for the Berlin and Whitefield Airports for the hearings in Concord before the Civil Aeronautics Board; creation of a new Association logo and a very successful fall foliage shunpike folder; continued promotion of the off season through news releases and the sponsorship of several canoe races, the most ambitious and successful of which was the New England Canoe Slalom held in Campton. Also, the Association assisted a group in Berlin develop a plan for a hotel trade learning course.

In preparation is a canoeing folder, which, if enough advertising can be sold, should be out well before Spring of 1973.

Organized a meeting and prepared a statement regarding the then proposed visitor's information center on the Kancamagus Highway with the U.S. Forest Service.

Presented awards to 4-H Clubs in both Coos and Grafton Counties.

Appeared on six radio programs, attended one travel show in Harrisburg, Pennsylvania, and spoke before several groups in the Region.

Inquiries for the year totaled 5,501.

Wrote 45 news releases and 126 personal letters.

Also wrote five newsletters, "Recreation Pressures in the White Mountain National Forest," "New Year's Resolution!," "Our Open Space", one on the "Sewage Conference", and a personal newsletter by John P. Wilson.
