FOREST FIRE WARDEN'S REPORT

Another very good year has passed since the last report. We were most fortunate especially during the period of emergency last October when very serious fires caused thousands of dollars in damage. During this period we had two small railroad fires, the cost of which, were assumed by the railroad.

Actual fire damage was at a minimum during the entire year and at this time I wish to thank all the deputies and the townspeople for keeping such a good record.

HEALTH OFFICER'S REPORT

We had a very successful year with only one exception to prove the rule. That was one case of scarlet fever which necessitated a three week's quarantine. No other contagious disease was reported which confined anyone to his home.

Let's try to make next year as good; if not better.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the New Hampton School Board:

My third annual report as your Superintendent of Schools is hereby respectfully submitted. This year has seen a more thorough analysis of the school program in conjunction with the survey undertaken in accordance with the vote of the School District Meeting in March, 1946. Definite recommendations contained in a published report will be available at this year's School District Meeting. The people of New Hampton have demonstrated their confidence in the present school board, and it is to be hoped that the school board will feel that a program for school improvement can be recommended to the community this year.

New Hampton is fortunate in staffing its schools with teachers who are interested in the welfare of the pupils under their direction. This year two additions to the staff brought Miss Edith Germane, a graduate of the University of Missouri, and Mrs. Edith Plant, a graduate of Plymouth Teachers College, to the Village and Plaisted schools, respectfully. Miss Marion Woodman and Mrs. Bertha Cote left the service of the school district after many years of conscientious service.

The reading program introduced last spring has proved beneficial to the pupils of the district and appreciated by the teachers who have seen its merits. The employment of Mrs. Estelle Watts as music supervisor for a day and a half a week has provided music instruction for all the pupils in all the schools and has been appreciated by teachers and pupils alike.

It is a pleasure to serve as your Superintendent of Schools and to work with the New Hampton School Board and teachers.

Respectfully submitted,

DONALD W. DUNNAN,
Supt. of Schools

REPORT OF THE SCHOOL NURSE

Summary of the health work done by the school nurse for the past year:

Pupils inspected: 107; School Visits, 75; Home Visits, 33.

Pupils have been weighed and measured twice. Vision tests have been completed with the Telebinocular. Individual inspections have been made when necessary for head and skin conditions.

Dr. Feiner did the physical examinations on 80 pupils.

Result of examinations: Defective teeth, 19; defective vision, 5 (5 have been corrected); defective speech, 1; enlarged tonsils, 21; enlarged adenoids 3; enlarged glands, 23; wax in ears, 10; cardiac condition, 2; skin condition, 4.

Two pupils were taken to Dr. Hernandez and 1 pupil to Dr. Leavitt for vision tests and glasses; 1 pupil had a tonsilectomy; 1 pupil went to the T.B. Clinic.

The Red Cross furnished all of the New Hampton Schools with Vitamin and Cod Liver Oil Tablets.

I wish to thank the Red Cross, the teachers and the school authorities for their cooperation.

Respectfully submitted,

EVA A. HENEY, R. N.
