# TOWN WARRANT

## The State of New Hampshire

*To the Inhabitants of the Town of New Ipswich in the County of Hillsborough in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at Mascenic Regional School in said New Ipswich on Tuesday, the tenth day of March next at ten of the clock in the forenoon, to act upon the following subjects:\*

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money, when necessary, in anticipation of taxes.

4. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.

5. To hear reports of any Official or Committee and take any action relating thereon.

6. To see if the Town will vote to accept the budget of the Electric Light Department.

7. To see if the Town will vote to raise and appropriate the sum of \$1,135.66 so as to receive \$7,571.05 from the State, for use on Class IV and V highway construction, reconstruction or betterment as provided under the N. H. RSA Chapter 241.

8. To see if the Town will vote to raise and appropriate \$12,300 so as to receive \$36,900 from the State for use of re-constructing Bridge No. 113/074 on the Smith Village road.

9. To see if the Town will vote to accept and maintain a piece of road beginning at Goen road in Smith Village and running southerly approximately 700 feet to land now or formerly Wayne Rautio's and running past the building formerly known as the Finnish Dance Hall. The land for this road will be deeded to the Town by the present owners. (by petition)

10. To see if the Town will vote to raise and appropriate \$12,000 (twelve thousand dollars) to be used together with money presently available in the Capital Reserve Replacement Fund for Fire Trucks to purchase a new fire truck with its associated equipment.

11. To see if the Town will vote to raise and appropriate a sum not to exceed \$50,000 (fifty thousand dollars) for the purchasing of land and construction thereon of a new fire station to be erected by whatever method the Board of Selectmen and representatives of the Fire Department deem necessary in the best interest of the Town.

12. To see if the Town will vote to raise and appropriate the sum of \$2,000 (two thousand dollars) to be used together with money presently available in the Highway Capital Reserve Fund, for the purchase of a backhoe-loader or take any action thereof.

13. To see if the Town will vote to raise and appropriate the sum of \$5,875 (five thousand eight hundred seventy-five dollars) to be used in the maintenance and supervision of the Recreation Field, or take any action thereon.

14. To see if the Town will vote to change the Recreation Committee to a three-member Board with each member serving a three-year term, one member to be replaced each year.

15. To see if the Town will vote to close the following roads subject to "gates and bars" or take any action thereon:

- A. Binney Hill road: beginning at a point of intersection of Binney Hill road and two rods from Justin Smith's driveway to one rod east of Alvah Ring's (Overline).
- B. Hubbard Pond road: from Carr's Corner, so called, to the Rindge line.
- C. Jenkins road: two rods from Fafard's property line to the Greenville town line.
- D. Collins road: two rods from Halsall's driveway to Viitainen's property line.
- E. Stowell road: two rods north of Hokanson's driveway to the Temple town line.
- F. Bartlett road: four rods east of Route 124 to the Greenville town line.
- G. Un-named road: un-named road extending from country road to a point opposite Donald Packard's property line.
- H. Chapman road: from a point two rods north at Route 124 to the end at, or south of, the Temple town line.
- I. Boynton Hill road: from a point two rods east of intersection of Maki road and Appleton road to the Temple town line.

16. To see if the Town will vote to adopt an Ordinance prohibiting the placement of mobile homes in the Town of New Ipswich by any but legal residents of the Town of New Ipswich and also to prohibit the establishment of mobile home parks beyond those presently existing or take any action thereon.

17. To see if the Town will adopt an Ordinance requiring all buildings, including mobile homes, to be situated on a minimum lot of one (1) acre. Such building lots shall have a minimum frontage of two hundred (200) feet and the buildings or mobile homes shall be placed no closer than twenty (20) feet to an abutter's property line and no closer than thirty (30) feet from the edge of an established road or right-of-way. Plans showing the location of the proposed building, well and sewerage system shall be presented to the Planning Committee and the Board of Selectmen.

18. To see if the Town will vote to raise and appropriate the sum of \$3,000 (three thousand dollars) to be used by the Selectmen in the remodeling of the Town office or take any action thereon.

19. To see if the Town will vote to raise and appropriate the sum of \$1,000 (one thousand dollars) to be spent by the Selectmen in preparing a part of the Balch land for use as an addition to the Central Cemetery or take any action thereon.

20. To see if the Town will vote to raise and appropriate the sum of \$436 (four hundred thirty-six dollars) for the support of the Monadnock Family and Health Service in Keene.

\* The Town Meeting will open at 10 o'clock to act upon the first article only. Balloting will continue until 7 o'clock at which time the Meeting will be adjourned until Wednesday, the 11th of March, 1970 at 7 o'clock to act upon the remaining articles.

Given under our hands and seal, this eighteenth day of February, in the year of our Lord nineteen hundred and seventy.

## SELECTMEN'S REPORT

Again, we are proud to report to you that the Town of New Ipswich is in good shape financially.

As of the date of this report we have on deposit and showing interest \$65,000.00. This amount, plus the amount of unpaid taxes is more than enough to meet all expenses including our commitment to the Mascenic School District through July 1, 1970.

Our sincere thanks to all who have helped us to make this past year a success.

We would be remiss if we did not note with regret our loss by death during the year of two men who contributed so much to New Ipswich. They are Dr. Cayward and Carl Sillanpaa. Each in his own way made New Ipswich a better town in which to live.

Lester W. Batchelder

Arthur L. Whitney

Charles E. Aho

## CIVIL DEFENSE

The Town participated in four Civil Defense test alerts during the past year.

The Auxiliary Police has donated many man hours at various activities.

The following is the roster of Civil Defense:

Director: Arthur L. Whitney

Co-Director: David Corthell

Fire: Sulo Kolapakka, Jr., Chief

Administration: Pearl Thompson, Justin Smith  
Nelson LaFreniere

Communication: Alert warning 878-1611

Police: Nelson LaFreniere, Chief

Light Department: Earl Dane, Richard Putnam

Highway Department: Richard Johnson, Peter  
LaPointe

Medical: Laila Luhtala

Dr. C. G. Cayward, who was on the medical list, will be long remembered and greatly missed for his active participation on this committee.

Arthur L. Whitney

## POLICE CHIEF'S REPORT

The Honorable Board of Selectmen, I hereby submit a report of the New Ipswich Police Department's activities from January 1, 1969 to December 31, 1969.

As in previous years, the Department had a very active year. Special projects were undertaken in addition to the regular duties. These included further development of a cooperative system with the surrounding areas in our mutual affairs. The regional school activities, the Mason Rock Festival, where between 5-7000 people attended and the Greenville Fourth of July Parade which drew 5-6000 people are a few examples of this cooperation. No community of our size can properly administrate the work required without the cooperation of the surrounding departments.

Nineteen Drug Prevention talks were given and our continued program is now spending more time with individual attention. The results, we believe, have shown a decrease in drug usage.

The Auxiliary Police are becoming an important part of the Police Department. In addition to donating their time for the Hunter Safety Program and special holiday duties, they are spending an increasing amount of time on duties and responsibilities for which they receive a minimal compensation. As an incentive to promote more interest and active roles in community relationships, involvement in civic affairs and activities is encouraged.

As of July 1, 1969, this Department became a full-time Department and for the remainder of the year we have operated on an unscheduled time program. In short, no set hours of work such as an officer in uniform on a regular 8-10 hour shift and going off duty for the remainder of the day. We have found that working in and out of uniform has helped tremendously. No one knows if we are working or not, or for what purpose we are visiting or talking with someone. This, we believe, has been the cause of the sharp decrease in our breaking, entering and larceny problem. Fewer telephone complaints were also received because we were often able to prevent many problems from developing due to our previous knowledge and increased time to devote to them. The schoolguard Officer at the Central School is a new facet of our program. The effect on the traffic and children speaks for itself.

Welfare work is carried on through this Department in connection with federal, state, county, and local levels. The investigation of taxes, property, social problems, and administration of funds of the various recipients is both time consuming and necessary. The organization and setting up of a surplus food program for this area enables eligible persons to pick up food at the Town Office rather than apply through the Vista program or county and eliminates traveling to Nashua to apply and pick up supplies. Due to decisions of the Supreme Court in regard to residency requirements, the influx of out-of-state people who receive welfare aid has soared. This requires roughly 10-12 hours of work weekly to investigate and clarify the category under which they will be placed.

Talks with groups, such as six of the driver education classes and out-of-town organizations on "Drug Abuse" have been undertaken. This has resulted in receiving \$200.00 which we plan to use toward new films.

Training at the Monadnock Community College for a twelve week period was undertaken by seven of the officers. First Aid programs and a resuscitation course at Peterborough Hospital were also attended. Additional training was received from different troopers of the State Police in which informal seminars covering various aspects of police work were held. We have five or six men that will continue this year with an educational program.

Safety programs are being planned for the Elementary Schools.

Due to lack of room in the Town Office for private consultations, it was sometimes necessary to bring people to the Greenville Station for discussions. We thank the Greenville Police Department for allowing us to use their facilities.

We regret losing one of our regular officers, Paul Card, who has been an asset to the Department and also to the community as he has been active in many community affairs.

A Police Department is responsible for the prevention and repression of criminal activity, for protection, for preservation of peace and public compliance with countless laws. There has to be organization, direction and control in the manner that it will give the most effective and economical accomplishment of

such purpose through men and equipment. Your Police Department is endeavoring to maintain such standards.

I would like to take this opportunity to thank all the people whom we have worked with and who have cooperated with us this past year.

NELSON E. LAFRENIERE  
Chief of Police

The Trust Funds of New Ipswich, New Hampshire have been audited  
by me and found correct.

ANNA W. EATON, GLADYS C. DAVIDSON, RHODA L. CHASE,  
Trustees of Trust Funds

## PLANNING COMMITTEE

A considerable amount of time has been spent this past year by this committee in the areas of Industrial Development, Roads and Bridges, Town Planning and other town interests.

Work was done in the area of Industrial Development with the aim of determining whether it is feasible to attempt to attract industry to the town. The reason for attracting industry to the town is that this is perhaps the only means of broadening the tax base and easing the tax load on homeowners. In this area conversations were had with various state agencies such as The Industrial Development Authority, The Department of Resources and Economic Development and The Water Resources Board. The talks were somewhat encouraging and it may be possible to secure State aid in some town projects in the future. One area of interest discussed was town water and it may be possible to develop one of our flood control ponds into a reservoir some time in the future. Various reports and other helpful literature were received from the state agencies contacted among which was the so called "Anderson-Nichols" report which is a study of water needs in New Hampshire communities between the years 1966 to 2020. It is interesting to note that the state projection for population predicts New Ipswich will have approximately 7400 people by the year 2020. (Present population, approximately 2000).

The planning committee also spent considerable time reviewing the roads and bridges situation in town. The results of this work provides valuable assistance toward making the best use of tax money for road and bridge rebuilding and repair. The review also helps by pointing out potentially dangerous situations such as blind driveways and intersections, bad curves, areas needing new warning signs, areas needing additional lighting and also points out roads which should be closed because they are no longer used or needed.

The results of earlier planning committee work has resulted in the delivery just recently of completed maps of the town. These maps are available to those who wish to have one at the Town Office for a very small fee.

Respectfully submitted,

Charles R. Aho, Chairman

## NEW IPSWICH RECREATION COMMISSION

This past summer of 1969 proved successful and enjoyable for all who used the improved pool and field facilities. About 225 children participated in the recreation program. Our swimming instructor was Miss Ann Pliska from Fitchburg State Teachers College, plus a small group of mothers who gave generously of their time to assist her. Steve Weigel and Mark Bresnahan served as field instructors and life guards. A special course in Life Saving was held in the late afternoons. How nice it was for the children to dive for objects and swim in a clear pool where one could see the bottom! It raised the safety factor, too!

Many long hours of work went into preparing the pool for use—painting, acid washings, painting and opening the pool house. The NIAA assisted us in hand grading the gravel. Also, a big thanks to Joyce Hopkins, Hazel Cotzin, and Helen Preston for joining in on the painting brigade. We were sorry to have our chairman, Bob Lawn, resign in June, but he saw us through to the opening of the pool. He gave up his own free time to do most of the dirty, manual labor. Our thanks to you, Bob!

Again this past year, Jim Albree provided trophies to be awarded to the boys and girls who excelled and showed most improvement in swimming and sports. He also donated some cement blocks for our construction. We were certainly pleased to have his help. A big thank you to Ken Desrosier for donating his time and energy in wiring and installing plumbing for the field house showers. We were sorry to hear of Paul Cooper's death last month. The girls' softball team was again sponsored by he and Mrs. Cooper. A Carl Sillanpaa Fund was set up with checks received by his family and friends.

The following rules have been drawn up by the committee and are now in effect:

1. No snowmobiles within 50 ft of the pool house and filters.
2. No alcoholic beverages at any time on any part of the Memorial Field.
3. No one on the playground after 10:00 p.m. unless special permission is obtained from the committee.
4. No horses will be allowed on the field at any time.

\*We ask that groups wishing to use the Memorial Field get in touch with a member of the recreation committee as soon as you are sure of the date of your activity so as to be assured of

whatever area you may desire. We will co-operate in every way possible to make facilities available for your convenience and entertainment. But, at the same time, we ask the co-operation of those using the field and facilities to exercise common sense, respect for property and thoughtfulness.

Thank you,

BENJAMIN HENAULT  
MARTIN CLARK  
OMER BROUILLET  
ANN LIBBY

## RECREATION COMMISSION BUDGET REPORT

Filter Article 10 (1968) unexpended balance		\$6,250.00
Filters	\$5,110.00

Mowing Field	225.00
Equipment and Supplies	500.00
Maintenance	1,000.00
	\$5,875.00

## *Fire Warden's Report*

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

### *Fire Permit*

A *fire permit* is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be *prior to 9:00 a.m. and after 5:00 p. m.*

### *Exceptions*

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

### *Penalties*

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.

4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

## ELECTRIC LIGHT COMMISSIONERS' REPORT

In addition to regular maintenance requests for line extensions, change-over to larger services by our industries and improvements in our transforming and regulating equipment made the year a very costly one to the Department.

Approximately 25 per cent of the meters were checked and of the latter number, two (2) were found to be faulty and were replaced and fifty (50) of the out-dated meters were replaced. This was done in compliance to the ruling passed at the 1969 Town Meeting.

A new Long Hour Power Service Rate was added to our Tariff and made available to industries that require high voltage service. Introducing this rate made it possible for us to take over the Warwick Mills Account. The Mill has been supplied by the Greenville Electric Lighting Company for the past 25 years.

The deteriorated street lights and brackets in the Smith Village and Bank Village areas were replaced with the new mercury vapor lamps. Continuation in the change-over to these new lamps is being carried on throughout the center of town as time permits so that eventually all street lighting will be of the same type.

It is with reluctance that we accept Mr. Paul Card's resignation effective February 3, 1970 as Commissioner of the Electric Light Department. After a long deliberation, Mr. Card is planning to move nearer to his place of employment.

Our records show a net profit of \$7,395.74 for the year. In our balance sheet under current assets, we have accounts receivable for \$15,067.96 which leaves us without operating capital, as the Treasurer's Report shows a cash balance of only \$41.67. These delinquent accounts make it difficult to operate efficiently and plan rate-revision when we are compelled to resort to "rob Peter to pay Paul" tactics throughout the year.

OLIVER NIEMI  
PAUL CARD  
WALTER PAAJANEN

Commissioners

## BUDGET FOR 1969

### REVENUE

	Estimated 1969	Actual 1969	Estimated 1970
