ANNUAL REPORT OF  
THE ORFORD SOCIAL LIBRARY  
For the Year Ending December 31, 1976

We are pleased to report that two new members have been added to the Orford Social Library Board of Trustees. They are Mrs. John A. Keller, Jr., and Miss Edith Dillon.

An Open House held at the Library on July 5th and a Silver Tea in October were well attended.

A gift of \$10.00 from the Rondo was greatly appreciated.

Gifts of books were received with thanks.

During the year, 669 fiction, 181 non-fiction and 680 juvenile books were circulated, totalling 1,530. 51 books were purchased. Also circulated were 171 magazines, 8 puzzles, 6 records and 3 films.

ORFORD VOLUNTEER FIRE DEPARTMENT  
1976

The following is a report of the Orford Volunteer Fire Department for 1976: Calls answered - 3 building fires - 3 electrical fires - 1 smoke - 1 Bomb scare - 1 drowning - 6 false alarms.

The Orford Department has, under Mutual Aid, answered 5 calls to Fairlee, 2 calls to Piermont, 2 calls to Lyme and 1 to Bradford. We have received Mutual Aid from Fairlee three times and Lyme once. We have made 8 furnace inspections.

Respectfully submitted

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three-year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

## REPORT OF ORFORD PLANNING BOARD

The Orford Planning Board has met at regular intervals throughout the year. Our purpose - to protect and preserve for the citizens of Orford the Town's future, its growth and its proper and just development.

The Board has received an application from Mr. Ralph Wright of Haverhill, N. H. to subdivide 60 acres into 10 lots, which are located on the Piermont Height Road and the Piermont-Orford line. This subdivision is now in the preliminary stage.

We have received an application from Miss Kathleen E. Kane to start a Nursery and Child Care Center, in the Orford Congregational Church. After a public hearing, it was approved by the Board of Selectmen and the Planning Board.

Upper Valley-Lake Sunapee Council and the Town of Piermont have been working to change the regulations of the New Hampshire Air Pollution Commission. The following changes have been made: Limit extension, hardship cases on a case by case basis for towns with a population of under 1,000, this extension is renewed each year.

National Flood Insurance Program - to-date we have not received notification. When received we will have one year to apply and to meet the Federal Insurance Administration requirements. The Board has been working toward meeting these requirements.

The Board encourages anyone with questions to seek out a board member or to attend a Planning Board Meeting, which is held on the third Monday of each month in the new town office in Orfordville at 7:30 P.M. These meetings are open to the public.

ORFORD FAST SQUAD  
1976

The Orford Fast Squad is a branch of the Orford Fire Department that was formed in the fall of 1973 to provide emergency first aid to the town until the ambulance arrives.

At this time we have 11 members holding Advanced First Aid Certificates and three members with Emergency Medical Technicians Certificates.

In 1976 the Orford Fast Squad responded to 22 calls of all kinds, from a cut hand to car accidents.

In 1976 we raised and received donations to buy a portable oxygen tank and a bag mask resuscitator, and also received three hundred dollars worth of emergency equipment as our part of a grant to the A-Six Ambulance District.

This year we hope to have an Advanced First Aid course, anyone interested can contact any squad member.

Respectfully submitted,

ARTHUR DENNIS  
Commander

## UPPER VALLEY - LAKE SUNAPEE COUNCIL

The Council - until four years ago known as the Upper Valley Planning and Development Commission - has undergone a period of rapid growth and change. From what originated as an economic development association, it has become a comprehensive regional planning agency. And, where it originally served just six towns, it now serves thirty-one communities in New Hampshire and Vermont, from Orford on the North to Charlestown on the South; from Canaan on the East to the three Vermont member towns of Hartford, Norwich and Thetford.

The Council operates on an annual budget of about \$100,000. It is under the direction of a 47 member board of directors composed of two directors from each of its member communities (plus 5 directors-at-large). These directors are appointed by the member communities, set the policies and programs to be administered, and assure complete local control of the Council's activities.

Yet, the membership dues from local communities - Orford's share for the coming year figured on a per capita basis will be just \$579.00 - account for only 30 percent of the Council's revenue. The rest, 70 percent, comes from state and federal sources; sources available to the Council because of its status as a comprehensive regional planning agency recognized by the federal government and the states of New Hampshire and Vermont. In other words, these added sources of revenue have increased the Council's income and thus its ability to serve its members at a two-to-one ratio of service to local dollars spent.

That money has been used for many programs of benefit to the towns. There are major regional programs such as housing, transportation and landfill studies. There are information-gathering programs, in which the Council intervenes with federal sources and assists towns in dealing with the new flood insurance or public works or community development laws - and applying for federal dollars.

There are seminars and workshops on such topical issues as recreation grants and tax mapping or historic preservation. And there is the ever-popular technical assistance program in which the Council staff works directly with Selectmen or the Planning Board on zoning, master plan, subdivision regulations, mapping and other direct assistance.

These are a few of the types of services which the Council has provided in the past year. These types of services will be continued in its new fiscal year, which will begin July 1, 1977. The exact components remain to be set and will depend largely on what the town-appointed directors see as pressing needs this spring. The Council is not a regional government; it is a membership group, established to serve its member towns and cities.

While each town or city has its own pressing problems, it does not exist in a vacuum. Many of its neighbors face some of these same problems. Or a neighbor's solutions may cause it problems. This is where a regional planning program can help, working with and for local communities to seek solutions to these common problems.

RSA 76:11 provides for delivery of the list (warrant) to the collector within thirty days of receipt of approval of the tax rate unless for good cause the time is extended by the department. The collector shall within thirty days after receipt of the warrant from the selectmen (assessors) send out the tax bills unless for good cause the time is extended by this department.

RSA 76:11-a Information Required. The tax bill which is sent to every person taxed, or his agent, if known, as provided in section 11, shall show the rate of municipal, school and county taxes separately, and each bill shall also show the assessed valuation of all lands and buildings for which said person is being taxed. The 1976 rate breakdown reflects a proportionate share of the Reimbursement a/c Property Exempted by 1970 Special Session for each unit of government.

RSA 76:13 provides that if tax bills are mailed on or before November 1 interest is not charged if payment is made on or before December 1. However, if tax bills are mailed between November 2 and 15 inclusive interest is not charged if payment is made on or before December 15. In the event that tax bills are not sent until after November 15 interest shall not be charged on taxes paid on or before December 30.

The tax bill which you mail must contain the date from which interest will be charged and this date is determined by the date you send the last bill on the list committed to you. It is also required by statute that you notify this department in writing of the date on which you send the last bill. There is enclosed a form for this purpose.

SCHOOL DISTRICT WARRANT  
State of New Hampshire

Grafton, S. S.

School District of Orford

To the inhabitants of the School District of Orford qualified to vote in District affairs:

You are hereby notified to meet at Memorial Hall in said district on Friday, March 4, 1977 at 5:00 P.M. to act on the following subjects:

Article 1. To choose by non-partisan ballot a Moderator, a Clerk, a Treasurer, and two Auditors, each to serve one year, and two members of the School Board, each to serve three years. (Polls will open at 5:00 P.M. and will close no earlier than 10:00 P.M.)

NOTE: Articles 2 THROUGH 5 WILL NOT BE CONSIDERED UNTIL 8:00 P.M.

Article 2. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of statutory obligations of the District.

Article 3. To see if the District will vote to create a Cooperative School District Planning Committee consisting of three qualified voters of the District of whom at least one should be a member of the school board and to elect the members thereof or determine that they should be appointed by the moderator.

Article 4. To see if the District will vote to accept the provisions of Public Law 89-10, designed to improve educational opportunities with particular reference to children of low income families, and to appropriate such funds as may be made available to the District under said federal act for such particular projects as may be determined by the School Board. Further, to see if the District will authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

Article 5. To transact any other business that may legally come before the meeting.

Given under our hands and seals of said Orford this fifteenth day of February, 1977.

## ANNUAL REPORT OF THE PRINCIPAL

To the Citizens of Orford:

The school year 1975-76 was a busy and productive year from the description of the many projects started and completed since my last report.

The elementary and high school curriculums in language arts and mathematics were revised to provide a skills sequence for all grades. The skills sequence provides minimum skills for children to be learned in language arts and mathematics.

A new health curriculum was established in Grades 9-12 with a variety of electives and required courses. This program was completed after faculty, community and students discussed the needs in the health area.

This year there are eleven juniors and seniors attending Oxbow Vocational School. These students are taking courses in advanced vocational training areas that are not available at Orford High School. This program is funded in part by the State of New Hampshire.

The specialized learning program passed by the voters last year has been implemented with thirty-three (33) students involved in the program. Specialized services for learning for disabled students is now available with a complete staffing pattern for all grades.

The library services continue to expand the materials available to all students. Filmstrips, records, periodicals, and books available have more than doubled in the last two years of the new library program. The necessary equipment to show or listen to these A-V materials is also more available than previously. We have added a new sound filmstrip projector, multi-listening centers, filmstrip projectors and record players. Research materials are more available to the high school students. Our goal of 6,000 volumes in the library is now half achieved. We hope to continue improving the number available to provide a quality research materials center for our high school students.

A Kindergarten pre-screening program was initiated last spring. Mrs. Snyder, our Kindergarten teacher, met with the Kindergarten children and parents several times to determine the needs of those children entering Kindergarten in the fall of 1976.

A Federal grant for the establishment of an experimental energy project for \$3,000 was received for 1976-77. This project is known as Project Dome. The purpose of the project is to establish a wind-mill and greenhouse that will be operated on solar and wind energy. The students have done research, gone on field trips to Goddard College, and mini-trips to the Hanover-Norwich area. We hope the results of the project will provide the insights and needs for alternative energy.

Renovations and repairs remain a high priority. The buildings and classrooms are constantly surveyed for those needs of repairs, painting and renovation. Classrooms were painted in the Orfordville School and Academy building. The science room exhaust system was

## ORFORD PRINCIPAL'S REPORT - 2

renovated to provide a good exhaust for the use of chemicals in chemistry. The furnaces received an annual check.

The P. T. A. built a new playground for the Middle School and started construction of a tennis court. Both additions are greatly appreciated by the children in the school.

The Orford High School Class of 1976:

Ditha Eugenia Alonso

In conclusion, I would like to take the opportunity to thank the parents, citizens, teachers, school board, students, P. T. A., custodians, and our Superintendent Raymond G. Edwards and Assistant Superintendent Betty Phillips who have assisted me during this school year.

Sincerely,

WILLIAM J. ELLITHORPE, JR.

## ORFORD COMMUNITY HEALTH SERVICE

To the Citizens of Orford:

This past year, OCHS has continued to expand its efforts to offer public health care and counseling to all citizens of our town. One aspect of our program was to expand the Well-Child Clinics to include various screening tests for adults as well as children. Thus we re-named the clinic The Orford Community Clinic. The response has been slow, but we are in hopes that gradually more adults will come and acquaint themselves with the services we have to offer at the clinics. They are held on the third Thursday of each month either in Lyme (even months) or Orford (odd months). For more details you can call Mrs. Mattoon (353-4853) or any Board Member.

We are in the process of renegotiating our contract for Medicare billing with North Country Home Health Agency in Littleton in order to continue to have this service available to our elderly citizens.

Piermont is still contracting with OCHS for Public Health services. The arrangement seems to be most satisfactory for both towns.

Statistics for 1976 show that the number of nursing visits were "about the same as last year:

1. Number of Nursing Visits: 347 (of which 207 or 60% were to the elderly.)
2. Number of Children seen at clinics: 125 ( 101 physical examinations were done.)
3. Money received from patient visits: \$152.60
4. Money received from Medicare reimbursements: \$592.80

Your OCHS Board is continuously reviewing the programs the Agency sponsors in an effort to determine ways of improving and/or expanding them to fulfill the needs of the towns it serves. It is becoming increasingly evident that Public Health is going to play a much greater role in the delivery of medical care. This is because hospitalization is prohibitively expensive and hospital stays are shorter..... leaving more convalescent care to be done at home by families with the help of the public health nurse. But an even more compelling reason is that the medical community is finally beginning to realize that it is better medicine to spend more effort preventing health problems than to have to cure them. (It's also less expensive.)

Please call any Board member if you have any questions about OCHS or any suggestions you wish to make regarding our efforts.
