Report of Police Department

To the Honorable Board of Selectmen and the Voters of Winchester. I herewith submit my report from January 1, 1972 through December 31, 1972.

Your police department has experienced a most fruitful year. The late night shift has proven to work very well since officers have been able to catch crimes in progress and have prevented many more, merely by being seen.

Your town also has had a fatal-free year on our highways.

Much success has been primarily due to the helpful calls received. They have been much appreciated and we hope you will continue to call 239-4814 or 352-1100.

A summary of investigations made by your department during the year are as follows:

Abandoned cars	11	Fraud by checks	4
Arrests		Horse complaints	3
(a) Motor Vehicle	87	Investigation of other departments	21
(b) Misdemeanor	16	Juvenile cases	23
(c) Felony	21	Larceny	31

WINCHESTER DISTRICT NURSING ASSOCIATION PRESIDENT'S REPORT

This past year has seen successful growth in our association. Contracts have been renewed with the Physical and Speech Therapists. State and Medicare surveys were conducted. Standards and qualifications must be met in order to be eligible for Medicare, as in the past, our rating is considered high by both state and Blue Cross.

In addition to service offered in the past, we have agreed to let the nurse make ambulance calls if available. Also a Dental Clinic is being formulated for pre school children. The Dental Clinic will be for all towns: Winchester, Ashuelot, Richmond and Swanzey. This will begin after March 1, 1973.

On July 1, 1972 we contracted nursing services to Swanzey. Mrs. Priscilla Gloeckler was hired on August 1. Swanzey being a large area, we felt it was too much for our nurse who was covering Winchester, Ashuelot and Richmond.

I wish to thank all the members of the board, our nurses, Nancy Symington and Priscilla Gloeckler, office clerk, Virginia Felch, Town Officials and each and every one who contributed their efforts in any way.

Respectfully submitted,
GENEVIEVE GIROUARD, Pres.

The Nurse attended a Well Baby clinic in Gilsum and also the Crippled Children's Clinic in Keene, which is held at the Elliot Community Hospital monthly, except through the summer months. Lectures given by Drs. Gilbert Fuld and Charles McMurphy, both Pediatricians, were attended. The subject matter was "Child Care and Development" and "Child Abuse", respectively. Conferences were held with the State Public Health Nurse at four different times and proved very helpful. Mrs. Shirley Kendall of the Home Extension Services visited with the nurse and a discussion of a nutrition and cooking class was held. It is hoped to involve local women in the area in a program to improve family nutrition and teach practical use of economical foods.

Immunization Clinics were held October 19 and December 14, one in Swanzey Center and one in West Swanzey. The total attendance for both clinics was 32 children. These clinics will be continued every other month and it is hoped that the families of the Swanzey area will take advantage of the free immunizations offered for their pre-school children.

Newborn visits are made upon the Nursing Office receiving the health department referral copy of the birth certificate. Apparently many of the young families move between the time of birth and the nurse's call as several have not been located.

A pre-school dental clinic is being formulated for early in 1973, to be held in Winchester, whereby a dental hygeinist will clean the teeth and apply topical fluoride, along with a teaching program on how to prevent tooth decay. There is a minimal charge of \$2.75 per child treated.

In closing I wish to thank the people who so willingly gave of their time to assist in the clinics and in many other ways to have an active service of nursing available to the residents of the Swanzeys.

Respectfully submitted,
PRISCILLA S. GLOECKLER
Swanzey District Nurse

Addenda

As the Dist. Nursing Asn., Inc. of Winchester, serving the Swanzey area is under the Medicare Program, the services of a Physical and Speech therapist are available to treat homebound patients. The P.T. was used for a patient in Swanzey with very satisfactory results.

Activities, this year, have been focused on raising money to have the historic Henry Pratt organ restored. This organ was made in Winchester, completed in 1799 and was used in the Congregational and Universalist churches. In 1903 it ceased to be of any use and was placed in the upstairs rooms at the library. Several years ago we had it dismantled and moved to the large front room where the outside was reassembled and the pipes packed away. Many people come to see it and now we have decided to restore it to playing condition. One thousand dollars given us for the restoration of the upstairs rooms, has been set aside for the organ. We held a lawn sale last summer — sale of food, books, snack table and flea market. This netted \$400. Later, we had Mickey Byrne make a sketch of the organ, Don Clough transferred it to notepaper and this is now on sale. Dick Boutwell of Richmond gave an organ recital at his home in December as a contribution to the fund. As the weather was inclement that evening there was a small attendance. Dick has offered to repeat this later in the spring.

The "Adventure Time" program got off to a start in September. This is a Federally funded cooperative program with Richmond, Center Swanzey, West Swanzey, Troy and Marlboro as the administering library. It is a story-hour for children ages 5-9, held on Saturday mornings from 10:30 to 11:30. It consists of stories, filmstrips, crafts, records, cassettes and movies. Its aim is to promote understanding and appreciation for the fine arts through the varied media.

We purchased a 3-M Copy-Mite machine this year and have added new shelving to the adult reading and reference room. Also a new cabinet has been made for storing equipment.

The insurance program has been revised and put into effect.

I would like to remind everyone to be alert for items pertaining to Winchester history — pictures of people, houses, scenes, clippings, costumes, furniture or what have you. We need a variety to make our historical department not only an interesting place to visit but to preserve any existing items.

I would like to thank everyone who has helped to contribute to our cause in any way. We appreciate your continued interest and generosity.

EDITH W. ATKINS

DIRECTOR OF RECREATION

E. L. M. COMMUNITY CENTER, WINCHESTER, N. H.

Report For The Year 1972

1. The Year 1972 was a sad year for many of us as we lost our Senior Citizens Director, Mrs. Ruth Coffin, on March 16, 1972. On September 23, 1972 a plaque was dedicated to the memory of Mrs. Coffin and hung in the large room of the house building.
2. The Senior Citizens elected officers and a governing Board of Directors, who drew up a Constitution and a set of by laws. The year ended with 114 members.
3. The Senior Citizens rose to the task of organizing a program which included monthly programs, two bus trips, card parties, rug braiding, bird watching, etc. With Contributions from area people and three lawn sales they raised enough money to purchase a new kiln.
4. A scholarship committee was appointed, to be known as the Ruth Coffin Scholarship Committee. \$150 were put into the fund from the Senior Citizens Treasury making a total in the fund of \$222.00.
5. I wish to thank all the coaches of the Little League, Pee Wee League, and the Men's Softball who gave of their time and helped to promote a successful baseball season for our youth and young men.
6. Our Day Camp season was the best yet. We had a total of 30 High school students working, 20 paid for thru Neighborhood Youth Corps. Mr. Rosoff, Thayer High School Music Teacher, gave free music lessons during the summer, and Mrs. Perrin, Winchester Elementary School Teacher, gave free reading lessons twice a week during the Day Camp Program. Mr. Clairmont, Red Cross W.S.I. headed up the water front program.
6. Miss Hertzfeld was playground director. Three Staff Outings were held, which were enjoyed immensely.
7. The Teen Canteen has been very well attended and is open three nights a week. A new shuffle board has been added to the list of activities. Dances are held on an every-other-week basis. A new Teen Age Bowling League (co-ed) is held on Saturday nights.
8. A Grammar School Christmas Bowling Tournament was held with eight teams participating. It was a great success.
9. Many thanks to Mr. Mc Namara, Principal of Thayer High, and Mr. Lindgren, Principal of the Winchester Elementary School, for announcing my programs for me.
10. A very special thanks to the many town citizens, department heads, town officials, and Trustees of the Community Center who have worked with me to make 1972 a successful year.

Yours for recreation

**Report of an Audit and Examination
of the Accounts of the Town of Winchester**

For The Fiscal Year Ended December 31, 1972

Winchester, New Hampshire
February 5, 1973

Board of Selectmen
Town of Winchester, New Hampshire

Gentlemen:

SCOPE OF AUDIT

We have included in our audit and examination the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Town Beach Treasurer, Fire Department, Library Treasurer, Ambulance Service, and Trustees of Trust Funds.

AUDIT PROCEDURE

The Audit procedure included comparing vouchers and cancelled checks with supporting invoices and payrolls, as well as entires in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank statements obtained from depository banks. Uncollected taxes were verified by mailing notices to delinquent taxpayers, as indicated by the Tax Collectors records.

CERTIFICATION OF AUDIT

This is to certify that we have examined and audited the accounts and records of The Town of Winchester, New Hampshire, for the fiscal year ended December 31, 1972, and have found them to be in good order except as noted. To the best of our knowledge and belief the financial statements and summaries reflect the true financial condition of the town for the period under review. We wish to extend our thanks to all the officials of the Town of Winchester for their assistance and cooperation during the course of the Audit.

Very truly yours,

Richard L. Bennett

Elizabeth Ladd

Grace Nichols

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

(Tentative)

To the inhabitants of the school district in the town of Winchester qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the fourteenth day of April, 1973, at 1:00 o'clock in the afternoon to bring in your votes for the election of the following officials:

I. A moderator for the ensuing year.

A clerk for the ensuing year.

A member of the school board for the ensuing three years.

A treasurer for the ensuing year.

Two auditors for the ensuing year.

Polls open at 1:00 P.M. on April 14, 1973, and close not earlier than 4:00 P.M. on April 14, 1973.

You are further notified to meet at 2:00 P.M. on April 14, 1973, at the Town Hall to act upon the following subjects:

II. To see what sum of money the district will raise and appropriate for the purpose of erecting a gymnasium addition to the present Thayer School building and for reconstructing or altering the present Thayer School building for the same purpose and for the further purpose of furnishing the same with equipment of a lasting character and in order to provide funds for such purposes, to authorize the School Board to issue and sell notes or bond in the name of and on the credit of the district under and in accordance with the Municipal Finance Act and any amendments thereto; and to delegate to the School Board authority to fix the date, maturities, denominations, the interest rate, or discount rate in the case of notes, and to provide for the sale thereof, and to take such other action in respect thereto as may be necessary or advisable, all in accordance with the laws of the State of New Hampshire.

III. To see if the district will authorize the School Board to execute any and all contracts or agreements necessary or advisable in connection with the construction of a gymnasium addition to the present Thayer School building and for reconstructing or altering the present Thayer School building and in connection with furnishing the same with equipment of a lasting character, or take any action thereon.

IV. To see what sum of money the district will raise and appropriate for the purpose of paying the principal and interest during the 1973-74 fiscal year of the district on notes or bonds issued for the purpose of providing funds to construct a gymnasium addition to the present Thayer School building and for reconstructing or altering the present Thayer School building and in connection with furnishing the same with equipment of a lasting character, or take any action thereon.

V. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the district.

VI. To receive the reports of agents, auditors, committees, or officers chosen, and pass any vote relate thereto.

VII. To see if the district will vote to authorize the School Board to apply for, to accept, and to extend on behalf of the district, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

Given under our hand at said Winchester this 14th day of March, 1973.

Administrators' Report

The school principals' office and the superintendents' office have again joined together in providing this report to the patrons of our schools. Completeness of the report is not claimed. Those wishing to consider other aspects of the school system or examine in greater detail any item included in this report, are encouraged to make inquiries.

ELEMENTARY SCHOOL

ENROLLMENT

The Winchester Elementary School continues to be one of the larger elementary schools in the state in terms of pupil population with a current enrollment of 477 children. This number includes 63 children who entered in the kindergarten that the school district provides for the children.

STAFF

Our staff has three new members this year, bringing the total number of teachers to 20. They are as follows: Mrs. Mary D. Cobb, Grade 4; Mrs. Madeline E. Coutts, Grade 2; Mrs. Patricia P. Durling, Grade 1; Mrs. Paula K. Flemming, Grade 1; Mr. Keith C. Frasher, Grade 5; Mrs. Christie M. Jamieson, Grade 3; Mrs. Brenda Kelly, Reading Supervisor; Miss Eileen M. Kindl, Kindergarten; Miss Judith A. Kinsinger, Kindergarten; Mr. William T. Konzal, Grade 6; Mrs. Marjory E. Newall, Grade 3; Mr. Henry A. L. Parkhurst, Special Education; Mrs. Ruby E. Perrin, Grade 2; Mrs. Nancy A. Pindell, Grade 4; Mrs. Kathleen Rokes, Grade 3; Mr. Edwin A. Stevens, Grade 6; Mrs. Rosanne T. Stevens, Grade 5; Mrs. Janet R. Stohr, Grade 1; Mrs. Joan C. Swett, Grade 2; Mrs. Marion L. Tacy, Grade 4.

PSYCHOLOGICAL SERVICES

We are exceedingly fortunate again this year to have the services of Dr. F. Howard Buss as the psychologist for the School District. We are still employing the "Psychological Team" approach at the elementary school. The team has changed slightly, with the addition of the reading supervisor, Mrs. Brenda Kelly. She joins the school nurse, the classroom teacher, special education teacher, psychologist, and the principal as members of the team. Students with particular needs are discussed at these teams meetings with follow-up accomplished as prescribed. So far this year, we have handled approximately 6 student referrals per week.

LEARNING CENTER

The Learning Center, under the direction of Mr. Henry A. L. Parkhurst has broadened its scope even more this year. Mr. Parkhurst has more children involved in activities in the center than ever before. Children are now sent to Mr. Parkhurst for vast numbers of reasons, ranging from thera-

peutic needs to simply having fun. This program has become very effective for the students.

SPEECH AND LANGUAGE ARTS

Miss Donna Jacobs, speech therapist, has returned again to the Elementary School to help those students with speech impediments. She is currently working with 23 children at the school in an effort to help them overcome their difficulties. She is assisted in her work by Mrs. Jeannette Ryan, a recent graduate from Keene State College, who works as her aide.

Our Language Arts program is co-ordinated by Mrs. Valerie Cole, a resident from Winchester, and graduate of the University of Massachusetts. Her role is varied, with many different aspects involved in her daily work. She has been a vital asset to the school, however, and her presence is greatly appreciated.

HEALTH SERVICES

Mrs. Carol H. Parkman, R. N. reports that she has averaged 250 visits to the health office per month. In addition to her duties as school nurse, she has worked with the Winchester District Nursing Association and participated in their clinics, taking approximately 75 children to each clinic.

DENTAL PROGRAM

The elementary school has embarked on two unique programs this year to help the children in the care of their teeth. Working in close cooperation with the Winchester P.T.S.A., a large number of children had their teeth cleaned and mouths checked by a registered Dental Hygienist during the fall.

Working in harmony with the local dentist, Dr. White, the school has begun to work in the field of Dental Education. In a pilot program that involves Mrs. Coutts, and Mrs. Stevens, proper care and maintenance of the teeth are being stressed in the classroom.

INTERDISCIPLINARY TEAM

Working under the direction of Mr. Konzal and Mr. Stevens, the fifth and sixth grade students at the elementary school are involved in a pilot program that features the team approach to teaching children. The success of the program as felt by teachers, students, parents, and administrators has led to the continuation of the program for next year. Mrs. Salce, and Mrs. Puffer have been hired as teaching assistants to help in the program.

HIGH SCHOOL

ENROLLMENT

Enrollment for the school year 1972-73 as of December 31, 1972 is as follows:

Grade 12 — 43	Grade 9 — 46
Grade 11 — 39	Grade 8 — 63
Grade 10 — 54	Grade 7 — 69

STAFF

The faculty changes this year were as follows: Mrs. Hanrahan replaced Mr. Stephen Gray in the science department; Mr. Walter Polt replaced Mrs. Nancy Stanley as Guidance Counselor; and Mr. Paul LaPointe has been added to the staff as English teacher and basketball coach.

FACILITIES

We are very much in need of more space in order to improve our curriculum. The needed space for music, art, and shop greatly handicap our growth in these areas. The ever increasing need for a gymnasium is of utmost importance. We are the only school that I know of in the state that doesn't have a gym and physical education program. We are neglecting our children and depriving them of a very important and worthwhile part of this school life.

GRADUATES

Graduation exercises were held on June 16, 1972, with Dr. John Cunningham of Keene State College giving the address. The class roll was as follows:

*Ronald Baker	*Jalna Laraway
David Bigelow	Judith MacCracken
Debra Bigelow	Lorraine Mason
Kirk Bigelow	John Needham
Joyce Calkins	Sharee Nelson
Susan Calkins	*Ann O'Connor

GUIDANCE

The bulk of the guidance counselor's energies are given to developing relationships with the students. In these relationships he encourages them to see and accept responsibility for their lives, whether in day-to-day development and planning or in times of special stress. He helps them to talk through problems and think for themselves; find information about work or college; plan their high school schedules; and use the human resources (teachers, books, other students) available to them within the school.

Resources outside the school are used by the counselor for consultation and direct interchange with students. Some that have been used are these: the school psychologist; Vocational Rehabilitation; Department of Welfare; college, vocational school, and military representatives; Department of Employment Security; special schools (Crotched Mountain Training School); local and state guidance organizations.

The counselor confers with and helps students to communicate with people significant in their lives, such as parents, teachers, school administration.

The counselor's group work includes meetings with all 7th and 8th grade students (eight groups, seen each week) to help them in their critical time of adjustment and development. He meets also with groups having special needs, such as college-bound students at the various levels, students interested in similar careers, or students sharing common problems.

Testing has included the National Educational Development Test for freshmen and sophomores, the Preliminary Scholastic Aptitude Test for juniors and seniors, the Scholastic Aptitude Test for senior, the Armed Services Vocational Aptitude Battery for seniors, and individual testing as needed. The counselor is responsible for both giving the tests and making the results useful to the students through group and individual conferences.

INDUSTRIAL ARTS

This school year (1972-1973) has seen more boys and girls enrolled in Industrial Arts than in the past years. Student response to the program has been good.

The Junior High School program is still being improved and refined to meet the needs of today's youngsters. Additional hand tools were added to the program this year.

With the help of Mr. Caron, student teacher from Keene State College, the high school general metals and drafting classes are receiving additional instruction in the form of team teaching. Mr. Caron is also working with the junior high school classes.

In the senior electricity class most of the students have just completed volt-ohm meter kits, which has given them practical experience working with small electronic parts. Many of the seniors have shown a great deal of interest in larger electronic projects because of this experience.

The Industrial Arts classes would like to thank Markem Machine Company of Keene for their thoughtfulness in giving us over seven hundred dollars worth of free turning metal. Some of this material has already been put to good use.

MUSIC

This year the band has performed in the following parades: In Winchester, the Memorial Day Parade, the V.F.W. Fiftieth Convention Parade, the Halloween Day Parade, and the Veteran's Day Parade. Other parades were in Brattleboro and Keene for Firemen's Musters.

Last April the music department coordinated with the National Honor Society in presenting a variety show for scholarship. The newly formed stage band and the chorus participated in the program.

Concerts presented by the music department this year included the Spring Pops Concert and the Christmas Concert. This year's Christmas Concert included the Junior High Chorus. The band and chorus performed in open rehearsals for the elementary school. The chorus again presented a Christmas program for the Winchester Senior Citizens at the Community Center.

The band and chorus also participated in the June Baccalaureate and Graduation exercises.

New programs added to the music program this year include a Junior High Chorus with twenty-eight members and seventh grade Beginning Band with seventeen members. The junior high general music classes have been broken down from four large sections to seven smaller ones.

Nine chorus members tried out for All-State Chorus in Manchester. Of these members, Janice Hull and Kathy Koch were chosen to represent the school at the 1973 All-State in April at Durham. Janice Hull represented the school at the 1972 All-State at Keene last year. Kathy Henderson received the Women's Civic Club's scholarship for the summer music program at the University of New Hampshire.

At the elementary school this year there is a new Beginning Band with twenty-two members. An elementary chorus has also been started. Mrs. Tacy's and Mrs. Cobb's fourth grades presented a Christmas music program for the elementary school.

EDUCATIONAL NEEDS

It is easy to emphasize the increase in enrollment, number of classrooms, size of staff, budget — and forget that these are means not ends. It would seem that the improvement of the quality of education should demand at least as much emphasis as the tabulation of quality.

There are a number of programs which require financial support over and above that required for typical schools if we are to have quality education. Programs that require specially trained instructors, special equipment, supplementary materials, individually designed curriculums, and even specially designed classrooms cost more than the basic elementary and secondary programs provided by most school districts. What are some of our educational needs?

Approximately eight per cent of the total school population require special programs to assist in overcoming physical, mental, or emotional handicaps. Children in these categories have needs which require that they be taught by teachers with special knowledge and skills using special materials and equipment. While we are proud of the special education program in our elementary school, a similar program for older children is needed at the secondary level.

In an expanding technological society the necessity for youngsters to develop vocational competence is more urgent. Programs need to be designed to help young people evaluate their own aptitudes, interests, and abilities as they relate to occupational opportunities in our area. Greater knowledge and skill in consumer and environmental education is required by the effective citizen.

Children with serious learning problems, emotional difficulties, and social maladjustments require tutorial and remedial educational assistance. Some may require institutional care. Programs are needed to deal with victims of impoverishment, delinquents, school dropouts, unmarried pregnant

girls, and those who are disoriented and disorganized that they cannot function in the regular classroom environment.

EDUCATIONAL EQUALITY

The dollar is certainly not the only requirement for equality in education. On the other hand, one seldom finds superior quality at a low cost. The most serious aspect of the problem of financing public schools is not one of indifference, but rather inability. By the accident of birth, a child may receive a superior education in an affluent community or be short-changed in a poverty-stricken community. That the life possibilities of children should depend upon circumstances beyond their control and that their educational opportunities should be determined by the resources which are available in the place where they live, is grossly unfair.

Correcting these gross inequities will require that public school financing take a drastically different form. Current tax methods urgently need restructuring and while federal, state, and local districts all have appropriate roles to play in providing public education, decisions concerning education should always be made by the lowest level of government that can efficiently make the decision.

Our citizens agree that every child should have the opportunity for a good education but we must stop perpetuating the myth that universal education and equal education are synonymous. The time has come to seek new directions in the process of raising and allocating revenues if we are to achieve the goal of equality in education.
