TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Sunapee in the County of Sullivan in said State, qualified to vote in Town affairs:

You are hereby notified to meet at I. O. O. F. Hall in said Sunapee on Tuesday, the Ninth day of March next, at Ten of the clock in the forenoon, to act upon the following subjects:

Art. 1 To elect a Town Clerk for the year ensuing.

Art. 2 To hear the reports of the Town Treasurer, Board of Selectmen, Water Commissioners, Auditors, Agents and Committees or other Officers heretofore chosen and pass any vote relating thereto.

Art. 3 To elect one Selectman for three years and all other necessary Town Officers for the year ensuing.

Art. 4 To see what sum of money the Town will raise to pay the outstanding debts and interest on its notes and bonds and pass any vote relating thereto.

Art. 5 To see what sum of money the Town will raise to defray Town Charges for the year ensuing and pass any vote relating thereto.

Art. 6 To see what sum of money the Town will raise to repair highways and bridges for the year ensuing and pass any vote relating thereto.

Art. 7 To see if the Town will vote to appropriate the sum of Sixteen Thousand Dollars for Highway construction, new road, "Coonley's to Georges Mills" the rate of interest not to exceed $4\frac{1}{2}$ per cent and to borrow said sum of Sixteen Thousand Dollars and issue the obligations of the Town'in the form of serial bonds to the amount of Sixteen Thousand Dollars to be signed by the Selectmen and Town Treasurer in accordance with Chapter 129 of the session laws of 1917 and the municipal bonds act of 1895 as amended by said Chapter 129 and pass any vote relating thereto.

Art. 8 To see if the Town will raise Six Thousand Two Hundred Fifty Dollars, (\$6,250 00) (the State to give a like amount,) to maintain its Trunkline Highways and pass any vote relating thereto.

Art. 9 To see if the Town will raise Two Hundred Dollars (\$200 00) (the State to give a like amount) to maintain its State Aid Highway and pass any vote relating thereto.

Art. 10 To see if the Town will raise Five Thousand Dollars, (\$5,000 00) the State to give Five Thousand Dollars (\$5,000 00) for Trunk Line Construction on the Sunapee Lake Road and pass any vote relating thereto.

Art. 11 To see if the Town will vote to accept the Provisions of Chapter 117, Laws of 1917, on a section of the Sunapee Lake road so called, and appropriate, or set aside from the amount raised for highway work the sum of Two Hundred Dollars (\$200 00) for this purpose.

Art. 12 To see if the Town will vote to raise the sum of Five Hundred Dollars (\$500 00) to improve the road leading to the new club house on North Point so called, and pass any vote relating thereto.

Art. 13 To see what sum of money the Town will raise for electric lights and pass any vote relating thereto.

Art. 14 To see what sum of money the Town will raise to maintain its Fire Department and pass any vote relating thereto.

Art. 15 To see what sum of money the Town will raise for the maintenance of its Public Library and pass any vote relating thereto.

Art. 16 To see what action the Town will take in regard to the purchase of the Dewey Woods so called, raise or appropriate money for the same and pass any vote relating thereto.

Art. 17 'To see what sum of money the Town will

raise for the support of the District Nurse and pass any vote relating thereto.

Art. 18 To see if the Town will vote to discontinue the road from George F. Colby's driveway to Charles Boyce's corner.

Art. 19 To see what sum of money the Town will raise for the care of its Cemeteries and pass any vote relating thereto.

Art. 20 To see if the Town will vote to co-operate with the Town of New London and Newbury, to advertise Lake Sunapee, each Town to raise or appropriate the sum of Three Hundred Dollars, (\$300 00) for this purpose and pass any vote relating thereto.

Art. 21 To see if the Town will vote to instruct the Water Commissioners to install a clorination device at the pumping station for the purpose of making more safe the Town water supply for domestic use.

Art. 22 To see what sum of money the Town will vote to raise to continue permanent Sidewalk construction in the center of the Town and repairs for the Sidewalk at Georges Mills and pass any vote relating thereto.

Art. 23 To see what sum of money the Town will vote to raise to co-operate with the State in the control of the White Pine Blister Rust and pass any vote relating thereto.

Art. 24 To see if the Town will vote to buy the Beacon now installed at Duling's Corner so called, raise and appropriate money for the same and pass any vote relating thereto.

Art. 24 To see if the Town will vote to License Junk Dealers and pass any vote relating thereto.

Art. 25 To see if the Town will vote to discontinue the cross road between the Information Bureau and the Town Library and pass any vote relating thereto.

Art. 26 To see if the Town will instruct its Selectmen to hire money on the anticipation of taxes and pass any vote relating thereto.

Art. 27 To see what sum of money the Town will

raise for the observance of Old Home Week and pass any vote relating thereto.

Art. 28 To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-second day of February, in the year of our Lord nineteen hundred and twenty-six.

> FRANK M. HARDING, ALVAH F. YOUNG, MURVIN A. BAILEY, Selectmen of Sunapee.

A true copy of Warrant—Attest:

FRANK M. HARDING, ALVAH F. YOUNG, MURVIN A. BAILEY, Selectmen of Sunapee.

REPORT OF WATER COMMISSIONERS

Water System Investm Water rents collected 1 Water rents collected 1	925	\$52,000	00	\$4,005 84	
Total Rentals due 1925		\$227		\$4,089	65
Rentals due 1924 Rentals due 1923 Paid for expense and re	enairs	149	•••	\$4,140	20
Deficit 1925	epans			\$50	55

Respectfully submitted,

FRED M. SARGENT, KARL L. GROVER, FRANK M. HOLMES,

Water Commissioners.

The following is a list of water takers who are in arrears for service furnished in 1925:

Horace A. Brown \$ 5	3 00
Vic Chambers 4	1 00
Charles F. Morgan 4	1 00
Henry R. Cooper	1 00
Mrs. A. C. Burbank	1 50
Verto Collins	3 00
Delbert A. Davis	2 70
Mrs. L. A. B. Dodge 10	00
Charles H. Muzzey	50
Arthur R. Randall	3 00
Inez Russell	3 00
Charles L. Russell 10) 25
Mrs. Thomas Davis	2 00
Earl Temple	5 50
F. C. Henderson 12	2 00
Thomas O. Parker 9	00

Harry A. Kathan	· 35	00
Arthur C. Slade	58	00
Edmund L. Smiley	20	00
Z. Stepanian	15	00
Sidney Bickford	. 4	50

The above bills are now over due and the parties are requested to make prompt payment to the collector.

By a vote of the Town of Sunapee all water service is to be discontinued when takers are six months in arrears.

The collector is under bonds to collect the above amounts, and if not promptly paid he will be forced to collect same according to law, and by so doing it will make an extra charge to be added to the bill.

Why not pay your water bills when due and save all inconvenience and extra costs?

Collector.

AUDITORS' REPORT

Sunapee, N. H., Feb. 15, 1926

We, the Auditors of the Town of Sunapee, do hereby certify that we have examined the accounts of the Selectmen and other Town Officers and find them correctly cast and properly vouched.

> LEO L. OSBORNE, GEORGE E. GARDNER, MOTT M. WIGGINS,

Auditors

BOARD OF HEALTH REPORT

Scarlet fever developed, in the early spring, in two families with no spreading of the disease both families being quarantined and the homes disinfected. Sixty cases of measles were recorded and no bad results reported. Our lake water for domestic use has not shown satisfactory analysis during the summer months and we are strongly urged, and may be required, to clorinate the supply especially during the summer months. We are told that the cost of a clorinating devise installed will cost eight hundred dollars and the cost of clorinating will be about five cents per day and will not in the least impair the quality of the water to taste but will make it absolutely safe for drinking purposes.

ALBERT D. FELCH, Health Officer.

SUNAPEE MUNICIPAL COURT

Fourteen respondents have been brought before the Municipal Court during the year. It may not be generally known that all fines imposed for violation of the Automobile laws, Fish and Game laws and the 18th amendment go to the several state departments unless in a few cases to the County. Let us hope for a repeal of these laws to the extent that the towns that prosecute, at their expense, violations of these laws may share in the fines collected.

> ALBERT D. FELCH, Judge, Sunapee Municipal Court

REPORT OF FIRE ENGINEERS

The property of the Fire Department is in as good condition as in past years.

We have had no serious fires during the past year.

The Department has answered four Bell Alarms and attended to seven Stills for chimney fires with a loss of about \$200.

Respectfully submitted.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of Sunapee qualified to vote in district affairs.

You are hereby notified to meet at the Center School in said district on Saturday, the 6th day of March, 1926, at two o'clock in the afternoon, to act upon the following subjects:

Art. 1 To choose a Moderator for the ensuing year.

Art. 2 To choose a Clerk for the ensuing year.

Art. 3 To choose a member of the School Board for the ensuing three years.

Art. 4 To choose a Treasurer for the ensuing year.

Art. 5 To shoose one or more Auditors, and such other Officers and Agents as the voters may judge necessary.

Art. 6 To hear and act upon the reports of the School Board, Treasurer, Auditor and Committees heretofore chosen.

Art. 7 To see if the District will vote to make any alterations in the report of the School Board, recommending the amount of money required for the support of schools and payment of statutory obligations as shown by the accompanying budget, calling for \$20,518.00, raise and appropriate money for the same and take any vote relating thereto.

Art. 8 To transact any other business that may legally come before said meeting.

Given under our hands and seals this nineteenth day of February, nineteen hundred and twenty-six.

> HATTIE M. SMITH, PEARL M. PERKINS, JOHN E. FISHER,

School Board of Sunapee.

A true copy—Attest:

HATTIE M. SMITH, PEARL M. PERKINS,

JOHN E. FISHER.

School Board of Sunapee.

REPORT OF THE SCHOOL BOARD

Last year our one graduate, Charles Leone, was from the Agricultural Department of our High School. The address of the evening was by the Rev. E. L. Smiley of Baldwinsville, Mass. The present year Mr. Leone is employed on the farm of Frank M. Harding and plans to attend the University of New Hampshire next year. There are five pupils in our senior class and eight in the junior class at the present time.

Most of the items about which we usually speak are touched upon in the more complete reports of Superintendent Morrill and Headmaster Higgins. We do however wish to call the attention of parents to the opportunity of having their children supplement their noon lunch at the school with a hot dish of soup, cocoa or chowder served at cost or less. The present price being three cents.

We submit herewith the budget for the School District for next year in which we have allowed for slight increases in teachers' salaries, a new heating apparatus at Georges Mills, a new floor and a woodshed at the Collins School.

Administration:

1.	Salaries of District Officers	\$ 275	00
2.	Superintendent's excess salary	375	00
4.	Expense of administration	. 100	00
instru	action:		
5.	Salaries	\$13,078	00
6.	Text books	400	00
	Scholars' supplies	400	00

SCHOOL DEPARTMENT

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Sunapee:

I believe the past year has been one of unusual progress in the Educational Program of Sunapee. This progress is due in no small measure to the very helpful attitude of the citizens, ably backed by a progressive School Board. I have never worked in a town where more wholesome assistance is given in the support of Education than in Sunapee. Nothing seems to obstruct the real aim of the educational program—the education of the children.

The program of Education was greatly enhanced at the beginning of this year by a very capable and enthusiastic corps of instructors. Mr. Higgins has entered upon his work with unusual vision. He has attended strictly to the details of organizing his school. In doing this he has made great progress in developing a school spirit. Every one in the school is pulling for a common aim—Sunapee High School. The enrollment and attendance at the school show increased interest. The faculty is beginning to depend on his able leadership and to feel a common interest in the school's progress.

Sunapee may well congratulate itself on being able to attract and hold such a capable corps of instructors as it has this year. Probably no investment pays better dividends in the long run than money invested in education, as it pours forth its product of trained citizens. The leaders of the world today are coming from the small hamlets and villages. With superior training from the entrance of school to high school graduation, Sunapee will continue in ever increasing measure to supply capable leaders in the various vocations. With no weak link in the chain of grades all the possibilities and capabilities will be developed to their fullest extent and to the limit of their capacities.

The establishment of the fifth and sixth grade room under a single teacher has helped greatly in the administration of the high school and the morale of these grades. In last year's report I commented on the grouping of the third and fourth grades in a room under one teacher. This year's progress has completed the ideal arrangement for the school. I am sure you may expect increasing efficiency with this completed pupil-grouping within the building.

It was Mr. Higgins' vision which suggested supplying two badly needed extra recitation rooms in the building. These have added greatly toward making a satisfactory working program for the high school. The upstairs hall room is used most of the time for Miss Pasquill's English and French classes. The downstairs room is used almost exclusively for Mr. Higgins' classes in Agriculture.

The laboratory was remodeled during the year to furnish a home room for the Juniors and Seniors. Lighting facilities were greatly improved by painting and modern lights.

During the early fall the problem of the school Course of Study was revised with the assistance of State Deputy Commissioner of Education, Walter M. May. During an afternoon conference on Aug. 22, the School board, Mr. May, Mr. Higgins, and myself entered into all the details of revising the Curriculums of the school. It was agreed that whenever a high school pupil selected a course to pursue after advising with the headmaster and parents, all parties concerned signing the agreement, that no pupil should be permitted to change the Course without the mutual understanding of all parties concerned. This means a great deal to all concerned.

When a pupil finishes his work at the school, either at Graduation or previously, it should be along definite lines with credits which are approved by the State University, other colleges, Normal Schools, or other institutions or vocations for which the pupil thinks he is being prepared. Such has not always been the case in the past and has led to some very disappointing situations. With the printed Courses of Study from which to choose and the agreement blanks no one should be uninformed on the situation. I feel that this arrangement will be a long step in the right direction of definite results for our schools.

The Rural Schools

Some worthy improvements have been made at the George's Mills schoolhouse during the year. The new ceiling and new seats have added greatly to the comfort of the room. The higher grades now have modern desks. The lower grade section should be likewise supplied with the same kind of seats during the next year. I feel that Miss Dodge is industriously and efficiently attacking the problems of pupil-progress at this school. If the pupils can be as well taught through a term of years, they will reap the benefit of well planned, scholarly direction.

We are especially fortunate to have Miss Eliasson at the Collins School this year. She has many admirable qualities which make for thoroughness in many lines. All these lines become real helpful assets in the lives of pupils after they leave school. The schoolroom and teacher are always a model of neatness, set before the children. The work is always presented in a methodical way which shows a well thought-out plan. She has by example taught courtesy to the children. Her personal interest in every child has taught them consideration for their school mates and the rights of others.

Although the enrollement in our schools is not large, yet I feel that the citizens of Sunapee and its School Board may well feel proud of the business-like and thoroughgoing way in which they are providing educational facilities for its pupils. Surely no town in the State is doing more.

I would be remiss in my duty if I did not take opportunity to express my own gratitude to all who have made my duties as Superintendent of Schools in Sunapee so pleasant by your approval of whatever suggestions I may have made for improving our schools.

Respectfully submitted,

TRUE C. MORRILL, Superintendent of Schools. 1926

HEADMASTER'S REPORT

School Board of Sunapee.

To the Superintendent of Schools:

I personally feel that the Sunapee Schools have made a progressive effort toward maintaining a high scholastic and social standing during the first half of the year. Your co-operation and that of the school board have aided us, the teachers, in many ways. I feel that there is more wholesome interest and public understanding of the status of the school than there is in the majority of the towns in the state.

It has been my aim here this year, to organize the school, not only as a scholastic center wholly, but also as a social center. In order that our boys and girls may be successful in life, they must not only be good students, but they must be good mixers and managers. Also, in order to keep them interested in their school work, they must be given responsibility and allowed to enjoy the benefits of activities connected with school life.

It is interesting to note that of all those that remained in Town after being promoted to the High School, all started in as Freshmen. Of the thirty-two that started in high school last fall, none have dropped out at this date. This is without doubt a fine record to strive for and maintain. In the Junior High School there were registered thirty pupils at the beginning of school. One dropped out for good and another left to attend school elsewhere. Recently a new pupil joined the eighth grade so there are now registered twenty-nine.

In order to be on an equal standing with the secondary schools of the state, the passing grade was raised from 60 to 70 at the beginning of the school year. If a pupil cannot make that grade in any one subject he or she must repeat the work in that subject until an average of 70 can be obtained. There will be no conditions granted in the high school. It is necessary that we pull the strings tight in order to hold our standing with the State Board of Education and the entrance requirements of the various colleges and schools above secondary grade. The failure of any graduate in college is a reflection on his or her preparatory school.

I feel that the teachers in Sunapee are doing a fine piece of work, not only in the classroom, but also outside. They are far above the average instructors found in small communities and I congratulate the town on their efforts made in holding strong teachers. I furthermore wish to thank the teachers for the cooperation that they have given me to date. A smooth running machine internally always shows up externally.

As regards the future I believe that we all should look ahead and plan. The High School offers the Agricultural, Domestic Arts, Commercial and College Preparatory courses. I think that we should keep the courses of study as they are now in the High School even if the registration is low in some courses. The pupils taking the work in the small classes are very interested and want to keep on with their work; thus it is better for all schools to put out a finished product rather than a dozen half-finished products.

I believe that it should be an aim to see if manual arts, such as wood work, could be offered to some of the boys in the Junior High School. In a Town such as Sunapee I know practical work like this would be a benefit. I have given this matter some consideration and I believe we have practically all the equipment except benches, with which to start the work.

I have started this year some form of physical training, such as it is. I think we should build bodies in school as well as minds. Physical training also tends to hold interest. Other schools are planning why should not we? The Agricultural Building and Gymnasium offers one solution if it were warmer. I wonder if another old stove could be added on the other end of the hall so it would give additional warmth. This hall takes care of the smaller children very well, but I hope interest can be aroused so as to give the older pupils a better opportunity.

The Sunapee Center School is always open to visitors and friends of the school. We solicit observations of the townspeople as we aim to make the school the best possible asset to the town. I wish that more interested people in town would offer to entertain us from time to time. Practically every high school in the State this year is receiving the co-operation of townspeople in this respect. I thank the good people who have helped make our chapel exercises more interesting to date.

I would appreciate it if the officers of the Sunapee High School Alumni Association would meet with myself and the staff of teachers to talk over the benefits that the high school might derive from the association. Solid Alumni Associations can do much to help any high school at graduation time and at other intervals throughout the year.

In closing I wish to thank you, Mr. Morrill, for the way you have guided and helped me in my work. I also thank the teachers, school board and townspeople for the spirit they have shown me during my short administration and for the interest they have all shown in school affairs.

Respectfully submitted,

LEROY J. HIGGINS, Headmaster.

FINANCIAL REPORT

FOR THE YEAR ENDING JUNE 30, 1925

Receipts

State and Federal Aid: (c) Smith-Hughes Income from Local Taxation:	\$ 665
