FIRE WARDEN'S REPORT

Though 1941 was the worst fire season in New Hampshire history, Tamworth was quite fortunate. While we had three major fires, two occurring in one day, we had but a total of one hundred sixty seven acres burned over, with very small material damage.

We wish to extend our thanks to those men who fought and helped check these fires under the most difficult conditions and to the women's auxiliary who served food at a most welcome time.

We face the 1942 season with a great deal of apprehension with large areas of slash, and with the possibility of incendiary fires either from bombs or enemy sympathizers. We believe every man should get some instruction in fire fighting and be ready to respond when ever called.

Those burning without permits will be shown no leniency for it is essential that we have a check on all smokes.

It is with regret that we announce the retirement of Herbert L. Vittum as Deputy Warden after many years of service.

Respectfully submitted,

E. H. REMICK

SECRETARY'S REPORT OF THE TAMWORTH COMMUNITY NURSE ASSOCIATION, INC.

Although regret was general when Mrs. Tallman left us for the school position in Meredith, we may feel happy in having secured Miss Minnie O. Lang, R. N., whose experience in public health work enabled her to fit immediately into the needs of our community. Miss Lang is a graduate of the Mary Hitchcock Hospital in Hanover. She had five and a half years as superintendent of the Lebanon Hospital, and four and a half years as community nurse in Swanzey. It will be a good thing if she stays with us for a similar term of years, but it is up to us to retain her for more than nine months of the year.

The Association has always endeavored to extend and improve our public health work. This year we tried to make closer our connection with the town's people by forming an advisory committee of three men who could be called upon from time to time, and Mr. Lawrence Hayford as Selectman, Mr. Wilbur Goodson as member of the School Committee, and Dr. Remick were asked to serve in this capacity.

In the general effort to marshal the entire community for defense and national service our Nurse should certainly take part in emergency organization. Our Association has therefore put itself and the Community Nurse at the service of the Civilian Defense and the Red Cross for whatever measures may be deemed desirable.

The figures for Mrs. Tallman's five months in 1941 and Miss Lang's four months of work appear in the subjoined tabular statement and in Miss Lang's own report as school nurse. In the spring Miss Lang will arrange with the State nurses a health clinic for

SUPERINTENDENT'S REPORT

To the School Board of Tamworth:

I herewith submit my first annual report which is the first in the series of such reports.

Union No. 36

The eight school districts of Brookfield, Effingham, Freedom, Madison, Middleton, Ossipee, Tamworth and Wakefield continue to comprise this supervisory union. The union expense of administration is as follows: Brookfield, 1.60%; Effingham, 7.87%; Freedom, 6.04%; Madison, 12.43%; Middleton, 3.31%; Ossipee, 30.90%; Tamworth, 20.41%; Wakefield, 17.44%. The above percentages are based on the pupil registration in the various towns.

Chocorua school has been further improved by the installation of septic tanks at a cost of \$525.57.

At the high school building there have been im-

provements made in the basements and toilets. The space now occupied by the new high school library formerly housed the old fuel bin. The value of this library can not be over-estimated. Also the room previously used for storing high school files, books, and so forth is being converted into an office for the School Board.

The work being done by the teachers and your able headmaster should be greatly appreciated by those interested in the welfare of the schools.

In closing, I wish to express my appreciation to the School Board, teachers, pupils, parents, and friends for their hearty cooperation in making the Tamworth schools a success.

Respectfully submitted,

HAROLD A. TRUPELL
