TOWN OF ALSTEAD

AUDITOR'S OPINION

We have examined the financial statements of the various funds and groups of accounts of the Town of Alstead, New Hampshire for the year ended December 31, 1978 listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records as we considered necessary in the circumstances.

The Town of Alstead has not maintained a record of its general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the financial statements listed in the aforementioned table of contents present fairly the financial position of the various funds and groups of accounts of the Town of Alstead, New Hampshire at December 31, 1978 and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles applied on a consistent basis.

The supplemental schedules included in this report, although not considered necessary for a fair presentation of the financial position and results of operations of such funds and group of accounts, are presented primarily for supplemental analysis purposes. This additional information has been subjected to the audit procedures applied in the aforementioned examination of the basic financial statements and is, in our opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Respectfully submitted,

*Killion, Plodzik & Sanderson*

TOWN OF ALSTEAD

LETTER OF TRANSMITTAL

Members of the Board of Selectmen  
Town of Alstead  
Town Office  
Alstead, New Hampshire 03602

Gentlemen:

Submitted herewith is the report of an examination of the financial statements of the Town of Alstead, New Hampshire for the year ended December 31, 1978. Exhibits as hereafter listed are included as part of the report.

FINANCIAL STATEMENTS

General Fund

Balance Sheet . . . . . Exhibit A-1  
Statement of Changes in Fund Balance. . . . . Exhibit A-2  
Statement of Estimated and Actual Revenues. . . . . Exhibit A-3  
Statement of Appropriations and Expenditures. . . . . Exhibit A-4

A balance sheet disclosing the financial condition of the general fund at December 31, 1978 is presented in Exhibit A-1. As indicated therein, the town has a deficit fund balance of \$92 at December 31, 1978. A statement of the changes in fund balance is shown in Exhibit A-2.

Statements of estimated and actual revenues, appropriations and expenditures are included in Exhibits A-3 and A-4, respectively. As indicated therein, revenues in excess of estimates amounted to \$18,353, while expenditures exceeded appropriations by \$7,451, resulting in a 1978 budget surplus of \$10,902.

Special Revenue Funds

Balance Sheet . . . . . Exhibit B-1  
Statement of Revenues, Expenditures and Changes in Fund Balances. . Exhibit B-2

FINANCIAL STATEMENTS

A balance sheet of all the special revenue funds is presented in Exhibit B-1. A statement of revenues, expenditures and changes in fund balances is contained in Exhibit B-2. Total special revenue fund balances amounted to \$16,056 at December 31, 1978.

Trust and Agency Funds

Balance Sheet . . . . . Exhibit C-1  
Statement of Revenues, Expenditures and Changes in Fund Balances. . . Exhibit C-2

A balance sheet and statement of revenues, expenditures and changes in fund balances of the trust and agency funds is contained in Exhibits C-1 and C-2, respectively. The fund balance of the trust and agency fund was \$121,753 at December 31, 1978.

Debt Service Funds

Statement of Revenues and Expenditures. . . . . . Exhibit D

The Town appropriated \$5,000 for principal and \$325 for interest payments for the current year for redemption of a serial note dated August, 1975.

Long-Term Debt Group of Accounts

Statement of General Long-Term Debt . . . . . Exhibit E

The outstanding long-term debt of the Town amounted to \$50,000 at December 31, 1978.

GENERAL COMMENTS AND RECOMMENDATIONS

Trust Fund Records

State law requires that individual ledger accounts be maintained for trust funds invested in a common trust. The cemetery perpetual care funds, which represent the common trust funds in Alstead, are not presently formalized in accordance with this requirement.

Recommendation

We recommend that the Trustees of Trust Funds review the accounting manual for the operation of common trust funds and institute the necessary changes to comply with the recommended procedures.

We would like to thank the officials of the Town of Alstead for their cooperation in providing us with the documents necessary for completion of the audit.

Very truly yours,  
*Kellum, Prutzsch & Sanderson*

## REPORT OF THE ROAD AGENT

The new grader has been a great improvement in the town's highway equipment. The snow wing has had a few problems, but the grader is fast and dependable and I appreciate having it to use. It has already helped a great deal in ice removal and heavy winging this year.

Ditching and cleaning of road sides was done on Library Avenue, parts of Hill Road, Slade Hill and Pine Cliff making for better drainage. The new grader made these improvements faster and much easier.

Tarring was done on Rhoades District, Pine Cliff, Library Avenue, lower end of Mine Road and part of Hill Road. Seventeen loads of hot mix was put on Rhoades before sealing and several on Library Avenue.

Culverts were replaced on Library Avenue, Slade Hill and Pratt Road. The three foot culvert out on the tarred end of Pine Cliff was extended and the road widened. Several extensions of culverts were put in on Rhoades District. Major brush cutting attempts were made on Slade Hill and the Hill Road.

The TRA money designated for Relihan's Hill did not get used due to lack of time, plus the bridge reconstruction at Relihan's planned this year by the State will make it easier to see where the road should be.

Duncan money was spent on Pratt Road and a little on Bly Road. For the most part, Pratt Road is done except for some possible blasting. The improvements on Pratt Road have made it much faster and easier getting to Slade Hill this winter and better accommodates the surprising amount of traffic passing that way.

Other projects were widening and graveling of a bad section of Pine Cliff and a portion of Slade Hill by Cardens.

Thank you for any assistance given to me during the past year.

Respectfully submitted,

Kenneth H. Winham  
Road Agent

## NOTES TO THE FINANCIAL STATEMENTS

### Note 2 - Reserve For Encumbrances - \$1,996.00

The reserve for encumbrances consists of the following unexpended special appropriations:

Universalist Church Building Fund	\$ 386.00
New Equipment - Fire Department	710.00
Tax Mapping	<u>900.00</u>
	<u>\$1,996.00</u>

### Note 3 - The long-term note payable on the Statement of General Long-Term Debt consists of the following:

Highway Equipment Note - \$50,000.00

Payable to the Connecticut River Bank, 5.2%, principal of \$10,000.00 is due annually on May 2 from 1979 through 1983. Interest is payable annually on May 2.

### Note 4 - Charles N. Vilas Trust Funds

The United States Trust Company and Citibank of New York are custodians of the Charles N. Vilas Trust Funds. Income received by the Town in 1978 from this source amounted to \$40,170.00. The engagement did not include an audit of these funds and they are therefore, with the exception of the income received, not included on these financial statements at December 31, 1978.

## SHEDD PORTER MEMORIAL LIBRARY

As your librarian, I hereby submit my report for 1978.

Library hours continue the same as last year, Monday and Friday 1 to 6 P.M. and Wednesday 1 to 4 and 6 to 8 P.M. The deposit box is available for the return of books when the library is closed.

I wish to express sincere thanks and appreciation to those who have been so generous with their gifts of books. 121 juvenile books, 103 adult books and several hundred paper-backs were given. All were gratefully received.

The Elementary School bus pupils visited the library in the spring but the fall visits were discontinued because of the lack of volunteers to accompany them. It is hoped that these visits will be resumed in the future.

Exhibits of all kinds are welcomed at the library. Poetry Week was observed under the direction of Mrs. Edith Chase and Mrs. Janet Brown. Poems by Mrs. Chase and by the Vilas Elementary School children were attractively displayed and were read and enjoyed by many visitors. An exhibit by the 4-H Colts and Fillies Horse Club and an art exhibit by Miss Knight's Second Grade at Vilas School were also enjoyed by the patrons of the library.

The Keene District Bookmobile made three visits and a total of 866 books were borrowed. This service is most helpful and concern is felt over the possible loss of it. However, assurance has been given by the New Hampshire State Library that should the visits of the bookmobile be terminated, other means of borrowing books will be made available.

158 Books were borrowed from the New Hampshire State Library by special requests. This service, too, is greatly appreciated.

54 new books were purchased as well as the usual number of magazines and newspapers.

There were 81 new borrowers for the year 1978.

### Circulation for 1978:

## REPORT OF VILAS POOL

The Vilas Pool Committee approved the much needed shingling of the pavillion roof at a cost of \$2,650.00.

The pool area is faced with many problems. Extensive building repairs and replacement of all the ground equipment are needed. Due to extensive build-up of mud, the water gates cannot be opened. Several unsuccessful attempts were made last summer. The "Little Tots" swimming hole had to be closed because of this problem.

We lost three directors last summer for various reasons including: poor living conditions, low pay, and the apparent apathy and lack of support from the community.

We are receptive to any suggestions for the improvement of Vilas Pool and we would appreciate any help from those who do not want to see this swimming and recreational area become obsolete.

Respectfully submitted,

Roger Johnson, Chairman  
Larry Huffling  
Ralph Moore

## REPORT OF THE CEMETERY CUSTODIAN

The cemeteries were raked and leaves were removed. Mowing was done several times until late fall. Sunken graves were filled in. Grass seed was sown on several graves. Brush was cut around the walls and removed.

Respectfully submitted,

Richard G. Clark

## REPORT OF OVERSEER OF PUBLIC WELFARE

Food Stamps and direct relief aid were given to needy families during the year.

Respectfully submitted,

Richard G. Clark

## REPORT OF THE FIRE DEPARTMENT

The Fire Department has had a very busy year with something over 2,000 man hours spent, in addition to the regular monthly meetings and drills.

The Rescue Squad is in full operation and it is well staffed with a good leader and more equipment. There is still equipment that is needed. A vehicle would be a great help, as at this time some equipment is in private cars and on one fire truck. Many thanks to the people responding with their cars.

We have received many donations this year from people and wish to thank them. Some of the money was spent on a new resuscitator and training aids.

There was a First Aid Course given in which about nine townspeople took part, plus it was a refresher for some members of the rescue squad.

We have had several applications lately, but could still use more members. Anyone interested may ask any fireman or the commissioners for information and/or membership applications. After about seven years work a complete set of the by-laws has been written and has been printed.

Respectfully submitted,

Loren Livengood  
John H. Burroughs  
Harold Ramsey  
Fire Commissioners

## REPORT OF THE FORESTRY DEPARTMENT

This year again was especially good for us in the forestry department. We had one small burn which covered about 1250 square feet. Our town and state tool program is in very good shape with enough forestry tools and back pumps for about 75 men.

Please remember that a seasonal permit is required for your backyard incinerator. When there is snow on the ground you do not need a permit; but, please let your local warden or fire mutual aid center know about your burning. This saves a lot on fire equipment and personnel time. Thank you.

Respectfully submitted,

Warren Campbell  
Forest Fire Warden

## REPORT OF THE FIRE RESCUE SQUAD

The Rescue Squad had a busy year responding to 33 emergency calls which is twice as many as the year before. In addition we held our regular monthly meeting and training sessions. We have added more new equipment which makes our work more efficient. We have 11 members on the Squad and are trained to handle any emergency situation that arises. We are available 24 hours a day. In order to get us call 352-1100 which is the dispatch center in Keene rather than calling the individual homes.

Respectfully submitted,

Delinda Campbell  
Captain

## REPORT OF THE SELECTMEN

The Selectmen are very pleased to report that our deficit this year was reduced to \$92.00. In 1976, due to the State giving us the wrong tax rate, we ended the year with a deficit of \$22,956.00. In 1977 we reduced the deficit to \$10,994.00 and this year it was reduced to the aforementioned amount. This was done by careful preparation of the budgets each year.

The town tax map has been in preparation as agreed to with the John O'Donnell Company and they will reach completion by June. We thank those who have co-operated with the representatives when contacted by them.

The State has scheduled us for reassessment to start in early summer. We trust everyone will cooperate with their representatives.

We are very pleased to announce that we were able to secure Federal bridge aid for the Relihan bridge project. As soon as bids are accepted we will know for sure what the cost will be to the town. At this time we have been informed that the cost should not exceed the amount raised at last years town meeting. This will be a substantial saving to the taxpayers providing the bids do not exceed the previous estimates. Construction is anticipated to be started this Spring.

We trust that everyone realizes the need for the expansion of the town clerk's office. We feel that the proposal to be voted upon is the best method for solving the problem. We also feel that it is necessary for a committee to study the long range building needs for the town. We cannot keep using a band-aid approach for our needs. Once a building program could be established; then, the best method for pursuing the same could be developed.

The final payment has been made on the note for the fire truck.

The total budget we present to the voters this year does not exceed last year's.

We thank everyone for their help on various boards and committees.

Respectfully submitted,

Gloria Seddon  
R. Bruce Smith  
George T. Nostrand  
Selectmen of Alstead

## REPORT OF THE PLANNING BOARD

Uncontrolled 1978 growth continues to be our most expensive problem, contributing to the greatest increase in our tax assessments. The number of school age children continues to grow with the additional increasing educational expense levied on the town demanding many more tax dollars than the new dwellings can generate by their contribution to the tax base.

This year we have undertaken the task of developing a master plan. The Regional Planning Commission has offered the use of their staff to help us co-ordinate the effort. We need your thoughts on how growth affects you and the controls that should be undertaken if any!

On March 21st (Wed.) we will have an informational meeting at 7:30 P.M. in the Town Hall. Please come!

Respectfully submitted,

Timothy W. Noonan  
Chairman

## REPORT OF THE POLICE DEPARTMENT

I invite you to spend a typical weekend with me to see what my duties as police chief may involve.

Sat. 2:00 A.M. Receive a long distance phone call from a frantic woman requesting me to deliver an emergency message to a relative renting a camp and vacationing for a week at Lake Warren. No idea who owns the camp or which side of lake it is on. After several phone calls and the kind assistance of some East Alstead people I frequently call upon for information, I am able to locate the family and deliver the message; perhaps even bring them back to my home to use my phone to return the call.

9:15 A.M. Appointment with someone to verify serial number of vehicle that Title Bureau will not issue a title on because of discrepancy in I.D. number. While completing necessary form a call is received from Mutual Aid on the radio to cover an accident at Jct. of Rt. 12A and 123. With blue lights flashing and siren blowing, I am enroute to the scene.

I find, upon arrival, that there is injury so I call for ambulance, wrecker and assistance from local EMT's. After observation of driver responsible for accident, I arrest him for DWI and transport him to Keene to be placed on the breathalyzer. Results of test indicate intoxication and a summons is typed for him to appear in court and, of course, I must be present when the case is heard.

Three hours later a burglar alarm connected with my home goes off indicating that a home is in the process of being burglarized. I answer the alarm only to find that members of the family have arrived for the weekend and forgot to turn off the alarm when they entered the house!

Routine patrol on Saturday night using the town's radar unit will surely bring me more court action.

Sunday 10:00 A.M. Report of break at seasonal dwelling. Investigate and find antiques and furniture have been stolen from owner. List of stolen items with description turned over to State Police and Sheriff's Department.

1:30 P.M. Domestic complaint.

3:15 P.M. Report of vandalism to local buildings. Investigate and find broken windows and door smashed in.

Sound like a TV series? Well, this all happens in Alstead. Each year more complaints are received and the nature of some are more serious and involved. We have had everything from rape, negligent homicide, stolen motorcycles, 18 burglaries (14 solved), auto accidents and others.

I wish to thank the State Police and Sheriff's Department who have done an excellent job in solving many of our local breaks, including the Field home in Alstead Center that was also torched, the East Alstead Church, Alstead Center Church and the library, along with other private homes. Many hours were spent solving these breaks and the stolen items will probably never be recovered as they were sold in Maine, Vermont and Florida.

I would also like to thank the Langdon, Walpole and Charlestown Police Departments for their assistance and back up.

Respectfully submitted,

Erwin W. Ward  
Chief
