REPORT OF THE POLICE DEPARTMENT

Law enforcement faces a definite challenge in the immediate years ahead. There has been a gradual breakdown in moral standards of our nation. There is a lack of respect by certain individuals for police officers charged with enforcement of our laws.

During the past several decades, the police service has labored to reduce crime and to serve its communities. Police agencies have grown with the nation they serve and have remained independent to respond better to the needs of their communities.

We have tried to respond to the needs of our community by serving in all areas. Sometimes people need someone to listen to them and the police officer is the one who is there day and night, with an open ear and a kind word. His place is with the people, his people and he should be there for those in need.

The constant checking of public buildings, businesses and the property of all our citizens has been of prime concern this year, in an effort to keep criminal activity at a minimum. However, it is impossible, in any town, to be 100% free of this and we are most thankful for the assistance we have received from The Rockingham County Sheriff's Department in this area.

The police officer does the work of a doctor, a teacher, and sometimes a psychologist. His job is to keep order and arrest those breaking the law, yet he must also use common sense. Dedication is the key word.

As in the past, many of our officers have donated much of their time for such things as Church Duty, Youth Dances and other non-profit organizations as well as special public activities.

At this time we want to thank the citizens of Danville for their continued support and cooperation during the past year.

CLYDE E. GOLDTHWAITE, Chief
Danville Police Department

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

PLANNING BOARD REPORT

In 1976, the Planning Board: (1) was presented with nine subdivision requests and acted favorably on all of them; (2) placed on the 1976 Town Warrant four additions and amendments to the Zoning Ordinances; and (3) held public hearings and voted favorably on two minor changes to the Land Subdivision Control Regulations.

This was a busy year for the Planning Board, reflecting the general population influx into southern New Hampshire. We expect an increase in subdivision proposals during 1977 due to continued growth in the region and the desirability of locating in Danville.

The Board operates in the public interest and for the public good of the residents in Town. The only real feedback we receive is in terms of the opinions and desires of the residents via scheduled public hearings and attendance by the public at Planning Board meetings. Unfortunately, turnout at both public hearings and scheduled meetings has been disappointing. At the 13 public hearings held in 1976, the average attendance by the public was less than 10 people per meeting. We hope this will improve during 1977.

We strongly encourage public participation in all Planning Board activities. Your continuing support will be appreciated.

COLBY MEMORIAL LIBRARY

The continued interest of friends who donate books, magazines, money and time each year is greatly appreciated. This year special thanks go to:

Mr. and Mrs. Douglas Schurman for Hazlett's "History of Rockingham County and Representative Citizens", "Town History of Chester including Auburn" and "Town History of Nottingham, Deerfield and Northwood"

Mrs. Ruth Rich for her book "The History of Danville, N.H."

Dandy Lion Kindergarten for Scarry's "Best Ever Counting 1, 2, 3" given in appreciation for monthly story hours

Phyllis Stafford and Jane Sigilman for planting flowers in the Fall

George Shattuck for loam

David Kimball for wood chips

Carol Suich, Sherri Shooshan and Beth Goldthwaite who served as substitutes.

In January the Library received a certificate from the State Library Commission for achieving the minimum library standards according to the population we serve. Fifty cards were issued to new borrowers. The Bookmobile supplemented our collection during four visits.

Last year the amount we had requested for the landscaping project was deleted from our budget and supervision of the project was transferred from the Library Trustees. We are sorry that the project was not completed as we had planned. This year through a cooperative town effort we hope to complete the landscaping that we proposed for 1976.

SANBORN LIBRARY

The Sanborn Library of North Danville was made possible by the will of Mary J. Sanborn in 1919, with a cash bequest of \$1000.00 and a parcel of land.

In recent years it has been located in the White Schoolhouse and served by many volunteer librarians. The present librarian is Marcia Gagne assisted by Mildred Hall. She was preceded by a rotating staff comprised of Lois Carroll, Esther Currier, Mildred Hall and the late Pauline Simes. Before she was librarian at the elementary school, Louise Hewins acted in that capacity for several years at the Sanborn Library, taking over from the late Towle sisters, Ruth and Edna.

During the period the Towle sisters served, they kept many of the books at their home, so that during winter it was possible to maintain a weekly schedule. The Towles and all who have succeeded them have had a special interest in young people and have encouraged them to read.

Before the sale of timber from the Mary J. Sanborn library wood lot a few years ago, the library operated on an income ranging from \$15 to \$65 a year. With the income from the timber sale, many new books have been purchased and the library currently operates on a budget of about \$200 from Trust Funds. (There is no town appropriation).

We have had a busy year with a circulation of nearly 600 books. We extend an invitation to young and old of our community to come and enjoy our "real country library", sit by our wood-stove and enjoy the charm of our lovely old White Schoolhouse on Wednesdays from 3-5 P.M.

MOSQUITO CONTROL COMMISSION

Mr. George Shattuck resigned his two year appointment effective March 2, 1976. The Selectmen appointed Dr. Paul Gustavson to replace Mr. Shattuck and re-appointed Mrs. Patricia Cote to a three year term.

The commission members attended scheduled mosquito control district meetings conducted by the Rockingham County Extension Service.

A mosquito light trap was ordered and placed on back order by the supplier. During the estimated 6 week delivery period, the Kensington Mosquito District received their trap and placed it into service. The performance of the unit was unsatisfactory and on the basis of this, the order for the same model trap for our district was cancelled. A different model light trap will be procured.

The Commission members elected a chairman at the December 16, 1976 meeting.

The 1977 program was formulated and submitted to the Selectmen and Budget Committee.

BICENTENNIAL COMMISSION REPORT

Chairman Melton Sanborn read the Minutes of 1776 Hawke Annual Town Meeting at Danville Annual Town Meeting of 1976.

On May 18, 1976 a Scroll with signatures of School children and citizens of Danville was presented to the Bicentennial Wagon Train at Northwood, N.H., to be taken to Valley Forge.

The Celebration of Danville being made a Bicentennial Community was held at our Old Meeting House on May 22, 1976. The Flags in front of the Pulpit in the Meeting House were presented to the Town by the Women's Relief Corps and the Bicentennial Commission.

On July 12, 1976 the Bicentennial Flags were stolen from the new Flag Pole at the Meeting House. The Flags were replaced in August by the Bicentennial Commission and a group of our young citizens who held a Carnival to help pay for these Flags.

September 18, 1976 the Bicentennial Commission in conjunction with the Hawke Historical Society buried a Time Capsule to be opened in the year 2000. On the same day the Commission dedicated a Native Stone Memorial in "Ye Olde" Cemetery in Memory of our Revolutionary Soldiers.

We participated in the Annual Firemen's Picnic.

All State and National Reports have been made.

The continuing sale of our Commemorative Plate has paid our expenses.

SUMMER RECREATION PROGRAM

This program was conducted from June 28 through August 19, 1976, and I would like to thank the members of the Summer Youth Work Corps and the parents who assisted me.

The swim program was held in conjunction with the Kingston Summer Recreation Program with seventy-three youth registered, although all did not complete the program.

Organized sports; arts and crafts, with art instruction by Judy French and dough art by Carol Sweet; and tennis at the Stafford Family courts were weekly activities.

Field trips were taken to Kingston for the Little Red Wagon Theatre Group; to several Danville Historic sites; and a bike hike with bicycle safety being stressed, were some extra events.

Special events included a Superstar Day, a Bicentennial Day, roller-skating, a Muscular Dystrophy Carnival and a Terrarium Day, with the grand climax being the Open House on August 17, displaying art work the children had done.

The Drop-In Center for teenagers never really got off the ground, but hopefully more may be provided for this age group in the future.
