This is to certify that we, the undersigned, have audited the books of the officers of the Town of Madbury, for the year ending December 31, 1959 and find them correct to the best of our knowledge.

## FIRE DEPARTMENT REPORT

---

*To the Citizens of Madbury:*

The addition of our new Fire apparatus marked the high point of 1959 for our Fire Department. Its arrival was celebrated with a Chicken Barbecue and display of our equipment.

Since the arrival of the truck it has been equipped with all available equipment, and tested and found satisfactory.

Three hundred feet of hose was purchased with funds appropriated.

The radio was transferred from the old truck to our new truck, and the old truck put in storage on December 20, and will be activated again as soon as danger of freezing is over.

The question of housing the old truck in permanent quarters or to continue as of this winter will be an important question this year.

Our training program was continued with five members attending the N. H. Chief's Club Fire School at Meadowood Drill Grounds at Fitzwilliam, N. H.

Although we had a number of calls during the year, our losses were small. The largest loss being Walter Freeman's trailer, and damage to Austin Hopey's Shop.

Your continued cooperation is requested to maintain a good fire record. A written permit is required for an outdoor fire by New Hampshire State Law. A written permit is required for an incinerator by a Madbury Ordinance.

No. of calls	18
No. of oil burner permits	5
No. of Fire permits	23
No. of Incinerator permits	18

Respectfully submitted,

JAMES H. COLPRIT,

*Fire Chief.*
