REPORT OF THE WINCHESTER POLICE DEPARTMENT

To the Citizens of the Town of Winchester:

I here with submit my report for the Police Department covering the year ending 31 December 1974:

The essential purpose of the Winchester Police Department is to SERVE and PROTECT. The Department SERVES all of the people by performing their law enforcement Functions in a professional manner. The Department PROTECTS the rights of all persons within its jurisdiction to be free from Criminal attack, to be secure in their possessions, and to live in peace. It is to these people that the Department is ultimately responsible.

Police Employment Data

Your Police Department operated on a call basis up until August 19, 1974, when I became your full time Chief of Police. This appointment put the department in the position of having 1 full time officer to handle calls during the day, as well as when no part time officer was available.

Our town is beginning to grow at a fast rate. During the winter season our population is in the area of 3,000, whereas in the summer season the population increases to around 10,000. The National average is 1 police officer per 1,000 people.

Along with new homes, stores, improved roads, and population, have come new and additional problems. We are beginning to see crimes that were only present in cities, infiltrating into our small town.

Fatals

1

The added calls for police service and the increase of violent crimes in our area has created many problems for your Police Department. Just recently the Chief of Northfield was shot at and nearly killed. Due to the heavy flow of traffic and lack of sufficient man-power the response time to answer calls has not been as fast as it should be. The areas that your Police Department has to patrol, averages 200 miles put on the car in a 24 hour period. And at times, while the Officer is handling 1 call, there may be 3 calls ahead of him. Results: Rushed investigations and interviews and few arrests.

Your Police Department needs a minimum of two full time officers if we have any hope of controlling the problems of today. I have submitted a request for a Federal Grant to the Governor's Commission on Crime and Delinquency to assist our town with the funding of one of the two officers in 1975.

A good Police Officer once said: ". . . I know my duty, Lord, and I will live it to the fullest extent of my capability — BUT — you must be with me too, since my failure will mean more than just personal defeat."

In conclusion, your Police Department wants to thank all our citizens for their cooperation. We also want to thank all the Town Departments, and the Town Hall Staff for always being ready to assist us.

To you, our Board of Selectmen, we express our appreciation by doing our best to give you a good Police Department.

Respectfully Submitted,
Thomas A. MacQuarrie, Sr.
Your Chief of Police

AMBULANCE DEPARTMENT ANNUAL REPORT 1974

The Winchester Ambulance Department transported 102 persons to local hospitals as emergency patients. The Department also transported 23 persons on a nonemergency transfer basis. The ambulances also took 18 other calls, including long distance calls. The number of patients transported is up about 20 percent over 1973.

The Department has 12 licensed attendants, including 9 Emergency Medical Technicians, 2 American Red Cross Instructors, 1 American Heart Association Instructor, and 1 Emergency Medical Technician Instructor. At the present time, 5 additional persons are in training for an ambulance license.

Two ambulances are licensed and available for use in the Town. The Superior model 61 was purchased new in 1972, and is a high headroom van type unit. The Pontiac was purchased in 1965 and has been maintained as a second back up unit, and also for long distance runs.

Several small fund raising events were held in 1974 to purchase additional equipment for both vehicles. A Porta-power extrication tool was added, as well as a Holmes tool, a 4 channel two-way radio to allow us to talk directly with the hospitals in the area, and several other smaller items for patient care.

A charge is made for the use of the ambulance. It is felt that the persons using the ambulances should bear the larger portion of the Ambulance Department expenses.

The Rev. Alan C. Merrill, Chairman

WINCHESTER DISTRICT NURSING ASSOCIATION

The Winchester District Nursing Association continues to be very busy with 2,798 visits completed in 1974. The towns of Richmond and Swanzey buy service from our association. Because of the heavy case load, it is anticipated that a half time nurse will be employed in the near future.

The bulk of our nursing visits were collected by contract through Medicare, Medicaide and Blue Cross programs. Our services are mainly absorbed by the elderly and the very young.

I wish to thank all the members of the board, our dedicated nurses, Ruth LaRochelle and Priscilla Gloeckler, our clerk, Virginia Felch, town officials and each and every one who has contributed his efforts in any way.

1. Five Immunization Clinics were held throughout the year with a total of 167 children receiving immunizations. Age groups: 0-1 — 13; 1-4 — 104; 5-17 — 50.
2. Attended a symposium on "Management of Spinal Cord Disorders of Children" at Mary Hitchcock Memorial Hospital on February 23.
3. Mrs. Dorothy Bean from the State Medicare Office met with the nurse on March 14 and 15 for an agency record audit.
4. Assisted school nurse with a communicable disease problem on March 26 and 27.

5. Attended a T.B. symposium in Pembroke on April 13.
6. Nurse assisted Howard Dunn from Project H.E.L.P. to provide low income families with winterization supplies on April 18. Recipients were found in Winchester and Richmond.
7. On May 21 nurse attended a seminar in Nashua on "The Nurse and the Law". Mr. William Andrew Regan, J.D., a nationally known authority on medical law was the speaker. This program investigated and created an awareness in the nurse of legal responsibilities and liabilities in relationships to patients, doctors and facilities.
8. Attended a two day workshop on "Death and the Care of the Dying". Dr. Richard Lamerton, a physician from England was the main speaker along with Dr. Sylvia Lack. This was an excellent conference and most informative.
9. In September nurse met with Dr. Zelma Dietch, Director of Maternal and Child Health to discuss a well baby clinic.
10. Miss Rosemary Hawkins, Consultant from the Bureau of Medical Care Administration met with the nurse on December 10 and 12.
11. Attended an all day workshop in Hanover on December 17 to discuss the "Utilization Review process".
12. Physical Therapist worked with three patients throughout the year with favorable results.
13. Nurse met with Mrs. Irene Pratt SPHN throughout the year to discuss matters concerning the agency.
14. I wish to thank Council members for their continuing assistance and support. Also Lucile Dahlman, Hazel Gombieski and Marion Whippie for help with our clinics.

Census Report

January 1, 1974	18 patients on service
Admitted during 1974	28
December, 1974	17 patients on service

The spring months were very busy as was December. Holiday and weekend calls were made when necessary for direct care cases.

Five Immunization Clinics were held in the Swanzey's during the year. The total attendance for all the year was only 28 children, yet the ones who attend are being protected from diseases which might have serious effects.

Conferences and symposiums attended:

Feb. 1 — Dartmouth College — "Management of Spinal Cord Disorders in Children", a multi-focal challenge.

April — Pembroke — "The Care and Treatment of the Tuberculosis patient at Home".

May — Nashua — "The Nurse and the Law", speaker Mr. William Reagan, J.D.

May — Durham — a two day conference on "Death and Care of the Dying". Dr. Richard Lamerton of London, England was the main speaker. This was a most interesting and informative session.

Concord — Went to State Health Offices in Concord to ascertain availability of services that might be offered to the citizens of the town. Met with Dr. Zelma Dietch of Maternal and Child Health Services of N.H.

Dec. 17 — Hanover — "Utilization Review as it applies to Health Agencies". Panel discussion was held in groups of 12.

Mrs. Dorothy Bean from the Medicare office, State of N.H. met with the nurses twice during the year for a record audit.

Miss Rosemary Hawkins — Consultant, Bureau of Medical Care Administration spent Dec. 10 and 12 reviewing records, policies and other procedures.

Meetings have been held with Irene Pratt, SPHN several times during the year to discuss problems pertinent to the Association.

Four patients have used the services of a Physical Therapist during the year.

The Home Maker Home Health Aide Program has been made available to three families in the Swanzey's through the assistance of the Keene VNA, the parent organization.

A great improvement to our building was made this year by cementing two-thirds of the cellar floor. Only small sections had been done before, such as under the furnace, etc. We could not do the whole floor because of the storage space for back-issue magazines and other items. We hope to complete this at a later date. We then had eight new double shelf racks built to store the back-issue magazines and other keepables. More shelving was added in the children's room.

The lawn sale in July was held in front of the library — tables of books, food, a fleamarket and a snack table netted us about \$450.00. This was added to the Henry Pratt Organ Restoration Fund.

The Board of Trustees decided that we would use the Bicentennial for a goal for the completion of the organ restoration project. A committee was appointed and letters were sent out asking for contributions. I am happy to report that the amount needed has been nearly realized and the organ has now gone to be restored. We expect it back early this summer. Small concerts are being planned for the warmer months.

I know that everyone is getting anxious about our historical department upstairs. Work is progressing slowly and the funds run out too quickly. However, when the organ is returned we will be open to the public even though there will be projects to be completed in the future.

I would like to thank everyone who has contributed items for the museum, and books and magazines for our collection. For your continued interest we are most grateful.

I have attended 1 District Council Meeting, 2 workshops and 2 book exhibits during the year. The Trustees attended the Trustee's annual meeting.

BOARD OF ADJUSTMENT

Five cases were heard during 1974.

1. Edward Campbell regarding an overnight campground on the Chesterfield Road near the new state park complex. Passed
2. Theodore Aldrich, of United Construction Consultants, for multi-family dwelling units on the Keene Road adjacent to the Town Water property. Passed
3. Walter Bradshaw regarding frontage requirements on a subdivision off the Scotland Road. Passed
4. Fred Goetz relative to an overnight campground off Scotland Road. Refused on original proposal. Rehearing called by Mr. Goetz and with the presentation of an acceptable proposal it was passed.
5. Fred Smith relative to constructing a garage on Nesbitt property in Ashuelot. Passed

The board of adjustment has no budget. Each person presenting an appeal has to cover the costs of advertising, postage, and whatever other expenses are incurred relative to their appeal.

Respectfully submitted,
C. Kenneth Rowe, Chairman

E.L.M. COMMUNITY CENTER DIRECTOR'S REPORT FOR YEAR 1974

The year 1974 was a difficult year at the center and many changes were made to solve the various problems.

The teenage youth of the town were having vast social problems and some 28 were on probation in the courts. A new program was designed to help and a grant was received from the Governors Commission on Crime and Delinquency for the amount of \$3,500.00. The Community Center added another 5 percent to the grant as required in the grant application. The money was allocated in the following categories, Professional Counselors 1,728.11 Supervisory help 804.57, F.I.C.A. 273.02, Building Utilities 600.00, Balance in acct. returned to Crime Commission. Professional counseling was offered 3 nights per week, and on Saturdays. Supervisory help to open the center on Saturdays (afternoons & evenings) plus a special policeman to work with the youth. The books were sent to the crime commission for audit. There were no new court cases during operation of this program.

The senior citizens program was very successful with over 150 members. A grant from the N.H. Council on Aging for \$2,904.00 was received, and is to be used only for the senior citizens. A program of crafts, movies and four bus trips were paid for from the grant. Special weekly programs were put on for the seniors and for those from Sawyers home. The books of the grant have been audited by CPA Richard Bennett.

The basketball court was moved from the corner on Parker St. to an area by the playground. The noise factor was becoming a problem for the neighbors. The cost was \$1,900. An interested party loaned the center the money on an interest free basis.

The tennis court area was enlarged to facilitate snow removal from the ice. This has been a bad winter for ice. It takes 3 days to freeze ice. If ice cannot be made before snow falls such as this year, it makes snow removal impossible. To put snow removal equipment directly on the tennis court would damage the court.

The day camp program was again very successful and many thanks to our senior citizens for making ceramic supplies available to the children FREE of charge. In addition to our regular staff we had 20 high school students who worked and were paid by the neighborhood youth corps program at the rate of \$52.00 weekly.

Our little league and pee wee baseball program was just great. The boys won another league title for the second year in a row. A farm team was started in addition to the four regular teams. Many, many thanks to all the adults who gave of their time.

In addition to our regular bowling programs the school used the alleys free several times a week under proper supervision. The school also uses the facilities free for a physical education program several times a week. We are more than glad to have the school use the facilities free for any other school function.

Many thanks to the Kiwanis, Police Dept., Fire Dept., and the various organizations in town that helped to make our Halloween program the success that it was.

Many thanks to the Firehouse Sparks for putting on benefit dances for the center.

Many thanks to all the adults and especially to my board of trustees who have worked well with me to continue the successful operation of the Center.

SELECTMEN'S REPORT FOR 1974

The Board of Selectmen wish to thank all the taxpayers and town officers for the cooperation they have given this board to make Winchester a better town. Selectmen have their regular business meetings every Thursday except holidays. The hours are from 7:00 p.m. to 10:00 p.m. The first hour is reserved for transacting business with the various town departments. If you have any matter that requires the attention of the Selectmen, please come in after 8 p.m. on Thursday evening. If not convenient for you to come in on a Thursday evening, you may call the Selectmen's Office, Monday through Friday 9:00 a.m. to Noon 239-4951. Arrangements will be made for you to meet with the Selectmen.

Public hearings for corrections on the land maps were held June 5th and 6th. The corrected and finalized land maps were received by the Selectmen on July 30th. The land maps and aerial photographs were used for assessing and are a great asset to the Board of Assessors. The property listings in the 1975 Town Report will give a better description of the properties as all properties will be listed by map number and lot number.

We again call your attention to the numerous forms available in the Selectmen's Office to be used by the taxpayers for proper taxation. The only form that is mailed out is the Inventory of Taxable Property, all the other forms must be obtained at the Selectmen's Office. We mailed out 1,330 inventory forms in March and only 757 were returned completed to this office. The law states that an inventory form must be filled in, signed and returned to the Selectmen's Office before April 15th. If an inventory is not filed there is no legal basis for the Board of Taxation or the Court to consider an application for abatement.

VETERANS EXEMPTION

Permanent applications are available in the Selectmen's Office. We call your attention that if a person eligible for exemption changes his domicile or a veteran's wife becomes a widow during the year, a new permanent application must be filed with the assessing officials.

EXEMPTIONS FOR CERTAIN ELDERLY PEOPLE C.E.P.

These forms are for persons 70 years of age or over who qualify for reduction in their tax bill. These forms must be completed and in the Selectmen's Office on or before April 15, 1975. This form must be filed every year. If there is no completed form on file we cannot grant the Elderly Exemption.

INTENT TO CUT TIMBER

Every owner including state, county, or municipality or public agency shall prior to each cutting operation file with the Selectmen a notice of intent to cut.

ASSESSMENT OF OPEN SPACE

No owner of land shall be entitled to have a particular parcel of his land classified for any tax year under the provisions of this Chapter unless he shall have applied to the assessing officials on the form approved by the Board and provided by the Tax Commission.

PERMITS

Any person, firm corporation, municipality, public agency or institution desiring to operate, maintain, offer for rent, lease or tenancy an site, lot, field, tract of ground for location of any new building, trailer parks, trailers, or mobile homes or other similar conveyance, or place of abode for shelter shall obtain a written

operating permit from the Board of Selectmen. Where applicable it would be necessary to have received and to show proof of having received approval for construction granted by the New Hampshire Water Supply and Pollution Control Commission for the construction of any septic tank system before a building permit or permit to park a trailer or mobile home shall be issued.

HOUSE TRAILERS

Whenever a person moves a house trailer or mobile home into a city or town for the purpose of establishing a residence in said city or town, or whenever a person purchases an existing house trailer or mobile home with the intent of residing in the same at the existing location, he shall within fifteen (15) days of the placement of the trailer or mobile home or within fifteen (15) days of the purchase of same register with the Assessors of the city or the Selectmen of the town where he intends to reside. Whoever fails to comply with the provisions of this section, shall be guilty of violation. 72:7B (1973:152)

The sanitary landfill was completed and is now operational. All using the landfill are required to have a landfill sticker on their vehicle. This is for the protection of the taxpayers who funded the money for the landfill.

The Board of Selectmen take this opportunity to publicly thank Kenneth Perry for designing, getting approval of plans and supervising the construction of the landfill. "Ken" spend many hours of his time on this project, with no charge to the town. To "Ken" from the Board of Selectmen and Townspeople a great big "Thank You Ken".

CERTIFICATION OF AUDIT

SCOPE OF AUDIT

We have included in our audit and examination the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Town Beach Treasurer, Fire Department, Library Treasurer, Ambulance Service, and Trustees of Trust Funds.

AUDIT PROCEDURE

The Audit procedure included comparing vouchers and cancelled checks with supporting invoices and payrolls, as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank statements obtained from depository banks. Uncollected taxes were verified by mailing notices to delinquent taxpayers, as indicated by the Tax Collector's records.

CERTIFICATION OF AUDIT

This is to certify that we have examined and audited the accounts and records of The Town of Winchester, New Hampshire, for the fiscal year ended December 31, 1974, and have found them to be in good order except as noted. To the best of our knowledge and belief the financial statements and summaries reflect the true financial condition of the town for the period under review. We wish to extend our thanks to all the town officials of the town of Winchester for their assistance and cooperation during the course of the Audit.

Very truly yours,
Richard L. Bennett
Ken Cole
Helen McFadden

WINCHESTER ELEMENTARY SCHOOL

It is with a great deal of pleasure that I present my first annual report of the Winchester Elementary School.

The Elementary School enrollment fluctuates somewhat. However, as of January first 1975, there were 481 pupils.

Kindergarten — 60

Grade 1 — 67

Grade 2 — 71

Grade 3 — 68

Grade 4 — 75

Grade 5 — 68

Grade 6 — 72

Total — 481

Staff

There are 22 full time teachers on the staff. Federal money enables us to have two full time aides that work with Mrs. Kelly. They are Mrs. Joann Conti and Miss Anita M. Prud'homme. Mrs. Swett is our resource area teacher. She oversees the library books and works with children that are working in the resource area on projects and reports. The rest of the staff members are as follows:

Mr. Anthony F. Calabro, Grade 5; Mr. Curtis J. Cardine, Grade 5; Mrs. Mary Cobb, Grade 4; Mrs. Patricia P. Durling, Grade 1; Mrs. Margie A. Foster, Learning Center; Mr. Keith C. Fraser, Grade 6; Mrs. Barbara A. Gendron, Kindergarten; Miss Helen M. Girouard, Grade 1; Miss Ruth M. Hill, Grade 4; Mrs. Diana L. Jacobs, Kindergarten; Mrs. Brenda Kelly, Reading Supervisor; Mrs. Martha Lamothe, Grade 3; Mr. Donald C. Monroe, Grade 6; Mrs. Ruby E. Perrin, Grade 2; Mrs. Cathleen S. Puffer, Grade 2; Mrs. Jane Rokes, Grade 3; Mrs. Diana L. Salonen, Grade 3; Mrs. Rosanne T. Stevens, Grade 5; Mrs. Janet R. Stohr, Grade 1; Mrs. Marion Tacy, Grade 4; Mrs. Linda J. Thomas, Grade 3; Mr. Gary L. Travers, Grade 6.

Curriculum

The reading program is now in its second year. All of us are very happy with the progress being made. In the spring, achievement tests will be given and at that time we will be able to evaluate the program in more detail.

Mathematics is being updated so that by September of 1975 all the grades will be in the same program. We will also be coming involved in the Metric system.

Social Studies and Science are the next areas of study. A committee of teachers and the principal have begun a study of the Social Studies curriculum. The end goal is a complete program for all the pupils in the school.

After the Social Studies is completed we will go into a complete study of the Science curriculum.

Special Services

We continue to have the special services of Dr. Howard Buss, the school psychologist, Miss Donna Jacobs, speech therapist, and Mrs. Margie Foster, our learning center teacher. All of these programs continue to play a very important part of the school program. We are very fortunate to have these people and the programs.

The Building

A real effort is constantly being made to keep the Elementary School in good physical condition. The summer maintenance program includes regular inspection of equipment and repairs where needed. A painting rotation of the classrooms, halls, etc. is being developed.

Conclusion

There are many people who are helping to make your school one of the finest. We have a fine staff, one of the best lunch programs in the state, the P.T.S.A. is most active and has been most helpful to the school. The dental program is just one example of what is being done.

Also, at this time I want to thank the School Board, the Superintendent's office, and Mr. Sundstrom for all of their interest, help, and cooperation this year.

THAYER HIGH SCHOOL

Enrollment

As of January 1, 1975 the enrollment by grades at Thayer High School is:

Grade 7 — 75

Grade 8 — 74

Grade 9 — 59

Grade 10 — 59

Grade 11 — 34

Grade 12 — 42 Total 343

New Teachers

New staff members for the 1974-75 school year are Mr. Kevin Haverty, Social Studies; Miss Linda Schrempf, Home Economics; Mr. Michael Sexton, Mathematics; Mr. Peter Richardson, Social Studies; Mrs. Patricia Danielson, Guidance; and Mr. Kenneth Powers, Physical Education. All new teachers are replacements except Mr. Powers whose position is federally funded this year.

Curriculum

Twenty-five new half year elective courses were added to the 1974-75 curriculum. Examples of the new courses are: Psychology, Popular Music, Ecology, Science Fiction, and Drama. The major curriculum change for the upcoming year will be offerings in Physical Education.

Graduates

Graduation exercises were held June 19, 1974. The following members were in the class of 1974:

Terry Ashbolt	Karen Hadley	Sterling Nicholson
Bruce Baker	Barbara Hatstat	Russell Pierce
Carol Benoit	Stanley Hatstat	Gary Pratt
Mildred Brown	Kennard Henderson	Joanne Reese
Bryan Bruder	Roy Hodgman	Thomas Rice
Pamela Castor	Arthur Johnson	Elaine Russell
Linda Caswell	Kathy Kelley	Carlton Smith
James Conant	Kathy Koch	David Stephens
Harold Deane	Mark Landry	Sharon Stetson
Jean Dear	Albert Lawrence	Cynthia Wheeler
Paul Doolittle	Robert Matthews	Dale Van Cor
Brian Erunski	Thomas Leavitt	Robin Severence
Diane Gregory	Steven Nicholson	

The Class of '74 has eight graduates attending post secondary education; They are:

Linda Caswell, attending N.H. Vocational Technical College

Kennard Henderson, attending Nathaniel Hawthorne

Kathy Kelley, attending Greenfield College

Mark Landry, attending N.H. Institute of Technology

Stephen Nicholson, attending N.H. Vocational Technical College

Russell Pierce, attending School of Visual Arts

Elaine Russell, attending N.H. Vocational Technical College

Dale Van Cor, attending Keene State College

Stanford Achievement Tests

For the second year in a row the Stanford Achievement Tests were given to grades 7 through 12. Substantial progress was made by grades 8 and 10 in both mathematics and reading. Reading test scores for grades 9, 11, and 12 also increased while the mathematics tests for these three grades declined slightly. Grade 7 test scores showed this class to be below national norms in the Achievement Tests. Overall, the high school showed gains in the test scores over the previous year. The current test results place Thayer High School close to national norms.

The Future

The most significant and far-reaching events effecting future educational programs in the high school will be the new gymnasium addition and the Vocational-Technical School in Keene. With the new gymnasium Thayer High School will be able to offer a comprehensive physical educational program to all pupils. The Vocational-Technical School, on the other hand, will provide students, both male and female, with the opportunity to take vocationally oriented programs the high school is unable to offer.

WINCHESTER SCHOOL DISTRICT

At the last school district meeting, voters in addition to appropriating money to operate the schools, authorized the school board to borrow funds not to exceed \$410,000 and to execute the contracts necessary to build a gymnasium addition to Thayer High School. At the time of this writing, ground has not been broken for this project. Some explanation is in order.

Following the annual meeting last March, the School Board proceeded to take the necessary steps to have construction begin and to finance this addition. However, in examining the papers submitted in connection with the bond issue, bond counsel reported that they had encountered an obstacle to their approval of the bonds. This obstacle was the action of the budget committee in submitting the bond issue to the voters without recommendation which, in bond counsels opinion, exceeded the ten percent limitation on the total amount specified in the recommended budget. Members of the budget committee stated in certified affidavits that they submitted the bond issue without recommendation in order to allow the voters to decide the matter without prejudicing their vote, and that had they known that this might create a problem, they would have recommended the bond issue. However, bond attorneys advised that legislation validating the action taken by the voters at the last district meeting would remove any possible legal flaw. The Winchester School Board followed this advice. Legislation has been submitted and the bill has, at this writing, passed both the New Hampshire House and Senate and awaits the Governor's signature. It is anticipated that by the time this appears in print, construction of the new gym facility will finally be underway.

Some economists say a certain amount of inflation is the price a nation pays to avoid widespread unemployment. However, when that trend continues too long, as it apparently has, workers begin to lose jobs. Inflation and unemployment is a condition which cannot be satisfactorily reconciled in preparing a school district budget any easier than it can be coped with by people at home. On the one hand, the costs of goods and services are beyond our control. On the other hand, paying

more for these goods and services by people whose own resources have been stretched thin, is an unpopular proposition. In spite of this complex problem, we are obligated to continue to operate schools.

The budget being proposed by the School Board to operate the schools in 1975-76 reflects the cost of an inflated economy, the requirements of a new state statute concerning the education of the handicapped, and the provisions of the salary schedule agreed to by the teachers and the school board. The salary schedule is printed elsewhere in the annual report. New services are needed but are not being requested at this time.

Much has been written about the subject of accountability in connection with the schools. Most agree that the school system is accountable to those who pay the bill, — the public. However, part of the problem is that the public is made up of several special interest groups often with diverse views regarding their expectations of the schools. Also, education is accountable for what is in the future. Today's students will hold the schools accountable years from now for the experiences they encounter today. Thus, in spite of the fact that educators and the public may agree on the concept of accountability, the establishment of precise goals for the schools which everyone can agree on, is most difficult. We not only need to look to the future but must also attempt to identify and become familiar with the special interest groups which make up the public. We need to have knowledge of their opinions, beliefs, and perceptions in order to establish a frame of reference from which needs can be defined and goals established. All of us, individuals as well as groups, teachers, as well as parents, legislators, as well as taxpayers, have a responsibility for educational outcomes. We need to know precisely what we want the schools to achieve and make certain that the goals are attainable, for regardless of our role, we are all ultimately accountable to the students.
