## *Hampton Wins*

HAMPTON — The town's 1971 annual report, published last year, won first place in its population category from the New Hampshire Municipal Association.

The award was made last week at the association's annual winter meeting in Concord.

In addition, the town received a certificate of award from the University of New Hampshire's Public Administration Service, and the report will be entered in the New England Municipal Report Contest.

Hampton's award was in Class 4, which covers communities with populations from 5,000 to 10,000.

TOWN OFFICES  
HAMPTON, NEW HAMPSHIRE

REPORT OF BOARD OF SELECTMEN AND TOWN MANAGER

To The Citizens of Hampton

We are pleased to submit the Three Hundred Thirty-fifth Annual Report of the Town of Hampton for the year ending December 31, 1972. The reports contained herein are provided to inform the citizens of the community on the fiscal, legislative and administrative operations of your government.

From an economic standpoint, the Town continues to grow and prosper with a fairly substantial increase in the tax base as evidenced by a \$4,757,950 increase to the Town's net valuation. We must continue to strive for the planned and orderly growth of the community and be ever mindful of the chaos experienced in other communities because of lack of foresight.

The Board of Selectmen, in August, enacted a moratorium on all construction, excluding single family residences, in those areas of town which are served by the Lafayette and Landing Road interceptors. This action was taken because of the conditions of the existing interceptors which are in desperate need of replacement. The new interceptors have been designed and the voters approved a bond issue at the last Town Meeting for the construction; however, the necessary Federal funds have not yet been released by the President. It is hoped that these federal funds will be forthcoming in 1973 and if they are, construction will commence immediately thereafter.

Surfside Park, Phase 1 and most of Phase 2 sewer construction has been completed. The balance of Phase 2 will be completed in early spring 1973. Following the priorities listed in the Sewer Master Plan, the town will undertake the construction of sewers in the Edgewood Drive, Laurel Lane and Locke Road areas, also, the Lafayette Road sewer to the North Hampton Town Line will be designed in 1973.

Mr. Neal Socha, Recreation Director, was hired in June as authorized by Special Article in last years Town Meeting. He has done an excellent job in the short time that he has been in town and has established a very comprehensive recreation program for fiscal year 1973 to be enjoyed by young and old alike.

Following the Special Town Meeting of last June, the town purchased a fully equipped ambulance and has instituted an emergency ambulance service, operated by the Fire Department. The first six months of the program have been extremely successful and it is our opinion that the residents of the town are receiving the best possible service available at a very economical cost. Please be advised, that this program provides for emergency ambulance service only, as authorized by you, the voters.

The Municipal Complex will again be presented to the voters at Town Meeting. It differs substantially from last years proposal in three major areas: First, the entire police department is included in the complex with the beach facility being used as the operations center and lockup only during the seventeen week summer season. While this proposal will necessitate the acquisition of some duplicate equipment, it will not require any additional personnel. The Town will not have

two operational police facilities. Second, the Town Office area and the fire station have been enlarged substantially. Last years proposal did not provide adequate area for the next fifteen to twenty years. Third, last years proposal would have required the entire cost of the Complex, \$346,000 to be amortised over a twenty year bond with each of us paying the principal and interest on the tax rate. The current proposal urges the use of Revenue Sharing funds to amortise the cost of the Complex over a six year note with the maximum amount of \$200,000 being placed on the tax rate for two and a half years. In other words, a new Municipal Complex consisting of a District Court House, Police Station, Town Offices and Fire Station for a total cost of \$715,000 of which all but \$200,000 would be paid with Revenue Sharing funds.

In the past, the community has tended to react as circumstances and events occurred. It is the goal of the present administration to develop good, sound comprehensive plans and programs that will be concerned with the long range needs of the town as well as the immediate.

We look forward with anticipation and anxiety, to establishing goals and finding solutions to our mutual problems; working together to make our community a truly great place in which to live, work and play.

Respectfully submitted,  
BOARD OF SELECTMEN

  
Town Manager

 Chairman

## FIRE DEPARTMENT

Personnel: Full Time 20  
Call 28

1972 was a year of greatly increased activity for the Hampton Fire Department.

Two additional permanent firefighters were hired as a result of the March Town Meeting. This now provides three (3) six-man shifts, with around the clock manning for the three first line pieces of apparatus necessary for initial response to any structural fire.

On March 14, 1972, the Hampton Fire Department began furnishing emergency ambulance service for the Town. Perhaps the major accomplishment of the year was the fact that this service was initiated with less than 24 hours notice and has operated successfully since that date. By vote of the Board of Selectmen the ambulance service has been expanded to cover the Town of Hampton Falls, also.

1972 has shown the largest increase in calls answered and services rendered in the history of the Fire Department. This is due to a 20% increase in fire and emergency calls and a 540% increase in medical aid calls. A summary of activity is outlined below:

### SUMMARY OF ALARMS

Box alarms	111
Still alarms	304
Ambulance calls	380

### ALARMS RECEIVED BY\*

Fire alarm box	53
Telephone from public	268
Police Department	129
Radio	29
Verbal (walk in)	32

\* Does not include ambulance calls.

### CLASSIFICATION OF ALARMS

Building fires	30
Motor Vehicle	32
Brush-grass	29
Dump	7
Rubbish	17
Chimney	2
Heating Units	12
Electrical	30
Highway Accidents	6
Water emergency	16
Gasoline spills	25
Alarms - no fire	79
Malicious false	33
Assist to public	31
Medical Aid	14
Ambulance	380
Mutual aid - out-of-town	23
Miscellaneous	22
Accidental alarm	7

### BREAKDOWN OF AMBULANCE CALLS

Residents	137
Non-residents	209
Calls - no services rendered	32
False calls	4
Hampton Falls	10

### RUNS BY STATIONS\*

Town	283
Beach	228

\*Does not include ambulance calls.

### RUNS AND FIRE LOSS

Number of Alarms	Fire Loss
1966 - 171	\$213,500.00
1967 - 194	43,050.00
1968 - 346	124,450.00

1969 - 370	94,000.00
1970 - 371	45,000.00
1971 - 418	18,898.99
1972 - 415	* 138,133.49

\* Two fires not yet settled.

### FIRE PREVENTION

The fire inspection program is divided into two separate sections. A summary of activity is given below:

1. "In-Service" Company inspections	
Schools	10
Fire Drills	10
Fuel oil storage	3
Oil Burners	19
Complaints	2
Nursing Homes	1
Invalids	57
Factories and Stores	30
II. Inspections with Representative Building	
Inspectors Office	
A. Regular Inspections	
Places of Public Assembly	21
Oil Burners	10
Fuel Oil storage	4
Complaints	5
Nursing Homes	2
B. Certificate of Occupancy Inspections	
1. Seasonal Initial Inspections	40
2. Year Round Initial Inspections	10
	Re-inspections 10
C. Seasonal Business	
Alarment Buildings	20
Rooming Houses	15
Motels	5
Restaurant & Lounges	11

In addition to the above inspections the foot patrol was continued in the resort area on Friday, Saturday,

Sunday and Holiday nights from 9 P.M. to 1 A.M. These patrols checked places of assembly, hotels, motels, and rooming houses to assure compliance with fire and life safety regulations. During this time alleys were checked for accumulation of rubbish and other hazards which might contribute to a fire.

### TRAINING

On March 14, 1972 when the Department assumed responsibility for emergency ambulance service all members of the permanent force and several call men were already qualified with Advanced First Aid Certificates. This is a result of the regular training program that has been carried on for the last several years.

All permanent men and several call men have been licensed by the State of New Hampshire as ambulance attendants, a present requirement by State law.

Chief Long and Lieutenant Sullivan have completed seventy-one (71) hour courses and have received certificates as emergency medical technicians. Chief Long has completed additional training and has been certified as an E.M.T. Instructor Co-ordinator. Eight (8) permanent men have enrolled in an E.M.T. course to be held in the late winter of 1972-73.

Two thousand nine hundred and three man-hours of training was received by both permanent and call men. Sixteen major subjects were covered and increased emphasis has been given to emergency medical training. All permanent officers attend a seminar on command, tactics and pre-fire planning given by the State Fire Service Training Division.

The Department has participated in three drills where actual buildings have been burned for training. This is a very desirable form of training which is not always available.

The regular 3-day permanent men's school was held in the Spring. This session provides a review of all basic firefighting skills, department procedures and special techniques necessary to retain the high degree of efficiency that the department has attained.

## NEW VEHICLES

During the year the Department placed in service three (3) new vehicles.

Engine 1, a 1250 Mack Diesel Pumping Engine was placed in service at the Town Fire Station on Academy Avenue. This pumping engine now gives the town area an up-to-date and reliable First Line piece of apparatus which should reflect more efficient service and a reduction of rapidly increasing maintenance costs.

Ambulance 1, a Chevrolet Van Type Emergency Ambulance was placed in service at the beach station.

A new Chevrolet one-ton truck with a 28 foot articulating bucket was placed in service to maintain the Fire Alarm System and Traffic Signal Lights. This vehicle replaced a 1953 surplus truck with a used body and wooden extension ladder which was unsafe to operate.

During the summer season a second ambulance was placed in service on a rental basis to provide the additional coverage necessary during this PEAK PERIOD OF ACTIVITY.

It is with great pleasure that I report that two (2) members of the Department were cited for heroic acts during 1972.

Lieutenant William Sullivan was given an award by the Manchester Union-Leader and cited by the Selectmen of Hampton and North Hampton for his part in the rescue of a young girl in a house fire in North Hampton late in 1971.

Firefighter Barry Norris, along with Patrolman Raymond Smith of the Hampton Police Department was cited by the Board of Selectmen for the rescue of a hunter stranded on an island in the Hampton River. This rescue was accomplished in below freezing weather under adverse conditions.

I would like to emphasize in closing the tremendous increase in responsibility placed on the Fire Department by the rapid expansion in population and construction within the Town of Hampton. Demands for increased services are being met within the limitations of available

manpower and equipment. Maintenance of apparatus, repair and replacement of worn and damaged equipment are demanding an ever increasing expenditure of funds never before required by the Department. A sound, planned program of hose and equipment replacement must be allowed in order for the Department to maintain the existing apparatus in the condition necessary for the emergency service they are expected to perform.

I would like to express my thanks and appreciation to the members of the Hampton Police Department, the Public Works Department, and the many concerned citizens who have provided such valuable assistance to the Department.

Paul G. Long,  
Chief

## POLICE DEPARTMENT

### ADMINISTRATION

Personnel: Regular: 21  
Special: 37

Three additional police positions were added to this department.

Lt. Charles Garland was promoted to that rank and became this Department's Executive Officer . Sgt. William Ritchie was promoted to that rank and is in charge of a patrol shift.

### BUREAU OF CRIMINAL INVESTIGATION

The following figures show a comparison of the listed activities over a four-year period:

	<u>1969</u>	<u>1970</u>	<u>1971</u>	<u>1972</u>
Criminal Arrests	846	959	1328	1045
Motor Vehicle Arrests	1131	1090	1146	1273
Accident Investigations	460	315	353	340
Log Entries	10846	10483	10477	10555
Juvenile Arrests	218	310	518	444

Arrests for drug violations increased from 97 in 1970, to 219 in 1971, to 328 in 1972. Prosecution of the more serious violations for sale of drugs increased from 5 in 1970, to 19 in 1971, to 21 in 1972.

Continuing education in the drug field has been maintained by making the services of the Department available in school, community groups, as well as on an individual basis.

### JUVENILE

In the year 1972 we observed a slight decrease in the number of Juveniles arrested although our Juvenile Officer Sgt. MacDonald was in contact with more young

offenders. More work was able to be done within the homes with the cooperation of the families of the young people involved.

## TRAINING

During the past year, four regular officers were sent to the six week New Hampshire State Police Academy. The Academy covered all aspects in Law Enforcement.

Myself, along with Det. Sgt. Paul Cronin and Det. Norman Brown attended a one week seminar in Forensic Medicine which was sponsored by the New Hampshire Attorney General's Office and held at the University of New Hampshire.

Four regular officers attended a week long school covering the operation of this Department's new breathalyzer and are now certified breathalyzer operators.

During the year I have been able to have this Department recognized and certified by the State of New Hampshire Department of Education as a Training Institution to train Veterans On-The-Job. Presently we have two officers that are enrolled in this program and are receiving an allowance from the Veteran's Administration.

A continuing in-service training program on new procedures and new laws is being maintained.

Many of our officers are continuing their education while off-duty at Northeastern University in Boston and St. Anselm's in Manchester.

## SAFETY

Again this year our efforts in safety were recognized when the Town of Hampton was awarded a Pedestrian Safety Award for the year 1971.

We have been increasing our efforts in reducing the number of motor vehicle accidents involving drunken drivers. The State of New Hampshire presented this Department with a breathalyzer which is used for testing suspected drunken drivers. We presently have four officers that have been trained and have been certified as

Breathalyzer Operators. The following figures show the increase of persons arrested for operating under the influence over a four year period:

1969 - 64	1971 - 100
1970 - 69	1972 - 162

During 1972 numerous surveys were conducted by our Safety Officer Sgt. MacDonald. This resulted in many new warning and safety signs being erected throughout the Town.

Sgt. MacDonald has continued his excellent work surrounding safety in the schools and with civic groups.

#### SUMMARY

I would like to thank the Selectmen, the Town Manager, the Chief of the Fire Department and the Director of Public Works for their cooperation during the year 1972.

I would like to personally thank all the members of the Hampton Fire Department for their outstanding work and devotion to duty with the Hampton Fire Department Ambulance.

Statistics show that some aspects of law enforcement are on the increase while others show a decrease. Only with the continued assistance from the citizens of the Town of Hampton will we be able to effectively fight these increases.

Respectfully Submitted,

Clayton E. Bousquin  
Chief of Police

## PUBLIC WORKS DEPARTMENT

Personnel : Regular	29
Part Time	24

Your Public Works Department consists of four(4) major sections:

Waste Water Treatment Plant  
Solid Waste Disposal  
Maintenance Inspection & Quality Control  
Highway Maintenance & Construction

### WASTE WATER TREATMENT PLANT

In 1972 we processed 436,501,000 gallons of waste water and 339 tons of Solid Waste (sludge). Our average summer daily flow was 1,650,000 gallons, our peak daily flow was 3,309,000 gallons.

The Plant received 132,350 gallons of sludge from septic tank systems.

Chlorinating our effluent is a continuing 24 hours a day process. This year we utilized 46 tons (92,000 lbs) of chlorine.

Regular and preventative maintenance was performed on all plant equipment, which is a continuing process.

### SOLID WASTE DISPOSAL

Solid Waste Disposal (rubbish collection) is one of the most demanding jobs of the Public Works Department, and presents substantial difficulties in keeping men willing to undertake this type of work. Although the statement may seem repetitious in that I included it in my report each year, I will continue to do so as long as it is a fact.

Solid Waste is continuing to increase, below is a five (5) year comparison of compacted cubic yards of rubbish

collected. This does not include rubbish taken to the dump by our citizens.

1968 - 33,124 1970 - 37,180

1969 - 35,246 1971 - 42,171

1972 - 45,854

This year we used 12,162 cubic yards of gravel to cover our dump.

## MAINTENANCE INSPECTION & QUALITY CONTROL

During the year 420 catch basins were cleaned by hand and approximately 1,700 feet of storm drain line was cleaned and inspected.

This year this Section rebuilt 9 catch basins, 6 manholes, and relaid 250 feet of drain lines.

There were 80 sewer entrances into our sanitary sewer system, each requiring two or more inspections for a total of 200 inspections. In addition, 132 mains and/or laterals were located for contractors, water, gas, or telephone companies. We also made 80 inspections of sewerage systems in conjunction with the Building Inspector prior to the issuance of building permits.

This year 3,349 feet of sewer mains were cleaned, surveyed and/or sealed. This work was accomplished by Penetryn augmented by Town employees.

We respond on a 24 hour basis to unusual conditions surrounding sewer and storm drainage plug-ups. This section was called out 25 times on sewer plug-ups of which 7 were the town's responsibility, 18 were the responsibility of the property owner, and innumerable times for storm water flooding.

There were 32 septic tank systems installed in Hampton this year requiring percolation tests and two or more inspections.

This Section includes our mechanic and helper, they are responsible for the maintenance and preventative maintenance of all our vehicles and equipment.

## HIGHWAY MAINTENENCE & CONSTRUCTION

The following is a list of roads that were surfaced and/or resurfaced this year:

Winnacunnet Road	9,250 x 24
Lafayette Road	5,140 x 30
Landing Road	2,270 x 18
Roberts Drive	1,400 x 24
Acorn Road	1,190 x 12
Walnut Avenue	750 x 14
Plaice Cove	400 x 12
Viking Street	300 x 12
Ash Street	290 x 10
Toppan Street	240 x 14
Atlantic Avenue	200 x 20
Donna Lane	200 x 24
2nd Street	170 x 18
Exeter Road	6,935 x 22
High Street	3,420 x 24
Thorwald Street	1,700 x 12
Warner Lane	1,220 x 20
Emerald Street	820 x 14
Rosa Road	500 x 24
James Street	310 x 14
Sapphire Street	290 x 14
Crest Street	270 x 12
Shaw Street	230 x 14
Overlook Street	200 x 14
3rd Street	190 x 18
1st Street	150 x 18

Total - 38,355 linear feet

All town crosswalks and stop lines were painted twice this year.

The sidewalk on Lafayette Road from Odd Fellows Hall to Tobey Drug was reconstructed with concrete and granite curbing along with this the sidewalk on Ocean Blvd. between B and C was capped with hot top.

Again, as always, street signs have been a problem, over 300 signs were replaced due to **malicious vandalism**.

The street sweeper was utilized daily throughout the summer months. The main streets and side roads were cleaned every morning (7 days per week) during the beach season at the beach and as needed uptown.

Approximately 58,327 square yards of roads were seal-coated this year. This was accomplished by a contractor with the necessary special equipment. All roads were prepared for sealing by this Section.

Tuck Field drain is continuing we completed 4 catch basins and 454 feet of 24" pipe with 4 catch basins and 780 feet of pipe remaining to be completed.

There were 66 driveway entrance permits issued this year requiring 3 or more inspections.

The bridge at Taylor River on Towle Farm Road was repaired this year; we replaced the wooden guide rails on the bridge with steel and replaced 90% of the wooden guard rails and posts on the approach to the bridge.

We constructed a new salt shed and hot top ramp.

Part time personnel were used to assist this Section in maintaining seven (including Tuck Field) parks and five (5) intersections, mowing, trimming and raking and other maintenance activities requiring full time attention during the summer months. Along with this they also rebuilt 25 lawns in the Warner Lane area in conjunction with sewer construction.

Our records show that we received 107 inches of snow in 1972. We supplement our 5 pieces of snow removal equipment with an average of 12 contracted or hired pieces. The cost of hired equipment for 1972 was \$19,675.73. A four year comparison is as follows:

1969 -	\$25,081.00
1970 -	\$10,476.05
1971 -	\$12,022.94
1972 -	\$19,675.73

Our storm records show 13 rain and freezing rain storms requiring the use of extensive amounts of salt. This year we used 1,343 tons of salt.

Your Public Works Department will continue to work to its best ability, keeping in mind the ever increasing taxes, but you must bear in mind, if we continue to supply the services you require, then it is inevitable that taxes will increase.

GEORGE F. HARDARDT  
Director

## ASSESSOR

In 1972, the Town of Hampton experienced an increased assessed valuation in excess of four and three-quarter million dollars over the 1971 tax base. Largely responsible was the influx of multi-family housing units and construction of new single family dwellings on individual lots and within subdivisions. The chart below compares the two years indicated.

Town and Precinct Taxable Valuation		
	1971	1972
Land	\$19,235,905	\$19,591,265
Buildings	57,821,300	61,457,710
Factories	376,480	422,850
Utilities	4,055,520	4,581,580
Mobile Homes	282,370	547,970
Boats	136,550	95,150
	<hr/>	<hr/>
Gross Valuation	\$81,908,125	\$86,696,525
Elderly Exemptions	- 269,700	- 300,150
	<hr/>	<hr/>
Net Valuation	\$81,638,425	\$86,396,375

The following tables indicate the sources for most of the revenue from which the Town provides its services.

1972 Commitment to Tax Collector	
Town Taxes	\$3,369,458.63
Precinct Taxes	<u>86,202.06</u>
Gross Property Taxes	\$3,455,660.69
Veteran's Exemptions	<u>-45,000.00</u>
Net Property Tax	\$3,410,660.69

	Tax Rate	
	1971	1972
Municipal	\$12.30	\$13.50
County	1.80	2.20
Winn.Co-op	8.70	8.70
Elementary	13.40	14.60
Town Rate	\$36.20	\$39.00
Precinct	3.10	2.80
Precinct Rates	\$39.30	\$41.80

Numerous changes were instituted during the year to improve the records of this office in order to provide better information to the taxpayers, attorneys, banks, realtors, appraisers and others whom we serve. Completed under this program were a history of title, where available, on each property card indicating present ownership, tax stamps, when and from whom acquired and Registry of Deeds volume and page references. Another valuable addition was the compilation of a directory listing property owners by street address. Both the property card and directory records are perpetual systems which are revised each month as changes occur. In cooperation with the Town Engineer, tax map corrections were undertaken; some previously unmapped areas were plotted; and efforts instituted to delineate other lands remaining uncharted, excluding marshland. The primary task to be implemented during the months ahead will be an equalization program to return assessed valuations of land and buildings to full market value, inasmuch as those established during the 1968 revaluation have been eroded by inflation.

A major legislative change to the assessing process was the passage of an interim current use law for certain farm and forest land, or the so-called "open space" bill. The result of this preferential tax treatment was a loss to the Town of \$78,710 in assessed valuation. Since the measure does not provide reimbursement, this loss was borne by the taxpayers.

While on the subject of exemptions, an increasing concern of this office is the apparent misunderstanding by many regarding the exemption for war service and the exemption for persons over seventy. Many people who would otherwise qualify do not appear to be aware that application for either must be made annually. In addition to the one time filing of a permanent blue card, a veteran or his widow must also sign and return the Inventory of Taxable Property form which is mailed to owners of record the last week in March. Persons seeking elderly exemption must obtain the required State form in person at this office. In both instances, the completed forms must be filed with the Assessor between April 1 and April 15 of each and every year.

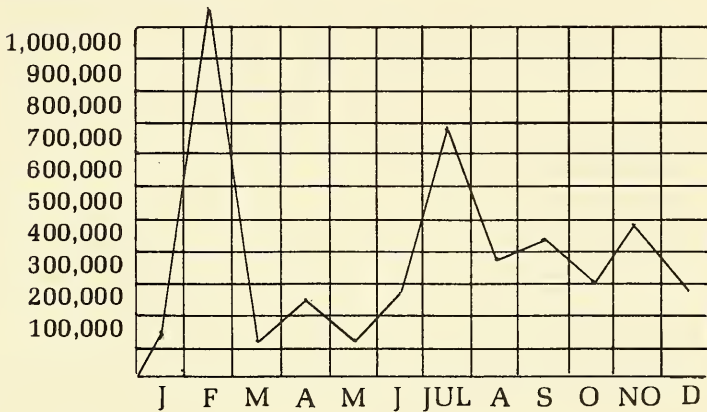

Respectfully submitted,

Howard Promer  
Assessor

## BUILDING INSPECTOR

The Building Inspection Department consists of 2 full-time personnel, the Building Inspector and the Health and Code Enforcement Officer/Health Officer (Assistant Building Inspector).

The total cost of construction for the year 1972 was \$4,973,577, an increase of \$445,885 from 1971. There were 527 building permits issued. The chart below shows a breakdown by months.

JAN 157,477	JUL 797,597
FEB 1,267,536	AUG 391,411
MAR 120,411	SEP 456,530
APR 275,153	OCT 300,150
MAY 123,231	NOV 499,570
JUN 288,369	DEC 296,142

Permits issued by classification:

HOUSEKEEPING RESIDENTIAL BUILDINGS	
One-Family houses	51
Two-Family houses	4
Three & Four family houses	13
MOBILE HOMES	33

ALL OTHER NEW BUILDINGS AND STRUCTURES

Transient hotels, motels, tourist courts	2
Residential garages and carports	20
Service stations and repair garages	1
Stores	1
Swimming pools	15

DEMOLITION AND RAZING OF BUILDINGS

Residential	9
Other	5

ADDITIONS, ALTERATIONS AND CONVERSIONS

Housekeeping residential buildings	233
All other buildings and structures	40

MULTI-FAMILY HOUSES OVER \$100,000 cost (123 units) 3

MISCELLANEOUS 97

Total 527

Total number of new housing units - 238

Twenty-three (23) building violations were discovered during the year 1972.

Building permit fees collected for the year 1972 were \$18,218.00 as compared to \$16,466.50 for the year 1971.

The Building Inspector and his assistant are members of the New Hampshire Building Officials Association and Code Administrators International.

Enforcement of the Certificate of Occupancy ordinance is under the supervision of the Assistant Building Inspector. His inspections are conducted along with the program instituted by the Fire Department to ensure a coordinated effort by both Departments in implementing the Certificate of Occupancy ordinance.

The Building Inspector has just recently completed a Zoning Seminar co-sponsored by the New Hampshire Municipal Association and the New Hampshire Office of State Planning.

This Department will continue to serve the community in the best manner possible.

ALFRED L. JAQUES  
Building Inspector

## CONSERVATION COMMISSION

The past year has been one of varied activities for the Hampton Conservation Commission.

Perhaps our best effort of the year was the coordination of Clean-up Day last Spring. Although undertaken with short notice, we were able to exceed all previous clean-up efforts in Hampton. About 40 volunteers, mostly school age children, turned out to assist and several truckloads of debris were removed from Hampton's roads, primarily at Five Corners, Lafayette Road, and Exeter Road.

In order for this project to be more successful, more volunteers, especially adults will be needed. The Commission hopes that with more time to plan, the 1973 effort will be greatly advanced.

We have followed with interest the proposal of Public Service Company to build a nuclear powered electric generating station on the marsh at Seabrook. The Commission has testified at the Site Evaluation Committee hearings on the plant in matters that relate to Hampton.

We met formally with Hampton's Planning Board on one occasion to discuss matters of mutual interest. We believe that further meetings between the two should be held to the future benefit of the town.

The Commission has testified or given various statements before various state and federal boards during the year. We corresponded with the General Service Administration regarding the acquisition of the former Coast Guard land at Hampton Harbor, and feel our participation contributed to the town's effort in acquiring the land. Commission members were active last spring in circulating petitions opposing the removal of sand and gravel from the ocean off Hampton Beach.

This year the Commission joined the New Hampshire Association of Conservation Commissions.

The Commission has closely followed the Flood Plain Zone mapping project that was carried out on the Hampton Marsh this summer on a joint, local-state-federal project.

The Commission continues its concern over the future of Hampton's tidal marshes. The continued unplanned growth of Hampton Beach threatens these vital natural resource areas and if the state is not going to be able to pass effective legislation, then we believe that the time is at hand when local action should be taken.

In its concerns for the town, the Commission also expresses a belief that more open space should be acquired in the upland portions of the community, particularly west of Route 1, where much undeveloped land remains.

The Commission is actively seeking gifts of land, both in the marshes and in the upland areas, that would be preserved as open space. Citizens who would like to discuss deeding land over to the Commission may contact us through the Town Office.

Respectfully submitted,

Peter Randall, Chairman  
Nelson Grant  
Stillman Hobbs  
Ruth Nutter  
Irene Palmer

## LIBRARY REPORT

I submit the report from the Lane Memorial Library for the year 1972.

### Circulation:

Adult fiction .....	25,814
Adult Non-fiction .....	15,236
Records .....	2,514
Magazines .....	2,669
Pamphlets .....	142
Art .....	5
Juvenile Fiction .....	15,231
Juvenile Non-fiction .....	5237
TOTAL .....	66,848

Registered Borrowers ..... 4,450

### Books Purchased:

Adult .....	865
Juvenile .....	464
Reference .....	113
TOTAL .....	1,442 vol.

State Library and Interlibrary loans which we have borrowed:

State Library at Concord .....	103
Bookmobile from Exeter .....	2,154
Other Libraries .....	35
TOTAL .....	2,292

We are able to offer an additional service to the community with the installation of a copying machine for public use at 10¢ per copy.

The Friends of the Library have continued their interest and support of the library. The Children's Room Project has been completed and plans are being formulated for redecorating the reading room. Through donations from the Mother's Circle and the Friends of the Library, we have been able to purchase two films to start

a collection of films for the library programs and for club programs in the community. Members of the Hampton Garden Club have been very generous with floral decorations as well as providing several magazine subscriptions. The Salty Marsh Garden Club has continued its interest in the landscaping of the library grounds. Oceanside Grange and Hampton Rotary Club have each donated \$100.00 towards the purchase of additional books. This year the purchases were mainly in the craft field.

All of this community assistance plus the continued support of the taxpayers of Hampton has greatly benefitted the library. This in turn enables us to offer you of the community better library service.

Wednesday 10-8 p.m.  
Thursday 10-5 p.m.  
Friday 10-5 p.m.  
Saturday 10-5 p.m.

Charlotte M. Hutton, Librarian

## THE SEACOAST HOME HEALTH ASSOCIATION

The Seacoast Home Health Association serving the towns of North Hampton, Hampton, Hampton Falls, and Seabrook is most commonly known as "The Visiting Nurse Association", but its scope has become far wider.

Because of both Federal and State requirements, Home Health Care may also mean teaching a member of the family to properly care for a child, or anyone in the home who is ill. It also means checking and following up on T.B. cases, operating a "Well Child Clinic", assisting School Nurses (at their request) with an immunization clinic, - and much more than giving a bed-bath or a shot, although the latter are necessary.

The following report of our Nurse Supervisor, Mrs. Doris Gardner, gives an excellent picture of the growth and activity of our Association:

"Since the Seacoast Home Health Association was established three years ago, there has been a steady increase in the number of calls made each year. From 2,089 in the year ending June 30, 1970, to 3,886 in the year ending June 30, 1972. Due to the increase in case load, our Staff now consists of three full time Registered Nurses, and one part time Licensed Practical Nurse. In addition to the nursing staff our agency now has under contract a physical and occupational therapist. The service of a speech therapist is available when required.

There are 44 children from our area being followed by the State Crippled Children service. We make visits to these families at the request of the State Public Health Nurse when there is any problem regarding appointments or medications.

Our Well Child Clinic, which was started in May 1971 at the request of the State, has been well received. It has been proven that there is a definite need for this service as we now have 248 children enrolled, and have discharged 98. Services provided at the clinic include Physical Examinations by Dr. Whitney, a complete immunization program, routine hemoglobin, counseling regarding dental care by a State Dental Hygienist, and

Nutrition counseling by Rockingham County Home Economist. Growth and development assessments are done by agency nurses, and follow-up home visits WHEN REQUESTED BY THE PHYSICIAN. The outreach worker at our clinic has referred 81 patients to the Family Planning Clinic in Exeter, and 11 children have been referred to the Crippled Children Service, Pediatric, Diagnostic, or Heart Clinics.

The Well Child Clinic is funded by the State with regard to supplies and salary of the doctor, and due to the generosity of the Trinity United Church of Seabrook, N.H. is held the first Friday in each month at their Parish House located on Lafayette Road. Appointments must be made in advance.

Our last report showed 9 patients being followed under the State T.B. Program. Currently our records show that this has increased to 14. Monthly visits are made to check on medications and x-ray appointments.

Members of the staff have taken advantage of any educational opportunities offered in the area, some of which include a monthly pediatric conference presented by the doctors from the Exeter Clinic, bi-monthly conferences given at the Exeter Hospital on Cancer, programs presented by the State on T.B., Maternal and Child Health conferences at the University of New Hampshire, as well as workshops on Arthritis, Stroke, Nutrition, Cystic Fibrosis and re-habilitation nursing."

Doris Gardner, Nurse Supervisor.

Between July 1, 1972 and December 31, 1972, 2113 calls have been made by our nurses, an increase of 212 over the same period last year. 458 of these calls have been free.

The fiscal year of the Association runs from July 1, to July 1 each year, but the Annual Meeting is held the second Tuesday in January. This makes budgeting a bit difficult as the need increases. We must bear in mind that the population of all southern New Hampshire towns has increased very rapidly during the past few years.

On behalf of the Board of Directors I wish to express our appreciation to the four towns involved, to the organizations and private citizens who have contributed to this worthwhile work, and the ladies who have given volunteer service at the Well Child Clinic.

The Board is very proud of our Staff who are dedicated and conscientious nurses, and of our efficient part-time Secretary.

On January 1, 1973, it was necessary to move to larger quarters at 33 Winnacunnet Road, Hampton, where our nurses may be reached at phone number 926-2066.

Helen W. Hayden, President  
Seacoast Home Health Association

## TOWN CLERK'S REPORT

The following report is submitted by the Incumbent Town Clerk, and information compiled from when the office was assumed by him on March 11, 1972 to December 29, 1972.

### Vital Statistics:

Births - 128 Children born to Hampton residents.

Deaths - 42 deaths occurred in Hampton, 24 of which were residents. 46 Hampton residents died outside of the Town in area hospitals, towns or other States.

Marriages - 102 marriage licenses were issued, with 68 being issued to either the bride or groom who were residents. 19 licenses, copies of which were received for filing, were residents who filed their intentions in other towns or cities.

All reports requiring to be filed with the various State Departments have been complied with.

### Permits Issued:

Motor vehicle - 5103

Sewer permits - 77

Pistol permits - 59

Beano permits - 8

### Licenses issued:

Dogs - 783

Marriage (Prev. Listed)

Misc. - 9(Incl. peddlers, Dance halls, theaters,  
billiard tables, bowling alleys)

Town Leases were drawn and Selectmen's signatures witnessed by the Clerk. All leases were properly filed.

Records of all appointments, recorded plans, filings and licenses duly recorded.

The duty of registering absentee voters falls within the responsibility of the Clerk's office, and a record number of voting was experienced this past year.

Your Town Clerk has attended area and State conferences concerning Motor Vehicle and Title laws, their changes and revisions. Most important of which will simplify registering of N.H. vehicles in the future.

During the year the Town Clerk has officiated at 2 elections and public hearings.

My sincere thanks to those of you who have made it possible for me to administer to the duties of this office and to the needs of each resident.

Respectfully submitted,

ROGER P. HAMMOND  
Town Clerk

## RECREATION DEPARTMENT

The first full time Recreation Department for the town of Hampton, began operation on July 10, 1972.

During the last six month period (July 10 - Dec.31, 1972) the following programs and events were run by the Recreation Department:

- Arts & Crafts
- Sports Films
- Yoga Classes
- Tennis Lessons
- Senior Citizens club
- Bowling
- First Aid Class
- Dance Classes
- Men's Volleyball
- Summer Playground program
- Baton Classes
- Basketball League
- Women's Volleyball
- Boys Chorus
- Halloween Parade & Party
- Project Access - Crafts
- Pick-up Basketball
- Christmas Vacation-Drop in Center
- Adult Tennis Lessons

Recreation is not a tangible, static thing, but a vital force influencing the lives of people and the community. It is essential to happiness and satisfaction in living. Through recreation the individual grows and develops his powers and personality.

Recreation is an important part of the total being of man and is too important to be overlooked and left to chance. We pledge to meet the ever increasing demands for year round, planned recreation for all the citizens of Hampton.

I would like to take this opportunity to thank many of the towns civic organizations, business es-

tablishments, educators, town departments, and many other organizations and individuals too numerous to mention for their help. We certainly look forward to their continued support.

Neal R. Socha  
Recreation Director

**REPORT OF THE ANNUAL TOWN MEETING,  
PRIMARY ELECTION  
AND  
ELECTION OF HAMPTON SCHOOL DISTRICT  
OFFICERS**

HAMPTON JUNIOR HIGH SCHOOL CAFETORIUM,  
HAMPTON, N.H.

March 7, 1972

At ten o'clock in the forenoon Moderator H. Alfred Casassa declared that a quorum being present, the Meeting was open.

Election Workers were sworn in by the Moderator.

Mr. Casassa announced that in accordance with the vote of the Hampton School District in 1970, the District Officers are to be elected at the Annual Town Meeting with separate ballot.

Mr. Carl C. Bragg, School District Moderator, read the Warrant for Election of School District Officers, and the Return.

Moderator Casassa read the Primary Notice, and the Return on the Warrant for Annual Town Meeting March 7, 1972.

Roland Paige moved that the reading of the entire Warrant be waived. Seconded. SO VOTED.

Motion by Roland Paige that the Polls for voting remain open until eight o'clock in the evening was seconded, and SO VOTED.

The Moderator announced that the Ballot Boxes had been inspected and that the Polls for Voting were open.

Selectman Walter F. Vanderpool made the motion that Article 18, and Articles 22 through 33 be voted by Australian Ballot on March 7, 1972. Seconded by Selectman Fred A. White, Jr. SO VOTED.

Selectman Walter F. Vanderpool made the motion that action on Articles 2 through 17, Articles 19 and 20, and Articles 21 through 34 be postponed until Saturday, March 11, 1972 at ten o'clock in the forenoon at Win-

nacunnet High School. Seconded by Selectman Fred A. White, Jr. SO VOTED.

Moderator Casassa explained the voting procedure on Bond Issues which will be done on March 11th. He then declared the meeting postponed until that date in accordance with the previous vote.

Respectfully submitted,

Helen W. Hayden, Town Clerk

Roger P. Hammond  
Clerk

**Postponed Town Meeting, Hampton, New Hampshire  
Winnacunnet Cooperative High School  
March 11, 1972**

In accordance with the vote taken on Tuesday, March 7, 1972, at the beginning of the Annual Town Meeting, Moderator H. Alfred Casassa opened the postponed meeting at ten o'clock in the forenoon March 11, at Winnacunnet High School. Mr. Casassa declared that a quorum was present.

Following the Salute to the Flag, Reverend Donald Rankin of the First Congregational Church gave the Invocation.

There were approximately 450 people present.

The Moderator explained the procedure of voting on Bond Issues of over \$100,000.

Voting will be by Yes and No Ballot.

The Check-list will be used

Following discussion on the issues the Polls will remain open until at least four o'clock in the afternoon.

A two-thirds vote is required for passage.

ARTICLE 1. Was voted on March 7th, 1972 and result recorded.

ARTICLE 2. George Hardardt moved that discussion on Articles 2 and 3 be done prior to taking a recess for voting. Seconded by John Long. SO VOTED.

In reply to questions the Moderator explained that ballots were identified by the subject printed on the ballot, and by different color.

Bond issues are voted first on the Warrant by State Statute.

The Moderator read Article 2, and recognized Selectman Fred A. White, Jr.

Motion by Mr. White:

(A) I move that we appropriate the sum of \$380,000 for the purpose of financing, constructing and equipping a new Municipal Building to house the functions now conducted in the Up-town Fire Station, Martel Building,

Town Offices, and the Court Facility and Up-town Public reception and communications center, including land acquisition, easements and rights of way as may be required. The sum of \$380,000 to be raised by the issuance of serial bonds or notes of the Town, not exceeding the sum of \$380,000 under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the New Hampshire Revised Statutes Annotated and any amendments thereto) and any other enabling authority:

(B) Authorize the Selectmen to issue and sell such bonds or notes and determine the rate of interest to be paid thereon as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Hampton, New Hampshire.

(C) Authorize the Selectmen to acquire land or interests in land, to enter into agreements and contracts and to take other action necessary to complete the said Municipal Building project and to apply for and to accept state or federal grants in aid of said project: and

(D) Any other action in connection with the foregoing matters or any of them.

Seconded by Selectman Francis H. Fitzgerald.

Mr. White thanked the people who came today to participate in our Democratic form of government on behalf of the Board of Selectmen.

Ansell W. Palmer, Chairman of the Municipal Budget Committee, stated that as a result of the study by the Committee, they wholeheartedly recommended passage of this article. There was only one Budget Member in opposition.

The Board of Selectmen have facts and figures to show the need for this building.

The Planning Board and Department Heads and the Selectmen have done their homework.

Town Manager Norman Cole showed a chart of tax rate progress. The Town portion of the Tax Rate reduced 30¢ in 1971. There has only been 70¢ per thousand increase during a 3 year period, which has been a period of growth in Hampton.

Increased revenues: Land Rents increased by \$5,000 in 1971.

Taxing 32 lots previously leased to Hampton Improvement Company has brought in between 15 and 20 thousand dollars.

Due to the Capital Improvement Program it is possible to build this building at a cost of only about 35¢ on the tax rate.

The Planning Board appointed a sub-committee of which Raymond Garnett is the Chairman. An expression of opinion will be taken as to the type of structure:

1. Contemporary
2. Traditional

Also, which way should the building face?  
Academy Avenue, or Winnacunnet Road.

Public Hearings have been held on this subject. Two years ago a Capital Improvement Program was adopted formally. Informally 3 years ago. By this means items of substantial cost are evaluated and assigned priority. The Planning Board evaluates and determines priority by need. This method stabilizes the Tax Rate. Next year if everything voted it will be about the same. (Chart shown)

If secondary treatment design is voted the tax rate will change.

The 35¢ increase is only on:

- Landing Road Interceptor
- Municipal Building
- Repair to Police Station.

Visitors were asked to sit in the assigned areas, and it was announced that the ladies of the Methodist Church would serve lunch in the Cafe. Tax Collector Brown is selling Assessment records which were previously printed, at the rear of the Hall.

The Moderator introduced Raymond Garnett, Planning Board Sub-Committee Chairman and Chairman of the Building Committee.

Mr. Garnett explained the need of additional facilities for town business, and the proposed combination of the services rendered at the Martel House, Court Room, Fire Station, and Town Offices. The Court Room is not adequate, and the State Judiciary Committee requires a change. The District Court brings in revenue of about \$60,000 per year, of which between 30 and 40 thousand dollars goes into the General Fund.

There are only 2 bays at the Fire Station and another is needed to house new equipment according to the Board of Fire Underwriters. This will be a multi-purpose complex. Mr. Garnett then introduced the Architects of the firm of Dennis and Tambling.

Mr. Phil Tambling showed a chart and plan of the alternate plans for the proposed Municipal Building and explained in detail the proposed structure. (See recorded pictures and plan.)

Much discussion followed and many questions were answered.

Motion by George Hardardt to end discussion was defeated.

The expression of opinion taken showed a nearly unanimous preference for the building facing Winnacunnet Road. The Contemporary plan was preferred.

Selectman Walter Vanderpool made the amendment to Article 2 that the sum of \$380,000 be reduced to \$346,000. Seconded by Ashton Norton. SO VOTED.

### ARTICLE 3. Landing Road Interceptor

The Chair recognized Manager Cole who showed a chart of the area serviced by this Interceptor. This is to be funded by State Funds. The Federal Share is not bonded. The Town will be reimbursed for the State Share. The cost will be possibly \$80,000 over a ten year period.

George Hardardt, the Head of the Public Works Department showed plans on the screen. He explained that the present line was built in 1951. It is only a 10 inch line, and was planned to last until 1971. It did. The Landing Road Apartments have not caused the necessity for this line. There will be 11, 531 feet of 30" pipe maximum - reducing to a 24" minimum. Had they had the foresight to

use larger pipe in 1951 it would not now be necessary. We are planning now for 50 years, and this will handle what is projected as the maximum density of the Town. The new line will go cross country via Tide Mill Road, by Landing Apartments, across to Lafayette Road, and will turn slightly west toward the railroad at Palmer and Sicard's place of business, continuing on to the bridge at Exeter Road. Mr. Hardardt said that this Interceptor is "a must or we will have to foot a bill of \$750,000 ourselves". If Article 3 does not pass, we will not be able to obtain money for sewer from the Federal Government.

In reply to a question, Assessor Howard Promer said that additional assessment for sewer was poor assessing. Fair market value is the basis.

Selectman Francis Fitzgerald told the people that the schedule for construction of sewer lines in Hampton was now before the Water Pollution Board. The needed areas will be taken care of according to priority. Hampton was one of the first towns in the State to install Primary Treatment in 1933 - 34. We must vote for Secondary Treatment, and also Regional Planning to be eligible for help from Government agencies.

Victor Lessard asked if building could continue in the western part of town if the Secondary treatment was not voted.

Dept. Head George Hardardt replied that no units can enter the sewer in one-third of the town - which includes the business section - if this is defeated.

The previous question was moved by Wilfred Cunningham. Seconded. Unanimously voted.

The Moderator declared a recess of the Meeting until 2:15 P.M.

Asst. Moderator Carl C. Bragg brought the ballot boxes for inspection.

The Polls were declared open and will remain open until 5 P.M.

The Meeting re-convened at 2:15 P.M.

Moderator Casassa introduced Roger P. Hammond, Town Clerk Elect.

He then recognized Chairman of the Board, Walter F. Vanderpool, who presented newly elected Selectman

Helen W. Hayden with a certificate of appreciation for her service to the Community as Town Clerk for the past 19 years.

The following resolution of thanks and best wishes was then unanimously voted by the Assembly, and she was given a standing ovation.

RESOLUTION:

HELEN W. HAYDEN, TOWN CLERK 19 YEARS

WHEREAS: HELEN HAYDEN retires as Town Clerk of Hampton, this day, after 19 years of Service,

AND WHEREAS: Her knowledge, enthusiasm and complete dedication to the welfare of this Town and its people did provide the highest level of Service to all,

AND WHEREAS: Although her tasks in fulfilling her responsibilities as Town Clerk were demanding; she also gave freely of her time and talent in the interest of other civic activities.

AND WHEREAS: Her qualities of mind, spirit and character were exemplified through the many friendships she enjoyed.

NOW THEREFORE, Be it resolved, that we the Board of Selectmen of Hampton hereby express our sincere appreciation for her long term of service to this community and wish her every success in any future endeavor.

We direct that this expression of esteem be recorded in the records of this meeting and that a suitably framed Proclamation of this Resolution be presented to her.

Signed: Walter F. Vanderpool

Francis H. Fitzgerald

Fred A. White, Jr.

Selectmen of Hampton, N.H.

When Mrs. Hayden found her voice, she thanked the Board of Selectmen and expressed her gratitude to the people of Hampton for their confidence and support.

SELECTMAN FRANCIS H. FITZGERALD then presented an award to Walter F. Vanderpool, retiring Selectman, for his dedicated service to the Town of Hampton during the past six years. The Board of Selectmen presented this Certificate in recognition and

appreciation for his Service, and for that of his wife Audrey for her time in this connection.

Mr. Vanderpool thanked the people for the opportunity to serve them, and commended the present Officials, the Town Manager and Department Heads for their fine work in the government of Hampton. He said that serving six years as a Selectman was truly an experience he would never forget. Standing ovation.

#### ARTICLE 4. Secondary Treatment

Selectman Fred A. White, Jr. moved the adoption of Article 4 as read. Seconded by Selectman Francis H. Fitzgerald.

The Moderator recognized Town Manager Cole, who said "The Town Engineer, the Selectmen, and myself are aware that if we want Federal Funds for sewer work we must submit a schedule for Secondary Treatment funds. This cannot be put off until next year. If Article 4 is not passed, and Article 2 is passed, we can have no funds for Article 2".

Engineer Bowers explained secondary treatment required since July of 1971.

Mr. Cole said that we had a forward looking Board years ago. Primary treatment is good, but not enough now.

Former Selectman David Colt told the assembly that the laurels should go to the late Fred Batchelder and Mrs. Margaret Wingate who worked so hard for the Primary Sewer Plant.

Most of the proposed appropriation will come back to the TOWN.

Article 4 was passed with only 5 persons opposed. The Chair declared that the article was passed by over a 2/3 vote.

#### ARTICLE 5. Repair of Police Station

Robert Bridle moved that Article 5 be adopted as read. Seconded by Clifford Eastman, Sr. Mr. Bridle's motion was passed by the necessary vote. Only 15 persons opposed. The Chair declared that it passed by the necessary 2/3.

ARTICLE 6. Borrowing Money in Anticipation of Taxes

Roland Paige moved that Article 6 be adopted as read. Seconded by R.V. Lessard. SO VOTED

ARTICLE 7. Power to Accept, Administer & Sell Land Acquired by Tax Deed.

Edward Dunham moved that Article 7 be passed as read. Seconded by R.V. Lessard.

Amendment offered by George Hammond: To cross out all words after 'Public Auction' and add the word 'only'. Seconded

Mr. Hammond's motion was defeated.

Mr. David Colt said that the people should have more faith in the Board of Selectmen.

Amendment by Peter Randall:

To see if the town will vote its approval for any sale of property acquired through tax deeds, except to the original owner or his heirs or assigns, through public auction only and further that all salt marsh acquired in this manner be retained by the town and to be under the jurisdiction of the Conservation Commission.

(The intent of this amendment is to require voter approval for the sale of any property acquired by this town through tax deed.)

Seconded by Stephen Peiker.

This amendment was defeated.

Amendment by Stephen Peiker: to add "except that no parcel of land over 10 acres, or of marshland may be sold without prior public hearing. Seconded.

This amendment PASSED.

Article 7 passed as amended.

ARTICLE 8. Budget

The Report of the Municipal Budget Committee was given by Chairman Ansell W. Palmer, "The total operating budget recommended by the Municipal Budget Committee for 1972 expenditure is \$1,705,170. The anticipated income for 1972 is \$661,687. The net balance of the operating budget over the anticipated income is \$1,-043,483 which must be raised by property taxes. This is an increase of \$112,185 (or 12%) over last year. By adding the four Special Articles, Conservation Commission,

Part of the Secondary Treatment Design (\$50,000), Mason Property, and Regional Planning, direct expenditure of appropriated tax dollars will be required.

The amount to be raised by property taxes now becomes approximately \$1,137,896, an increase of \$196,050 over last year, or slightly over 20%. This is not as bad as it appears since most of the \$50,000 will come back to us next year as revenue to reduce taxes. The net effect of all this is to increase our tax rate by something just under \$2.00. The Budget Committee held a total of nine meetings which included 2 public hearings during the preparation of this budget. Information gathered by our Budget Committee and Town Dept. Sub-Committees assisted in finalizing the budget being presented to you.

Of the 37 accounts listed in the operating budget, twenty-one show an increase, three a decrease, and 13 no change. This year a change in the listing of the operating budget was required. No receipts are listed under specific line items as was the practice last year. All are included under revenues as receipts from the operating budget accounts, and total \$75,000. By so doing, some line item account increases appear larger than would normally be the case otherwise. One example of this is the Taxation and Engineering account. This shows an increase of \$27,047. Approximately \$17,000 of this increase is due to building permit fees received last year and listed as receipts under this account. \$6,330 in this same account is for our new Code and Health Inspector which amount is funded by the Federal Government.

The Budget Committee granted the requested wage and salary increases of approximately 7% in all town departments. The increases are consistent with those granted in the Hampton School District Budget.

Accounts showing major increases are:

Police Department: Up \$35,000 for an increase in personnel by use of Special Officers and wage increases. The Committee reduced the original request by \$12,000 which was allocated for the addition of 3 regular officers. The Committee felt that the same protection could be provided by use of special officers at a lower cost.

Fire Department: Up \$38,000 for the addition of 2 firemen and wage increases.

Highways and Bridges: Up \$25,000 mainly for highway resurfacing.

Annual Charges: Up \$40,000 for the new fire engine pumper ordered last year.

District Court Account: Increased by \$8,500, \$4,000 of which was to provide funds for a youth probation officer. It was felt by all that such an officer would be of great benefit to young people appearing in our court.

The New Equipment Account is reduced by \$34,000 to \$0. We are buying no new equipment under this account this year.

In concluding this report, I would like to say as Chairman of the Budget Committee, that we, as a committee, spent many hours finalizing this budget with the hope of providing you, the taxpayer, with sufficient town services, yet with the thought of keeping the expenditures within your ability to pay.

On behalf of the Budget Committee, I wish to thank the Selectmen, The Town Manager, the Town Department Heads, and all those who helped in preparing this budget.

Respectfully submitted,  
Ansell W. Palmer  
Chairman  
Hampton Municipal Budget Committee

Mr. Palmer made the motion that the sum of \$1,705,170 be raised and appropriated for the support of the town, for payment of salaries for Town Officers and Agents, and for the payment of the statutory obligations of the town. Seconded by John Woodburn.

Mr. Palmer was given a rising vote of thanks and told that he was the only unpaid person on the stage.

The Moderator commented that on a per hour basis the Moderator was not far behind.

Selectman Fred A. White, Jr. told the assembly that this was not a Budget Committee Budget, but the com-

bined efforts of Department Heads, Selectmen and Manager and Budget Committee.

Francis X. McNeil moved that the figure of \$1,000 for Volunteer Ambulance Corp be amended to read \$35,000.

Selectman Walter Vanderpool said that this was a surprise to the Board as the Corp had not requested money when the budget was being prepared. He felt that if the town was to furnish that amount of money the Ambulance should be under town direction.

Following much discussion, Daniel Maloney moved the previous question. Seconded by Margaret Lawrence. So Voted.

Mr. McNeil's amendment **did not pass.**

David Batchelder gave an excellent presentation of the problem of Mental Health and moved that Account 403, Mental Health, be increased by \$1,500 making a total of \$3,000. Seconded by James Fallon. Discussion.

Daniel Maloney moved the previous question. Seconded by George Hammond. So Voted.

When the vote was taken the Moderator was in doubt, and appointed tellers: Roland Paige, George Hardardt, George Hammond and Bruce Russell.

Mr. Batchelder's amendment was passed. 126 in favor, and 105 opposed.

Arthur Moody spoke of the need of more reference books in the library.

He moved that the library account be increased by the sum of \$450 for reference books. Helene Joiner spoke in approval. Mr. Moody's motion was seconded by R.V. Lessard.

Daniel Maloney moved the previous question. Seconded. So Voted.

Mr. Moody's amendment was **defeated.**

Arthur Farrell made the motion that the sum of \$8,400 be raised and appropriated for the Seacoast Home Health Association. This amended the recommended amount of \$5,000 by \$3,400. Seconded by Lorraine Williams.

Mr. Farrell gave facts and figures and explained that other towns appropriated \$1.00 per capita for this much-needed service.

Daniel Maloney moved the previous question. Seconded. So Voted.

Mr. Farrell's amendment was **defeated**.

James Fallon moved the Police budget be increased by \$12,916. Seconded by W. Vanderpool. Mr. Vanderpool said he admired Chief Bousquin's concern for the safety of his men. The extra money will provide enough personnel so that no officer will patrol alone at night. The Budget Committee felt that Special Officers could be used for this purpose, but Manager Cole explained that it would cost more to use Special Officers. Lucille Batchelder felt that safety should be considered over all else.

Daniel Maloney moved the previous question. Seconded. So Voted.

Tellers appointed: R. Paige, G. Hardardt, L. Orme, and D. Daigneault.

Mr. Fallon's amendment passed. 136 in favor. 91 opposed.

Donald Daigneault made the amendment that the amount recommended by the Budget Committee for the Youth Association be increased by \$2,030.

Seconded by D. Maloney.

Mr. Daigneault's amendment was passed.

The Budget was passed as amended in the amount of \$1,721,616. The amount to be raised by taxation is \$1,059,929 **without** Special Articles.

Richard Stebbins moved that the Meeting be adjourned until next Saturday at ten o'clock. Seconded by David Colt. **Not passed**.

Selectman Vanderpool moved that the meeting be adjourned until 6:45 P.M.

Seconded by Robert Bridle.

Melody Dahl made the amendment that the meeting not be adjourned until the results of the voting on Bond Issues could be announced. Seconded by R.V. Lessard.

Mr. Vanderpool withdrew his motion, and then moved that the Assembly adjourn immediately following the announcement of voting by ballot, for 1½ hours. Seconded by A. Norton. So Voted.

Mr. Lessard moved that Article 20 be taken up while waiting. The approval of the assembly was received to take up Article 20, and then Article 12.

ARTICLE 20. American Revolution Bicentennial

Harold Fernald moved that Article 20 be accepted as read. Seconded by Peter Randall. So Voted.

(Note): Committee appointed at the March 24th meeting of the Board of Selectmen: Arthur Moody, Ed-napearl Parr, Ronald Bourgeault, Harold Fernald and Samuel A. Towle.

ARTICLE 12. \$500 for Conservation Commission.

Peter Randall moved that Article 12 be voted as read. Seconded by Kenneth Malcolm. Discussion. Arthur Moody moved the previous question. Seconded. So Voted.

Article 12 was passed as read.

RESULT OF VOTING ON BOND ISSUES:

Bond Issue for Municipal Building: DID NOT PASS

Number of votes cast.....	636
Necessary to pass.....	424 (2/3 vote)
In favor .....	278
Opposed .....	358

Bond Issue for Interceptor-Landing Road: PASSED

Number of votes cast.....	630
Necessary to pass .....	420
In favor .....	448
Opposed .....	182

The Meeting recessed for 1½ hours.

Reconvened at 7 P.M.

ARTICLE 9. Purchase of Mason Property, Winnacunnet Road.

The motion was made by Selectman Fred A. White, Jr. that Article 9 be passed as read. Seconded by R. V. Lessard.

Selectman Walter Vanderpool expressed his disappointment that the Bond Issue for the Municipal Complex was defeated. He felt that the Mason property, ad-

jaacent to the Town Offices should be purchased while it was available.

Robert Bridle spoke in favor.

Ansell Palmer reported that this was recommended by the Budget Committee.

Kenneth Malcolm moved the previous question. Seconded. So Voted.

Article 9 was passed as read.

#### ARTICLE 10. Regional Planning

Selectman Fred A. White, Jr. moved adoption of Article 10 as read. Seconded by R.V. Lessard.

Selectman Francis H. Fitzgerald made the amendment that the town share be changed to \$5,092. Seconded by Kenneth Malcolm.

Mr. Fitzgerald explained that 18 towns in the area belong, and it is "a must" to be eligible for Federal Funds.

The services of Charles Tucker, Regional Planner, are very helpful to the Town. John Taylor moved the previous question. Seconded. So Voted.

Mr. Fitzgerald's amendment passed.

Article 10 was voted in the affirmative, as amended.

#### ARTICLE 11. Director of Recreation

This article was submitted without recommendation by the Budget Committee.

Selectman White read excerpts from the Report of the Study Committee on this subject. A Director of Recreation may be hired for \$9,000 a year. For 7 months the salary would be \$5,250. The extra \$750. for supplies. There will be an Advisory Board of citizens from the schools and service organizations.

David Reynolds spoke in favor of Article 11, and Moved the adoption of Article 11 as read. Seconded by Kenneth Malcolm.

Tellers appointed: R. Paige, W. Wentworth, R. Call, and G. Hardardt.

Result: In favor - 69 Opposed - 53.

Article 11 passed as read. (Complete report on file.)

ARTICLE 13. Sidewalk on Park Avenue

Not recommended by the Budget Committee. Money already in Budget for this purpose. Indefinitely postponed.

ARTICLE 14. Sale of Back Land on Josephine Drive

Selectman Fitzgerald moved the adoption of Article 14 as read. Seconded by Wilfred Cunningham.

Discussion.

Edward Dunham moved the previous question. Seconded by Hubert Marney. So Voted.

Article 14 was voted as read.

ARTICLE 15. Power to Sell Leased Lots (Except those of Hampton Improvement Co., Inc.)

Selectman Walter Vanderpool explained that two years ago an Article was passed giving the Board the right to sell to lessees the lots owned by the Town of Hampton at the valuation set in 1968. The purpose of this article is to be able to sell at the current fair market value. Mr. Vanderpool moved adoption of Article 15 as read. Seconded by R.V. Lessard. Discussion.

Ashton Norton moved the previous question. Seconded by Peter Randall. So Voted.

Article 15 was passed as read.

ARTICLE 16. Power to Sell Certain Leased Lots Originally Leased to the Hampton Beach Improvement Company.

Selectman Fred White explained that the 32 lots in question were leased to the Hampton Beach Improvement Company but one way or another these lots were conveyed. The owners have been paying no rent to the Hampton Beach Improvement Co. and no **Taxes**. Owners have been contacted. The Town is not contesting ownership. Mr. White moved adoption of Article 16 as read. Seconded by Francis Fitzgerald. So Voted

(Counsel for this Article: Upton, Sanders & Upton)

ARTICLE 17. Committee to Investigate Ambulance Service.

Mrs. Gretchen B. Baillargeon, sponsor of the Article, said that in 1969 a Voluntary Ambulance Corp was formed and for several years worked well. This past year it has not worked out. She felt that a Committee was needed to look into the subject and provide adequate ambulance service for the Town.

She moved that Article 17 be adopted as read. Seconded by Mr. Baillargion.

R.V. Lessard said that the committee should include a member of the present Ambulance Corp.

Edward Dunham said that in the last 6 months controls in the Corp. had been tightened. Personnel have to be properly trained. 700 people have commitment and "we will see that they get it."

Francis McNeil reported that some members of the Corp had withdrawn for personal reasons, and others been kicked off. He said this article was put in by people who had withdrawn because they could not have their own way. HE FELT THAT IT WAS A PERSONAL GRUDGE.

Kenneth Malcolm favored leaving the matter to the Board of Selectmen.

Philip Darling felt that the Ambulance Corp was a good thing. He said through investigation problems can be solved.

Neil Gadwah moved the previous question. Seconded. So Voted.

Miss Ruth Stimson made an amendment to Article 17 to add after 'Corp Member'"and an existing Corp Member, the committee to report to the Selectmen in a month with their findings. The Selectmen to be empowered to make the final decision on this matter of public concern. The word "procure" to be deleted."

Seconded. Much Discussion.

Ashton Norton moved the previous question. Seconded. So Voted. Miss Stimson's Amendment PASSED.

Arthur Moody proposed an amendment:

After the word Selectmen "and a former corp member and a present corp member appointed by the

Moderator." Seconded by Kenneth Malcolm.  
So Voted.  
Article 17 passed as amended.

#### ARTICLE 19. Out of Order

Moved to indefinitely postpone by Robert Bridle.  
Seconded. So Voted.

ARTICLE 20. Voted before the recess.

ARTICLE 21. Enforcement of Dredging and Filling Regulations.

Peter Randall moved that Article 21 be adopted as read. Seconded by Philip Darling. Mr. Randall said that the same article was in the Warrants in Rye and North Hampton. The result of the Natural Resources Survey conducted by the Conservation Commission showed that 75% of the people were concerned that Marsh land should be protected from dredging and filling.

John Taylor moved the previous question. Seconded by George Hardardt. So Voted.

Article 21 did not pass. In favor - 46 Opposed - 55.

ARTICLES 22 through 33 were voted upon March 7th by Australian Ballot.

#### ARTICLE 34. Other Business

Selectman Francis Fitzgerald presented Moderator H. Alfred Casassa with a Certificate of Appreciation for his work as a member of the Planning Board for the last eleven years, both as Vice Chairman and Chairman. He said that it was a good job, well done, and Mr. Casassa had served at no pay.

Mr. Casassa thanked the Selectmen, and said that anything done for the Town of Hampton is time well spent.

Arthur Moody presented the following Resolution:

RESOLVED: In the interest of law and order, safety and cleanliness, the citizens of Hampton here assembled for the annual Town Meeting on March 7 and

11, 1972, go on record as being opposed to the establishment of a State Liquor Store at Hampton Beach during the summer months, and that a copy of this resolution be forwarded to the three State Liquor Commissioners, the three Hampton State Representatives, the State Senator representing Hampton, and the Governor and Council.

Wilfred Cunningham reported that the Committee appointed by the Selectmen to Study the use of the Coast Guard Station and land, held one and one-half meetings. He moved that the Committee be dissolved, and that a new Committee be appointed.

These resolutions were accepted.

Mr. James Fallon gave an excellent report on the work of the Hampton Beach Study Committee on Leased Land.

Many avenues were explored, and the Committee were assured by Edwin L. Batchelder, Jr., General Manager of the Improvement Company that they intend to continue the same policies as in the past for the remaining term of the lease.

The Committee recommends the following  
RESOLUTION:

Resolved that it is the present intention of the Town that after the expiration of the Town lease to the Hampton Beach Improvement Company in 1997 that the Town will deal with the lots now sub-let by the Hampton Beach Improvement Company and with the sub-lessees thereof in the same manner in which it deals with the lots now let directly by the Town to the occupants thereof and with the lessees thereof.

Respectfully submitted for the Committee.

James F. Fallon,  
Chairman

Mr. Fallon moved that the Report be Accepted and the Resolution contained therein. Seconded by Wilfred

Cunningham. (Complete Report on file in Town Clerk's Records.)

Mr. Vanderpool thanked the Committee and said that the Board desired closer relationship between the Hampton Beach Improvement Company and the Town.

In reply to question it was stated that the money for traffic problem at Five Corners is in the Budget.

Roland Paige moved that the Town of Hampton extend the Best Wishes of the Town to Hampton Falls at the time of its 200th Anniversary this summer.

Approved by the Assembly.

The motion to adjourn was made at 9:30 P.M. Seconded. Voted Unanimously.

Respectfully submitted,

Helen W. Hayden  
Town Clerk,  
Hampton, N.H.

**SPECIAL TOWN MEETING  
TOWN OF HAMPTON  
June 12, 1972**

A Special Town Meeting was called by the Board of Selectmen of Hampton, N.H. The meeting was held at the Hampton Junior High School Cafetorium.

Moderator H. Alfred Casassa called the meeting to order at 7:30 p.m.

The Moderator read the Warrant for the Special Meeting and the Return.

Moderator Casassa recognized Town Counsel.

**Article # 1.**

Town Counsel John Perkins stated that Bond Counsel in Boston had made the statement that a vote of the people was necessary relative to borrowing money in anticipation of taxes for the fiscal year 1972. Town Counsel stated that he had been in telephone conversation with the N.H. Attorney General's Office in Concord and that a recent decision had been made that a vote was no longer necessary. However Counsel stated that as long as the article appeared on the Warrant, Counsel made a motion to accept the article as read.  
**Seconded by Robert Bridle.**

Moderator Casassa stated Art. 1 required a two-thirds majority to vote to pass. Voting to be conducted by a yes - no ballot. Moderator declared a 15 minute recess for those in the hall to vote and that the polls would remain open for 2 hours. Results: 105 - yes - 10 no total votes cast 115

Article #1 was passed.

**Article #2.** Moderator Cassassa recognized Selectman Fitzgerald.

Selectman Fitzgerald referred to Article #17 of the 1972 Town Warrant:

"To see if the Town will vote to appoint a committee to

investigate and procure adequate ambulance service for the town: This committee to include the Chief of Police, the Fire Chief, the Selectmen, and former Corp members. This Committee to report to the Selectmen in a month their findings. (the word "procure" to be deleted) And amended " That the Selectmen be empowered to make the final decision on this matter of public concern".

Selectman Fitzgerald stated that the Board of Selectmen were concerned with the money factor and cost to the Town and the condition of the Volunteer Ambulance Corp. He stated that the Board had no choice but to approach the people of the Town with the issue and ask for funds to operate emergency coverage. Fitzgerald asked for adoption of Art.#2.

Moderator Cassassa recognized Selectman White.

Selectman Fred White Spoke of the Board of Selectmen's view of inadequacies of the Volunteer Ambulance Corp. He also presented a proposal of cost which had been given to the Budget Committee, an annual base of \$21,268.00 which is the Town cost of operation.

Moderator recognized Francis McNeil.

Mr. McNeil stated he would like to go on record that the Corp. if allowed to continue as a volunteer group, would extend the service to the Town of Hampton free of charge until the next town meeting (Mar. 1973) except for donations. (further comments from Mr. McNeil)

Moderator Cassassa gave the floor to several persons in attendance who offered their opinion and asked questions of the Fire Chief, Mr. Fitzgerald, Mr. White and the Town Manager.

Robert Bridle moved the question, Mrs. Parr seconded.

Art. #2 passed by a hand vote.

### **Article #3.**

Moderator Casassa referred the question of whether or not the Coast Guard Station Committee Study Group had a report available, he answered no.

Mr. Howard Page made a motion for an indefinite postponement. Mrs. Lawrence seconded. Mr. Victor Les-

sard moved the question. Art. #3 was indefinitely postponed.

Selectman Fitzgerald recommended Mr. Norman Cole, Town Manager, for his fine service to the Town of Hampton for the past 5 years, and wished him success and Godspeed in his new endeavors.

I hereby certify that this is a true and attested copy as recorded in the Town Clerk's Records Book 1969 to present page #159.

Roger P. Hammond  
Justice of the Peace

TOWN OF HAMPTON  
STATE OF NEW HAMPSHIRE  
TOWN WARRANT FOR 1973

To the inhabitants of the Town of Hampton, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Cafetorium of the Hampton Academy Junior High School on Tuesday the sixth day of March, 1973, at ten o'clock in the forenoon to act upon the following subjects:

(Motion will be made to postpone business meeting, beginning with Article 2 through 6, eight through 15, 17, 19 through 20, and 35, until 10 A.M. Saturday, March 10, 1973 at the Winnacunnet High School Auditorium. Articles 7, 16, 18 and 21 through 34 appear on the Australian Ballot and will be voted upon March 6, 1973).

ARTICLE 1.

To choose by non-partisan ballot, two Selectmen for three years; one Town Clerk, one Treasurer for one year, and one Collector of Taxes for three years; four Members of the Municipal Budget Committee for three years, and to choose all other necessary officers for the ensuing year.

(The Polls for the election of officers and Australian Ballot Articles will be open at ten o'clock in the forenoon and will not be closed earlier than six o'clock of the same day.)

ARTICLE 2.

To see if the Town will vote to:

A. Appropriate the sum of \$715,000 for the purpose of financing, constructing and equipping a new Municipal Complex to house the functions now conducted in the uptown Fire Station, Martel Building, Mason Building, Town Offices, court facilities and the year round operations of the Police Department with the exception of the seventeen week "Tourist Season" which will continue to be conducted at the Hampton Beach Police Station; including land acquisition, easements and rights-of-way, as may be required. The sum of at least \$180,000 to be REVENUE SHARING funds on hand as of July 15, 1973 and the sum of \$535,000 to be raised by

sum of \$1000 for the purpose of razing the so-called Coast Guard Station, as recommended by the Coast Guard Study Committee, appointed following the Town Meeting of 1972.

Recommended by the Budget Committee

#### ARTICLE 9.

To see if the Town will vote to raise and appropriate the sum of \$15,000 for the purposes of obtaining new aerial photographs of the Town of Hampton to revise and update the old and out-of-date photographs presently being used and to revise and update all the tax maps in the Town of Hampton with special emphasis on those areas of the town which are presently unmapped, excluding the marshes.

Recommended by the Budget Committee

#### ARTICLE 10

To see if the Town will vote to raise and appropriate the sum of \$500 to renovate and rehabilitate the so-called Grist Mill for the purpose of preserving same as an historical landmark as recommended by the Grist Mill Study Committee appointed by the Board of Selectmen.

Recommended by the Budget Committee

#### ARTICLE 11.

On petition of Wilfred R. Cunningham and 25 other legal voters in the Town of Hampton: to see if the Town will vote to raise and appropriate the sum of \$2,500 for the Chamber of Commerce to help defray the cost of 150,000 new color brochures. The cost of the brochures will be \$12,500 of which the Hampton Beach Precinct will pay \$5,000 and the Chamber of Commerce will pay \$5,000 leaving a balance of \$2,500 to come from the Town of Hampton. The brochures will last three years and will promote the entire town.

Recommended by the Budget Committee

#### ARTICLE 12.

On petition of Mary Alice Merrill and 32 other legal voters of the Town of Hampton: to see if the Town will vote to raise and appropriate the sum of \$500 to reimburse, in part, the Seacoast Regional Office of Child and Family Services of New Hampshire; a private charitable organization, for services rendered to 10 families of the

Town of Hampton during the 1972 calendar year who were unable to pay for said services. Said sum to be used for current operating expenses to enable the Seacoast Regional Office to continue providing services to residents of the Town of Hampton whether or not said residents are able to pay.

Submitted by the Budget Committee without  
Recommendation

#### ARTICLE 13.

On petition of James F. Fallon and 19 other legal voters in the Town of Hampton: to see if the Town will vote to appropriate the funds received from the United States Government on account of Hampton's entitlement for 1972 under the State and Local fiscal Assistance Act of 1972 and so much as may be required of the funds received and to be received on account of Hampton's entitlement for 1973 under said act, and of interest received and to be received within 1973 from the deposit or investment of any such funds, for the purpose of paying \$60,000 of the Police Department wages appropriated within the regular town budget for 1973, \$60,000 of the Fire Department wages appropriated within the regular town budget for 1973 and \$60,000 of the Public Works Department wages appropriated within the regular town budget for 1973; the intent of this article being to substitute \$180,000 in Revenue Sharing funds for funds which would otherwise be required to be raised by taxation this year.

(If Article 2 is defeated, Article 13 is Recommended by  
the Budget Committee)

(If Article 2 is passed, Article 13 is Not Recommended by  
the Budget Committee)

#### ARTICLE 14.

To see if the Town will vote to accept the Budget as submitted by the Municipal Budget Committee, and to raise and appropriate the sum of \$1,924,874.00.

#### ARTICLE 15

To see if the Town will vote to empower the Board of Selectmen to accept any unaccepted street within the Town of Hampton when petitioned by all abutters and/or

owners on a particular unaccepted street, and provided that a registered deed for said roadway is submitted to the Board of Selectmen by the petitioners. The purpose of this article is to institute a long range program to accept, repair and maintain those unaccepted streets that have existed in the town for many years. The number of streets and extent of repair and maintenance of streets will be governed by the availability of funds as appropriated in the operating budget for acceptance and reconstruction of unaccepted streets.

#### ARTICLE 16.

On petition of George F. Hardardt and 10 other legal voters; To see if the Town will adopt the following question:

Do you approve of having two sessions for the Annual Town Meeting in this town, the first session for choice of town officials elected by official ballot and other action to be inserted on said official ballot and the second session, on a date set by the Selectmen, for transaction of other business?

#### ARTICLE 17.

On petition of Arthur J. Moody and 21 other legal voters in the Town of Hampton to see if the Town will vote the following question:

Are you in favor of empowering and directing the Planning Board to study the possibility and feasibility of the Town of Hampton acquiring the local Water Company and operating it as a department of municipal government, and reporting said findings at or before the 1974 Annual Town Meeting?

Not Recommended by the Planning Board.

#### ARTICLE 18.

On petition of Wilfred Cunningham and 11 other legal voters in the Town of Hampton, to see if the Town will vote to elect a Town Clerk for a term of three years.

#### ARTICLE 19.

On petition of Constance T. Bridle and 13 other legal voters in the Town of Hampton: to see if the Town will vote to adopt the following resolution: Be it resolved that the Selectmen are requested to broaden the ambulance service available to residents of the town by including

the hospitals in Amesbury, Newburyport and Portsmouth within the limits to which patients may be taken, and by developing a more liberal interpretation of the word "emergency".

ARTICLE 20.

To see if the Town will vote to: Abolish the Recreation Commission as established by vote of Town Meeting on March 13, 1956 due to the fact the Board of Selectmen has appointed a Recreation Advisory Council to assist the town's Recreation Director in preparation, organization and functioning of the town's recreation program.

ARTICLE 21.

To see if the Town will vote to: Empower the Planning Board to review, and approve or disapprove site plans for the development of tracts for non-residential uses whether or not such development includes a subdivision or re-subdivision of the site, as permitted by the New Hampshire Revised Statutes Annotated, Chapter 36, Section 19a.

Recommended by the Planning Board.

ARTICLE 22.

Recognizing that the Hampton Beach Expressway is the major access route to Hampton Beach, and that Landing Road is the only intersecting road, Leon L. Sicard and 25 other legal voters of the Town of Hampton believe that at this intersection a business area should be established which will permit servicing the large amount of traffic during the summer season; which would benefit the town by providing a business area with its consequent tax benefits; and which would zone an area to business to which it particularly lends itself rather than residential; to see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton as adopted March 8, 1949, and amended at subsequent Town Meetings, by removing from the Residence A District and adding to the Business District the following described area:

Bounded on the west by a line 500 feet westerly from the center line of Landing Road; on the north by a line 400 feet northerly from the center line of the Hampton Beach Expressway and by Tide Mill Road; on the east by the present Residential C Seasonal area; on the south by the

present Residential C Seasonal area and a line 400 feet southerly of the center line of the Hampton Beach Expressway.

Not Recommended by the Planning Board.

ARTICLE 23.

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949 and amended at subsequent Town Meetings:

To change Article 1, Section 1 by inserting the following sentences after the words "to the building provisions of article 5": Expansion of non-conforming uses is hereby prohibited. In the event a non-conforming use is discontinued for a period of more than one year, it shall not be permitted to recommence; thereafter the property shall only be used in conformity with this Ordinance.

Recommended by the Planning Board.

ARTICLE 24.

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949 and amended at subsequent Town Meetings:

To change Article 2 DISTRICTS by adding the following paragraph:

All distances measured from a street, railway right of way, or other such landmarks, shall be measured from the center line of the street, railway right of way, or other such landmarks. District boundaries shall be determined to follow the center lines of streets, railroad rights of way, or other such landmarks and shall be deemed to follow property lines where such interpretation is possible.

Recommended by the Planning Board.

ARTICLE 25.

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949 and amended at subsequent Town Meetings:

To change Article 5, Section 2 by adding the following:

ROOF COVERINGS: The installation of wooden shingles is expressly prohibited.

Recommended by the Planning Board.

ARTICLE 26.

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949 and amended at subsequent Town Meetings:

To change ARTICLE 5 by changing Section 6 to read:  
EXITS-LIFE SAFETY CODE: No building intended for any public use or congregation of people shall be erected, altered or used except that it is in conformity with the Life Safety Code as promulgated by the National Fire Protection Association.

Recommended by the Planning Board.

ARTICLE 27.

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949 and amended at subsequent Town Meetings:

To change Article 5 by changing Section 7 to read:  
ELECTRICAL WIRING: All wiring shall conform to the latest edition of the National Electrical Code, 1971, as amended by the National Fire Protection Association and further described as NFPA No. 70-1971.

Recommended by the Planning Board.

ARTICLE 28.

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949 and amended at subsequent Town Meetings:

To change Article 5 by changing Section 9 to read:  
FOUNDATIONS: No structure shall be erected, placed, moved or otherwise located except on concrete or masonry foundation walls resting on adequate footings, as covered by the National Building Code, Sect. 905, except for travel trailers and similar recreational vehicles where authorized.

Recommended by the Planning Board.

ARTICLE 29.

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949 and amended at subsequent Town Meetings:

To change Article 5 by changing Section 11 to read:  
BUILDING CODE: All construction shall conform to the latest edition of the National Building Code, 1967 as amended, as recommended by the American Insurance Association, successor to the National Board of Fire Underwriters.

Recommended by the Planning Board.

ARTICLE 30.

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949 and amended at subsequent Town Meetings:

To change Article 5 by adding a new Section 11A to read:

PLUMBING: All construction and installation of plumbing shall conform to the latest edition of the National Plumbing Code, ASME, as amended.

Recommended by the Planning Board.

ARTICLE 31.

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949 and amended at subsequent Town Meetings:

By changing Article 5A by striking the first sentence and substituting the following:

Regulations for Exterior Design Appearance of Single, Double or Multifamily Dwellings erected in any housing development.

Recommended by the Planning Board.

ARTICLE 32.

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949 and amended at subsequent Town Meetings:

To Change Article 5A by changing Section 1, paragraph 2 to read as follows:

It is the purpose of this section to prevent these and other harmful effects in the design and appearance of dwellings, either single, double or multi-family, erected in any housing development in the same residential neighborhood and thus to promote the health, safety, morals and general welfare of the community.

Recommended by the Planning Board.

#### ARTICLE 33.

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949 and amended at subsequent Town Meetings:

By changing Article 6 by adding a new Section 4 to read as follows:

##### DUPLICATE PLANS AND CHANGES IN PLANS:

Where plot plans, elevation plans or special details are called for by the General Plans and Specifications, and whenever necessary for a complete delineation of the work to be performed they may be required in duplicate by the Building Inspector. No changes in the approved plans, or other changes, shall be made without the approval of the Building Inspector. The Building Inspector may withhold approval of changes until plans indicating the proposed changes are submitted for approval.

Recommended by the Planning Board.

#### ARTICLE 34.

To see if the Town will vote to amend the Zoning Ordinances of the Town of Hampton adopted at the Annual Town Meeting of March 8, 1949 and amended at subsequent Town Meetings:

To add a new Article 8 entitled DEFINITIONS to read as follows:

**ACCESSORY BUILDINGS AND USES:** A subordinate building or a portion of the main building, the use of which is incidental to that of the dominant use of the main building or land, including bonafide servants quarters. An accessory use is one which is incidental to the main use of the premises.

**DWELLING UNIT:** One or more rooms arranged for the use of one or more individuals living together as a single

housekeeping unit, with cooking, living, sanitary and sleeping facilities.

**HOME OCCUPATION OR PROFESSIONS:** Any use customarily conducted entirely within a dwelling and carried on by the occupant thereof, which use is completely incidental and secondary to the use of the dwelling for dwelling purposes and does not change the character thereof; and where no outside structure or equipment, no commodities sold upon the premises and not more than two persons are engaged in such occupation. Such uses as barber shop, beauty parlor, tearoom, tourists rooms, animal hospital and dancing school shall not be deemed to be home occupations.

**KENNEL:** Any premises, except where accessory to an agricultural use or a veterinarian hospital, where three or more dogs, ten weeks in age or older, are bred, raised, trained or kept.

**LOT WIDTHS:** The distance between the side lot lines, measured along the setback line as established by this ordinance, or if no setback line is established, the distance between the side lot lines measured along the street line and-or the shortest distance between the side lot lines measured along a street line.

**MOBILE HOME:** Any vehicle or similar portable structure installed or designed for mounting on wheels, using or intended for use for dwelling purposes, including structural additions, except parked and unoccupied, camping type trailers. Any such vehicle or structure shall be deemed to be a mobile home whether or not the wheels have been removed therefrom and whether or not resting upon a temporary or permanent foundation.

**MOBILE HOME PARK:** A tract of land which has been developed with all necessary facilities and services in accordance with a site development plan meeting all the requirements of this Ordinance and which is intended for the express purpose of providing a satisfying living environment occupancy basis.

**MOTEL OR TOURIST CABIN:** A building or group of buildings which:

a. contains living or sleeping accommodations used primarily for transient occupancy.

b. has individual entrances from outside the buildings or a common hallway to serve each such living or sleeping unit.

MULTI-FAMILY DWELLING: Any building or structure containing three or more dwelling units.

PARKING SPACE: A surfaced area, enclosed in the main building or in an accessory building, or unenclosed, having the dimensions of not less than 10' x 20', exclusive of driveways, permanently reserved for the temporary storage of one automobile and connected with a street or immediately by a surfaced driveway which affords satisfactory ingress and egress for automobiles.

SITE PLAN: A scale plan drawn by a registered Civil Engineer or land surveyor showing in addition to the subdivision of land as adopted by the Planning Board, all structures existing and proposed, roadways, pathways, parking areas, recreational areas, utilities, exterior lighting installations, landscaping and existing and proposed grade elevations, storm water drainage and all existing structures and any other elements as may be deemed essential by the Planning Board.

Recommended by the Planning Board.

ARTICLE 35.

To transact any other business that may legally come before this meeting.

Given under our hands and seal this 14th day of February, 1973.

## TOWN OF HAMPTON

### Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Hampton for the fiscal year ended December 31, 1971.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Hampton at December 31, 1971, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

Frederick E. Laplante  
Director, Division of  
Municipal Accounting  
State Tax Commission

## AUDIT REPORT

August 1, 1972

### SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen

Hampton

New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hampton for the fiscal year ended December 31, 1971, which was made by this Division in accordance with the vote of the Town.

One of the enclosed audits must be given to the Town Clerk for retention as part of the permanent records.

### SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector (Period March 10, 1971 to December 31, 1971), Town Clerk, District Court, Library, Cemetery Association, Trustees of Trust Funds and the Hampton Municipal Development Authority.

The accounts of Hazel B. Coffin, Tax Collector, for the period January 1, 1971 to March 9, 1971 were examined previously and a report of this examination was sent to your Board on August 19, 1971.

### FINANCIAL INFORMATION

General Fund:

Comparative Balance Sheets — December 31, 1970 and

December 31, 1971: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1970 and December 31, 1971 are presented in Exhibit A-1. As indicated therein, the Current Surplus of the Town decreased by \$16,708.64, from \$175,968.12 to \$159,259.48, during 1971. Analysis of Change in Current Financial Condition:(Exhibit A-2)

An analysis of the change in current financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decreases in Current Surplus

Surplus Used To Reduce

Tax Rate \$77,000.00

Decrease in Accounts

Receivable 32.07

\$77,032.07

Increases in Current Surplus

Net Budget Surplus \$59,425.65

Tax Collector's Excess

Credits (Net) 438.92

Decrease in Accounts

Payable 415.68

Tax Sale Adjustment 43.18

60,323.43

Net Decrease in Current Surplus \$16,708.64

Comparative Statement of Appropriations and Expenditures,

Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statement of appropriations and expenditures, — estimated and actual revenues — for the fiscal year ended December 31, 1971, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net unexpended balance of appropriations of \$2,064.67 plus a revenue surplus of \$57,360.98 resulted in a net budget surplus of \$59,425.65.

Long Term Indebtedness:

Comparative Balance Sheets — December 31, 1970 and December 31, 1971: (Exhibit A-5)

Comparative Balance Sheets as of December 31, 1970 and December 31, 1971 are presented in Exhibit A-5.

As of December 31, 1971 the long term debt of the Town amounted to \$498,000.00 and consisted entirely of outstanding sewer bonds.

Statement of Debt Service Requirements: (Exhibit A-6)

A statement of debt service requirements as of December 31, 1971 is contained in Exhibit A-6.

## TREASURER

General Fund:

Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A classified statement of general fund receipts and expenditures for the fiscal year ended December 31, 1971, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's general fund balance as of December 31, 1971, is indicated in Exhibit B-2.

## AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

## GENERAL COMMENTS

Unauthorized Expenditures and Application of the Municipal Budget Law:

It is noted that expenditures totaling \$10,461.18 were made during the fiscal year for the acquisition of an accounting machine and a rescue boat, at a cost of \$7,150.00 and \$3,311.18 respectively (Exhibit A-3). Appropriations for these purposes, however, were not included in the budget approved by the 1971 Town Meeting. These expenditures, therefore, were unauthorized and resulted in a violation of the Municipal

Budget Law, R.S.A. Chapter 32, the provisions of which have been adopted by the Town of Hampton. Pursuant to Section 10 of this law, which is quoted in part herewith, statutory restrictions are imposed on the expenditure of town funds by the Board of Selectmen:

“32:10. Exceeding Appropriations. In towns adopting the provisions of this chapter, no board of selectmen, — or other expending agency shall pay or agree to pay or incur any liability involving the expenditure of money for any purpose for which an appropriation has not been made, except for the purpose of paying judgements rendered against the Town—.”

In cases of emergency arising during the year, however, the law (R.S.A. 32:10-a) further provides that the Selectmen, with the written approval of a majority of the budget committee, upon application to the Tax Commission, may be given authority to make expenditures for which no appropriations have been made. This procedure was not followed in connection with the expenditures cited previously.

The purpose of the Municipal Budget Law is to restrict the expenditure of town money. When its provisions are not adhered to, the law becomes ineffectual.

Any person or persons violating the provisions of R.S.A. 32:10 are subject to the penalty imposed by Section 11 of the law.

#### Unredeemed Taxes:

As indicated in Exhibit C-2, unredeemed taxes due the Town at December 31, 1971, on account of the levies of 1968 and 1967 amounted to \$2,485.07.

Inasmuch as the statutory two-year redemption period provided by R.S.A. 80:32 has expired on these tax liens, the Collector should execute tax deeds to the Town on all real estate which is involved.

#### Uncollected Taxes:

At December 31, 1971, there remained uncollected delinquent taxes amounting to \$1,594.96, on the Collector's tax warrants for the levies of 1969 and prior years, as shown herewith.

Levies Of	Uncollected Taxes
1969	\$1,562.96
1968	28.00
1967	4.00
	<u>\$1,594.96</u>

In accordance with good business practices, the Selectmen should review the Collector's unpaid tax lists for the above levies to determine the collectibility of delinquent taxes contained therein. All taxes, which in the opinion of the Selectmen have become uncollectible, should be abated in the ensuing year in order to clear the records of the Tax Collector. The inclusion of such items in financial reports tends to misstate the current financial condition of the Town.

Conclusion:

The provisions of Chapter 71, Section 27-a, of the Revised Statutes Annotated require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in the audit report is optional, at the discretion of the Board of Selectmen.

We extend our thanks to the officials of the Town of Hampton for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante  
Director
