**THE STATE OF NEW HAMPSHIRE
WARRANT FOR 1988 ANNUAL MEETING OF
THE TOWN OF RUMNEY**

To the inhabitants of the Town of Rumney in the County of Grafton and State of New Hampshire qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Rumney on Tuesday, the 8th day of March, next, at 10:00 o'clock in the forenoon at which time the polls shall be opened for balloting of Article 1, and shall close not earlier than 6:00 o'clock in the afternoon, and you are hereby notified to meet at the Town Hall in said Rumney on Thursday, the 10th day of March, next, at 7:00 o'clock in the afternoon for the second ses-

sion of the Town Meeting at which time action will be taken upon the remaining articles in this warrant.

ARTICLE 1: To choose all necessary town officers for the ensuing year.

ARTICLE 2: To see if the Town will vote to raise and appropriate the sum of \$96,720.00 to defray town charges for the ensuing year.

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to defray the cost of renovating the Stack Room of the Library. A \$1,500.00 grant has been applied for and if received will be applied against this appropriation.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of \$12,000.00 to defray the cost of operating the Fire Department during the ensuing year.

ARTICLE 5: To see if the Town will vote to raise Capital Reserve Funds for the purchase of a Police Cruiser, a Fire Truck, Highway Truck and Town Re-evaluation Fund by the amount of \$2,500.00, \$5,000.00, \$3,500.00 and \$11,000.00 respectively.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$55,000.00 for the maintenance of highways and bridges during the ensuing year, and to authorize use of \$28,035.84 from the Highway Block Grant Aid Program as an offset against the amount appropriated under this article.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$32,000.00 to defray the cost of maintainance the town transfer station during the ensuing year.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$2,214.00 to complete the Pemi Baker Solid Waste study.

ARTICLE 9: Shall the town adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes.

ARTICLE 10: To see if the town will vote to raise and appropriate the sum of \$50,000.00 to repair the Sandhill Bridge.

ARTICLE 11: To see if the town will vote to raise and appropriate the sum of \$18,000.00 to oil, sand and seal the Buffalo Road from the Village to Sandhill Cemetery. (To be considered only if previous article is not passed.)

ARTICLE 12: To see if the Town will vote to authorize the Selectmen to appoint the Town Road Agent under the provision of RSA 231:62. If this article is passed, the Road Agent shall be appointed in 1989 at the expiration of the term of the road Agent elected at the 1988 Town Election.

ARTICLE 13: To see if the Town will vote to place the Road Agent in

charge under the direction of the Selectmen pursuant to RSA 231:63, of the following functions in addition to the usual duties as road agent: Transfer Station, Town Common, Grounds of Town Hall, and other Municipal Buildings: (This article is contingent on passage of the previous article.)

ARTICLE 14: To see if the Town will vote to adopt an ordinance requiring notification of new construction and renovation to be filed with the Selectmen as follows:

A. On any construction, alteration or other actions on new or existing structures the owner shall file notification of such action with the Board of Selectmen.

B. The Selectmen shall establish a form to be used by the owners in providing notification.

C. This ordinance shall apply to such changes as will increase the assessed valuation more than \$1,000.00 and does not apply to property maintenance such as reroofing, painting, etc.

D. Any person failing to comply with the requirements of this ordinance shall be subject to a penalty not to exceed \$500 pursuant to RSA 31:39

ARTICLE 15: To see what action the Town will take on the following article inserted by petition:

“Are you in favor of the Selectmen ordering and directing the Planning Board to submit all modifications and revisions of the present subdivision regulations to a vote of the citizenry at either a regularly scheduled Town meeting or a special Town meeting pursuant to RSA 39:3?”

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of \$36,000.00 to defray the cost of operation of the Police Department during the ensuing year.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of \$14,550.66 for the following Health Department purposes: \$4,882.50 for the Pemi-Baker Home Health Agency, Inc. \$1,000.00 for the Mt. Mooselaukee Health Center in Warren, \$7,868.16 for the ambulance service; \$600.00 for the Spere Memorial Hospital and \$200.00 for the NH Humane Society.

ARTICLE 18: To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes and pay the obligations of the town.

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to revise and update the Town Tax Map.

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of \$2,000.00; said sum being \$1,000.00 for the Planning Board; \$600.00 for the Baker River Audio Visual Center; and \$400.00 for the maintenance of the Baker Athletic Field.

ARTICLE 21: To see if the Town will vote to raise and appropriate the sum of \$1,987.00 being: \$750 for the Community Outreach Program (fuel assistance); \$200.00 for the Task Force Against Domestic violence, and \$1,037.00 for the Upper Valley Senior Citizens' Council (Meals on Wheels).

ARTICLE 22: To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to employ the services of an attorney as Town Prosecutor in matters of a criminal nature.

ARTICLE 23: To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to defray the cost of the annual appraisal of new construction and renovation by the NH Department of Revenue Administration.

ARTICLE 24: To see if the Town will vote to authorize the Selectmen to transfer any tax lien acquired by the Town at any Tax Collector's Sale, during the two-year period allowed for redemption, to such person or persons and for such consideration as the Selectmen shall deem to be in the best interests of the Town and as justice may require, and to authorize the Selectmen to sell and convey any real estate or mineral rights acquired by the Town and by any Tax Collector's deed by public auction, advertised sealed bids, negotiated sale or in any other manner which the Selectmen shall determine to be in the best interest of the Town and as justice may require.

ARTICLE 25: To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to computerize tax records and tax bills.

ARTICLE 26: To see if the Town will vote to raise and appropriate the sum of \$1,212.00 as membership dues for the North Country Council.

ARTICLE 27: To hear the reports of agents, auditors, and committees heretofore chosen to pass any vote relating thereto, and to transact any other business that may legally come before said meeting.

Given under our hands this 16th day of February, 1988.

For eighty four years the library has been an active and vibrant segment of this town. In the Spring, the library walls were painted, the woodwork refinished and general repairs made, as voted by the townspeople at the March Town Meeting.

Ralph Berg very kindly gave us one of his beautiful hand made wall clocks. The Staff and Trustees are especially grateful for this thoughtful gift.

Your librarian was chosen by the Eighth Grade of Russell School to be their graduation speaker. I spoke on "Challenge and Change." Students of the school have given us many fine exhibits and all classes have made trips to the library for books and research. I participated in the "Connecting the Generations Day" at the school held in November.

Douglas Glover, our long time, faithful and dedicated Trustee, resigned from the Board in the Summer. He married and moved nearer his work. The Trustees and Staff give a Special Thank You to him for all that he did for the library. Roger Daniels was appointed to fill the vacancy. We welcome this talented person to the board.

The librarian attended several meetings on the New Hampshire State Library's Automated Information System. We must begin to investigate our needs and prepare our library to "link up" to the new system when it becomes available.

We sincerely thank all who have done so much for us this past year. The library is the informational and historical backbone of the community and should be used and supported to the fullest. It is your library and

we are here to serve you.

Respectfully submitted,
Muriel B. Kenneson, Librarian

CONSERVATION COMMISSION ACCOUNT

In the interest of conserving paper and the expenses of printing a report, the Rumney Conservation Commission invites you to read the minutes of their meetings, which are on file with the Rumney Town Clerk.

PLANNING BOARD

Throughout 1987 the Planning Board met twice monthly, on the second and last Tuesdays; typical meetings lasted 3 hours. The first meeting each month was dedicated to developing regulations to keep growth in conformity with the town's unpolluted, scenic, rural environment. The second monthly meeting was to accept, review and approve subdivision applications. We consulted with 23 potential subdividers and residents concerned about changing the use of their property, received 10 applications, and approved 8 subdivisions (creating 36 lots) and 3 boundary line adjustments.

Board members increased their understanding of planning for growth by inviting a State Highway Engineer to a meeting where we learned about appropriate requirements for subdivision roads. At another meeting, soil scientists from the Grafton County Office of the Soil Conservation Service explained how to determine lot sizes based on soil types. In October, two members attended the Municipal Law Series Lectures sponsored by the New Hampshire Municipal Association to keep the Board current on the state laws and court decisions concerning land use planning.

We developed several new planning documents. As required by State Law, the Board developed regulations for driveways connecting to town roads - regulations designed to assure public safety and protect town property - and also began preparing gravel and topsoil removal regulations which will be completed during the Spring of 1988. Under advice from the town's attorney, the Board developed by-laws to assure legal procedural operation. We also modified Rumney's Subdivision Regulations to allow cluster development which preserves open space and guards against a "suburban look".

The major task of the year has been rewriting Rumney's Subdivision Regulations. This recodification incorporates the new highway specifications and solid-based lot size knowledge we gained from our professional consultants. It brings the terminology and procedures of the town's regulations into agreement with recent changes in State Law, and streamlines and simplifies the language of the document. The revised regulations will become effective during the late winter of 1988.

During 1988, the Planning Board intends to develop a comprehensive Capital Improvements Plan, create mechanisms for preserving our natural environment, and prepare land use regulations to protect the town from inappropriate industrial or commercial development as well as developments which would excessively strain town resources.

REPORT OF CEMETERY TRUSTEES

We are pleased to report progress in our improvement projects for the Rumney cemeteries. This year over 150 perpetual care lots had extra work done beyond regular maintenance.

At Pleasant View in West Rumney all the perpetual care lots (86) were limed and fertilized. Stones were cleaned on 2 lots and 8 lots were partially rebuilt. The water system was finally started after having been dormant for 13 years. Mr. Charles Hall took great personal interest in this project and donated all time spent. Several spoke of their pleasure at seeing the water running again in the fountain. Shortly thereafter the Victorian fountain purchased nearly 100 years ago by the Pleasant View Cemetery Association was stolen. It has not been recovered. Insurance will, hopefully, provide a good part of the cost of replacement. The clean up project in the rear of this cemetery is nearly finished. There are now a number of lots available for sale.

At the Rumney Depot Cemetery, 3 lots were rebuilt, lime and fertilizer spread and we finished cleaning around the fence. This is an historic cemetery, there are no available lots for sale.

At Highland Cemetery, Rumney Village, our custodian, Mr. George Delaney, has made fine progress in improving the appearance of the cemetery. He has also donated time and takes a great deal of personal interest in his work. Stones were cleaned and repaired on 18 lots. A part of the wall along the highway was re-laid. More will have to be done this

summer. Lime and fertilizer was spread over 35 lots. Fourteen lots were entirely or partially rebuilt and stones re-set where necessary. A great deal of prime loam has been used in this operation. Again this year Mr. L.E. French, Jr. has generously donated a portion of the loam.

We have been very fortunate in securing the services of the Fairlee Monument Company, Fairlee, Vt. for our stone and monument work.

We have, in the last year, secured 14 new perpetual care trusts and 7 existing funds have been supplemented.

MOUNT MOOSELAUKEE HEALTH CENTER Report for 1988

1987 was a year of continued growth for the Mount Mooselaukee Health Center. The annual number of users increased to 1,215, of which 354 were first time users. Visits by children, ages 2 months to 6 years, to the Well-Child Clinic (partly funded by the New Hampshire Bureau of Maternal and Child Health) numbered 207 while 64 were enrolled in the twice-a-year dental clinic (provided by the New Hampshire Bureau of Dental Health) for children 3 to 6 enrolled in the Well-Child Clinic. 389 free blood/pressure checks and 97 at-cost flu immunizations were administered this year.

In line with this growth our requirements have grown and with the help of a very successful fund-raising campaign plus a generous anonymous matching-fund donation we have been able to replace our outdated phone system with an efficient one, add a much-needed telephone line and enlarge the office/reception area to provide more space for our staff and patients.

With the termination of federal funding in late June of 1988, as reported last year, one of our most serious challenges faces us. At the time Dr. William Hernandez will join practice with Dr. Kevin Young in Plymouth. The doctors have agreed to continue to provide health-care at the Center on a part-time basis. Success of this arrangement will depend upon the support given by the towns of Warren, Wentworth and Rumney, as well as the availability of grant money, which is being investigated. Fund-raising activities and donations will continue to play an important role in maintaining the operation of the Center.

We are indebted to the dedicated people who take part in the day to day operation of Mount Mooselauke Health Center, such as our unpaid administrator, Faith Mattison, Dr. Hernandez, our staff and volunteers. They are the backbone of the Center. We now ask for your assistance so that we may continue to serve you.

Respectfully submitted,
 Board of Trustees

Rumney Fire Chief Aaron Shortt

REPORT OF THE FOREST FIRE WARDEN AND FOREST RANGER

Between July 1976 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest

tax law may be violated, call your Forest Fire Warden, or Concord Forest Protection Headquarters at 603-271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

Total Police Expenditures 1987		\$ 28,262.13

REPORT OF THE GRAFTON COUNTY COMMISSIONERS

Budget for the fiscal year is \$8,947,343. Town taxes to the County average 6.7% or \$2.21 per \$1,000, of the property owner's tax bill. The major portion goes to the operation of the Nursing Home (39.69%) and to human services programs for the elderly, disabled, nursing care and children (26.86%).

REGISTRY OF DEEDS had gross income of \$3,630,159. The number of documents processed in 1987 was 29,983. \$3,184,982 was received in transfer tax, of which 96% or \$3,057,584 went to the State of NH and 4% or \$127,398 was retained. Other receipts include recording and copy fees in the amount of \$445,177. Income to the County was \$572,575 compared to a total of \$3,057,584 to the State, although the County is liable for 100% of all costs.

HUMAN SERVICES:

Old Age & Disabled grant programs remain fairly constant with the elderly program averaging 100 cases at \$4,800 per month and the disabled averaging 225 cases at \$21,000 per month.

Intermediate Nursing Care increased, the County became responsible for all INC cases. INC cases average 255 at \$110,000 per month.

Children and Youth Services became a county liability under Senate Bill 1, with counties reimbursing the State 25% for all child service costs. Current accounts reflect 130 to 150 cases costing from \$64,000 to \$75,000 per month. The County has 25% funding liability of child placement costs.

Social Service agencies receive \$247,217 or \$4.03 per capita, to provide services for home health, mental health, developmentally disabled, senior citizens transportation and nutrition and other valuable programs.

CORRECTIONAL FACILITY is overpopulated, averaging 58 inmates per day and frequently housing 60 plus. The current cost of operation is \$28.63 per inmate day. We have contracted with an architect to present design and cost for a 34 bed addition. Designs and price estimates are expected by mid-January to go out for bid by late January with bid results due in by the end of February. Funding issues should go to the delegation and public in March with anticipated ground breaking in April.

GRAFTON COUNTY NURSING HOME for intermediate nursing care is licensed for 136 beds and is about 80% reimbursable. FY 87 cost per patient day was \$68.78 with \$58.87 reimbursed by Medicaid.

GRAFTON COUNTY FARM is self-supporting and provides work for inmates as well as access for experimental projects. This is primarily a dairy farm with an average herd of 170, grows produce for the nursing home.

GRAFTON COUNTY COMMISSIONERS meet weekly on Wednesday. We encourage public attendance and welcome facility tours. We were deeply saddened by the deaths of Commissioner Arthur E. Snell, Dist. No. 2, and Commissioner Leonard Anderson, Dist. No. 3, early this year.

GRAFTON COUNTY COMMISSIONERS:
Dorothy Campion-Corcoran, Chairperson
Everett Grass, Clerk
Betty Jo Taffe, Commissioner

REPORT OF THE PEMI-BAKER SOLID WASTE DISTRICT

PEMI-BAKER SOLID WASTE DISTRICT INVESTIGATES AN ALTERNATIVE IN 1987

In 1986 the Pemi-Baker Solid Waste District (PBSWD) developed a proposal to buy out the existing Plymouth Incinerator/Recycling Facility to handle the District's waste. The proposal included an upgrading of the facility by installing a new continuous feed incinerator and an expansion of the recycling activities. To establish this proposal as the best available solution to the waste disposal problem, the Pemi-Baker towns voted in March 1987 to fund a complete analysis of the buy-out proposal. The District contracted with James Dohrman and Ted Siegler to perform this analysis. Dohrman and Siegler concluded the following:

1. Intensive recycling will have a significant impact on incinerator sizing and ash disposal needs.
2. Both a 50 and 36 TPD incinerator would fit in the existing building, however due to the significant seasonal fluctuations and relatively small waste stream a 36 TPD unit is the most appropriate.

3. The Plymouth landfill site is limited in long-term capacity; therefore, an alternative site must be developed. Siting a new landfill in Rumney or contracting with an out-of-District landfill will be necessary.
4. Changes in state and federal regulations could have a significant impact (as much as 43 % increase) on the total project costs.

Based on conclusion number four, the District contracted with Environmental Research Technologies to assess the air quality impact of an upgraded incinerator at the Beech Hill site in Plymouth. The initial air screening model results have been submitted to the State Air Resources Division for review and a meeting to more clearly define the requirement of air emission control devices has been scheduled.

The District has also established that a landfill is an essential component of their proposal and plans to identify a site in 1988. Additionally, PBSWD will continue its investigation of other out-of-District options and actively promote recycling in 1988.

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Rumney, State of New Hampshire, qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on the seventeenth day of March, 1988, at 7:00 o'clock in the evening to act upon the following subjects:

Article 1: To see what action the District will take relative to the reports of agents, auditors, committees or officers.

Article 2: To see if the District will vote to raise and appropriate the sum of two thousand five hundred dollars (\$2,500) to be added to the School Bus Capital Reserve Fund previously established.

Article 3: To see is the Dictrict will vote to authorize the School Board to appoint a School Building Needs Committee to serve until termination by the School Board; further to raise and appropriate such monies as may be required to fund a study by the School Building Needs Committee, such money not to exceed four thousand dollars (\$4,000).

Article 4: To see if the District will vote to establish a contingency fund in accordance with Revised Statutes Annotated 198:4-b, such contingency fund to meet the cost of unanticipated expenses that may arise during the year and, further, to see if the District will raise and appropriate the sum of twenty-five hundred dollars (\$2,500) for such contingency fund.

Article 5: To see if the District will vote to raise and appropriate the sum of one thousand seven hundred dollars (\$1,700) to conduct an asbestos study, mandated by Federal Law PL99-519 and Environmental Protection Agency regulations, and develop a plan for asbestos removal from the building, if required.

Article 6: To see if the District will vote to authorize the School Board under RSA 198:20-B to apply for, accept and expend, without further action of the School District Meeting, money from any source which becomes available during the fiscal year provided that such expenditures be made for purposes for which a school district may appropriate money and that such expenditures not require the spending of other school district funds.

Article 7: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officials, employees and agents and for the payment of statutory obligations of the District.

Article 8: To see what sum of money the district will vote to raise and appropriate to fund the increase in cost items relative to teacher salaries and other fringe benefits for the 1988-1989 school year, which resulted from the collective bargaining agreement entered into between the Rumney School District and the Rumney Teachers' Association and which represents increases over the current salaries and fringe benefits.

Article 9: To transact any further business which may legally come before this meeting.

Given under our hands this 12th day of February in the year of our Lord nineteen hundred and eighty-eight.

RUSSELL SCHOOL
SCHOOL NURSE REPORT 1987-88

The following is a report on health services provided by the school nurse to Russell School students. The main objective is to maintain the general health of all students by the use of first aid, early identification of health problems and health education.

A couple of new programs have been added which seem to be most beneficial to the students. They are:

1. Weight and Diet control program
2. **Advisor/Advisee Program**

Working with small groups of students to help increase self-awareness, self-esteem, decision-making, listening and discussion skills and to develop positive attitudes and behaviors, especially towards school.

The two dental programs, sponsored by the State Bureau of Dental Health, are going very well:

1. Flouride Program - 99% participation
2. Dental Program - 72 students received a dental examination, cleaning and topical flouride application by Jane Clay, registered dental hygienist. This program is also sponsored by the Rumney Fire Department.

On May 7, 1987, a pre-school vision and hearing clinic was held at the Plymouth Area High School which is sponsored by the State Bureau of Maternal and Child Health and the Lion's Club. Two referrals were made, and students were re-tested by the school nurse. The clinic will be held again on April 21, 1988 at PAHS.

Pre-school screening was held on May 11, 12 and 14, 1987 at Russell School for 20 students who would be beginning first grade in September 1987. Health histories were obtained at that time.

On October 19 and 26, 1987, Dr. William Hernandez from the Mooselauke Health Center, assisted by the school nurse, conducted health physicals on 33 students in grades 5 and 7 and on a few new students in grades 6 and 8. Five referrals were made.

The Lindsey Fund provided dental assistance for two students.

The Lion's Clup provided eye examinations and glasses for two students.

With the cooperation of parents, Russell School has once again met the State Immunization Laws.

Nurse's Work

Vision tests for: nearsightedness	143 (6 referrals)
farsightedness	10 (3 referrals)
Hearing Tests	143
follow-up tests	50 +
Blood Pressures	68 (1 referral)
Scoliosis checks	68 (4 referrals)
First Aid	425 +
Head checks	300 +

Appreciation is expressed to all school personnel, parents, and volunteers for their cooperation and support.

Respectfully submitted,
Linda Cowan, R.N., B.S.N.E.
School Nurse

RUSSELL SCHOOL PRINCIPAL'S REPORT 1987-88

Russell School opened its doors for the 1987-1988 school year on Tuesday, September 8, 1987 with an enrollment of 132 students in grades 1-8. Since that time our enrollment has grown to 147.

The faculty consists of eight dedicated classroom teachers, one special needs resource room teacher, a federally-funded remedial

Chapter 1 teacher, and two days a week the following: Specialist teachers in art, music and physical education. A speech and language specialist also provides services two half-days a week.

There are several new faces at Russell School this year. Miss Heidi Hungerford is the new sixth grade homeroom, reading and language arts teacher and sixth through eighth grade social studies teacher. Mr. Robert Miller is the new physical education teacher and is also coaching boys' football and baseball this year. Mr. David Shepard teaches general music to grades 1-6 and chorus, band and small group instrumental lessons to students in grades 5-8 who elect to participate. Our half-time instructional aid in grade one is Mrs. Lynette Roukes. Finally, the new food services director Mrs. Brenda Lewis, and her assistant is Mrs. Lydia McCart.

The academic program continues to focus on basic skills in reading, math, language arts, science and social studies and to emphasize writing across the curriculum. Computers are being used in classes as a tool for learning, and students in grades seven and eight have a weekly class in computer literacy. Upper graders have access this year to computers in our new, small computer lab.

Other activities within the school include: a number of family events and informational programs sponsored by the parent-teacher organization (P.T.O.); a winter downhill and cross-country ski program; after-school computer clubs for students; a growing library collection organized by volunteers and our library coordinator, Eleanor Myles; an annual science fair; an I-Love-to-Read month and culminating Young Authors' Day celebration; annual spelling bee; Pemi-Baker League sports teams; field trips; cultural assemblies and musical/theatrical student performances.

Compliments go to the support personnel who help maintain the smooth operation of Russell School: Mrs. Dotty LaPointe, courteous and capable school secretary; Mr. Raymond Reed, school bus driver and custodian, who with the help of Paul Converse (and Bryan Darling, last summer) maintain the building in excellent condition; Mrs. Linda Cowan, school nurse; and the kitchen staff, Mrs. Lewis and Mrs. McCart, who have a hot lunch program which averages 83% student participation.

Finally, recognition is due to the many members of the Rumney community who contribute so vitally to the well being of Russell School's children through their cooperative efforts: parents, community volunteers, police and fire chiefs, the firemen's auxiliary, Byron G. Merrill Library staff, Baker River Audio-visual Center staff, selectmen and other community agents. Thank you, one and all, for your support and commitment to the pursuit of excellence in education.

Respectfully submitted,
Susan A. Rubel, Principal

SUPERINTENDENT'S REPORT

School Administrative Unit #48 continues in its goal to prepare our children for the present and the future. Within our ever changing environment this is no small task. Our entire staff is dedicated to dealing with the individual needs of our children, while being responsive to parental and community concerns; as well as State and Federal Mandates.

We are responding to the need for sound "basics" educational programming while also introducing our students to technology. Several grants have allowed our schools to utilize technology in the classroom. Holderness received a laser grant, while Campton and Plymouth will receive training grants, in the use of computers for teachers. Other SAU Districts continue to expand their use of technology in the classroom.

Curriculum development and program implementation remains a high priority. Our goal this year is to implement a cyclical process for curriculum development and a procedure to insure program implementation using all the SAU resources to benefit all districts. Our teachers and administrators will be making this process work.

The expanding growth of our area is both exciting and demanding. As the populations within our schools grow, each district has responded in kind. The addition to Holderness Central School begins this spring. Thornton will vote on a bond issue for expansion in March. Campton, having completed the first phase of expansion last year, prepares for further expansion in the near future. Plymouth's School Building Needs Committee continues its work and expects to finalize plans for a school addition this spring. Rumney and Wentworth are in the initial stages of planning for future building renovation and expansion.

The Cooperative School District Study Committee continues its work in evaluating various school organizational structures and funding mechanisms. The committee is engaged in a long range study to evaluate educational ramifications, current facilities, enrollment, demographic and financial considerations involved with each educational structure.

Community support for our schools has always been a trademark in School Administrative Unit #48. Your support during these changing times will testify to our continued commitment to quality education.

Our districts continue to move toward excellence. Teachers continue to improve their instructional techniques, while district administrators strive to improve their abilities. Several administrators are moving toward advanced degrees from Doctorates in Education to a variety of advanced degrees and certificates. Their commitment to quality education is

very encouraging. We welcome new administrators to the School Administrative Unit #48 family:

Michael Maroni
Holderness Central School Principal
Frank Sawyer
Thornton Central School
Interim Principal
Sandra Tilton
Chapter I Coordinator

We also welcome Gail Hannigan as our new Gifted and Talented Coordinator/Teacher.

As your superintendent, I wish to thank you for giving me the opportunity to work with all of you in making School Administrative Unit #48 the best it can be. We all must continue to work together toward our ultimate goal of helping learners learn.

EXPLANATION OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY FOR 1986-1987

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the Superintendent of Schools as per the following quotation: "Reports. Each Superintendent of a School Administrative Unit shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district and their share of same . . . Said report shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrator, if any is in service in the unit."

One-half of the School Administrative Unit expenses is prorated among the several school districts of the unit on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$45,595.00 which was received by the Superintendent of Schools of School Administrative Unit #48 during 1986-1987 was prorated among the school districts comprising the School Administrative Unit. Allowance for \$2,500.00 travel within the Unit was also prorated as stated above.

The salary of \$35,000.00 for the Assistant Superintendent during 1986-1987 and travel allowance within the Unit of \$1,750 was prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

District	Adjusted Percent	Supt. Salary	Supt. Travel	Asst. Supt. Salary	Asst. Supt. Travel
Campton	15.22	6,939.56	380.50	5,327.00	266.35
Holderness	16.57	7,555.09	414.25	5,799.50	289.98
Plymouth	38.25	17,440.08	956.25	13,387.50	669.37
Rumney	8.82	4, 921.48	220.50	3,087.00	154.35
Thornton	8.48	3,866.46	212.00	2,968.00	148.40
Waterville Valley	8.00	3,647.60	200.00	2,800.00	140.00
Wentworth	4.66	2,124.73	116.50	1,631.00	81.55

**PROPOSED
 SCHOOL CALENDAR
 1988-1989**

Teacher In-service Days	Subject to adjustment by individual districts	
Schools Open - First Day	Tuesday	September 6, 1988
SCHOOLS CLOSED		
Columbus Day	Monday	October 10, 1988
Teachers' Conventions	Friday	October 21, 1988
Veterans' Day	Friday	November 11, 1988
Thanksgiving Recess	Thursday, Friday	November 24, 25, 1988
Christmas Recess	Friday-Friday	December 23-30, 1988
	Monday	January 2, 1989
Teacher in-service Day	Monday	February 20, 1989
Winter Recess	Monday-Friday	February 27- March 3, 1989
Spring Recess	Monday-Friday	April 24-28, 1989
Memorial Day	Tuesday	May 30, 1989
Last Day of School	Friday	June 16, 1989
Teacher In-Service Days	Subject to adjustment by individual districts	

Instructional purposes and student attendance require 180 days. If we have to make days up due to inclement weather, they will be added to the calendar after June 16, and teacher in-service days will be subsequently delayed.
