Town of Seabrook  
New Hampshire**

**1990**

**For the Year Ending December 31st  
As Compiled by the Town Officers**

#### FRONT COVER

Featured on the cover this year is the new public works facility on Railroad Avenue. The buildings, opened in the fall of 1989, are headquarters for the town's highway, rubbish, water and parks departments.

The facility was designed by James E. Champoux with the combined ideas of the other building committee members: James Champoux, Chairman; Clyde O. Brown, Sr.; Earl S. Perkins; Lawrence M. Douglas, Sr. (deceased); Warner B. Knowles; Vernon G. Dow; and Lydia M. Gould, Secretary. The committee also acted as general contractors and clerks of the works. Subcontract work was shared by many local contractors.

Cover photo is through the courtesy of Howard C. Page, III of Seabrook.

IN MEMORIUM

March 27, 1921

EVERETT H. FELCH

Sept. 20, 1991

Everett Howard Felch was born March 27, 1921, the son of Howard L. Felch and Jessie M. Wilbur. He was married in 1944 to Maria Mestretta Felch and they had three daughters. Everett worked as a machinist and draftsman for the Bailey Corporation.

He became active in the town around 1945, starting out as a part-time police officer. Over the years he held several ranks after becoming a permanent police officer in 1968. He was the first appointed lieutenant of the Town of Seabrook Police Department, a sergeant and assistant chief. He also served the town as dog officer, civil defense director, justice of the peace, and was a fire department photographer.

Everett was a lifetime member of the Seabrook Firemens' Association and a member of the Police Association. He retired from active work around 1980 still keeping his certification as a police officer by being elected each year as constable.

Everett will be remembered by many and missed by all.

IN MEMORIAM

October 27, 1919      Edwin E. Follansbee      Nov. 7, 1991

Edwin E. Follansbee was born October 27, 1919, the son of Reuben and Emogene (Bragg) Follansbee. He was married to Agnes L. (Van Horne).

Edwin was a fireman for the Seabrook Fire Department for twenty nine years and was the town's second appointed permanent fire fighter. He served as a lieutenant for sixteen years before his retirement in 1983.

Edwin was a World War II Army veteran, having served with the 856th Coast Artillery Battery.

Eddie will be missed by everyone: friends, relatives and co-workers. His quick smile and spontaneous sense of humor will always be remembered.

**Article 2:** Shall the municipality approve the Charter Amendment reprinted (summarized) below?

1. To amend Article II, Section C-13 entitled "Town Meeting Authority" so that the first sentence is deleted and replaced with the following sentence:

The form of government provided by this Charter may be either the Selectmen - Open Town Meeting with the Municipal Budget Act - Town Manager - Open Town Meeting with the Municipal Budget Act, as may be more specifically voted at an Annual Town Meeting

in accordance with the Revised Statutes Annotated.

This amendment shall become effective July 1, 1990.

(On the Official Ballot)

YES 731 NO 535

**Article 3:** Shall the municipality approve the Charter Amendment reprinted (summarized) below?

2. To amend Article II, Section C-30 entitled "Administrative Assistant" so that the first two sentences are deleted and replaced with the following two sentences:

The Town may have an Administrative Assistant. The individual holding that position is directly responsible to the Board of Selectmen or the Town Manager, as the case may be.

This amendment shall become effective July 1, 1990.

(On the Official Ballot)

YES 697 NO 581

**Article 4:** Shall the municipality approve the Charter Amendment reprinted (summarized) below?

3. To amend Article II, Section C-36B entitled "Overseer of the Poor" so that the first sentence is deleted and replaced with the following sentence:

The Selectmen, or the Town Manager as the case may be, shall be the overseers of the poor and may appoint a person as Welfare Agent.

This amendment shall become effective July 1, 1990.

(On the Official Ballot)

YES 767 NO 507

**Article 5:** Shall the municipality approve the Charter Amendment reprinted (summarized) below?

4. To amend Article III, Section C-51 entitled "Inventory of Town Property" so that the second sentence is deleted and replaced with the following sentence:

The inventory will be updated at least annually and filed with the Town Clerk.

This amendment shall become effective July 1, 1990.

(On the Official Ballot)

YES 785 NO 411

**Article 6:** Do you favor adoption of the Town Manager plan as provided in Chapter 37 of the Revised Statutes Annotated?

(On the Official Ballot)

YES 638 NO 619

**Article 7:** Are you in favor of the adoption of amendment number 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

1. Revise Section 263-5 by designating that portion of Zone 2R which is situated east of the Blackwater River as a new district to be known as "Zone 2B"?

(On the Official Ballot)

YES 551 NO 604

**Article 8:** Are you in favor of the adoption of amendment number 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

2. To simplify the Zoning Ordinance as it defines the allowed uses within the 5 zones and as it regulates the height restrictions of structures, lot area and frontage, and set back from lot lines by deleting Sections 263-11 through 16 and 18 through 20, and replacing the deleted sections with new Section 263-11 which uses tables to explain these regulations?

Section 263-11

No building, structure or portion thereof shall be erected, altered, moved or used, and no land or building or part thereof shall be used, arranged, or designed to be used except in conformance with Tables 1 & 2.

Table 1

**\*\*Footnotes\*\***

(1) This requirement shall not apply to lots of record that were recorded at the Rockingham County Registry of Deeds prior to 1978.

(2) Utility structures such as windmills and radio/television towers are exempt from this height limit.

(On the Official Ballot)

YES 700 NO 462

**Article 9:** Are you in favor of the adoption of amendment number 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

3. Adopt a new Article VII (Section 263-53) which would regulate signs and would restrict the size, number, location, and type of signs in each zoning district?

**Article VII**

No sign shall be erected without a Sign Permit issued by the Building Inspector. All signs shall adhere to the minimum dimensional requirements set forth in Table 3 below:

Table 3

**SIGNS**

	Zoning Districts		
	1 & 2R	2, 2B & 3	4 & 5
Maximum Cumulative Surface Area (in square feet) of All On-Premise Signs	16	150	0
Maximum Number of Freestanding Signs per Lot	1	2	0
Height of Sign (above grade)			
Maximum	15'	35'	-
Minimum	6'	6'	-
Minimum Setback from Lot Line	10'	10'	-

	Zoning Districts		
	no	yes	no
Internally Illuminated			
Off-Premise Signs	no	no	no

Notwithstanding the above, in addition to the signage that is normally permitted by Table 3, each lot shall be allowed:

- entrance and exit signs,
- one temporary real estate sales sign, a contractor's sign, and a yard sale sign.
- an unlimited number of attached signs, i.e. signs attached to buildings.
- political campaign signs
- roadside produce signs (not to exceed 30 square feet per lot).

(On the Official Ballot)

YES 760 NO 445

**Article 10:** Are you in favor of the adoption of amendment number 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

4. Revise Section 263-5 by changing the zoning designation from Zone 2R to Zone 2 for that land area that is bounded on the west by I-95, on the north by New Zealand Road, on the south by Route 107, and on the east by Route 1?

(On the Official Ballot)

YES 583 NO 576

**Article 11:** Are you in favor of the adoption of amendment number 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

5. Revise Article XI (Section 263-76 and 263-77) entitled "Flood Control Regulations" by replacing it with the New Hampshire Model Flood Plain Development Ordinance?

**New Hampshire Model Floodplain Development Ordinance  
For Communities with Coastal High Hazard Zones  
Meets the Minimum Requirements of Section 60.3(e)  
of the National Flood Insurance Program Regulations**

This ordinance, adopted pursuant to the authority of RSA 674:16, shall be known as the Town of Seabrook Floodplain Development Ordinance. The regulations in this ordinance shall overlay and supplement the regulations in the Town of Seabrook Zoning Ordinance, and shall be considered part of the Zoning Ordinance for purposes of administration and appeals under state law. If any provision of this ordinance differs or appears to conflict with any provision of the Zoning Ordinance or other ordinance or regulation, the provision imposing the greater restriction or more stringent standard shall be controlling.

The following regulations in this ordinance shall apply to all lands designated as special flood hazard areas by the Federal Emergency Management Agency (FEMA) in its "Flood Insurance Study for the Town of Seabrook, N.H." together with the associated Flood Insurance Rate Maps dated June 17, 1986, which are declared to be a part of this ordinance and are hereby incorporated by reference.

Item 1 Definition of Terms: The following definitions shall apply only to this Floodplain Development Ordinance and shall not be affected by the provisions of any other ordinance of the Town of Seabrook.

"Area of Shallow Flooding" means a designated AO, AH, or VO zone on the Flood Insurance Rate Map (FIRM) with a one-percent or greater annual possibility of flooding to an average depth of one to three feet where a clearly defined channel does not exist, where the path of flooding is unpredictable and where velocity flow may be evident. Such flooding is characterized by ponding or sheet-flow.

"Area of Special Flood Hazard" is the land in the floodplain within the Town of Seabrook subject to a one-percent or greater possibility of flooding in any given year. The area is designated as zone A on the FHBM and is designated on the FIRM as zones A, A2 and V2.

"Base Flood" means the flood having a one-percent possibility of being equalled or exceeded in any given year.

"Basement" means any area of a building having its floor subgrade on all sides.

"Building" - see "structure".

"Breakaway wall" means a wall that is not part of the structural support of the building and is intended through its design and construction to collapse under specific lateral loading forces without causing damage to the elevated portion of the building or supporting foundation.

"Development" means any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation, or drilling operation.

"FEMA" means the Federal Emergency Management Agency.

"Flood" or "Flooding" means a general and temporary condition of partial or complete inundation of normally dry land areas from:

- (1) the overflow of inland or tidal waters.
- (2) the unusual and rapid accumulation or runoff of surface waters from any source.

"Flood Boundary and Floodway Map" (Floodway Map) is an official map of the Town of Seabrook, on which FEMA has delineated the "Regulatory Floodway". This map should not be used to determine the correct flood hazard zone or base flood elevation, the Flood Insurance Rate Map (FIRM) will be used to make determinations of flood hazard zones and base flood elevations.

"Flood Elevation Study" means an examination, evaluation, and determination of flood hazards and if appropriate, corresponding water surface elevations, or an examination and determination of mudslide or flood-related erosion hazards.

"Flood Insurance Rate Map" (FIRM) means an official map incorporated with this ordinance, on which FEMA has delineated both the special flood hazard areas and risk premium zones applicable to the Town of Seabrook.

"Flood Insurance Study" - see "Flood Elevation Study".

"Floodplain" or "Flood-prone area" means any land area susceptible to being inundated by water from any source (see definition of "Flooding").

"Flood proofing" means any combination of structural and non-structural additions, changes, or adjustments to structures which reduce or eliminate flood damage to real estate or improved real property, water and sanitation facilities, structures and their contents.

"Floodway" - see "Regulatory Floodway".

"Functionally dependent use" means a use which cannot perform its intended purpose unless it is located or carried out in close proximity to water. The term includes only docking and port facilities that are necessary for the loading/unloading of cargo or passengers, and ship building/repair facilities but does not include long-term storage or related manufacturing facilities.

"Highest adjacent grade" means the highest natural elevation of the ground surface prior to construction next to the proposed walls of a structure.

"Historic Structure" means any structure that is:

(a) Listed individually in the National Register of Historic Places (a listing maintained by the Department of Interior) or preliminarily determined by the Secretary of the Interior as meeting the requirements for individual listing on the National Register;

(b) Certified or preliminarily determined by the Secretary of the Interior as contributing to the historical significance of a registered historic district or a district preliminarily determined by the Secretary to qualify as a registered historic district;

(c) Individually listed on a state inventory of historic places in states with historic preservation programs which have been approved by the Secretary of the Interior; or

(d) Individually listed on a local inventory of historic places in communities with historic preservation programs that have been certified either:

1) By an approved state program as determined by the Secretary of the Interior, or

2) Directly by the Secretary of the Interior in states without approved programs.

"Lowest Floor" means the lowest floor of the lowest enclosed area (including basement). An unfinished or flood resistant enclosure, usable solely for parking of vehicles, building access or storage in an area other than a basement area is not considered a building's lowest floor; provided that such an enclosure is not built so as to render the structure in violation of the applicable non-elevation design requirements of this ordinance.

"Manufactured Home" means a structure, transportable in one or more sections, which is built on a permanent chassis and is designed for use with or without a permanent foundation when connected to the required utilities. For floodplain management purposes the term "manufactured home" includes park trailers, travel trailers, and other similar vehicles placed on site for greater than 180 days.

"Mean sea level" means the National Geodetic Vertical Datum (NGVD) of 1929 or other datum, to which base flood elevations shown on a community's Flood Insurance Rate Map are referenced.

"100-year flood" - see "base flood".

"Regulatory floodway" means the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge the base flood without increasing the water surface elevation. These areas are designated as floodways on the Flood Boundary and Floodway Map.

"Special flood hazard area" means an area having flood, mudslide, and/or flood-related erosion hazards, and shown on an FIRM or FIRM as zone A, AO, A1-30, AE, A99, AH, VO, V1-30, VE, V, M, or E. (See - "Area of Special Flood Hazard".)

"Structure" means for floodplain management purposes, a walled and roofed building, including a gas or liquid storage tank, that is principally above ground, as well as a manufactured home.

"Start of Construction" includes substantial improvements, and means the date the building permit was issued, provided the actual start of construction, repair, reconstruction, placement or other improvement was within 180 days of the permit date. The actual start means either the first placement of permanent construction of a structure on site, such as the pouring of slab or footings, the installation of piles, the construction of columns, or any work beyond the stage of excavation; or the placement of manufactured home on a foundation. Permanent construction does not include land preparation, such as clearing, grading and filling; nor does it include the installation of streets and/or walkways; nor does it include excavation for a basement, footings, piers, or foundations or the erection of temporary forms; nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or part of the main structure.

"Substantial damage" means damage of any origin sustained by a structure whereby the cost of restoring the structure to its before damaged condition would equal or exceed 50 percent of the market value of the structure before the damage occurred.

"Substantial Improvement" means any combination of repairs, reconstruction, alteration, or improvements to a structure in which the cumulative cost equals or exceeds fifty percent of the market value of the structure. The market value of the structure should equal: (1) the appraised value prior to the start of the initial repair or improvement, or (2) in the case of damage, the value of the structure prior to the damage occurring. For the purposes of this definition, "substantial improvement" is considered to occur when the first alteration of any wall, ceiling, floor, or other structural part of the building commences, whether or not that alteration affects the external dimensions of the structure. This term includes structures which have incurred substantial damage, regardless of actual repair work performed. The term does not, however, include any project for improvement of a structure required to comply with existing health, sanitary, or safety code specifications which are solely necessary to assure safe living conditions or any alteration of a "historic structure", provided that the alteration will not preclude the structure's continued designation as a "historic structure".

"Water surface elevation" means the height, in relation to the National Geodetic Vertical Datum (NGVD) of 1929, (or other datum, where specified) of floods of various magnitudes and frequencies in the floodplains.

#### Item II.

All proposed development in any special flood hazard areas shall require a permit.

Item III. The building inspector shall review all building permit applications for new construction or substantial

improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is located in a special flood hazard area, all new construction or substantial improvements shall:

- (i) be designed (or modified) and adequately anchored to prevent floatation, collapse, or lateral movement of the structure resulting from hydrodynamic and hydrostatic loads, including the effects of buoyancy,
- (ii) be constructed with materials resistant to flood damage,
- (iii) be constructed by methods and practices that minimize flood damages,
- (iv) be constructed with electrical, heating, ventilation, plumbing, and air conditioning equipment, and other service facilities that are designed and/or located so as to prevent water from entering or accumulating within the components during conditions of flooding.

Item IV.

Where new or replacement water and sewer systems (including on-site systems) are proposed in a special flood hazard area the applicant shall provide the Building Inspector with assurance that these systems will be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters, and on-site waste disposal systems will be located to avoid impairment to them or contamination from them during periods of flooding.

Item V.

For all new or substantially improved structures located in Zones A, A1-30, AE, AO or AH, the applicant shall furnish the following information to the building inspector:

- (a) the as-built elevation (in relation to NGVD) of the lowest floor (including basement) and include whether or not such structures contain a basement.
- (b) if the structure has been floodproofed, the as-built elevation (in relation to NGVD) to which the structure was floodproofed.
- (c) any certification of floodproofing.

For all new construction or substantially improved buildings located in Zones VE or V1-30 the applicant shall furnish the building inspector records indicating the as-built elevation of the bottom of the lowest horizontal structural member of the lowest floor (excluding pilings or columns) in relation to NGVD and whether or not the structure contains a basement.

The Building Inspector shall maintain the above information for public inspection, and shall furnish it upon request.

Item VI.

The Building Inspector shall not grant a permit until the applicant certifies that all necessary permits have been received from those governmental agencies from which approval is required by federal or state law, including Section 404 of the Federal Water Pollution Control Act Amendments of 1972, 33 U.S.C. 1334.

Item VII.

1. In riverine situations, prior to the alteration or relocation of a watercourse the applicant for such authorization shall notify the Wetlands Board of the New Hampshire Environmental Services Department and submit copies of such notification to the Building Inspector, in addition to the copies required by the RSA 483-A:1-b. Further, the applicant shall be required to submit copies of said notification to those adjacent communities as determined by the Building Inspector, including notice of all scheduled hearings before the Wetlands Board.

2. The applicant shall submit to the Building Inspector, certification provided by a registered professional engineer, assuring that the flood carrying capacity of an altered or relocated watercourse can and will be maintained.

3. The Building Inspector shall obtain, review, and reasonably utilize any floodway data available from Federal, State, or other sources as criteria for requiring that all development located Zone A meet the following floodway requirement:

"No encroachments, including fill, new construction, substantial improvements, and other development are allowed within the floodway that would result in any increase in flood levels within the community during the base flood discharge."

4. Along watercourses that have not had a Regulatory Floodway designated, no new construction, substantial improvements, or other development (including fill) shall be permitted within zones A1-30 and AE on the FIRM, unless it is demonstrated by the applicant that the cumulative effect of the proposed development, when combined with all existing and anticipated development, will not increase the water surface elevation of the base flood more than one foot at any point within the community.

Item VIII.

1. In special flood hazard areas the Building Inspector shall determine the 100 year flood elevation in the following order of precedence according to the data available:

a. In zones A1-30, AH, AE, V1-30, and VE refer to the elevation data provided in the community's Flood Insurance Study and accompanying FIRM or FHBM.

b. In unnumbered A zones the Building Inspector shall obtain, review, and reasonably utilize any 100 year flood elevation data available from any federal, state or other source including data submitted for development proposals submitted to the community (i.e. subdivisions, site approvals).

2. The Building Inspector's 100 year flood elevation determination will be used as criteria for requiring in zones A, A1-30, AE, AH, AO, and A that:

a. all new construction or substantial improvement of residential structures have the lowest floor (including basement) elevated to or above the 100 year flood elevation;

b. that all new construction or substantial improvements of non-residential structures have the lowest floor (including basement) elevated to or above the 100 year flood level; or together with attendant utility and sanitary facilities, shall:

(i) be floodproofed so that below the 100 year flood elevation the structure is watertight with walls

substantially impermeable to the passage of water;

(ii) have structural components capable of resisting hydrostatic and hydrodynamic loads and the effects of buoyancy; and

(iii) be certified by a registered professional engineer or architect that the design and methods of construction are in accordance with accepted standards of practice for meeting the provisions of this section;

c. all manufactured homes to be placed or substantially improved within special flood hazard areas shall be elevated on a permanent foundation such that the lowest floor of the manufactured home is at or above the base flood level; and be securely anchored to resist floatation, collapse, or lateral movement. Methods of anchoring may include, but are not limited to, use of over-the-top or frame ties to ground anchors. This requirement is in addition to applicable state and local anchoring requirements for resisting wind forces;

d. for all new construction and substantial improvements, fully enclosed areas below the lowest floor that are subject to flooding are permitted provided they meet the following requirements: (1) the enclosed area is unfinished or flood resistant, usable solely for the parking of vehicles, building access or storage; (2) the area is not a basement; (3) shall be designed to automatically equalize hydrostatic flood forces on exterior walls by allowing for the entry and exit of floodwater. Designs for meeting this requirement must either be certified by a registered professional engineer or architect or must meet or exceed the following minimum criteria: A minimum of two openings having a total net area of not less than one square inch for every square foot of enclosed area subject to flooding shall be provided. The bottom of all openings shall be no higher than one foot above grade. Openings may be equipped with screens, louvers, or other coverings or devices provided that they permit the automatic entry and exit of floodwater.

e. proposed structures to be located on slopes in special flood hazard areas, zones AH and A0 shall include adequate drainage paths to guide flood waters around and away from the proposed structures.

#### Item IX.

The following regulations shall apply to coastal high hazard area, designated as V1-30 and VE on the Flood Insurance Rate Map:

1. All new construction or substantial improvements are to be elevated on pilings and columns so that:

a. the bottom of the lowest horizontal structural member of the lowest floor (excluding the pilings or columns) is elevated to or above the base flood level;

b. the pile or column foundation and structure attached thereto is anchored to resist floatation, collapse, and lateral movement due to the effects of wind and water loads acting simultaneously on all building components. Water loading values used shall be those associated with the base flood. Wind loading values used shall be those required by applicable state and local building standards.

2. A registered professional engineer or architect shall develop or review the structural design, specifications and plans for construction, and shall certify that the design and methods of

construction to be used are in accordance with accepted standards of practice for meeting the provisions of this item.

3. The space below the lowest floor must be free of obstructions or constructed with non-supporting breakaway walls, open lattice-work, or insect screening intended to collapse under wind and water loads without causing collapse, displacement, or other structural damage to the elevated portion of the building or supporting foundation system. For the purposes of this section, a breakaway wall shall have a design safe loading resistance of not less than 10 and no more than 20 pounds per square foot. Such enclosed space shall be usable solely for the parking of vehicles, building access, or storage.

4. The use of fill for the structural support of buildings is prohibited.

5. Man-made alterations of sand dunes which would increase potential flood damage is prohibited.

6. All new construction or substantial improvements within zones V1-30, VE and V on the FIRM shall be located landward of the reach of mean high tide.

Item X: Variances and Appeals

1. Any order, requirement, decision or determination of the building inspector made under this ordinance may be appealed to the Zoning Board of Adjustment as set forth in RSA 676:5.

2. If the applicant, upon appeal, requests a variance as authorized by RSA 674:33, I(b), the applicant shall have the burden of showing in addition to the usual variance standards under state law:

(a) that the variance will not result in increased flood heights, additional threats to public safety, or extraordinary public expense.

(b) that if the requested variance is for activity within a designated regulatory floodway, no increase in flood levels during the base flood discharge will result.

(c) that the variance is the minimum necessary, considering the flood hazard, to afford relief.

3. The Zoning Board of Adjustment shall notify the applicant in writing that: (i) the issuance of a variance to construct below the base flood level will result in increased premium rates for flood insurance up to amounts as high as \$25 for \$100 of insurance coverage and (ii) such construction below the base flood level increases risks to life and property. Such notification shall be maintained with a record of all variance actions.

4. The community shall (i) maintain a record of all variance actions, including their justification for their issuance, and (ii) report such variances issued in its annual or biennial report submitted to FEMA's Federal Insurance Administrator.

(On the Official Ballot)

YES 677 NO 462

ADJOURNED TOWN MEETING

MARCH 15, 1990

Meeting called to order by Moderator, Charles H. Felch, Sr. at 7:10 PM.  
Introduction of head table.  
Salute to flag led by Lydia M. Gould.  
Announcements by Moderator - all non-voters please sit on left hand side of hall.  
Only one amendment on floor at a time.  
All amendments must be in writing and signed.  
Sponsor of article will be called on first to explain article.  
State law on smoking in a public building enforced. RSA 155:45  
Town officials will be sworn in at 6:45 PM. March 16, 1990 before Adjourned Town Meeting.  
Clyde O. Brown inquires about where the town stands with the Power Plant. Steve Clark, Administrative Assistant, explains situation.

**Article 12:** To see if the town will vote to adopt the following Fireworks Ordinance as presented by the selectmen.

FIREWORKS ORDINANCE

Preamble

On June 22, 1988, the Board of Selectmen, as the local governing body, voted not to issue any permits for the sale or purchase of both Class B and C fireworks. Subsequently, as a result of extensive litigation, changes in the statute governing fireworks, recent uncontrolled and extensive sale of fireworks in the town, and the availability of information concerning the safety and health issue of fireworks sales and displays, the selectmen have determined that a change in the prior vote is desirable. For the purpose of protecting the public health, safety, and welfare, the following ordinance is enacted regulating the sale and display of fireworks:

1. Sale and Display of Class C Common Fireworks

There shall be no permits granted for the sale or display of Class C fireworks within the Town of Seabrook.

2. Sale of Class B Special Fireworks

Any person, firm, partnership, or corporation desiring to sell any Class B Special Fireworks either at retail or wholesale must first obtain a permit for such sale from the Board of Selectmen. Such permit shall be issued only after compliance with and subject to the following:

a. The applicant must be in full compliance with Title 18 United States Code and the regulations promulgated thereunder. The applicant shall have the burden of proving compliance with such federal regulations.

b. Any permit shall be issued contingent on the applicant's receipt of a license from the State of New Hampshire pursuant to RSA 160 A:7.

c. The location of the business so licensed must be in compliance with all town zoning ordinances and town building and health and safety regulations.

d. No sale of Class B Special Fireworks shall be made to any person under twenty-one (21) years of age and to any person other than a person who has been granted a permit to display fireworks pursuant to RSA 160 A and RSA 158:9-f and who has received proper licenses under all relevant Bureau

of Alcohol, Tobacco and Firearms (BATF) and United States Department of Transportation (DOT) regulations. Such permits and licenses must be presented at the time of sale.

e. The applicant shall maintain a comprehensive record of all sales of Class B Special Fireworks to properly certified and permitted purchasers and shall make said records available for review by the selectmen during business hours and after reasonable notice.

f. Sale permits shall be valid for a maximum of one (1) year from the date of issue or until the applicant is no longer governed by or in compliance with these regulations or federal or state requirements.

g. A permit fee of one thousand (\$1,000.00) dollars shall be paid by applicant for each permit so issued.

h. This section shall be limited by the exception provided out-of-state wholesale sales under RSA 160 A:3.

### 3. Display of Class B Special Fireworks

Persons desiring to display Class B Special Fireworks must first obtain a permit from the Board of Selectmen. Such permit shall be issued only after compliance with and subject to the following:

a. An application shall first be submitted to the fire chief at least fifteen (15) days in advance of the date for display and shall be investigated and handled in accordance with the rules of the Director of the Division of State Police pursuant to RSA 158:9-f.

b. The applicant must be at least twenty-one (21) years of age and must possess a valid certification of competency as provided in RSA 158:9-f.

c. No display permit shall be transferable and shall be valid for only one display to be held within fifteen (15) days that said permit is granted.

d. Each applicant shall present at the time of application such proof of insurance or bonding coverage as required by the Board of Selectmen. The amount of coverage needed shall be determined by such factors as the size of the display, the geographic location, and the anticipated crowd size.

e. Display permits shall only be granted for display by municipalities, fair associations, amusement parks, and other organizations or groups of individuals.

f. A permit fee of fifty (\$50.00) dollars shall be paid by applicant for each permit so issued.

### 4. Definitions

The definitions of "Class C Common Fireworks," "Class B Special Fireworks," "display," "sale," and "wholesale" shall be the same as found in RSA 160 A:1.  
Motion by Elizabeth A. Thibodeau, second by Asa H. Knowles, Jr., to adopt Article 12 as read. ADOPTED

Motion by Elizabeth A. Thibodeau, second by Asa H. Knowles Jr., due to length of Article 12 I move to dispense with the reading of this article and go for the adoption of Article 12.  
This article explained by Town Counsel, Gary Holmes.  
Question moved by Frederick Moulton, second by Francis Thibodeau.  
HAND VOTE YES 117 NO 51

ARTICLE 12 ADOPTED

**Article 13:** On petition submitted by Fred C. Tobey IV and eleven (11) other legal voters of the town: To see if the town will vote to adopt the following fireworks ordinance as submitted by the petitioner:

CITIZEN PETITION

The undersigned, being ten or more legal voters of the Town of Seabrook, New Hampshire, hereby submit the following ordinance for consideration by the Town meeting pursuant to RSA 39:3.

Preamble

On June 22, 1988, the Board of Selectmen, as the local governing body, voted not to issue any permits for the sale or purchase of both Class B and C fireworks. Subsequently, as a result of extensive litigation, changes in the statute governing fireworks, recent uncontrolled and extensive sale of fireworks in the Town, and the availability of information concerning the safety and health issue of fireworks sales and displays, the Selectmen have determined that a change in the prior vote is desirable. For the purpose of protecting the public health, safety, and welfare, the following ordinance is enacted regulating the sale and display of fireworks:

1. Sale of Class B Special Fireworks

Any person, firm, partnership, or corporation desiring to sell any Class B Special Fireworks at retail must first obtain a permit for such sale from the Board of Selectmen. Such permit shall be issued only after compliance with and subject to the following:

- a. The applicant must be in full compliance with Title 18 United States Code and the regulations promulgated thereunder. The applicant shall have the burden of proving compliance with such federal regulations.
- b. Any permit shall be issued contingent on the applicant's receipt of a license from the State of New Hampshire pursuant to RSA 160 A:7. This section is not to be construed that said license is a prerequisite to the issuance of the permit as, pursuant to RSA 160 A:7, the local permit is prerequisite to the State license.
- c. The location of the business so licensed must be in compliance with all town zoning ordinances and town building and health and safety regulations and in addition, the building must be equipped with a sprinkler system and be a permanent structure (no tents). The business must be open year round.
- d. No sale of Class B Special Fireworks shall be made to any person under twenty-one (21) years of age or to any person who has not been granted a permit to display fireworks pursuant to RSA 160 A and RSA 158:9-f and who has received proper licenses under all relevant Bureau of Alcohol, Tobacco and Firearms (BATF) and United States Department of Transportation (DOT) regulations. Such permits and licenses must be presented at the time of sale.
- e. The applicant shall maintain a comprehensive record of all sales of Class B Special Fireworks to properly certified and permitted purchasers and shall make said records available for review by the Selectmen during business hours and after reasonable notice.
- f. Sale permits shall be valid for a maximum of one (1) year from the date of issue or until the applicant is no

longer governed by or in compliance with these regulations or federal or state requirements.

g. A permit fee shall be paid by the applicant, the amount of said fee to be established by the Selectmen but the total fee for permits pursuant to Paragraph 1 of this ordinance and Paragraph 3 of this ordinance shall not exceed \$1,000.

h. This section shall not apply to sales at wholesale as provided under RSA 160 A:2 and 3.

## 2. Display of Class B Special Fireworks

Persons desiring to display Class B Special Fireworks must first obtain a permit from the Board of Selectmen. Such permit shall be issued only after compliance with and subject to the following:

a. An application shall first be submitted to the fire chief at least fifteen (15) days in advance of the date for display and shall be investigated and handled in accordance with the rules of the Director of the Division of State Police pursuant to RSA 158:9-f.

b. The applicant must be at least twenty-one (21) years of age and must possess a valid certification of competency as provided in RSA 158:9-f.

c. No display permit shall be transferable and shall be valid for only one display to be held within fifteen (15) days that said permit is granted.

d. Each applicant shall present at the time of application such proof of insurance or bonding coverage as required by the Board of Selectmen. the amount of coverage needed shall be determined by such factors as the size of the display, the geographical location, and the anticipated crowd size.

e. Display permits shall only be granted for display by municipalities, fair associations, amusement parks, and other organizations or groups of individuals.

f. A permit fee of \$100.00 shall be paid by applicant for each permit so issued.

## 3. Sale of Class C Common Fireworks

Any person, firm, partnership, or corporation desiring to sell any Class C Common Fireworks at retail must first obtain a permit for such sale from the Board of Selectmen. Such permit shall be issued only after compliance with and subject to the following:

a. The applicant must be in full compliance with Rules and Regulations of the Consumer Products Safety Commission, The Department of Transportation and the Bureau of Explosives. The applicant shall have the burden of proving compliance with such federal regulations.

b. Any permit shall be issued contingent on the applicant's receipt of a license from the State of New Hampshire pursuant to RSA 160 A:7. This section is not to be construed that said license is a prerequisite to the issuance of the permit as, pursuant to RSA 160 A:7, the local permit is prerequisite to the State license.

c. The location of the business so licensed must be in compliance with all town zoning ordinances and town building and health and safety regulations and in addition, the building must be equipped with a sprinkler system and be a

permanent structure (no tents). The business must be open year round.

d. No sale of Class C Common Fireworks shall be made to any persons under twenty-one (21) years of age or to any person other than a person who has been granted a display permit as provided herein. Such display permit shall be presented at the time of the sale.

e. The applicant shall maintain a comprehensive record of all sales of Class C Common Fireworks to permitted purchasers and shall make said records available for review by the Selectmen during business hours and after reasonable notice.

f. Sale permits shall be valid for a maximum of one (1) year from the date of issue or until the applicant is no longer governed by or in compliance with these regulations or federal or state requirements.

g. A permit fee shall be paid by the applicant, the amount of said fee to be established by the Selectmen but the total fees for a permit pursuant to Paragraph 1 of this ordinance and Paragraph 3 of this ordinance shall not exceed \$1,000.00.

h. This section shall not apply to sales at wholesale as provided under RSA 160 A:2 and 3.

#### 4. Display of Class C Common Fireworks

Persons desiring to display Class C Common Fireworks must first obtain a permit from the Board of Selectmen. Such permit shall be issued only after compliance with and subject to the following in addition to the requirements of RSA 160 A:IV and V:

a. The applicant must be at least twenty-one (21) years of age.

b. No display permit shall be transferable.

c. Each applicant shall present at the time of application such proof of his knowledge of the hazards relating to the display of Class C Common Fireworks as the Selectmen shall from time to time require. The Selectmen shall also require from said applicant a written statement holding the Town of Seabrook harmless for any and all injury to persons or properties resulting from the display of Class C Common Fireworks.

d. The Selectmen may establish reasonable times and places for said display as a condition of granting the permit.

e. Any individual violating the terms and conditions set upon such permit shall, in addition to all other fines and penalties provided by law, be guilty of a violation.

f. A permit fee of \$5.00 shall be paid by applicant for each permit so issued.

g. The Selectmen may appoint an agent or agents to administer this ordinance and nothing herein shall be construed to prohibit the appointment of persons holding permits for the sale of Class B and/or Class C Common Fireworks pursuant to this ordinance, from being so appointed.

5. Definitions

The definitions of "Class C Common Fireworks," "Class B Special Fireworks," "display," "sale," and "wholesale" shall be the same as found in RSA 160 A:1.

6. Use of Permit fees

Permit fees received may be utilized for educational or fire safety purposes.

Motion by Elizabeth A. Thibodeau, second by Frederick Moulton, due to the length of Article 13 I move to dispense with the reading of Article 13. ADOPTED

Motion by Elizabeth A. Thibodeau, second by Louis Janos to postpone Article 13 indefinitely.  
ARTICLE 13 INDEFINITELY POSTPONED.

**Article 14:** To see if the town will vote to amend generally Chapter 30 of the Seabrook Code entitled Civil Defense Ordinance to conform said ordinance to the new provisions of RSA 170-C which is entitled "Emergency Management Act" so that all references in the present ordinance to "Civil Defense," "Civil Defense Director," and "RSA 170," be changed to Emergency Management, Director of Emergency Management, and RSA 170-C, respectively.

Motion by Asa H. Knowles Jr. second by Elizabeth A. Thibodeau, to adopt Article 14 as read.  
Amendment by Elizabeth A. Thibodeau, second by Asa H. Knowles Jr. to change RSA 170- C to RSA 107-C.  
AMENDMENT TO ARTICLE 14 ADOPTED AS READ  
ARTICLE 14 ADOPTED AS AMENDED.

**Article 15:** To see if the town will vote to amend chapter 244 of the Seabrook Code entitled Taxicab Ordinance by deleting section 244:2 in its entirety, and to renumber the chapter accordingly.

Motion by Elizabeth A. Thibodeau, second by Asa H. Knowles Jr. to adopt as read.  
ARTICLE 15 ADOPTED AS READ

**Article 16:** To see if the town will vote to adopt and ratify the following amendment to the Dogs Ordinance of September 28, 1976, by increasing the amount of fine per offense from ten (\$10.00) dollars to twenty (\$20.00) dollars, so that chapter 152-13 will read:

152-13 Violations and penalties.

Any person violating any provision of this chapter shall, in addition to any other penalty fixed by law, be fined an amount not exceeding twenty dollars (\$20.) for each offense.

This amendment shall become effective immediately upon adoption.

Motion by Elizabeth a. Thibodeau, second by Frederick Moulton, to adopt Article 16 as read.  
This article explained by Jeffrey Baillargeon.  
ARTICLE 16 ADOPTED AS READ

**Article 17:** To see if the town will vote to adopt and ratify the following ordinances and amendments to ordinances as printed in the annual town report:

Amendment to Solid Waste Disposal Ordinance June 21, 1989

Amendment to Parking Ordinance

June 21, 1989

Amendment to Parking Ordinance

October 25, 1989

Motion by Elizabeth A. Thibodeau, second by Asa H. Knowles Jr., to adopt as read.

ARTICLE 17 ADOPTED AS READ

**Article 18:** Shall we adopt the provisions of RSA 72:28, V and VI, for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is \$100, rather than \$50.

(Ballot Vote)

**Article 19:** Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is \$1,400, rather than \$700.

(Ballot Vote)

Motion by Asa H. Knowles Jr. second by Elizabeth A. Thibodeau, to adopt article 18 & 19 together as read. ADOPTED  
Mr. Steven Clark, Administrative Assistent will explain these articles.

Motion by Elizabeth A. Thibodeau, second by Asa H. Knowles Jr. to dispense with check-list and use paper ballots. Adopted.

ARTICLE 18 YES 178 NO 23

ARTICLE 19 YES 172 NO 24

ARTICLES 18 & 19 ADOPTED AS VOTED.

We will reconsider ARTICLE 12.

Article 12 read by Moderator, Charles H. Felch Sr.

**Article 12:** To see if the town will vote to adopt the following Fireworks Ordinance as presented by the selectmen.

FIREWORKS ORDINANCE

Preamble

On June 22, 1988, the Board of Selectmen, as the local governing body, voted not to issue any permits for the sale or purchase of both Class B and C fireworks. Subsequently, as a result of extensive litigation, changes in the statute governing fireworks, recent uncontrolled and extensive sale of fireworks in the town, and the availability of information concerning the safety and health issue of fireworks sales and displays, the selectmen have determined that a change in the prior vote is desirable. For the purpose of protecting the public health, safety, and welfare, the following ordinance is enacted regulating the sale and display of fireworks:

1. Sale and Display of Class C Common Fireworks

There shall be no permits granted for the sale or display of Class C fireworks within the Town of Seabrook.

2. Sale of Class B Special Fireworks

Any person, firm, partnership, or corporation desiring to sell any Class B Special Fireworks either at retail or wholesale must first obtain a permit for such sale from the Board of Selectmen. Such permit shall be issued only after compliance with and subject to the following:

a. The applicant must be in full compliance with Title 18 United States Code and the regulations promulgated thereunder. The applicant shall have the burden of proving compliance with such federal regulations.

b. Any permit shall be issued contingent on the applicant's receipt of a license from the State of New Hampshire pursuant to RSA 160 A:7.

c. The location of the business so licensed must be in compliance with all town zoning ordinances and town building and health and safety regulations.

d. No sale of Class B Special Fireworks shall be made to any person under twenty-one (21) years of age and to any person other than a person who has been granted a permit to display fireworks pursuant to RSA 160 A and RSA 158:9-f and who has received proper licenses under all relevant Bureau of Alcohol, Tobacco and Firearms (BATF) and United States Department of Transportation (DOT) regulations. Such permits and licenses must be presented at the time of sale.

e. The applicant shall maintain a comprehensive record of all sales of Class B Special Fireworks to properly certified and permitted purchasers and shall make said records available for review by the selectmen during business hours and after reasonable notice.

f. Sale permits shall be valid for a maximum of one (1) year from the date of issue or until the applicant is no longer governed by or in compliance with these regulations or federal or state requirements.

g. A permit fee of one thousand (\$1,000.00) dollars shall be paid by applicant for each permit so issued.

h. This section shall be limited by the exception provided out-of-state wholesale sales under RSA 160 A:3.

### 3. Display of Class B Special Fireworks

Persons desiring to display Class B Special Fireworks must first obtain a permit from the Board of Selectmen. Such permit shall be issued only after compliance with and subject to the following:

a. An application shall first be submitted to the fire chief at least fifteen (15) days in advance of the date for display and shall be investigated and handled in accordance with the rules of the Director of the Division of State Police pursuant to RSA 158:9-f.

b. The applicant must be at least twenty-one (21) years of age and must possess a valid certification of competency as provided in RSA 158:9-f.

c. No display permit shall be transferable and shall be valid for only one display to be held within fifteen (15) days that said permit is granted.

d. Each applicant shall present at the time of application such proof of insurance or bonding coverage as required by the Board of Selectmen. The amount of coverage needed shall be determined by such factors as the size of the display, the geographic location, and the anticipated crowd size.

e. Display permits shall only be granted for display by municipalities, fair associations, amusement parks, and other organizations or groups of individuals.

f. A permit fee of fifty (\$50.00) dollars shall be paid by applicant for each permit so issued.

### 4. Definitions

The definitions of "Class C Common Fireworks," "Class B Special Fireworks," "display," "sale," and "wholesale" shall be the same as found in RSA 160 A:1.

Motion by Elizabeth A. Thibodeau, second by Elsa Emmons, to adopt as read.

Article 13. HAND VOTE YES 128 NO 32

MOTION TO RECONSIDER ARTICLE 13 ADOPTED

Article 13 read by Moderator, Charles H. Felch Sr..

Article 13: On petition submitted by Fred C. Tobey IV and eleven (11) other legal voters of the town: To see if the town will vote to adopt the following fireworks ordinance as submitted by the petitioner:

#### CITIZEN PETITION

The undersigned, being ten or more legal voters of the Town of Seabrook, New Hampshire, hereby submit the following ordinance for consideration by the Town meeting pursuant to RSA 39:3.

#### Preamble

On June 22, 1988, the Board of Selectmen, as the local governing body, voted not to issue any permits for the sale or purchase of both Class B and C fireworks. Subsequently, as a result of extensive litigation, changes in the statute governing fireworks, recent uncontrolled and extensive sale of fireworks in the Town, and the availability of information concerning the safety and health issue of fireworks sales and displays, the Selectmen have determined that a change in the prior vote is desirable. For the purpose of protecting the public health, safety, and welfare, the following ordinance is enacted regulating the sale and display of fireworks:

#### 1. Sale of Class B Special Fireworks

Any person, firm, partnership, or corporation desiring to sell any Class B Special Fireworks at retail must first obtain a permit for such sale from the Board of Selectmen. Such permit shall be issued only after compliance with and subject to the following:

- a. The applicant must be in full compliance with Title 18 United States Code and the regulations promulgated thereunder. The applicant shall have the burden of proving compliance with such federal regulations.
- b. Any permit shall be issued contingent on the applicant's receipt of a license from the State of New Hampshire pursuant to RSA 160 A:7. This section is not to be construed that said license is a prerequisite to the issuance of the permit as, pursuant to RSA 160 A:7, the local permit is prerequisite to the State license.
- c. The location of the business so licensed must be in compliance with all town zoning ordinances and town building and health and safety regulations and in addition, the building must be equipped with a sprinkler system and be a permanent structure (no tents). The business must be open year round.
- d. No sale of Class B Special Fireworks shall be made to any person under twenty-one (21) years of age or to any person who has not been granted a permit to display fireworks pursuant to RSA 160 A and RSA 158:9-f and who has

received proper licenses under all relevant Bureau of Alcohol, Tobacco and Firearms (BATF) and United States Department of Transportation (DOT) regulations. Such permits and licenses must be presented at the time of sale.

e. The applicant shall maintain a comprehensive record of all sales of Class B Special Fireworks to properly certified and permitted purchasers and shall make said records available for review by the Selectmen during business hours and after reasonable notice.

f. Sale permits shall be valid for a maximum of one (1) year from the date of issue or until the applicant is no longer governed by or in compliance with these regulations or federal or state requirements.

g. A permit fee shall be paid by the applicant, the amount of said fee to be established by the Selectmen but the total fee for permits pursuant to Paragraph 1 of this ordinance and Paragraph 3 of this ordinance shall not exceed \$1,000.

h. This section shall not apply to sales at wholesale as provided under RSA 160 A:2 and 3.

## 2. Display of Class B Special Fireworks

Persons desiring to display Class B Special Fireworks must first obtain a permit from the Board of Selectmen. Such permit shall be issued only after compliance with and subject to the following:

a. An application shall first be submitted to the fire chief at least fifteen (15) days in advance of the date for display and shall be investigated and handled in accordance with the rules of the Director of the Division of State Police pursuant to RSA 158:9-f.

b. The applicant must be at least twenty-one (21) years of age and must possess a valid certification of competency as provided in RSA 158:9-f.

c. No display permit shall be transferable and shall be valid for only one display to be held within fifteen (15) days that said permit is granted.

d. Each applicant shall present at the time of application such proof of insurance or bonding coverage as required by the Board of Selectmen. the amount of coverage needed shall be determined by such factors as the size of the display, the geographical located, and the anticipated crowd size.

e. Display permits shall only be granted for display by municipalities, fair associations, amusement parks, and other organizations or groups of individuals.

f. A permit fee of \$100.00 shall be paid by applicant for each permit so issued.

## 3. Sale of Class C Common Fireworks

Any person, firm, partnership, or corporation desiring to sell any Class C Common Fireworks at retail must first obtain a permit for such sale from the Board of Selectmen. Such permit shall be issued only after compliance with and subject to the following:

a. The applicant must be in full compliance with Rules and Regulations of the Consumer Products Safety Commission, The Department of Transportation and the Bureau of Explosives. The applicant shall have the burden of proving compliance with such federal regulations.

b. Any permit shall be issued contingent on the applicant's receipt of a license from the State of New Hampshire pursuant to RSA 160 A:7. This section is not to be construed that said license is a prerequisite to the issuance of the permit as, pursuant to RSA 160 A:7, the local permit is prerequisite to the State license.

c. The location of the business so licensed must be in compliance with all town zoning ordinances and town building and health and safety regulations and in addition, the building must be equipped with a sprinkler system and be a permanent structure (no tents). The business must be open year round.

d. No sale of Class C Common Fireworks shall be made to any persons under twenty-one (21) years of age or to any person other than a person who has been granted a display permit as provided herein. Such display permit shall be presented at the time of the sale.

e. The applicant shall maintain a comprehensive record of all sales of Class C Common Fireworks to permitted purchasers and shall make said records available for review by the Selectmen during business hours and after reasonable notice.

f. Sale permits shall be valid for a maximum of one (1) year from the date of issue or until the applicant is no longer governed by or in compliance with these regulations or federal or state requirements.

g. A permit fee shall be paid by the applicant, the amount of said fee to be established by the Selectmen but the total fees for a permit pursuant to Paragraph 1 of this ordinance and Paragraph 3 of this ordinance shall not exceed \$1,000.00.

h. This section shall not apply to sales at wholesale as provided under RSA 160 A:2 and 3.

#### 4. Display of Class C Common Fireworks

Persons desiring to display Class C Common Fireworks must first obtain a permit from the Board of Selectmen. Such permit shall be issued only after compliance with and subject to the following in addition to the requirements of RSA 160 A:IV and V:

a. The applicant must be at least twenty-one (21) years of age.

b. No display permit shall be transferable.

c. Each applicant shall present at the time of application such proof of his knowledge of the hazards relating to the display of Class C Common Fireworks as the Selectmen shall from time to time require. The Selectmen shall also require from said applicant a written statement holding the Town of Seabrook harmless for any and all injury to persons or properties resulting from the display of Class C Common Fireworks.

d. The Selectmen may establish reasonable times and places for said display as a condition of granting the permit.

e. Any individual violating the terms and conditions set upon such permit shall, in addition to all other fines and penalties provided by law, be guilty of a violation.

f. A permit fee of \$5.00 shall be paid by applicant for each permit so issued.

g. The Selectmen may appoint an agent or agents to administer this ordinance and nothing herein shall be construed to prohibit the appointment of persons holding permits for the sale of Class B and/or Class C Common Fireworks pursuant to this ordinance, from being so appointed.

#### 5. Definitions

The definitions of "Class C Common Fireworks," "Class B Special Fireworks," "display," "sale," and "wholesale" shall be the same as found in RSA 160 A:1.

#### 6. Use of Permit fees

Permit fees received may be utilized for educational or fire safety purposes.

Motion by Tracy J. Dow, second by April Walton, to adopt Article 13 as read.

Amendment by Bruce G. Brown, second by Tracy J. Dow, to amend Article 13 by striking out sections - 1G; 3G; 4F; 2F; and insert the following.

SECTION 1G: To read a permit fee of \$1000.00 dollars shall be paid by the applicant. Class B fireworks.

Section 3G: To read the amount of said fee to be \$5000,00 dollars for the use of the town. Class C fireworks.

Section 4F: To read a permit fee of \$3.00 dollars shall be paid for every display permit so issued whether for class B or class C fireworks.

AMENDMENT ADOPTED

Amendment by Keith Obey, second by Zoie Samaras, to have no sprinkler system for Class B Fireworks, because of the danger of Chemical reaction.

AMENDMENT ADOPTED

Amendment by Elizabeth A. Thibodeau, second by Richard Keefe, (CLASS B SALE) to amend Section 1, first paragraph, by adding the words either at retail or wholesale" in the second line in place of the word "retail."

(CLASS C SALE) to amend Section 3, first paragraph, by adding the words, "either at retail or wholesale" in the second line in place of the word, "retail."

Move to amend Section 3, paragraph a, by adding the words, "and the provisions of Title 18 United States Code and the regulations promulgated thereunder" after the words, "Bureau of Explosives" in the third line.

(Class C Display) to amend Section 4, paragraph b, by adding the following words to the end of the line: "and shall be valid for only one (1) display and to be held within fifteen (15) days that said permit is granted ."

Move to amend Section 4, paragraph 6, by deleting said paragraph entirely.

USE OF PERMIT FEE - To amend Section 6 by deleting said section entirely.  
AMENDMENT ADOPTED

Amendment by Robert V. Tiffany, second by Oliver Fowler, to amend Section 4f, by adding said permit shall be valid for 72 hours.  
AMENDMENT ADOPTED

ARTICLE 13 ADOPTED AS AMENDED

**Article 51:** On petition of Warner B. Knowles and twelve (12) other legal voters of the town: To see if the Town Meeting will vote to accept Hess Lane, so called, as a Town Road and to maintain, plow, and supply other services normally associated with a Town Road for the same.

Motion by Warner B. Knowles, second by Richard Keefe, to adopt Article 51 as read.

Amendment by Warner B. Knowles, second by Leo Blanchette, add to article - and to accept said road when drainage problems are solved to the satisfaction of the Highway Agent. AMENDMENT ADOPTED

Amendment by Asa H. Knowles Jr., second by Elizabeth A. Thibodeau, add to Article 51 - and board of selectmen after highway agent.  
AMENDMENT ADOPTED  
ARTICLE 51 ADOPTED AS AMENDED

**Article 52:** On petition submitted by Charles H. Teague and eleven (11) legal voters of the town: To see if the town will vote to accept Kimberly Drive, so-called, as a public way for ploughing and maintenance.

Motion by Charles Teague, second by Matthew Bakutis, to adopt Article 52 as read.

Amendment by Warner B. Knowles, second by Fred Chase, to be added to article - and accept said road after drainage problems are solved to the satisfaction of the Highway Agent and Selectmen.  
AMENDMENT ADOPTED  
ARTICLE 52 ADOPTED AS AMENDED

**Article 53:** On petition of Joseph L. Demars and twenty-one (21) other legal voters of the town: To see if the town will vote to accept Zagarella Circle, so-called, as a town road and to maintain and plough said road.

Motion by Joseph L. Demars, second by Warner B. Knowles, to adopt Article 53 as read.  
ARTICLE 53 ADOPTED

**Article 54:** On petition of Diane E. Garand and ten (10) other legal voters of the town: To see if the Town of Seabrook will send a message to the Legislature and Governor calling for a comprehensive toxics law requiring coordinated programs of planning, research and development, education, enforcement, and economic incentives to achieve toxics reduction by substitution with safer substances.

Motion by Diane E. Garand, second by Elizabeth A. Thibodeau, to adopt Article 54 as read.  
ARTICLE 54 ADOPTED

**Article 55:** To see if the town will vote, pursuant to authority under RSA 80:42 and RSA 80:42-a, to retain and hold all real property located within the marshlands and to authorize the Board of Selectmen to sell all other tax title property, in the first instance to former owners of the property, or the

grandparents, parents, children, and spouses of said former owner, for a sum not less than the outstanding taxes owed plus accrued interest to the date of tax deed; or failing such sale, then by advertised sealed bids or public auction, at the discretion of the Board of Selectmen.

Motion by Elizabeth A. Thibodeau, second by Asa H. Knowles Jr., to adopt Article 55 as read.  
ARTICLE 55 ADOPTED

**Article 56:** On petition of Rosemary H. Eaton and twenty-six (26) other legal voters of the town: To see if the town meeting will vote to sell by selectmen's deed a certain parcel of land taken by a tax collector's deed for non-payment of taxes and being described as: Lot 68, Map 16, of the Town of Seabrook's official assessing maps; and that said title to the property be conveyed to Nancy Eaton upon payment of all unpaid taxes and costs to the Town of Seabrook.

Motion by Rosemary Eaton, second by John Perkins, to adopt Article 56 as read.  
Motion by Rayenold F. Perkins, second by Clarence Blanchard, Jr., to postpone Article 56 indefinitely.  
ARTICLE 56 INDEFINITELY POSTPONED

**Article 57:** On petition of Marion P. Eaton and nine (9) other legal voters of the town: To see if the town meeting will vote to sell a certain parcel of land which is tax titled to Marion Eaton known as lot #68 on map 16 of the official tax maps and assessing records of the town of Seabrook, and the selectmen's deed to be conveyed in the name of James and Bella Janvrin.

Motion by Marion Eaton, second by James Janvrin, to adopt Article 57 as read.  
Motion by Rayenold Perkins, second by Clarence Blanchard Jr., to postpone Article 57 indefinitely.  
ARTICLE 57 INDEFINITELY POSTPONED

**Article 58:** To see what sums of money the town will vote to raise and appropriate for the expense of the general government for the protection of persons and property, for health and sanitation, for highways and bridges, for the support of the town poor and for all necessary expenditures for the ensuing year.

Motion by Frederick L. Moulton, Jr. second by Elizabeth A. Thibodeau, that the operating budget be passed at \$5,149,974. Amendment to Article 58 by Jerry Brown, second by Norman Brown, to increase the fire department budget to read \$737,652 - an increase of \$50,000 dollars.  
AMENDMENT TO ARTICLE 58 adopted.  
OPERATING BUDGET \$5,199,974.00  
SPECIAL ARTICLES \$664,748.77  
TOTAL BUDGET \$5,864,722.77  
ARTICLE 58 ADOPTED AS AMENDED.

**Article 59:** To transact all other legal business that may come before this meeting.

RESOLUTION by Timothy F. Willis, second by Derek Griggs. We the undersigned voters of the Town of Seabrook do hereby request and mandate that pursuant to the acceptance of the Town Manager form of government the following guidelines be accepted as criteria for all applicants.

1. Possession of a degree in relevant municipal managerial or administrative program, from an accredited college.

2. Minimum of two years experience in either management or administration of a community with a comparable budget and population.

3. Review of the final three applicants at a public hearing.  
RESOLUTION ADOPTED

RESOLUTION To see if the town will vote to recommend to the Selectmen that they designate and proclaim April 22, 1990, as EARTH DAY 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "DECADE OF THE ENVIRONMENT."  
RESOLUTION ADOPTED

Motion by Ronald M. Eaton, Sr. second by Howard C. Page, III to see if the town will vote to direct the Board of Selectmen to grant Jerry W. Brown a leave of absence from his job as permanent fire fighter, for a period of one year, so that he may fulfill his position as elected Fire Chief.  
MOTION ADOPTED AS READ

Motion by Frederick L. Moulton, Jr. second by James E. Champoux, to adjourn this town meeting. Adjourned Town Meeting adjourned at 10:25 PM.

Total votes cast: 1747

Article 6 passed.

SPECIAL TOWN MEETING

December 21, 1990

Special Town Meeting called to order by Moderator, Charles H. Felch, Sr., at 7:16 PM.  
Salute to flag led by Town Clerk, Virginia L. Fowler.

Articles 4,5 and 6 will use YES & NO ballots.

Anyone wishing to speak on any Article will address the Moderator and state their name.

The sponsor of any article will be recognized first.

All amendments in writing and signed.

Motion by Timothy Willis, second by Charles Polito, that once an article has been acted upon and the moderator goes to the next article there will be no reconsiderion.

MOTION ADOPTED

Articles will go in order with meeting being run by Robert Rules of Order.

WARRANT READ BY MODERATOR.

**Article 1:** To see if the town will vote to defer action on the acceptance of Brown Library until the 1991 Annual Town Meeting. Said deferral is to allow the town meeting to adopt the Brown Library under the current organizational structure of Seabrook's municipal government through a charter amendment, or to act in any manner thereon.

Motion by Elizabeth A. Thibodeau, second by Ivan Q. Eaton Sr. to adopt Article 1 as read.

ARTICLE 1 DEFEATED.

**Article 2:** On petition of Charlotte K. Marshall and sixty-four (64) other legal voters of the town: To see if the town will vote to accept the land and building of the Brown Library Association, said property to be used for library purposes only and said transfer to become effective on April 1, 1991, and to establish a Board of Library Trustees consisting of three members to be elected at the 1991 annual town meeting, one for a one year term, one for a two year term, and one for a three year term in accordance with RSA 202-A:6.

Motion by Charlotte K. Marshall, second by Eric N. Small to adopt Article 2 as read.

ARTICLE 2 ADOPTED

**Article 3:** To see if the town will vote to authorize the board of selectmen to apply for and accept by no cost transfer ownership and/or management interest in the New Hampshire Yankee Fishing Pier, or to act in any manner thereon.

Motion by Elizabeth A. Thibodeau, second by Asa H. Knowles Sr. to adopt article 3 as read.

ARTICLE 3 ADOPTED

**Article 4:** On petition of Rob T. Brown and eighty-three (83) other legal voters of the town: To see if the town will vote to require the board of selectmen to withhold and reconsider the issuance of an amusement device license as applied for on September 25, 1990, by Ivan Eaton, Jr., for the business called "Leather and Lace" at 919 Lafayette Road until a public hearing (with a 14 day public notice is held to receive input, evidence and testimony from abutters, public officials (including but not limited to the police chief and health officer), expert witnesses and the general public to determine:

1. if any member of the licensing board should be disqualified from the decision making process for this particular license as a result of a "conflict of interest," as defined by The Seabrook Charter,
2. if the issuance of the amusement device license is legal in view of the proximity of the amusement devices in the "Leather and Lace" store to a residential area, cemetery, dance school, church and public park, and
3. if the issuance of an amusement device license to the above business is in the interest of the health, safety and welfare of the public as a result of an adverse impact it may have on the immediate neighborhood in the way of crime, property values, effect on existing businesses and in whatever other way may be discovered at said public hearing.

Motion by Rob T. Brown, second by Elizabeth A. Thibodeau, to postpone Article 14 indefinitely.  
 ARTICLE 14 POSTPONED INDEFINITELY

**Article 5:** On petition of Rob T. Brown and fifty-two (52) other legal voters of the town: To see if the town will vote to require the board of selectmen and the planning board to include in the Master Plan (currently under revision) a section specifically addressing 'Adult' business activity within the Town of Seabrook.

Motion by Rob T. Brown, second by James Ford, to adopt Article 5 as read.

Motion by Rob T. Brown, second by James Champoux to have a voice vote. MOTION ADOPTED

Amendment by Rob T. Brown, to delete (the board of selectmen and) second by Mary Ann Poland.

MOTION AND AMENDMENT ADOPTED AS READ.

Article 5 as amended-On petition of Rob T. Brown and fifty-two (52) other legal voters of the town: To see if the town will vote to require the planning board to include in the Master Plan (currently under revision) a section specifically addressing "Adult" business activity within the town of Seabrook.

**Article 6:** On petition of Rob T. Brown and sixty (60) other legal voters of the town: To see if the town will vote to require the board of selectmen to research the facts and secondary effects of 'Adult' business activities and report their findings with expert testimony on appropriate matters at a public hearing (with a 14 day public notice) on or before February 22, 1991.

The public hearing will include the town's counsel who will have in hand his written opinion pertaining to any and all legal documentation of discovered facts and secondary effects of said business activity.

At a minimum, research will include the following:

1. The Final Report of the Attorney General's Commission on Pornography, 1986 Rutledge Hill Press, Nashville, Tenn.
2. The Report on Adult Oriented Businesses in Austin, Texas, Office of Land Development Services, May 19, 1986.
3. Any and all reports/case studies available from Atlanta, Ga.; Cincinnati, Ohio; Houston, Texas; Portsmouth, N.H.; and Dedham, Mass.
4. Any and all material available through the National Family Legal Foundation, Phoenix, Arizona.

Specific secondary effects to be reported on will include but not be limited to: (a) health issues - sexually transmitted diseases, (b) property values, (c) other businesses in close proximity, (d) neighborhood blight, and (e) causal relationship to violent crime.

The public hearing is to be recorded and considered to be open for 10 additional days for any person to add to the official transcript by written letter addressed to the board of selectmen. The complete transcript shall be available to the general public at a reasonable cost within 15 days of the close of record.

Motion by Rob T. Brown, second by Charles Polito, to adopt Article 6 as read.

This article voted by paper ballots and check-list.

YES 121 NO 21

ARTICLE 6 ADOPTED AS READ.

**Article 7:** To transact all other legal business that may come before this meeting.

Motion by Frank Thibodeau, second by James Champoux, to adjourn this meeting.

Meeting adjourned at 10:07 PM.

#### CITIZEN'S PETITION ADVISORY COMMITTEE REPORT - 1990

The Petitioners Advisory Committee, as you are aware, is appointed by the town moderator pursuant to the Seabrook Home Rule Charter - part two article VIII. The Committee members are: Bruce G. Brown, Chairman; James C. Falconer, Clerk; and Eric N. Small.

This year, as in previous years, the Committee has had numerous requests for petitioned articles.

It is not commonly known that there are many types of petitions dealing with not only the town warrant but also the State of New Hampshire (which involve town or government laws).

This past year, 1990, the legislature changed the requirement from 10 or more names to 25 or more names required for petitioned articles.

Again it is with pleasure that we submit this report to the Citizens of Seabrook and to have rendered assistance in petition preparation.

Respectfully submitted,

Bruce G. Brown  
Chairman

## BOARD OF SELECTMEN/TOWN MANAGER - 1990 REPORT

We are pleased to present you with the following report summarizing the events and activities of 1990.

Many issues that have long been outstanding came to a conclusion in 1990. The most significant event being the commercial operation of the Seabrook Nuclear Generating Facility. On March 1, 1990 the Nuclear Regulatory Commission voted to issue New Hampshire Yankee a commercial operating license for the 1,150 megawatt unit nuclear reactor. The issuance of the license ended a twenty-one year construction and licensing period for Seabrook Station. Completed since the fall of 1986, Seabrook Station required this final permit to commercially operate.

The month of March was filled with other events that had an important impact on the Town of Seabrook. At the March annual meeting voters approved a charter change calling for the adoption of the Town Manager form of government. The vote for the charter change passed by a small margin and reflected the first significant alteration of Seabrook's government since the first charter was adopted by the community in 1768.

The March elections also produced many changes to the Town's zoning ordinance. The Town voted in favor of adopting the planning board sponsored amendments that called for (among other things): a simplified ordinance that deleted the previous ordinance and replaced it with tables to explain the regulations; a sign ordinance that regulated the size, number, location and type of signs to be used by businesses; and revised the Town's floodplain ordinance to come into compliance with state and federal revisions for the floodplain insurance program.

The business portion of the Town's annual meeting required two nights to complete all the articles on the warrant. Voters at the Thursday night meeting approved the Selectmen's article calling for the regulation of class "B" fireworks and the ban of class "C" common fireworks while simultaneously defeating a petitioned article that would have allowed for the sale and display of class "C" fireworks.

The following evening this action was reversed. Those in attendance reversed the previous vote on the Selectmen's article and approved the petitioners article. This approval brought to a head the unanswered question that had been argued before the court, and not resolved for the two years previous, that class "C" fireworks in Seabrook would be regulated. Due to the adoption of this ordinance, town meeting upon the recommendation of the

fire chief approved the creation for a fire prevention officer position to administer the ordinance.

In April and May the Selectmen's attention centered on the fireworks ordinance and the permitting of businesses. Because this was a petitioned ordinance, the Town was not adequately prepared for its administration. Through the cooperation of safety department heads and a local printer the Town issued its first permits for the sale of fireworks in Seabrook on May 11, 1990. Eventually, seventeen businesses were permitted by the Town in 1990 providing the community with \$85,000.00 in unanticipated revenue. Shortly after the first permit was issued the Board of Selectmen filled the position of fire prevention officer and fireworks administrator to assist in the enforcement of the ordinance.

In June the Selectmen hired the New Hampshire Municipal Association to assist them in the selection of a Town Manager. Applications were received during the month and the field of 60 applicants was narrowed to five applicants for interviews. On July 23rd the Selectmen appointed the Town's Administrative Assistant Steven Clark to fill the Town Manager position. The appointment concluded a seven month process of instituting the change in government.

The summer of 1990 marked the first construction on the Town's proposed sewer project. Though mostly unnoticeable to the passerby, a section of the ocean out-fall pipe and a small effluent pipe were installed under the Route 286 bridge. This was done in conjunction with the New Hampshire Department of Transportation that had undertaken the reconstruction of the bridge. By timing the placement of the two mains in the bridge with the N.H.D.O.T's construction the Town was able to save a substantial sum of money that would have been required had the work been completed at a later date.

In July the New Hampshire Supreme Court finally issued a decision on two tax cases that had been pending before them for over a year pertaining to Seabrook Station. The first case was Seabrook Station's abatement appeal for the tax years 1983-1986. In the fall of 1988 Rockingham County Superior Court issued a decision in favor of the joint owners calling for the town to pay 35 million dollars in a judgement for the over assessment of taxes. the town appealed in hopes of reducing this excessive judgement. The Supreme Court affirmed the majority of the lower court's decision but remanded a portion of the suit back to Superior Court leaving the final decision on the judgement still pending.

In a related matter, the Town brought suit against the Department of Revenue Administration for its method of valuing the utility for purposes of equalization. Annually, the D.R.A. must equalize every community in the state to determine a municipalities apportionment of county and school taxes. The Town brought the suit because the D.R.A. was using an assessment method for the utility known as the "unit method." It was the Town's position that this method was unlawful under New Hampshire law. The problem with this method of valuation is that it places an extremely high value on the plant; much higher than the value placed on it by the Seabrook Assessing Department, thus forcing taxpayers to pay a disproportionate amount of the school and county tax burden that was not being passed through to the utility. Unfortunately, as in the previous case, the court did not find in the Town's favor.

Due in part to the court's decision on the Town's suit against the D.R.A., the Town chose to use the unit method of valuation for the 1990 tax year. The dramatic increase in the value for the utility (3.2 billion) in 1990 created a windfall for all other taxpayers. Seabrook Station increased from 71% to in excess of 80% of the tax base.

The rest of the Town also increased in valuation as the assessing department instituted a new computer software program that will help the department to assess all properties in Town at its fair market value on an annual basis. The program and new valuations were instituted in time for the setting of the 1990 tax rate in early December.

As with any new program that is instituted on such a large scale, there can be a margin of error. When the new assessments were released the Selectmen urged all taxpayers to review their assessments and file an abatement application if they found a discrepancy. Many residents did this, and valuation information is being rechecked by the assessing department.

The responsibility of managing Seabrook's municipal government is trying and demanding on all appointed and elected officials who serve the Town. We would like to thank the employees who provide Seabrook taxpayers with the best professional service on the seacoast. We would also like to thank all the elected officials and volunteers who serve the Town. Without their tireless efforts our local government would be unable to function.

In closing, we urge all citizens to get involved in their local government. There are many volunteer boards and commissions that annually need individuals to serve on them. And, if you are unable to serve but have questions or concerns, our office and the Town Manager are available to assist you.

Respectfully submitted,

Board of Selectmen:

Asa H. Knowles, Jr., Chairman  
Elizabeth A. Thibodeau  
Ivan Q. Eaton, Sr.

Steven A. Clark, Town Manager

#### SEABROOK HOUSING AUTHORITY - 1990

The Seabrook Housing Authority has been trying to supply elderly housing to the residents of the town since 1983. There seems to be no end to the obstacles the Authority has had to deal with. When the Authority purchased land on Railroad Avenue we thought our problems were over. Realty Resources of Rockport, Maine offered to lease the property and build a 32 unit facility but the economy took a turn for the worse. When the developer had to drop the project we lost our status and were once again at the bottom of the list for federal funds. When we approached another developer we found that it would take at least several more years to receive FHA funding.

The Authority has recently voted to place an article in the town warrant for \$1,700,000.00 (one million, seven hundred thousand dollars) to build 40 units of elderly housing. The Authority now feels that they have done all that they possibly could. This article by the Authority is their final appeal of the residents to supply housing for the elderly. Whether the town is to have elderly housing or not now rests in the hands of the voters.

Respectfully submitted,

Frank J. Palazzo  
Chairman

## BUILDING INSPECTOR

1990 has seen a slow down in the construction of new buildings and an overall reduction of building applications. One of several large commercial projects that has Planning Board Approval has started land clearing and excavating on Lafayette Road. Construction is scheduled to begin in the spring and is to be completed in 1992.

Junk vehicles continue to be a problem and although a large number are removed each year the supply of these unsightly nuisances appears to be endless.

I will again remind those who have unregistered motor vehicles on their property that only one unregistered vehicle is allowed.

TOWN OF SEABROOK SCHOLARSHIP FUNDS COMMITTEE REPORT

The Committee has held regular meetings this year. After checking the applications, awards were made to fourteen (14). Five (5) of these were presented at awards night at Winnacunnet High School and nine (9) recipients were notified by mail.

Respectfully submitted,

Vernon Small, Chairman  
Leon Clark, Vice Chairman  
Arnold Knowles, Secretary

ASSESSING DEPARTMENT

With the new office space for Robert Moore as Building Inspector/Health Officer, we gained some valuable and needed room. Bob also benefited by being able to conduct business in a private and expedient manner.

1990 we saw Seabrook Station come on line and a resultant strong impact on the tax roll from one billion dollars in 1989 to three point two billion in 1990. Effectivly they are now paying about 86% of the tax base.

In conjunction with this it was necessary to raise the local valuation from the 82% level of 1989 to a new 100% level for 1990, the results of which showed up on the December 21, 1990 tax bills. The subsequent increase came about by increasing all land values and repricing all improvement values - This resulted in a decrease in some values and coupled with a 50% decrease in the tax base; a rebate on taxes previously paid.

It should be noted that we are currently operating on 1989 values; that we are one year behind on values due to the requirements of an April 1 deadline. The 1991 tax roll available for the fall of 1991 will be based upon 1990 values.

Respectfully submitted,

Lee Dennett  
Appraiser

#### SEABROOK BEACH VILLAGE DISTRICT

#### BUILDING INSPECTOR'S REPORT

For the year 1990 there were 25 building permits issued for various construction projects. All 25 permits were for additions, alterations and remodeling. There were no new structures (houses) built in the year 1990.

The estimated costs for the 25 permits totals \$159,289.00.

Sincerely,

Louis E. Janos  
Building Inspector  
Seabrook Beach Village  
District

SEABROOK BEACH VILLAGE DISTRICT  
ANNUAL REPORT

The Seabrook Beach Village District held their annual meeting on Tuesday, March 27th in the Warren West Memorial Building on Rt. 1A. Officers for the 1990-1991 term were elected as follows:

Tim Willis - Commissioner for three year term  
Ann O'Sullivan - Clerk for one year  
John Lannan - Treasurer for one year  
Edward Maguire - Moderator for one year

The Beach Commissioners meet on the second Wednesday of each month at 7:00 PM.

The District had a rather quiet year with building permits down and no activity at all before the zoning Board of Adjustment. The side of the community building that once housed the Police Department was rented in February to Screen Gems, Inc., a silk-screening business.

There were two zoning changes this year, the first was at the annual meeting which updated the Floodplain Development Ordinance, and the second one dealt with the sale of fireworks in the District, being acted upon at a special precinct meeting on June 5th. At the November meeting, the Commissioners established a zoning review panel to go over the current ordinance to see if any sections may need changes or clarifications and to submit their recommendations to the Commissioners for action in the coming year.

A couple of problems this year were met and dealt with in co-operation with the town. In March, the Rt. 286 bridge was closed for a week due to construction problems during which time emergency vehicles were kept in the District around the clock until the bridge reopened. In June, Fire Chief Jerry Brown came to our meeting to explain the banning of the traditional 4th of July bonfires which the town of Salisbury was also prohibiting. The disappointed residents complied for the sake of public safety in hopes of a possible future precinct and town sponsored holiday celebration.

We look forward to working with the people of Seabrook in keeping the beach district a place we can all continue to enjoy for many years to come.

Respectfully submitted,  
Ted Xavier, Chairman  
Tim Willis  
Patricia O'Keefe

Board of Commissioners  
Seabrook Beach Village District

## RECYCLING STUDY COMMITTEE REPORT

The Seabrook Recycling Feasibility Study Committee was approved at the March 1989 town meeting. The Committee was formed to determine whether a recycling program was feasible for the town of Seabrook and, if so, propose a program for the Selectmen's review for submission to the town's voters.

The Committee has been meeting regularly since June, 1989 to develop a recycling proposal for the Selectmen's review. The Committee originally consisted of three members but was expanded to five at the 1990 Town Meeting. The Committee members are: Warner Knowles, Paul Kelley, Patricia O'Keefe, Richard Thurlow, and Steven Clark. We have tried to keep the Selectmen and Road Agent apprised of our progress by providing them with copies of minutes of our meetings.

The Committee has studied other programs adopted by communities in our area as well as across New Hampshire and the United States. There are many programs from which to pick and choose but the two most common recycling programs we have observed consist of either a curb-side recycling program or drop-off center recycling program. The only other major variation we discovered from community to community is whether the adopted recycling program is done by a private contractor or in-house by municipal forces. These two programs and two variations are explained as follows:

**Curb-side Recycling**- This program is the easiest and most convenient recycling method for the resident. It works similar to what the town current practice is on the collection of solid waste. Residents on a specific date, usually the same day as regular garbage collection, place their recyclable products at the curb-side where they are picked up and sent to a recycling facility.

**Drop-off Center** - A drop off center program is where residents are required to go to a specific location, usually a town landfill or transfer station, and place their recyclable products in various bins at the facility.

**Contractor v municipal forces**- A few communities have expanded their municipal collection departments to establish a recycling program. The norm in this area has been to bid a program out to a private contractor who is required to supply whatever forces are necessary to carry-out a recycling program in a community for a set price.

The towns of Exeter and Hampton are examples of communities that have adopted curb-side collection programs using a private contractor. The town of Rye has had a drop-off center program managed by municipal forces in place since the early 1980's. Through our research and data collection these three communities have been very cooperative in providing us with information assistance on their programs. Early in the establishment of this Committee the Rye Public Works Director gave two members of our Committee a personal tour and review of that communities program.

Eric Small, Administrative Assistant in Hampton Falls, has also been very helpful to this Committee. He has provided us with information and ordinances on the program in Hampton Falls that was established in 1989.

Having reviewed available programs and learned from the communities around us, the Seabrook Recycling Study Committee would propose the following program for the town's review and consideration. We are recommending that the town of Seabrook undertake a recycling program with the following features:

1. The town of Seabrook adopt a curb-side recycling program using a private contractor.

2. The curb-side program would consist of participating residents separating recyclable materials from their regular waste and placing the recyclable's into a co-mingled bin to be placed at the curb. Co-mingled meaning residents will only need to separate their waste into two containers, either the regular garbage can or into one recycling bin. Our research has shown that the easier and more convenient the recycling program is to the resident the higher level of participation is received.

3. Initially, recycled materials will consist of newspaper, aluminum, glass, and plastic. Other items may be included at a later date or under subsequent contracts but these four items make up a large portion of the waste stream, are the easiest to separate, and have markets for the recycled product.

4. The Contractor will be required to pick-up recyclable's on the same day the towns rubbish is collected.

5. Approximately three (3,000) thousand bins will need to be purchased and distributed to residents.

6. The program will be voluntary as long as participation remains high. There is a provision to go to mandatory if the Selectmen find that participation has dropped off (to be determined on an annual basis).

7. An ordinance be adopted that will need to be incorporated in to the towns current solid waste ordinance.

8. The Committee proposes a start-up date of October 1, 1990, for a recycling program if the voters adopt the article submitted at town meeting.

In order to carry out this program the Committee expects the first year cost to get the program up and running to be \$100,000. This budget breaks down as follows:

Curb-side program/contractor	\$75,000.00
Recycling bins (3000 @ \$5.00)	\$15,000.00
Public information/education, legal, bidding, printing, & misc.	\$10,000.00
Total	<u>\$100,000.00</u>

The first year will be the highest because of initial capital costs and public education. In year two and thereafter direct costs should decline. There will also be a decline in the rubbish budget for disposal costs paid to the waste-to-energy facility in Haverhill, Mass. that will be realized. The Committee does not recommend that this be changed in the first year but will be able to be estimated for the second year and beyond.

The Town of Seabrook and the City of Portsmouth are the only communities in the immediate area that do not have a recycling program in place. We believe it is essential for the town to move forward on some type of recycling program whether it be what the Committee proposes or some variation. It is our belief that eventually there will be mandates from the federal government and the state to reduce a communities level of solid waste generation. The E.P.A. is already considering adoption of regulations that require towns and cities to recycle 25% of the solid waste stream. The adoption of a program at this years town meeting will put the town one step ahead of any mandates and will also be an effort at reducing the negative effects solid waste has on the environment.

We hope you the voters will support the proposed program. A program of this type is essential to the protection of our environment.

Respectfully submitted,

Steven A. Clark, Chairman  
Paul M. Kelley  
Warner B. Knowles  
Patricia O'Keefe  
Richard N.Thurlow

WELFARE OFFICER'S REPORT

My annual report to the town's citizens and taxpayers for fiscal year 1990 must again show an overdraft. As of the close of the fiscal year the welfare budget reflected an overdraft of \$7,076.

As I have predicted in the last two years there are many uncontrollable factors at work over which the Town of Seabrook has no control. I do not intend to belabor you with a reminder of the economy both local and national, as we all know the economy is in serious trouble. The Congress has again delayed and cut public assistance programs, which has had an adverse impact on the towns and cities in New Hampshire.

Again I remind you that that "famous safety net" you have all heard about is right down here at the town level.

I do expect 1991 to be a "bench mark" year in welfare for the Town of Seabrook, as there appears to be no end in sight to unemployment and the bad news on the economy.

Respectfully submitted,

James C. Falconer  
Welfare Officer

## ANNUAL REPORT - 1990

### BROWN LIBRARY

Nineteen ninety, a scant two years before the Library's centennial celebration, has now passed into the history books and will be remembered as a year of planning for the future.

Statistically speaking, circulation hit an all-time high of 20,825 items - an increase of 98% over the past five years. Patronage was 15,375 - a 77% increase from five years ago. Total registrations are now 2,202, 414 of which occurred in 1990.

Several new adult services were begun by the Library during the past year, including: a delivery service to shut-ins; a monthly book discussion group; and a newsletter, the *Brown Library Book\* Report*.

Old Home Days 1990 had the Library Staff and Trustees under the tent on the schoolgrounds - selling books. It was hot, but it was fun.

The Children's Room also had a most successful year. An ambitious year-long story hour schedule was maintained. Many class visits were made. Summertime found the Library once again cooperating with the Seabrook Recreation Center providing story hour services to some of their youthful patrons. Several entertainers performed at special events, including local favorite, Papa Joe. Altogether there were 189 children's programs provided by the library in 1990, an increase of more than 41% over those in 1986 - the year in which the current emphasis on children's services was started.

Also during 1990, the Friends of Brown Library was reorganized after a lengthy hiatus and currently claims 55 paid memberships. It is hoped that next year will see a resurgence in the activity of this group.

Because so much of the year was spent by the Trustees and Staff in preparing plans for the Library's future expansion, perhaps the highlight occurred at the Special Town Meeting on December 21, 1990 at which the townspeople voted overwhelmingly to have the Town accept the Brown Library, thus paving the way for vastly improved Library services in the near future. Thanks are due to each individual who has so far helped us toward our goal.

The Library is open six days a week: Monday, Wednesday, Friday from 12:00 PM - 8:00 PM; Tuesday, Thursday from 10:00 AM - 6:00 PM; and Saturday from 9:00 AM - 1:00 PM. Telephone 603-474-2044. Come in, or call - the Library is there for you.

Charlotte K. Marshall,  
Trustee

**TOWN  
OF  
SEABROOK**

**TOWN WARRANT**

THE STATE OF NEW HAMPSHIRE

TOWN OF SEABROOK

TOWN WARRANT FOR 1991

To the inhabitants of the Town of Seabrook, in the County of Rockingham, in said state, qualified to vote in town affairs:

You are hereby notified to meet in the auditorium of the Seabrook Community Center, U.S. Route 1 (Lafayette Road), on Tuesday, March 12, 1991, at 10:00 o'clock in the forenoon and to cast ballots until at least 7:00 o'clock in the evening of the same day, and to meet in the auditorium of the Seabrook Community Center, U.S. Route 1 (Lafayette Road), on Thursday, March 14, 1991, at 7:00 o'clock in the evening to act on the articles below.

Further, you are hereby notified that the moderator will process the absentee ballots at 1:00 o'clock in the afternoon on Tuesday, March 12, 1991, pursuant to RSA 659-49.

**Article 1:** To elect by non-partisan ballot: one (1) Selectman and Assessor for a term of three (3) years; one (1) Trustee of the Trust Funds for a term of three (3) years; one (1) Tax Collector for a term of three (3) years; one (1) Road Agent for a term of one (1) year; one (1) Fire Chief for a term of one (1) year; three (3) Constables for a term of one (1) year; two (2) members of the Planning Board for a term of three (3) years; two (2) members of the Budget Committee for a term of three (3) years; one (1) Park Commissioner for a term of three (3) years; one (1) Trustee of the Library for a term of one (1) year; one (1) Trustee of the Library for a term of two (2) years; and one (1) Trustee of the Library for a term of three (3) years.

(On the Official Ballot)

**Article 2:** Are you in favor of the adoption of amendment number 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

1. To amend Section 263-3 of the Seabrook Zoning Ordinance, "Definitions", by adding the following:

COMMERCIAL ENTERTAINMENT - means any show or display, whether live, by film or by other means of presentation, which is provided in exchange for value received or pledged. Commercial entertainment does not include the dissemination of material which is obscene, as those terms are defined by Chapter 650 of the Revised Statutes Annotated of New Hampshire.

COMMERCIAL RECREATION means any game or amusement which is provided in exchange for value received or pledged. Such game or amusement shall not necessarily require any skill on the part of any participant. Commercial recreation shall not include the dissemination of any material which is obscene, as those terms are defined by Chapter 650 of the Revised Statutes Annotated of New Hampshire.

COMMERCIAL AMUSEMENTS - means any game or amusement which is provided in exchange for value received or pledged. Such game or amusement shall not necessarily require any skill on the part of the participant. Commercial amusements shall not include the dissemination of any material which is obscene, as those terms are defined by Chapter 650 of the Revised Statutes Annotated of New Hampshire.

(Recommended by the Planning Board)  
(On the Official Ballot)

Article 3: Are you in favor of the adoption of amendment number 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

2. To amend Article VII, Section 263-53 of the Seabrook Zoning Ordinance, by deleting that section as it is presently stated and replacing it with the following:

263-53 Sign Ordinance

No sign shall be erected without a sign permit issued by the Building Inspector. Said permit will be dated by the Building Inspector. All signs shall adhere to the minimum requirement set forth in Table 3 below:

Table 3

SIGNS

	Zoning Districts		
	1 & 2R	2 & 3	4 & 5
1. Maximum Cumulative Area (sq. ft.) of all free standing signs.	16	150	0
2. Maximum area of all roof signs.	0	32	0
3. Maximum number of free standing signs per lot.	1	2	0
4. Maximum number of roof signs per business.	0	1	0
5. Height of sign (above grade).			
Maximum	15'	35'	0
Minimum	6'	6'	0
6. Setback from lot line and/or edge of pavement.	10'	10'	-

Notwithstanding the above, in addition to the signage that is normally permitted in Table 3, each lot shall be allowed without a sign permit:

1. Entrance and Exit signs less than 3 square feet per side and less than 3 feet above grade.

2. One temporary real estate sign, one temporary contractor's sign and one temporary yard sale sign. Temporary signs may be posted for not longer than sixty consecutive days and no more than one hundred and twenty-five days in any calendar year.

3. Wall signs up to a maximum of 10% of the wall surface.

4. Temporary political signs which may be posted for not longer than ninety consecutive days and no more than one hundred and eighty days in any calendar year.

5. Roadside produce signs (not to exceed 30 square feet per lot).

6. One temporary sign per business that is less than 3 feet in height and 6 square feet in area. Temporary signs are allowed for a maximum of 30 days per calendar year.

7. Municipal signs.

The following signs are PROHIBITED in the Town of Seabrook:

A. Animated, moving, flashing, intensely lighted signs and signs that emit audible sounds, noises or visible matter.

B. Non-Accessory signs and bill boards.

C. Signs painted on or attached to a vehicle or trailer parked on the property for the purpose of providing advertisement of products or directing people or a business or activity located on the property. The purpose of the placement of such signs shall be determined by an objective analysis of the placement of the vehicle on the property, the times the vehicle bearing signs is parked on the property and other related factors. This section is not intended to prohibit any signage on vehicles used on the street or highway for businesses on the property.

D. Signs that block the view of any traffic, street sign or traffic signal.

E. Signs which bear or contain statements, words, or pictures which constitute the dissemination of any material which is obscene as those terms are defined by Chapter 650 of the Revised Statutes Annotated of New Hampshire.

F. Roof signs made of combustible material.

G. Non-conforming signs in place prior to this ordinance may not be altered or repaired.

#### DEFINITIONS

SIGN: Any device, structure, banner, fixture or placard using graphics, symbols, and/or written copy designed specifically for the purpose of advertising or identifying any establishments product, goods, service or activity.

FREE STANDING SIGN: A sign supported by poles or braces that are permanently attached in the ground or attached to something buried in the ground and not supported by any building or structure.

TEMPORARY SIGN A sign not intended for long term use and that is not permanently attached to the ground.

WALL SIGN: A sign painted on or attached to and erected parallel to the outside wall of any building.

ROOF SIGN: A sign erected over or on the roof of any building.

NON ACCESSORY SIGNS & BILL BOARDS: Any sign that does not advertise the name, address, business or products of the site on which it is located.

NON-CONFORMING SIGNS: Any signs that predate this ordinance and do not comply with the guidelines set forth herein.

(Recommended by the Planning Board)  
(On the Official Ballot)

**Article 4:** On petition of Charles H. Felch, Sr., and thirty-four (34) other legal voters of the town: To see what action the town will take on the following:

3. To amend Section 263-5 of the zoning ordinance and the official zoning map of the Town of Seabrook by including the following:

Zone 2 shall be confined to those areas within 500 feet of Lafayette Road, or to the rear lot line of any lots now existing, which abuts Lafayette Road, with the exception of those areas now in Zone 3 and all other areas of Zone 2 shall remain the same.

(Recommended by the Planning Board)  
(On the Official Ballot)

**Article 5:** On petition of Rob T. Brown and thirty-two (32) other legal voters of the town: To see what action the town will take on the following: We the undersigned legal voters of the Town of Seabrook, New Hampshire, petition to amend Chapter 263-5 of the Seabrook Zoning Ordinance to include a "Zone 6" and "Zone 7" and to amend Section 263-65 by adding the following ordinance:

4. An ordinance amending the Town of Seabrook Zoning Ordinance by dispersing sexually oriented businesses and limiting them to a specified zoning district; providing for licensing and regulation of sexually oriented businesses; and creating two additional zoning classifications to be known as "zone 6" and "zone 7".

Pursuant to the authority granted by the Constitution and General Court of the State of New Hampshire, BE IT ENACTED BY THE TOWN OF SEABROOK OF ROCKINGHAM COUNTY, NEW HAMPSHIRE:

SECTION I. Purpose and Intent.

It is the purpose of this ordinance to regulate sexually oriented businesses to promote the health, safety, morals, and general welfare of the citizens of the Town, and to establish reasonable and uniform regulations to prevent the continued deleterious location and concentration of sexually oriented businesses within the Town. The provisions of this ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative materials, including sexually oriented materials. Similarly, it is not the intent nor effect of this ordinance to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this ordinance to condone or legitimize the distribution of obscene material.

SECTION II. Definitions.

(1) ADULT ARCADE means any place to which the public is permitted or invited wherein coin-operated or slug-operated or electronically, electrically, or mechanically controlled still or motion picture machines, projectors, or other image-producing devices are maintained to show images to five or fewer persons per machine at any one time, and where the images so displayed are distinguished or characterized by the depicting or describing of "specified sexual activities" or "specified anatomical areas."

(2) ADULT BOOKSTORE or ADULT VIDEO STORE means a commercial establishment which, as one of its principal business purposes, offers for sale or rental for any form of consideration any one or more of the following:

(A) books, magazines, periodicals or other printed matter, or photographs, films, motion pictures, video cassettes or video reproductions, slides, or other visual representations which depict or describe "specified sexual activities" or specified anatomical areas"; or

(B) instruments, devices, or paraphernalia which are designed for use in connection with "specified sexual

activities". A commercial establishment may have other principal business purposes that do not involve the offering for sale or rental of material depicting or describing "specified sexual activities" or "specified anatomical areas" and still be categorized as ADULT BOOKSTORE or ADULT VIDEO STORE. Such other business purposes will not serve to exempt such commercial establishments from being categorized as an ADULT BOOKSTORE or ADULT VIDEO STORE so long as one of its principal business purposes is the offering for sale or rental for consideration the specified materials which depict or describe "specified sexual activities" or "specified anatomical areas."

(3) ADULT CABARET means a nightclub, bar, restaurant or similar commercial establishment which regularly features:

- (A) persons who appear in a state of nudity, or
- (B) live performances which are characterized by the exposure of "specified anatomical areas" or by "specified sexual activities"; or
- (C) films, motion pictures, video cassettes, slides, or other photographic reproductions which are characterized by the depiction or description of "specified sexual activities" or "specified anatomical areas."

(4) ADULT MOTEL means a hotel, motel or similar commercial establishment which:

- (A) offers accommodations to the public for any form of consideration; provides patrons with closed-circuit television transmissions, films, motion pictures, video cassettes, slides, or other photographic reproductions which are characterized by the depiction or descriptions of "specified sexual activities" or "specified anatomical areas"; and has a sign visible from the public right-of-way which advertises the availability of this adult type of photographic reproductions; or
- (B) offers a sleeping room for rent for a period of time that is less than ten (10) hours; or
- (C) allows a tenant or occupant of a sleeping room to subrent the room for a period of time that is less than ten (10) hours.

(5) ADULT MOTION PICTURE THEATER means a commercial establishment where, for any form of consideration, films, motion pictures, video cassettes, slides, or similar photographic reproductions are regularly shown which are characterized by the depiction or description of "specified sexual activities" or specified anatomical areas".

(6) ADULT THEATER means a theater, concert hall, auditorium, or similar commercial establishment which regularly features persons who appear in a state of nudity or live performances which are characterized by the exposure of "specified anatomical areas" or "specified sexual activities".

(7) ESCORT means a person who, for consideration, agrees or offers to act as a companion, guide, or date for another person, or who agrees or offers to privately model lingerie or to privately perform a striptease for another person.

(8) ESCORT AGENCY means a person or business association who furnishes, offers to furnish, or advertises to furnish escorts as one of its primary business purposes for a fee, tip, or other consideration.

- (9) ESTABLISHMENT means and includes any of the following:
- (A) the opening or commencement of any sexually oriented business as a new business;
  - (B) the conversion of an existing business, whether or not a sexually oriented business, to any sexually oriented business;
  - (C) the additions of any sexually oriented business to any other existing sexually oriented business; or
  - (D) the relocation of any sexually oriented business.
- (10) PERMITTEE and/or LICENSEE means a person in whose name a permit and/or license to operate a sexually oriented business has been issued, as well as the individual listed as an applicant on the application for a permit and/or license.
- (11) NUDE MODEL STUDIO means any place where a person who appears in a state of nudity or displays "specified anatomical areas" is provided to be observed, sketched, drawn, painted, sculptured, photographed, or similarly depicted by other persons who pay money or any form of consideration.
- (12) NUDITY or a STATE OF NUDITY means the appearance of a human bare buttock, anus, male genitals, female genitals, or female breast.
- (13) PERSON means an individual proprietorship, partnership, corporation, association, or other legal entity.
- (14) SEMI-NUDE means a state of dress in which clothing covers no more than the genitals, pubic region, and areolae of the female breast, as well as portions of the body covered by supporting straps or devices.
- (15) SEXUAL ENCOUNTER CENTER means a business or commercial enterprise that, as one of its primary business purposes, offers for any form of consideration:
- (A) physical contact in the form of wrestling or tumbling between persons of the opposite sex; or
  - (B) activities between male and female persons and/or persons of the same sex when one or more of the persons is in a state of nudity or semi-nude.
- (16) SEXUALLY ORIENTED BUSINESS means an adult arcade, adult bookstore or adult video store, adult cabaret, adult motel, adult motion picture theater, adult theater, escort agency, nude model studio, or sexual encounter center.
- (17) SPECIFIED ANATOMICAL AREAS means the male genitals in a state of sexual arousal and/or the vulva or more intimate parts of the female genitals.
- (18) SPECIFIED SEXUAL ACTIVITIES means and includes any of the following:
- (A) the fondling or other erotic touching of human genitals, pubic region, buttocks, anus, or female breasts;
  - (B) sex acts, normal or perverted, actual or simulated, including intercourse, oral copulation, or sodomy;
  - (C) masturbation, actual or simulated; or

(D) excretory functions as part of or in connection with any of the activities set forth in (A) through (C) above.

(19) SUBSTANTIAL ENLARGEMENT of a sexually oriented business means the increase in floor areas occupied by the business by more than twenty-five (25%) percent, as the floor areas exist on April 1, 1991.

(20) TRANSFER OF OWNERSHIP OR CONTROL of a sexually oriented business means and includes any of the following:

(A) the sale, lease, or sublease of the business

(B) the transfer of securities which constitute a controlling interest in the business, whether by sale, exchange, or similar means; or

(C) the establishment of a trust, gift, or other similar legal device which transfers the ownership or control of the business, except for transfer by bequest or other operation of law upon the death of the person possessing the ownership or control.

### SECTION III. Classification.

Sexually oriented businesses are classified as follows:

- (1) adult arcades;
- (2) adult bookstores or adult video stores;
- (3) adult cabarets;
- (4) adult motels;
- (5) adult motion pictures;
- (6) adult theaters;
- (7) escort agencies;
- (8) nude model studios;
- (9) sexual encounter centers.

### SECTION IV. Permit and/or License Required.

(A) A person commits a misdemeanor if he operates a sexually oriented business without a valid permit and/or license, issued by the Town of the particular type of business.

(B) An application for a permit and/or license must be made on a form provided by the Town of Seabrook Building Inspector. The application must be accompanied by a sketch or diagram showing the configuration of the premises, including a statement of total floor space occupied by the business. The sketch or diagram need not be professionally prepared but must be drawn to a designated scale or drawn with marked dimensions of the interior of the premises to an accuracy of plus or minus six inches.

(C) The applicant must be qualified according to the provisions of this chapter and the premises must be inspected and found to be in compliance with the law by the health department, fire department, and building inspector.

(D) If a person who wishes to operate a sexually oriented business is an individual, he must sign the application for a permit and/or license as applicant. If a person who wishes to operate a sexually oriented business is other than an individual, each individual who has a ten (10%) percent or greater interest in the business must sign the application for a permit and/or license as applicant. If a corporation is listed as owner of a sexually oriented business or as the entity which wishes to operate such a business, each individual having a ten (10%) percent or greater interest in the corporation must sign the application for a permit and/or license as applicant.

(E) The fact that a person possesses other types of state or county permits and/or licenses does not exempt him from the requirement of obtaining a sexually oriented business permit and/or license from the Town of Seabrook.

#### SECTION V. Issuance of Permit and/or License

The Town of Seabrook Board of Selectmen shall approve the issuance of a permit and/or license to an applicant within 30 days after receipt of an application unless the Board of Selectmen finds one or more of the following to be true:

- (1) An applicant is under eighteen (18) years of age.
- (2) An applicant or an applicant's spouse is overdue in his payment to the County of taxes, fees, fines, or penalties assessed against him or imposed upon him in relation to a sexually oriented business.
- (3) An applicant has failed to provide information reasonably necessary for issuance of the permit and/or license or has falsely answered a question or request for information on the application form.
- (4) An applicant is residing with a person who has been denied a permit and/or license by the County to operate a sexually oriented business within the preceding twelve (12) months, or residing with a person whose license to operate a sexually oriented business has been revoked within the preceding twelve (12) months.
- (5) The premises to be used for the sexually oriented business have not been approved by the health officer, fire department, and the building inspector as being in compliance with applicable laws and ordinances.
- (6) The permit and/or license fee required by this ordinance has not been paid.
- (7) An applicant of the proposed establishment is in violation of or is not in compliance with any of the provisions of this ordinance.
- (8) The permit and/or license, if granted, shall state on its face the name of the person or persons to whom it is granted, the expiration date, and the address of the sexually oriented business. The permit and/or license shall be posted in a conspicuous place at or near the entrance to the sexually oriented business so that it may be easily read at any time.

The health officer, fire department, and the building inspector shall complete their certification that the premises is in compliance or not in compliance within twenty (20) days of receipt of the application by the Board of Selectmen. The certification shall be promptly presented to the Board of Selectmen.

SECTION VI. Fees.

The annual fee for a sexually oriented business permit and/or license is Five Hundred (\$500.00) Dollars.

SECTION VII. Inspection.

(A) An applicant, or permittee and/or licensee shall permit representatives of the Sheriff's Department, Health Department, Fire Department, Zoning Department, or other Town, County, or State departments or agencies to inspect the premises of a sexually oriented business for the purpose of insuring compliance with the law, at any time it is occupied or open for business.

(B) A person who operates a sexually oriented business or his agent or employee commits a misdemeanor if he refuses to permit such lawful inspection of the premises at any time it is occupied or open for business.

SECTION VIII. Expiration of Permit and/or License.

(A) Each permit and/or license shall expire one year from the date of issuance and may be renewed only by making application as provided in Section V. Application for renewal should be made at least thirty (30) days before the expiration date, and when made less than thirty (30) days before the expiration date, the expiration of the permit and/or license will not be affected.

(B) When the Town of Seabrook Board of Selectmen denies renewal of a license, the applicant shall not be issued a permit and/or license for one year from the date of denial. If, subsequent to denial, the Town of Seabrook Board of Selectmen finds that the basis for denial of the renewal permit and/or license has been corrected or abated, the applicant may be granted a permit and/or license if at least ninety (90) days have elapsed since the date denial became final.

SECTION IX. Suspension.

The Seabrook Board of Selectmen shall suspend a permit and/or license for a period not to exceed thirty (30) days if the Board determines that a permittee and/or licensee or an employee of a permittee and/or licensee has:

- (1) violated or is not in compliance with any section of this ordinance;
- (2) engaged in excessive use of alcoholic beverages while on the sexually oriented business premises;
- (3) refused to allow an inspection of the sexually oriented business premises as authorized by this chapter;
- (4) knowingly permitted gambling by any person on the sexually oriented business premises.

SECTION X. Revocation.

(A) The Seabrook Board of Selectmen shall revoke a permit and/or license if a cause of suspension in Section IX occurs and the permit and/or license has been suspended within the preceding twelve (12) months.

(B) The Seabrook Board of Selectmen shall revoke a permit and/or license if the Board determines that:

(1) a permittee and/or licensee gave false or misleading information in the material submitted to the Board of Selectmen during the application process;

(2) a permittee and/or licensee or an employee has knowingly allowed possession, use, or sale of controlled substances on the premises;

(3) a permittee and/or licensee or an employee has knowingly allowed prostitution on the premises;

(4) a permittee and/or licensee or an employee has knowingly operated the sexually oriented business during a period or time when the permittee's and/or licensee's permit and/or license was suspended;

(5) a permittee and/or licensee or an employee has knowingly allowed any act of sexual intercourse, sodomy, oral copulation, masturbation, or other sexual conduct to occur in or on the permitted and/or licensed premises;

(6) a permittee and/or licensee is delinquent in payment to the Town or State for any taxes or fees past due.

(C) When the Seabrook Board of Selectmen revokes a permit and/or license, the revocation shall continue for one (1) year, and the permittee and/or licensee shall not be issued a sexually oriented business permit and/or license for one (1) year from the date revocation became effective. If, subsequent to revocation, the Seabrook Board of Selectmen finds that the basis for the revocation has been corrected or abated, the applicant may be granted a permit and/or license if at least ninety (90) days have elapsed since the date the revocation became effective.

(D) After denial of an application, or denial of a renewal of an application, or suspension or revocation of a permit and/or license, the applicant or licensee or permittee may seek prompt judicial review of such administrative action in any court of competent jurisdiction. The administrative action shall be promptly reviewed by the court.

#### SECTION XI. Transfer of Permit and/or License.

A permittee and/or licensee shall not transfer his permit and/or license to another, nor shall a permittee and/or licensee operate a sexually oriented business under the authority of a permit and/or license at any place other than the address designated in the application.

#### SECTION XII. Location of Sexually Oriented Businesses.

(A) The Town of Seabrook Zoning Ordinance is hereby amended by creating an additional zoning classification to be designated Commercial/Industrial "Zone 6" as delineated on map found on Page 14 of this document. The permitted principal uses and structures shall be those enumerated in Section 263-12 of the Town of Seabrook Zoning Ordinance as well as the following:

- (1) adult arcades;
- (2) adult bookstores or adult video stores;
- (3) adult cabarets;

- (4) adult motels;
- (5) adult motion picture theaters;
- (6) adult theaters;
- (7) escort agencies;
- (8) nude model studios; and
- (9) sexual encounter centers.

The permitted accessory uses and structures; permitted special exceptions; prohibited uses and structures; minimum lot area; minimum lot width; minimum yard requirements; maximum lot coverage by all buildings; maximum height of structures; minimum off-street parking and loading requirements; and sign regulations shall be the same as those required under the Zone 7 zoning district classification, and as cited in Sections 263-19 and 263-20 of the Town of Seabrook Zoning Ordinance.

(B) A person commits a misdemeanor if he operates or causes to be operated a sexually oriented business outside of a designated Zone 6 district. All sexually oriented businesses shall be located within a Zone 6 district.

(C) A person commits a misdemeanor if he operates or causes to be operated a sexually oriented business within five hundred (500') feet of:

- (1) a church;
- (2) a public or private elementary or secondary school;
- (3) a boundary of any residential district;
- (4) a public park adjacent to any residential district;
- (5) the property line of a lot devoted to residential use.

(D) A person commits a misdemeanor if he causes or permits the operation, establishment, substantial enlargement, or transfer of ownership or control of a sexually oriented business within one thousand (1,000') feet of another sexually oriented business.

(E) A person commits a misdemeanor if he causes or permits the operation, establishment, or maintenance of more than one sexually oriented business in the same building, structure, or portion thereof, or the increase of floor areas of any sexually oriented business in any building, structure, or portion thereof containing another sexually oriented business.

(F) For the purpose of this ordinance, measurement shall be made in a straight line, without regard to intervening structures or objects, from the nearest portion of the building or structure used as a part of the premises where a sexually oriented business is conducted, to the nearest property line of the premises of a church or public or private elementary or secondary school, or to the nearest boundary of an affected public park, residential district, or residential lot.

(G) For purposes of Subsection (D) of this section, the distance between any two sexually oriented businesses shall be measured in a straight line, without regard to intervening structures or objects, from the closest exterior wall of the structure in which each business is located.

(H) Any sexually oriented business lawfully operating on April 1, 1991, that is in violation of Subsection (A) through (G) of this section shall be deemed a nonconforming use. The nonconforming use will be permitted to continue for a period not to exceed two years, unless sooner terminated for any reason or voluntarily discontinued for a period of thirty (30) days or more. Such nonconforming uses shall not be increased, enlarged, extended or altered except that the use may be changed to a conforming use. If two or more sexually oriented businesses are within 1,000 feet of one another and otherwise in a permissible location, the sexually oriented business which was first established and continually operating at a particular location is the conforming use and the later-established business(es) is nonconforming.

(I) A sexually oriented business lawfully operating as a conforming use is not rendered a nonconforming use by the location, subsequent to the grant or renewal of the sexually oriented business permit and/or license, of a church, public or private elementary or secondary school, public park, residential district, or a residential lot within five hundred (500') feet of the sexually oriented business. This provision applies only to the renewal of a valid permit and/or license, and does not apply when an application for a permit and/or license is submitted after a permit and/or license has expired or has been revoked.

#### SECTION XIII. Additional Regulations for Adult Motels.

(A) Evidence that a sleeping room in a hotel, motel, or a similar commercial establishment has been rented and vacated two or more times in a period of time that is less than ten (10) hours creates a rebuttable presumption that the establishment is an adult motel as that term is defined in this chapter.

(B) A person commits a misdemeanor if, as the person in control of a sleeping room in a hotel, motel, or similar commercial establishment that does not have a sexually oriented permit and/or license, he rents or subrents a sleeping room to a person and, within ten (10) hours from the time the room is rented, he rents or subrents the same sleeping room again.

(C) For purposes of Subsection (B) of this section, the terms "rent" or "subrent" mean the act of permitting a room to be occupied for any form of consideration.

#### SECTION XIV. Regulations, Pertaining to Exhibition of Sexually Explicit Films or Videos.

(A) A person who operates or causes to be operated a sexually oriented business, other than an adult motel, which exhibits on the premises in a viewing room of less than one hundred fifty (150) square feet of floor space, a film, video cassette, or other video reproduction which depicts specified sexual activities or specified anatomical areas, shall comply with the following requirements:

(1) Upon application for a sexually oriented permit and/or license, the application shall be accompanied by a diagram of the premises showing a plan thereof specifying the location of one or more manager's stations and the location of all overhead lighting fixtures and designating any portion of the premises in which patrons will not be permitted. A manager's station may not exceed thirty-two (32) square feet of floor area. The diagram shall also designate the place at which the permit will be conspicuously posted, if granted. A professionally prepared diagram in the nature of an engineer's or architect's blueprint shall not be required; however, each diagram should be oriented to the north or to some designated street or object and should be drawn to a designated scale or with marked dimensions sufficient to show the various internal dimensions of all areas of the interior of the premises to an accuracy of plus or minus six (6") inches. The Seabrook Board of Selectmen may waive the foregoing diagram for renewal applications if the applicant adopts a diagram that was previously submitted and certifies that the configuration of the premises has not been altered since it was prepared.

(2) The application shall be sworn to be true and correct by the applicant.

(3) No alteration in the configuration or location of a manager's station may be made without the prior approval of the Board of Selectmen.

(4) It is the duty of the owners and operator of the premises to ensure that at least one employee is on duty and situated in each manager's station at all times that any patron is present inside the premises.

(5) The interior of the premises shall be configured in such a manner that there is an unobstructed view from a manager's station of every area of the premises to which any patron is permitted access for any purpose excluding restrooms. Restrooms may not contain video reproduction equipment. If the premises has two or more manager's stations designated, then the interior of the premises shall be configured in such a manner that there is an unobstructed view of each area of the premises to which any patron is permitted access for any purpose from at least one of the manager's stations. The view required in this subsection must be by direct line of sight from the manager's station.

(6) It shall be the duty of the owners and operator, and it shall also be the duty of any agents and employees present in the premises to ensure that the view area specified in subsection (5) remains unobstructed by any doors, walls, merchandise, display racks or other materials at all times and to ensure that no patron is permitted access to any area of the premises which has been designated as an area in which patrons will not be permitted in the application filed pursuant to subsection (1) of this section.

(7) No viewing room may be occupied by more than one person at any time.

(8) The premises shall be equipped with overhead lighting fixtures of sufficient intensity to illuminate every place to which patrons are permitted access at an illumination of not less than one (1.0) foot-candle as measured at the floor level.

(9) It shall be the duty of the owners and operator and it shall also be the duty of any agents and employees present in the premises to ensure that the illumination described above, is maintained at all times that any patron is present in the premises.

(B) A person having a duty under subsection (1) through (9) of subsection (A) above commits a misdemeanor if he knowingly fails to fulfill that duty.

#### SECTION XV. Exemptions.

(A) It is a defense to prosecution under sections V and XII that a person appearing in a state of nudity did so in a modeling class operated:

(1) by a proprietary school, licensed by the State of New Hampshire; a college, junior college, or university supported entirely or partly by taxation;

(2) by a private college or university which maintains and operates educational programs in which credits are transferable to a college, junior college, or university supported entirely or partly by taxation; or

(3) in a structure:

(a) which has no sign visible from the exterior of the structure and no other advertising that indicates a nude person is available for viewing; and

(b) where, in order to participate in a class a student must enroll at least three (3) days in advance of the class; and

(c) where no more than one nude model is on the premises at any one time.

#### SECTION XVI. Injunction.

A person who operates or causes to be operated a sexually oriented business without a valid permit and/or license or in violation of Section XII of this ordinance is subject to a suit for injunction as well as prosecution for criminal violations. Such violations shall be punishable by a fine of \$200.00 or thirty days imprisonment.

#### SECTION XVII. Location of Buffer Zone.

The Town of Seabrook Zoning Ordinance is hereby amended by creating an additional zoning classification to be designated Commercial/Industrial "Zone 7" as delineated on map found on Page 14 of this document. The permitted principal uses and structures shall be:

(A) Farm buildings for the operation of farms.

(B) Retail businesses and wholesale businesses incidental to the principal retail business.

(C) Gasoline stations, but not including the outdoor storage of inoperative and unregistered automobiles, provided that no new gasoline station shall be located within a one thousand (1,000') foot radius of an existing gasoline station.

(D) Banks and offices.

(E) Commercial recreation, amusements and entertainment which is conducted within the confines of a building.

(F) Restaurants and lounges.

(G) Hotels and motels.

(H) Public utility buildings.

(I) Theaters and halls.

(J) Warehousing, storage or wholesaling establishment.

(K) Manufacturing of such a nature that the use is not obnoxious or injurious to the health and safety of the community.

(L) Accessory uses of structures and open spaces normally incidental to the permitted use of the premises.

SECTION XVIII. Setback from Interstate 95.

The Town of Seabrook Zoning Ordinance is hereby amended by adding the following subsection (D) to Section 263-20:

(D) There shall be a twenty (20') foot setback requirement in Zone 6 from Interstate 95 wherein no vegetative growth is to be cut or altered.

SECTION XIX. Separability.

If any section, subsection, or clause of this ordinance shall be deemed to be unconstitutional or otherwise invalid, the validity of the remaining sections, subsections, and clauses shall not be affected thereby.

SECTION XX. Conflicting Ordinances Repealed.

All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SECTION XXI Effective Date.

This ordinance shall be enforced from and after April 1, 1991.

(Not Recommended by the Planning Board)  
(On the Official Ballot)

**Article 6:** Are you in favor of the adoption of amendment number 6 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

6. To amend Article 263-5 of the zoning ordinance and the official zoning map of the Town of Seabrook by designating that portion of Zone 2R which is situated East of the Blackwater River, abutting Route 286, as Zone 2.

(Recommended by the Planning Board)  
(On the Official Ballot)

**Article 7:** Are you in favor of the adoption of amendment number 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

7. To amend Section 263-66 of the zoning ordinance to include the following:

**POND & STREAM ORDINANCE:** No structure or building may be constructed within fifty feet of the high water mark of any pond or stream.

(Recommended by the Planning Board)  
(On the Official Ballot)

**Article 8:** On petition of Vernon G. Dow and twenty-six (26) other legal voters of the town: To see if the town will vote to change the term of office of the road agent from the present one (1) year term to a three (3) year term.

(On the Official Ballot)

**Article 9:** To see if the town will vote to raise and appropriate the sum of Twenty-eight Million (\$28,000,000.00) Dollars for the purpose of engineering, construction, land acquisition and studies associated with the ongoing plans for the construction of municipal sewers and pumping stations, wastewater treatment facilities, road reconstruction, drainage improvements and appurtenances related thereto, and for the funding of eminent domain procedures as necessary for land takings, and to authorize that Twenty-eight Million (\$28,000,000.00) Dollars of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended; to authorize the selectmen to invest said monies and to use the earnings thereon for said project; to authorize the selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the selectmen to take any other action or to pass any other vote relative thereto.

(Recommended by the Budget Committee)

**Article 10:** To see if the town will vote to raise and appropriate the sum of Nine Million (\$9,000,000.00) Dollars for the purpose of engineering, construction, land acquisition and studies associated with the ongoing plans for the construction of municipal sewers and pumping stations, road reconstruction, drainage improvements and appurtenances related thereto, and for the funding of eminent domain procedures as necessary for land takings, and to appoint the selectmen as agents for the town for the purposes of expending said funds.

(Recommended by the Budget Committee)

**Article 11:** On petition of Jerry W. Brown and forty-three (43) other legal voters of the town: To see if the town will vote to change the term of office of the fire chief from the present one (1) year term to a three (3) year term; to begin at the time of the March 1992 town election.

**Article 12:** To see if the town will vote to adopt and ratify the following amendments to the parking and speed limit ordinances as printed in the annual town report:

Amendment to Parking Ordinance	June 27, 1990
Amendment to Speed Limit Ordinance	June 27, 1990

**Article 13:** To see if the town will vote to authorize the board of selectmen to borrow money in anticipation of taxes and to renew and refund town notes.

**Article 14:** To see if the town will vote to authorize the board of selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b.

**Article 15:** To see if the town will vote to authorize the board of selectmen to sell at public auction or by advertised sealed bids such town property as is no longer used by the town.

**Article 16:** To see if the town will vote, pursuant to authority under RSA 80:42-a, to retain and hold all real property located within the marshlands and to authorize the board of selectmen to sell all other tax title property, in the first instance to former owners of the property, or the grandparents, parents, children, and spouses of said former owner, for a sum not less than the outstanding taxes owed plus accrued interest to the date of tax deed; or failing such sale, then by advertised sealed bids or public auction, at the discretion of the board of selectmen.

**Article 17:** To see if the town will vote to raise and appropriate the sum of One Million Seven Hundred Thousand (\$1,700,000.00) Dollars; said sum to be transferred to the Seabrook Housing Authority for the purpose of constructing forty (40) units of elderly housing to be built on land owned by said housing authority on Railroad Avenue. Said funds shall be transferred to the Seabrook Housing Authority for their use only after the authority has presented to the town a detailed architect's plan for approval at a special town meeting to be called at a later date.

(Recommended by the Budget Committee)

**Article 18:** To see if the town will vote to adopt the following Business License Ordinance which requires that all businesses located in town be licensed by the town:

#### **BUSINESS LICENSE ORDINANCE**

##### **LICENSING REQUIREMENTS:**

No business shall occupy any building or lot within the town unless a license has been approved by the board of selectmen and the following conditions have been met.

1. An application form approved by the selectmen has been completed and the following information provided.

- (a) The name under which the business or corporation operates.
- (b) Location of the business in town.
- (c) Description of nature of business.
- (d) Certification that no hazardous or explosive materials will be manufactured or stored on site unless all federal, state, and local permits to possess such material are submitted with application.
- (e) Owners name, address and emergency telephone number.
- (f) An application fee of \$5.00.

2. A waiting period of ten (10) working days will follow application to allow review by town officials.

2.5. All businesses shall be licensed annually; all licenses shall expire on June 30 of each year.

3. Penalties:

(a) Any violation of this chapter is punishable by a fine not to exceed \$25.00; businesses operating without a license may be subject to closure.

4. Effective Date - This ordinance shall become effective July 1, 1991.

**Article 19:** To see if the town will vote to amend Chapter 249-23, Schedule V, of the Code of the Town of Seabrook regulating vehicle weight limits by adding the entire length of Ledge Road from its intersection with Batchelder Road to its intersection with Blacksnake Road; and to set the maximum gross weight for said road at 55,000 pounds. This ordinance shall become effective upon adoption.

**Article 20:** To see if the town will vote to amend Article 36 of the 1984 Town Warrant to extend the discontinuance of that portion of Old New Boston Road from a point currently seven hundred sixty-five (765) feet westerly of the intersection of True Road and New Zealand Road to a point one thousand two hundred (1,200) feet of the intersection of True Road and New Zealand Road.

**Article 21:** To see if the town will vote to raise and appropriate the sum of One Hundred Thousand (\$100,000.00) Dollars for a curbside recycling program within the Town of Seabrook; said recycling program to be implemented on or before October 1, 1991.

(Recommended by the Budget Committee)

**Article 22:** To see if the Town will vote to amend Chapter 254 of the Code of the Town of Seabrook - Waste Disposal Ordinance by adding the following sections pertaining to a curbside recycling program:

**Section 1 - Purpose and Intent**

The purpose and intent of this ordinance is to provide the town with a curbside recycling program for residences, mobile home parks, apartments, and commercial establishments whose rubbish is picked up by the town. This ordinance shall also apply to commercial apartments and mobile-home parks. Participants will separate recyclables from their regular waste and will place the recyclable materials in a separate container, to be furnished by the town, at the curbside to be picked up the same day as regular waste.

**Section 2 - Definitions:**

**Waste Generators**

A) Single generators - Those single residences, apartments and commercial establishments whose rubbish is picked up by the town.

B) Bulk Generators - Those residential and commercial establishments which deliver their rubbish to the town transfer station. This shall also include establishments that use the services of private waste haulers that do not use the transfer station.

## Recyclables

C) Aluminum - Shall mean empty, rinsed aluminum containers of a size of one (1) quart or smaller (soda and beer cans). Labels do not have to be removed.

D) Glass - Shall mean whole, empty, rinsed glass containers (green, brown, and clear) without lids, caps or stoppers. Labels do not have to be removed. (No ceramics, plates, window glass, light bulbs, etc.)

E) Plastics (HDPE & PET) - HDPE shall mean empty, rinsed plastic containers without lids, caps, and stoppers, such as milk and water jugs. PET shall mean soda bottles and non-food plastic containers such as laundry detergent bottles and dishwasher bottles. Labels do not have to be removed.

F) Newspaper - Shall mean newspapers without magazines or colored inserts.

### **Section 3 - Separation of Recyclables**

A) Single generators shall separate recyclables from their regular waste by placing them in a container provided by the town, and placed at the street curb or curb-line for the collection by the town or its designated agent.

B) Aluminum cans, glass, and plastic containers shall be placed in a separate container to be furnished by the town. Newspaper should be bundled and placed next to and/or on top of the recycling container.

C) Bulk generators shall separate their recyclables from other rubbish or waste.

D) Should the town's recycling program become mandatory under section 5C, then the town may refuse to pick up the rubbish of single generators who do not separate the recyclables.

### **Section 4 - Recycling Containers**

A) The Town of Seabrook shall provide all single generators with one container for recyclables. The town shall also provide one container per unit to commercial mobile-home parks and apartments.

B) Title to the containers shall remain in the Town of Seabrook. The town will replace all containers without charge for those which become unusable due to container defect or normal wear and tear, however single generators shall pay a replacement fee for containers lost or destroyed before new containers are issued to them.

C) Commercial generators having more than five (5) employees shall receive up to three (3) containers without charge. Any additional container required will cost the commercial generators what the town is charged.

### **Section 5 - Voluntary/Mandatory Provisions**

A) Recycling as herein defined shall be voluntary for the first 12 months from the start of the program.

B) Annually, thirty days prior to the anniversary date, the board of selectmen shall determine if the voluntary aspect of this ordinance has been complied with to the extent that 80% of the town is participating in said program in which event the voluntary aspect hereof shall continue.

C) If the board of selectmen shall determine that there has been less than 80% of said compliance, then this ordinance shall become mandatory. Notice of such determination shall be published in a local newspaper.

**Section 6 - Unauthorized Collection of Recyclables**

A) Other than the town's authorized recycling collector, all others are prohibited from removing recyclables from any user collection location.

**Section 7 - Selectmen's Authority for Regulations**

A) The board of selectmen is hereby authorized under RSA 31:39 and RSA 149M to promulgate all such rules and regulations as are necessary to implement this ordinance.

**Section 8 - Penalties**

A) Any person, firm or corporation being convicted of violating any provision of this ordinance upon the same becoming mandatory, shall receive a written warning for the first violation, be fined \$100.00 for the second violation, \$200.00 for the third violation, and \$300.00 for each subsequent violation thereafter.

**Section 9 - Inconsistency**

A) All ordinances or parts of ordinances adopted by the town which are inconsistent herewith are hereby repealed as to such inconsistency.

**Section 10 - Severability**

A) The invalidity of any provision of this ordinance shall not affect the validity of any other provision nor the validity of the ordinance as a whole.

**Section 11 - Effective Date**

A) This ordinance shall take effect immediately upon passage.

**Article 23:** To see if the town will vote to ratify the financial terms of the collective bargaining agreement reached on December 26, 1990, between the board of selectmen and the Seabrook Supervisory Employees' Association, the term of which collective bargaining agreement extends from April 1, 1990, through March 31, 1991, and further to raise and appropriate the sum of Seven Thousand One Hundred Thirty-three (\$7,133.00) Dollars such sum representing the cost of increased economic benefits for members of the Seabrook Supervisory Employees' Association under the terms of the collective bargaining agreement ending March 31, 1991.

(Recommended by the Budget Committee)

**Article 24:** To see if the town will vote to ratify the financial terms of the latest collective bargaining agreement reached on February 6, 1991, between the board of selectmen and the Seabrook Supervisory Employees' Association, the term of which agreement extends from April 1, 1991, through March 31, 1992, and which calls for increased economic benefits of Fourteen Thousand Twenty-one (\$14,021.00) Dollars, a portion of which benefits is reflected in the operating budget of the town, and further to raise and appropriate the sum of Eight Thousand Nine Hundred Ninety-nine (\$8,999.00) Dollars, such sum representing the remaining cost of increased economic benefits for members of the Seabrook Supervisory

Employees' Association under the terms of the collective bargaining agreement ending March 31, 1992.

(Recommended by the Budget Committee)

**Article 25:** To see if the town will vote to ratify the financial terms of the collective bargaining agreement reached on March 7, 1990, between the board of selectmen and the Seabrook Permanent Fire Fighters Association, IAFF #2847, which calls for a Forty-five Thousand Three Hundred Fifty-one (\$45,351.00) Dollar increase in salaries and benefits for the fiscal year 1990, and a Thirty-four Thousand Nine Hundred Seventy-two (\$34,972.00) Dollar increase in salaries and benefits for the fiscal year 1991, and a Thirty-eight Thousand Two Hundred Eighty-four (\$38,284) Dollar increase in salaries and benefits for the fiscal year 1992.

**Article 26:** To see if the town will vote to raise and appropriate the sum of Fourteen Thousand Five Hundred (\$14,500.00) Dollars for the salary for the position of fireworks administrator.

(Not Recommended by the Budget Committee)

**Article 27:** To see if the town will vote to raise and appropriate the sum of One Hundred Fifty-seven Thousand One Hundred Fifty-five (\$157,155.00) Dollars to purchase and install a central heating system at the town hall.

(Not Recommended by the Budget Committee)

**Article 28:** To see if the town will vote to authorize the board of selectmen to lease the old fire station owned by the Seabrook Firemen's Association for the remainder of the calendar year 1991 for the purpose of allowing the Rockingham County Community Action Program to use the leased premises; and to raise and appropriate the sum of Five Thousand (\$5,000.00) Dollars for the lease of said premises.

(Recommended by the Budget Committee)

**Article 29:** To see if the town will vote to raise and appropriate the sum of Eighty Thousand (\$80,000.00) Dollars for the repair and/or replacement of the town pier located on River Street.

(Recommended by the Budget Committee)

**Article 30:** To see if the town will vote to raise and appropriate the sum of One Hundred Eighty-four Thousand (\$184,000.00) Dollars for the purpose of clean-up costs and engineering associated with the contamination of the Route 107 well field.

(Recommended by the Budget Committee)

**Article 31:** To see if the town will vote to raise and appropriate the sum of Ten Thousand (\$10,000.00) Dollars for the purpose of purchasing and installing one (1) storage shed for the use of the police department.

(Recommended by the Budget Committee)

**Article 32:** To see if the town will vote to raise and appropriate the sum of Forty-three Thousand One Hundred Thirteen (\$43,113.00) Dollars for the purpose of purchasing and equipping three (3) police cruisers, and to authorize the sale or trade-in of three (3) existing cruisers.

(Recommended by the Budget Committee)

**Article 33:** To see if the town will vote to raise and appropriate the sum of Twenty Thousand Two Hundred Eighty

(\$20,280.00) Dollars for the purpose of purchasing and equipping the police officers with 9MM pistols and appropriate leather gear.

(Recommended by the Budget Committee)

**Article 34:** To see if the town will vote to raise and appropriate the sum of Eighteen Thousand Five Hundred Fifty (\$18,550.00) Dollars for the purpose of purchasing and equipping one (1) transport van, for prisoners, and to authorize the sale or trade-in of one (1) existing van.

(Recommended by the Budget Committee)

**Article 35:** To see if the town will vote to raise and appropriate the sum of Six Thousand Seven Hundred and Sixty (\$6,760.00) Dollars for the purpose of purchasing a canopy for the central refueling station at the fire station.

(Not Recommended by the Budget Committee)

**Article 36:** To see if the town will vote to raise and appropriate the sum of Three Hundred Thirty Thousand (\$330,000.00) Dollars for the purpose of purchasing and equipping a new dual purpose aerial/1,500 G.P.M. pump truck for the fire department, and to authorize the sale or trade-in of the 1972 Ford 1,000 G.P.M. pumper.

(Recommended by the Budget Committee)

**Article 37:** To see if the town will vote to raise and appropriate the sum of Twenty Thousand (\$20,000.00) Dollars for repair and improvements, (including materials, labor, and related cost) to the fire department alarm system. Repairs are to include replacement of lines located on South Main Street, Route 286, and Seabrook Beach, or to act in any manner thereon.

(Recommended by the Budget Committee)

**Article 38:** To see if the town will vote to raise and appropriate the sum of Sixteen Thousand Five Hundred (\$16,500.00) Dollars for the purpose of purchasing a new chief's vehicle for the fire department, and to authorize the sale or trade-in of the existing vehicle.

(Recommended by the Budget Committee)

**Article 39:** To see if the town will vote to raise and appropriate the sum of Twenty-one Thousand Three Hundred (\$21,300.00) Dollars for the purpose of purchasing a new four wheel drive, one and one-half (1/2) ton pick-up truck complete with seven and one-half (7 1/2) foot snow plow for the fire department.

(Recommended by the Budget Committee)

**Article 40:** To see if the town will vote to raise and appropriate the sum of Nineteen Thousand Eight Hundred Forty-three (\$19,843.00) Dollars for the purpose of purchasing twenty-eight (28) new sets of turn out gear for the call personnel of the fire department.

(Recommended by the Budget Committee)

**Article 41:** To see if the town will vote to raise and appropriate the sum of Seventeen Thousand (\$17,000.00) Dollars for the purpose of purchasing and equipping a 3/4 ton utility truck for the water department, and to authorize the sale or trade-in of an existing 3/4 ton utility truck.

(Recommended by the Budget Committee)

**Article 42:** To see if the town will vote to raise and appropriate the sum of Two Hundred Sixty-five Thousand (\$265,000.00) Dollars for the purpose of purchasing land for a new well site.

(Recommended by the Budget Committee)

**Article 43:** To see if the town will vote to raise and appropriate the sum of One Hundred Seventy-five Thousand (\$175,000.00) Dollars for the purpose of painting the elevated water tank located off Route 286.

(Recommended by the Budget Committee)

**Article 44:** To see if the town will vote to raise and appropriate the sum of Twenty-one Thousand (\$21,000.00) for the purpose of purchasing and equipping one (1) new Caterpillar Model 446 backhoe loader for the highway department, and to authorize the trade-in of one (1) existing Caterpillar Model G926 wheel loader, serial number 1SD00063, with attachments.

(Recommended by the Budget Committee)

**Article 45:** To see if the town will vote to raise and appropriate the sum of Ten Thousand (\$10,000.00) Dollars for the purpose of purchasing and equipping one (1) stainless steel sand spreader with all fixtures installed and one (1) angle plow for the highway department, and to authorize the trade-in of one (1) existing sand spreader and one (1) existing straight plow.

(Recommended by the Budget Committee)

**Article 46:** To see if the town will vote to raise and appropriate the sum of Six Thousand Nine Hundred (\$6,900.00) Dollars for the purchase of a John Deere Model 332 diesel powered lawn and garden tractor with fifty (50) inch mower and 2 bag power flow system with blower, and to authorize the sale or trade-in of the existing parks tractor, a John Deere Model 314 gasoline powered with John Deere rototiller.

(Recommended by the Budget Committee)

**Article 47:** On petition of Louis T. Nardello and forty-one (41) other legal voters of the town: To see if the Town will vote to approve of the Board of Selectmen amending an agreement between the Town of Seabrook and Yankee Greyhound Racing, Inc., dated May 11, 1988, if and only if the Town votes at the 1991 annual town meeting to allow Yankee Greyhound Racing, Inc., to simulcast running horse racing and/or harness horse racing by changing the payment provisions from \$50.00 per race conducted on Sundays to the following:

(a) For 156 consecutive weeks commencing as of the first week following the approval of the warrant article at the 1991 annual town meeting that allows Yankee Greyhound Racing, Inc., to simulcast running horse racing and/or harness horse racing, the following

(1) an amount equal to the greater of (i) \$50.00 for each live greyhound race conducted by Yankee Greyhound Racing, Inc., on the Sunday for each week; or (ii) \$650.00; and

(2) \$150.00 per week

(b) After the completion of the 156 consecutive weekly payments as specified above, the greater of (1) \$50.00 for each live greyhound race conducted on Sunday; or (2) \$650.00 for each week in which Yankee Greyhound Racing, Inc., actually simulcasts running horse races and/or harness horse races; it

being the intent that after 156 weeks Yankee Greyhound racing shall be obligated to make contributions to the Scholarship Fund if and only if Yankee Greyhound Racing, Inc., conducts live greyhound racing on Sunday or simulcasts running horse racing and/or harness horse racing during a week, and if Yankee Greyhound Racing, Inc. neither conducts live greyhound racing on a Sunday nor simulcasts running horse racing and/or harness horse racing in a week, then no payment is due for such week.

**Article 48:** On petition of John J. Palladino, Jr., and forty-one (41) other legal voters of the town: To see if the Town will vote to approve of the issuance of a license by the New Hampshire Pari-Mutuel Commission to Yankee Greyhound Racing, Inc., its successors and assigns to conduct running horse racing and/or harness horse racing for the purposes set forth in RSA 284:17 and RSA 284:22.

**Article 49:** On petition of George M. Eaton and twenty seven (27) other legal voters of the town: To see if the town will vote to adopt the following resolution:

WHEREAS, Although the right of free expression is part of the foundation of the United States Constitution, very carefully drawn limits on expression in specific instances have long been recognized as legitimate means of maintaining public safety and decency, as well as orderliness and productive value of public debate; and

WHEREAS, There are symbols of our nation such as the Washington Monument, the United States Capitol Building, memorials to our greatest leaders, and our flag, which are the property of every American and are therefore worthy of protection from desecration and dishonor; and

WHEREAS, The law as interpreted by the United States Supreme Court no longer accords to the flag the reverence, respect, and dignity to which it is entitled; and

WHEREAS, It is only fitting that people everywhere should join in a forceful call for the restoration of the flag to its proper station under law and decency;

NOW THEREFORE BE IT RESOLVED, That the voters of the Town of Seabrook respectfully request the Congress of the United States to propose an amendment of the United States Constitution, for ratification by the states, specifying that Congress and the states shall have the power to prohibit the physical desecration of the flag of the United States.

**Article 50:** On petition of James C. Falconer and twenty-four (24) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Twenty-five Thousand (\$25,000.00) Dollars to the police department for the purpose of continuing participation in reciprocal drug-related undercover operations under the auspices of the Drug Task Force, and to authorize the town manager to apply for, contract for, accept and expend grants of federal or state aid, or both, as may be available, and to do all things necessary to carry out the purpose of the appropriation.

(Recommended by the Budget Committee)

**Article 51:** On petition of Charlotte K. Marshall and twenty-nine (29) other legal voters of the town: To see if the town will vote to raise and appropriate Sixty-five Thousand (\$65,000.00) Dollars for planning expenses for the expansion and improvement of

the Town Library, a Building Committee of five (5) to be appointed by the Library Trustees.

(Recommended by the Budget Committee)

**Article 52:** On petition of Charlotte K. Marshall and twenty-six (26) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Two Hundred Fifty Thousand (\$250,000.00) Dollars to establish a capital reserve fund, to be known as the Town Library Capital Reserve Fund, to be used for the purpose of expanding and improving the building and facilities of Brown Library.

(Not Recommended by the Budget Committee)

**Article 53:** On petition of Robert G. Mawson and twenty-nine (29) other legal voters of the town: To see if the town will vote to direct the town manager to grant a leave of absence to the elected fire chief for the duration of said term of office, if said chief is also a permanent employee of the Seabrook Fire Department.

**Article 54:** On petition of James C. Falconer and twenty-eight (28) other legal voters of the town: To see what action the town meeting will take to raise and appropriate the sum of One Hundred Thousand (\$100,000.00) Dollars for the purpose of conducting a reappraisal of taxable property in the Town.

(Recommended by the Budget Committee)

**Article 55:** On petition of Rebecca L. Carter and twenty-eight (28) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Two Thousand Five Hundred (\$2,500.00) Dollars to assist Cross Roads House, Inc., a non-profit organization, in providing emergency shelter and transitional housing services to the area's homeless population.

(Recommended by the Budget Committee)

**Article 56:** On petition of Ralph D. Marshall and twenty-six other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Five Thousand (\$5,000.00) Dollars for the purpose of erecting a concession stand with a public address system at Governor Weare Park. The site selection and construction of to be done under the direction of the park department.

(Recommended by the Budget Committee)

**Article 57:** On petition of Warner B. Knowles and thirty-one (31) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Twenty Thousand (\$20,000.00) Dollars for the purpose of removing the old railroad bridge over Walton Road, a town owned public way (the bridge and rails are now owned by the Guilford Transportation, Inc.) and to improve and pave the road, fix the abutments and slopes to the adjoining landowners.

(Not Recommended by the Budget Committee)

**Article 58:** On petition of Anthony G. Dow and twenty-four (24) other legal voters of the town: To see if the town will vote to adopt the following ordinance regulating the use of motor homes or recreational vehicles for residential or domicile purposes.

#### ORDINANCE

Motor homes or recreational vehicles may be used for residential or domicile purposes for a period of only thirty (30) days, after first obtaining a permit to do so from the Town of Seabrook.

Existing campgrounds are excluded from the provisions of this ordinance.

Motor homes or recreational vehicles are defined as follows:

(a) Motor home or van, which is portable, temporary dwelling to be used for travel, recreation and vacation, constructed as a integral part of a self-propelled vehicle.

(b) Pickup camper, which is a structure designed to be mounted on a truck chassis for use as a temporary dwelling for travel, recreation, and vacation.

(c) Recreational trailer, which is vehicular, portable structure built on a single chassis, 400 feet or less . . . designed primarily not for a permanent dwelling but as temporary dwelling for recreational, camping, or travel.

(d) Tent trailer, which is a canvas or synthetic fiber folding structure mounted on wheels and designed for travel, recreation and vacation purposes.

Any person violating any provisions of this ordinance shall be subject to a fine of \$100.00 per day.

**Article 59:** On petition of Arthur P. Fortin and twenty-eight (28) other legal voters of the town: To see if the town will vote to accept Linda Lane, so called, as a town road and to maintain, plow and supply other services normally associated with a town road for the same.

**Article 60:** To see if the town will vote pursuant to the authority of RSA 49:B-8, 155, 156 and 156(a), to adopt the basic/national fire prevention code recommended by Building Officials and Code Administrators International, Inc., being particularly the 1990 edition thereof, and the whole thereof, for the purpose of prescribing regulations governing conditions hazardous to life and property and the same code is hereby adopted and incorporated as fully as if set out in length, and from the date of which this chapter shall take effect, the provisions thereof shall be controlling within the limits within the Town of Seabrook except as hereinafter modified or amended. This code, as hereinafter modified or amended, is hereby established as Chapter 158 of the Code of the Town of Seabrook. The standard fire prevention code is amended to include as Section 158-1 the following: "All existing and future gasoline dispensing stations shall be equipped with self contained fire extinguishing systems and no automatic type nozzles shall be permitted." Further, the standard fire prevention code is amended by Section 158-2 of the Seabrook Code which shall read as follows: "All commercial establishments having chemicals stored above ground shall have an approved dike or holding tank below ground and the holding tank shall have a capacity to store the full capacity of the above ground tank plus ten (10%) percent."

**Article 61:** To see if the town will vote to change the purpose and the use of the funds appropriated under Article 31 of the 1984 Annual Town Meeting and which was further amended by Article 5 of the September 15, 1986, Special Town Meeting, the balance being One Hundred Sixty-one Thousand Nine Hundred Twenty-eight Dollars and Twenty-one Cents (\$161,928.21), to be used for the purpose of engineering, construction, land acquisition and studies associated with the ongoing plans for the construction of a municipal sewer system in Seabrook.

**Article 62:** To see what sums of money the town will vote to raise and appropriate for the expense of the general government for the protection of persons and property, for health and sanitation, for highways and bridges, for the support of the town poor and for all necessary expenditures for the ensuing year.

**Article 63:** To transact all other legal business that may come before this meeting.

Given under our hands and seals this fifteenth day of February, in the year of our Lord One Thousand Nine Hundred and Ninety-one.

## HEALTH DEPARTMENT REPORT

In August of 1990, the Health Department did follow up tests on the rivers and streams for pollution. It was discouraging to find high levels of fecal coliform indicating sewage in Dock Creek, Cains River and Browns River. Last year several septic systems were found to be leaking effluent into these streams. These septic systems were repaired and further testing confirmed the situation was improving. It is apparent that more problems have surfaced along these streams and I will do more investigating in the spring to find the source of the pollution.

Fire Department- Annual Report

The Fire Department personnel would like to dedicate this report in memory of Edwin Follansbee who passed away on November 7, 1990. Ed was a Lieutenant in our department for many years. He will be sadly missed.

The Fire Department has made much progress this year and many activities are on going.

As a result of Town meeting appropriations we have purchased two new vehicles. Our new ambulance has all the latest features to best serve our patients and assist our ambulance attendants. Captain Clarence Fowler spent numerous hours compiling the specifications to suit the needs of the Town. It is a welcomed piece of equipment and an asset to the Town. The second vehicle was a bucket truck that is utilized to work on the Town Fire Alarm system. In the past this work had to be contracted, therefore the purchase of this piece of apparatus should ease the strain on the operating budget. This acquisition was facilitated through the efforts of Vern Small and myself.

The Fire Department has initiated an excellent fire prevention program for the school children. Firefighter Harold Hewlett III has taught the course at the station and in the school. He received high praise for his efforts from school officials.

We have a training program in progress at this time. The course was made available to all call and reserve firefighters. The Firefighter 1 course is presently being taught to ten (10) firefighters by Training Officer, Captain Furmer Eaton, assisted by Firefighter, Jeff Brown.

We acquired a new computer system for our dispatch area during 1990. It is in the process of being programmed to suit our needs by Captain Ronald Eaton, Jr. with assistance from Firefighter Stanley Saracy.

The new central refueling station has been installed at the rear of the station and has been in operation for some time now. It is being utilized by all Town departments and has resulted in a large savings to the Town.

Upon recommendation of Workers' Compensation we have been working on the draft of a safety program known as "Standard Operating Procedures" (SOP's). This effort has been spearheaded by Captain David Downs with all the firefighters having had input.

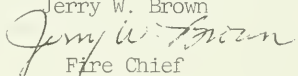

We have been busy working with local businesses to update the safety aspects of the fire codes. We have issued many burning permits, razed several buildings in Town for training sessions, and worked with the Beach residents to help ensure them a happy and safe Fourth of July Holiday.

The Fire Department managed to stay within budget this year by delaying some needed purchases. This will be reflected in the increase you see for the 1991 budget.

Also noteworthy is the large anchor that has been placed in our front flower garden. This is an old one from a Pennsylvania coal ship, found and donated to us by Cliff Newgard, Jr. Our thanks to Cliff and his family.

My personal thanks go out to all the surrounding towns, all the departments in the Town of Seabrook, and special thanks to those in the Seabrook Fire Department who assisted me in making this year a very interesting and productive year. I urge everyone's continued support of our Department in the upcoming year.

Respectfully Submitted,

Jerry W. Brown  
  
 Fire Chief

EMERGENCY MANAGEMENT  
ANNUAL REPORT

This has been a fairly busy year. During 1990 we were involved in various activities such as storm problems, and the closing of the Rte. 286 bridge. Telephone service all over town was disrupted at one time due to a break-in at the Central Telephone Office where all the lines servicing the town were cut. This posed quite a threat to the citizens of the town.

There were several hazardous material incidents this year. All were cleared and cleaned up and posed no major threat to the townspeople due to the professional services involved in the incidents.

Several exercises were conducted in 1990 including a graded exercise. All emergency employees worked very well. During the year there has been training in most all departments and more training is planned in the near future for all front line responders.

The dive team has been called out several times for search, recovery, and rescue missions.

Various companies that have to report to the State regarding hazardous materials have also filed their contingency plan updates with this office.

Working with this office has assisted the Fire Prevention Officer in compiling information for the Fire Department computer.

Special needs people who need information or would like to fill out or update survey forms can call this office at 474-5772.

Again, I would like to thank the Board of Selectmen, Town Manager, Fire Chief, Police Chief, Water Superintendent, Road Agent, and all the other emergency employees and volunteers that assist in making this part of Town Government a success.

Respectfully Submitted,

*Norman L. Brown*  
Norman Brown

Emergency Management Director

#### REPORT OF THE POLICE CHIEF

Cooperation and assistance between the townspeople and their Police Department has improved. As a result of this, we in the Police Department have been able to increase our apprehension rate and prevention of crime. Residents are becoming aware of what is happening in their neighborhoods and are reporting suspicious activities. We hope this continues in the future.

The Department continues to improve by training its officers and dispatchers in all phases of our jobs. Many hours are spent in training from management courses to firearms qualifications. Education is costly but it is well spent monies that make better personnel and can reduce liability to the Town.

Participation in the drug task force has been successful not only in arrests but in intelligence gathering. We hope to continue this in the next year.

One of the most successful programs the Police Department has had in many years is the Drug Abuse Resistance Education (D.A.R.E.) Program. It is taught to young children in the school by Officer Michael Frost. I have attended the graduation ceremonies and have seen first hand what a change the program is making in the community. The youth are our hope for the future of the community.

We are experiencing more violent crimes than in the past years and this is a tragedy. Let's hope this does not continue.

I would like to thank all members of the Police Department for their efforts in the past year. They continue to strive to perform their duties and obligations to make the residents and visitors of our community safe.

Respectfully,  
Paul J. Cronin  
Chief of Police

ANIMAL CONTROL DIVISION

The Animal Control Officers end another busy year.

The extremely frigid weather has kept us increasingly active, the major problem being that dogs are without dog houses. This causes the animal to rapidly use up its fat supply and places them in danger of contracting hypothermia and possibly freezing to death. It is imperative to be certain that all animals are protected from the cold. This may be accomplished by placing hay or straw in your dog's house and by putting a flap over the door to keep the heat in. This will also aid in preventing your pet from barking and upsetting your neighbors -- after all, it's not your pet's fault. It's your responsibility to care for your pet and keep him warm -- he can't tell you he's cold.

This year, we were unable to adequately control the feral cat problem mainly due to State law not ~~addressing~~ this troublesome animal.

The rabies clinic held in April, 1990, was not as successful as anticipated. Only 49 animals were presented at the 1990 rabies clinic. Unfortunately, only seven cats received their rabies vaccination. As rabies is on the increase in this State, it is important that as many cats as possible get vaccinated. We would hope that all pet owners care enough about these "members of your family" to tie them up and thereby avoid the sad news "your pet will never come home again."

The following is a list of calls which were responded to by A.C.O. in 1990 as compared with calls for service in 1988 and 1989:

DESCRIPTION OF CALL FOR SERVICE	1988	1989	1990
Dog complaints answered	115	294	357
Other animal complaints	120	168	199
Dogs picked up	149	100	67
Animals to kennel	119	107	78
Animals destroyed	72	26	15
Animal bites	11	21	13

Warnings issued	65	71	62
Conditional summonses	29	33	29
Arrests	NA	5	3
Cruelty investigations	8	8	9
Damage done by dogs	NA	4	8
Criminal threatening	NA	1	1
Theft of canine	4	1	1
Assist other agencies	NA	3	19
Accidents involving animals	25	39	40
Dead animals			52
Skunks relocated	NA	23	6
Wild animal calls			10
Totals:	717	904	969
	1988	1989	1990
Total monies turned in:	\$480	\$450	\$660

Total number of dogs licensed from May 1, 1990 to December, 1990: 308

We look forward to another challenging and productive year in 1991!

YOUR PETS ARE LIKE YOUR CHILDREN -- YOU LOVE THEM AND SO DO WE!  
HELP US TO KEEP THEM ALIVE AND HAPPY!

Respectfully submitted,

Jeffrey J. Baillargeon

Animal Control Officers

#### YOUTH SERVICES DIVISION

I am pleased to report that over the past two years I have seen a steady decline in the cases that are referred to the Courts and are being dealt with by diversion which in the long run I believe saves time and manpower hours. Court hearings for 1990 were less than half of 1988, and delinquency is down two thirds with the majority of these young people coming from outside of Seabrook.

I cannot help but think and hope that the programs that have been brought into the school to the community's young people have made them think before they act. Of course a great deal of the credit I think should go to the D.A.R.E. program which I am pleased to be presenting.

I have seen and have had numerous comments from the patrol division on how much friendlier the young people are towards them. I am pleased to say that in talking with the young people at school the attitude change is very much welcomed.

It has been a great year for change with several items such as funding for transports, public support for D.A.R.E., and several programs such as the chemical free graduation at the high school. I think that this is the kind of community support money cannot buy.

The reports of child abuse, neglect, and sexual assaults are still too high, but I imagine it will be as this issue is out of the closet and is being reported more openly now by young victims and older victims that have held on to this type of dark secret for several years.

I am pleased to be involved with several public groups that are in support of our community's most valuable resource - our children. I am always pleased when someone asks for assistance with a problem that they may be having with a child before they allow stress to take over. I can see the support from parents as several dozen local cars display the D.A.R.E. bumper stickers to show that they are as important to the success of the program as their children are.

YOUTH SERVICES DIVISION  
STATISTICS FOR 1990

102 Cases handled at Hampton District Court  
12 Number of cases handled at Superior Court  
27 Number of cases of delinquency  
18 Number of cases involving neglect  
14 Number of cases involving abuse  
22 Number of cases involving CHINS  
44 Number of cases handled out of court/diversion  
6 Number of cases pending investigation  
112 Number of new cases  
14 Number of cases involving placements  
17 Number of cases involving runaways  
1 Number of adult arrests  
37 Number of cases involving crisis intervention  
11 Number of cases of sexual assault  
  
437 total cases

12 Superior Court appearances  
7 County Attorney meetings  
30 Division of Child Youth Services meetings  
119 Winnacunnet High School meetings  
(Inclusive of all school staff and students)  
154 Seabrook Elementary School meetings  
(Inclusive of all school staff and students)

- 16 Juvenile officers' meetings
- 11 Meetings with attorneys
- 53 Investigatory meetings  
(Inclusive of meetings with parents, young persons, and victims)
- 402 Total meetings, not inclusive of meetings and telephone contacts with parents and children.

Michael W. Frost  
Youth Services Division

OFFICE OF THE PROSECUTOR

The case load for this year, although consistently heavy in numbers, shows a marked decrease from last year. This can easily be explained in terms of nuclear protest arrests. Last year our numbers were inflated due to an excess of a thousand such arrests. This year there have been only a few demonstrations with considerably fewer arrests.

This past year we have opened our doors to student interns from Northern Essex Community College. Criminal Justice students have been able to spend a semester working within the various areas of this Department learning the different aspects inherent in the functioning of a police department. There have been good experiences on both sides and so the program will continue on into 1991.

The following is a statistical synopsis of the year's activities:

<u>1989</u>	<u>1990</u>	
4983	3064	Total cases presented to Court
2995	1596	Found guilty
25	25	Found not guilty
712	617	Pled not guilty, set for trial
366	373	Continued to another date
271	212	Defaulted appearance
85	68	Nolle Prosequied
5	2	Dismissed
97	115	Continued without a finding
31	54	Miscellaneous hearings
1	1	Probable Cause hearings
2	9	Extradition hearings
33	42	Grand Jury Indictments

Respectfully submitted,

Melissa G. Walker  
Prosecutor

## INVESTIGATIONS DIVISION

This year's figures, once again, showed a marked increase in violent crimes against persons. Additionally, crimes against property continue to take their toll in the area with no end in sight as economic issues as well as drug related issues become more and more evident. The continuing rise in violent crime, however, is even more disconcerting as the population and crime ratio increases.

We are most fortunate to have a blend of young, tenacious officers and experienced, knowledgeable officers in all Divisions -- a mixture which allows all Divisions to assist each other and work together toward the common goal of Law Enforcement. Without the Patrol Division's constant vigilance, we may not have been as successful in clearing criminal cases as well as recovering tens of thousands of dollars in stolen property in the process.

This Division is continuing to function with only two officers -- Det. James Cawley and myself. Det. Cawley's persevering approach to his work has certainly aided in our attempts to "keep up" with the never-ending deluge of criminal cases. The efforts of this Division have had far reaching effects at times, with numerous appearances out of state and other jurisdictions' courts as well as a military courtmartial generated through resolved investigations which began and culminated in Seabrook.

This year required this office being actively involved in major crime investigations occurring both within and outside of Seabrook. As you are aware, much time has been dedicated to assisting Derry P.D. with a homicide for which three persons from Seabrook have been arrested. Additionally, we continue to assist N.H. Department of Fish and Game in their investigation of a very unfortunate shooting incident in Seabrook. These two issues accompanied other shooting incidents which have required intensive investigations.

Within a two month period, the Town of Seabrook was additionally stricken with two bank robberies. These investigations yielded satisfactory results with the arrest of the perpetrator of the first robbery and an excellent out-of-state suspect who is presently incarcerated for the second. Town businesses were also subjected to robbery during the course of this year -- most of which we have managed to clear by arrest.

This writer continued to be active in the interviewing and investigation of children who allegedly had been psychologically, physically and/or sexually abused and/or seriously neglected -- having cleared twenty-four (24) cases this year IN ADDITION TO those handled by the Youth Services Officer.

The Investigations Division also controls, processes, transports, and secures any and all departmental evidence and/or possessed property. We are responsible for the security of all major crime scenes and are on-call for the printing/processing of crime scenes as well as collections of latent evidence.

The Division acts as liaison/advisor and assists Patrol Officers in cases on which they may be following up as well as coordinating efforts between our agency and outside Law Enforcement Agencies. The Division handles administrative duties pertinent to all felony criminal cases handled through this office as well as records keeping for NCIC (criminal network -- state-wide/national) responses to inquiries, etc.... We additionally handle the clerical work required by these Divisions.

This writer supervises the Investigations Division as well as Youth Services and Prosecution. All of the officers in these Divisions are cross-trained and fill in for each other in one's absence. Last year, we reported that Prosecutor Walker and myself had been active in establishing a UCS/In House Records Keeping System for the Department. That system has been in effect since January 1, 1990 and, although a few minor "bugs" still exist, it has assisted in the accurate clearance of crimes for in-house purposes as well as the State of New Hampshire's UCR system. This office is also active in the in-house training of new officers as well as in-service training.

The Youth Services Officer, Michael Frost has expanded his area of expertise so that he has begun this year to take over in many of the abuse/sexual assault cases involving juveniles. His efforts in the D.A.R.E. program have not gone unnoticed -- the positive response from children, parents and teachers has been very gratifying.

Our Prosecutor, Melissa Walker, continues to handle an extraordinary number of cases in a consistently organized and professional manner. She has also been active in attempting to get our computer system on-line as well as having made time to train recruits and in-service officers at the New Hampshire Police Standards and Training academy.

Although we received two hundred eleven (211) fewer cases than in 1989 (1208 in 1989), of the nine hundred ninety-six (996) cases received (approximately 83 cases per month), seven hundred eighty-three (783) were cleared by arrest, indictment, unfounded status, exceptional circumstances or suspended for a 78.4% clearance rate overall (up from 63.5% in 1989).

Of those cases cleared, three hundred ninety-one (391) cases were cleared by arrest or indictment (50.1% -- down from 52% in 1989). Unfortunately, the remaining two hundred thirteen (213) cases were prioritized and ultimately, never reached or actively pursued.

Of the seventy (70) indictments brought to Superior Court, (up from 55 in 1989) sixty-six (66) received True Bills -- 94.2% (up from 92.5% in 1989). It should be noted that we experienced a decrease in felony cases in 1990 (1988 - 320, 1989 - 508, 1990 - 358). This is a positive sign and could be due to many of the felony cases being solved, the tenacity of the Patrol Division, the internal and inter-departmental sharing of information in known felons, the community sharing information with its police department -- we think it's a combination of all of these factors.

It is our genuine belief that with resolute and cohesive efforts, we will continue to make strides forward.

The following are statistical figures for this Division for the year 1990 with comparisons to 1988 and 1989:

PROPERTY STATISTICS	1988		1989		1990

This year has been both challenging and productive and we anticipate the future expansion of this Division in order that we may offer the citizenry of Seabrook better and more timely service.

Respectfully submitted,

Carlene M. Thompson, Sgt.  
Criminal Investigations Division

#### PLANNING BOARD - 1990

1991 was a very busy year for the Planning Board. We tried to maintain a schedule of two sessions a month to be responsive to your needs and to keep pace with the many major developments in town.

In the middle of the year our secretary resigned (the backbone of any board). We interviewed many good candidates and hired Karen Anderson who is doing an excellent job.

As you know, Tom Morgan of Piscatqua Planning was hired to assist us with the update of our Master Plan. Some of the sections we worked on this year were: housing, water resources, public utilities and existing land use.

In 1991 we are scheduled to work on transportation and future land use. These are very important sections, as you can imagine, due to the impact the present developments are now having along Rt. 1.

As you are aware, many changes have and are taking place in Seabrook, some very controversial, some not; from lot line changes and small businesses to a major shopping mall. Our meetings have been lengthy and informative and we tried to make sure you had an opportunity to express your desires and feelings. We hope we made good decisions.

Again this year the Board is proposing several zoning amendments. Our intention is to make planning more structured and the process easier to understand. We hope you will support these articles.

Respectfully submitted,

James E. Martin  
Chairman

#### STREET LIGHT COMMITTEE

In 1984 the Street Light Committee was dissolved and a new one consisting of three members were appointed. Within a short length of time, one of the new members resigned for personal reasons. Requests were made for a replacement, but to no avail. Several times the request appeared in the newspaper but there was no response. The committee consisting of the two members continued to evaluate applications and made necessary recommendations traveling the streets of the town and reporting on the street lights that were out or malfunctioning. This year we have also checked pole numbers on lights that were installed. The present Board of Selectmen decided that a third member should be added and as a result Charles Kaslow has become a member of the committee. Hopefully we will continue to serve the town in an efficient manner.

Any resident who notices a light out in their area should take the pole number and call the Selectmens' Secretary at 474-3311 and report the same.

Charles Kaslow  
Marion Kinlock  
E. Albert Weare

Street Light Committee

ROAD AGENT'S REPORT  
January---December 1990

The year began with a snow storm, so time was spent in salting and sanding the roads. Many trips were made in hauling salt. During the year cold patch was put on the roads to cover potholes. The regular rubbish runs were made, the maintenance of vehicles, lawnmowers, plows was done. The building was cleaned. A tool crib with shelves and benches was built in one of the bays.

The catch basins were cleaned and during the summer the grass along the sides of the roads was mowed with the farm tractor. Storage space for the spreaders was built on the back lot. The rubbish truck had blinking yellow lights installed, per order of the workman's Compensation people, also rubbish employees were ordered to wear reflective vests.

There was 325 feet of culvert installed on Perkins Avenue. The beach rake was used at the beach to clean the seashore. Many signs were installed. Parking lines were drawn at the parking lot. Barrels were placed on the beach for the disposal of trash. Hot topping was done on Pembroke Street. The work of mowing and raking was done in the cemeteries. Some of our employees helped out with the Old Home Day celebration. Work was done on the ramp at River Street.

There was vandalism done to the backhoe at the dump and also parts of the Causeway Bridge were stolen.

Three government plaques for veterans were installed on the lots.

The environmental people have given permission for Linn stone to be put on Cross Beach Road. The stone will be purchased from Fremont Stone & Gravel, Lee, N.H. Fitzgerald of Hampton, N.H. will do the grading. the work on the road will start in the spring.

Vernon G. Dow, Road Agent

POLLUTION CONTROL REPORT - 1990

The proposed town wide sewer system progressed slowly in 1990. Delays in the permitting process was the primary reason.

In March town meeting authorized an appropriation for \$120,000 for the first construction to be undertaken on the project. This appropriation was used to install a section for the ocean outfall pipe and a smaller effluent pipe that will deliver waste from the beach to the wastewater treatment plant. This aspect of the project was undertaken at this time to avoid greater costs in the future once the improvements to the Route 286 bridge were completed.

The town is still awaiting action on its application to the Army Corp of Engineers for a permit to discharge into navigable waters and to disturb wetlands. Construction cannot occur on the sewer system until the permit is approve. At years end, the town had received notice from the Corp that a public hearing on the application had been scheduled for February 6, 1991. If this is approved, construction would begin in the summer or fall of 1991. The timing of construction is dependent on the voters approval of the financing of the project at the March annual meeting.

Respectfully submitted,

Sewer Committee Members:

Willard F. Boyle, Chairman  
Richard E. Blinn  
Lydia M. Gould  
Warner B. Knowles  
Edward G. Maguire  
Robert S. Moore  
Priscilla L. Palazzo

Board of Selectmen:

Asa H. Knowles, Jr., Chairman  
Elizabeth A. Thibodeau  
Ivan Q. Eaton, Sr.

Steven A. Clark  
Town Manger

## MOSQUITO CONTROL DEPT. REPORT 1990

Field work began on April 6th with surveillance of freshwater sites, created by 'snow-melt' and spring rains. Treatment of areas found to support mosquito larvae (larviciding) commenced on April 16th. Salt marsh site surveillance and larviciding began the week of April 30th following the monthly 'high-run' tide that activate the mosquito breeding areas. Treatment of fresh and salt marsh breeding sites continued throughout the season after heavy rainfalls which reactivate these areas.

The adulticiding phase (evening spraying of the Town with the spray truck) got underway on June 1st and continued through Sept. 13th. Scourge(tm) adulticide (active ingredient: Resmethrin) was sprayed using the Leco ULV 18 hp sprayer. Adulticiding was done on 41 separate nights this year with the east side of Town being completed 20 times and the west side 16 times.

Adult mosquito population monitoring (required by the State) was accomplished using 3 C.D.C. light traps (baited with CO<sub>2</sub>). As in the past six seasons, specimens were trapped, counted and identified. The second highest week, of mosquito counts, since 1984, occurred the week of July 2nd. 74% of the mosquitos trapped and identified that week were Aedes sollicitans, a salt marsh breeding species that were activated a week earlier by a 12.0' 'high-run' tide. The last week of August also found very high mosquito populations due to a "triple whammy" of mosquito breeding: Aug. 11th rainfall of 1.5", Aug. 20th monthly flood tide, and Aug. 25th brought 2.2" of rain. Overall, populations were down from last year but 1990 was still the second highest since 1984.

90 greenhead fly box-traps were placed along the perimeters of the salt marsh. The vicious-biting greenhead fly is attracted to the shade of the trap, flies up inside and is trapped in the screened-in section where it dies of dehydration. Approx. 4000 or more flies are caught per trap, therefore a conservative estimate of 360,000 flies are caught each season in these boxes.

I would like to thank the Selectmen and Town Manager Steven Clark for their support throughout the year.

I would also like to officially thank my two Field Assistants, Derek Griggs and 'Mac' Larson, for the excellent work they have done over the past two seasons.

Lee G. Brooks  
Supervisor

1990 ANNUAL REPORT OF THE SEABROOK RECREATION COMMISSION

*The members of the Seabrook Recreation Commission are: Vernon Small, Chairman; William Moore, Jr., Vice Chairman; Charlotte Dow, Secretary; Rosemary Eaton, Parks Department; Asa Knowles, Selectman; Elliot Eaton and Salvatore Rubera. The administrative staff of the Seabrook Recreation Department are Sandra Beaudoin, Director of Recreation and Edward Pickard, Assistant Director.*

The Recreation Commission and Staff energies during 1990, were aimed at improving and upgrading established programs and leisure services regularly offered to Seabrook residents. Projects for the year included improvements to the Center's exercise room, dead tree removal work, installation of a fence and outdoor basketball hoop on the Community Center's southerly property line as well as additions to the Center's activity posters display. Improvements in the exercise room included adding a leg curl/extension machine, Pec Dec, 8 wall mounted workout charts and over 100 lbs of free weights. Some plans for 1990 had to be postponed for another year, as they were during the past 3 years due to budget cuts. But, due to the continuous conscientious efforts on the part of the recreation staff and volunteers, this department again managed to provide most of the successful and favorite activities as you will see displayed within this report.

The following indicates the daily average of people using the Seabrook Community Center during the four sessions of programs offered by the Recreation Department.

<u>ACTIVITIES</u>	<u>JAN-MAR</u>	<u>APR-JUNE</u>	<u>JULY-AUG</u>	<u>SEPT-DEC</u>

Teen Basketball Boosters	And More...

SEACOAST COCA-COLA IN 1990

Seacoast Coca-Cola Bottling Co. continues to support a number of our youth & adult programs saving the tax payers money. During 1990, the company provided beverage products, Cola Mugs and \$1,500 in sponsorships. The programs which were supported included film for photos with Santa, uniforms for the Teen basketball team, uniforms T-Shirts for the Youth basketball league, and donation for the Miss Seabrook Contest.

1990 SEABROOK OLD HOME DAYS

The 1990 Seabrook Old Homes Days were again a success and filled with entertainment and fun. The 10th annual Miss Seabrook Contest opened the Old Home Days on Thursday, August 16th where over two hundred and fifty people witnessed Jessica Brown being crowned as the 1990 Miss Seabrook. On the following night Angelika Brown was crowned Jr. Miss Seabrook. On Saturday, August 18th over 20 local non-profit groups, town departments and others provided food, crafts, contests, entertainment and more. Included in the day were: field races, diaper derby, egg throw, hula-hoop, arm wrestling, best home made pie, musket shoot, pie eating, doll carriage parade, decorated tricycle, corn husking, horseshoes, cribbage, bingo, softball tournament, cow chip sweepstakes, Monte Carlo, pee-wee races, skillet throw, a variety of entertainment, fireworks and more. On Sunday, the Seabrook Lions club held a Turkey shoot as an Old Home Days event.

Planned purchases of equipment and supplies to better accommodate existing recreational programs offered by this Department, were also carried out. This included items such as a half mile hauler, video camera, more rollerskates and more. These items help the staff and volunteers provide more.

In conclusion, the commission and department staff, also extends their thanks to all those who helped to maintain and carry-out the variety of programs which were offered during 1990.

THE ZONING BOARD OF ADJUSTMENT REPORT - 1990

Your Zoning Board of Adjustment this past year has had hearings on 12 cases. Two of these were annual gravel pit renewal licenses; one was withdrawn; two others were re-hearings on denials. One of these two cases has been appealed to the Superior Court, and as of this date of reporting, no court date has been established.

Once again the board members have attended the annual law lecture series at Philips Exeter Academy and other special work shops dealing in mock hearings taken from the actual New Hampshire Supreme Court cases.

Once again it is with pleasure that I make this report to the Citizens of Seabrook.

Respectfully submitted,

James C. Falconer, Chairman  
Board of Adjustment

1990 WATER DEPARTMENT REPORT

There were 434,556,858 gallons of water pumped in 1990. This 28,360,568 gallon increase over the previous year was due to the increase in both the outside and industrial-commercial use.

Industrial-commercial use increased from 107,623,455 gallons in 1989 to 116,034,390 gallons in 1990. While Public Service Company increased its use over the previous year by approximately 23.7 million gallons, many others had decreases - with Baileys and K.J. Quinn having 6 million and 4 million gallons respectively.

There were 30 new services installed in 1990. Of these 11 were commercial, which included the fish co-op, Linda Lane subdivision, Best Western Inn, and the sprinkler service to Rockingham Fireworks, car wash, Cristaldi, Beachway Mart, Bartlett Farm Stand, Carbone, Driscoll Marine, and the former Point Seafood.

Several water leaks occurred. Most of them were minor and on the land owner's property. The larger of the leaks occurred at Cimarron Apartments, a 6" and a 2" main at River Street.

Four hydrants were damaged by motor vehicles and had to be replaced: two on Stard Road, one on Batchelder Road and the other one was on South Main Street.

Water was re-routed through the Salisbury MA. water mains to supply our beach for four days while preliminary work was being accomplished at the Route 286 bridge replacement project.

Our well #3, off Ledge Road was cleaned, and pump parts were replaced by F.G. Sullivan Drilling Company of Lancaster ME., under the guidance and direction of Whitman and Howard Engineering of Wellesley MA.

The crew assisted the highway department with the installation of drainage on Perkins Avenue. In preparation for this project we installed three new water services and abandoning the old ones along with the water mains they were connected with.

I would like to thank everyone for observing our partial water ban which was imposed for the summer months. This ban was on the outside use of water, except between 7:00 p.m. and 8:00 p.m. The lack of water wasn't the reason for this ban, it was simply the demand exceeded our pumping capacity. The last time the water ban was in effect was in 1981. With this in mind we would like to caution our users about wasting water, and to urge that the use of this precious resource be done wisely.

Respectfully submitted,

Warner B. Knowles  
Water Superintendent

*INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION*

To the Members of  
the Board of Selectmen  
Town of Seabrook  
Seabrook, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Seabrook and the combining and individual fund financial statements of the Town as of and for the year ended December 31, 1989, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Seabrook at December 31, 1989, and the results of its operations and the changes in financial position of its nonexpendable trust funds for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town at December 31, 1989, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

February 16, 1990
