TOWN OF DUMMER, NH

WARRANT STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Dummer, in the County of Coos in the said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Dummer on Tuesday, the 13th day of March, 2001 next at 6:45 of the clock in the evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
(Vote by Ballot)
2. Are you in favor of abolishing the Planning Board as proposed by petition of the voters of the Town of Dummer, NH? **(Vote by Ballot)**
3. To see if the Town will vote to raise and appropriate the sum of **\$67,653** for General Government.

Town Officers' Salaries	\$19,000
Town Officers' Expenses	8,000
Computer & Software	3,500
Election & Registration	1,800
Legal Expenses	7,000
Planning & Zoning	500
Town Line Survey	2,000
Town Buildings	7,000
Cemeteries	4,400
Insurance	6,000
NH Municipal Association	500
North Country Council	303
Conservation Commission	200
Parks & Recreation	250
Great North Woods	100
Interest on TAN	100
FICA & Audit	<u>7,000</u>
TOTAL	\$67,653

The Selectmen recommend this appropriation.

TOWN OF DUMMER, NH

4. To see if the Town will vote to raise and appropriate the sum of **\$32,000** for a revaluation of the Town of Dummer and to withdraw this sum from the Pontook Hydro Fund. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until said revaluation is completed or by December 31, 2002, whichever is sooner.

The Selectmen recommend this appropriation.

5. To see if the Town will vote to raise and appropriate the sum of **\$16,321** for Public Safety and Health.

Fire Department	\$8,646
Forest Fire	500
AV Mental Health	325
Health Officer	200
Dog Officer	250
Building Inspector	1,000
M&D Ambulance Service	3,400
Ambulance Chassis Fund	2,000
Total	\$16,321

The Selectmen recommend this appropriation.

6. To see if the Town will vote to raise and appropriate the sum of **\$4,000** for Volunteer Fire Assistance, \$2,000 to be offset by a match under Title IV of the Rural Development Act and the balance to be raised from taxation. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until said match is granted or by December 31, 2002, whichever is sooner.

The Selectmen recommend this appropriation.

TOWN OF DUMMER, NH

7. To see if the Town will vote to raise and appropriate the sum of **\$60,500** for Highways and Streets.

Summer & Winter Maintenance	\$49,000
General Expenses	8,000
Fuel	3,500
Total	\$60,500

The Selectmen recommend this appropriation.

8. To see if the Town will vote to raise and appropriate the sum of **\$40,642** for Sanitation.

Solid Waste Collection	\$21,588
AVRRDD	18,954
Solid Waste Administrative Costs	100
Total	\$40,642

The Selectmen recommend this appropriation.

9. To see if the town will vote to discontinue the Dump Closure Fund created in 1995. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the General Fund.

The Selectmen recommend this article.

10. To see if the Town will vote to raise and appropriate the sum of **\$8,100** for its share of the closure costs of the Cates Hill landfill and to authorize the withdrawal of said amount from the December 31, 2000 fund balance.

The Selectmen recommend this appropriation.

TOWN OF DUMMER, NH

11. To see if the Town will vote to raise and appropriate the sum of **\$2,775** for Welfare.

Direct Assistance	\$1,500
Human Services	500
Tri-County Community Action	775
Total	\$2,775

The Selectmen recommend this appropriation.

12. To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the truck capital reserve fund previously established.

The Selectmen recommend this appropriation.

13. To see if the Town will vote to raise and appropriate the sum of **\$82,000** to be added to the road repair and reconstruction capital reserve fund and to appoint the Selectmen as agents to expend from this fund.

The Selectmen recommend this appropriation.

14. To see if the Town will vote to raise and appropriate the sum of **\$10,000** to be added to the West Dummer Bridge capital reserve fund previously established.

The Selectmen recommend this appropriation.

15. To see if the Town will vote to raise and appropriate the sum of **\$6,000** for the rehabilitation of the fuel tank shed.

The Selectmen recommend this appropriation.

16. To see if the Town will vote to raise and appropriate the sum of **\$3,400** for the Town Library.

The Selectmen recommend this appropriation.

TOWN OF DUMMER, NH

17. To see if the Town will vote to return to the Dummer Community Church Women ownership of those several kitchen items and utensils given to the Town by the Methodist Conference.

The Selectmen recommend this appropriation.

18. To transact any other business that may legally come before this meeting.

Polls will be open from 11:00 AM to 7:00 PM.

Given under our hands and seal, the 20th day of February, in the year of our Lord, two thousand one.

AVRRDD 20,000
Solid Waste Administrative Costs 100

TOWN OF DUMMER, NH

TOTAL \$41,208

A motion was made by Sarah Lachance and seconded by Lorna Stiles to raise and appropriate the sum of \$41,208 for Sanitation. It was so voted.

Art. 6. To see if the Town will vote to raise and appropriate the sum of \$3,725 for Welfare.

Direct Assistance.....	\$2,500
Human Services	500
Tri-County Community Action.....	<u>725</u>
TOTAL	\$3,725

Art. 7. To see if the Town will vote to raise and appropriate the sum of \$3,000 to be added to the truck capital reserve fund previously established. A motion was made by Nona Cordwell and seconded by Diane Holt to raise the sum of \$3,000 to be added to the truck capital reserve fund. It was so voted.

Art. 8. To see if the Town will vote to raise and appropriate the sum of \$55,000 for the construction of a new town garage and to authorize the withdrawal of said amount from the Pontook Hydro Fund. A motion was mad by Dwight Stiles and seconded by Steve Morrissette to raise and appropriate the sum of \$55,000 for the construction of a new town garage and to authorize the withdrawal of said amount from the Pontook Hydro Fund. After a lengthy discussion on this article, Steve Morrissette mad a motion to amend the article to have the \$55,000 for the construction of the new town garage raised and appropriated by taxes an not take it from the Pontook Hydro Fund. This was seconded by Wayne Moynihan. The amendment was voted on by a show of hands, yes 41 to no 9. The amendment was so voted. A vote was then taken on raising a appropriating the \$55,000 from taxes. This was voted in the affirmative.

Art. 9. To see if the Town will vote to establish a capital reserve fund for the purpose of road repairs and reconstruction and to raise and appropriate the sum of \$45,000 to be moved from the December 31, 1999 surplus and to appoint the Selectmen as agents to expend from this fund. A motion was made by Paula

TOWN OF DUMMER, NH

LaBrecque and seconded by Sue Wyman to raise and appropriate the sum of \$45,000 to be moved from the December 31, 1999 surplus for the purpose of road repairs and reconstruction. This article was so voted.

Art. 10. To see if the Town will vote to raise and appropriate the sum of \$10,000 to establish a bridge capital reserve fund for the reconstruction of the West Dummer Bridge. A motion was made by Paula LaBrecque and seconded by Ray LaBrecque to establish the sum of \$10,000 for the reconstruction of the West Dummer Bridge in a bridge capital reserve fund. This was so voted.

Art. 11. To see if the Town will vote to accept the former Dummer United Methodist Church property, building and land from the New England Conference Trustees with the following stipulations:

- The premises shall not be used for religious or sold for religious purposes.
- The premises shall be used for the good of the community or, if sold, its use will be for the good of the community as required by the authorizing vote of the Trustees of the New England Conference of the United Methodist Church on January 30, 1999 and

To raise and appropriate the sum of \$20,000 for repairs and improvements to make this building suitable for use as a public library as outlined in the report of the Dummer library study committee, and withdraw this sum from the Pontook Hydro Fund. A motion was made by Julie Glvoer and seconded by Steve Morrissette to raise and appropriate the sum of \$20,000 and withdraw this sum from the Pontook Hydro Fund. After discussion and comments for and against this article, a vote was taken by a show of hands and there were 41 "yes" votes and 5 "no" votes. The article was voted in the affirmative.

Art. 12. To see if the Town will vote to raise and appropriate the sum of \$1,400 for the Town Library. Melissa Glover made a motion and Katrina Laflamme seconded it. It was noted at this time that this should be amended to \$2,400. Steve Morrissette made a motion to amend this sum to \$2,400 instead of \$1,400, seconded by Katrina Laflamme. It was so voted.

TOWN OF DUMMER, NH

- Art. 13. To see if the Town will vote to adopt the provisions under NH RSA 41. 9-a, which allow the selectmen to se fees for regulatory programs or revenue producing facilities. This authorization will remain in effect until rescinded by a vote of the municipal meeting. A motion was made by Brad Wyman and seconded by Katrina Laflamme to accept this article as written. This article was so voted.
- Art. 14. To see if the Town will vote to send the following resolution to the New Hampshire General Court: Resolved, New Hampshire's natural, cultural and historic resources in this town and throughout the state are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important public resources. A motion was made by Sue Wyman to accept this article as printed, seconded by Angie Jewett. This was so voted.
- Art. 15. To transact any other business that my legally come before this meeting. At this time Rose Soldano asked about the stop sign at the Hawkins and Blake road. Selectmen said they had been made aware of this and it would be taken care of. Also, selectmen were asked if the swing set in back of the Town Building could be fixed. Selectmen said they would look into it. As there was no other business Melanie Devoid made a motion to adjourn, seconded by Katrina Laflamme. It was so voted.

Meeting adjourned at 8:35 PM.

Respectfully Submitted

Louise Gagnon, Town Clerk

Board of Selectmen
Town of Dummer

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole and on the combining and individual fund financial statements. The accompanying financial information listed as the supplemental schedule in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Town of Dummer, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose, combining, and individual fund financial statements and, in our opinion, is fairly presented in all material respects in relation to the financial statements of each of the respective individual funds taken as a whole.

Very truly yours,

Francis J. Dineen & Co.

INDEPENDENT AUDITORS' REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Dummer
Dummer, New Hampshire 03588

We have audited the accompanying general purpose financial statements and the combining and individual fund financial statements of the Town of Dummer, New Hampshire as of December 31, 1999, and for the year then ended as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As is the practice with many New Hampshire municipalities, the Town of Dummer, New Hampshire has not maintained a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, except for the effect on the financial statements of the omission described in the third paragraph the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Dummer, New Hampshire as of December 31, 1999, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town of Dummer, New Hampshire as of December 31, 1999, and the results of operations of such funds and the cash flows of nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

2. Dump Closure and Master Plan Funds

Funds left over from the closure of the East Milan Landfill and funds to be used for the development of a master plan were placed in separate investment accounts with the intention of using these funds in future years. However, the townspeople have never voted to place those funds in either a special revenue fund or an expendable trust fund.

Recommendation

If the Townspeople do not want the balance in these accounts to be included in their unencumbered fund balance available to offset taxes they should vote to set the money aside in a special revenue fund or in an expendable trust fund with the Selectmen designated as agents to expend.

We extend our thanks to the officials and employees of the Town for their assistance during the course of our audit.

Very truly yours,

Francis J. Dineen & Co.

TOWN OF DUMMER, NH

SELECTMEN'S REPORT - 2000

We are pleased to report an active and fruitful year in 2000. We remain fiscally sound and we can point to many substantial improvements.

Most notably, we have all but completed the new Town garage and the library. Both were ambitious projects which were well supervised by our volunteer citizens, Dave Dubey and Katie Doherty, respectively. We owe them both a dept of gratitude for their tireless service to our community.

You will see that there were overruns in the execution of both building projects, but we held the line on total expenditures for the year, showing a surplus for the year of just over \$15,000. Both overruns were mostly due to the septic system connections for which we failed to plan. We have provided another \$3,300 in this our budget for 2001 for staining the garage, adding a workbench and storage and installing garage door openers. You will also see a separate warrant article for \$6,000 to rehabilitate the adjacent fuel tank shed.

We have now completed the reclaiming and base construction on the Blake Road. This gives us 1½ miles of new base, ready for paving. We are suggesting that we complete this section this summer, which will be a major expense (Article 11).

We gave the Town Hall a new coat of paint and refinished the floor in the meeting hall. We had the swings in the back yard fixed.

We upgraded the tax collector's system with a software designed for tax billing and collecting by AVITAR, our assessing company. This year we have included funds to upgrade our appraisal software to a Windows platform, which will give it greater flexibility and will be more easily learned as town officers replace one another over time.

It has been 8 years since we last revalued the town and we are requesting funds to do this in 2001. While our equalization rate has remained fairly close to 100%, our Coefficient of Dispersion (COD), which measures equity within classes of property, has been too high for several years. With the new State education tax, the Department of Revenue Administration is especially watchful to maintain equitable property valuation throughout the State. Once we have completed this

TOWN OF DUMMER, NH

revaluation it is our plan to include a partial revaluation in our budget each year so that every fifth year we will have updated information on every property in town. This will allow us to maintain equity with more frequent, small adjustments and avoid the periodic big revaluation expenditures.

The Milan Container solid waste pick-up contract ended on December 31, 2000. Rather than put the contract out to bid, our Board negotiated a new, single-year contract with Milan Container for a 2.3% increase. It was our judgment that their service had been excellent and that if we could retain them for a comparable price we would serve the community well. Of course we also see increases in tipping fees, but those are masked by the fact that last year we budgeted a special assessment for the AVRRDD transfer station. This year, however, we see a \$8,100 charge for our share of closing the Cates Hill landfill.

Your Board of Selectmen entered into a three-year agreement with Primex, our Worker's Compensation Insurance carrier, in order to take advantage of a 15% discount.

After many years without change, we have completed a comprehensive review of the wages and salaries for your Town officers and employees. Accordingly, our budget this year reflects the following changes:

Road Agent	\$12.13	\$13.47
Hourly Rate for All Others	7.46	9.00
Treasurer	\$900	\$1,100
Town Clerk	800	3,000
Mileage	.325¢	.345¢

We estimate the net effect of these changes to be about \$7,500.

This year we particularly wish to extend our appreciation to Earl Wadsworth for his long, selfless, tireless and effective service as the Town of Dummer representative on the AVRRDD Board of Directors.

As always, we need interested citizens to volunteer for important posts in Town government. The Emergency Management Director post remains unfilled. Jill Dubey is looking for a replacement as Health Officer, and Planning Board, ZBA and Conservation Commission are all

TOWN OF DUMMER, NH

looking for members. Please take some time to help your town operate as well as it can. Contact your Board of Selectmen. We meet Monday evenings from 7:00 to 9:00.

A. Bradford Wyman

Elizabeth A. Hawkins

Christopher R. Holt
Board of Selectmen

TOWN OF DUMMER, NH

ANDROSCOGGIN VALLEY REGIONAL REFUSE DISPOSAL DISTRICT

2000 ANNUAL REPORT OF DISTRICT ACTIVITIES

The AVRDD 2000 Budget apportionment for our member municipalities totaled \$574,532.00. A surplus of \$122,308.23 from the 1999 budget was used to reduce apportionments with a net budget of \$452,223.77 being billed to the member municipalities. The proportionate share of the credit for the Town of Dummer was \$597.93 reducing your gross apportionment of \$6,942.27 to \$6,344.34. Preliminary reconciliation of the 2000 budget shows a surplus of approximately \$235,675.00 being available to credit toward 2001 apportionments.

Our Materials Recycling Facility marketed a total of 2,234.64 tons of recyclables for the period January 1, 2000 through December 31, 2000 representing \$114,360.56 of marketing income to the District. In addition to the marketing revenue from the recyclables, there is also an avoided cost of disposal at the landfill. The avoided cost for our recycled tonnage totals \$122,905.20.

During the period November 1, 1999 through October 31, 2000, the fiscal accounting year for municipal solid waste (MSW), 8,831.83 tons of MSW were disposed of at the Mt. Carberry landfill. The cost for disposal was \$478,320.20.

On April 24, 2000, the District Transfer Station was officially opened. Completion of the construction project was financed through an assessment in 2000 of \$7.36 per capita for the population of each member municipality based on the 1990 federal census population. No debt was incurred for this project.

From April 24 through December 31, 2000, the Transfer Station received a total of 395.03 tons of municipal bulky waste and construction and demolition debris with an additional 504.84 tons being received from the 58 commercial accounts presently registered with the District. A total of 62.03 tons of wood was also received from the commercial accounts. Recycling for the Transfer Station consisted of 147 tons of scrap metal, 7 tons of brush which was chipped with the District owned chipper and 239.58 tons of wood that were processed through a grinder. In addition, 2,346 tires were accepted along with

TOWN OF DUMMER, NH

118 refrigerators, air conditioners, and freezers. Transfer Station income from all sources totaled \$22,154.56.

Election of officers was held at the District Annual Meeting in April 2000: Raymond Chagnon of Berlin was re-elected District Chairman, Clara Grover of Errol was re-elected Vice Chairman and Earl Wadsworth of Dummer was re-elected Secretary-Treasurer. Other District Representatives are: Yves Zornio of Gorham, David Tomlinson of Randolph, Linda Cushman of Jefferson, Jeremiah Lamson of Northumberland, George Bennett of Stark, Michael Fortier of Milan and Fred King for Coos County.

In June 2000, the District conducted its ninth annual Household Hazardous Waste Collection Day. The collection was hosted by the Town of Gorham with 415 households participating. The project was funded through the District Household Hazardous Reserve Fund. In addition, the State of New Hampshire reimbursed the District at twenty-five cents per capita after the collection was completed. The District contracted with Safety-Kleen, Inc. for the collection. This event is conducted annually, the first Saturday in June.

The Androscoggin Valley Regional Refuse Disposal District ended 2000 with total assets of \$1,435,739.16. Accumulated depreciation on the equipment and building is \$254,438.00. Liabilities were \$75,000.00 which consists of a long-term debt to the New Hampshire Municipal Bond Bank for money borrowed to build and equip the Materials Recycling Facility. This is a ten year bond with the final payment due in August 2001.

NET WORTH	\$1,106,301.16

During 2000, the Administrator/Coordinator worked a total of 1,788.25 hours with 1,493.25 hours charged to the District and the additional 295 hours reimbursed by a Rural Development Grant that was awarded to the District in 1999 to cover public education costs for the transfer station. 1,399 pieces of incoming correspondence and 1,888 pieces of outgoing correspondence were processed; 2,353 telephone calls were received or made and 28,471 copies were reproduced on the office copier. 360 meetings on numerous subjects and issues were attended.

Respectfully submitted,

Sharon E. Gauthier
Administrator/Coordinator

TOWN OF DUMMER, NH 2000 LIBRARY REPORT

The library is now at its new home at 67 Hill Rd. The new telephone number is 449-0995 and e-mail address is dpl@ncia.net. The computer has been used for school papers, research, and surfing the web, e-mail, and Interlibrary Loans. An interlibrary loan is the statewide system where we can borrow books, etc. at little to no cost. Patrons can now access ProQuest, article database, from the library or home. If interested in learning more please let me know and I will get the password.

The children's summer reading program ran in Dummer and Milan. The average group size was 19 children, with the smallest week being 14 and the largest being 25. The program focused on Reading Cats and Dogs. This was the state's theme, so we went along with it. The reading program won a blue ribbon for its float in the Old Home Weekend Parade. The children did a great job working on the float and its decoration. With the help of Lynn Bacon, the library is offering a one-day program during the school's vacation.

Special thanks for all the support this town has shown for the library over the past years. The library has a new home and is growing. Hours will be expanded with the help from volunteers; a story hour is also in the works.

The library has seen the following changes:

	2000	1999	1998	
Patrons	263	249	198	+5.2%

Respectfully submitted,

Rebecca Glover

TOWN OF DUMMER, NH

DUMMER PUBLIC LIBRARY BUILDING REPORT

A lot has happened since town meeting! First of all, it took several months to get the title of the building from the Methodist Conference. In the meantime, the selectmen had a title search done on the building and land to be on the safe side – and it's a good thing they did. It was found that through an error at the Registry of Deeds many years ago, Rachel Jewett had owned the land and building all along as the last recorded deed was from the Methodist Conference to Henry and Orrin Holt and Rachel was their only heir. The selectmen, Katie Doherty (who had been named project coordinator for the library renovation by the selectmen) and Rachel sat down and talked about options, including the fact that Rachel was free to sell the property but she decided to give it to the town to be used as the space for a town library and historical society.

Needless to say, this delayed the renovation. Once it was determined that Rachel and Durward Jewett owned the building and land, Raoul Gagnon started to work on the outside with their permission. Initially, Rowdy was concerned that the renovated ramp would have to be really long to meet state regulations on handicap accessibility so he brought up the level of the ground in front and the east side of the building. Rowdy redid the parking area as well as landscaping the land around the building. He also cleared out the trees, etc. around the building, especially on the town building side of the proposed library, to facilitate putting in the septic and water line. He also did the necessary excavation work for the septic and water line. He worked very closely with Lance Sargent to install the septic system.

In addition, Rowdy worked very hard to get ready to do the demolition necessary before Mike Gagne and Matt Young of Mountain Village Construction and the various subcontractors started. A work crew composed of volunteers, including Brad Wyman, did an amazing amount of demolition in one night.

Jim Soldano donated his time for all the electrical work – a tremendous undertaking which included many tasks we had not anticipated, such as wiring the pump for the septic system.

TOWN OF DUMMER, NH

Lynne Bacon and Trina Laflamme came up with the idea of a memorial reading garden and with a lot of help have the initial garden beds in place and partially planted. Work will continue in the spring.

Rachel Jewett has been working to establish a historical society in one corner of the library.

Mike Gagne and Matt Young and the subs did a really nice job, even donating some of the work, including some of the work done on the furnace. We did have a few nasty surprises, such as discovering that one of the sills in the entry way was rotten and that work needed to be done to provide adequate heat upstairs but for the most part it went smoothly.

In order to save money, we eliminated painting from the job and it was done by a group of volunteers. As generally happens, we did not anticipate all the work that was necessary which meant we went over budget by 1614.40. In addition, at the end of the year the selectmen paid Rowdy \$4526.50 which covers roughly half of the 501.5 hours he spent working at the new library.

A Friends of the Dummer Library group has been established with Mary Beth Hamel president. They will raise money for the library. A yard and bake sale helped us get enough money for paint and other items. Many, many people donated items to sell and volunteered their time.

On January 12th and 13th, volunteers along with AmeriCorps members, installed the shelving which Becky Glover and Daniel Law went to Keene last year to get from the Keene Public Library, and moved the library. It's been a long time coming and the library looks great.

Volunteers

Very, very special thanks go to

Raoul Gagnon who worked ceaselessly, without whom this project would not have been possible!

Rebecca Glover, town librarian.

Rachel and Durward Jewett who gave the building and the land.

TOWN OF DUMMER, NH

Janet Smith-Rushton, Superintendent, Northern New Hampshire District, United Methodist Church, who started the ball rolling.

Jim Soldano who gave so much of his time to the electrical end of the library project.

Katie Doherty, project manager.

Library Building Committee members: Lynne Bacon, Sarah Cordwell, Katie Doherty, Becky Glover, MaryBeth Hamel, Rachel Jewett, Polly McCullough.

CONSERVATION COMMISSION

The year 2000 was a slow one for the Conservation Commission, but there were some activities of interest.

Last year reported on our meeting with the Water Resources Council, the largest owner of land around Pontook Reservoir. The Council obtained a grant and with the help of the North Country Day of Service and the Trailmasters program has established a walking trail from the Pontook Dam to the Bofinger recreation area. There is more work to be done; including bog bridges, this coming summer, but it is easily followed by able-bodied walkers. It should provide welcome river access to anglers and sightseers alike.

The Conservation Commission also cooperated with the Water Resources Council and the Audubon Society of NH in performing a Bio-Timber Inventory on the Council holdings. This will provide valuable timber and ecological data for the professional land managers working for the Water Resources Council. The Bio-Timber Inventory, or BTI, was conducted as a "Beta Project," or pre-market trial for a biological measuring system newly developed by the Society for the Protection of NH Forests for forest stands. We are awaiting the results of that survey this spring when we expect to host the quarterly meeting of the Water Resources Council once again.

As we reported last year, the Conservation Commission sponsored a public hearing on boat motor size at Pontook Reservoir. There was a large turnout heavily against the proposal to limit motor sizes but several suggestions for a "no wake zone" were offered. In the interest of protecting this wildlife-rich wetland the Commission may follow-up on this suggestion.

In early November the Commission sponsored a walk along the east bank of the Androscoggin River from the dam to the powerhouse. There is a nice but little-known walking path for most of that distance.

Last summer the Commission was poised to participate in a statewide frog survey, looking for malformed frogs as part of scientific studies on this phenomenon. Members participated in a workshop sponsored by the North American Reporting Center for Amphibian Malformities

TOWN OF DUMMER, NH

(NARCAM). Unfortunately, there was a scarcity of frogs in 2000 and the project was a bust.

Conservation commission meetings are held on the 3rd Tuesday of each month at 7:30 PM at the Town Hall and are open to the public. We also need 2 or 3 more people to serve with us. Anyone who is interested in this opportunity should contact the Board of Selectmen or a member of the Commission.

Faith Kimball, Chairman
Norman Girouard

TOWN OF DUMMER, NH

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing **ALL** outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fires suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at www.dred.state.nh.us.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments.

TOWN OF DUMMER, NH

These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department **BEFORE** using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing **ANY** outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!!

2000 FIRE STATISTICS

TOWN OF DUMMER, NH

NORTH COUNTRY COUNCIL ANNUAL REPORT 2000

The year 2000 has been a year of change for North Country Council. After 10 years as the Executive Director, Preston Gilbert left the North Country Council to take a position at Syracuse University. Replacing Preston as the Executive Director is Michael King who had been the Operations Manager and Controller for the Council. Additional changes included the hiring of Blake Cullimore as Regional Planner and the hiring of Stacey Wyvill as Community Planner.

We continued to complete a number of local and regional projects for all of our 51 communities through the region. A summary of some of those projects is as follows:

Transportation:

- Reviewed, and submitted to the Department of transportation 27 transportation enhancement projects for the North Country.
- Began the coordination of the Route 2 Corridor Planning Study with the communities along Route 2.
- Received funding from the NHDOT to begin an I93/18/302 planning and research project.
- Participated with the NHDOT and member communities in the development of a regional bike path map (still in progress).
- Provided technical transportation assistance to the majority of the communities in our region.
- Coordinated the North Country Transportation Committee.
- Conducted 135 traffic counts in 41 communities.

Economic Development:

- Submitted and received federal funding for two major public works projects (the Plymouth Green Street project, and the Mountain View Hotel project).
- Coordinated the North Country District Economic Development Committee.
- Coordinated and published the results of a region wide survey of business and workers in the North Country.
- Published the Living Wage Study for the North Country.
- Updated the Comprehensive Economic Development Strategy (CEDS) for the region.

TOWN OF DUMMER, NH

Community/Regional Planning:

- Provided technical assistance to 28 towns throughout the region.
- Updated seven master plans and zoning ordinances for member communities.
- Coordinated the Law Lecture Series for the Office of State Planning.
- Coordinated and project-managed the American Heritage River Project. This is a project sponsored by EDA to develop best management practices for land use and development along the Connecticut River.
- Performed a town-wide inventory of junkyards for one of our member communities.

Environmental Planning:

- Provided technical assistance to over 34 communities in the area of solid waste and hazardous waste management.
- Served on the Governor's Solid Waste Task Force.
- Coordinated the Household Hazardous Waste Management collections of 32 communities.
- Managed an EPA project to increase recycling in the hospitality industry.
- Managed a source water protection program for the Department of Environmental Services, which developed methods to help in the prevention of surface intake contamination.
- Developed a non-point source pollution education program for a number of our communities.
- Provided technical assistance in the National Flood Insurance Program throughout the region.

Many of these programs will continue into the year 2001. We continue to enhance our staff capacity and will be looking to provide additional technical assistance and planning support to all our communities. Major programs for the year 2001 will be the fourth biennial Transportation Improvement Program (TIP) update, the submission of two new major economic development funding requests (maybe more), and increase in assistance to communities updating their master plans and zoning ordinances with an emphasis on some of the new zoning challenges we are facing (e.g. cell towers), the publication of a regional plan, and the continues assistance of solid waste management with an emphasis on conducting town audits on their solid waste management practices.

TOWN OF DUMMER, NH

Our overall goal, however, remains the same: to provide support and leadership to the region, its governments, businesses and citizens.

Sincerely,

Michael J. King
Executive Director

TOWN OF DUMMER, NH

COÖS ECONOMIC DEVELOPMENT CORPORATION

After a year of inactivity and restructuring Coös Economic Development Corporation is back on its feet and stronger than ever having broader roots into all corners of the county with board members representing Berlin, Colebrook, Groveton, Randolph, Jefferson, Lancaster, Dummer and Whitefield. In its new structure, DEDC has partnered with Northern Community Investment Corporation of St. Johnsbury, VT, which provides stability, technical services in the loan area and years of experience and success in structuring economic development loans for the region.

CEDC's new director, Peter Riviere, plays several other roles critical to the county. As the lead agency in aggregating telecommunications and broadband access for data and voice transmission, Riviere has brought a \$100,000 grant from NH's Department of Resources and Economic Development to try to attract providers of broadband services at costs competitive to similar services in the state's southern tier. He also has assumed the role as secretary and administrator for the Great North Woods Region Association, another organization that had become inactive for much of the last year.

Riviere brings two decades of work as a journalist in the county to his position and his familiarity with the area and its issues have provided a quick restart to CEDC's activities in the county. In the near future CEDC expects to play an important role in aggregating the county's electricity needs as we all face the impact and effects of deregulation. Several exciting possibilities loom on the horizon that could remake how the county's municipalities operate and receive their electricity for residential and business needs.

As the year 2001 unfolds, CEDC/NCIC is completing legal and contractual loan language with Mountain View Development Corp, LLC in securing a \$659,000 Community Development Block Grant (CDBG) loan to the hotel as it begins its renovation and rebirth. The Mountain View is contracted to produce as many as 50 new jobs, 35 of which will benefit low and moderate-income individuals.

There are numerous other initiatives on which CEDC has collaborated including: Whitefield Industrial park development; leasing tower space

TOWN OF DUMMER, NH

for cellular phone service making its way up the Connecticut River Valley; the Miles Pond sawmill closing; promoting and attracting new business to the Colebrook Industrial Park; securing loans for private investment in the county's business and community and grant writing or numerous small grants.

CEDC also manages the old Coös County Courthouse in Lancaster, which recently underwent an energy audit in preparation for grant writing to sustain renovations and updates to the century-old historic edifice.

While its main goal is to induce job growth and economic expansion, CEDC collaborates with banks and other lenders to provide loans to new business startups and business expansions. CEDC can be reached at (603) 788-3900 or at cedc@together.net and its mailing address is 148 Main Street, Lancaster, 03584.

TOWN OF DUMMER, NH

THE MENTAL HEALTH CENTER

December 29, 2000

Chairman & Members of the Board
Dummer Board of Selectmen
Hill Road
Dummer, NH 03588

Dear Mr . Chairman and Members of the Board:

The Androscoggin Valley Mental Health & Developmental Services Advisory Council respectfully requests that the Town of Dummer continue its support of this agency through an appropriation in the amount of \$325.00 at the 2001 Town Meeting. This amount represents a \$1.00 per capita contribution based on figures from the most recent New Hampshire population listing. These funds will be used exclusively for the support of outpatient services provided through Androscoggin Valley Mental Health Center.

Over the past 34 years this agency has provided mental health services to hundreds of people living, working, raising families and going to school in the Androscoggin Valley area. Outpatient mental health services are not funded by state or federal dollars. They are expected to support themselves through client fees, third-party insurance payments, and through local support such as contributions from towns, cities and the United Way. In order to make these services affordable to all persons in need of them, fees are adjusted according to the recipient's ability to pay. Your present and past appropriations have enabled us to follow this practice and your support this year will assure its continuance. We see these services as the backbone of our community's mental health efforts and as essential in the prevention of more serious emotional, social and community problems.

I fully appreciate the financial pressures on local governments at this time. Many of the conditions responsible for the pressures have also

TOWN OF DUMMER, NH

resulted in a significant increase in persons seeking our services. We need your ongoing assistance to continue to provide your citizens with the care they are seeking.

Please advise me as to what, if any, additional steps I need to take to insure that this item appears in the warrant. I would be happy to come before you and/or the Budget Committee to more fully discuss this request and to respond to any questions that you might have regarding it and the services provided by this agency.

On behalf of the Dummer residents we serve, I thank you in advance to your consideration of this request.

Sincerely,

Arthur A. Froborg
Area Director

AAF/est

TOWN OF DUMMER, NH

TRI-COUNTY COMMUNITY ACTION

October 16, 2000

Dear Selectmen:

Tri-County community Action is requesting **\$ 775** in funding from the Town of Dummer to help support its Community Contact Program. Community Contact has provided services for **53** of Dummer's residents to include fuel assistance and other Community Action Programs. We are requesting a moderate increase due to the increase in assistance provided last year (over \$5,700) and anticipate the same for the coming year.

TRI-COUNTY COMMUNITY ACTION HAS SPENT \$11,947.86 ON DUMMER CITIZENS BETWEEN JULY 1, 1999 AND JUNE 30, 2000.

Community Contact provides necessary services for the less fortunate citizens in our communities, who would otherwise have to seek help from the Town. We are depending upon funding from your town and neighboring communities county wide. The local funds are combined with the community services Block Grant, Fuel Assistance and NH Emergency Shelter Grant, Homeless Programs and FEMA. We also are the conduit through which the USDA Surplus food gets distributed to food pantries, including our own, throughout Coos County in order to serve our residents.

If you have any questions, please don't hesitate to give me a call.

Sincerely,

Deborah Walsh
Coos County
Community Contact Manager

TOWN OF DUMMER, NH

TRI-COUNTY COMMUNITY ACTION PROGRAMS, INC 1999-2000 Community Contact Report to the Town of Dummer

Community contact is the field services arm of Tri-County CAP. Our purpose is to assist low-income, elderly and handicapped persons to solve problems and meet their physical and financial needs. We accomplish this by providing information, counseling, referrals, budget counseling, guidance, organizational assistance, and by effectively linking households with CAP assistance programs and using community resources.

Last year, the following direct financial assistance was provided to the residents of Dummer by the CAP Community Contact Office.

	<u>Households</u>	<u>Individuals</u>	<u>Dollar Amount</u>
Fuel Assist. 1999-2000	13	24	\$9,3990.00
USDA Food/Food Pantry Assistance	16	24	1,080.00
Commodity Surplus Food Program(6 Dist. Per year)		4	1,440.00
FEMA Emergency Assistance (Shelter, fuel, elect. assistance)		1	37.86
<u>Total Direct Assistance</u>	30	53	\$11,947.86

Volunteer Assistance: \$7,057.75(dollar value)

USDA Foods to stock food pantry: \$5,188.00

Additionally, we provided information, referrals, budget counseling to individuals who were homeless or in imminent danger of homelessness, in need utility assistance, health/medical/legal resources, transportation, employment, furnishings, welfare assistance and educational, domestic violence/substance abuse resources.

With your help, we anticipate being able to provide at least the same level of services to the Town of Dummer this year.

TOWN OF DUMMER, NH

REPORT TO THE PEOPLE OF DISTRICT ONE

Raymond S. Burton, Councilor

It is once again a privilege to report to the people of this large Northern Council District of 98 towns and four cities spread throughout Coös, Grafton, Carroll, Belknap, and Sullivan Counties.

The constitutional and statutory responsibilities of the Executive Council are within the Executive Branch of your New Hampshire State Government. Our role is much like a board of directors of a large company. We are charged with carrying out the laws and budget passed by the New Hampshire House and Senate. The Governor and Council employ 294 Commissioners and Directors to administer over 100 departments and agencies to carry out the details of the laws and budget of your State government. The Council has an overall supervisory role in assisting citizens, business, agencies, towns, cities, and counties in effectively working with State government.

Preparing for the coming two-year term that I have been elected to as one of your public servants, I share with you the following ideas and requests:

- If anyone is interested in making a volunteer contribution of their time and talent on a Board or Commission through the appointment process of the Governor and Council, please contact my office or Kathy Goode, Council Liaison, Governor's Office, State House, Concord, NH 03301, Tel. 271-2121, and ask for the appointment list for 2001. As your councilor, I am always looking for people to serve on a multitude of Boards and Commissions in your State Government.
- The Governor's Advisory Commission on Intermodal Transportation (five Executive Councilors and the Commissioner of Transportation) will be holding hearings around the State on citizen and regional planning commission recommendations for improving our highway system throughout New Hampshire. If you have suggestions on a needed improvement, please send them to your regional planning commission or to my office soon so they may be given consideration.

TOWN OF DUMMER, NH

- The Regional Health Planning District Councils continue to meet and consider major changes in the health maintenance system for citizens both at the local and state levels. Anyone wishing to serve on your region's District Health Council should contact my office or Lori Real, Director of Planning Research at NH Health and Human Services Department, Tel. 271-4235.
- As one of your elected officials, I would urge your town and region to be in constant contact with our New Hampshire Congressional Delegation to let them know of your ideas, concerns and desires. I am interested in promoting projects to send to Senators Smith and Gregg and Congressmen Sununu and Bass. They are effective in their committee assignments and should always have a list from back home in New Hampshire to advance in our nation's Capitol.
- I recommend use of the NH Webster System. It is the official state locator for your New Hampshire State Government at <http://www.state.nh.us>. A complete directory of phone numbers and addresses of all state agencies is listed for your convenience. Utilize your local Town/City Library to access the Webster System which is administered and maintained by the New Hampshire State Library.
- My office has available a handy 800 toll-free card of organizations for rural areas.
- Always know my office is at your service. Contact me anytime!

Ray Burton

SUPERINTENDENT OF SCHOOLS

Dr. John W. Caldon, Ed.D.

SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Dummer qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the 12th of March 2001 at 11:00 AM in the morning to act, by ballot, upon Articles 1 through 7 and at 6:30 PM in the evening to act upon Articles 8 through 13.

The polls are open for the election of officers from 11:00 AM to 7:00 PM.

1. To choose a moderator for the ensuing three (3) years.
2. To choose a clerk for the ensuing three (3) years.
3. To choose a treasurer for the ensuing three (3) years.
4. To choose two (2) auditors for the ensuing year.
5. To choose a member of the school board for the ensuing year.
6. To choose a member of the school board for the ensuing three (3) years.
7. Are you in favor of changing the terms of the auditors from one year to two years, beginning with the terms of the auditors to be elected at next year's regular school district meeting; provided, however, that, in the first year, the auditors shall be chosen for varying terms so that the term of one auditor shall expire in the next succeeding year, the term of the second auditor, the next year?

ARTICLE 8: To hear the reports of agents, auditors and officers heretofore chosen and pass any vote relating thereto.

ARTICLE 9: To set the salaries of the school board, school district treasurer, auditors, truant officer, census taker, and moderator as listed:

School Board Chair	\$100.00
School Board (2)	\$ 70.00 each
Treasurer	\$100.00
Clerk	\$ 20.00
Moderator	\$ 20.00
Auditor (2)	\$ 30.00 each
Truant Officer	\$ 20.00
Census Taker	\$ 50.00

(Recommended by the School Board)

ARTICLE 10: To see if the District will vote to raise and appropriate the sum of \$420,857.62 for the support of schools, for the payment of salaries for school district officers and agents, and for the payment of the statutory obligations of the District, said sum to be in addition to sums authorized by vote of the District on preceding articles in this warrant. (Recommended by the School Board)

ARTICLE 11: Shall the school district accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the school board to apply for, accept and expend, without further action by the school district, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

ARTICLE 12: To see if the district will vote to raise \$6,860.00 to reduce the general fund deficit pursuant to RSA 189:25-a. (Recommended by the School Board)

ARTICLE 13: To transact any other business that may legally come before this meeting.

Given under our hands at said Dummer this 12th day of February 2001.

Mary Guay, Chair
Diane Labbe

PLEASE PROVIDE FURTHER DETAIL:

* Amount of line 5252 which is for Health Maintenance Trust (see RSA 198:20-c,V)

Help! We ask your assistance in the following: If you have a line item of appropriations from more than one warrant article, use the space below to identify the make-up of the line total for the ensuing year.

Acct. #	Warr. Art.#	Amount	Acct. #	Warr. Art.#	Amount

"SPECIAL WARRANT ARTICLES"

Special warrant articles are defined in RSA 32:3, VI, as appropriations 1) in petitioned warrant articles; 2) appropriations raised by bonds or notes; 3) appropriations to a separate fund created pursuant to law, such as capital reserve funds or trust funds; 4) an appropriation designated on the warrant as a special article or as a nonlapsing or nontransferable article.

A MESSAGE from the Superintendent's Offices

The administration and staff members of the SAU #20 office are keenly aware of the pride, dedication, and concern that school boards, administration, staff and community members have for their schools and students. In our quest to improve education and the services that support it, we will continue to examine: Student Services, Curriculum and Instruction, and Financial Management. We will not forget that our reason for being is – yes, the children.

Many of our children are doing very well, as demonstrated by our state test scores; however, some are not. In terms of Student Services, we need to continue to meet all children's needs in ways that will maximize their achievement and attitudes toward learning. Additional resources for special education and "504 students" (American Disabilities Act) may be necessary. We feel our administrators, teachers, and support staff need to underscore the importance of programming for all children with disabilities in the least restrictive environment. And that collaboration between teachers, specialists, parents, and agency affiliates is the cornerstone in developing students' individual educational plans.

An ongoing task for every school district is to continually update Curriculum and Instruction. For education to improve significantly, investments must be made that involve human time and effort, commitment to working together from different factions, and possible financial obligations. It is important to commend those staff, board, and community members who have participated in developing the New Professional Development Plan for SAU #20 as well as those who have worked locally on District Education Plans. We would hope that you continue to nurture and value these people in our organization who have contributed their talents for the benefit of our children.

Each year we have the opportunity to chart the course of our educational system via the annual budgeting process and Financial Management. As early as September we begin building budgets that go through various stages of refinement in preparation for March's School District meeting. The administration, staff, school boards, budget committees, and community wrestle with many questions. What items can we continue to do without? What can be postponed for yet another year? Should we lease instead of purchase? What can we afford to cut? What foregoes development? The reality is that we cannot always provide all that is needed, yet we must continue to do the best with what is available by being resourceful and astute throughout the school year.

Above all, one thing that we must be cognizant of is the fact that we are in very challenging times in our community, state, and nation – a time when our decisions will have a serious impact on our future. There is agreement everywhere that the answer to positive change in our future depends upon well-educated citizens, citizens able to adapt to consistent change and the requirements of the information/technology age. We must believe that what we ask of and want for children in regard to their education will eventually benefit all of us.

We believe that the key to good education is the same as the key to good decision making: communication, commitment, and collaboration. With your support and involvement, we pledge to do our best.

Respectfully submitted,

John W. Caldon, Ed.D.

Principal's Report 2000-2001

The 2000-2001 school year has given us the opportunity to expand our vision for the future. Class sizes at the lower grades have remained below 21 students, and the departmentalized approach introduced last year at grades five and six has proven successful. The multi-age and single grade class structure at grades 1-4 continues to be a mainstay of our educational programming, expanding our ability to deal effectively with different learning styles. The need to increase student opportunities in art, music, physical education, and library received strong support from the school board and we were able to provide a full class period in these important areas.

The "Building Needs Assessment Committee" completed the first phase of its work and brought three proposals to the community. Support for a new K-6 facility was received and the process of reviewing proposals and selecting a site began. An initial building design and a site location have been established and informational meetings were held on the 4.1 million-dollar building project. The proposed facility of 47,800 square feet would provide significant enhancements to the delivery of our current educational programs and provide the opportunity to add new programs such as preschool and computer technology.

Each year the staff takes part in a detailed analysis of the results of student performance on the New Hampshire Assessments. In addition to reviewing the overall performance of the Milan Village School, the staff focuses on an "item analysis" of the objectives assessed. Specific recommendations (i.e. greater use of detail in writing, expanded use of graphs and symmetry in math and the American banking system in economics) are incorporated into curriculum and instruction. In general, the overall performance of students at grades three and six has shown improvement.

Year	Novice 200-239		Basic 240-259		Proficient 260-279		Advanced 280-300	
	<u>Grade 3</u>						<u>Grade 6</u>	
	Lang. Arts	Math			Lang. Arts	Math	Science	Social Studies
1996-97	236	244			242	235	229	233
1997-98	238	256			232	256	240	241
1998-99	254	255			240	250	233	248
1999-00	247	249			237	251	236	245

Internet access is available throughout the building providing a valuable educational resource for our students and the community. Weather reports from around the world are a part of morning announcements and students have developed partnerships with other schools within and outside the United States. The local area network installed last year has provided interconnectivity within the building and the current focus is to develop a centralized grade reporting system. The Milan Village School Technology Plan has been updated this year with plans for a formal computer curriculum K-6, expanded use of the Internet for instruction and professional development, and video access to all classrooms.

Community involvement is fundamental to our educational philosophy and is fostered through a variety of activities both during and after school. The Milan Recreation Department provides after school and weekend activity programs. The seniors participate in breakfast and dinner programs as well as a "Volunteer Reading" program with the students. Our library resources and librarian remain available two evenings a week to all community members.

The Milan Village School PTO, under the direction of Mrs. Diane Labbe, has continued its outstanding effort with programs such as Bike-A-Thon/Walk-A-Thon, Holiday Bazaar, and Bookfair. The PTO remains a main support for innovative programs, plays, field trips, skiing, social activities, Spirit of Education, and a host of other activities that serve to broaden the student's experience.

The Milan Village School was awarded its nineteenth "Blue Ribbon Achievement Award" for volunteerism. Coordinators Lisa Devost and Janet Roberge continue to maintain a program of excellence that is recognized statewide.

Through the efforts of parents and staff, Shakespeare's "The Tempest" was performed by our 5th & 6th graders and played to capacity crowds. This year's Lego Team took their technological expertise to a regional competition, scoring very favorably as first time participants.

As we look to the future, the improvement of academic performance and a sense of mutual respect and cooperation remain fundamental to our purpose. An experienced and committed teaching staff promotes proficiency in reading, language arts, and math and seeks to foster a curiosity and thirst for knowledge in each student. Our hope is to improve the delivery of programming and expand the educational opportunities for our students with improved facilities and additional course offerings.

A special thanks goes to the Milan School Board, the Office of the Superintendent of Schools, and the communities of Dummer and Milan for their cooperation and support throughout this school year.

Sincerely,

Ronald A. Losier, Principal

DUMMER SCHOOL MEETING
MARCH 14, 2000

The meeting was called to order at 11:00 A.M. the polls were declared opened at this time and closed at the close of the meeting. Voting for all officers was by ballot. The School business meeting was held at 6:30 P.M. March 14, 2000. The business meeting was called to order by Moderator Craig Doherty. Officers elected for the ensuing year are as follows.

Votes for School Board for 3 years Mary Guay59
Votes for School Board for 1 year Mary Bird..... 60
Votes for School Treasurer 1 year Marsha Googins 15
Votes for two Auditors for 1 year Doris Bergeron 59
Rachel Jewett 54

Art. 1. To hear the reports of agents, auditors, committees, or officers heretofore chosen and pass any vote relating thereto. At this time Superintendent of Schools Richard A. Steudle spoke saying that as a result of a new law that will require this information RSA32:11-a requiring school districts to include in their annual reports and accounting of special education expenditures and offsetting revenues for the previous 2 fiscal years as follows:

Special Education 1997-1998
Expended \$15,070.12
Revenues 3,909.67
Special Education 1998-1999
Expended 15,056.50
Revenues 4,353.58

Art. 2. A motion was made by Brad Wyman and seconded by Steve Morrissette to determine the salaries of the school board, school district treasurer moderator, clerk, truant officer, and the census taker and fix the compensation of any other officer of the District:

School Board Chair		\$100.00
School Board	2	\$ 70.00 each
Treasurer	1	\$100.00
Clerk	1	\$ 20.00
Moderator	1	\$ 20.00
Auditors	2	\$ 30.00 each
Truant Officer	1	\$ 20.00
Census Taker	1	\$ 50.00

This article was voted in the affirmative.

Art. 3. A motion was made by Brad Wyman and seconded by Lorna Stiles to see if the District will vote to release the Bus Capital Reserve Fund the sum of \$52,306.26 plus and accumulated interest back to the School District to reduce taxes. This article was so voted.

Art. 4. A motion was made by Wayne Moynihan and seconded by Angie Jewett to see if the District will vote to raise and appropriate, and expend the sum of \$370,552.46 for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of the statutory obligations of the District said sum to be in addition to the sums raised under previous articles in this warrant. This article was so voted.

Art. 5. To transact any other business that may legally come before this meeting. As there was no other business a motion was made by Brad Wyman and seconded by Steve Morrissette to adjourn the meeting at 6:40 P.M.

Louise Gagnon School Clerk
