**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

**THE POLLS WILL BE OPEN FROM
1:00 P.M. to 6:00 P.M.**

To the Inhabitants of the Town of Eaton in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Evans Memorial Building (Town Hall) in the Town of Eaton, County of Carroll on Tuesday the eighth of March, 1988, at one o'clock in the afternoon to act upon the following subjects herein after set forth. The polls shall open for balloting at 1:00 P.M., or as soon thereafter as the Moderator calls the meeting to order and declares a quorum present. Voting on Article 1 (election of officers), Article 2 (combining the office of Town Clerk and Tax Collector for a three-year term), and Article 3 (proposed amendments to the Town of Eaton Zoning Ordinance), shall be by official ballot. The remaining articles on the Warrant shall be acted upon at eight o'clock in the evening.

ARTICLE # 1.

To choose all necessary Town officers for the year ensuing.

ARTICLE # 2.

To see if the Town is in favor of having the office of Town Clerk combined with the office of Tax Collector, thereby creating a new office of Town Clerk-Tax Collector to be held by one individual for a three-year term. In accordance with RSA 41:45-a. (Balloting for the individual to fill the new office will take place at Town Meeting in March 1989.)

ARTICLE # 3.

To see if the Town is in favor of adopting twelve amendments to the Town of Eaton Zoning Ordinance of 1973 dealing with: setbacks, cluster development, open spaces in wetlands, protection of the character of the Village Zone, permitted uses in the Rural Residential Zone, the Wetland Conservation District Map, wetlands violations, establishing a Commercial/Light Industrial Zone, definition of "slope," definition of "multifamily dwelling unit," and, adoption of the Life Safety Code (with a code enforcement officer).

ARTICLE # 4.

To raise such sums of money that may be necessary to defray town charges for the ensuing year and make appropriation of the same; including town officers salaries, town officers expenses, election and

registration expenses, expenses of the Town Hall and other buildings, Social Security and Withholding taxes, fire department, insurance, civil defense, health department, vital statistics, town dump, town road maintenance (summer and winter, highway block grant, and general expenses), street lighting, town poor and old age assistance, recreation, cemeteries, interest, planning and zoning, legal expenses, State revenue sharing, capital reserve funds, general fund trusts, and unemployment compensation.

ARTICLE # 5.

To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes, if necessary.

ARTICLE # 6.

To see if the Town will authorize the Selectmen to administer and dispose of any real estate acquired by the Town through Tax Collector Deeds, reference RSA 80:42.

ARTICLE # 7.

To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend such Federal, State, or other governmental unit or private source of funding which becomes available during the year, in accordance with RSA 31:95-b.

ARTICLE # 8.

To see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the Conservation Commission funds for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under State and Federal programs, and authorize the Selectmen to apply for and accept the State or Federal matching funds for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated or donated funds and State or Federal matching funds may be expended by a majority vote of the Conservation Commission.

ARTICLE # 9.

To see if the Town will vote to authorize the Eaton Conservation Commission to make application for a grant or grants from appropriate trust funds and to expend any funds received to enhance the public usefulness of Town Lands.

ARTICLE # 10.

To see if the Town will vote to authorize the Eaton Conservation

Commission to retain the unexpended portion of its 1988 receipts, said funds to be placed in a special conservation fund, in accordance with RSA 36-A:5.

ARTICLE # 11.

To see if the Town will vote to establish and maintain an Eaton Fire Department, in accordance with RSA 154 and the following ordinance:

TOWN OF EATON — FIRE DEPARTMENT ORDINANCE

1. The Eaton Fire Department is hereby established as a department of town government and is authorized to fight fires in Eaton or to go to the aid of another town, village, or fire district within or without the state, for the purpose of extinguishing fires.

2. The Fire Chief shall be appointed by the Board of Selectmen in accordance with RSA 154:5 for an indefinite period and the Fire Chief's tenure of office shall depend on his/her good conduct and efficiency. The Fire Chief shall be technically qualified by training or experience and shall have the ability to command firefighters and hold their respect and confidence. The Fire Chief may be removed only for just cause and after hearing with reasonable notice in writing of the charges against him/her.

3. Deputy Fire Chief(s) shall be appointed annually by the Board of Selectmen.

4. The Chief and Deputy Fire Chief(s) shall constitute a board, elect a clerk and adopt a badge of office.

5. Firefighters shall be appointed annually by the Board of Selectmen on recommendation of the Fire Chief. A copy of each appointment shall be given to the individual concerned and another copy filed with the Town Clerk.

6. The Fire Department shall be organized by the Fire Chief. He/she will appoint or elect officers, cause the department to care for and preserve Town property entrusted to it, and conduct training of firefighters. The Fire Department shall night and day use its best endeavors to extinguish any fire that may happen in Eaton or the vicinity.

7. (a). Except as provided in RSA 224, the Fire Chief shall have authority and control over all firefighters and officers and all fire engines and apparatus and all persons whose duty it is to aid in extinguishing fires in Eaton.

(b). The Fire Chief shall have the authority to enforce local ordinances, the NFPA Life Safety Code (if adopted by the Town), and State laws pertaining to fire and safety.

(c). The Fire Chief or his designee shall have the authority to recommend issuance of occupancy permits to the Selectmen for all new structures, defined as places where people live, work or assemble, and addi-

tions to structures, as defined above. Permits will be issued after two inspections during the course of construction, said inspections to be based on local ordinances, the State Fire Code, and other pertinent State laws. A written report shall be provided to the owner or occupant of inspected properties and a copy shall be retained by the fire chief for public inspection.

(d). The Fire Chief may establish regulations for the prevention and control of fires, and for removal of combustibles from any building. Such regulations will be signed by the Fire Chief and recorded by the Town Clerk and posted in two public places in Eaton thirty days before they shall take effect. Each breach of such regulations shall constitute a violation.

(e). The Fire Chief may establish regulations respecting hazardous materials and will be governed by the New Hampshire Hazardous Materials Incident Emergency Response Plan.

(f). If any building is deemed by the Fire Chief to be dangerous to persons or the property of others, by reason of decay, want of repair, or otherwise, he/she may give written notice to the owner, the same to be served personally or by certified mail, to repair or alter the same; such notice shall contain a complete statement of the repairs or alterations to be made. If the owner does not reside in Eaton like notice may be served on the occupant, if any. If repairs or alterations are not made within five days after notice, unless the Fire Chief has granted an extension for reasonable causes, the owner or occupant so notified shall be guilty of a violation for each day's neglect and shall be liable for the damage suffered by a person or the owner of any buildings or property consumed by fire communicated from such dangerous building.

8. The Fire Chief is responsible for keeping in order all apparatus provided by the Town for extinguishment of fires and all sources of water prepared for the Fire Department, within available funds. The Fire Chief shall annually report to the Town the condition of all apparatus belonging to the Town under his/her care, and the amount expended for repairs thereon.

9. The Fire Chief, or in his/her absence the senior officer in charge present, shall have direction of all engines and other apparatus, and the government and direction of all persons and proceedings relating to any fire or emergency.

10. Bills for the operation of the Fire Department shall be approved or disapproved by the Fire Chief and if approved, shall be presented to the Board of Selectmen for payment, within the limits of funds appropriated.

11. Any expenses incurred by the Eaton Fire Department outside the limits of its jurisdiction may be charged to the town, village, or fire district whose officials requested such aid.

12. The Eaton Fire Department, upon certification of its competency by the State Fire Marshall fully to fight structure fires may, after consultation with and concurrence of the Board of Selectmen, join local fire mutual aid systems in accordance with RSA 154:30-a to :30-f.

13. The provisions of RSA 154:31 to :34, concerning relief to disabled and deceased firemen shall apply in the Town of Eaton, as shall provisions of the Town's liability and workers compensation insurance and other applicable State laws.

14. Except those covered by paragraph 13, above, volunteers, Chiefs, and officers of the Eaton Fire Department shall serve without monetary compensation unless they must serve unusual lengths of time at an incident, e.g., losing an entire day's work spent cleaning up a hazardous waste spill, in which case they would be compensated at a rate set by the Board of Selectmen in consultation with the Fire Chief, or in the case of fire inspectors who would be paid at a rate set by the Board of Selectmen.

15. Any volunteer joining the Eaton Fire Department after enactment of this ordinance shall be required to pass a physical examination conducted by an approved physician, clinic or hospital to the satisfaction of requirements adopted by the Fire Department and the Board of Selectmen.

16. Each member of the Eaton Fire Department must strive to attain certification for training as a firefighter within the time and conditions prescribed by the New Hampshire Fire Standards and Training Commission under RSA 154:C:1 and :C:5. Failure to achieve progress toward certification may subject members to lack of reappointment by the Board of Selectmen.

Adopted this 8th day of March, 1988

ARTICLE # 12.

To see if the Town will vote to raise and appropriate the sum of \$14,093 for fire protection, to be used by the Eaton Fire Department, as follows:

- \$5,000: Used pumper truck first year of five equal payments
- 976: Interest on pumper truck loan at 7.25%
- 3,000: Tools, supplies, equipment, training
- 1,000: Rehabilitation of donated tank truck, if one can be found
- 1,117: Liability & Workers Compensation Insurance
- 1,000: Fire Prevention
- 500: Five Radio Pagers
- 1,500: Maintenance of present tanker truck and possible used pumper

ARTICLE # 13.

To see if the Town will vote to choose members of the Town Planning

Board and Zoning Board of Adjustment by election rather than by appointment as is presently done. Under authority of RSA 673:2 II (b) and RSA 673:3.

Agreeable to a petition signed by Mark S. Provost and others.

ARTICLE # 14.

To see if the Town will vote to raise and appropriate the sum of \$2,770 to support the budget of the Cemetery Trustees as follows:

EXPENSES		REVENUES	
Grading/Seeding (Snowville)	2500	Survey Balance '87	400
Survey completion (Snowville)	600	Hatch Trust Fund	700
Fence & Stone Repair (Hatch)	1020	Trust Funds	250
Total Expenses:	\$4120		\$1350
		Amount to be raised by taxes: \$2,770.00	

ARTICLE # 15.

To see if the Town will vote to adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure. These statutes provide that tax sales to private individuals for non-payment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes.

Agreeable to a petition signed by Ruby A.B. Hurl and others.

ARTICLE # 16.

To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for deposit in the already established Capital Reserve Fund "Bridge Reconstruction."

ARTICLE # 17.

To see if the Town will vote to raise and appropriate the sum of \$9,500.00 for deposit in the already established Capital Reserve Fund "Road Reconstruction."

ARTICLE # 18.

To see if the Town will vote to create a Capital Reserve Fund for the purpose of replacing the town road grader.

ARTICLE # 19.

To see if the Town will vote to raise and appropriate the sum of

\$5,000 for deposit in the Capital Reserve Fund for replacing the town road grader.

ARTICLE # 20.

To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the purpose of installing a dry hydrant in Snowville on land of Andrew Gerling. Mr. Gerling has given the Town an easement for installation and maintainance of the dry hydrant.

ARTICLE # 21.

To see if the Town will vote to raise and appropriate the sum of \$1,100.00 for the Town Hall for the purpose of installing emergency lights, a smoke alarm system audible and visible inside and outside the building, and to bring the furnance room up to fire retardation standards.

ARTICLE # 22.

To see if the Town will vote to raise and appropriate the sum of \$325.00 for the support of the summer water safety program.

ARTICLE # 23.

To see if the Town will vote to raise and appropriate the sum of \$125.00 for support of the Tri-County Community Action Program.

ARTICLE # 24.

To see if the Town will vote to raise and appropriate the sum of \$415.00 for the support of the Children and Youth Project of Mount Washington Valley.

Agreeable to a petition signed by Thomas N. Lane and others.

ARTICLE # 25.

To see if the Town will vote to raise and appropriate the sum of \$1,250.00 to assist the Conway Recreation Department in providing recreation programs to the residents of Eaton.

Agreeable to a petition signed by Philip Kelly and others.

ARTICLE # 26.

To see if the Town will vote to raise and appropriate the sum of \$385.00 to assist the Family Health Centre.

Agreeable to a petition signed by JoAnn Kelly and others.

ARTICLE # 27.

To see if the Town will vote to raise and appropriate the sum of \$153.45

for the support of Children Unlimited, Inc., said sum being equal to \$.55 per person in the Town of Eaton.

Agreeable to a petition signed by William H. Sparks and others.

ARTICLE # 28.

To see if the Town will vote to raise and appropriate the sum of \$523.80 for the Visiting Nurse Services of Northern Carroll County, Inc., said sum being equal to \$1.80 per person in the Town of Eaton (291 - based on 1986 census from the Office of State Planning).

Agreeable to a petition signed by William H. Sparks and others.

ARTICLE # 29.

To see if the Town will vote to raise and appropriate the sum of \$340.00 to provide a Valley Social Security Worker to assist the eight towns now served by Gibson Center for Senior Services.

Agreeable to a petition signed by Lawrence S. Ross and others.

ARTICLE # 30.

To see if the Town will vote to raise and appropriate the sum of \$600.00 for the support of the Gibson Center for Senior Services and the Gibson Center's Meals and Wheels Program.

Agreeable to a petition signed by Philip Kelly and others.

ARTICLE # 31.

To see if the Town will vote to raise and appropriate the sum of \$315.00 to assist the Carroll County Mental Health Service.

Agreeable to a petition signed by Linda A. Jenkins and others.

ARTICLE # 32.

To act on any other business that may legally come before this meeting.

Given under our hands and seal, this 22nd day of February, in the year of our Lord Nineteen Hundred and Eighty-Eight.

Bernard F. Hurley
Richard H. Young
Francis S. Gospodarek
Selectmen of Eaton

A true copy of Warrant-Attest:

Bernard F. Hurley
Richard H. Young
Francis S. Gospodarek
Selectmen of Eaton

March 8, 1987

We hereby certify that we gave notice to the inhabitants within named, to meet at time and place for the purpose within mentioned, by posting an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at the Eaton Village Store, being a public place in said Town, on the 22nd of February, 1988.

Bernard F. Hurley
Richard H. Young
Francis S. Gospodarek
Selectmen of Eaton

EATON'S TOWN MEETING 1987

The annual Town Meeting of the Town of Eaton, N.H. was called to order on March 10, 1987 at 8:00 PM by Moderator Ellsworth T. Russell

Mr. Russell read the "Call to Meeting" and the articles of the Warrant.

The Moderator then called Leslie S. Feron to the podium and presented her with a plaque in recognition of her "outstanding contribution to the Planning Board and to the citizens of Eaton, NH" signed by the three Selectmen. The same was presented to C. Jerome Underwood, who could not be present, so was accepted by his wife, Doris.

Article 1 - To choose all necessary Town Officers for the year ensuing. This had been done by ballot earlier in the day and the following officers were elected.

Selectman for three years	Francis S. Gospodarek
Moderator for 3 years	Ellsworth T. Russell
Tax Collector for 3 years	Charles W. Hurll
Treasurer for 3 years	Jane P. Ross
Town Clerk for 3 years	Ruby A.B. Hurll
Auditor for 1 year	Douglas K. Blue
Highway Commissioner for 1 year	Elwyn R. Thurston
Trustee of Trust Funds for 3 years	Barbara G. McKenzie

Article 2 - To see if the Town is in favor of adopting five amendments to the Town of Eaton Zoning Ordinance of 1973 dealing with: erection of buildings on streets, a new definition of "Wetlands," minimum floor area, a new definition of "Home Occupation," and, a revised system of minimum lot sizes based on soils and slopes. This Article also had been voted on by ballot earlier in the day.

Amendment No. 1 - Erection of buildings on streets. Passed 55-24.

Amendment No. 2 - A new definition of Wetlands. Passed 63-18.

Amendment No. 3 - Minimum floor area. Passed 49-33.

Amendment No. 4 - New definition of "Home Occupation."
Passed 52-30.

Amendment No. 5 - Revised system of minimum lot sizes based on soil and slopes. Passed 50-27.

For complete text of these amendments, see Addenda.

Article 3 - Mary Gospodarek moved to accept the Town Budget as printed in the Town Report, page 11 & 12, Linda Jenkins seconded. Selectman Gospodarek asked if the mover and seconder would accept amendments to the budget as written. They agreed.
meeting or a special town meeting.

The Board of Selectmen wanted to amend the budget by adding a line under Highways, Streets and Bridges in the amount of \$7,500.00 for engineering studies of Cove Camp Road, which had been petitioned for conditional layout too late to be reflected in the printed budget, and Ms. Suzanne Raiche wished to make a request for \$250.00 as a one-time appropriation for relief of the Mt. Washington Valley Chapter of the Red Cross, which has an operating deficit, said \$250.00 to be added under Welfare.

Selectmen Gospodarek answered questions concerning the process for laying out a road, noting that the Board of Selectmen was inclined to proceed with steps toward conditional layout because the road already serves a substantial number of people, including some who get to their property in Conway via Cove Camp Road, because our newly adopted Master Plan describes the area served by Cove Camp Road as Eatons' affordable housing district (calling for multi-family housing and higher densities) and has as goal C to "Plan where growth will occur and timing of development to prevent the growth rate from increasing faster than availability of community services and road networks," and because the Board of Selectmen are aware that one large landowner served by Cove Camp Road is considering subdivision and development.

In answer to Mr. Donahue's question, Selectmen Gospodarek stated that the conditional layout had been petitioned by Mr. Kenneth Dean, owner of Cove Campground, and the the proposed road is one mile long.

Selectman Gospodarek noted that many steps would have to be taken before the road proposal came to a public hearing, at which time any interested party would be allowed to testify on the public need for the road to allow the Selectmen to determine whether the road is necessary for the public good. Mr. Gospodarek said that the petitioned road, if approved, would be paid for entirely out of betterment assessments, which would be assessed against those property owners in Eaton and Conway who abut or are served by Cove Camp Road and that engineering costs would be included in the betterment assessments. He noted that a petition by the majority of landowners served by the road, if presented to the Selectmen within ten days after a public hearing, and was opposed to the layout, would end the process at that point unless the petitioner or the Town wanted to take the issue to court.

Selectmen Gospodarek also noted that financing of the road and acceptance of it by the Town would have to be taken up at next town meeting or a special town meeting.

Dr. Biddle wanted to know the estimated cost of bringing the road up to town standards. Selectman Gospodarek answered that the Board of Selectmen and the Highway Commissioner had looked at the road and estimated that it would cost roughly \$90,000.00. Robert Donahue

wanted to know why the applicant could not be forced as a condition of acceptance of his layout petition to pay the costs of engineering studies. Mr. Gospodarek answered that the petition was so new that the Board of Selectmen were not sure whether such a course was legal. Mr. Donahue said he would prefer that the Town not spend money for engineering studies. Mr. Gospodarek said that if it were legal, the Board of Selectmen would seek to place the costs of engineering onto the petitioner.

Ms. Raiche then spoke about the local Red Cross Chapter's need for a one time infusion of operating funds, which the chapter was seeking from all towns served by it. She stated that failure to secure the funds would probably mean merger of the local chapter with one headquartered as far away as Laconia. Ms. Raiche answered questions about what the local chapter does and how it gets its money (none from the Federal or State Governments and most from local businesses and wealthier donors who were at the limits of their capability to give).

Selectmen Gospodarek told the Moderator that inclusion of \$7,500.00 plus \$250.00 in the budget would raise total appropriations to \$157,421.00. Moderator Russell then called the question to a vote. John Gospodarek moved, Frank Gospodarek seconded. Passed 49-1.

Article 4 - To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes, if necessary. Douglas Blue moved, Mark Provost seconded. Passed 49-0.

Article 5 - George Booth moved, Robert Donahue seconded to see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector Deeds, reference RSA 80:42. Passed 50-0.

Article 6 - To see if the Town will vote to authorize for, accept and expend such Federal, State, or other governmental unit or private source of funding which become available during the year, in accordance with RSA 31:95b. Moved by Donald McBrien, seconded by George Booth. Passed 49-0.

Article 7 - To see if the Town will vote to authorize the Eaton Conservation Commission to make application for a grant or grants from appropriate trust funds to enhance the public usefulness of Town lands. Moved by Donald McBrien, seconded by Suzanne Russell. Passed 49-0.

Article 8 - To see if the Town will vote to authorize the Eaton Conservation Commission to retain the unexpended portion of its 1987 receipts, said funds to be placed in a special conservation fund, in accordance with RSA 36, A-5. Charles Hurll moved, Suzanne Russell seconded. Passed 49-0.

Article 9 - To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the purchase of a new highway truck, to be deposited into the Capital Reserve Fund created for this purpose. Frank Gospodarek moved, George Booth seconded.

The question was asked as to why the amount was \$1,000.00 less than last year. It was explained that Road Commissioner Elwyn Thurston had got a good price on the new truck this year, so some of the money from past years was saved; hence the lesser amount this year. Passed 49-0.

Article 10 - To see if the Town will vote to raise and appropriate the sum of \$388.00 for maintaining membership in the North Country Council for one year in order to obtain assistance for the Town Selectmen, Planning and Zoning Boards, and other committees requiring the services of the Council. Alice Linscott moved, George Booth seconded.

Linda Jenkins asked who would be using the Council this coming year, since the Master Plan was completed. Frank Gospodarek answered it would primarily by the Planning Board, but the Selectmen will have some spot questions from time to time too. Passed 49-1.

Article 11 - To see if the Town will vote to appropriate the sum of \$1,709.22 for reconstruction or replacement of Town bridges, and authorize the Selectmen to withdraw the above amount, plus interest, from the Federal Revenue Sharing Fund. George Booth moved, Frank Gospodarek seconded. Passed 49-0.

Article 12 - To see if the Town will vote to raise and appropriate the sum of \$1,100.00 for costs of perambulation of the Freedom and Madison Town Lines. Charles Hurlll moved, Linda Jenkins seconded.

It was brought out that this must be done every seven years, and means about fourteen miles of lines - Allan Robotham said it needs a good mountain goat to do these two lines! Passed 50-0.

Article 13 - To see if the Town will vote to raise and appropriate the sum of \$250.00 for the support of the summer water safety program. Suzanne Russell moved, George Booth seconded. Suzanne stated it is a bargain at the price. Passed 51-0.

Article 14 - To see if the Town will vote to raise and appropriate the sum of \$1,080.00 to assist the Conway Village Recreation Commission in providing recreation programs for residents of the Town of Eaton. Mary Gospodarek moved, Suzanne Russell seconded. It was brought out that many Eaton children participate in the program, such as hockey, baseball, football, summer programs, etc. Passed 48-0.

Article 15 - To see if the Town will vote to raise and appropriate the sum of \$502.00 for the Visiting Nurse Services of Northern Carroll

County, Inc., said sum being equal to \$1.80 per person in the Town of Eaton. Alice Linscott moved, Larry Ross seconded. Passed 51-0.

Article 16 - To see if the Town will vote to raise and appropriate the sum of \$300.00 to assist the Carroll County Mental Health Service. Linda Jenkins moved, Mark Provost seconded. Passed 48-0.

Article 17 - To see if the Town will vote to raise and appropriate the sum of \$600.00 for the capital budget of the Memorial Hospital, North Conway. Allan Robotham moved, James Worcester seconded. Passed 46-0.

Article 18 - To see if the Town will vote to raise and appropriate the sum of \$400.00 for support of the Gibson Center for Senior Services and the Gibson Center Meals Program. Alice Linscott moved, Larry Ross seconded. Alice stated that people from Gibson Center asked her why more Eaton residents do not participate in their programs - they would like her to spread the word to the Eaton people that they are missed. Passed 47-0.

Article 19 - To see if the Town will vote to raise and appropriate the sum of \$400.00 for the support of the Children and Youth Project of Mount Washington Valley. Linda Jenkins moved, Suzanne Russell seconded. It was stated that this includes shots, well baby clinics, etc. Sixteen Eaton children received physical exams at an average cost of \$38 per exam. Passed 47-0.

Article 20 - To see if the Town will vote to raise and appropriate the sum of \$350.00 to assist the Carroll County Family Health Centre (Family Planning, Prenatal and Primary Care Program). Larry Ross moved, Claudia Sundman seconded. We were referred to a letter to the Selectmen, printed on pages 60-61 in the Town Report, for an explanation of their work. Passed 40-8.

Article 21 - To see if the Town will vote the Trustees of the Trust Funds to be Cemetery Trustees, each individual trustee's term to expire simultaneously with his/her term as a Trustee of the Trust Funds. The Cemetery Trustees shall be responsible for determining the prices of cemetery lots and of perpetual care, and for preparing an annual cemetery budget. Allan Robotham moved, James Worcester seconded. Passed 48-3.

Article 22 - To see if the Town will vote to create a general fund trust for the purpose of cemetery maintainance, the fund to be named the "Town of Eaton General Cemetery Maintainance Fund", and further to authorize financing of this fund through the sale of cemetery lots and

perpetual care assessments. Donald McBrien moved, James Worcester seconded. Passed 48-2.

Article 23 - To see if the Town will vote to raise and appropriate the sum of \$1,100.00 for the survey and placement of measurement markers in the newer section of Snowville Cemetery, as recommended by the Trustees of the Trust Funds. Allan Robotham moved, Mark Provost seconded. Money appropriated last year was not used because of extra work which had to be done first, such as cutting trees, pulling stumps, etc.; so on December 31, this money went back into the General Fund. Thus the appropriation this year. Passed 46-3.

Article 24 - To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the purposes of cutting trees, pulling tumps and seeding new grass in the newer section of Snowville Cemetery. Allan Robotham moved, James Worcester seconded. The cemetery must be extended, so trees must be cut, stumps pulled, etc. Passed 50-2.

Article 25 - To see if the Town will vote to raise and appropriate the sum of \$100.00 for support of the Tri-County Community Action Outreach Program. John Gospodarek moved, Irena Gospodarek seconded. This includes fuel programs, winterization, etc. Passed 44-0.

Article 26 - To see if the Town will vote to raise and appropriate the sum of \$153.45 for support of Children Unlimited, Inc. Larry Ross moved, Colleen McCormick Lane seconded. We were referred to the letter to the Selectmen, dated January 12, 1987 and printed in the Town Report on page 62. One child in Eaton is participating in the program for Special Needs Children. Passed 45-0.

Article 27 - To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for inclusion in the already established Capital Reserve Fund for constructing and reconstruction of bridges and major culverts on Town roads, and to authorize the Selectmen to withdraw money from the fund for the above purposes, under provisions of RSA 35. James Worcester moved, Allan Robotham seconded. Passed 45-1.

Article 28 - To see if the Town will vote to create a general fund trust for the purpose of periodic asphaltting of Town roads, to be named the "Town of Eaton Asphaltting Fund" under provision of RSA 31:19-a. Patrick Blymyer moved, Colleen McCormack Lane seconded. The Road Commissioner explained that every four years roads must be asphalted again; this article does not include new roads. Passed 48-0.

Article 29 - To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for inclusion in the Town of Eaton Asphaltting Fund.

Allan Robotham moved, James Worcester seconded. Passed 44-0.

Article 30 - To see if the Town will vote to raise and appropriate the sum of \$2,350.00 for the purpose of purchasing a 250 gallon/minute firefighting pump, 300 feet of one-and-a-half inch forestry hose, and a portable radio to be used by Town Forest Fire Wardens in communication with Carroll County and Conway dispatchers (with the understanding that only half the money might be spent if State matching funds can be obtained). Donald Dashnau moved, James Coogan seconded. George Booth would like to see a committee set up to make an overall study of what can and should be done for fire fighting here in town. Passed 45-2.

Article 31 - To see if the Town will vote to raise and appropriate the sum of \$550.00 for the purchase of a Dictaphone recording and transcribing device for use of Town Officers in preparing transcripts or minutes of public hearings or meetings. Suzanne Russell moved, Colleen McCormack Lane seconded. This is needed for use at public hearings and meetings; will cut time of transcribing by more than half. Passed 50-1.

Article 32 - To see if the Town will vote to ratify the acceptance by the Selectmen for the Town of the Tricentennial Trust Fund for educational scholarship grants to be made from annual interest beginning in 2077, as recommended by the Trustees of the Trust Funds, and to create a general fund trust to be known as the "Tricentennial Trust Fund" to be funded by the money already in the Tricentennial Trust Fund.

The Moderator called Charles W. Hurlll to the podium to explain what the Fund is, since probably many people present had never heard of it. Mr. Hurlll read the indenture and asked that the document be included in the minutes of this Town Meeting, along with the list of the 176 "members of the gift committee." Mr. Hurlll explained that the document had been accepted by the Selectmen and the Trustees of Trust Funds in 1976, and had been recorded by the Carroll County Registry on January 4, 1977 (Liber 648, Page 372). He also stated that he and his committee had neglected to have it on the Warrant at Town Meeting in 1977 to be voted on and accepted by the Town.

Mr. Hurlll went on to say that when he read this Article 32 as printed in the Town Report, he was upset to find that the grants would begin in 2077, instead of on July 4, 2076, as written in the indenture. He was also upset about the changing of the Trust Fund to a "general fund trust." He went to the Department of Revenue Administration to see if this was as it should be. Two persons at the DRA, when shown the article, gasped with horror and said the article was illegal as worded and referred him to Terry Knowles of the Attorney General's Office for Charitable Trusts. Terry Knowles said that the article as written was illegal because it could

not be put into a general fund trust without first applying to the Court for permission do do so and receiving a Court Order authorizing the same.

On recommendation of Terry Knowles, Mr. Hurlll moved that Article 32 be amended to read as follows: To see if the Town will vote to accept the Tricentennial Trust Fund, dated July 4, 1976. Colleen McCormack Lane seconded the motion. Passed 45-0.

Then Mr. Hurlll made the motion to accept Article 32 as amended, to read "To see if the Town will vote to accept the Tricentennial Trust Fund dated July 4, 1976." Seconded by Kenneth Dean. Passed 41-0.

TRICENTENNIAL TRUST

This Indenture of Trust made as of July 4, 1976, by and between the Town of Eaton (by its Trustee of Trust Funds), a municipal corporation located in Carroll County, New Hampshire, hereafter called "Eaton"; and the Bicentennial Scholarship Gift Committee, a voluntary group of individual persons hereafter enumerated and hereafter termed "Scholarship Committee",

WITNESSETH:

Whereas, in recognition of the bicentennial anniversary of the organization of the government of the United States of America and in recognition particularly of citizens of the Town of Eaton who have made their respective contributions to this government over the first two centuries of its existence, and for the benefit of the citizens of the Town of Eaton living subsequent to the tricentennial anniversary of the organization of our government, the Scholarship Committee hereby gives, transfers and sets over to Eaton a sum of money to be held by it for and upon the following purposes, uses and trusts:

1. The scholarship fund hereby established shall be held by the person or persons authorized by statute to take and hold in trust gifts and legacies as further provided in New Hampshire Revised Statutes Annotated, Chapter 31, hereafter called "Trustees".

2. By acceptance of said scholarship fund, Eaton may not be made subject to any liability beyond the amount of the fund and the income thereof.

3. The Trustees shall hold said fund intact until July 4, 2076, investing said fund in investments permitted by statute for trustees of town trust funds and accruing the income thereon without diminution in any way, provided funds and accruing the income thereon without diminution in any way, provided however, that in the event of future statutory changes, the Trustees shall not be required to violate any validly enacted and lawful statute to comply with this provision.

4. As of July 4, 2076, the fund together with the accrued income thereon shall be considered a principal fund for scholarship purposes, only the

income thereon to be thereafter expended for purposes set forth in Clause SEVEN, following.

5. Subsequent to July 4, 2076, the Trustees shall invest the principal fund in investments permitted by statute for trustees of town trust funds in perpetuity, disbursing the entire annual income thereon for the purposes set forth in Clause SEVEN, following.

6. As of July 4, 2076, there shall be created a committee consisting of the members of the board of selectmen, the school board and the trustees of town trust funds to administer the scholarship program, provided however, that in the events that a town school board as prescribed in New Hampshire Revised Statutes Annotated, Chapter 197, Section 16, as amended by Laws of 1975, no longer exists in said form because of future statutory changes, then the town meeting shall select three responsible citizens of the town to be members of the committee in place of the school board. This committee shall be called the Scholarship and Educational Loan Committee, and except as otherwise provided by law or by this instrument, it shall determine its own rules and procedures.

7. The Scholarship and Educational Loan Committee shall at appropriate times award the annual income of the fund for academic purposes including subsistence, supplies and tuition under the following conditions:

a. The recipient must be a resident of the Town of Eaton and have been a bona-fide resident of said town for at least the three years next preceding the granting of any scholarship under this instrument, notwithstanding the fact that the statutory definition of resident may require a lesser period of time.

b. The grant of scholarship aid shall be made for post-high school education, as the term "high school" is presently used, and may be for study at a college or comparable institution either within or without the State of New Hampshire.

c. The Scholarship and Educational Loan Committee shall determine in the case of each scholarship grant whether it is appropriate to require repayment of part or all of each such grant and shall take the necessary steps to ensure partial or complete repayment if the Committee deems it necessary under such terms and conditions as it may deem appropriate.

8. If the purposes of this scholarship fund, as set forth herein, are frustrated and cannot be attained because of changes not presently to be foreseen, then upon application to the appropriate court and in accordance with the finding and decree of said court, this scholarship fund shall terminate and the proceeds shall be divided **pro rata** among the then living persons entitled to vote in the Town of Eaton.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed and their seals affixed hereto.

It is signed Town of Eaton By its Board of Selectmen Edward H. Hoyt, Paul D. Hennigan, and Samuel B. Head; Town of Eaton By Milton A. Garland, Trustee of Trust Funds. Dated July 4, 1976 and Sealed with the

Town Seal. Following are the names of the Members of the Town of Eaton Tricentennial Trust Fund Gift Committee, July 4, 1976.

Allard, Lucie M.; Barney, Jane L., Roger W.; Baxter, David J., Marie D.; Bean, Chester H., Flora B., Larry D., Nancy Jean, Deborah Anne, Willie Harold; Beno, Brett, Donald; Berge, Lily, Stephens; Bickford, Eva M.; Blue, Douglas K., Shirley Snow, Heather, Holly Snow, Ian, Peter K.; Borden, Bradford P., Judith A., Andrea, Sarah; Border, Dr. John, Mrs. John (Donna), Anne, Charles, John, Peter; Bregy, Lawrence W. Jr., Margaret, Joanie, Karen, Susan; James, Ms. Connie; Kleinmeier, Ann Marie, Eugene; Lang, Peter Alan; Lee, Eleanor B., Robert F., Levesque, Glenn; Lewis, Elizabeth A., John E., Frederick A.; McKenzie, Alexander A., Barbara G., Keith, Kenneth, Linda; Milliman, Crosby, John; Milton, Barbara P.; Mladjen, Ethel, John, Ethel, Michael; Mulvey, Frank; Noon, Winnifred E.; O'Brien, Becky M., Charlene P., Thomas J.; Parker, Cynthia R., William A.; Perkins, Ethel M., William J.; Philbrick, Edna M.; Phillips, Mary E., William J.; Phipps, Helen S.; Picard, Jerome; Prince, Helen; Rickert, Kathryn R., Thomas; Robotham, Allan C., Elsie; Ross, Lawrence E.; Russell, Dorothy French, Ellsworth T.; Schafer, Niki, Rick; Shackford, Ernest E., Nellie M., Mary M.; Slack, Juanita Ratner; Simonds, Joan; Snow, Helen G., Mrs. Leslie, Mrs. Leslie N., Wilson, Mrs. Wilson; Spalding, Caroline; Stineford, Raymond; Surko, Louise L., Thoms, J. Robert, Pauline I.; Thompson, Andrew Sr., Margaret; Thurston, Robert; Toppan, Roland G., Jr., Mrs. Roland G. (Virginia); Ticko, David & Family; Verney, Barry E., Mrs. Barry E. & Family; Walsh, William; Williams, Thayne S.; In Memory of French, Florence, Frank Marshall; In Memory of Heath, Mazie; In Memory of Rickert, August A., Olga.

Article 33 - To act on any other business that may legally come before this meeting.

1. The Clerk announced that she had a letter from Alexander A. McKenzie, who could not be present because of a death in the family and which he had requested to be read as follows:

“Eaton Town Meeting, 1987. Warrant Article 33. A Comment. When

Nella and Keith Henney gave Brooks Pasture to the Town, they expected that the ongoing blueberry crop income would be used to help support the work of the Eaton Conservation Commission. The Henneys did not limit their gift, however, by so stipulating in the deed. Since 1971, crop money had been paid into the Eaton Conservation Fund, under a 'gentleman's agreement' with the Selectmen, who require, however, that blueberry income from Foss Mountain be paid into the general revenues. In 1986, our contractor, Lloyd Merrifield, paid the Town \$85.10 as his agreed share of the gross income from the Brooks Pasture blueberry crop. This amount was retained in the general revenues, which can be used to reduce taxes, but nothing was given to the Conservation Commission, as indicated by absence of any such income item in the financial statement on page 57 of the 1986 Eaton Town Report. Mr. Merrifield paid the Town an additional \$254.70 in 1986, as shown by the item totaling \$339.80 on page 44 of the Town Report. This amount was due the Town as a result of an upward adjustment of the price paid by Cherryfield Foods to Merrifield in 1986 for the 1985 Foss Mountain crop. This amount properly belongs in general revenues. The accountings shown in the Town report are accurate, so far as is known, and no blame attaches to anyone for failure to pay the customary Brook Pasture portion into the Conservation Fund. It is regrettable that this error makes it appear that the wishes of the donors of Brooks Pasture have been ignored. In future years, the undersigned will attempt to present a succession of Warrant Articles so the Town can vote yearly to eliminate possibility of recurring error." and signed Alexander A. McKenzie.

Selectmen Francis Gospodarek announced that this \$85.10 had been paid into the Conservation account in January, 1987.

2. Grace T. Fowler announced that there would be a Town Supper on April 4, 1987, with a raffle for the benefit of the lighting fund for the skating rink. The Conway Players will entertain with their one-act play. John Gospodarek took this opportunity to thank the Circle for his scholarship.

3. Mr. Hurl confessed to an error for the past thirty years. The word "escrow" is incorrect, and should read that the money is "held in custody of the Treasurer in the General Fund." RSA 80:33A.

4. Peter Cutrone wanted to know who to go about setting up a committee to look into the fire fighting needs of the Town. He was referred to James Coogan, and they will go from there.

The Town Meeting adjourned at 10:35 PM.

Ruby A. B. Hurl
Town Clerk

Are you in favor of the adoption of Amendment No. 1 to the Town of Eaton Zoning Ordinance of 1973, as proposed by the planning board, as follows:

Page 7 Article IV add the following:

I. ERECTION OF BUILDING ON STREETS.

1. No building shall be erected on any lot within any part of the municipality nor shall a building permit be issued for the erection of a building unless the street giving access to the lot upon which such building is proposed to be placed:

(a) Shall have been accepted or opened as, or shall otherwise have received legal status of, a class V or better highway prior to that time; or

(b) Corresponds in its location and lines with:

(1) A street shown on the official map; or

(2) A street on a subdivision plat approved by the planning board; or

(3) A street on a street plat made by and adopted by the planning board; or

(4) A street located and accepted by the local legislative body of the municipality, after submission to the planning board, and in case of the planning board's disapproval, by the favorable vote required in RSA 674:40; or

(c) Is a class VI highway, provided that:

(1) The board of selectmen after review and comment by the planning board has voted to authorize the issuance of building permits for the erection of buildings on said class VI highway or a portion thereof; or

(2) The municipality neither assumes responsibility for maintenance of said class VI highway or liability of any damages resulting from use thereof; and

(3) Prior to the issuance of a building permit, the applicant shall produce evidence that notice of the limits of municipal responsibility and liability has been recorded in the county registry of deeds; and

(4) Prior to the Town's acceptance of a class VI road, or any portion thereof, the landowner is required, at his expense, to bring the road up to town standards.

2. Whenever the enforcement of the provisions of this section would entail practical difficulty or unnecessary hardship, and when the circumstances of the case do not require the building, structure or part thereof to be related to existing or proposed streets, the applicant for such permit may appeal from a decision disapproving the issuance of a permit to the Zoning Board of Adjustment in accordance RSA 677, including the requirement for a public hearing. In passing on such appeal or application, the board of adjustment may make any reasonable exception and shall have the power to authorize or issue a permit, subject to such

conditions as it may impose, if the issuance of the permit or erection of the building would not tend to distort the official map or increase the difficulty of carrying out the master plan upon which it is based, and if erection of the building or issuance of the permit will not cause hardship to future purchasers or undue financial impact on the municipality. Any such decision made in this connection by a board of adjustment pursuant to this section and RSA 677 shall be in writing, together with the reasons for the decision, and shall be subject to review in the manner described in RSA 677.

Are you in favor of the adoption of Amendment No. 2 to the Town of Eaton Zoning Ordinance of 1973, as proposed by the planning board as follows:

On Page 16 Article XII definitions, to delete the present definition of "Wetlands" and replace it with the following:

Wetlands: Lands containing soils classified by the national cooperative soil survey as poorly drained or very poorly drained including, but not restricted to, marshes, shallow ponds, swamps, bogs, seasonally flooded flats, poorly drained meadows, and, in general, areas that are inundated or saturated with groundwater at a frequency or duration to support a prevalence of wetland vegetation adapted for life in saturated soil conditions.

Are you in favor of the adoption of Amendment No. 3 to the Town of Eaton zoning ordinance of 1973, as proposed by the planning board, as follows; Page 7. Article IV add paragraph

H. Minimum Floor Area: Each dwelling must contain 720 square feet of interior area on the main floor.

Are you in favor of the adoption of amendment no. 4 to the Town of Eaton Zoning Ordinance of 1973, as proposed by the planning board, as follows: On page 15 article XII definitions, to delete the present definition of "Home Occupation" and replace it with the following:

Home Occupation: Any use conducted entirely within a dwelling or an accessory building by a member or members of the family domiciled therein, with a maximum of two employees in addition to the family, which is clearly incidental and secondary to the use of the dwelling as a residence and does not change the character thereof.

No home occupation shall be permitted that:

1. Changes the outside appearance of the dwelling.
2. Results in outside storage or display.
3. Generates traffic, parking, sewerage or water use in excess of what is normal in the neighborhood.
4. Creates a hazard to person or property, results in electrical interference, or becomes a nuisance.

The soil types listed below have one or more limiting characteristics that make the soil type "NA" or require on-site investigation, no matter what other characteristics of the soil may be present.

Soil Type	Minimum Lot Size	
5***H	NA, poorly drained soil	
	Leicester (LD, Lf)	Naumburg (Na)
	Limerick (LK, Lm)	Raynham (Ra)
	Ridgeburg (Rg, RI)	
6***H	NA, very poorly drained soil	
	Alluvial, wet (AW)	Muck & Peat (MU)
	Chorcorua Muck (CM)	Ossipee Muck (OT)
	Freshwater Marsh (FA)	Whitman (Wc)
	Greenwood Muck & Peat (GW)	
*75*H	NA, floodplain soil	
	Alluvial, wet (AW)	Podunk (Po, Ps)
	Hadley (Ha)	Suncook (Sf)
	Limerick (LK, Lm)	Winooski (Wn)
	Ondawa (Of, Oh, Os)	
**4*H	NA, Rock outcrop (RO, RP)	
*66*H	NA, fill does not meet the Standards for Fill Material (see Key to Soil Types)	
76**H	On-site evaluation needed	

The Soil Type symbols are explained in the Key To Soil Types.

"NA" means not allowed

"*" means any slope or any number.

Minimum lot size interpretation is based on Table 1, page 226 of the Draft Water Quality Management Plan, Southern Rockingham Planning Commission 208 Project and further evaluations.

Standards for High Intensity Soil mapping were created by the Society of Soil Scientists of Norther New England which includes USDA Soil Conservation Service.

KEY TO SOIL TYPES

This key is used in determining soil types that are utilized in high intensity soil survey for administration of lot-size by soil types regulations. The soil types are defined as soils having the same soil characteristics of drainage class, parent material, restrictive features, and slope; and are designated by a five part symbol, the parts being A, B, C, D, E.

SYMBOL A – DRAINAGE CLASS

- 1 - excessively drained
- 2 - well drained
- 3 - moderately well drained
- 4 - somewhat poorly drained
- 5 - poorly drained
- 6 - very poorly drained
- 7 - not determinable (to be used only with Symbol B-6)

SYMBOL B – PARENT MATERIAL

- 1 - Glaciofluvial Deposits (outwash/terraces)
- 2 - Glacial Till Material
- Marine or Glaciolacustrine Deposits:
 - 3 - Very fine sand and silt deposits
 - 4 - Loamy/sandy over silt/clay deposits
 - 5 - Silt and clay deposits
- 6 - Excavated, regraded or filled
- 7 - Alluvial Deposits
- 8 - Organic Materials, Fresh Water
- 9 - Organic Materials, Tidal Marsh

SYMBOL C – RESTRICTIVE FEATURE (if more than one applies, list the most restrictive.)

- 1 - None.
- 2 - Bouldery, with more than 15% of the surface covered with boulders.
- 3 - Mineral restrictive layers(s) are present in the soil profile less than 40 inches below the soil surface - such as hard pan, platy structure, clayey texture. For the soil characteristics that qualify for restrictive layer, see Soil Manual for Site Evaluations in New Hampshire, page 2-22, figure 2-8.
- 4 - Bedrock present in the soil profile 0 to 40 inches below the soil surface (bedrock is either a lithic or paralithic contact - See Soil Taxonomy, p.48-49).

- 5 - Subject to flooding (must be used with Symbol B-7).
- 6 - Does not meet fill standards* (only to be used with Symbol B-6).
- x - Areas where depth to bedrock is so variable that a single soil type cannot be applied will be mapped as a complex of soil types and will have a symbol of C or X.

SYMBOL D – SLOPE CLASS

- B - 0 to 8%
- C - 8 to 15%
- D - 15 to 25%
- E - 25% plus

SYMBOL E - HIGH INTENSITY SOIL MAP IDENTIFIER - H

Addendum to KEY TO SOIL TYPES

* 1. Standards for Fill Material

Fill material consisting of organic soil or other materials such as tree stumps, sawdust, wood chips and bark, even with a soil matrix, should not be used.

The in-place fill should have less than 15% organic soil by volume.

The in-place fill should not contain more than 25% by volume of cobbles (6 inch diameter) and boulders (larger than 12 inches in diameter).

The in-place fill should not have more than 27% by weight of clay size (0.002mm and smaller) particles.

The fill should be essentially homogenous. If bedding planes and other discontinuities are present, detailed analysis is necessary.

**EATON SPECIAL TOWN MEETING
OCTOBER 27, 1987**

The Special Town Meeting of the Town of Eaton was called to order on Tuesday, October 27, 1987 at 6:00 PM by Moderator Ellsworth T. Russell.

Article 1 - To see if the Town will vote to authorize the expenditure of federal (\$8,901.00) and state (\$1,484.00) funds allocated to the Town as a result of the flood disaster declared last spring by Governor John Sununu and to appropriate the Town's matching share (\$1,484.00) for such funds, per RSA 31:5a

Alex McKenzie made the motion that we accept the Federal (8,901.00) and State (\$1,484.00) funds allocated to the Town, and to appropriate the Town's matching funds are required. Seconded by Douglas Blue.

In answer to a question, the Selectmen stated that the Federal and State estimate was higher than the Selectmen and Road Agent had estimated.

The vote was called. Passed 18 to 0.

Henry Fowler voted to adjourn. Douglas Blue seconded. Meeting adjourned at 6:10.

Respectfully submitted,
Ruby A. B. Hurl
Town Clerk

REPORT OF**THE TOWN OF EATON PLANNING BOARD**

A year ago at the annual town meeting the voters approved soil based zoning and subsequently the planning board adopted these High Intensity Soil Surveys in the Subdivision Regulations.

Today your board is introducing, among the twelve amendments to the Zoning Ordinance for your consideration, provisions for "cluster" and "commercial/light industrial" development, thereby implementing, in an orderly manner, the Master Plan statements for land use and planned growth. During the year applications for three subdivisions and one boundary line adjustment were submitted and approved. Preliminary consultations were presented for an additional seven future subdivisions.

In accordance with the Capital Improvements Program authorized at the 1987 annual town meeting, and after thorough review of the committee's report concerning projects for the next six years, your board submitted to the selectmen its recommendations for budget expenditures applicable to the upcoming year.

Regular meetings, scheduled for the third Wednesday of each month at 7:30 P.M. at the Evans Memorial Building (Town Hall), will be March 16, April 20, May 18, June 15, July 20, August 17, September 21, October 19, November 16, December 21, 1988, and January 18, and February 15, 1989.

We welcome your attendance and participation.

Respectfully submitted:

Peter K. Blue
 Robert D.J. Donahue
 Leslie S. Feron

**REPORT OF TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER**

Between July 1986 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulation; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

EATON CONSERVATION COMMISSION

1987

Calendar year 1987 proved to be an interesting and challenging year for the Conservation Commission involving such things as a number of Dredge and Fill Permits, a new addition to Town Forest, a renewed contract on Foss Mountain, and the direct involvement of our Eaton children in Town Land.

The Commission maintained a seasonal schedule for treating the water at the Snow Spring. The tests were conducted by the Water Supply and Pollution Control Commission with the Colliform Bacteria test count varying from 33, 122, to 138 cts./100ml with the State's recommendation being less than 1 ct/100ml for drinking water. Results will continue to be posted.

We have been successful with our other seasonal program involving naturalist David Brooks who has been leading our "Eaton Conservation Days". David along with a number of students have spent much time on the Keith Henny Tract laying out a nature trail and completing it this fall. The one mile loop begins and ends at the Foss Mountain winter parking lot and travels through a number of interesting areas and sites. Along with the trail work the students experienced animal tracking, snowshoeing, and how to use a compass.

Foss Mountain received a lot of our attention this year. First there was the construction of a winter parking lot on the Keith Henny Tract. The Selectmen wanted to eliminate the bottleneck of cars at the end of the Foss Mountain Road. Second—the view on Manson Hill was cleared again, a project that was last done ten years ago. The apple trees by the cellar hole were pruned and doctored to benefit the wildlife in the area. Third—the gates on Foss Mountain were repaired again, a yearly endeavor trying to keep wheeled vehicles off the mountain. In conjunction the trail to the summit was treated with lime, fertilizer, and grass seed a critical project in such a fragile area with so much use. Fourth and finally the Commission added new signs on the mountain. One was placed at the top of Manson Hill and others at various gates indicating that the blueberry crop is a commercial crop and that picking is not allowed until after Labor Day, a condition of our contract with the commercial picker.

Our contract will be renewed with Mr. Lloyd Merrifield and his son Timothy, commercial blueberry pickers from South Paris, Maine. The new contract will be for another ten year period, and it is the Commission's hope the townspeople will help in preserving and protecting the crop. The income this year from the Foss Mountain crop was \$2,065.37 which was deposited into the Town Treasury.

The Commission completed painting the Town's property lines, a project which was started last year.

The Commission accepted as gift with the Selectmen's approval a 65 acre parcel on Foss Mountain called the Cummings Lot. The parcel was surrounded by Town Forest and it was the Commission's and the Selectmen's feeling it would be in the Town's best interest to own it. The tract will be known as the Nella Braddy Henney Tract.

We reviewed a number of Dredge and Fill Permits this summer ranging from ponds, culverts, beach resurfacing, stream alterations and road relocations. The Commission would like to bring to the townspeople's attention that whenever water is involved directly or indirectly, seasonally or otherwise a Dredge and Fill Permit is required by law. The process involves a review by the Conservation Commission, as well as the Selectmen and the New Hampshire Wetlands Board in Concord. We recommend that the parties involved apply as early as possible because it can take a few months for Concord to review the application before the actual work can begin. Failure to comply can result in fines up to \$2,000 administered by the Wetlands Board.

As provided under its bylaws, regular meeting of the Commission are held at 7:30 pm on the second Monday of each month from April through November at the Eaton Town Hall. Special meetings are given advance public notice. All meetings are by law open to the public. The Commissioners welcome active participation, especially by residents and taxpayers.

The names of the members responsible for the actions reported above are listed. Their terms end in August of the year indicated, except as noted.

The Town also received from Lloyd A. Merrifield payment for our share of the Foss Mountain Blueberry Harvest \$2,065.37. This has been deposited into the general revenues.

EATON CONSERVATION COMMISSION

The Eaton Conservation Commission urges all those who intent to apply for a Dredge and Fill Permit to study RSA 483-A (Dredge and Fill in Wetlands) prior to submitting an application. Dredge and Fill Permits are required for any work involving streams, ponds, lakes and wetlands. If you have any questions please contact the Conservation Commission or speak to the Selectmen.

NORTH COUNTRY COUNCIL

ANNUAL REPORT

North Country Council was extremely busy in 1987 as it continued to provide a wide range of assistance to North Country communities.

As a regional non-profit, public agency chartered under NH RSA 36:45, the Council is responsible for assisting its member communities in local town planning, regional planning, economic development and numerous other community services. In addition to the direct assistance the Council provides each member community, it is an advocate for all North Country towns in legislative and funding issues with the state and federal governments.

The North Country is experiencing tremendous growth and development pressures. The Council is dedicated to assisting towns with the impacts associated with these pressures. In order to more efficiently serve its membership, the Council has assigned a staff person to respond to each town's request for assistance. In this way, continuity between the town and the Council is ensured and the overall effectiveness of the Council is increased.

In **Eaton**, the Council provided technical assistance regarding commercial and industrial districts as well as road standards.

The Council again provided information and guidance to many towns on federal and state grant and loan programs. This past year the Council administered over \$6.7 million in Community Development Block Grant funds in fifteen communities. The funds were used for housing rehabilitation, downtown revitalization, public facility improvements, business revolving loans, and feasibility studies for housing rehabilitation and public facility improvements.

The Council has taken an active role in addressing the affordable housing issue in cooperation with member communities. The Council is presently administering a regional housing rehabilitation program which is making 358 housing units available to eligible North Country residents.

Community planning assistance has emphasized master planning and improvement in local land use controls. New state mandates and commercial and residential growth in several towns have created busy work loads for planning boards. The Council's assistance takes many forms: regional workshops, newsletters, regulation review and update, and assistance on a regular or onetime basis for subdivision and site plan applications.

The Council sponsored four industrial development workshops for local economic officials. The workshops provided information on business recruitment, marketing and working cooperatively with federal and state officials to promote community economic development.

The Council again co-sponsored the Municipal Law Lecture series with the NH Municipal Association. The Law Lecture this year covered local planning board procedures, administration and enforcement of ordinances, growth management and review of recent court cases and state law changes regarding local land use planning.

Overall, the Council's major objective is to work with North Country towns in solving local and regional problems. We rely on and appreciate the involvement of town officials and residents and look forward to assisting your town this coming year.

Jonathan M. Rutstein, Executive Director
Bonnie Ham, President
Henry Fowler, Town Representative
James Worcester, Town Representative

SELECTMENS' REPORT

This year, our report notes with sadness the passing of Charles W. Hurll, a man who served the Town in many ways, often without compensation. He was our Moderator, Tax Collector, Fire Chief, chairman of the Zoning Board of Adjustment, our informal heating, plumbing and electrical expert, member of our Bicentennial Committee, a founder of the Tricentennial Trust Fund for education of Eaton's children during its fourth century, and a font of living history and friendship. He never turned away anyone who had a problem. He will be remembered.

The Board thanks those who served on the Capital Improvements Program Committee and the Committee on Fire Suppression Needs Over the Next Five Years. Their work will be discussed and voted on at Town Meeting.

With a grant of \$3,500.00 received in June from the Henney Historical Trust, we have begun restoring and safeguarding old Town records. Mar-nie Cobbs of Eaton was selected to do the work. She began in late November.

In response to a petition that the Town take over the road, after conducting engineering studies and determining costs of reconstruction of Cove Camp Road to town standards, the Selectmen held a public hearing on the matter. Since a majority of abutters petitioned against the project, the Board rejected the request that the Town take over the road. No costs were incurred by the Town.

In 1988 the Board hopes to expand our secretarial services to keep regular office hours at Town Hall and to help relieve the Selectmen from clerical duties, so that the Selectmen can concentrate on the other aspects of their job.

WARRANT FOR ANNUAL MEETING OF THE EATON SCHOOL DISTRICT

To the inhabitants of the School District in the Town of Eaton, County of Carroll, and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on Tuesday, the 8th day of March, 1988, to vote for the following District Officers. Polls will be open for this purpose at 1:00 p.m., and will not close before 6:00 p.m.

- ARTICLE 1.** To elect a Moderator for the ensuing year.
- ARTICLE 2.** To elect a Clerk for the ensuing year.
- ARTICLE 3.** To elect a member of the School Board for the ensuing three years.
- ARTICLE 4.** To elect a Treasurer for the ensuing year.
- ARTICLE 5.** To elect an Auditor for the ensuing year.

YOU ARE ALSO NOTIFIED TO MEET AT THE SAME PLACE AT FOUR O'CLOCK IN THE AFTERNOON ON THE SAME DAY TO ACT UPON THE FOLLOWING ARTICLES.

ARTICLE 6. To see if the District will vote to authorize the Eaton School Board to apply for, accept and expend in the name of the School District, such gifts, advances, grants in aid, or other funds for educational purposes as may be available or forthcoming from any source during the fiscal year, in accord with and upon such terms as are found in RSA 198:20-b.

ARTICLE 7. To see if the School District will vote to raise and appropriate the sum of \$10,000.00 to be placed in the Capital Reserve Fund (School Bus), to be held in the custody of the Trustees of Trust Funds for the Town of Eaton.

ARTICLE 8. To see if the School District will vote to raise and appropriate the sum of \$5,000.00 to be placed in the Capital Reserve Fund (Special Education), to be held in the custody of the Trustees of Trust Funds for the Town of Eaton.

ARTICLE 9. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District.

ARTICLE 10. To transact any other business that may legally come before this meeting.

Given under our hands, this 1st day of February, 1988.

School Board of Eaton, N.H.

JoAnn L. Kelly
Joyce Blue
Jonathan Goodwin

EATON SCHOOL DISTRICT MEETING

The annual meeting of the Eaton School District was called to order at 4:00 p.m. on March 10, 1987, by School Moderator Alexander McKenzie.

ARTICLES 1-5 were voted by ballot.

1. Moderator, Marc R. K. Bungeroth
2. School Board Member for 3 years, Joyce Blue
3. Auditor, Jane Gray
4. Treasurer, Pat Coogan
5. Clerk, Elizabeth Bungeroth

ARTICLE 6. Lauren Trapasso moved to have the School District accept the provisions of RSA 195-A as amended providing for the establishment of area schools located in Conway, New Hampshire, in accordance with the provisions of the plan on file with the district clerk which will replace existing contracts. Paul Hennigan seconded the motion. Steven Biddle and JoAnn Kelly discussed the merits of the area plan and stated the committee and School Board recommended its endorsement. A ballot vote was taken. The motion carried 20-3.

ARTICLE 7. Paul Hennigan moved to authorize the Eaton School Board to apply for, accept, and expend in the name of the School District, such gifts, advances, grants in aid, or other funds for educational purposes as may be available or forthcoming from any sources during the fiscal year, in accord with and upon such terms as are found in RSA 198:20-b. Jon Goodwin seconded. Motion carried 19-0.

ARTICLE 8. Frank Gospodarek moved to raise and appropriate the sum of \$10,000.00 to be placed in the Capital Reserve Fund (School Bus), to be held in the custody of the Trustees of the Trust Fund for the Town of Eaton. Richard Young seconded. The motion carried 20-0.

ARTICLE 9. Lauren Trapasso moved to establish a Capital Reserve Fund in accordance with RSA Chapter 35, as amended, to be held in the custody of the Trustees of Trust Funds for the Town of Eaton, said Reserve Fund to be established solely for the purpose of unanticipated Special Education costs; and to raise and appropriate the sum of five thousand dollars (\$5,000.00) to be placed in the Reserve Fund (Special Education). Mark Provost seconded. Paul Hennigan asked that the article be explained. Dr. Willilam Jutras and JoAnn Kelly explained that the administration suggested it as an insurance policy for the fluctuating and unexpected special education costs that might occur. It is an alternative to introducing a deficit article. The Board cannot spend the money without a vote at the next annual meeting. The motion carried 19-0.

ARTICLE 10. Grace T. Fowler moved to raise and appropriate two hundred forty-one thousand three hundred seventy-three dollars (\$241,373.00), as per page 82-83 of the 1987-1988 School District budget. Lauren Trapasso seconded. The motion carried 19-0.

ARTICLE 11. Jon Goodwin questioned if there were a better time to schedule the school meeting. After some discussion it was decided that the Eaton School Board will decide on a new meeting time after public input.

Suzanne Russell thanked Lauren Trapasso for her good work on the School Board.

There being no further business, Steven Biddle moved to adjourn the meeting. Allan Robotham seconded. The motion carried and the meeting adjourned at 4:45 p.m.

Respectfully submitted,
Elizabeth C. Bungeroth
School District Clerk

CONWAY ELEMENTARY SCHOOL PRINCIPAL'S REPORT

by Lois Gould

Time never stands still in an elementary school. While our children are restless to grow up, we are working ever faster and harder to prepare them for this rapidly growing world of ours. It behooves us in this time of rapid change to constantly reassess our programs and progress, to keep what is good, and continue to make improvements.

To this end, during the last school year Conway Elementary School rewrote its philosophy, a statement of our vision for education. This was done by a team of teachers, students, and parents with input from both community and school members who looked carefully at the children who attend our school, the community from which they come, and the world they will be entering. We would like to share that philosophy with you through a statement of the school goal and seven objectives, all of which summarize our philosophical statement.

CONWAY ELEMENTARY SCHOOL GOAL

Every child will be given the opportunity and the encouragement to achieve his or her highest potential.

CONWAY ELEMENTARY SCHOOL OBJECTIVES

1. To educate the whole child; intellectually, socially, emotionally, and physically.
2. To develop a positive self image through the acceptance and respect of each child as a unique individual.
3. To develop respect for quality, craftsmanship, and excellence.
4. To develop social skills that lead to a respect for the differences among people.
5. To enable children to assume responsibility for their own lives.
6. To include the larger community into the educational community.
7. To continually encourage the interpersonal skills and supportive environment among the adults within the school community.

A philosophy is a living document that guides all programs and methods within the school. In a continuing effort to provide an education appropriate for every child, there have been a number of changes made this year. We added one double portable classroom for our grade 4 to alleviate the crowded situation caused by increasing enrollments. We increased our staff by two teachers, one each in grade 4 and grade 1. A new special education program was implemented to better meet the needs of our students. All classroom teachers have been trained and are using a new substance abuse prevention curriculum called ME-ME, focusing on decision making and self concept.

The primary level teachers, kindergarten through grade 2, are working together to develop a reading-writing process curriculum to more closely meet the needs of all our students. Independent reading has taken on new meaning this year with our participation in the BOOK IT! program that provides a pizza to all students who read their quota each month. Our teachers continue to participate in a number of conferences, workshops, and courses to broaden their awareness and improve skills.

We continue to provide other programs that have been of significant importance in creating the best learning environment for our children. The winter activities and junior ski program continue to provide out-of-classroom experiences once a week during the ski season. The Tin Mountain Conservation Center works with our third grade children once a week all year long providing an awareness of and appreciation for the natural environment of the area. Students have participated in field trips to the Portland Symphony, the Kinderkonzerts, museums, and elsewhere. We have enjoyed the New England Touring Theatre and storyteller Odds Bodkin, visits by Smokey the Bear, and presentations by visitors from other counties. Our PTO has provided free books for every child in school through the RIF (Reading Is Fundamental) program three times during the year.

Quality assessments of our programs are on-going and varied. Students are followed as they go to the junior high to monitor their success and our programming. Achievement tests (the California Achievement Tests) are administered each fall with our students continuing to show significant growth and achievement. Our school has been evaluated by the New England Association of Schools and Colleges, and is among those few elementary schools which will have been accredited by them.

As we continually self evaluate and measure our progress against our goals and philosophy, we find reason to be proud of our school. Here is a caring and professional faculty committed to the education of each child; to help each child be the best that he/she can be. We look forward to continued community support and the success that our cooperative efforts can provide in the education of the children of Conway.

SUPERINTENDENT'S REPORT

by Dr. William A. Jutras

Like a pendulum, the nine districts comprising School Administrative Unit No. 9 swing in their interpretation of that amorphous value often referred to as "local control." Last March, in decisive votes by eight districts on the issue of an AREA agreement, local control was seen to encompass a much larger region than individual towns. Pulling together, the interested parties approved a plan for educational and financial cooperation by an overwhelming average of 93% YES. In apparent contrast the Conway School District on action approved by a majority of its school board, will be asked if it would want to form its own SAU. If supported, the board will seek approval by the State Board of Education for separation from SAU #9.

These events, of course, are symptomatic of a system which by most reasonable standards is very large geographically (about one-ninth of the State), has the greatest number of school boards, is experiencing considerable growth now at the elementary school level, and is under constant pressure for better programs in such areas as special education. In recognition of this, and in response to a study recently completed by the N.H. School Boards Association, the SAU board has approved an additional Assistant Superintendent, secretary, and office space. Expansion in administrative services has already been approved in Madison in the way of a full-time Principal, and in Freedom with a half-time Principal. Conway is considering a full-time Principal for its Pine Tree School.

In the meantime, we see more portable classrooms, and know that new schools and additions and renovations must be approved now or in the near future. Five building committees have been very active; these represent Conway, Tamworth, Bartlett, Freedom, and Madison. We owe them much for their foresight, dedication, and effort.

Aside from system organization and construction issues, we have been very busy in the area of curriculum and educational programs. Special education has received much of our attention this past year. We have had the most difficult responsibility of managing this program in the absence of a Director of Special Services since last June. New classes have been added, there has been a substantial increase in teacher and support staff, Conway has established its own Director of Special Education position for the 13-21 age population, and necessary out-of-district placements have severely taxed our budgets.

Other curriculum areas addressed include Language Arts and Science; curricula have been distributed to all nine schools, and are being piloted this year. Substance abuse prevention has become a focal point of success in Conway. New computers are being added to schools, with a major purchase in progress for the Conway schools.

Our past efforts in curriculum and pupil evaluation are reaping rewards. Students are continuing to perform better on the California Achievement Test. This is the same test that is administered by the State Department of Education in grades 4, 8, and 10. For the first time, students in one of our schools (K.A. Brett School in Tamworth) scored above the anticipated level in every grade on the total battery which is a composite of Reading, Language, and Mathematics. High school scores show strength in Mathematics, Science, and Social Studies. Other areas tested are gaining. We, therefore, acknowledge the professional response by principals, teachers, and support staff in developing effective action plans to maintain our strengths and overcome our weaknesses in student performance.

The vitality and vision by our professionals is witnessed in another way. It is expected that very soon, all nine schools in this administrative unit will be accredited by the New England Association of Schools and Colleges. Kennett High School has already attained this stature in past years; however, the elementary schools in New England have not had this opportunity until recently. Because of our quick response, we will be charter members, setting the pace for colleagues in other school systems.

21 July 1987

Patricia H. Coogan
District Treasurer

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Eaton of which the above is a true summary for the fiscal year ending June 30, 1987, and find them correct in all respects.

22 July 1987

Jane K. Gray
Auditor

**ACCOUNTANT'S REPORT ON
FINANCIAL PRESENTATION**

To the Members of the School
Administrative Unit No. 9 Board
Conway, New Hampshire

We have examined the general purpose financial statements of the School Administrative Unit No. 9 as of and for the year ended June 30, 1987, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the School Administrative Unit No. 9, at June 30, 1987, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the School Administrative Unit No. 9. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

Grade 5	5	Grade 12	7

REPORT OF THE EATON SCHOOL BOARD

We have had a busy year through 1987, beginning with the approval (by all towns) of the AREA agreement. The outlying towns in SAU No. 9 now have representation on the Conway Educational Committee, a new committee initiated as a result of this agreement. This is the beginning of direct input from outlying towns to the Conway School Board regarding education. JoAnn Kelly is currently the AREA representative on this committee.

An AREA planning committee has also been established, consisting of 2 citizens (Steven Biddle and Linda Jenkins) and a school board member (JoAnn Kelly) to conduct an ongoing study of the organizational structure of the AREA school districts.

The Conway School Board meeting schedule and agendas are posted at the store. Please check if there is a current concern or issue regarding the Conway Schools, this is a good medium which to voice your opinion.

The personnel committee (Joyce Blue, representative) has also been busy interviewing candidates for the Special Education Directorship and we are pleased to have Steven Gordon on the board for April 1988.

The budget committee (Jon Goodwin, representative), was just recently disbanded for a new approach in which the entire SAU No. 9 board tackled the budget, line by line. We had many late meetings.

The Eaton School Board meets as part of the SAU No. 9 board on the 3rd Wednesday of every other month. We meet as a town board on the 1st Monday of every other month. At each Eaton meeting, a presentation is made by an administrator or a speaker of your choice. Please let one of us know of a topic of interest so a representative from the school can speak on that topic. Some past presentations have been made by David Hawkins, speaking on Home School Programs and Dr. Juve speaking on the new lunch program.

Last, but certainly not least, the Eaton School Board has had great pleasure in honoring the following students for perfect attendance 1986-87: Jinea Blue, Aaron Gray and Sam Biddle. For honor roll 1986-87 school year: Debbie Bean—7th grade; Sam Biddle—8th grade; Tara Bellezza—9th grade; and JoAnne Heath—9th grade.

Congratulations again!

We welcome your participation and input to the board. Please join us.

VITAL STATISTICS

In compliance with an act of legislature passed in 1887, requiring clerks of towns and cities to furnish a transcript of record of births, marriages, and deaths to the town officers for publication in the annual report, the following are submitted.

Ruby A. B. Hurl, Town Clerk

Subdivision – \$25.00 plus \$5.00 per lot and cost of hearing (includes mailing and advertisements and notices).

Board of Adjustment – Cost of mailing, hearing advertisements, notices and cost of hearing.

Pistol - Revolver License – \$4.00

Current Use Application – \$3.00 per parcel

Inspection of New Oil Burner Installations – \$10.00 (Installer must contact Fire Chief).

Inspection of Unvented Kerosene Heaters – \$2.00 (contact Fire Chief)

State Dredge & Fill Permit – Minimum impact: \$10.00, Minor impact: \$25.00, Major impact: \$100.00 (File application with Town Clerk).

Zoning Ordinances, Subdivision Regulations, and Site Plan Review Regulations are free to taxpayers of Eaton. There is a \$10.00 fee for all others.

IF YOU HAVE A FIRE ... The Town of Eaton pays for all fire and rescue calls made by the Conway Fire Department out of tax monies; individuals pay nothing. You can save the Town a considerable amount of tax money by requesting your agent to include in your fire insurance policy – at nominal cost – a “Recovery Clause” which will pass on to the insurance company at least some of the cost of response by the Conway Fire Department. Contact the Selectmen or your agent for details.

EMERGENCY TELEPHONE NUMBERS

Fire/Rescue/Ambulance 447-5522

(Sometime in August 1988 a 911 Emergency number will be put into service for all 447-exchange telephones)

Sheriff 1-800-552-8960
