ERROL PUBLIC LIBRARY REPORT - 1992

1992 has been the library's best year yet - in circulation, public relations, programming, and in getting more of the public into the library. There are many to thank: the Wilderness Valley 4-H club who fill the window boxes and provide the Christmas wreath and Santa and his reindeer; everyone who has donated books and videos; the Story Hour moms (headed up by Claudette Eames), who volunteer their time and much effort for the preschoolers; Fran and Gloria Coffin, who always donate a free pizza for the summer reading contest; and thanks to Santa for his surprise appearance at story hour.

Circulation has increased from 8079 in 1991 to 8523 in 1992, and we now have 209 registered borrowers using the library. Nine children competed in the summer reading program, DISCOVERREAD '92, reading a total of 242 books. We hope more kids will be able to participate next year. Over fifty people of all ages came to the park in August for Papa Joe's Traveling Storytelling Show. An average of 7 preschoolers attend story hour every other Friday morning. The story hours have proved to be of great benefit in preparing children for kindergarten.

Our Centennial celebration throughout '92 was a great success - a lot of work, a lot of fun, and a lot of people to thank. The money received from fund-raising and donations, \$951.01, has purchased many new books, including a special series of children's wildlife reference books, a new braided rug for the reference room, and sponsored a performance by Papa Joe's Traveling Storytelling Show. A detailed statement of purchases is available at the library. Also last summer, we were pleased to have the New Hampshire State Librarian, Kendall Wiggin, attend the Silver Tea, along with other State Library staff members. (Governor Gregg sent along congratulations and his regrets that he was unable to attend). We extend our thanks to the following: The Errol School Association for paying half the fee for Papa Joe; the Homemakers' Group for all the work they put into the Silver Tea; Alda Barnett for making a special photo album, guest book, bookmarks, and corsages; Marion Gray for lending us so many items and photos for our memorabilia display; Shannon Swan, whose sketch of the library was chosen as the logo for the brochures, also Vicky Ayer, the art teacher who helped her; everyone who made quilt squares and shared their expertise in putting the quilt together; all who made Christmas ornaments for the raffle; Frank Gray (Carol West's father) for making the new library sign; Chip and Becky Bean for letting us hold a bake sale in their garage; Link and Diane Linkenbach for lending us their lawn for a flea market; everyone who contributed such generous money gifts; and finally the trustees and the Centennial Committee for all their ideas, planning, time and hard work.

We regret the passing of Jean Ham, who was an avid library user and supporter, and part of the Centennial Committee, besides all her hours of work at the school. The staff and trustees appreciate her contribution to the community, and will miss her.

Everyone is encouraged to use the library - take advantage of faster inter-library loan service, reference service, free programs, and of course free reading material: enjoy the latest best-seller, current magazines, videos, or the classics. They're all here for your use. The American Library Association reminds us to "Read - Succeed."

Respectfully submitted,
Melinda Hawkins, Librarian

REPORT OF THE POLICE DEPARTMENT - 1992

TOWN OF ERROL

Dear Citizens of Errol:

First of all I would like to express my regret for the passing of John St. Cyr. He was the Chief before me and was the one who gave me my chance (by hiring me) to serve the Town of Errol.

I would like to thank you, the citizens of Errol, for voting me in last March. I really enjoyed serving the Town of Errol and would be honored to serve you again in 1993.

I want to thank my number one Officer Everett Eames for being there when I'm not and also for all his assistance. Special thanks also goes out to Errol Rescue, Fish and Game, State Police (Troop F), and the citizens of Errol for helping me when needed. Recognition goes out to Errol Enterprises, Inc. for donations to the Errol Police Department over the years.

This year I have added a list of in-coming telephone calls. This is to show you how active the police phone actually is. And again I would like to thank my wife Gail for answering most of these calls.

Look forward to serving you in 1993.

Respectfully submitted,
Chief Richard L. Boisvert

REPORT OF THE ERROL RESCUE SQUAD

1992

In 1992 the Errol Rescue Squad saw a dramatic increase in requests for aid, up to 51 from 36 the previous year - an average of about 1 per week. A break down of these calls follows:

18	Trauma
16	Medical Emergencies
10	Auto Accidents
3	Motorcycle Accidents
2	Fatalities
1	Snowmachine Accident
1	Bicycle Accident

We now have 5 active members, 2 EMT-A's and 3 First Responders. In January 1993 we will be sponsoring a CPR course, and in February 1993 a First Responder course. To try to increase pre-ambulance and pre-hospital care knowledge in our community. Commitment to work on the rescue squad is not required to participate in these courses.

Our rescue vehicle is now in service, and has made response to calls and patient care quicker and easier. We would like to thank Fran Coffin for his very generous donation of paint to do the new paint job.

We would also like to thank, once again, everyone who has helped in so many ways, big and small, in the past year. It would be difficult to provide care needed by our patients without the unselfish acts of help we receive from our friends and family.

TRANSMITTAL AND COMMENTARY LETTER

Board of Selectmen
Town of Errol
Errol, New Hampshire 03579

Members of the Board:

In planning and performing our audit of the financial statements of the Town of Errol, New Hampshire for the year ended December 31, 1991 we considered the Town's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance of the internal control structure.

However, during our audit we became aware of the following conditions that should be corrected in order to strengthen internal controls and operating efficiency. This letter does not affect our report dated July 8, 1992 on the financial statements of the Town of Errol, New Hampshire.

1) Collecting Property Taxes

During our audit, we noted that Town employees other than the Tax Collector collect property taxes.

Recommendation

The Tax Collector should be responsible for collecting all taxes and must remit all funds to the Treasurer weekly, or whenever the amount is over \$500.00 in accordance with the State statutes.

2) Computerized Tax Collection System

The Tax Collector has been responsible for the input and adjustments to property tax valuation on the computer.

Recommendation

The Town should provide for adequate separation of duties between those individuals responsible for collection, and those responsible for the change of tax data on the computer.

If this is not practical, at a minimum the Selectmen should review the blotter books whenever revisions are made by the Tax Collector.

3) Library Special Checking Account

The Librarian has a special checking account for which she signs all checks and performs all bookkeeping functions. The lack of segregation of duties provides no control that would uncover errors and irregularities within a reasonable time.

Recommendation

The Library Trustees should implement a review procedure over this special account and institute a program of dual signature on all checks.

We extend our thanks to the officials and employees of the Town for their assistance during the course of our audit.

Very truly yours,

Kyeong Whan Kim, C.P.A.

MESSAGE FROM YOUR BOARD OF SELECTMEN AND WOMEN

Dear Townspeople of Errol,

This has been a very productive and challenging year for your Board. We experienced stability with all three Board Members being available all year. They have been an effective team, each having unique knowledge and skills. Our Town's Administrative Assistant, Diane Fortier, has seen a complete budget cycle so she is an asset to your Board. There is growing continuity in our knowledge, skill and ability. We need to elect a wide range of people to fill our elected positions so that a variety of skills are utilized with each and every citizen an active participant in Town Government.

The best news of the year is that there was only a slight increase in your property Tax. The taxes were kept down in part due to the revenues the Town receives from Errol Hydro-Electric Agreement with the Swift River Hafslunde Company. The more it rains and snows the more revenue will be generated. The Town shares in the profit. Some of the Hydro revenue was used to offset the School tax. Our School budget continues to be our largest budget item.

Our tax bills were fully computerized this year due to the hard work of Terri Ruel. She met the Board's goal and we thank her.

Our assessor was very busy due to Current Use changes and staff changes on his end. Current Use cards had to be modified. We appreciate the Town's patience by working with us on Current Use and tax issues.

The Town's computer system continues to be expanded in order to meet increased demands. Currently, we have tax bills, current Use, Town budget, warrant and checks in the system. Our Assessor and Police Chief hope to have their input information on line in the near future.

Your Board feels it is time the Town consider a complete property equalization by a private property appraisal company. The reason is the impact of the State of New Hampshire's formula for revenue sharing and education subsidies.

The Town was blessed with a great deal of VOLUNTEER help this year. Volunteers bring a special enthusiasm. They make the time to complete special projects which the working Board does not have time for. First, there was the Town Sign Committee. They designed signs to be used at the Transfer Station. We want to thank Alex Grover, Shirley Decker, and Jane Sweatt for their efforts. Nancy Bourassa was the artist who assisted the Committee and she needs a big thank you.

The Town Sidewalk Committee worked with the Department of Transportation to design the plat from which the bids were developed. They also saw to many of the details of the project. That committee consisted of Alex Grover, Chipper Bean, Phillip Hawkins, Steve Hawkins and Jane Sweatt. We thank each of these people.

A special Thank You goes to Phillip Hawkins who drew the plans and spoke to the prospective bidders. Although the bids come in too high, we are hopeful the Town will appropriate the additional funds needed to build the sidewalk. We will also need money programed for its maintenance. A new sidewalk ordinance will be presented for your review and approval.

Last year your Moderator appointed the Handicap Accessible Committee which consisted of Robert Lord, Clifford Lane Jr. and Diane Fortier. They made recommendations regarding the purchase of land and a modular structure which would be handicap accessible in order to comply with the Federal American Disability Act. Additionally, they recommended equipment necessary for a new facility.

The Board is endeavoring to meet the Federal mandates so that everyone will be able to reach the Town Offices, Town meetings and voting. This is why the voting place and the Town meeting was changed to the Errol School, which is handicapped accessible. Our children learned about democracy in action by observing us vote this year.

This past December Christmas wreaths were placed along the Main Street in Town. We want to thank the Errol School Association for this spontaneous donation of wreaths and Carlton Eames, Wayne Garrow and Michael Hall for hanging them.

During last Spring and Summer, Mrs. Shirley Decker could be seen planting and watering flowers at the junction of Routes 16 and 26. We thank Mrs. Decker and her helpers brightening the aprons to Town.

The Errol Transfer Station application was completed and submitted to the State. In late September the Board received State approval of its application. Since, it was too late to pour concrete, only bids for grubbing and site work contracted out. In the meantime, Transfer Station containers were brought to Errol and they are ready for placement this Spring. Shortly, bids will be solicited for the completion of the Transfer Station. A permit system has also been put in place in anticipation of the dump closure. We are currently negotiating with Coos County for its use by the Unincorporated Towns of Cambridge, Wentworth Location, Dix's Grant, Dartmouth College Grant, and Millsfield. We also need to formulate plans for the closure of the "old" dump. Revisions to the Transfer Station Ordinance will be discussed at the Town meeting.

An Agricultural Stabilization and Conservation Service Grant was applied for in order to fund a Forest Management Plan for the Town lots. This 75/25 grant was approved and The Silvics Company, Inc. have been contracted with to prepare a 10 year stewardship plan.

Your Board found a need to consider hiring a forester to oversee Current Use, Timber Tax reports and State Intent to Cut applications. Forest Ranger, Mr. Albert VonDorhmann has a vast area to monitor and has been an asset to the Town. However, he can't do all the work. Therefore, your Board is recommending hiring a Town Forester to monitor forest cutting within the Town of Errol so all taxes due the Town are realized.

The Board has facilitated the dissemination of information on Enhanced 911 and held one public meeting. The system has the advantage of caller identification and location. In order for the system to become workable it will be necessary to have the Town's streets named and numbered. We are asking for the appropriation of funds to map and number all streets in Errol so we can be ready for 1995 when the system will be on line.

Late in 1992 the Town's sewer system failed. There was held a special Town Meeting for the purpose of raising and appropriating the necessary funds to repair the system. The Board recommended a plan to expand and refurbish the existing sewer system. A public hearing and survey was conducted. Our moderator, Mona Douglas and Town Clerk, Cheryl Lord were very helpful during this process. Funds are being requested from a Community Development Block Grant. The Town expects notification in April by the State Planning Office of their funding decision.

Unfortunately, the Board found it was prudent to develop rules for renting the Town Hall. The Town's attorney and insurance company suggested we not allow liquor to be served in the Town Hall because liability coverage is not available to the Town. The question we pose to the voters is whether to prohibit alcoholic beverages, or, make it mandatory to anyone who wants to rent the hall, to purchase special event liquor liability coverage? This type of coverage is available only to individuals. Please consider this issue carefully.

Mr. Ron Bourassa has been appointed by the Board to be the Town's Emergency Management Director. He will be responsible for developing the Town's Emergency Plan and coordinating the plan if an emergency were to occur.

The leasing of Town land at Akers Pond had to be placed on hold until a complete survey of the Town land can be accomplished. Your Board is requesting the necessary funds to complete the survey after which leases will be executed.

The Town Auditor, Mr. Kim of Francis & Dineen Accounting Firm spent several days this summer with the staff. His recommendations have been reviewed and implementation is under way.

The Planning Board has been very busy, Mr. Larry Enman stepped down as Chairman. Mr. Richard Nadig our new chairman held several subdivision hearings. Also, they held hearings on the readoption of the Flood Plan Ordinance. You will be voting on this at the Town Meeting.

Your EMT's, firemen and forest Wardens are ever available for emergencies. We thank them for their efforts. Our EMT's continue to need more people trained so we could eventually use the ambulance to transport people.

Mrs. Clara Grover has been the Board's representative to AVRRDD. Her attendance at these monthly meetings has given the Town a stable and uninterrupted representation.

Mr. Alex Grover our Transfer Station Operator has his 3 year Solid Waste Operators license. He has done an excellent job of implementing all the changes related to the Transfer Station coming on line.

It has truly been a busy and satisfying year as we look back on everything we have accomplished. We hope it has met with your approval. Thank you for your support.

Very truly yours,
Board of Selectmen

REPORT
OF THE
SUPERINTENDENT OF SCHOOLS

TO THE CITIZENS OF THE ERROL SCHOOL DISTRICT:

It gives me a great deal of pleasure to make my first report to you as Superintendent of Schools. In the last seven months, I have been continually impressed with the welcome that I have received from concerned and aware citizens of each of the area communities who are dedicated to providing a quality educational program for our youth. It is refreshing to work in schools and their communities where quality education is supported.

School Programs: This has been an active and exciting year for the Errol Consolidated School. Principal Ellen Stephens has brought fine leadership skills to the school which are resulting in a well-managed and productive educational environment. An "assertive discipline" program has been established which clearly spells out the behavior that we expect in school and the consequences of misbehavior. The Errol Consolidated School is participating in a "substance abuse" awareness program in cooperation with Berlin and the other schools of School Administrative Unit #20. We are proud to be a part of this program. Representatives of our staff are participating in a Technology Task Force funded through the federal government to plan for our future use of computer and other "high-tech" approaches to learning.

School Administrative Unit #20 Cooperative School District Study: We have moved ahead with the study of the possibilities of forming a cooperative school district even though Berlin decided not to participate. Informational meetings held in the six communities of SAU #20 have encouraged the study committee to place articles in the individual school district warrants this year to determine the extent of commitment in each community before a definitive plan is developed for voter approval. Increasingly, the committee has felt that it is "on the right track" in looking at a cooperative school district that would serve the Androscoggin River Valley towns.

Tuition Rates: The tuition rates for 1993-1994 have changed slightly:

	<u>1992-93</u>	<u>1993-94</u>
High School (Bethel)	\$4,900.	\$4,900.
High School (Berlin)	\$4,688.	\$4,714.
High School (Colebrook)	\$5,900.	\$6,085.
High School (Gorham)	\$5,780.	\$5,997.

Proposed Budget: The proposed budget represents an increase of \$70,512. or 19.3% over the present year's approved budget. Some of this increase will be offset by additional revenue from Coos County to support special education services required by children from the unincorporated towns; however, \$26,000. of the increase is found in tuition payments for students continuing into high school.

In memory of Jean Ham: Both the school and the community faced a major loss in the death of Jean Ham. The school day didn't end at 3:00 PM for Jean --- It ended when she was satisfied that she had done everything possible to make it a better day for her students and her community. We all miss her.

In closing, let me thank you for your kind welcome and your continued interest in the quality of educational opportunity provided to our youth. With your support, the schools and the children that they serve will continue to make this area both economically and socially an outstanding place to live.

Respectfully submitted,

Daniel J. Whitaker

Teacher Activities

Ellen Stephens is a working member of an on going Task Force, whose goal it is to improve technology in the classroom. Sarah Sullivan attended two workshops; "Using Critical Thinking Skills in Math," Grades K-8 and "A Non-Basal/Whole Language approach to Reading Instruction" K-2. Ms. Sullivan also traveled to other schools in SAU #20 to observe Kindergarden classes. Jane Sweatt attended Five Core Courses in Learning Disabilities. Workshops: Child Development, Performance Assessment, Writing I.E.P.'s, Special Education Process and Teaching the L.D. Child. Workshops on Assertive Discipline and the use of Public T.V. have also been attended by the staff.

School Association Activities

The school association remained an important supporter of school functions. The association provided the School with balls to use out on the playground. Some activities include: Car Wash/Bake Sale, a Hunter's Supper/Hunter's Dance, Thanksgiving Dinner Basket Raffle, Christmas Bazaar. In addition, the association made the Christmas Wreaths/Sprays that hung along Main Street. They also presented Leslie Bembridge a \$250.00 College Scholarship. Eight 8th graders were given Ski Scholarships this winter and \$100.00 was donated to the Jean Ham Memorial Scholarship.

School Administrative Unit No. 20

ERROL SCHOOL DISTRICT
ANNUAL SCHOOL MEETING

March 10, 1992

Moderator, Mona Douglass, opened the polls at 3:00 p.m. by reading Article 1 of the warrant as follows:

Article 1: To choose a member of the school board for the ensuing three (3) years (By ballot)

The polls were open until 8:00 p.m. at which time the business meeting and voting for school officers were adjourned. Ballots were counted immediately following the adjournment of the meeting at 8:00 p.m. Those counting were Mona Douglass, Moderator, Supervisors of the Checklist: Mary McLeod, Virginia Lane and Carol Norman. The business portion of the district school meeting began at 7:30 p.m. with the reading of Articles 2 - 7 of the school warrant.

Article 1: To choose a member of the school board for the ensuing three (3) years (By ballot).

School Board ballot results: Angela Peart 20, Virginia Thibodeau 18, Christopher Bean 1, Carol Tremblay 2, and 1 cancelled ballot. Angela Peart was declared elected School Board member for three years.

Article 2: To see if the District will vote to accept the reports of agents, auditors, committees, and officers heretofore chosen, as printed in the annual report.

It was moved by Clifford Lane, Jr. and seconded by Alex Grover that the District accept the reports of agents, auditors, committees, and officers heretofore chosen, as printed in the annual report.

There being no discussion, the Moderator called for a voice vote. Voice vote was in the affirmative and Article 2 was declared passed.

Article 3: To determine the salaries of the school board and other School District officers and fix the compensation of any officers and agents of the District.

A motion was made by Sharon Lane and seconded by Alex Grover that the salaries of the School Board, Truant Officer and other District Officers and Agents to be set as listed below.

There being no further discussion, the Moderator called for a voice vote. Voice vote was in the affirmative and Article 3 was declared passed.

ERROL SCHOOL DISTRICT MEETING, March 12, 1992

Article 4: To see if the District will vote to authorize the school board to make application for and to accept on behalf of the District, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, private individuals, corporations or any federal or state agency to expend same for such projects as it may designate

A motion was made by Sharon Lane and seconded by Wayne Garrow that the District vote to authorize the school board to make application for and to accept, on behalf of the District, any or all grants or other funds for educational purposes which may now or hereafter to forthcoming from the United States Government, the State of New Hampshire, private individuals, corporations, or any federal or state agency to expend same for such projects as it may designate. Voice vote was in the affirmative and Article 4 was declared passed.

Article 5: To see if the District will vote to transfer the sum of \$12,021.26 from the Building Capital Reserve Fund to the operational budget for the 1991-1992 fiscal year, said sum to be paid over to the school district on or before June 30, 1992.

Mr. Bellavance explained that the Dept. of Revenue Administration picked up the error of the surplus being put in the Building Capital Reserve Fund. It should have been put back in the operational budget. Thus, the reason for the article.

A motion was made by Norman Eames and seconded by Alex Grover that the District vote to transfer the sum of \$12,021.26 from the Building Capital Reserve Fund to the operational budget for the 1991-92 fiscal year, said sum to be paid over to the school district on or before June 30, 1992.

There being no further discussion, the Moderator called for a voice vote. Voice vote as in the affirmative and Article 5 declared passed.

Article 6: To see if the District will vote to raise and appropriate the sum of \$365,474.00 for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

Larry Enman questioned the tuition for a student from Millsfield and it was noted by Mr. Bellavance that was an error and tuition was being paid for by the county. It was also noted that there

ERROL SCHOOL MEETING, March 12, 1992

were two more students not on the tuition list (one for Berlin and one for Colebrook).

A motion was made by Christopher Bean and seconded by Stephen Hawkins that Article 6 be amended to read \$370,162.00. Voice vote was in the affirmative and the amendment to Article 6 was declared passed.

The Moderator called for a voice vote on amended Article 6 to read: the District vote to raise and appropriate the sum of \$370,162.00 for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District. Voice vote was in the affirmative and amended Article 6 was declared passed.

Article 7: To transact any other business which may legally come before this meeting.

Mrs. Leduc made a request that the teachers' salaries be published in the town report individually.

Mona Douglass, Moderator, on behalf of the town thanked Mr. Bellavance for his years of service and wished him well in his coming retirement. A round of applause in appreciation followed.

A motion was made by Sharon Miller and seconded by Ginny Lane that the meeting be adjourned. Voice vote was in the affirmative and the meeting was declared adjourned at 7:55 p.m.

Respectfully submitted,

Cheryl ... Lord
School Clerk

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Errol School District
Errol, New Hampshire

We have audited the accompanying general purpose financial statements and the combining and individual fund financial statements of the Errol School District as of and for the year ended June 30, 1992, as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Assets Account Group results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Errol School District as of June 30, 1992, and the results of its operations for the year then ended in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School District as of June 30, 1992, and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles.
