Water Commissioners' Report	77

This Town Report is dedicated to the memory of Henry T. Boothby, Selectman of Meredith from 1945 to 1960, who died January 6, 1961.

A man of honest convictions, who was accustomed to stating them in a vigorous and forthright manner, he was a familiar figure in his woodsman's jacket as he strode into the Selectmen's office accompanied by his faithful dog "Woody." An out-of-door person by inclination and by occupation, he often gave the impression of feeling too much confined indoors, even in the spacious area of the Municipal Building, as he settled down to the business at hand.

He cherished no illusions about himself nor about his fellow men: he recognized the shortcomings of human nature and dealt as fairly and impartially as possible with the problems that this same nature imposed on town government.

His hearty, straightforward personality precluded any conceit—and he would have scoffed mightily at the idea of a town publication dedicated to his memory. Nevertheless, the citizens of Meredith are proud to record here their appreciation of Mr. Boothby's many years of devoted service and to give concrete expression to the esteem in which he was held.

Auditors

State Tax Commission

Legal Counsel

John H. Ramsey

Director Civil Defense

Perley Beach

Forest Fire Warden

V. Albert Sprague

Probation Officer

Thomas K. Kemp

Selectmen's Report

TAXES:

The annual inventory was taken which resulted in an increased valuation of \$150,160.00 with assets of \$7,170,560.00 When we considered that our valuation ten years ago was \$4,412,341.00, we can realize how our Town is growing, with an increase of over \$2,758,219.00 in assets. Now that the reappraisal of properties is complete and will be used for the 1961 tax year, we will have gained an even more accurate picture of our true worth as a Town. The reappraisal was consummated by the correction of the National Associate figures. The field work, necessary in completion, was done by a part time appraiser for the New Hampshire Tax Commission and one member of the Board on a per diem wage basis. The appropriation of \$3,000.00 for assessment records was used for this work. These final figures were then reviewed by the Board members, a competent appraiser and a man who has had many years of successful experience as a building estimator in this area. This impartial Board's duties were to not only arrive at a replacement value but also to establish a figure which represents its true worth on the market. Values of this nature, of course, are subject to many intangibles and will not be agreed upon in every instance. However, using a combination of the various formulae as well as the esoterics of value, we feel overall that we have accomplished a job which is in keeping with our area.

PURCHASING AND EXPENDITURE:

Principles of good business management were practiced to a large degree in this year but it is our feeling that we must do better here. It is not wise expenditure to save money in one phase or project and then relax vigilance so that moneys are not wisely used in other instances. Your Board promises to prosecute vigorously every method through the Town Manager, consistent with efficient operation of all expenditures.

HEALTH:

Our Dump was, as usual, well cared for and operated in a model manner for a Land Fill Operation. We have tried to keep down the fire hazard by keeping brush cut back, but our personal reaction is that a more immediate supply of water is a must.

Our Sewer operation as a whole was enhanced by the purchase of a motor driven sewer rod which not alone is a must for emergencies but in the normal maintenance by keeping transmission lines clean and operating well on a regular basis. We have, we think, corrected our heating problem at the Treatment Plant as well as the improper digestion process which existed in the Imhoff Tank. We feel extension of services should be made as soon as practicable.

While, we do not have a Municipal Garbage Collection set up, we did let out on a price basis, rubbish collection at our parks. This kept them reasonably picked up at all times.

Our swimming areas were on the whole well cared for and we have provided money in the budget for installation of flush toilets at Leavitt Park.

POLICE DEPARTMENT:

Our Chief, Norman R. Martin and Herbert R. Horne, ably abetted by Specials and Auxiliaries, we think have once again done an outstanding job. Perhaps we should rap on wood when we say that our troubles were minor in contrast to other areas. — Lack of trouble of a serious nature indicates good policing. — Steps are being taken to make everyone more aware of whom to call in emergencies, not alone police, but also the Fire Department which for the first time is in our jurisdiction.

HIGHWAY:

This is a department which seems to come under fairly regular criticism and we feel much of it unjust. Any department can, of course, be improved, but you always have to begin with a budgeted limitation, constant demand for expansion of services, 115 miles plus road mileage and the ability of one piece of equipment to be one place at a time. A constant attempt to improve our operation will again be made. Some of the improvements made in 1960 were Cattle Landing Parking Area, Jenness Hill Road, Whitney Road, Terrace Avenue and Main Street partially completed. T. R. A. work was the partial completion of Livingston Road.

GENERAL:

May we thank our residents, both summer and winter, for their cooperation and support. Also, our associates, the Tax Collector, Town Clerk and Treasurer, Water Commissioners, the Fire Department and the Inter-Lakes School District and all others for their cooperation and understanding as well as the County and State officials with whom we are in contact.

*** Note**

YOU as a taxpayer will have opportunity to make known to the Board any disagreement you may have regarding your value. It is our estimate based on the present budget and estimated appropriations for 1961, that if the Board of Selectmen choose to use 60% of the values as listed in the back of this report, your tax rate would be approximately \$40 or a bit under. For example, let's say your value as listed is \$10,000. Your assessed value would be \$6,000. Multiply this by \$40 giving a tax bill of \$240.

State of New Hampshire
Meredith Town Warrant

**To the Inhabitants of the Town of Meredith qualified to
vote in Town Affairs:**

You are hereby notified to meet at the Meredith Municipal Building in said Town on the second Tuesday of March next from 9:00 A. M. until 6:00 P. M. for the casting of ballots, and at 7:30 P. M. at the Robert Pottle Memorial Auditorium in the Inter-Lakes High School in said Town to act on the following Articles:

1. To bring in your ballots for Town Clerk for one year, one Selectman for three years, Treasurer for one year, one Trustee of Trust Funds for three years, two Library Trustees for three years, and one Water Commissioner for three years.
2. To choose other necessary Town officers.
3. To see if the Town will authorize the Selectmen and Town Treasurer to borrow money in anticipation of the collection of taxes for the current year and issue notes therefore, said notes to be repaid during the current municipal year.
4. To hear the report of the Budget and act thereon.
5. To see if the Town will vote to authorize the Selectmen, at the request of the Board of Water Commissioners, to borrow a sum or sums not to exceed \$45,000.00 for the construction of buildings, maintenance, repair and extension of the Meredith Water Department system. Any sum or sums so borrowed shall be repaid from the income earned by the Meredith Water Department and all sum or sums so borrowed shall be expended at the direction of, and under the supervision of the Board of Water Commissioners of Meredith.
6. To see if the Town will vote to raise and appropriate the sum of \$1,103.73 for Town Road Aid and construction, maintenance, and reconstruction of rural post roads and Class V highways, provided the State will set aside the sum of \$7,358.21 for this purpose.
7. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to help defray the expenses of the Information Booth. (By request of the Meredith Civic Association.)

8. To see if the Town will vote to raise and appropriate the sum of \$500.00 for Christmas Street Lighting. (By request of the Meredith Civic Association.)
9. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the use of the Meredith Public Library in constructing a drive, service entrance and parking area.
10. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the purchase of an additional grader with necessary snow fighting equipment, and authorize the Selectmen to issue serial notes therefore, to be paid from taxes assessed in 1962, 1963, 1964, 1965, and 1966.
11. That the Board of Selectmen be empowered in the acceptance of the most favorable method of extension of sewerage facilities to the Circle Drive Area. That the Board of Selectmen be further empowered to investigate and negotiate for and obtain any federal or state aid which might be available for such work. Further, to see if the Town will vote to appropriate the sum of \$50,000.00 to defray the costs of the above extension, and to raise said \$50,000.00 by borrowing on the credit of the Town, by issuance of serial bonds in accordance with the Municipal Finance Act as amended. (By Petition)
12. To see if the Town will vote to raise and appropriate the sum of \$900.00 for the removal of the two trees which now stand in the Main Street right of way, in front of the Baptist Church and Library properties. The removal to become a part of the New Hampshire State Betterment Project begun in the fall of 1960.
13. To see if the Town will vote to accept the offer of Mr. Howard S. Rust of land and barn located directly in rear of the Texaco Station provided that the Town will take said barn down and make a parking lot available to the public.
Further, to see if the Town will vote to raise and appropriate the sum of \$501.00 to cover the removal of said barn and conveyance of property.
14. To see if the Town will vote to raise and appropriate the sum of \$700.00 which will represent fifty per cent (50%) of the cost of an insurance program for full time employees of the Town for 1961, provided that each such employee is willing to match this contribution.

15. To see if the Town will vote to eliminate parking meters in Meredith, provided however that a favorable vote is taken, that the sum of \$5,307.50 be raised and appropriated to cancel the remainder of the parking meter contract.
16. If Article 15 is approved to see if the Town will vote to authorize the Selectmen to dispose of the usable parking meters by means of sale and to use such revenue as may be obtained to reduce the appropriation cited in Article 15.
17. To see if the Town will vote to raise and appropriate the sum of \$8,500.00 for the purchase of the former Anna Van Dine property located opposite Waukewan Beach, so called.
18. To see if the Town will vote to raise and appropriate the sum of \$3,057.00 for the benefit of the Laconia Hospital. (By request of the Laconia Hospital Association.)
19. To see if the Town will vote to raise and appropriate the sum of \$717.05 which is 1/100 of one per cent of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town. (By request of the Lakes Region Association.)
20. To see if the Town will vote to authorize the Tax Collector to appoint a Deputy Tax Collector under the provisions of Section 41:38, Chapter 41, of the New Hampshire Revised Statutes Annotated 1955.
21. To see if the Town will vote to authorize the Selectmen to sell at public auction Tax acquired property.
22. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-fifth day of February, in the year of our Lord nineteen hundred and sixty-one.

Division of Municipal Accounting

State Tax Commission

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 16, 1961

Board of Selectmen
Meredith, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Meredith for the fiscal year ended December 31, 1960, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library Treasurer, Trustees of Trust Funds and Municipal Court.

FINANCIAL STATEMENTS

Comparative Balance Sheets - December 31, 1959 - December 31, 1960: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1959 and December 31, 1960, are presented in Exhibit A-1. As indicated therein the Net Debt decreased by \$67,450.67 in 1960.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt

Long Term Notes and Bonds Paid	\$60,800.00	
Net Budget Surplus	1,310.67	
Deficiency Appropriation	7,915.07	
Decrease in Accounts Payable	43.83	
	<hr/>	\$70,069.57

Increase in Net Debt

Tax Liens Transferred to Tax Deeds	\$ 188.90	
Prior Years Head Taxes Abated	1,430.00	
Adjustment of Outstanding Follett Road Notes	1,000.00	
		<hr/>
		2,618.90
		<hr/>
Net Decrease		\$67,450.67

Comparative Statements of Appropriations and Expenditures Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1960, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$2,710.20, less a net overdraft of appropriations of \$1,399.53, resulted in a net budget surplus of \$1,310.67.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1960, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1960, is indicated in Exhibit B-2.

Statement of Long Term Indebtedness: (Exhibit H)

A statement of outstanding long term indebtedness as of December 31, 1960, showing annual debt service requirements, is contained in Exhibit H.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Deficit:

It is noted that the current deficit (excess of current liabilities over total assets) decreased by \$7,650.67, from \$27,938.80 to \$20,288.13, in 1960, as shown herewith:

	December 31, 1959	December 31, 1960
Total Assets	\$387,910.58	\$181,354.75
Current Liabilities	415,849.38	201,642.88
Current Deficit	<u>(\$ 27,938.80)</u>	<u>(\$ 20,288.13)</u>

Provision should be made in the 1961 budget to cover at least a part of the current deficit of \$20,288.13, and annual appropriations should be made thereafter, if necessary, until it is entirely liquidated.

Uncollected and Unredeemed Taxes - Prior Years:

It is again recommended that the Board of Selectmen and Tax Collector go over the uncollected tax lists on the tax warrants of 1957 and prior years and that abatements be made in cases where the taxes appear to be uncollectible.

It is also recommended that tax deeds be taken by the Town on properties represented by unredeemed tax liens on account of tax sales of the levies of 1957 and prior years, the two year period in which redemptions should be made having expired in all of such cases.

As of December 31, 1960, uncollected and unredeemed taxes on account of the levies of 1957 and prior years were as follows:

	Uncollected Taxes	Uncollected Taxes
Levy of 1957	\$ 5,847.83	\$1,148.24
1956	5,405.28	289.22
1955	127.71	286.29
1954 & Prior	1,457.99	198.52
Totals	<u>\$12,838.81</u>	<u>\$1,922.27</u>

Surety Bond of Town Clerk:

The surety bond of the Town Clerk should be increased from \$1,000 to \$6,000, in order that the amount of the bond may be more proportional to the amount of funds received by this official.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. This letter of transmittal should be included in its entirety but the publication of Exhibits is optional.

We extend our thanks to the officials of the Town of Meredith for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director

Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor

Hugh J. Cassidy, Accountant

Division of Municipal Accounting

State Tax Commission

Concord, New Hampshire

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Meredith for the fiscal year ended December 31, 1960. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town of Meredith on December 31, 1960, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor

Hugh J. Cassidy, Accountant

Sewer Assessments & Sewer Connections

In compliance with Article 14 of the Town Warrant for the year 1960 the following information is furnished as of 31 December 1960.

Sewer Assessments - (20 Year Payment)

<i>Number Due</i>	<i>Amount of Principal</i>	<i>Amount of Payments Due</i>	<i>Interest Due</i>	<i>Total Due</i>
113	\$71,640.53	\$15,963.31	\$12,804.84	\$28,768.15

Sewer Connections - (10 Year Payment)

<i>Number Due</i>	<i>Amount of Principal</i>	<i>Amount of Payments Due</i>	<i>Interest Due</i>	<i>Total Due</i>
83	\$19,083.51	\$ 8,973.15	\$ 4,449.65	\$13,422.80

ACCOUNTS MAKING YEARLY OR PARTIAL PAYMENTS

Sewer Assessments - (20 Year Payment)

<i>Number Due</i>	<i>Amount of Principal</i>	<i>Amount of Payments Due</i>	<i>Interest Due</i>	<i>Total Due</i>
44	\$30,602.87	\$ 1,170.60	\$ 812.07	\$ 1,982.67

Sewer Connections - (10 Year Payment)

<i>Number Due</i>	<i>Amount of Principal</i>	<i>Amount of Payments Due</i>	<i>Interest Due</i>	<i>Total Due</i>
24	\$ 4,386.98	\$ 683.49	\$ 345.81	\$ 1,029.30

The Town Office has put into effect the mailing of a form letter which clearly indicates to all delinquent accounts the status of each individual sewer assessment and sewer connection at the end of the calendar year.

Some accounts are making yearly payments in accordance with the Sewer Ordinance governing this method of payment; others are paying on the principal only; and still others are paying the yearly interest on the principal.

Attention is drawn to the fact that unpaid sewer assessments, sewer connections, and sewer rentals constitute liens against the property under the provision of the law regarding same.

Tax Collector's Report

Many persons are confused as to the duties of a Tax Collector: in an effort to allay this confusion I would like to state that the duties are varied and too lengthy to describe in detail. Briefly, the Tax Collector collects those taxes (i. e., property, poll and head) committed to him by the Board of Selectmen. He does not have the authority to abate taxes or to add to the warrants committed to him by the Board of Selectmen.

Since this authority rests in the Board alone, any person who questions a tax which has been levied, or who wishes a name or piece of property added to a tax warrant, should contact the Board for the correction or addition. The Board, in turn, if it confirms a correction or an addition will notify the Tax Collector in writing and he may then enter the change in the warrant.

Poll and head taxes are Demand Taxes and are due when the bill is presented. If by any chance a person who is liable does not receive a bill, it is that person's responsibility to ascertain the reason why. In connection with these taxes, persons signing applications for driving licenses, car registrations, fishing or hunting licenses should be sure that these taxes have been paid before the applications are signed. If they sign with full knowledge that their poll and head taxes are not paid, they do so under liability of perjury, with its resultant fine of \$50.00. The Tax Collector is empowered to contact the Motor Vehicle Department and the Fish and Game Commission with a list of those persons who have not paid poll and head taxes.

If there is any question concerning a tax bill it should be resolved promptly in order to avoid interest charges for delayed payments after December 1 of the tax year.

Uncollected taxes as of January 1, 1961, in the opinion of town officials, were much too high, due possibly to two factors: that taxpayers failed to inquire promptly about adjustments, neglecting meanwhile to meet their obligations; and that Meredith does not advertise unpaid taxes immediately after the December 1 due date, so that the taxpayer in arrears has a false sense of security.

The uncollected taxes place a financial strain on the Town and persons who remit their share of Town costs promptly are carrying the burden of responsibility for their defaulting neighbors. The Town is placed in an embarrassing situation when it tries to meet monetary commitments and is forced to borrow in anticipation of taxes.

It is important for every citizen to bear in mind when he votes at Town Meeting for various appropriations, that he is committing his town to certain financial obligations. These obligations can be met only through taxes assessed on this voting citizen (if he is a property owner) and his neighbor. He must stand ready to pay them promptly if his town is to remain solvent.

GEORGE D. RUSSELL

Tax Collector

Librarian's Report

In January the Trustees initiated a thorough weeding of obsolete material from the stacks with the experienced assistance of Mr. Roy Thomas of the State Library Extension Service. After my employment in February we continued this undertaking, completing it by early summer. Many people helped us during this period, doing many necessary chores, from correcting the card catalog to moving books.

Suggestions from the Extension Service have been invaluable in organization, replacement of basic or classic volumes, and in direction to resources. Two Neighborhood meetings, one on Juvenile books, the other on Teen-Age reading have been profitable experiences.

The proceeds of the Book Sale held on the Library lawn at the end of the summer, and the balance in the Colonel Cummings fund have been used to buy books from basic reading lists and reference works. A gift from the Eva Beede Odell Trust Fund has added many volumes to the Arts department. Some worn Juvenile books were replaced by means of a contribution of \$50.00. For these and numerous other gifts we are most appreciative.

In the past year we have added 321 Adult books; 187 Fiction; 134 Non-Fiction: 522 Juvenile books; 317 Fiction; 205 Non-Fiction. The total circulation figure for 1960 was 18,317, an increase of 1,988 over the 1959 figure and 2373 above the 1958 figure. Of particular interest, the Juvenile circulation increased by 1,934 in 1960.

However, circulation figures tell only a part of the story of Library service and usefulness to the community. Our reference room is frequently overcrowded but with a modest outlay of money for furnishings we hope to be able to provide a useful room upstairs in early 1961. The Librarian has been offered approximately \$300 towards equipment for this reading room provided the sum is matched by other contributions. We are making every effort to improve our reference department whenever money is available.

The cooperation of our School Supervisor, Principals and teachers is much appreciated, as well as all the assistance we have had from so many friends of the library in so many ways.

Respectfully,

CONSTANCE S. RAMSEY

Librarian

Report of Water Commissioners

To the residents and property owners of Meredith:

As most of you are no doubt aware, there was a great deal of activity in this Department during 1960.

To begin with, we realized that the Whitman and Howard survey (highlights of which follow this report) would indicate that much work was necessary in order to bring the present system up to proper operating efficiency so we decided to first concentrate on cleaning up all the "loose ends" that needed doing.

We first corrected a bad situation of inter-connected services on Colby St. by extending the main from Waukegan St. to Canal St. where we installed a new hydrant on the corner. Before this work was completed the State Highway Dept. acquired the old Colby Ice House so we continued the main down Canal St. for the short distance necessary to pick up their service.

The Bay Shore Drive extension, which was covered by Agreement several years ago but never completed, was our next concern and this Agreement has now been fulfilled.

Since the State was preparing to re-surface Main St., we decided to replace any old services that seemed to be in poor condition and also the hydrant opposite Beach St. This work took considerable time and effort but was certainly worth while if it avoided ripping up new pavement in another year or two.

Incidentally, we learned a valuable lesson when we replaced the hydrant opposite Beach St. In order to relocate this hydrant back of the proposed new sidewalk we actually laid a brand new line from the main and discovered that a flow test at the new location indicated better than 700 gallons per minute where the old hydrant location had indicated only 420 gpm. From this it seems apparent that we should plan a program of hydrant relocations which should increase the efficiency of our fire flow protection.

We also hired a skin diver to help us locate some of our troubles at the reservoir and, as a result, were able to free all of the valves which we were previously unable to operate.

We regret to say that our delinquent accounts, although fewer in number, are greater in amount than they were last year at this time. However, the amount of carry-over from previous years has been reduced. Apparently many customers of the Water Department prefer to wait six months or so before paying their bills. This is an unfortunate situation, and, although we do not wish to create any hardships, we feel that it must be corrected. We tried using stern methods last year with reasonably good success but it is evident that even sterner methods are required.

As of December 31, 1960 we had 171 delinquent accounts amounting to \$7,007.03, because of which we had to borrow \$5,000.00 to tide us over. This money will be paid back out of earnings as soon as possible.

Now that most of the so-called "loose ends" have been cleaned up, we intend to proceed with the first steps indicated in the Whitman and Howard survey.

Our first concern will be to extend the water main north on Route #3 from the corner of Lang and Dover Sts. to the present main where it serves the K and M sprinkler system. This will give us a complete loop around the town and enable us to clean or replace mains in the future with little disruption of service. Whitman and Howard, Inc. have also recommended this as a first step.

We also hope to build a treatment plant as soon as funds are available and the necessary land can be acquired.

Once these things have been accomplished we can begin a program of cleaning and replacing mains to correct the poor volume conditions which now exist.

In closing we wish to call your attention to Article #5 of the Town Warrant which authorizes the Selectmen to borrow money on the credit of the Water Department. This Article will appear in every Town Warrant from now on in case the necessity for additional funds should arise. In prior years a similar Article always appeared in the District Warrant. You will note, however, that any money borrowed under this Article will be expended under the direction and supervision of the Water Commissioners and must be paid back out of Water Department earnings with no obligation on the part of the taxpayer. Also, the amount of such borrowing is limited to \$45,000.00 and any thing over this amount would have to be submitted to the voters.

If Article #5 is approved, it is our intention to request the Selectmen to issue notes for the amount needed to proceed with the extension on Route #3, the acquisition of land, the building and equipment of a treatment plant plus a start on the cleaning program. It is our best judgement that \$20,000.00 will be sufficient for this but we shall request only enough to cover that work which we believe can be completed this year. In other words, it is our intention to make the existing system as efficient as possible as quickly as possible without burdening the taxpayers with another bond issue and without burdening the water users with any increase in rates. We believe this can be done with reasonable promptness and efficiency if we use proper judgement and reasonable caution.

Respectfully submitted,

JOHN W. RIDEOUT
LEON M. HATCH
WILLIS J. REID, JR.

Water Commissioners

Highlights of Whitman and Howard Survey

The New Hampshire Board of Underwriters has established a basic fire flow requirement of 1,500 gallons per minute (gpm) for the business area of Meredith. In general, flows of 1,000 gpm are desirable in residential areas with a minimum flow of 500 gpm, which is the equivalent of two fire hose streams. These flows should be available with a minimum residual pressure of 20 psi. (The hydrant at Main St. and Raidroad Ave. was the only one of the 15 locations tested on June 14 and 15, 1960 to meet these minimum requirements.)

The existing fire flows are grossly inadequate, and a program should immediately be under taken to improve conditions in the Business District especially: Such a program should include cleaning most of the 6-inch, 8-inch and 10-inch pipes, replacing 4-inch pipes with larger pipes and providing future storage in the North Section of the Town.

The capacity of the piping system can be doubled by cleaning and removing the accumulated tubercules and rust. The cleaning, however, will remove any remaining tar coating and corrosion would again lower the capacity in a few years. For several years, it has been the practice to treat similar water with a phosphate under the trade name of "Calgon". (See Note) This chemical coats the inside of the pipe, decreases the rate of corrosion and usually eliminates red water complaints. We recommend cleaning the following water mains and adding "Calgon" to the water to retain their carrying capacity.

This will increase the flow at Main Street and Stevens Avenue from 720 gpm to 1,500 gpm and from 475 gpm at Main Street and Route 3 to 1,200 gpm. The flow at the end of the pipelines on Pleasant Street and Routes 3 would be 500 gpm.

Note: Where Calgon is mentioned in this report, The State Department of Health recommends that a soda ash or similar solution be substituted.

(Immediate and Long Range Program)

Estimate of Costs:

1.	Repairs to Gate Structure	\$ 2,000
2.	New Treatment building and equipment plus equipment at Pumping Station	\$12,000
3.	Cleaning 27,800 feet of water pipe as listed in report	\$ 6,000
4.	Pipeline replacements	
	St. James & Highland St., Red Gate Lane	\$12,000
	Waukegan Street	\$ 3,000
	Elm Street	\$ 8,500
5.	Well testing program	\$ 1,500
	Additional test work and pumping test if supply is located	\$ 2,500
6.	Future 500,000 gallon standpipe including foundation and valves with allowances for engineering and contingencies	\$53,000

Recommendations:

1. The gate structure at the reservoir should be immediately repaired so all valves can be operated; new intake screens should be provided, along with other miscellaneous repairs to the footbridge abutment and the building itself.

2. A building should be constructed just below the dam with a flow meter to record water consumption and equipment to automatically treat the supply with chlorine and "Calgon".

3. A flow meter and "Calgon" feeder should be installed in the Lake Waukegan pumping station.

4. When the above work is completed, the water mains should be cleaned.

5. A program of pipe replacement should be started and completed as soon as finances allow. We would urge priority be given to the 8-inch pipe up St. James Avenue, Caverly Street, Highland Avenue and right-of-way to Red Gate Lane, the replacement of the 4-inch pipe in Elm Street with 10-inch pipe and the replacement of the 4-inch pipe in Waukegan Street with 8-inch pipe.

6. A standpipe location about 150 to 200 feet square should be acquired northerly from the Inter-Lakes High School on high ground near Route 25 and Keyser Road with road and pipeline easements as required.

7. The area along Hawkins Brook should be tested for a well supply, and the site acquired if the results are favorable. The minimum site should have a radius of at least 400 feet from the well. If the results are not favorable a suitable site on Lake Waukegan should be acquired for future water treatment plant and lake intake line.

Report of Secretary of the Public Health Nursing Association

The following slate of officers brought in by a nominating committee composed of: Mrs. Dorothy Wilkins, Mrs. Clara Cooper and Mrs. Lillian Trombley at the annual meeting on Jan. 11, 1960, were unanimously elected to serve for the ensuing year: Mrs. Barbara Neal, president; Mrs. Blanche O'Brien, vice pres.; Clyde C. Smith, treas.; Raymond Pickering, secretary; Mrs. Marjorie Piper, Mrs. Beverly Bacon and Maurice Taylor, directors. The program planned for the meeting was cancelled and an informative and interesting talk on Family Service was given by Mrs. Elizabeth Lincoln. At the April meeting it was reported that the Lions Club would sponsor a school Polio clinic and would hold a dance to provide funds for the project. This was done and on Thursday, May 12, 1960, Meredith's first school Polio clinic was held at Inter-Lakes high school under the sponsorship of the Lions Club in cooperation with the school nurse and the Nursing Association, with vaccine provided by the State Dept. of Health. Three hundred and thirty four protective shots were administered by Dr. R. J. Turley, school physician, to children in regular classes and pre-schoolers who would enter school in September. Among those receiving first shots were several ranging in age from 15 to 17 years. School nurse Frances Marks and Public health nurse Ann Hickey were assisted by Amy Brown (school nurse from Center Harbor), Violet Allen, Stella Roux, Beverly Bacon R.N., Mildred Rand and Mr. and Mrs. Raymond Pickering. Dr. Turley and his staff were also particularly appreciative of assistance at the school by Principal Maurice Taylor and to "Brad" Sprague for transportation. A second in the series of Salk vaccine inoculations was administered at the school on June 16, with the same assistants, except that Mrs. Patricia Bushman R.N. also assisted at this time. The two clinics were much appreciated but the Nursing Ass'n was concerned with the fact that a third, which was due in December, had not been announced and the secretary was instructed to write Supt. of Schools for information concerning arrangements for scheduling this clinic which was also contemplated to include pre-school age children who would enter school in Sept. 1961. Thus far we have been unable to get information in the matter. Mrs. Patricia Bushman R.N. who was serving as Public Health nurse in the absence of Mrs. Hickey, reported that 173 persons had received chest X-rays on Tuesday and Wednesday, Aug. 31 and Sept. 1,

while the mobile unit was in town. Because of the necessity for moving the machine to an unadvertised location, it probably resulted in a lesser number availing themselves of the opportunity than would have, otherwise, been the case. However, we are grateful to have been of service and hope for the return of the unit at a future date. The X-ray service was offered by the State Dept. of Health in cooperation with the Nursing association, which had requested it. Our Public Health nurse, Mrs. Hickey, requested a summer leave of absence without pay from June 15 to Sept. 15 and we were fortunate in securing the services of Mrs. Bushman as relief during this period. Mrs. Bushman later substituted during two weeks of Mrs. Hickey's annual vacation. Since she was unable to continue, Mrs. Hickey accepted a cash payment for the balance of vacation time due her. The Association's annual appeal for memberships and contributions went out over the secretary's signature on July 11. The amount received to date in response to the appeal is \$291. just \$16 more than last year. The association presently has 106 active members and 68 contributing. It has been a busy year in Association activities and the executive board has with few exceptions, met on the second Monday evening of each month to discuss projects and problems, instead of quarterly as previously.

We are grateful for the support and cooperation by townspeople and we feel that in return, the Association has amply justified its existence in providing the town with the full time service of an excellent, capable and well qualified registered nurse; in providing special sickroom equipment for use where needed; for transportation in special needs and many other services within its province. While no planned program ever quite reaches the perfection desired, the Association feels that any failure to use the P.H.N.A. services to their full capacity for service to the public, has not been due to any failure of the Association or the nurse, but to circumstances over which we have no control. Again, we thank all who have contributed or cooperated in any way and ask for continued cooperation and opportunities to be of service in the year ahead.

Respectfully submitted,

RAYMOND V. PICKERING

Secretary

Report of the Town Nurse

January - June 1960 - September - December 1960

Number of Cases	411
Welfare	48
Crippled Children	3
Retarded Children	2
Neo-Natal	7
Post-Natal	16

One (1) Child to Orthodontist

One (1) Child to Laconia Clinic

One (1) Adult to T. B. Clinic

Three (3) Adults transported to Laconia Hospital

There was a consultation with Miss Clarke of the State Department of Health on our program in Meredith. This was attended by Mrs. Beverly Bacon and myself.

Mrs. Bacon and I also attended Workshop on "Sight and Learning" at Concord. Also, one on "Sight" at the High School given by Dr. Wollston.

As a Nursing Representative on the Belknap Committee on the "Aging" I attended three group meetings in Laconia and the State Meeting in Concord.

I arranged for Mrs. Comstock, State Public Health Nurse, to speak to a Future Nurses Group at the High School and transported five of this group to an open house at Crotched Mountain.

I appeared at several of the local church groups to enlarge upon our program.

I assisted Mrs. Comstock and Mrs. Marks at two Polio Immunization Clinics.

Our latest activity is assisting Mrs. Comstock, Public Health Nurse, on the T. C. case load.

This is a very recent beginning, but I think it will be of great help in bringing our Public Health Program before the public.

There was a very successful visit of the Chest-Mobile this summer and 173 residents took advantage of this service.

In serving the Town, I wish to thank all the many organizations and citizens who have helped in many ways.

There have been gifts of clothing, food, linen and toys.

At Christmas and Thanksgiving, many enjoyed a Happy Holiday who would not otherwise have done so except for these generous people.

I thank you.

ANN HICKEY, R.N.

From June 15th to September 15th, Mrs. Patricia Bushman served as Public Health Nurse and her report is included in above.

Meredith Public Health Nursing Association

Report of Treasurer — 1960

Balance—January 8, 1960 \$ 515.04

Permits and Licenses

Permits or Licenses are necessary for the following and are issued by:

Forest Fire Warden:

Permission must be obtained from the Forest Fire Warden before kindling any fire out of doors including incinerators and out-of-door fireplaces, except when the ground is covered with snow.

A seasonal permit may be issued at the discretion of the Warden.

Town Clerk:

- Beano Licenses
- Bowling Alley Licenses
- Dog Licenses
- Burial Permits

Town Office:

- Sewer Entrance
- Pistol and Revolver Permits

Chief of Police:

- Itinerant Vendors

Fishing & Hunting Licenses are available from the following:

- Brown's Boat Basin
- Lewis Veasey (Non-Resident only)
- Waldron's Dugout

Report of Police Department

The Meredith Police Department is privileged to report to the citizens of Meredith that your Police Department was, on two different occasions, cited by the Commissioner of Motor Vehicles for the year 1960.

The first citation was issued for the co-operation and support given by your Police Department in contributing to the enforcement of motor vehicle safety laws and accomplishments.

The second citation consists of a Certificate of Achievement, issued by the Commissioner of Motor Vehicles to Meredith and the Meredith Police Department, for having completed the year 1960 without one fatal motor accident.

Your Police Department is a law enforcing agency; the officers and members are basically peace officers, whose basic functions are two-fold: first, the enforcement of the law and secondly doing everything within its power to preserve and bring about a constant state of peace and tranquillity within our community. Being conscious of our duties to the community and the individual citizen, the Meredith Police Department had a very active year.

In 1960, the individual arrests, made by the department, were approximately double those made in 1959 and at this point it might be worthwhile to point out that most of the activity of the local Police Department is concerned with motor vehicles and motor vehicle violations. The department, on all occasions, has received the complete co-operation of the Court, which co-operation, in the opinion of the Police Department, has contributed in no small degree to the fact that Meredith did not have one fatal motor vehicle accident throughout the entire year, with the net result that the case load of the Court was greatly increased. The Court heard and disposed of 255 individual complaints, collecting \$4,872.02 in fines of which approximately, \$1,825 was paid to the Town of Meredith and the balance to the State of New Hampshire.

As the result of the personal, untiring efforts of the Civilian Defense Director for the Town of Meredith, Sheriff Perley A. Beach, the Police Department has added a few radios, consisting in part of a two-way set placed in the home of the Police Chief; 2 two-way sets placed in the fire trucks, plus a walki-talkie.

The department, at this time, would like to call the attention of all citizens to the procedure to be followed in case of an emergency, such as drowning, fire or any other matter requiring immediate attention. For the purpose of saving that precious moment or two, which may mean the difference between life and death, all citizens are requested to dial CR 9-6260; which system is connected with the Red Network. Under the Red Network system, all phones tied into the system receive 24 hour attention and are available for just such emergencies. You should calmly, clearly and distinctly, give your name, the nature of the emergency and its exact location. The Red Network, in turn, will immediately notify the Fire Department; this notice will be given within a matter of seconds. Your Fire Department is equipped with a highly competent, trained first-aid crew, respirators, oxygen etc.

In the event of a motor vehicle accident, or other matters requiring police attention, every citizen should call the Town Office Building, CR 9-6131 on week days in the hours of 8 A. M. up to 5 P. M. and on Saturdays in the forenoon up until 12 o'clock noon. At all other times, requiring police aid or assistance, you should call the home of the Chief of Police, CR 9-6285 or the home of Officer Herbert Horne, CR 9-4289.

In the event that it should be necessary for any citizen to contact a State police officer or trooper, the citizen should call the Laconia Police Department whose telephone number is LA 4-5252. Give the officer answering the desired information and the Laconia Police Department will immediately contact the desired State trooper by radio.

The Meredith Police Department is happy for this opportunity to pay tribute to the activities of our auxiliary police force who, in the year 1960, have held regular monthly meetings and were co-operative, active and effective during the gala weekend celebration, the several parades, horse show, fireworks, Memorial Day parade, air raid emergency tests etc. Your Police Department takes this opportunity to congratulate the auxiliary police force for the splendid work of the auxiliary police in arranging the Halloween and Christmas Eve parties for the younger children of the community. Your Police Department, and we are certain, all the citizens of Meredith are proud of our auxiliary police force.

Respectfully submitted,

NORMAN R. MARTIN, Chief

The probation department hereby wishes to acknowledge the aid of the police department, judges and others who have made the work of this department more helpful towards the probationers and those against whom the offenses were committed.

Respectfully submitted,

THOMAS L. KEMP

Probation Officer

Report of Civil Defense

I wish, at this time, to submit my report for the year of 1960. Civil Defense kept active throughout the year. On May 3rd, an air raid test alert was held with the Auxiliary Police Department and Fire Department participating.

During the year, four Fresh Air Masks with four extra supply tanks were purchased for the use of the Fire Department through the matching funds program. Two mobile radio units were purchased under this plan for the use of the Fire Department and also one hand portable unit. There was also a console control unit purchased and installed in the Chief of Police's home. This now makes a complete tie in of the Fire Department, Police Department and the Highway Department with a central control at the Town Office Building. We now have what is called a model unit of radio set-up.

Civil Defense has also taken advantage of the surplus commodities program through the New Hampshire Distributing Agency. There have been several articles purchased for the Highway and Fire Department and Police Department.

This past year the Auxiliary Police Department has held monthly meetings with the exception of the three summer months and were very active during the gala celebration in August.

I hope in the coming year that we may be able to hold a few drills utilizing all branches of the Civil Defense Agency in the Town of Meredith.

Respectfully submitted,

PERLEY A. BEACH

Director

Report of District Fire Chief

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed - all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First - by setting a good example YOURSELF - being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second - by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning - don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles - make sure they are out - use your ash tray.
5. Don't burn at home - use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires - 4

Number of acres burned - 1

Number of permits issued - 300

HUBERT C. HARTWELL, JR.
District Chief

ALBERT SPRAGUE
Forest Fire Warden
