Selectmen's Report

The selectmen this year issued two statements of policy.

Because of the rising costs of fuel, labor, and maintenance it was decided after a meeting with the road agent that all town roads and driveways would not be plowed until the snow fall reached a minimum of three to five inches. Mr. Corrigan (Road Agent), felt that this actually was no change, as he would not normally plow before the above minimum depths has been reached. We did however receive requests to plow, as in some instances drifting snow had made passage difficult and in all such cases the problem areas were taken care of.

The selectmen offer this explanation of Article # 23 (petition article), which they felt is a result of the second statement of policy.

In an effort to conserve fuel in the uninsulated "old town hall", it was decided to limit its use when the total number of people gathering was below twenty-five. All organizations, groups and clubs were notified by mail of this policy change. The use of the facilities in the "new town hall addition" would be available.

This statement of policy was not intended to inconvenience anyone. The main building is still available for any function when the group is larger than twenty-five and also in the non heating months.

GOVERNOR'S COUNCIL ON ENERGY

Energy compliance forms must be submitted for approval by anyone that contemplates erecting a heated addition or new structure on their land.

Forms may be obtained at the Town Hall or through the Governor's Council on Energy.

1981 WARRANT ARTICLES

Article # 23 was presented to the Selectmen by petition

Article # 24 and # 25 was presented to the Selectmen by petition.

If the town votes to accept these roads, stipulations by the Planning Board will allow the Selectmen to oversee the roads and at their discretion to take over the maintenance.

Article # 26 was presented to the Selectmen by petition.

NEW BUILDINGS

The Stever's built a new home on Mt. Crescent Road.

Dr. and Mrs. Persons built a new house off Boothman Lane.

Mr. and Mrs. Kenneth Corrigan built a new house on Valley Road.

Mr. and Mrs. Daniel Corrigan placed a house trailer on Rt. 2.

There were many changes in ownership this year and a number of building lots were sold during the year. We wish to welcome all new residents to Randolph.

Librarian's Report

If you have lived in Randolph for any length of time you have begun to realize the unique and very special people who are your neighbors. I doubt that there is another community in New Hampshire that has had such an extensive list of published authors among its past and present population. This past summer the library had nine additions to the "Randolph Authors" shelf. The first was a special treat for me in that it was a collection of poems by Mary Edgerly, past librarian of the Randolph Library. The proceeds of her books will go to the library fund to purchase new books. The second addition was a book entitled "Thrust For. Canada" by Robert M. Hatch. The third was a gift from Barbara and Don Wilson a volume of superb creativity called "Open Mandala Journey" by Mary Campbell. The remaining six volumes are gifts of John Shimer and his wife Genevieve Vaughan - Jackson. Three on geology and three childrens books. A very special thank you to each of you for your gifts. Along with these additions to our shelves were 106 other volumes. The majority being childrens books donated by Andrea Garcia. The Home Dem. group, the Purcells, Mrs. Robert Hatch, the Malicks, and the Abbotts are the other library contributors for 1980. Thank you for your generosity.

The numbers of people frequenting the library between July 4 and Labor Day were down from past years. We had a total of 178 visitors who took out a total of 339 volumes the majority being adult non-fiction.

The Library Trustees and myself invite each of you to visit the library this next summer. I think you will be pleasantly surprised by the excellent selection of books.

Planning Board Report

1980

The Randolph Planning Board has received fewer applications for subdivisions of land during the past year as compared with the previous year; however, the total number of lots that will potentially be made available for sale has increased. This has been due to the Raycrest Inc. application for an additional subdivision of fifteen lots mostly of 1.25 acres each.

The Board has spent a great deal of its time reviewing the Raycrest application as there are some serious problems with the proposal as initially presented (layout, soils, water, etc.). The difficulties have been compounded by the possible Raycrest Inc. lawsuit against the Town over a difference in interpretation of the State of N.H. RSA covering planning boards. At this writing the Raycrest Inc. application is still under review.

With the potential social, economic, and health impact upon the town made greater by unplanned rapid growth, the Sounding Board's Comprehensive Plan for the Town is taking on ever greater importance. The Sounding Board has been doing a very thorough job of conducting an inventory of the Town's resources. They are now assimilating the information and beginning to formulate a consensus as to the direction type, and timing of growth for the Town. The Planning Board would again like to urge all residents of the Town to communicate with the members of the Sounding Board their ideas and concerns for the future of Randolph over the next five years. This is especially important as the Sounding Board has set June, 1981, for the completion of their Comprehensive Plan.

The Planning Board would also like to urge the people of Randolph to continue to join the North Country Council for the ensuing year. The Council offers many services and provides valuable information not only towards the development of a Comprehensive Plan, but also by assisting the Planning Board and the Selectmen in planning matters. This should be considered especially in light of the added work load and legal responsibilities placed upon the Town annually.

We continue to hold our regular monthly meetings at the Randolph Town Hall on the first Tuesday of each month at 7:00 p.m.

Sincerely,

RANDOLPH PLANNING BOARD

Randolph Sounding Board

The Randolph Sounding Board was formed by invitation from the Planning Board in January, 1980. At the initial meeting chaired by Sandy Harris, the officers, David Tomlinson and Mildred Horton-co-chairmen, Guy Stever-Secretary and Barbara Wilson-Clerk/Treasurer were selected. Sounding Board meetings have been held each month. Of the original 19 members, 15 are still active, two replacements were selected by the Planning Board.

The purpose of this group was to develop a community master plan. This plan, through a collection of information and concerns about the town, would be a guide for future growth. The information was obtained by dividing the group into committees of Population, History, Housing, Education, Seasonal Segment, Open Space, Commercial, Economic Environment and Public Works. The concerns and attitudes were obtained through a questionnaire distributed to all residents, both year-round and seasonal and to land owners.

Results from the questionnaire majority of those responding indicate a strong desire to maintain the town in its present form with only moderate, if any growth. People like Randolph. The majority favor public control of residential development, commercial development and roadside advertising.

Reports from all committees have been received and will form the technical back-up for the recommendations of the final report. The first draft of this report is presently being written.

The initial objective of the group was to have the master plan ready for publication and presentation at the 1981 Town Meeting. In an effort to not sacrifice the quality of this report, a revised completion date of June 15 has been set.

Current members of the Sounding Board are David Tomlinson, Mildred Horton, Guy Stever, Barbara Wilson, Judy Kenison, John Colarusso, Katherine Wood, Bob Gilligan, Jeanie Palm, Vivian Bean, Steve Hartman, Daphne Cross, Arline Eisenberg, Almon Farrar, Mabel Richardson, Bob Corrigan and Harold Legassie. Steve Stiles, Greg Glines, Bruce Cairns and Jerry Cleary were forced to drop out due to other commitments.

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half-century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best fire records in the United States.

To the RESIDENTS of Randolph, N.H.:

Another year of Police Activity has slipped into History and Statistics. Reviewing the latter with cognizance of the ever increasing Crime Rates brought about by the economy; we have held our own rates below the Nationwide "NORMS". The excellent co-operation with our residents reflects the low figures and I personally wish to thank those permanent or Summer residents who supplied us with descriptions or registration numbers and other data relative to our work. It has often lead to positive results and has resolved many an incident to a proper conclusion. Also desire to point out the excellent co-operation received from Troop "F" State Police, Gorham P.D.; Berlin P.D.; and other surrounding agencies. Especially wish to call attention to and thank the Androscoggin Valley Hospital Staff for their ready service to the Community and the professional acumen displayed. During 1980, the writer had occasion to make four high-speed emergency runs with cruiser to A.V.H.; during same, advising by radio, the hospital of details and requesting ROAD COURTESY from Gorham and Berlin Departments. In spite of Road construction sites (And in one instance: a serious congested accident scene), the writer was given clear passage by these departments and the State Police. In my last run, this excellent co-operation permitted a travel-time of 17 minutes from Western Town Line to the A.V.H. with a seriously bleeding child. As always, upon arrival Doctors and other staff were waiting to handle matters; a tribute to their service set-up.

The Cottage patrol, by G. Alan Lowe, Jr. Ass't Chief, located many open windows and doors (Left so by owners or created by the weather). House breaks were also identified.

The writer traveled a total of 13,390 miles during patrol, investigations, court appearances, and answering emergency complaints. (Many in the 'Wee' hours of the morning!) Statistically, Randolph's Police Activity Year looks like this:

ACCIDENTS (Vehicular)	23
AIDED CASES (Injured, Heart Attack, Bee Stings, etc.	24
ARRESTS	4
ARMED ROBBERY (By knife-point)	1
AUTO THEFT (One recovered)	3

BURGLARY CALLS (7 unfounded; of 11 remaining - 5 had losses)	18
CRIMINAL MISCHIEF (1 still pending)	2
CRIMINAL THREAT (Both subjects located; adjudicated. . . . no arrest)	2
DISTURBANCE CALLS (Fights, excessive noise, etc.)	11
DOG COMPLAINTS (Lost, found, injured, nuisance, etc.)	29
FIRE CALLS (House, vehicle, brush, etc.)	6
FOA (Other authorities) CALLS (Road blocks, arrests, earrents, etc.)	5
GARBAGE COMPLAINTS (Illegal dumping, etc.)	5
HEALTH HAZARDS REPORTED	3
LARCENIES (From parked vehicles)	11
LARCENIES (Other)	7
MISCELLANEOUS CALLS	12
NARCOTICS COMPLAINTS (Subjects located; warned).	3
OPEN DOORS AND WINDOWS LOCATED (3/4 by cottage patrol)	21
PROPERTY FOUND (Owners located; returned)	3
PROWLER CALLS (All night-time)	6
ROAD ASSISTS (Cars off road; breakdowns, etc.)	27
SNOWMOBILE COMPLAINTS	4
SUMMONS SERVED (Traffic) (all P.G.)	9
SUSPICIOUS PERSONS CHECKED (Many rec'd by citizen's complaint).	23
SUSPICIOUS VEHICLE COMPLAINT (Ditto)	85
TRAIN ACCIDENT.	1
TREE DOWN CALLS	9
TRESPASSERS LOCATED.	23
VEHICLES BLOCKING SNOWPLOWS (All removed)	7
WIRES DOWN CALLS.	17
Beside above; writer covered many traffic details and Public gatherings to regulate flow, provide safety and keep the peace.

Report of Director of Defense Civil Preparedness

The year of 1980 saw many changes come about in the procedure, operation and management of the Federal Defense Civil Preparedness Program. As the year drew to a close a new Federal entirety was formed: FEMA - Federal Emergency Management Agency. All U.S. efforts for war or civil disasters will now come under and be handled by this one agency. New laws have been passed to clarify and specify community responsibility in the program. Your Director attended two meetings; filed all necessary status papers and other reports as required. We are up to date in all of our local phase work on disaster and observations for potential disaster.

With this report, may I make our Randolph Residents aware of the movement of nuclear, chemical and other hazardous materials on our highways and railroads. In the event of an accident, the populace is warned to keep a safe distance from any such accident, notifying the proper authority of same if it has not been done. National statistics have revealed the need for 'on-lookers' to disperse rather than gather. Many lives were lost needlessly.

Total expenses incurred for the year were at a minimum

Report of the District Nurse

January 1, 1980 - December 31, 1980

The following services were made available to the people of the Town of Randolph:

	Total Attended
Monthly Immunization Clinics	2
Yearly Preschool Vision and Hearing Screening	
Preschool Dental Clinics, twice a year	4
Adult Health Clinics	3
Skilled Nursing Visits	11

The Gorham District Nurse helps families to fill out application forms for the State sponsored clinics held at the Androscoggin Valley Hospital and Lancaster's Beatrice Weeks Memorial Hospital.

Programs:

Handicapped Children's Clinic

Children's Cardiac Clinic

Sight Conservation - a program whereby an applicant's vision is tested and corrective lenses are purchased, provided income criteria is met.

1980 produced no long-term illnesses requiring many nursing visits. However, the services were available.

The Gorham District Nursing Association works on a 40 hour a week basis.

Medicare reimbursement is available through contract with the City of Berlin Health Department. For eligibility, one has to be 65, homebound, and referred by a physician or other Health Facility.

Respectfully submitted,

Denise J. Demers, R.N.

Report of Superintendent of Schools

To the Citizens of the Randolph School District:

The 1981-82 school year holds promise of being a rather difficult one for many New Hampshire Communities due to inflation, decreasing State aid, increasing demands to provide extra services to segments of the school population at the expense of other segments, and increasing requirements placed upon the schools by the state and federal governments. My report will attempt to deal with these problems and the impact each will have on Randolph during the coming year.

EDUCATIONAL SURVEY

As I am preparing this report, you will have received an educational survey from the Randolph School Board seeking your opinions on several matters. Hopefully, you will have agreed to participate and to respond to the questions in the survey.

The results of the survey will have been tabulated by the time you read this and will have been made available for study. Your opinions on the results should be passed along to your school board members who, in time, will use them to form recommendations and decisions with regard to Randolph's future relationship with Gorham.

SCHOOL WARRANT

Articles 3 and 5 represent the only changes in this year's warrant as compared to that of a year ago.

Article 3 deals with the issue of renewing the district's tuition contract with Gorham for the next three (3) years. As required by law, all matters obligating the district for more than one (1) year must receive voter approval. I am sure you will make the decision on the basis of whatever is best for your children.

Article 4 makes a request for \$4,000.00, an increase of \$1,000.00 over the past year. It was felt the increase was necessary to meet the expected higher costs of a new bus sometime in the future.

TUITION RATES

This past year the Gorham School District made a strong and

successful effort to slow the rate of tuition increases experienced these past few years. Essentially, the budget was held below the previous year's level. This not only reduced taxes in Gorham, but also stabilized the tuition rates for the first time in many years. The results of this effort may be clearly seen in the table below:

	<u>1980-81</u>	<u>1981-82</u>
Kindergarten	\$ 698.00	\$ 669.00
Elementary	\$1,396.00	\$1,338.00
Junior High	\$2,257.00	\$2,291.00
Senior High	\$2,330.00	\$2,646.00
Special Needs	N/A	\$3,529.89

As the results indicate, the Gorham School Board was reasonably successful in its efforts to slow and stabilize costs with regard to kindergarten, elementary, and junior high school. It would also have been successful with regard to senior high school had it not been for a continuing decline in enrollments.

When one considers the projected State average per pupil costs based on 1979-80 expenditures for 1981-82, the costs proposed by the Gorham School District are very much in line with the exception of the senior high school.

	<u>Projected State Ave.</u>	<u>Gorham Rates</u>
Kindergarten	\$ 850.00	\$ 669.00
Elementary	\$1,700.00	\$1,338.00
Junior High	\$2,000.00	\$2,291.00
Senior High	\$2,200.00	\$2,646.00

I am not hopeful, however, that tuition rates beyond the 1981-82 school year will be contained or stabilized. There are simply too many upward pressures on costs throughout all areas of the budget.

ACCOUNTABILITY

The New Hampshire State Department of Education has mandated that all school districts develop a plan by which students in selected grades will be tested to determine if they have reached an acceptable level of competence in the areas of language arts, mathematics, U.S. History & Government, and New Hampshire History & Government. The plan is presently nearing completion with a tentative date of late spring scheduled for the actual testing.

The results of the testing, when tabulated, will provide the school with some information to determine if the children on the whole have reached an acceptable level of competence.

Strong and weak areas will be identified and used to further strengthen the school's programs. Further efforts will also be made to assure that each student has been taught and has learned the necessary skills required on his/her grade level.

STATE AID

At a time when costs are increasing, when the state and federal government are increasing their mandates to local school districts, both the state and federal government are decreasing aid to carry out those mandates. Of particular note in recent months has been the funding problem in the area of handicapped education. The basis of the problem can be found in legislation passed several years ago when New Hampshire made the decision to place the problem of educating the handicapped under the jurisdiction of the federal government. By so doing, the state hoped to receive federal financial aid equal to 40% of all excess tuition costs over and above twice the state average per pupil costs. Unfortunately, the federal government, due to inflationary pressure, has been unable to meet its commitments and thus has left the state with a shortfall of some \$6 million. To avoid a repeat of the problem in the upcoming state budget and to assure the promises it made to the federal government are fulfilled, proposed legislation would pass the excess costs on to the districts throughout the state. Rather than receiving 40% of excess costs as promised, districts will most probably receive 10% of excess costs or about \$163.00 per pupil. With regard to

the state making up the difference, legislation now being proposed will cap off costs and pass along all increases to the towns. This way the state will be able to continue receiving what little aid it can get without the worry of added costs. Unfortunately, the future promises no improvements. Rather, recent events would indicate that the problem will get much worse and could adversely affect nearly every community in the state.

SUMMARY

In closing, may I extend my thanks to all of those who have shared with us the responsibility of educating your children.

Respectfully,

ROBERT BELLAVANCE
Superintendent of Schools

MINUTES OF THE SCHOOL DISTRICT MEETING

Held in the Randolph Town Hall on March 11th, 1980 between 1531 hours (3:31 p.m.) and 1548 (3:48 p.m.)

School Warrant per page 54 of Town Report:

Art. 1. To choose a moderator. Art. 2. To choose a clerk.
Art. 3. To choose a treasurer. Art. 4. To choose two auditors.
Art. 5. To choose a member of the school board (3 year term)
Articles one to four are for the ensuing year. The results are given after the business School District Warrant.

Moderator Tom Bean opened the school district meeting at 1531 hours:

Art. 1. To determine and appoint the salaries of the school board, school district treasurer, auditors, census taker and truant officer and other agents of the district. C. Malick made a motion to accept the salaries of the previous year: Three school board members at \$100.00 each, Treasurer @ \$50.00; Two auditors @ \$15.00 each; Truant Officer @ \$10.00 and Census taker @ \$40.00. Seconded by P. Finegan. Passed by voice vote which was declared unanimous by the Moderator.

Art. 2. To hear the report of agents, auditors, committees and officers of the District. Motion made by G. Glines to accept the reports as printed in the Town Report. Seconded by Judy Kenison. Voice vote. Declared unanimous by Moderator.

Art. 3. To see if the District will vote to authorize the school board to make application for and to accept, on behalf of the District, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, private individuals or corporations or any federal or state agency and to expend same for such projects as it may designate. Motion made by Mrs. Wilson to accept this article as read. Seconded by P. Finegan. Moderator called for a voice vote and declared same passed unanimously.

Art. 4. To see if the District will vote to raise and appropriate \$3,000.00 and place same into the Bus Capital Reserve Fund for the purchase of a new school bus. Motion made by G. Stever to accept the article as read. Seconded by F. Holden and put to a voice vote by the Moderator who declared the article passed without opposition.

Art. 5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of

salaries of school district officers and agents and for the payment of the statutory obligations of the District. G. Glines made a motion that the sum of \$95,208.71 as shown in the District budget be raised and appropriated. Mary Ayer seconded this motion. Moderator T. Bean called for a voice vote and declared article passed unanimously.

(Mr. Bellavance had been asked a question in respect to the budget which he answered in brief and all present appeared satisfied.)

Moderator accepted a motion by F. Holden to terminate the school district meeting. Seconded by P. Finegan and he declared the meeting closed with thanks to Mr. Bellavance.
