You are hereby notified to meet at **The Roxbury Meeting House** in said **Town** on Tuesday, **the Eleventh (11th)** day of March, next at **7:00** of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. Appropriations: \$17,200.00
3. To see if the Town will vote to raise and appropriate the sum of \$9,800.00 for salaries and expenses of the Police Department.
4. To see if the Town will vote to raise and appropriate the sum of \$250.00 for Town Welfare and emergency assistance to the Town Poor.
5. To see if the Town will vote to raise and appropriate the sum of \$600.00 for expenses and maintenance of the Fire Department.
6. To see if the Town will vote to raise and appropriate the sum of \$300.00 for upkeep of the cemeteries.
7. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes and will vote to raise the sum of \$3,000.00 for interest expense.
8. To see if the Town will vote to raise and appropriate the sum of \$100.00 for a contingency fund.
9. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for summer and winter road maintenance.
10. To see if the Town will vote to raise and appropriate the sum of \$262.00 to support the Mental Health Service Program of Monadnock Family and Mental Health Service.
11. To see if the Town will vote to raise and appropriate the sum of \$24,065.96 for highway construction and reconstruction. SELECTMAN'S COMMENT: These funds for expenditure are designated to the Town through the Highway Block Grant Fund. The appropriation does not affect your tax rate, but to be properly expended a vote is required.
12. To see if the Town will vote to raise and appropriate the sum of \$300.00 as the Town's planning expenses and it's share of expenses for the operation of the Southwestern New Hampshire Planning Commission. These funds may be used for financing the staff, operation expenses, planning, studies, technical assistance and other programs of the commission. These funds may be used in conjunction with other State and Federal Funds available for planning purposes.

13. To see if the Town will vote to raise and appropriate the sum of \$12,480.00 to be paid for recycling center privileges in the Town of Marlborough. SELECTMAN'S COMMENT: This charge is based on our use of the recycling center and the cost to maintain it.
14. To see if the Town will vote to raise and appropriate the sum of \$1,500.00, as it's fair share of stand-by costs for the use of the City of Keene's ambulance service.
15. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to added to the Road Improvement Capital Reserve Fund previously established. The Selectmen recommend this appropriation.

# REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing any open burning. Violations of RSA 227-L:17, the fire permit law and other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the N.H. Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with fire suppression, prevention and training programs as well as the enforcement of forest fires and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws please call our office at 271-2217.

# ROXBURY POLICE DEPARTMENT

Complaints 1995 113  
Complaints 1996 165

Man Hours 1995 338  
Man Hours 1996 650

As you can see there was an increase of complaints received by this department this year as well as a large increase in the number of working hours. Much of this is due to a burglary investigation and problems that we had at Woodard Pond with college kids, such as illegal dumping, camping, abandoned vehicles, people consuming alcohol, fights, etc.

While tracking this activity we have taken a pro-active approach to these problems with increased patrols in those areas. The patrol time in general has usually been limited due to budget restraints. However, I found it necessary to increase patrols to curb the ongoing problem in the remote parts of town.

## HIGHLIGHTS

The highlights of the department this year include a serious assault at Woodard Pond, 2 stolen vehicles from Keene, which were recovered, one in a body of water the other was burned. Both vehicles were a total loss. We also had 2 children lost in the woods and 2 burglaries, one of which has been solved and the other is still under investigation.

## NEW OFFICER

This year we were faced with an unplanned situation. The court system mandated that we have an officer stand by at a house while belongings were being removed. This is usually done by the Sheriffs Dept. due to it being a civil problem. Police Officers can only enforce criminal and motor vehicle laws. However the court mandated that we handle it this time. Other towns are being affected by this kind of mandate, and this is being looked into. The amount of time required to do this required me to call in an additional officer from another town for assistance. At this time the dept. was very busy. Then having the complaint load escalate the way it did. I found that it became necessary to appoint another officer. This officer comes to us totally certified and has most all emergency equipment needed. He will need uniforms and miscellaneous equipment. He also has a flexible work schedule, which allows great assistance in town coverage. His name is

ROGER TURCOTTE

Other towns are not so fortunate as us. Most towns have officers that work day jobs and are only available at night. And the state police have to cover day calls. They are spread dangerously thin and cover two counties. People may have a substantial wait for a trooper. We still handle calls 24 hours a day.

## TOWN CRUISER

The cruiser is still the best asset we have. This year we had numerous calls in the wood and were able to get to them promptly. Also during ice and snow season we were able to get around to answer the accidents and burglar alarms in the remote areas. The cruiser is still in pretty good shape but needs a face lift. I hope to accomplish this during the year.

## 6 WHEELER

This vehicle has come in mighty handy this year. It allowed us to get to places we can't reach even with the 4-wheel drive vehicle. Chief Donohue has been a great help to us as he was patrolling the woods for illegal fires he as found other problems, which he has reported to me. It's a big help having another pair of eyes watching over the community.

911

The new 911 system has improved a lot this year, like all things new they had some bugs to work out. I want to make everybody aware that if you call 911 from your home the call will go to Concord and then to Keene which takes a short time. If you call from a cell phone the call goes to state police in Keene and if they have a trooper available they will send a trooper and not notify the Roxbury police dept. bare this in mind. If anyone has any questions about the 911 system please feel free to contact me anytime.

#### BUDGET

You will see that I have asked for another increase this year, this is due to not being able to predict the future. If the total hours worked are less than this past year, the additional will be turned back to the town. We now are finally getting up to standards and have most of the equipment we need. It's purely a precautionary measure.

#### SELECTMEN

I want to thank the selectmen for their support this year as we faced many problems, which they assist with. They were very supportive of the Police dept. and its needs. And without their understanding this year we could have had more rural problems than we had. This meaning more increased patrols in problem areas.

#### ROADS

My hat goes off to the selectmen and the highway dept. for a job well done. The accidents reported this year are down to a new low and the phone calls to the Police dept. referencing bad roads have stopped, again congratulations for a job well done.

If anyone has any questions or suggestions for the Police Dept. please feel free to contact us anytime.

Respectfully Submitted,  
Chief Neal F. Collier  
*Roxbury Police Dept.*

## REPORT OF ROAD AGENT

With the coming of spring the dirt roads in town needed some exposed culverts covered. A new culvert pipe was placed on Hardy Hill Road. The usual grading of roads after winter was done. All town roads were ditched and the debris was hauled away. Parts of the Davis and Middletown Roads were shimmed and tarred. Potholes were filled on all tarred roads. Middletown Hill ditches were oiled.

Trash along side of the roads all the way through to Woodard Pond was picked up and hauled away to the dump on a regular basis.

Steve Yardley,  
*Road Agent*

## SPECIAL TOWN MEETING

October 30, 1996

The meeting was called to order by Moderator Glenn White at 7:00 p.m. This meeting was requested by David & Diane Martin and granted by the Selectmen to act on the following warrant:

“To see if the town will vote to discontinue that portion of Phillips Road which lies within the boundaries of land of David G. Martin and Diane J. Martin between Middletown Road and the westerly line of Gale M. Russell and Dorothy J. Russell. (Phillips Road is a Class VI road which was previously discontinued subject to gates and bars by vote of the Town on March 14, 1939.)”

Points of discussion:

1. The Martin's septic system encroaches on a public roadway.
2. If a portion of the road were to be closed to the public, all abutters would have perpetual access.
3. The Phillips Road, also referred to as the New Highway on older maps as well as the Martin's deed, along with other Class VI in town are used recreationally by town's people.
4. It is generally inadvisable for a municipality to give up public access roads.

37 registered voters cast ballots. By a vote of 26 no to 11 yes the warrant article was defeated.

The meeting was adjourned at 8:40 p.m.

Respectfully submitted  
Marika Stuhlsatz
