THE STATE OF NEW HAMPSHIRE TOWN OF RUMNEY WARRANT FOR 1989 ANNUAL MEETING

To the inhabitants of the Town of Rumney in the County of Grafton and State of New Hampshire qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Rumney on Tuesday, the 14th day of March, next, at 11:00 o'clock in the forenoon at which time the polls shall be opened for balloting of Article 1, and shall close not earlier than 7:00 o'clock in the afternoon, and you are hereby notified to meet at the Town Hall in said Rumney on Thursday, the 16th day of March, next, at 7:00 in the afternoon for the second session of the Town Meeting at which time action will be taken upon the remaining articles in this warrant.

ARTICLE 1: To choose all necessary town officers for the ensuing year. (by official ballot on March 14).

ARTICLE 2: To see if the Town will vote to raise and appropriate the sum of \$150,000.00 for the purpose of road construction and reconstruction as further identified in this Article; said sum to be raised through the issuance of bonds or notes by the Town in compliance with the Municipal Finance Act RSA Chapter 33; to authorize the selectmen to invest said monies and to use interest earned thereon for the purposes of this Article; to authorize the Selectmen to obtain and accept federal, state or other aid, if any, which may be available for this project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver such bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. The actions authorized by this Article are as follows:

To pave the unpaved portions of Baker River Drive in Pine Acres, Buffalo Road, Groton Hollow Road, Mill Road, the so-called Mountain View Drive in the former Duquet subdivision, and Water Street; to resurface the paved portions of Buffalo Road and Sand Hill Road; and to resurface two unnamed roads, one on the north side of the Town Common and one connecting Old Route 25 and Route 25 in West Rumney. (Vote by paper ballot, requires ½ majority to pass.)

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of \$69,252.00 to defray town charges for the ensuing year. (See budget details at end of Warrant.)

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of \$50,220.00 to defray the cost of operation of the Police Department during the ensuing year.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of \$16,000.00 to defray the cost of operating the Fire Department during the ensuing year.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to employ the services of a Prosecuting Attorney and \$300.00 for the Plymouth Area Crisis Service (formerly called the Task Force Against Domestic Violence) for the ensuing year.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$72,000.00 for the maintenance of highways and bridges during the ensuing year, and to authorize the use of \$28,165.62 from the Highway Block Grant Aid Program as an offset against the amount appropriated under this article.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$35,000.00 to defray the costs of resurfacing the paved sections of the Buffalo Road, Sandhill Road, and two unnamed roads, one on the north side of the Town Common and one connecting Old Route 25 and Route 25 in West Rumney, and of paving the Baker River Drive in Pine Acres and the so-called Mountain View Drive in the former Duquet subdivision. (To be considered only if Article 2 is not passed.)

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$6,500.00 to defray the cost of street lights.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$58,255.00 to defray the cost of maintaining the Town Transfer Station.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$4,210.00 to continue the Pemi-Baker Solid Waste District study.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$20,805.00 for the purposes of Health and Welfare. (See budget details at end of Warrant.)

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$14,680.00 for the purpose of Culture and Recreation except for the item voted in Article 14. (See budget details at end of Warrant.)

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to defray the cost of winterizing the arch windows and completing electrical work at the Town Library.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of \$11,800.00 to defray the cost of interest expenses on loans in anticipation of taxes and other temporary loans.

ARTICLE 16: To see if the Town will vote to raise Capital Reserve Funds for the purchase of a Highway Truck in the amount of \$5,000.00, a Fire Truck in the amount of \$5,000.00, a Police Cruiser in the amount of \$3,500.00, and the Town Revaluation Fund in the amount of \$11,000.00

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of \$38,700.00 for the purpose of Miscellaneous: Insurance and Witholding. (See budget details at end of Warrant.)

ARTICLE 18: To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes and pay the obligations of the Town.

ARTICLE 19: To see if the Town will vote under RSA 31:19-19a to authorize the Selectmen to accept all gifts, demises, bequests and trust funds in the public interest, providing minimal additional expense, during the ensuing year.

ARTICLE 20: To see if the Town will vote ratify the existing lease/purchase agreement with Central Disposal for an Accrued Industries #250HD compactor distributed by M&M Co. including two containers for term of 5 years with a monthly payment of \$595.00 and a total annual payment of \$7,140.00, with an option to purchase the compactor and containers at the end of the five-year period for the sum of \$1,000.00. The lease/purchase agreement also provides that, during the five years covered by the agreement, Central Disposal will be responsible for all maintenance and repairs and will provide back-up and insurance on the compactor/containers. The lease/purchase agreement further provides that, during the five years covered by the agreement, Central Disposal will provide the Town with use of a Challenger Industries bailer at no additional annual cost, with an option to purchase the bailer for \$1.00 at the end of the five years. The total cost of the lease/purchase agreement including purchase of the compactor, two containers and bailer at the end of five years is \$36,701.00.

ARTICLE 21: To see if the Town will vote to authorize the Selectmen to move forward with the Pemi-Baker Solid Waste District Plan which proposes to develop a section of the Rumney Transfer Station as an ash landfill. The landfill would be the depository for the District's ash produced by the upgraded Plymouth Incinerator/Recycling Facility. The exact arrangements for the District to use the site will be publicly negotiated during 1989. The negotiated arrangements will then be brought to the voters at a special or regular Town Meeting for a final decision.

ARTICLE 22: To see if the Town will vote to accept the provisions of New Hampshire RSA 53-B:1 to 11 inclusive providing for the establishment of a regional refuse disposal district, together with the towns of Ashland, Campton, Danbury, Dorchester, Ellsworth, Groton, New Hampton, Plymouth, Thornton, Warren, Waterville Valley and Wentworth, and the construction, maintenance, and operation of a regional refuse disposal facility by said district in accordance with the provisions of the proposed agreement filed with the Selectmen. (To be voted by paper ballot, simple majority vote.)

ARTICLE 23: To see if the Town will vote to raise and appropriate the sum of \$42,000.00 for the purpose of repairing and upgrading the Doetown Road in Rumney. (By petition).

ARTICLE 24: To see if the Town will vote to authorize the Selectmen to appoint a one-year Recreation Committee for the purpose of investigating the needs and possibilities for recreation programs for the Town of Rumney. (By petition)

ARTICLE 25: To see if the Town will vote to direct the Selectmen to enforce the cleanup of illegal dumping of solid wastes and/or filling of wetlands without permit under applicable state and/or federal statutes. (By petition)

ARTICLE 26: To see if Town will vote to instruct the Town's Representatives to the General Court to respond to our solid waste crisis by taking all necessary measures to insure that New Hampshire adopts legislation that will permit consumers to return for refund of deposit within New Hampshire all soda, beer, wine cooler and liquor containers and that all unclaimed deposit monies shall be collected by the state and no less than 80% shall be returned annually to local municipalities for the sole purpose of supplementing, expanding and reimbursing community recycling projects. (By petition)

ARTICLE 27: To see if the Town will vote to adopt the provisions of RSA 79-A:25 and vote to place 50% of all future land use change tax revenues in a conservation fund established in accordance with RSA 36-A.

ARTICLE 28: To see if the Town will vote to adopt an Animal Control Ordinance that would authorize the Animal Control Officer to issue warnings or summons for the following violations: allowing a dog to run at large; bark for sustained periods of time or during night hours so as to disturb the peace of an area; dig, scratch, excrete or cause waste or garbage to be scattered on property other than that of its owner; if a female dog, run at large while in season (heat) or is used for hunting while in heat; growl, snap at, run after, or chase person or persons; run after or chase bicycles, motor vehicles, or other vehicles being driven, pulled, or pushed on any street, highway or public way, and/or bite, attack, or prey on game animals, domestic animals, fowl, or human beings. (Requested by the chief of police)

ARTICLE 29: To see if the Town will vote to authorize the Selectmen to appoint the Town Welfare Administrator. If this article is passed, the Welfare Administrator shall be appointed in 1990 at the expiration of the term of the Overseer of Welfare elected at the 1989 Town Election.

ARTICLE 30: To see if the Town will vote to authorize the Selectmen to appoint a one-year Fast-Squad Committee to investigate the needs and possibilities of obtaining emergency response/fast squad services for the Town.

ARTICLE 31: To see if the Town will vote to authorize the Selectmen to administer, lease, rent, sell and convey or otherwise dispose of any real estate or mineral rights acquired by the Town by any Tax Collector's deed.

ARTICLE 32: To hear the reports of agents, auditors, and committees heretofore chosen, to pass any vote relating thereto, and to transact any other business that may legally come before said meeting.

Given under our hands this 27th day of February, 1989. Robert J. Berti Roderick O'Banion Betty Jo Taffe

A true copy attest: Robert J. Berti, Roderick O'Banion, Betty Jo Taffe, Selectmen, Town of Rumney.

AUDITOR'S REPORT

This is to certify that we have examined the accounts of the Selectmen, Tax Collector, Town Clerk, Treasurer, Trustees of Trust Funds, Library Trustees, and Trustees of the Cemetery and have found them correctly cast and properly

Respectfully submitted: Ann S. Kent Ruth M. Young Town Auditors

SELECTMEN'S REPORT 1988

The Selectmen are pleased to report on the progress of some of the projects we have completed during the past year.

Transfer Station. The Selectmen adopted new solid waste regulations designed to control disposal costs by requiring the separation of glass, burnables, construction/demolition materials from household trash, and metals and by instituting a recycling program. A trash compactor was installed to reduce transportation costs, and a pole shed was constructed to store equipment and recyclable materials. Several other area towns have even used Rumney's regulations and transfer station as a model.

Faced with having to find an alternative to the Plymouth Incinerator, we negotiated a contract with the Barker Sargent Landfill. At \$32 per ton Rumney has one of the lowest net waste disposal costs in central New Hampshire.

Selectmen Bob Berti has also been active in the Pemi-Baker Solid Waste District's efforts to develop a longterm solid waste disposal plan for area towns to meet the state's October 1989 deadline.

Highway Department. When road Agent Galen March resigned immediately after the 1988 Town Election, the Selectmen conducted a job search for a Superintendent of Public Works to oversee the Town's roads, bridges and transfer station. Irving MacDonald was appointed to the position. Using information from the Capital Improvement Plan under development by the Planning Board, the Selectmen are proposing a bond issue to pave or resurface a number of town roads in 1989.

Sandhill Bridge. The Selectmen contracted with the H.E. Bergeron Co. for engineering services and E.D. Swett for reconstruction of the bridge. Work commenced in September and was completed in November at a Town cost of \$41,727, significantly less than the \$50,000 budgeted for the Town's share. The state will contribute \$83,466 to the project for a total cost of \$125,193.

Police Department. After Chief Steve Clark resigned in April, the Selectmen developed a professional approach to recruiting a new chief. With advice from a panel of law enforcement officers, we hired David Heisler for the position. Rumney has also joined with other towns in the Plymouth Court District to hire an Area Prosecuting Attorney to represent the towns in criminal cases.

Welfare Department. No one filed for the position of Overseer of Welfare in 1988, so the Selectmen appointed Richard Sowle to serve as Welfare Administrator. To ensure that the Town would help the truly needy as required by state law but not be abused by individuals seeking to misuse the welfare system, the Selectmen adopted new procedures and application forms requiring verification of the applicant's need. Rumney's welfare guidelines have become a model for neighboring communities.

Because managing a cost-effective welfare program requires close cooperation between the welfare administrator and the Selectmen, we are asking that the Town pass a warrant article to make the position appointive rather than elective.

Town Facilities. Both firehouses were repainted last summer and the chimney on the Depot firehouse was repaired. The fence at the Town Common was repaired and painted.

Cable TV. The Selectmen granted a cable TV franchise to Grassroots Inc. The company reports that the system should be in operation this spring.

Environmental Issues. The Selectmen have received a number of complaints about illegal dumping and contamination of water sources in violation of state and federal laws. We are working with the state Dept. of Environmental Services and the Attorney General's Office to address the most serious problems, but cannot yet point to a satisfactory resolution of the complaints.

Selectmen's Office. The Selectmen have taken measures to improve communication among Town departments and officials. A project to correct mistakes in the Town Tax Map and update appraisal and current use records was two-thirds completed and should be ready before the next tax bills are prepared. New dump stickers were distributed. The Town accounting system was revised to give a better picture of the Town's financial situation in coming years.

(Because of this change, line items under Town Officers Salaries now include only elected officials, not appointed officials and employees as in the 1988 budget. Line items under Town Officer's Expenses now include the Town Office payroll but not Town Hall building expense or North Country Council dues, which are reflected elsewhere in the 1989 budget.) 1988 Expenditures include the following:

CEMETERY TRUSTEES REPORT

This year's most noticeable accomplishment has been the partial restoration of the fence at Sand Hill. Since this is an historic cemetery, we feel the original fence should be duplicated as nearly as possible. Francis Burnham has done a fine job and we are much pleased with the result. It will be completed this year.

Stones on 20 lots were cleaned and/or repaired. Eighteen lots were rebuilt and 94 were top-dressed with lime and fertilizer. A number of decayed trees have

also been removed from cemeteries.

We are gratified to report a total of \$5,700 added to the principal of the Cemetery Trust Funds. Of these, 12 are new funds and 9 are additions to existing funds. With the exception of our fund at Pleasant View in West Rumney, these are all in Highland Cemetery, Rumney Village. (See report, Trustees of Trust Funds.)

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and burning debris. Such fires are preventable, but only with your help.

Please help our town and state forest fire officials prevent forest fires. Con-

tact your Forest Fire Warden Aaron Shortt for more information.

Enforcement of state time harvest regulations is the responsibility of state forestry officials. New Hampshire has excellent regulation; however, your assistance is needed. If you know of a logging operation and suspect a timber harvest law may be violated, call your Forest Fire Warden, the Concord Forest Protection Headquarters at (603) 271-2217, or your local forest ranger John Ricard.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. Under this law a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, he uses a false weight or measure for determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

In April the stack room of the library was renovated with a new ceiling, several fluorescent lights, eighty-four new shelf spaces, and wall-to-wall carpeting. This project not only updated the library in appearance; it also gave us much needed book space. The lobby also received a new grey tweed indoor-outdoor carpet.

The library, in cooperation with Russell School, conducted a Reading Program for ten weeks in the summer. The response was great and the young people read over 700 books. Students at the school continue to come for research and books. They provide many fine exhibits during the school year.

We participated in the Rumney Old Home Day activities. George Kent arranged a special exhibit of the Bicentennial of the Constitution. The Baker River Audio Visual Center had slides of local interest. Special videos were available also. The library was open both Saturday and Sunday for the occasion.

We have joined the Five Rivers Library Network located at Lamson Library of Plymouth State College. Our goal now is to meet the requirements and "link up" to their services.

We sincerely thank all who have contributed in any way to the success of the library this past year.

Respectfully submitted, Muriel B. Kenneson Librarian

RUMNEY PLANNING BOARD ANNUAL REPORT 1988

The Planning Board met twice monthly, on the 2nd and last Tuesdays of each month. The first meeting of the month was devoted to considering the impact of growth on the Town of Rumney and developing strategies to help the Town cope with the potential changes. The second meeting each month was for the purpose of receiving and acting upon subdivision applications.

During 1988, the Board held preliminary application discussions with 35 different applicants. These resulted in 16 completed applications of which 13 were approved. Each subdivision created, on the average, two to five new lots.

The Planning Board, after a Public Hearing, amended the Rumney Subdivision Regulations in two significant ways. First, with the advice and assistance of the Soil Conservation Service, we adopted Soil Based Lot Sizes. Under this approach, the minimum size of a lot is based on the type of soil found on the lot, and the size is the minimum SCS believes is necessary if the Town is to avoid the future necessity of public sewage and water systems. Second, we updated the Subdivision Road Standards to make them consistent with the NH Highway Standards for Rural Roads and Streets. Our new regulations are based on what professional road engineers recommend for streets from the standpoint of safety and maintainability.

Following a Public Hearing, the Board adopted for the Town, the Rumney Excavation Regulations. These give the Town's natural resources some protection from unnecessary erosion and from irresponsible exploitation. Townspeople's suggestions at the Public Hearing caused the Board to make two significant changes from the regulations initially proposed.

As mandated by vote of the Town at the March 1987 Town Meeting, the board has been working on a Capital Improvements Plan. We hope to present the plan to a Public Hearing and the Selectmen before the end of the year.

At the Informational Meetings two years ago, there were many townspeople who recommended that the Town should consider adopting a Land Use Regulation. There are many reasons pro and con and many people for and against the idea. However, the only way the Town can decide if it wants to guide its own future is to put the idea to a vote. For this reason, the Board has been working for the past year and a half to develop a proposed Rumney Land Use Regulations for submission to Public Hearing and finally to a vote of the Town. We hope to present the proposal before the end of this year.

Respectfully submitted William J. Taffe, Chairman

CHIEF OF POLICE'S REPORT

It has now been several months since I became your Chief of Police. In that short time, I have been encouraged by the support you, the public, have shown towards the department. I feel that we have begun to make major inroads in the delivery of our service.

I feel confident about the future of the department. Your commitment to supporting law enforcement will benefit our town. I look forward to the coming year, when our department will continue to provide you with the services which will help make Rumney a safe place to live.

Finally, I wish to thank those of you who have gone out of your way to welcome my family to Rumney.

Sincerely yours, David Heisler, Chief of Police

WELFARE ADMINISTRATOR'S REPORT

During 1988 the Town spent a total of \$5,802 to provide General Assistance as required by state law. Of that amount, \$3,279 was spent by the previous welfare officer from January through March of 1988. (There was no record of the number of clients served during that period.)

From April through December of 1988 under my administration the Town spent \$2,523 while helping 25 clients. As Welfare Administrator I also contacted past welfare clients and informed them that state law RSA 165:28 (Supp.) requires persons receiving or having received public assistance, when able, to repay the town when assistance is no longer needed. By this effort the Town was repaid \$631, for a net cost of \$1,892 for General Assistance from April through December.

Upon appointment as Welfare Administrator I worked with the Selectmen to define and set up an effective welfare system. We established guidelines and set procedures for running the Welfare Office which allowed us to verify and process each application. I also established contacts with other agencies that could help clients in order to lighten the town's financial burden. Because of this, welfare clients cost the town a great deal less than previously.

Through my participation in the Local Welfare League, the Plymouth Multidiciplinary Team on Child Abuse, and the Pemi-Baker Emergency Shelter, Inc., Rumney has had a strong voice in helping those in need in our local area.

Respectfully submitted, Richard E. Sowle, Welfare Administrator

Selectmen's Note: Effective February 10, 1989 Mr. Sowle resigned as Welfare Administrator to move out-of-state. The Selectmen appointed June Winsor to fill the position.

GRAFTON COUNTY COMMISSIONER'S REPORT

Unlike town and school budgets which are passed by local voters each March, Grafton County budgets are passed by the 28 member Legislative Delegation in late June. The state Dept. of Revenue Administration determines each town's share of county taxes based on the town's proportion of total assessed valuation in the county. Each town's property tax rate reflects its share of county tax as well as town and school taxes.

In 1988 Grafton County's budget increased from \$8.9 million to \$10.1 million. The amount of the county budget to be raised by property taxes increased by 12.85%, from \$4.5 million to \$5.0 million. (Just under half of the county budget is funded by property taxes. The rest is funded by a combination of state and federal monies and various user fees.)

The 1988 county tax increase resulted from a number of factors. A 5% wage/salary raise for the county's 250 employees increased the budget by \$96,000. Operating expenses for a new 34-bed jail wing added \$114,000; capital expenditures added another \$223,000. The county share of court-ordered placement costs for juveniles increased \$150,000, while the county share of nursing home payments for indigents in county and private homes was up \$338,000. (These two programs, representing almost a quarter of the county budget, are determined by state and/or federal legislation, and are therefore beyond the county's control.) Finally, the county lost \$42,000 in revenue with the elimination of federal Revenue Sharing Funds.

Since 1986 the county has been responsible for several programs formerly paid by the towns. These include paying 25% of court-ordered placement costs for juveniles and 50% of Old Age Assistance and Aid to the Permanently Disabled.

Furthermore, during the state financial crisis of the early 1980's, the state reduced its share of Medicaid for county nursing home patients from 50% to 38.5% of the non-federal contribution. Legislation to restore the state's 50% share passed the New Hampshire House in 1986 and 1987 but was killed in the Senate. Until such legislation passes, counties are forced to make up the difference.

Grafton County operates a 134-bed nursing home, primarily for individuals who are eligible for Medicaid. With the opening of a new wing (expected around April 1, 1989), the county's correctional facility will expand from 64 to 98 beds, housing both men and women awaiting trial or sentenced to a year or less of incarceration. The county farm, which is one of three in the state and continues to be self-supporting, offers work programs for inmates. It also provides fresh meat and vegetables for the nursing home and cooperates with the Extension Service in Experimental agricultural programs.

The county also maintains the Grafton County Courthouse, renting courtrooms and offices to the state-run superior and probate courts, the state pro-

bation and parole agency and the state division of human services. The courthouse also houses an efficient Register of Deeds office, the Grafton County Sheriff's Department, the County Attorney's office, Cooperative Extension Service, and the Commissioner's Office, which serves as the business office for the entire complex.

The Grafton County Commissioners meet weekly on Wednesdays at the Grafton County Courthouse in North Haverhill. We encourage public attendance and welcome tours of our facilities. For further information, please call the Commissioner's Office at 787-6941 or contact Commissioner Betty Jo Taffe (Rumney), Everett Grass (Sugar Hill), or Gerard Zeiller (Lebanon).

PEMI-BAKER HOME HEALTH AGENCY 1988 Report

The Pemi-Baker Home Health Agency, a non-profit agency, has been serving member towns since 1967. The Agency holds free blood pressure and diabetic screening clinics in the town of Rumney. Immunization and free clinics for area residents are held at the Agency in Plymouth.

The total visits to residents of Rumney during 1988 were three hundred and twenty-four (324). Of these, one hundred thirty-nine (139) were Skilled Nursing visits, twenty-four (24) were Physical Therapy visits, twenty-one (21) were Speech Therapy visits, thirty-three (33) were Occupational Therapy visits, thirty-nine (39) were Home Health Aide visits and sixty-eight (68) were Homemaker visits.

Other services available to residents are newborn visits, Maternal-Infant Discharge Program, Car Seat Safety program, Equipment Loan Closet, and Helping Hands program.

The Pemi-Baker Home Health Agency strives to bring high quality in-home health care and other health services to Rumney residents.

Respectfully Submitted, June Winsor, Rumney Representative

MOUNT MOOSELAUKEE HEALTH CENTER Report for 1988

This year has been one of transition for the Health Center. As previously reported, federal assistance ended in late June and a new schedule of reduced hours began. Although the reduction is not satisfactory to everyone, Drs. Hernandez and Young have worked very hard to see that quality treatment is given to all patients. As a confirmation of this, it is interesting to note that 1,092 people used the Center in 1988, despite reduced hours, versus 1,215 in 1987 when we were operating 40 hours per week. 237 were first time users. Our Well Child, dental and blood pressure clinics continue to function, t hanks to our loyal volunteers. These clinics are very well attended.

Fund-raising activities, such as our spring yard sale and the Auxiliary's fall Penny Social remain our largest sources of additional income. Donations and memorials also play an important part in the support of the Center and are most gratefully received.

Since we have had only six months experience operating as a totally self-supporting medical facility it is difficult to forecast what the future will bring. It is our earnest hope that we will again be able to offer extended hours but it is impossible at this time to project when. Of one thing we are certain: we continue to need the full support of the towns of Warren, Wentworth and Rumney and are very appreciative of the support given in the past. We also want to thank our devoted administrator, Faith Mattison, Drs. Hernandez and Young, our dedicated staff and volunteers who are instrumental in the day-to-day operation of the Center.

For your information the new schedule is as follows: A doctor is in attendance on Monday from 8:30 am to 1:00 pm; Tuesday from 11:30 am to 7:30 pm; and Friday from 9:00 am to 5:30 pm. The office is open to schedule appointments, pay bills and ask questions the above hours and also Tuesday from 9:00 am to 11:30 am; Wednesday and Thursday from 9:00 am to 12:00 noon.

Board of Trustees

Mount Mooselaukee Health Center

NORTH COUNTRY COUNCIL, INC. ANNUAL REPORT

North Country Council observed its sixteenth year of successful operation in 1988. The Council, chartered under NH RSA 36:45, provides non-profit local and regional planning assistance to member municipalities. The Board of Directors determined that last year's work program would focus on community planning, economic development, solid waste, transportation and housing. The Council maintains four standing committees which monitor local issues and determine Council policy. Overall, the Council's major objective is to work with North Country towns in solving local and regional problems.

In **RUMNEY**, the Council assisted the Planning Board in developing a Capital Improvements Program and reviewed the Town's proposed Zoning Ordinance. In addition, NCC staff provided **Rumney** with assistance in organizing a recycling program at the municipal transfer station and worked with the Town as part of the Pemi-Baker Solid Waste District.

Community planning assistance continues to dominate our staff resources. New state mandates and rapid residential and commercial growth throughout the region placed an increasing burden on local planning and zoning boards in 1988. Regional workshops, technical bulletins and newsletters, ordinance review and update, as well as review of specific subdivision and site plan applications are a sampling of the myriad services performed this year for our membership. The Council also co-sponsored the popular Municipal Law Lecture Series which reviewed new case law and other specific areas of legal interest to local officials.

In addition, grant writing and grant administration continue as important components of the Council's work program. Currently, NCC staff members are working in twelve towns administering fifteen Community Development Block Grant programs. These projects include feasibility studies for local infrastructure needs, water and sewer construction projects and targeted housing rehabilitation programs for income eligible residents.

In summary, it is important to understand that the North Country Council is organized and administered for the benefit of its constituents, local town governments. Our future success is, in large part, contingent upon your participation in Council activities. We rely on and appreciate involvement of town officials and residents and look forward to assisting your town this coming year.

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Rumney, in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Town Hall in said District on the twenty-third day of March, 1989, at 7:00 o'clock in the evening to act upon the following subjects:

Article 1: To see what action the District will take relative to the reports of agents, auditors, committees or officers.

Article 2: To see if the District will vote to authorize the School Board to expend seventeen thousand seven hundred and forty-one dollars from excess sweepstakes funds supplementally appropriated under Chapter 278 of the New Hampshire laws of 1988 and distributed to the Rumney School District by the New Hampshire Department of Education. Said expenditure is for the following purpose:

\$17,741 toward the purchase of a four-wheel drive school van.

Article 3: To see if the District will vote to authorize the School Board to withdraw from the Capital Reserve Fund twelve thousand seven hundred fiftynine dollars (\$12,759) for the purchase of a four-wheel drive school van for which this Fund was established.

Article 4: To see if the District will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be added to the School Bus Capital Reserve Fund previously established.

Article 5: To see if the District will vote to raise and appropriate two thousand dollars (\$2,000) for the School Building Needs Committee to pay for the services of an architect.

Article 6: To see if the District will vote to establish a contingency fund in accordance with Revised Statutes Annotated 198:4-b, such contingency fund to meet the cost of unanticipated expenses that may arise during the year and, further, to see if the District will raise and appropriate the sum of two thousand dollars (\$2,000) for such contingency fund.

Article 7: To see if the District will vote to authorize the School Board under RSA 198:20-B to apply for, accept and expend, without further action of the School District Meeting, money from any source which becomes available during the fiscal year provided that such expenditures be made for purposes for which a school district may appropriate money and that such expenditures not require the spending of other school district funds.

Article 8: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officials, employees and agents and for the payment of statutory obligations of the District.

Article 9: Shall the School District accept the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district, together with the school districts of Ashland, Campton, Holderness, Plymouth, Thornton, Waterville Valley, and Wentworth in accordance with the provisions of the proposed articles of agreement filed with the school district clerk?

Article 10: To transact any further business which may legally come before this meeting.

Given under our hands this 8th day of March in the year of our Lord nineteen hundred and eighty-nine.

RUSSELL SCHOOL SCHOOL NURSE REPORT 1988

The following is a report on health and services provided by the school nurse. The main objective is to maintain the general health of all students by the use of first aid, early identification of health problems and health education.

On April 21, 1988 a pre-school vision and hearing clinic was held for all 4-6 year olds at the Plymouth Area High School which is sponsored by the State Bureau of Maternal and Child Health and Lion's Club.

On May 16-17, 1988 pre-school screening for first grade was held at Russell School. Seventeen students were screened and health histories were obtained by parent interviews.

Cholesterol screenings and blood pressures were taken on 16 members of the faculty and staff on June 20, 1988 by Colleen McDermott, exercise physiologist, and the school nurse.

Dental assistance was given to one student by the Lindsy fund.

The Lion's Club provided vision examinations and glasses for two students.

On October 3, 1988 Dr. William Hernandez conducted health physicals on 26 students in grades 5 and 7 and new students in grades 6 and 8. A few referrals were made at that time.

Several health programs were available to students:

- 1. Weight and diet control
- 2. Advisor/Advisee Program small discussion groups that work in problem-solving, values clarification, etc.
- 3. Fluoride Rinse Program 94% participation in grades 1-6
- 4. Dental Program 62 students' teeth were cleaned by a registered dental hygienist along with an oral examination and topical fluoride application. It was sponsored by the Rumney Fire Department and Russell School P.T.O.

Nurse's Work

Vision tests - 159 (7 referrals)
Color Blindness tests - 29
Hearing tests - 159 (8 referrals)
follow-up - 50 ±
Heights and Weights - 159
Blood pressures - 75
follow-up - 1
Scoliosis checks - 75 (5 referrals)
First aid - 600 ±
Head checks - 300 ±
Hot Lunch Program (acceptance or rejection of applications)
Communicable Disease report - 5 cases of chickenpox

Effective January 1, 1988 the minimum immunization requirements for school entry are (unless there is a medical or religious exemption):

5 doses DTP and/or Td vaccine

4 doses of polio vaccine

1 dose MMR (measles, mumps and rubella vaccine)

*given on or after 12 months of age

One major change under the new state law (RSA 141-C) is that no child may be enrolled in school without first presenting an immunization record, partial or complete, or a medical or religious exemption. Gone is the 30 day waiting or grace period.

Appreciation is expressed to all school personnel parents and volunteers for their cooperation and support.

Sincerely, Linda Cowan, R.N. B.S.N.E. School Nurse

SUPERINTENDENT'S REPORT

School Administrative Unit #48 continues in its commitment to quality education and dealing with the individual needs of our students. Each school district board, and the School Administrative Unit Board has set educational goals for this year. These goals included a wide-range of educational topics including meeting the individual educational needs of our students; building self-esteem for staff and students; providing for the basic needs of our educational program in the form of the building and renovation of facilities; meeting the 1991 state elementary standards; continuing to review and develop curriculum articulation within the SAU; promoting communication with staff and the community, promoting program excellence as well as many other goals.

First of all, allow me to thank you for the privilege of working with your children as superintendent of schools. Secondly, let me thank the large group of individuals from all districts who have worked with us directly in such interesting areas as "Celebrating Diversity" in Campton. I also wish to thank school building committees in five districts including Rumney and Wentworth; and others who are preparing bond issues, i.e. Waterville Valley, Campton and Plymouth. Special thanks goes to PTA and community members and other parent organizations both at the elementary school and the high school; and finally to our staff who are implementing programs and other projects which are currently alive in the School Administrative Unit.

We take great pride in the development of a committee structure to improve the development and articulation of curriculum and programming within the School Administrative Unit. We also celebrate our first ever School Administrative Unit-Wide Curriculum Day which is an effort to train and assist teachers with new programs and ideas, and also provide a forum for other important topics. We continue in our effort to work together as a School Administrative Unit for the benefit of all school districts and our students.

This year many committees have been extremely busy and deserve special thanks. These committees have been dealing with diverse topics such as the formation of a new cooperative high school district in the School Administrative Unit #48 area. Special thanks goes to the twenty-four committee members who have worked very hard in formulating a plan that, in my opinion, is educationally sound and cost effective. I commend the Plymouth State College faculty for their efforts in assisting our school districts with training for ourteachers as well as future teachers. The Plymouth State College/School Administrative Unit collaboration will intensify in the future. A number of creative and innovative projects are currently being planned. Thanks are extended to our teachers and administrators for their work on newly created curriculum committees within the School Administrative Unit. Finally thank you to the parents who have gone

the extra mile in volunteering their time and expertise, in an effort to assist the School Administrative Unit with providing quality education to our students.

The effort of the community at large has been impressive. Our accomplishments are yours. It is a tribute to our communities that so many of you have made time for what are crucial and extraordinary projects. I will end this report as I started it by stating that we are committed to quality education for our students, but I would add in these difficult times, the achievement of our goals is possible only through community support and the extraordinary efforts of our teachers, administrative staff and school boards.

Respectfully submitted, G. Paul Dulac, Ed.D. Superintendent of Schools

RUSSELL SCHOOL PRINCIPAL'S REPORT 1988-89

Russell School opened its doors for the 1988-89 school year on Tuesday, September 6, 1988 with an enrollment of 156 students in grades 1-8. Our enrollment is presently 157.

The faculty consists of eight dedicated classroom teachers, one special needs resource room teacher, a Chapter 1 reading teacher, and two days a week the following: specialist teachers in art, music and physical education. A speech and language specialist also provides services one and a half days a week, and a guidance counselor is employed one day a week.

There are several new faces and some familiar faces working in new capacities this year. Mrs. Isabel Barach, formerly Chapter I teacher, took on new responsibilities as grade 2 teacher in September. Mrs. Margaret Miller is the new Chapter I teacher 62% of her time, and the remaining part she acts as a special services teacher to our students from The New England Salem Children's Trust. Her position is funded by federal monies and by tuition from outlying districts. We welcome her expertise in the field of reading. Mrs. Paula Ferenc, a Rumney resident, is the new guidance counselor. We are fortunate to have someone who not only is skilled in addressing guidance issues but also has a strong teaching background in working with special needs students. Mrs. Joan Baldwin is the new music teacher. She teaches general music to grades 1-6, and chorus, band and instrumental lessons to students in grades 5-8 who elect to participate. In addition, she is an accomplished singer and pianist in her own right. Our halftime instructional aide in grade one is Mrs. Rhoda Mitchell, who last year completed her student teaching in that class. Mrs. Doris LeVoy, who retired in June after 19 years of dedicated service as grade 2 teacher, has returned as half-time aide in the same class. She works additional hours in the school through the Senior Service Community Employment Program. The new food services director is Rumney resident Mrs. Cynthia Norris. She has already initiated a number of special services for the children, including a monthly birthday celebration. Finally, 1988 RES graduate Kevin Shortt began in July as custodial assistant and has been a tremendous addition to our janitorial staff.

The academic program continues to focus on basic skills in reading, math, language arts, science and social studies and to emphasize writing across the curriculum. Computers are being used in classes as a tool for learning. Students in grade seven have a weekly class in computer literacy, with an emphasis on keyboarding skills and word processing. Eighth graders' computer literacy course is integrated with their math and includes instruction in spreadsheets, data bases, geometry and BASIC.

Other activities in the school include: a number of family events and informational programs sponsored by the parent-teacher organization (P.T.O.); a winter downhill and cross-country ski program; after-school computer and craft clubs for students; a growing library collection organized by volunteers and our library coordinator, Eleanor Myles; an annual science fair; an I-Love-to-Read month and culminating Young Authors' Day celebration; annual spelling bee and oratorical competition; Pemi-Baker League sports teams; field trips; cultural assemblies and musical/theatrical student performances.

Compliments go to the veteran faculty members who provide leadership in their respective fields: Mrs. Ruth Tilson, Mrs. Kathleen Foye, Mrs. Beatrice Wendell, Mr. Howard Burnham, Miss Heidi Hungerford, Mrs. Gail Poitrast, Mr. Michael O'Neal, Mrs. Julie Tibbetts, Mrs. Nancy Surette, Mr. Robert Miller and Mrs. Teena Hammond. It is the support personnel who enable Russell School to operate smoothly from day to day: Mrs. Dotty LaPointe, courteous and capable school secretary; Mr. Raymond Reed, school bus driver and custodian, who with the help of Kevin Shortt (and Carl Boyce, last summer), maintain the building in excellent condition; Mrs. Linda Cowan, school nurse; and the kitchen staff, Mrs. Norris and Mrs. McCart, who have a hot lunch program which averages 90% student participation.

Finally, recognition is due to the many members of the Rumney community who contribute so vitally to the well being of Russell School's children through their cooperative efforts: parents, community volunteers, police and fire chiefs, the firemen's auxiliary, Byron G. Merrill Library staff, Baker River Audio-visual Center staff, selectmen and other community agents. Thank you, one and all, for your support and commitment to the pursuit of excellence in education.

Respectfully submitted, Susan A. Rubel, Principal

EXPLANATION OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY FOR 1987-1988

Chapter 189, Section 48 Revised Statutes Annoted of the State of New Hampshire, requires that the school district annual report show the total amount paid to the Superintendent of Schools as per the following quotation: "Reports. Each Superintendent of a School Administration Unit shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district and their share of same...Said report shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrator, if any is in service in the unit."

One-half of the School Administrative Unit expenses is prorated among the several school districts of the unit on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$52,000 which was received by the Superintendent of Schools of School Administrative Unit #48 during 1987-1988 was prorated among the school districts comprising the School Administrative Unit. Allowance for \$2,500 travel within the Unit was also prorated as stated above.

The salary of \$40,500 for the Assistant Superintendent during 1987-1988 and travel allowance within the Unit of \$1,750 was prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

District	Adjusted Percent	Supt. Salary	Supt. Travel	Asst. Supt. Salary	Asst. Supt. Travel
Campton	15.26	7,935.20	381.50	6,180.30	267.05
Holderness	17.35	9,022.00	433.75	7,026.75	303.62
Plymouth	38.54	20,040.80	963.50	15,608.70	674.44
Rumney	8.23	4,279.60	205.75	3,333.15	144.03
Thornton	8.19	4,258.80	204.75	3,316.95	143.33
Waterville Valley	8.58	4,461.60	214.50	3,474.90	150.15
Wentworth	3.85	2,002.00	96.25	1,559.25	67.38
