ANNUAL REPORTS 1979

TOWN OF DANVILLE, NEW HAMPSHIRE

Digitized by the Internet Archive
in 2009 with funding from
Boston Library Consortium Member Libraries

This year's Town Report is dedicated to

CHARLES EVERETT CUMMINGS

who, in 1979 chose not to seek re-election to the N.H. State Legislature after having been a State Representative for sixteen years.

Everett, as he is usually called by his friends in Danville, was born here, and has spent his entire life as a resident of Danville.

Starting at the local level, Everett was on the School Budget Committee for six years, and served as Chairman of the Town Budget Committee for nine years.

While in the Legislature, he was on the Public Works Budget Committee for fourteen years, as well as having been on the Budget Committee of the State Prison, Soldiers' Home, N. H. Aeronautics and N. H. TV Network Committees.

Everett was Vice Chairman of the Public Works and Highway Committees for two years, and Sub Chairman of the N. H. State Prison and Public Works Committees.

As a Legislator, he was Chairman for two years and Vice Chairman for two years of the County Delegation, in addition to serving for four years on the Executive Board, and being Chairman of the County Building Committee.

In dedicating this Town Report to Everett, we would at this time like to publicly thank him for his years of dedication to the residents of Danville, and extend every good wish to him for the future.

The librarians represented our library at meetings of the Merri-Hill-Rock Co-op, the District Advisory Council and those on legislative laws and the White House Conference on Libraries.

The new magazine rack makes magazines more accessible and releases needed shelves for books. The book return box out front has insured the prompt return of books. Best sellers were offered early through membership in a book club.

Our thanks go to all who donated books, magazines, puzzles and time to beautify the library both inside and out. These donations along with inter-library loan in the Co-op and direct loans from the State Library have supplemented our collection.

The 22 members of the Friends of the Library dedicated to better library service had a very successful year. Members volunteered to provide additional hours on Saturday mornings. A poster contest for the Elementary School was sponsored during Book Week. Monies raised by a ski and skate sale and a sale of handmade Christmas ornaments are being used for library equipment that is not covered by the regular library budget. New members are always welcome

to attend meetings on the first Wednesday of the month.

DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/

city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

PLANNING BOARD

During the past year, the Planning Board acted upon five subdivision requests and approved all five.

The interim growth limit imposed last year and continuing through 1980, coupled with a slow down in the housing market in this region, has given the Town time to develop the Town Master Plan. A draft is presently under review by the Board and, hopefully, copies will be made available to all residents at Town Meeting.

The Planning Board is still in need of volunteers to complete the Master Plan. As presently scheduled, the Plan must be finished by the end of 1980.

Interested residents are encouraged to contact any Board member to help with this effort.

RECREATION COMMISSION REPORT

During this year we accomplished many things. We were pleased to have Miss Terri Demaine run a Woman's exercise class.

During the Spring and Summer, we scheduled the use of the Kenneth Day Memorial Field.

In July and August, Miss Linda Wade directed our Summer Recreation program. The program ran six weeks, three days a week with 60 children ranging from age 6-16 attending. The program included arts & crafts, sports, tennis lessons, field trips, a puppet show and a pre-school program.

We purchased some new equipment this year. This included basketballs, a football, softballs, handballs and volleyballs, playground balls, scrimmage shirts, a volleyball net and a ping pong table.

In November, we sponsored a cross-country ski clinic. Subjects covered were: care of skis, techniques, conditioning of skiers and skiing injuries.

DANVILLE POLICE DEPARTMENT - 1979

This year, as in every year, the calls this department has handled have been many and varied with a number of these related to dogs and other animals.

A Police Department is considered a law enforcement agency and enforcing the law is a function of the department. However, we feel it better to devote time to preventing crime or other problems. This has been an increasing aim during recent years and has been encouraged by such programs as "Neighborhood Watch". Here in Danville, our citizens are good neighbors and their cooperation is a great help to our department.

A police officer has to have a combination of qualities found in a doctor, lawyer, school teacher, psychiatrist, marriage counselor and minister of faith. There are many times when lending a hand, listening, or simply responding to a situation, is all that is needed. We have tried to answer these needs of our community.

We must also keep abreast of methods and changes in law enforcement, and during the months of June and July the Danville Police Department hosted special weekly classes. Along with Danville officers, members of the Atkinson, Brentwood, East Kingston and Sandown Police Departments attended the classes which included the following: Juvenile Procedures, Accident Investigation, Traffic Stops, Civil Liability, Officers Survival, and New Legislature.

Special thanks to everyone who participated in any way to make these classes a success.

As in past years, our officers have donated many hours for such things as Sunday School crossing duty, school and other community activities. Other donated hours, impossible to put into a figure, are the times when an officer is traveling on a personal mission and takes time to check public buildings, businesses, and note any suspicious activity in any area. This is the equivalent of what would be "paid patrol" hours in other towns - but is, in Danville, a protection with no cost involved. We are fortunate to have dedicated, conscientious officers who provide these services with no cost to the town.

Thanks to these officers and to the citizens who

have been so helpful during the past year.

CLYDE E. GOLDTHWAITE, CHIEF
Danville Police Department

DANVILLE CONSERVATION COMMISSION

The Conservation Commission continues to attend the bi-monthly meetings of the Planning Board. In this way we are able to keep ourselves informed as to pending areas of development in town and thus are better able to channel growth as it pertains to wetlands or brooks.

We appeared before the Water Resource Board in Concord at the time of the developer's request for a permit to construct a 10 acre pond on land at the Cotton Farm. We screened a request for another junkyard in Town and we are assisting in the Master Plan.

EXETER AREA VISITING NURSE ASSOCIATION, INC.

The Exeter Area Visiting Nurse Association, Inc. is a non-profit community health service that provides health care to individuals and families in their home, in the office, or in clinics. One of its most important functions is PREVENTATIVE MEDICINE. Its services are offered to promote, maintain, or restore health or it may be to minimize the effects of illness or disability.

The Association is governed by a Board of Directors made up of people appointed by the Selectmen in your Town.

Funding for the Association comes from Medicare, Medicaid, patient fees, local taxes, and donations. Town appropriations make the service available to the Town.

The areas of services provided are home care, maternal and child health, adult health screening, and flu clinics. There is no charge for the services of

the Well Child Clinic, the Blood Pressure Clinic, or the Flu Clinic.

8,773 units of service were provided to residents of the service area between January 1, 1979 and October 31, 1979.

Information may be obtained by calling the Exeter Area Visiting Nurse office Monday through Friday, 8:00 a.m. to 4:00 p.m., 772-2981. Please feel free to call your town representative in the evening 642-5157.

We would like to extend a special thank you to all members of the town especially Rick Mailhot and the Fire Department who were the backbone in organizing the first Danville Flu Clinic to immunize hi-risk (65 and over) or chronic disease. The E.V.N.A. felt the 23 people served represented an excellent number for our first Flu Clinic. The experience of this first clinic generated good and constructive ideas to increase the number of people that could be immunized next year. I have enjoyed serving the people of the Town of Danville.

TRUSTEES OF CEMETERIES

There are lots available in both the Old Meeting House and Center Cemeteries at \$25.00 per grave for residents and \$50.00 for non-residents.

Corner markers must be placed on all new lots. It would be appreciated if those who already own lots would also put corner markers in. Contact the Sexton if you have any questions.

A small amount of fill is needed to level one corner of the Old Meeting House Cemetery.
