Dedication

The 1990 Annual Town Report is Dedicated To:

Chief Robert Anderson

For his constant willingness to serve and his sincere interest in the welfare of all citizens. Serving Dunbarton as town constable since 1981 and Chief of Police since 1984, Chief Anderson has demonstrated a unique ability to handle any situation with tact and diplomacy. Whether cooking for a church breakfast or handling a police emergency, he has always been a model of "grace under pressure." For this the people of the Town of Dunbarton are truly grateful and dedicate this 1990 Town Report to Bob Anderson, a true "officer and a gentleman."

SELECTMEN'S MESSAGE

The year 1990 brought many completions, changes, and enormous pride to our community.

After a number of years planning and finalizing engineering plans, completing and receiving the necessary permits, and finally committing highway budget funds, the Bela Brook cement bridge on Grapevine Road was removed and replaced with a box culvert. The road approaches to the culvert were widened and the alignment improved. A pavement overlay will be applied in 1991.

A much needed update of the Master Plan was approved by the Planning Board and an entirely new Zoning Ordinance was approved by ballot vote at the polls on Town Meeting Day. Both of these actions along with Site Plan Review and the Capital Improvement Plan will give the Planning and Zoning Boards additional tools to perform their duties.

Recycling was slowed somewhat when the glass market closed down in July. We are encouraged with several new businesses opening in 1991 to receive all recyclables including plastics. It looks as if recycling in Dunbarton can survive and blossom with these new markets.

Revaluation of Dunbarton was completed this year. Eleven hundred eighty-seven parcels provided a net value of \$110,830,014.00 over a net value of \$52,360,809.00 in 1989. Nearly one half of our acreage provides either no revenue (Federal, State, or Town lands and/or buildings) or is in current use which provides low revenues. The remaining acreage provides the largest portion of our tax revenue. Almost \$55,000.00 was refunded and/or abated as a result of this revaluation. The revaluation process was conducted with as much cooperation and information made available as possible. We realize that for many, in these economic times, this process was not timely but we do hope that the 100% equalized level we attained will lessen unfair assessment that many of you complained of in the past.

Lack of cable service in Dunbarton is a great disappointment to this Board and we are sure to you also. The first company to sign a contract to provide this service found that costs were more than they had planned and they backed away from the agreement. We are talking with another company which may be able to work with us but they could not commit at this writing.

A most exciting and fulfilling weekend in August celebrated Dunbarton's 225th Anniversary. The work and dedication of so many people resulted in activities, events, and memorable moments that filled our hearts with pride. Thank you to all who participated and donated time and funds to this wonderful experience.

Thank you to all members of Boards, Commissions, Committees, and Departments, especially to our secretary, Janice Jelley, for your diligent and sincere contribution of time and interest that helps make this community that special place so filled with pride.

1990 TOWN OFFICERS AND BOARD MEMBERS

SELECTMEN:	Beverly A. Marcou	Term ending	1991
	John R. Swindlehurst	Term ending	1991
(Resigned)	Jimmie D. Purselley	Term ending	1992

**1990 TOWN MEETING
DUNBARTON, NEW HAMPSHIRE
MARCH 13, 1990**

The checklist was posted and the meeting called to order by Moderator Leslie Hammond at 10:00 AM. The warrant was read.

A motion to waive the reading of the business portion of the warrant passed. Absentee ballots would be cast at 3 o'clock. The polls were opened.

The business portion of the meeting opened at 7:00 PM. Following the Pledge of Allegiance, town officers were introduced.

ARTICLE I.

The following were elected to office at open meeting:

Overseer of Welfare:	Allison Swindlehurst
Constables:	Robert Anderson Donald Andrews Michel Belanger Ernest Holm Walter Smith John Swindlehurst
Hog Reeves:	Louis (Bud) Marcou Debra Marcou William Nichols Deborah Montgomery Powell Marc Powell

Louis Marcou, Debra Marcou, William Nichols, and Deborah Powell were sworn into office by Moderator Leslie Hammond and invested with the badge of office by Police Chief Anderson and Fire Chief J. R. Swindlehurst III.

ARTICLE II.

Shall we adopt optional adjusted elderly exemptions from property tax. The optional exemptions based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$45,000; for a person 75 years of age up to 80 years, \$50,000; for a person 80 years of age or older, \$100,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets not in excess of \$37,000 excluding the value of the person's residence. RSA 72:43h(c)

(By Petition) Ballot vote Yes: 294; No: 88

1990 TOWN MEETING

ARTICLE III.

Shall we adopt the provisions of RSA 72:28, V and VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is \$100, rather than \$50.

(By Petition) Ballot Vote Yes: 287; No: 95

ARTICLE IV.

Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is \$1,400, rather than \$700.

(By Petition) Ballot Vote Yes: 280; No: 99

ARTICLE V.

Are you in favor of the adoption of an amendment to the existing Town Zoning Ordinance as proposed by the Planning Board?

Amends the entire Dunbarton Zoning Ordinance by deleting the entire present Zoning Ordinance and substituting therefore an entirely new Zoning Ordinance for the Town of Dunbarton. (Planning Board Approves)

Ballot Vote Yes: 200; No: 132

ARTICLE VI.

The motion "to see what action the Town will take to limit the budget for the ensuing year to no more than a 5 percent increase over the current year" was made by George Cushing.

An amendment by Jimmie Purselley "to see what action the Town will take to limit the 1990 budget to no more than a 5 percent increase over the 1989 budget passed."

George Cushman made an amendment to table the article. This passed.

ARTICLE VII.

The following motion was made by Beverly Marcou: That we raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same in amounts as follow:

Town Officers' Salary	\$	19,500.00
Town Officers' Expenses		40,000.00
Election & Registration		4,000.00
Cemeteries		9,200.00
General Government Buildings		15,500.00
Planning & Zoning		8,500.00
Legal Expenses		10,000.00
Police Department		19,359.00
Pistol Certification		200.00

1990 TOWN MEETING

Fire Department	23,000.00
Civil Defense	500.00
Building Inspection	4,500.00
Town Highway Maintenance - Winter	65,000.00
General Expense Highway	8,000.00
Highway Construction	50,000.00
Class V - Tarring & Maintenance	123,050.00
Street Lighting	275.00
Solid Waste Disposal	74,000.00
Ambulance	800.00
Animal Control	200.00
Elderly Services	750.00
Home Nursing Services	1,576.00
Community Action Program	1,074.00
General Welfare Assistance	1,000.00
Old Age Assistance	1,000.00
Library	14,700.00
Conservation Commission	500.00
Recreation Commission	1,000.00
Insurance	30,000.00
Audit	4,300.00
Assessor	5,000.00
<hr/>	
Total	\$ 536,484.00

*Being an amount received in the year 1989 from auto permits collected by the Town Clerk.

The article passed.

ARTICLE VIII.

The following article presented by Fred Mullen passed: To see if the Town of Dunbarton will vote to raise and appropriate the sum of \$750.00 to contribute to a regional Household Hazardous Waste Collection Program. This program will enable Town residents to dispose properly of hazardous household products such as paint thinners, solvents, pesticides, and other products potentially damaging to the Town's natural resources.

At this time there was a presentation of certificates to: Ernest Holm for 7 years on the Zoning Board of Adjustment, Hilliard Burnside for 6 years as a Library Trustee, Frank Gauthier for a year as Cemetery Trustee, Richard Henderson for 13 years on the Planning Board, Norman Midgley for 4 years as Town Treasurer and L. Webster Burnham for 60 years as a Supervisor of the Checklist. (The town report incorrectly stated 50 years of service for Webster Burnham.)

1990 TOWN MEETING

ARTICLE IX.

The motion made by John Swindlehurst that the Town vote to withdraw the interest of \$1,028.60 from the Winslow Town Forest Fund, the same to be used as determined by the Town Forest Committee passed.

ARTICLE X.

The motion by Irene Thalheimer that the Town vote to raise and appropriate the sum of \$1,000.00 for the preservation of Town records passed.

ARTICLE XI.

The motion by J. R. Swindlehurst III that the Town vote to raise and appropriate the sum of \$30,000.00 to be added to the Fire Truck Capital Reserve Fund previously established passed.

ARTICLE XII.

The motion by William Nichols that the Town raise and appropriate the sum of \$31,500.00 for reappraisal of the Town passed.

ARTICLE XIII.

The motion by Jim Purselley that the Town vote to raise and appropriate the sum of \$3,000.00 to prepare a Capitol Improvement Plan passed.

ARTICLE XIV.

The motion by Bob Anderson that the Town vote to raise and appropriate the sum of \$15,812.00 to purchase a police cruiser passed.

ARTICLE XV.

The motion by Richard Antonia that the Town vote to raise and appropriate the sum of \$20,000.00 for the purchase of a building to be erected at the Town Transfer Station and a baler for recycling use contingent upon receiving a grant in the amount of \$10,000.00 from the State of New Hampshire's Municipal Recycling Program Grants passed.

ARTICLE XVI.

The following motion presented by Fred Mullen passed unanimously: that the Town vote to designate and proclaim April 22 of this year as Earth Day 1990 and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment". During this decade, we will endeavor to broaden our town recycling program and to take other steps to reduce waste and pollution.

1990 TOWN MEETING

ARTICLE XVII.

The motion by William Nichols that the Town vote to accept a gift of land from John Galli, lot #K1-3-1, containing .22 acres, shorefront property located on Holiday Shore Drive passed.

ARTICLE XVIII.

The motion by Jim Purselley that the Town vote to authorize the Selectmen to dispose of miscellaneous surplus equipment by sealed bid, auction or other means with revenues returned to the general fund passed.

ARTICLE XIX.

The motion by William Nichols that the Town accept the reports of agents, auditors, committees and other officers heretofore chosen as printed in the Town Report subject to errors and omissions, and pass any vote relating thereto passed.

ARTICLE XX.

The motion by William Nichols that the Town vote to allow the Selectmen to apply for, and receive and expend any or all funds for the purposes for which they are granted passed. RSA 31:95-b

ARTICLE XXI.

The motion by William Nichols that the Town authorize the Selectmen to borrow money in anticipation of taxes passed.

ARTICLE XXII.

The motion by Jim Purselley that the Town vote to accept all cemetery trust funds not heretofore accepted: Rodney and Judith Doucet; Charles and Sylvia Bowman; Stephen and Jacqueline Kennedy; Richard and Laverne Mannion; and Laura Byers passed.

ARTICLE XXIII.

The status of cable TV for Dunbarton was explained. Snags have been encountered and are being worked out.

1991 TOWN WARRANT

THE STATE OF NEW HAMPSHIRE TO THE INHABITANTS OF THE TOWN OF
DUNBARTON IN THE COUNTY OF MERRIMACK IN SAID STATE, QUALIFIED TO VOTE
IN TOWN AFFAIRS: THE POLLS WILL BE OPEN MARCH 12, 1991 FROM 10:00 AM TO
7:00 PM OR UNTIL SUCH HOUR AS THE MODERATOR SHALL DETERMINE.

You are hereby notified to meet at the Dunbarton Community Center in said Dunbarton on
Tuesday the twelfth day of March next at ten of the clock in the forenoon, and cast ballots from that
hour until at least seven o'clock in the evening of said day for such town officers and school
officers, as they may be listed on the ballots.

Your are also notified to meet at the same place at seven o'clock in the evening of the same
day to act upon the following subjects:

1. To choose all necessary town officers for the ensuing year.
2. To see if you are in favor of a three-man Board of Assessors to be the legal assessing
authority for the town. RSA 41:2-d. (By Petition)
3. To see if the town will vote to limit the increase in the town budget to not more than 2 1/2%
over the previous year. (By Petition)
4. To see if the town will agree to the following: WHEREAS, Although the right of free
expression is part of the foundation of the United States Constitution, very carefully drawn
limits on expression in specific instances have long been recognized as legitimate means of
maintaining public safety and decency, as well as orderliness and productive value of public
debate; and

WHEREAS, There are symbols of our nation such as the Washington Monument, the
United States Capitol Building, memorials to our greatest leaders, and our flag, which are
the property of every American and are therefore worthy of protection from desecration and
dishonor; and

WHEREAS, The law as interpreted by the United States Supreme Court no longer accords
the flag the reverence, respect, and dignity to which it is entitled; and

WHEREAS, It is only fitting that people everywhere should join in a forceful call for the
restoration of the flag to its proper station under law and decency;

NOW THEREFORE BE IT RESOLVED, That the voters of the Town of Dunbarton
respectfully request the Congress of the United States to propose an amendment of the
United State Constitution, for ratification by the states, specifying that Congress and the
states shall have the power to prohibit the physical desecration of the flag of the United
States. (By Petition)

1991 TOWN WARRANT

5. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same in amounts as follows:

Town Officers Salaries	\$ 19,500.00

Planning & Zoning	7,000.00
Legal Expenses	8,000.00
Police Department	17,425.00
Pistol Certification	200.00
Fire Department	20,700.00
Civil Defense	450.00
Building Inspection	2,500.00
Town Highway Maintenance-Winter	60,000.00
General Expense Highway	42,394.00
Highway Construction	-0-
* Class V - Tarring & Maintenance	119,056.00
Street Lighting	250.00
Solid Waste Disposal	72,000.00
Ambulance	1,000.00
Animal Control	200.00
Elderly Services	1,000.00
Home Nursing Services	1,576.00
Community Action Program	1,127.00
General Welfare Assistance	4,000.00
Old Age Assistance	1.00
Library	13,230.00
Conservation Commission	450.00
Recreation Commission	900.00
Insurance	34,500.00
Audit	4,500.00
Assessor	5,000.00
Total	 \$ 497,959.00

* Being an amount received in the year 1990 from auto permits collected by the Town Clerk.

6. To see if the town of Dunbarton will vote to raise and appropriate the sum of \$750.00 to contribute to a regional Household Hazardous Waste Collection Program. This program will enable Town residents to dispose properly of hazardous household products such as paint thinners, solvents, pesticides, and other products potentially damaging to the Town's natural resources.

1991 TOWN WARRANT

7. To see if the town will vote to raise and appropriate the sum of \$1,000.00 for the preservation of Town Records.
8. To see if the Town will vote to withdraw the interest of \$938.20 from the Winslow Town Forest Fund, the same to be used as determined by the Town Forest Committee.
9. To see if the town will vote to raise and appropriate the sum of \$30,000.00 to be added to the Fire Truck Capital Reserve Fund previously established.
10. To see if the town will vote to authorize the Selectmen to withdraw \$90,000.00 plus interest earned to time of withdrawal from the Fire Truck Capital Reserve Fund and expend the same for the lease/purchase of the new pumper and authorize the Selectmen to enter into a lease agreement with a fiscal funding clause.
11. To see if the town will vote to approve the payment of the sum of \$50,000.00 to the Library Trustees from special funds of the Town Forest Committee for the transfer of the half-interest in 2 lots willed to the Library by Charles Little; this half-interest to be combined with the half-interest in the same lots now administered by the Forest Committee and the whole to be dedicated as a portion of the Charles Little Memorial Forest. Also as part of the transfer, the Trustees will reserve the right to one-half of the proceeds from sand and gravel for a period of five (5) years.
12. To see if the town will vote to raise and appropriate the sum of \$35,000.00 for the purchase of the Freeport Development, Inc. property contingent upon the receipt of equal state funds from the Land Conservation Investment Program, allocated for the purchase of the Freeport Development, Inc. property and accept as town property the matching lands donated by Forrest and Vera Fogg, both of these lands to be additions to the adjacent Kuncanowet Town Forest and Conservation Area.
13. To see if the town will vote to raise and appropriate \$10,000.00 for expenses related to the Freeport Development, Inc. and Forrest and Vera Fogg properties contingent upon the receipt of equal Town Forest Funds from the Town Forest Committee.
14. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the purchase of a building to be erected at the Town Transfer Station and a baler for recycling use contingent upon receiving a grant in the amount of \$10,000.00 from the State of New Hampshire's Municipal Recycling Program Grants. (By Petition)
15. To see if the town will vote to adopt the provisions of RSA 72:1-c which authorize any town or city to elect not to assess, levy and collect a resident tax. (By Two Petitions)
16. To see if the town will vote to acquire all goods and services, that aggregate to more than \$1,000.00 annually by bid and/or qualifications with the selection process recorded (emergency requirements excluded). (By Petition)

1991 TOWN WARRANT

17. To see if the town will vote to accept the following: We, the people, being registered voters and concerned citizens of Dunbarton, strongly encourage our State to maintain its commitment to programs and services that serve the basic human needs of the poor, sick, disabled, children, elderly, and unemployed. The maintenance of this commitment should not be done in such a way as to further shift financial burdens to the local community.
(By Petition)
18. To see if the town will vote to accept a gift of land from Victor Lieberman, Lot #K1-04-08 containing .19 acres, located on Stephanie Road.
19. To see if the town will vote to authorize the board of selectmen to accept on behalf of the town gifts, legacies and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.
20. To see if the town will vote to authorize the board of selectmen to apply for, accept and expend, without further action by town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the year, in accordance with RSA 31:95-b.
21. To see if the town will vote to authorize the selectmen to convey any real estate acquired by the town by tax collector's deed. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80.
22. To see if the town will vote to authorize the board of selectmen to accept the dedication of any street shown on a subdivision plat approved by the planning board, provided that such street has been constructed to applicable town specifications as determined by the board of selectmen or their agent.
23. To see if the town will vote to adopt the BOCA National Building Code 1990, the BOCA National Plumbing Code 1990, and BOCA National Electrical Code 1990. This is to update our present codes to conform to State Codes.
24. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
25. To see if the Town will vote to authorize the Selectmen to dispose of miscellaneous surplus equipment by sealed bid, auction or other means with revenues returned to the general fund.
26. To hear the reports of agents, auditors, committees, and other officers heretofore chosen and pass any vote relating thereto.
27. To transact any other business that may legally come before this meeting.

75 YEARS OF DUNBARTON HISTORY separate the photos above. Clockwise from top left they are: Town Hall in 1915 bedecked with patriotic bunting; Two unnamed horsemen from the 150th Anniversary parade; An expectant family awaiting the 225th Anniversary Parade; and the Marine Corps Color Guard leading the marchers up to the viewing stand where Grand Marshal Fredolph Blomquist observed on that rainy summer morning of August 11th, 1990.

**DUNBARTON
PLANNING BOARD**

The Planning Board held regular monthly meetings on the third Wednesday of each month at 7:00 p.m..

During 1990 the Board received nine (9) applications for subdivisions: two (2) of these applications involved annexations. The Board was asked for three (3) recommendations for site suitability from the Zoning Board. Two lot line adjustments were approved, and there were no applications pending at year end. One application was denied involving inadequate acreage and court action has been initiated.

Thirty (30) new building lots were created by approvals of subdivisions. Twenty six (26) of these new lots were the phase II and III of the Flintlock Farm subdivision. In addition one 9 acre parcel will be deeded to the town for open space. No Site Plan Reviews were done under the new regulations.

A Public Hearing was held on the possibility of a commercial zone being established and opinion was unanimous against such a zone by those in attendance.

Respectfully submitted:

Barry Lussier, Chairman
Ronald Lekebusch, Co-Chairman
Alison Riley, Secretary
Arthur Beaudet
Edward White
James Marcou
Peter Weeks, Alternate

CONCORD REGIONAL VISITING NURSE ASSOCIATION

The Concord Regional Visiting Nurse Association continues to offer three major health services to the residents of Dunbarton: Home Care, Hospice, and Health Promotion.

Home Care Services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and paraprofessional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting.

Hospice Services provide professional and paraprofessional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping him/her remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical and emotional needs. This is the only certified Medicare Hospice Program in New Hampshire.

Health Promotion Services focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Services rendered in the clinic setting are: child health, family planning, sexually transmitted disease, adult screening, immunizations, and HIV testing and counseling. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior Health services are provided at congregate housing sites. Professional and paraprofessional hourly home services are provided on a private fee-for-service basis. Emphasis is on promoting healthy children, families, and individuals through early intervention and health teaching.

Health education and instruction are part of each home visit or clinic visit.

Anyone in Dunbarton may request service; patient, doctor, health facility, pastor, friend or neighbor. All requests are answered, but continuing home care will only be provided with a physician's order.

A call to the Concord Regional Visiting Nurse Association (224-4093) between the hours of 8:00 a.m. - 4:00 p.m. seven days a week is all that is necessary to start services or make inquiries. A nurse is on call for hospice and home care patients; (224-4093) 4:00 p.m. - 8:00 a.m. daily.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for that person without health insurance and/or who is unable to pay the full charge. However, for fee scaling, federal regulations require a financial statement be completed by the patient or responsible person. Town monies subsidize those visits that are scaled or that no fee is collectible.

*CONCORD REGIONAL
VISITING NURSE ASSOCIATION*

This Agency is certified as a Medicare/Medicaid Provider, licensed by the State of N. H. and is a member agency of the United Way of Merrimack County.

Total visits made during the year October 1, 1989 through September 30, 1990:

	No. of Clients	<u>Visits</u>
Home Care/Hospice	10	150
Health Promotion	2	5
Total	12	155

Dear Fellow Townsmen:

The Annual Report for 1990, a bill for services for 1990 and the budget request for \$1,576 were submitted by December 15, 1990 by Concord Regional Visiting Nurse Association.

May I point out that only \$1,010 of last year's budget item of \$1,576 was used so the unexpended balance reverted to General Funds of the Town.

As a member of the Board of the Concord Regional Visiting Nurse Association, it is not within my authority to adjust the Agency's budgetary request for 1991 by the 10% requested by the Selectmen. Negotiation of the contract is between the Agency and the Selectmen.

Udell White

Member at Large, Executive Committee, Concord
Regional Visiting Nurse Association, and
Representing the Town of Dunbarton.

DUNBARTON FREE PUBLIC LIBRARY TRUSTEES' REPORT

The year 1990 has seen a number of changes at the Library: renovations and new shelves have helped improve the overall lay-out, making the collection more accessible and the interior more attractive. We are, however, still very crowded and would especially like space for a children's corner and small meeting room.

A weeding policy has been initiated to make room for new acquisitions, in accordance with established library practice. This means books that are outdated, in bad repair, or have not circulated for five or more years are sold at book sales.

The mandated 10% budget cut means that we have not, unfortunately, been able to extend library hours as we had hoped, but we are now open on Thursday nights from 6 p.m. to 9 p.m. instead of Monday mornings, as our survey indicated a number of people wanted more evening hours. Another result of the budget cut is that our plans for starting a video collection are temporarily on hold, but a limited number of videos from the State Library are available each month. Patrons have welcomed the new book/video drop which was installed for their convenience.

Response to the Summer Reading Program was excellent, and special events included a party with entertainment by a magician, and a Teddy Bear Picnic. During the school year, there is a children's Story Hour on Wednesday mornings.

This has been a year of community outreach: to celebrate National Library Week and Earth Day, the Library sponsored a contest with the winning fifth grade (chosen by lot) going to the Boston Science Museum. Then in November, in cooperation with the PTO and Moms and Tots, the Library presented three PASS (Parents' Awareness for School Success) workshops which were well attended and very well received by participants. A Winter Film Series is being planned, and will be co-sponsored by the PTO and Library, with proceeds used to bring a children's author to the school for workshops and to the Library for an open house.

We are grateful for dedicated volunteers, who logged approximately 500 hours this year.

Finally, the Trustees accepted the Town Forest Committee's offer to purchase the Library's interest in the Charles Little property on Kimball Pond Road. The funds will be invested until such time as the Townspeople feel it is economically feasible to expand or build a new library.

Joan H. Midgley, Chairman

KTFCA REPORT
(Kuncanowet Town Forest and Conservation Area)

1990 was the first full year of operation by the Committee, though much planning had taken place prior to gaining title to the Kuncanowet lands by the Town. The Committee members maintained strong interest in possible acquisition of certain adjacent tracts. One of these remained elusive for more than 2 years, but the Open Space Task Force decided to make a last attempt.

The Wood Fiber tract abutting the Stinson and Gravas lots has undergone several name changes and now is the Freeport Development tract as listed in the Town's second application to the Land Conservation Investment Program. A renewed approach to the owners was stimulated by the offer of Forrest and Vera Fogg to donate land to the Town. We are much indebted to the Foggs for this generous offer to add to undeveloped property in Town ownership. The Foggs intend that this will take place regardless of the outcome of our application to the State. The tracts in the application will add about 120 acres to the existing 800 acres in the Kuncanowet Area.

The Committee members assumed various responsibilities assisted by other volunteers. A key position as trailmaster was so filled, with others forming a trail crew. The initial outcome is a series of loop trails of varying lengths: to the old mill site and to Lost Lake. Some use is made of existing wood roads but the trails are chiefly on new locations. A culvert and fill have improved access to parking at the south entrance and foot bridges were installed at stream crossings.

Several opportunities occurred for inclusion of the Area in Town programs. Earth Day saw several guided parties on the trail circuit. The experience was repeated at the time of the Town's 225th Anniversary. In addition to these parties of about 25 each, substantial numbers of individuals and family groups have enjoyed the area, as well as sportsmen during the season. A sub-committee developed two leaflets of the Kuncanowet Area. Large-scale maps and displays were framed for exhibit at the Town's anniversary.

Volunteers are always welcome and needed for future trail development, boundary marking, inventorying plants and animals and trash reclamation. They may inquire from any member of the Committee. Any group in the community wishing to hear more about the Kuncanowet Area may request an informal presentation.

DUNBARTON FOREST COMMITTEE REPORT

The Committee has continued to give chief attention to matters of land acquisition and consolidation.

The negotiations with Karl Upton of Hancock were substantially complete at the time of his death in the spring of 1990. The conclusion, with the deeding of 14 acres to Town jurisdiction, has been delayed unavoidably. However, Mr. Upton's executor has assured us that the agreement is firm and, after sub-division clearance with the Planning Board, the transfer will take place.

Upon its completion, the Town will own all the frontage on the northerly beaver pond in the Kuncanowet tract and will possess much more adequate access from the New Everett Road. The Committee has also been involved in negotiations regarding the Freeport tract and in surveying and consolidation of tracts offered to the Town by Forrest and Vera Fogg.

The Committee has repeatedly expressed interest in assuming jurisdiction for all of the land adjoining the Charles Little Memorial Forest that was formerly in Little and Sokul ownership. More than 10 years ago, the Forest Committee acquired jurisdiction over the Sokul half of these lots by purchase for the Town using Forest Committee funds. The Library Trustees have held jurisdiction over the other half-interest received by the will of Charles A. Little.

This year the Committee and the Trustees have agreed on a transfer to be financed by funds from the Winslow bequest and trust. These funds are available solely for land acquisition and management purposes. The Trustees will also retain their interest in sand and gravel from these lots for the next 5 years

Everyone is invited to the celebration if this transaction finally occurs.

J. Willcox Brown, Chairman

Notes on the origin of the Winslow Town Forest.

Excerpts from a September 4, 1929 letter to the Selectmen:

“...The town will not directly earn money from such forests. The primary object is to preserve a forest area, undisturbed, indefinitely, which will serve as an animal refuge and place of interest and beauty....The lumber from the land should in time yield quite a good revenue... but it is not the intention that the tract should be given to the town to be exploited for money making, but rather to preserve it as an attractive forest area which would benefit the whole community...”

Arthur Winslow

Excerpt from a Sept. 27, 1929 letter to Mr. Winslow from the State Forester:

“...the action of the recent special town meeting was to give the Selectmen authority to accept your gift in the name of the town under certain conditions which in the main are that the town be permitted to handle the tract as a town forest putting such returns as might be available into a fund for use in improving and developing this or other similar tracts owned by the town.”

John H. Foster

DUNBARTON CONSERVATION COMMISSION

Despite the slow economy and the resulting lull in local development projects the Conservation Commission has kept busy. The Commission visits and, when necessary revisits, all projects which require approval of a dredge and fill application from the N.H. Wetlands Board and makes its recommendations to the board. With Commission input, the Wetlands Board issued one fine for wetlands violations in Dunbarton this year. Commission members attended two wetlands workshops.

The Commission helped to draft the proposal for a Wetlands Conservation District, which Dunbarton approved in March as part of the new zoning ordinance. This district is made up of the town's four great ponds (Gorham, Kimball, Long and Purgatory) , five brooks (Gorham, Black, Harry, Purgatory, and Bella) and the adjacent poorly and very poorly drained soils. Protection of these wetlands will help to insure safe groundwater, among other things.

In June two high school students attended Camp Interlocken, a conservation camp organized by the Society for the Protection of N.H. Forests. The Commission, the Earth Day Committee, and the Garden Club paid their tuition.

August brought the town together to celebrate its 225th Anniversary. The Conservation Commission in conjunction with the Kuncanowet Town Forest and Conservation Area Management Committee and the Town Forest Committee displayed new maps and photographs and prepared pocket-sized trail guides and species lists for the Kuncanowet area, easement information, etc.

This year's Hazardous Household Waste Collection Day, held in Bow, was a success as townspeople again displayed their willingness to properly dispose of household chemicals.

In the fall Commission members were involved in another Land Conservation Investment Program project (see Kuncanowet Management Committee report). The November deadline demanded considerable energy. Competition for state funds is exceptionally keen but these two lots would add significant wetland and shoreline habitat to the Kuncanowet area, as well as insure that Stinson Mill Pond remains unspoiled.

The Conservation Commission meets on the second Wednesday of the month at 7:30 p.m. at the Town Offices. Meetings are public and townspeople are welcome to attend.

1990 DUNBARTON CEMETERY TRUSTEES REPORT

The Cemetery Trustees have met twice a month during the past year to conduct Cemetery business and to supervise burials as needed.

A new fence and gate has been erected on the south side of Center Cemetery as previously budgeted. The hardware for the gate was handmade and donated to the town by Farrier Ken Bark of Bedford who has been working at the Wate Blacksmith Shop adjacent to the Dunbarton Historical Society building.

Cemetery trustees are members of the State of New Hampshire Cemetery Association and have been active in Association meetings.

John Thalheimer
Judy Keefe
Richard Mannion

Dunbarton Cemetery Trustees

"THIS OLD HEARSE purchased in 1870. This was the second one owned by the town," recalls town historian Alice M. Hadley, from whose scrapbook this 1928 picture was taken. The driver's name was John Buntin.

**1990 DUNBARTON
ZONING BOARD OF ADJUSTMENT**

The Dunbarton Zoning Board of Adjustment is scheduled to meet on the second Monday of each month and met as business required during 1990.

VARIANCES:

Robert Barnes: Request for a variance to build an addition on his existing home on Mansion Road closer than 50 feet from the boundary was DENIED.

Stephen Langley: Request for a variance to continue location of existing home on Legache Hill Road closer than 50 feet from the boundary was GRANTED.

Dana Mullen: Request for a variance to put an addition on existing house on Holiday Shore Drive at Gorham Pond closer than 50 feet from the boundary was GRANTED.

Donald Andrews: Request for a variance to construct a swimming pool and utility shed at his property on Route 13 closer than 40 feet from the boundary was GRANTED.

Yvonne Rogers: Request for a variance to build a utility shed at her property on Montalona Road closer than 50 feet from the boundary was GRANTED.

Louis DeBerio: Request for a variance to build an addition to his home located on Gorham Pond Road closer than 50 feet from the boundary was GRANTED.

Earl Jones: Request for a variance to construct a patio closer than 50 feet from the boundary at his property on Route 13. The Board of Adjustment voted that this use did not fall within the definition of a "structure" and therefore did not require a variance.

SPECIAL EXCEPTIONS:

Adrien Trudeau: Request for a Special Exception to operate a Starter/ Generator Rebuilding Shop in his existing garage on Montalona Road was GRANTED.

Paul Bruzga: Request for a Special Exception to continue the use of a three unit apartment in an existing barn on Twist Hill Road was GRANTED.

James Marcou: Request for a Special Exception to construct a garage to store and repair construction equipment, manufacturing, industrial and commercial use on Beverly Marcou's property on Mansion Road was DENIED. The applicant has appealed the Zoning Board decision. Case still pending.

**1990 DUNBARTON
ZONING BOARD OF ADJUSTMENT**

In considering an appeal, the Board must act on the evidence before it and make its decision. In making its decision, the Board often stipulates certain restrictions, which the appellant must adhere to. In a case involving a conflict of interest with a Board member, the Alternate member sits with the Board of Adjustment. The member with the conflict of interest is excluded from all deliberations and the vote on the decision. The Board of Adjustment must act within the limits set by the Dunbarton Zoning Ordinance and enforcement of its decisions rests with the Selectmen. During the year 1990, considerable time was spent in developing a revised Master Plan and new Zoning Ordinance. Public hearings were held in January 1990 on both the Master Plan and the Zoning Ordinance. The Master Plan and Zoning Ordinance were drafted by RKG, an independent firm, along with public input received from the people of the Town.

The Town voted at March Town Meeting 1990 on both the Master Plan and the new Zoning Ordinance. Both articles passed by a majority vote.

Respectfully submitted,

Harold Mooney, Chairman
Dennis Molnar, Vice Chairman
Alison R. Riley, Secretary
Leslie Hammond
Rick Antonia
Gertrude Dulude, Alternate
Robert Martel, Alternate
David Marshall, Alternate

**DUNBARTON
VOLUNTEER FIRE DEPARTMENT**

In the calendar year 1990, the Dunbarton Volunteer Fire Department responded to 121 calls for assistance, an increase of three calls over last year. During the year, members completed a Mass Casualty course. Five EMT's completed a defibulator course, all members completed a course on laws and regulations of driving emergency vehicles and four members finished a hazardous materials course. Members also participated in Monday night trainings and drills throughout the year.

In 1990 the Fire Department established a new truck committee to look into the purchase of a new class A pumper to suit the town's needs and make our job of protecting life and property easier and safer. After writing to numerous dealers and meeting with their representatives, we have come up with a specification for the truck which is cost efficient and should serve the town's future needs in years to come as well as the present.

In looking into the purchase of the new truck, we had to find a way to pay for it without an increase on the tax rate. On the warrant there are two articles dealing with the purchase of the fire truck. The first article puts \$30,000 into the capital reserve. The second gives the selectmen permission to enter into a lease/purchase agreement with Emergency-One Fire Apparatus and withdraw monies from the capital reserve fund. The total cost of the new pumper is \$149,000. With the \$60,000 plus interest already in the capital reserve, we will purchase the cab and chassis along with the necessary equipment to put the truck in service. The \$30,000 put in capital reserve will pay the first year's lease payment. On a three year lease, we could keep our lease payments close to \$30,000 a year which is what we have been putting into capital reserve each year.

I would like to thank the members of the Department who continue to volunteer many hours at no cost to the town. I would also like to thank the police and the highway departments, the Board of Selectmen and everyone who has assisted in our efforts this past year. We look forward to your continued support next year.

1990 Department responses

Respectfully submitted,

John R. Swindlehurst, III
Fire Chief

**1990 FOREST FIRE WARDEN'S REPORT
& STATE FOREST RANGER**

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

**1990 REPORT OF THE DUNBARTON
POLICE DEPARTMENT**

The Police Department managed to stay under their 1990 proposed budget by approximately \$758.00. We also purchased a 1991 Ford Cruiser and put it into service in mid summer. We came in under budget on this also by \$587.00.

David Westerlund was added to the Department in October, 1990. He attended the Police Academy in Concord on weekends from October until December. This course was both Saturday and Sunday, all day. We congratulate and support Dave as our newest part time officer.

The Police Department participated in the 225th Anniversary for the Town in August. All hours for the two day, twenty-four hour a day coverage was donated by the members of the department at no cost to the Town. I thank all officers for their willingness to help make this event very successful.

The following is a breakdown by month of calls that were handled by the department through our Bow dispatch.

Month	Tel. Calls	Radio
January	377	578
February	205	351
March	301	438
April	355	493
May	252	338
June	234	430
July	330	384
August	329	444
September	245	295
October	335	397
November	241	415
December	<u>234</u>	<u>254</u>
Totals	3438	4817

Many thanks to the State Police, Bow dispatch, Police Departments of neighboring towns, Dunbarton Volunteer Fire Department, Board of Selectmen, fellow officers, and all citizens of the Town for their support in 1990.

Officers serving the Town now are: Robert Anderson, Chief, Donald Andrews, Michel Belanger, John Swindlehurst, Walter Smith, Ernest Holm, and Dave Westerlund.

Robert Anderson
Chief of Police

AUDITOR'S REPORT

We have audited the accompanying general purpose financial statements of the Town of Dunbarton and the combining and individual fund financial statements of the Town of Dunbarton as of and for the year ended December 31, 1989. These financial statements are the responsibility of the Town of Dunbarton's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Dunbarton at December 31, 1989, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town of Dunbarton at December 31, 1989, and the nonexpendable trust funds for the year then ended, in conformity with generally accepted accounting principles.

Carri-Plodzick-Sanderson
Professional Association

**DUNBARTON
RECREATION COMMISSION**

1990 was the first full year in which the Dunbarton Recreation Commission was in existence. Some of the programs that the DRC sponsored or participated in were:

- Adult Basketball
- Aerobics
- St. Patrick's Day Dance
- Arranged for the Pepsi Machines and Score Board
- Offered dance and Baton lessons
- Participated in the Anniversary Celebration
- Volleyball
- Playground renovations
- Youth Basketball concessions
- Earth Day walk
- Concessions at the Town Meeting
- Provided a safety package for school children at Halloween

We increased the Commission from five members to eight to provide more manpower. Dunbarton Recreation Commission meetings are every second Tuesday at the Town Office.

Respectfully submitted,

- Bronda Crosby - Chairperson
- Ken Perkins - Co-chairperson
- Pam Milioto - Treasurer
- Peter Weeks
- Jeff LeDuc
- Tim Terragni
- Jacques Belanger
- Paul McGuire

		\$ 1,919,971
4. Cooperative expenses, including consultants & studies		<u>443,367</u>
Total 1991 Budget		\$ 4,563,321
Less portion of interest & surplus applied to 1991 budget		<u>-410,378</u>
Net - to be raised by Cooperative Member Municipalities		\$ 4,152,943
1991 GAT of \$110,893 tons, cost = \$37.45/ton		

SUMMARY: 1990 completed our first full year of operations with positive results. We delivered 105,385 tons of trash from our 27 communities at a co-op cost of \$36.45 per ton covering full cost of all operations, including our landfill, plus future landfill expansion and closure funds. While our delivered tons were down in 1990 we expect in 1991 to be much closer, due to operating experience, to our 1991 Guaranteed Annual Tonnage of 110,893 tons. Our operator at the Landfill, J. D. McLeod, continues to function in an exemplary manner and his efforts are greatly appreciated by the Co-op. Our tipping fee in 1991 was set at \$37.45 and we intend to commence the design and some construction of our Phase II Operations at the Landfill. Once again the communities should be grateful to their Co-op representatives who have given much time and effort since 1985 to pull this project together and to continue it into the coming years.

Ronald H. Ford
Project Director

**CENTRAL NEW HAMPSHIRE
REGIONAL PLANNING COMMISSION**

The Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 19 towns and the City of Concord in Merrimack and Hillsborough Counties. The Town of Dunbarton is a member in good standing of the Commission.

The CNHRPC is organized under RSA 36:45-53 to prepare coordinated regional plans and to assist communities with local planning activities.

Our accomplishments over the last year include:

Housing: We assisted communities in implementing the recommendations of Affordable Housing Needs in the Central Region, published in 1989. The report identifies low and moderate income housing needs to the Region by municipality.

Regional Plan: We prepared a draft of the land use element of the regional master plan. The draft is scheduled for public hearing in February of 1991.

Solid Waste: The Commission assisted the Central N.H. and Hopkinton-Webster Solid Waste Districts in obtaining state approval of their Solid Waste Management Plans. The Commission had assisted each district in the preparation of their plans and continues to assist with implementation.

Recycling: The CNHRPC prepared a regional recycling status update, funded by a grant through the Governor's recycling initiative.

Household Hazardous Waste Collection: The CNHRPC organized its second household hazardous waste collection on October 13, 1990, with collection sites in Bow and Warner. Cosponsors were the Towns of Allenstown, Boscawen, Bow, Bradford, Canterbury, Dunbarton, Hopkinton, Pembroke, Sutton, Warner, Webster, and Wilmot and Wheelabrator Concord, LP.

River Management and Protection: The Commission cosponsored the successful nomination of the upper Merrimack River to the N.H. Rivers Management and Protection Program. The Commission is cosponsoring the nomination of the Contoocook River this legislative session.

Water Resource Management and Protection Plan (WRM&PP): The Beaverdam Brook Plan, encompassing parts of Boscawen, Salisbury, and Webster is the first multi-town plan completed in New Hampshire.

Geographic Information System (GIS): The System, designed to map and manage geographic information, has been used in regional and town plans.

During 1990, CNHRPC activities in Dunbarton included assisting in identifying the effects of commercial zones on manufactured housing opportunities and providing information on abandoned railroad rights-of way.

**BELKNAP-MERRIMACK COMMUNITY ACTION PROGRAM
SUMMARY OF SERVICES PROVIDED
TO DUNBARTON RESIDENTS IN 1990**

CONGREGATE MEALS - All senior citizens are welcome to our congregate meal site for nutritious hot meals, social/recreational activities, and field trips. Value \$5.16 per meal.

Units of Service	Number of Households/Persons	Value
121 Meals	14 Persons	\$ 624.36

MEALS-ON-WHEELS - Provides the delivery of nutritionally-balanced hot meals to homebound elderly or adult residents five days per week. Value \$5.24 per meal.

Units of Service	Number of Households/Persons	Value
774 Meals	98 Persons	\$ 4,055.76

FUEL ASSISTANCE - Income eligible households, particularly the elderly, are assisted with energy costs during the heating season. The average assistance per household was \$419.85.

Units of Service	Number of Households/Persons	Value
21 Applications	21 Households	\$ 8,816.76

WEATHERIZATION - Improves the energy efficiency of income eligible households. Supplemental Program also includes furnace replacement, water heater replacement and roof repair. Value includes materials and labor costs. \$1,028.21 average support costs.

Units of Service	Number of Households/Persons	Value
1 Home	1 Home	\$ 655.82 (materials) \$ 1,028.21 (support costs)

RURAL TRANSPORTATION - Provides regularly scheduled transportation to and from towns in Belknap and Merrimack Counties to medical and professional facilities, shopping centers and congregate meal sites. Value \$3.92 per ride.

Units of Service	Number of Households/Persons	Value
337 Rides	5 Persons	\$ 1,321.04

Town Clerk

1991 DUNBARTON SCHOOL DISTRICT WARRANT

Election of Officers

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Dunbarton qualified to vote in District affairs.

YOU ARE HEREBY NOTIFIED TO MEET AT THE DUNBARTON COMMUNITY CENTER IN DUNBARTON ELEMENTARY SCHOOL IN SAID DISTRICT ON TUESDAY, THE TWELFTH OF MARCH, 1991, AT TEN O'CLOCK IN THE MORNING TO CAST BALLOTS FROM THAT HOUR OF SAID DAY UNTIL AT LEAST SEVEN O'CLOCK IN THE EVENING FOR THE FOLLOWING OFFICERS:

1. To choose one member of the School Board for the ensuing three years.
2. To choose a Clerk for the ensuing two years.
3. To choose a Treasurer for the ensuing two years.
4. To choose an Auditor for the ensuing year.

GIVEN UNDER OUR HANDS AT SAID DUNBARTON THIS ELEVENTH DAY OF FEBRUARY, 1991.

Sheree A. Westerlund
Betty Ann Noyes
Martha R. Hammond
SCHOOL BOARD

1991 DUNBARTON SCHOOL DISTRICT WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Dunbarton qualified to vote in District affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE DUNBARTON COMMUNITY CENTER AT DUNBARTON ELEMENTARY SCHOOL IN SAID DISTRICT ON SATURDAY, THE NINTH DAY OF MARCH, 1991, AT SEVEN-THIRTY IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officer or agent of the District, or to take any other action in relation thereto.
2. To hear the reports of Agents, Auditors, Committees or Officers of the District, or to take any action in relation thereto.
3. To see if the District will vote, under the provisions of RSA 198:20-B, to authorize the School Board to apply for, accept, and expend without further action by the School District Meeting, money from any source which becomes available during the 1991-92 school fiscal year provided that such expenditures be made for purposes for which a school district may appropriate money. Further, that the School Board hold a public hearing prior to spending such money, or to take any other action in relation thereto.
4. To see if the Town will vote to limit the increase in the school budget to not more than 2 1/2 % over the previous year. (Article by petition) (Not supported by the Board)
5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory and contractual obligations of the District, or to take any other action in relation thereto.
6. To see if the District will vote to establish a capital reserve fund pursuant to RSA 35 for the purpose of capital improvements to the Dunbarton School facility, the authority to spend being reserved to legislative approval at subsequent School District Meetings, or to take any other action in relation thereto.
7. To see if the District will vote to appropriate the unexpended balance of the 1988 capital construction account to the capital reserve fund established under Article #6 above.
8. To transact any other business that may legally come before said meeting.

GIVEN UNDER OUR HANDS AT SAID DUNBARTON THIS
ELEVENTH DAY OF FEBRUARY, 1991.

Sheree A. Westerlund
Betty Ann Noyes
Martha R. Hammond
SCHOOL BOARD

**Record of the
Dunbarton School District Meeting
March 10, 1990**

The annual meeting of the Dunbarton School District was called to order at 7:30 p.m. by Leslie G. Hammond to act upon the following warrant articles. After Mr. Zeller led the assembly in the Pledge of Allegiance, the Moderator, Leslie Hammond, introduced the following:

School Board	Martha Hammond Betty Ann Noyes Sheree Westerlund
School Clerk	Patricia Welin
Supervisors of the Checklist	
Superintendent of SAU #19	Timothy Gormley
Assistant Superintendent	Cammine Giangreco
Business Administrator	Dennis Peters
Assistant to the Supt. for Special Needs	Carol Kingston
Lawyer	Atty. Douglas Hatfield Jr.
Town Constable	Robert Anderson

Leslie Hammond made note of the fact that this year's Town Report was dedicated to Donald Montgomery for the many years of service to the Town of Dunbarton.

A motion was made by Martha Hammond and seconded, that the reading of the Articles in the Warrant be waived. The motion passed.

Article 1. A motion was made by Sheree Westerlund and seconded, that the salaries of the School Board and Truant Officer and the compensation of any other officer or agent of the District be accepted as printed in the Town Report. The motion passed.

Article 2. After making a few corrections, a motion was made by Betty Ann Noyes and seconded, that the report of agents, auditors, committees, or officers be accepted as presented as printed in the Town Report.

Bill Zeller was asked by the School Board to give a report on the new "Community Center".

School Board thanked Mr. Gravas for the donation of the new piano for the school. They also thanked the Johnsons for new playground equipment.

The motion passed.

Article 3. A motion was made by Martha Hammond and seconded, that the District authorize the School Board, under the provisions of RSA 198:20-B, to apply for, accept, and expend without further action by the School District meeting, money from any source which becomes available during the 1990-91 school fiscal year, provided that such expenditures be made for purposes for which a School District may appropriate money. Further, that the School Board hold a public hearing prior to spending such money. The motion passed.

Article 4. A motion was made by George Cushman and seconded, to see what action the School District will take to limit the budget for the ensuing year to no more than a 5 percent increase over the current year. Mr. Cushman gave a short speech concerning how the taxpayers should consider this Article.

He criticized the SAU salaries, benefits, in-service training, telephone calls, etc. It was urged that we

form a citizen's group to join in with the other towns of the SAU to follow-up on their procedures. There was a good acceptance of Mr. Cushman's report.

It was also noted in his speech that we could legally vote on the budget line by line item.

A motion was made by Joanne Zylak and seconded, that the Article be amended as follows:

To see what action the School District will take to limit the budget for the year 1990 to no more than a 5 percent increase over the current year. The amendment passed.

An amendment was made by Jeff Taylor and seconded, to review the budget line by line and cut as much as we want out of this budget. He felt that some of the increases were astronomical and urged more responsibility of the taxpayers. The amendment was defeated.

Discussion followed on whether or not line item cuts were binding and Les Hammond said that it is a gray area.

An amendment made by Joe Miliato and seconded, was proposed to cut the budget by 6%. The amendment was defeated.

Back to discussion of the 5% cap. At this point, Mr. Seller made an emotional appeal to the assembly. He read an essay written by a group of sixth graders who asked him to read it to the voters. In it was said that every citizen has a responsibility to educate the new generation. They appealed to support the teachers. Karen Camp said that we are not negating the quality of education or the fine work of the SAU and the School Board, but we have to appeal to reason as we deal with this very difficult situation.

Rick MacMillan moved to vote. Not seconded.

Then a motion was made by Betty Ann Noyes and seconded, to table Article 4 until Article 5 is discussed. The motion passed.

Article 5. A motion was made by Martha Hammond and seconded, that the District raise and appropriate one million, six hundred fifty thousand, five hundred ninety-seven (\$1,650,597) for the support of schools, for the payment of salaries of School District Officials and Agents, and for the payment of statutory and contractual obligations of the District.

An amendment made by Jeff Taylor and seconded, on Article 5 to approve the budget, line by line. The amendment was defeated.

Questions were raised as to teachers' salary increase. Martha Hammond defended the salaries by saying we are almost competitive with other districts in the area and that the teachers could probably earn more elsewhere. She added that if the teachers are forced to form a bargaining unit, we could all lose.

The 11% increase in teachers' salary included an additional teacher, teacher's aide. It was explained that the teachers in Dunbarton go through a 26 year process to receive increases in pay, and that there are intervals in of certain years where no increases are received. This year 4 teachers fell into this category.

An amendment was made and seconded to cut the hiring of the teacher and to just hire an aide if needed. This amendment was defeated.

An amendment was made and seconded to just give the teachers their earned step increases with no salary increases. This amendment passed.

A question was asked of the School Board of how many teachers would not get a step raise and what the dollar figure would be? At this point, 10:55 P.M., the Moderator recessed the meeting for 5-10 minutes.

After the recess another amendment was made to give the teachers a 3% salary increase. This amendment was defeated.

Finally, an amendment was made by Bob Roy, and seconded, to delete the teachers' salaries in line item 110 of the budget but to keep the longevity step increases in and also to keep money for a new teacher and/or an aide if needed. This amendment passed.

An amendment to the main motion was made and seconded, to reduce the total budget to \$1,600,000. This amendment was defeated.

An amendment was made and seconded, to reduce the budget from \$1,624,925. to \$1,617,000. This amendment was defeated.

Carol Kingston, Assistant to the Superintendent for Special Needs, was asked to give a report on special needs providers, such as consultants. The assembly was concerned over the costs for services. These programs are mandated and we have to pay their rate.

An amendment was made and seconded, to eliminate the Principal's salary.

Amendment to the amendment to give the Principal a 3% raise. Both these amendments were defeated.

An amendment was made and seconded, to put the total budget at \$1,622,671. This amendment passed.

The main motion that the District raise and appropriate one million, six hundred twenty-two thousand, six hundred seventy-one (\$1,622,671.) for the support of schools, for the payment of salaries of School District Officials and Agents, and for the payment of statutory and contracted obligations of the District. The assembly left it up to the School Board's discretion, taking into the feeling on salary increases, to make the cuts in the total budget. This motion passed.

Rick MacMillan suggested that after the budget was re-assessed and appropriate cuts are made, copies of the revised budget be available to the public. He even offered to pay for the mailing of the revised budget. After some discussion, the School Board agreed to have copies of the revised budget available at the school.

Article 6. A motion was made by Betty Ann Noyes and seconded, that it be resolved that we, the residents of Dunbarton, find the cost of providing the necessary education for our students, being funded almost exclusively by local property taxes, an inequitable burden. Therefore, we petition and direct our State Representatives to take legislative action to augment the local property tax for the purpose of creating a more equitable tax structure for the support of our system of locally controlled public education. Comment by John Stevens that with this motion, we may be giving our officials the wrong idea of being in favor of a broad based tax. If we are going to spend the money, it would be best spent in our local towns rather than statewide. Jeff Taylor requested that the vote:

48 - Yes
45 - No

was on record to indicate that the vote was not unanimous.

Article 7. To transact any other business that may legally come before said meeting.

Arlene Little commended the School Board for their hard work.

Meeting was adjourned at 12:40 p.m.

A true record.

Respectfully submitted
Patricia A. Welin
School Clerk - Dunbarton

DUNBARTON SCHOOL BOARD REPORT
1990 - 1991

The Community Center is fully functional, all the loose ends have been tied up, and the money has not all been used. Bleachers have been installed and are a very welcome addition. Besides what the facilities provide for the students, it's a pleasure to see the Community Center in almost constant use by the townspeople for a variety of activities including voting, wedding receptions, dances and aerobics.

Playground improvements worth about \$12,000 have been made this year. The Dunbarton Parent/Teacher Organization donated \$1,700 toward the project, \$1,500 came from the school budget, and the difference was volunteer labor and the donation of materials. What an example of community effort! The biggest success was the "Adventure House", a climbing structure that the students particularly wanted. Out thanks are extended to the Playground Committee and all who worked with them!

The possibility of preparing school lunches here in Dunbarton is currently being looked into by the newly established School Lunch Committee. More information on this project will be forthcoming; we need complete total cost estimates before entertaining this project.

Enrollments at Dunbarton Elementary are increasing. Two years ago, for the first time, enrollment in the first grade required making it into two classes. This judgment is one of the hardest we must make, balancing effective education against the resources of the taxpayer. Needs shift among the classes which further compounds School Board planning for effective yet cost-effective education.

It has been a difficult year at the SAU 19 level, with three out of four administrative positions (Superintendent, Assistant Superintendent and Business Administrator) being vacated and filled. The continued smooth operation of this school district is evidence of the skill of the people who have filled these administrative positions.

The administrative turnover has also provided an opportunity for demonstration of the skill and teamwork of the local staff. To them we extend our appreciation for their consistently fine work as the most important element in educating our children. We appreciate as well their continued willingness to work with us, rather than against us, on salary issues.

Meeting the educational needs of our children while keeping within the financial limits of our townspeople is not an easy task. It is important to the resolution of the issues that the school board faces that members of the community are aware of them. We extend our thanks to the Parent/Teacher Organization for their attendance at our meetings and for the reports sent home with the students, and for all the support they provide.

Support from the community and the staff, like the Parent/Teacher Organization, the Playground Committee, the Building Committee, the Volunteer Program (once again an award winner) and the assistance and cooperation of many others, makes our job easier. More importantly, they make an invaluable difference to our students. Thank you all...

Being cognizant of this year's economic issues and the concerns of all taxpayers, we have deliberated many long and hard hours to build a budget that presents a minimal increase - however, this budget which has also suffered many deletions will effect our rating with State Standards and will also effect the quality of education.

Respectfully submitted,

Sheree A. Westerlund, Chairman
Betty Ann Noyes, Vice Chairman
Martha Hammond

1990 REPORT OF SUPERINTENDENT OF SCHOOLS

The information presented in the reports of the Dunbarton School District show the dynamic nature of the educational process.

The important role of the teachers and principal in preparing our students for the new middle school and their high school years is evident in Bill Seller's report. Dunbarton Elementary School is an exciting place in which to grow and learn not only because of the presence of this capable and dedicated staff, but also because of the volunteers who play such a vital role in the school. The school, along with the Community Center, continue to be attractive locations in which to meet and organize for continued improvement of our programs for our future leaders and adult citizens.

My association with the School Board and staff of the Dunbarton Elementary School has been relatively brief. However, the enthusiasm and commitment toward promoting excellent educational opportunities has been inspiring. I am confident that that pride and optimism will continue.

Owen P. Conway
Acting Superintendent

READY FOR THE PARADE. Arthur D. Hadley and his patriotic bicycle are all set to ride in the parade at the Dunbarton 150th Anniversary Celebration in 1915. (Photo courtesy of L. Robert Tucker.)

1990 Principal's Report
EDUCATION, THE BRIDGE TO THE FUTURE

On December 2, 1972 the "new" Dunbarton Elementary School was dedicated as "A modern elementary school to meet the educational needs of the students of today and tomorrow." Included on the program was this paragraph: "The school which opened in September (1972) is a practical modern open concept building with a library resource center, a multipurpose room, health room, teachers' room and office space. Situated on 23 centrally located acres of the former Seller property, there is ample area for the expansion of the playground and for future plant expansion in the event a growth in school enrollments necessitates additions."

Education is change, and throughout the past 19 years since the present school was built, these planned changes have been made. The playground no longer resembles the rolling "fields" we started with. It is now graded as a playing field, and has another area filled with equipment to firm student's muscles and stretch their imaginations. The newest "Adventure House" does both of these things. The very active Playground Committee helped make this possible along with the fund raising efforts of the PTO. The committee also planned and put up a large new backstop, two outdoor bleachers, a low "ropes" course, outdoor basketball court, several picnic tables, etc. This is now a playground to be enjoyed year round by both students and families.

The new community center opened in 1989. It is a very creative addition that fills a real community need and is serving a bridge to the future in our children's education too. With this and other changes to the existing building our educational program has the facilities in which to reach out to the needs of our students.

Through these 19 years we have seen the addition of computers in every classroom, a certified librarian, an art and physical education teacher, a special education program, guidance, speech and occupational therapy as well as an increase in time for music education. In his address to the University of New Hampshire graduates in December 1990, Civil War filmmaker Ken Burns said, "Support the sciences and the arts, especially the arts, they have nothing to do with the defense of this country — they only make this country worth defending." Dunbarton residents have certainly provided this support.

The new Community Center has also sparked a greater interest in sports. We have a very active basketball program in grades 3 - 6 in which every student that chooses to may play on a team. This year four Dunbarton seventh graders made the Jr. High team at Goffstown. The Recreation Commission has also made dance possible for many students after school and has organized adult volleyball and basketball among other things.

This year our school population reached 152 in grades 1 through 6. We admitted two students from Poland which has made the world around us seem more real and added new challenges and understandings to our daily lives.

Our volunteer program continues to be one of the best in the state. This past year volunteers gave over 5000 hours making Dunbarton the town with the most volunteer hours per student in the state.

School is a place where children live and grow. It is our responsibility to be sure there is a teacher in every classroom who cares that every student learns and grows and feels like a real human being every day. With your support and this philosophy the education our students get will definitely serve as their "Bridge to the Future".

William T. Zeller
Principal

1990 Goffstown Jr./Sr. High School Principal's Report

This has been a very busy year and one with difficult challenges. We, along with numerous other schools and communities, have begun to identify and agree to directions for the future. This at a time when our economy has changed significantly and the threat of a Middle East crisis makes for much uncertainty.

We have worked closely with Mr. O'Neil, the new Middle School Principal, in formulating a plan for the opening of the new school at Tibbetts Hill. Staffing, program emphasis, building readiness, staff training, etc. have all required much cooperation and effort on the part of many people here at the area high school as well as at the Upper Elementary and Bartlett Schools. Having Mr. O'Neil here at this building and sharing our office space has allowed us to more effectively work and plan together. We are excited about the new opportunities awaiting our junior high school students and faculty beginning in September of 1991.

The school improvement process so enthusiastically reported to you in last year's report continues to be, in my opinion, the vehicle for positive change. However, with the reality of significant budget cuts and teacher layoffs for 91-92, morale has suffered. Action plans intended to improve specific aspects of the school may find more difficult "sledding" as we grapple with the impact of budget cuts on staffing patterns, instructional accounts, etc.

The monthly Newsline has been well received by many of you and continues to receive very positive comments about its purpose and content. There are plans to improve on format and to expand content. There are plans to expand content for another school year.

The first edition of the Grapevine, a student newspaper, was issued in December and brings to reality yet another goal in our plan to provide a forum for student news and opinions. A very special thank you to Pat Merrill and Janet Bartels who as parents have assumed the advisorships for a most challenging project. We are very grateful and feel very fortunate to have such committed parents.

I have felt for a long time that our regular education students need a place to go during the school day to receive extra help and/or tutorial services in a particular subject or subjects during their study time. Beginning last September we began a pilot program called Scholastic Lab. This lab is staffed by regular faculty and is available to students who need additional support. A student can request such support, or be referred by a teacher, counselor, or parent. The purpose of this program is to help reinforce classroom learning and provide an opportunity for regular education students to receive timely support and help.

The Parent Advisory Group continues to meet on a monthly basis and parent representation is slowly increasing in numbers. Specific ways in which parents can help with school improvement are being discussed and prioritized. To date the group has discussed many issues and concerns and heard from several student organizations about their feelings regarding school environment, strengths and weaknesses, etc. We need your involvement too!

Beginning with the third ranking period of the current school year, mid-term progress reports will be issued to all students rather than to just those experiencing academic difficulty. The parent advisory meetings identified a strong desire on the part of the parents for this to occur. We agree.

Perhaps the greatest challenge to the high school during the rest of this decade will be our commitment to increase instructional effectiveness for all students. As research continues to identify the different learning styles of individuals, we as administrators and teachers must be willing to add new instructional approaches and to critically review the traditional ones.

The citizens of Dunbarton can continue to be proud of the students sent to Goffstown Area High School. They are academically competitive, involved in school activities and good school citizens.

William H. Marston
Principal

**REPORT OF THE DUNBARTON ELEMENTARY SCHOOL
VOLUNTEER PROGRAM
1989-1990**

The School Volunteer Program plays a vital role in the life of Dunbarton Elementary School. People volunteering their time are involved in many different facets of the school. Several people help in the classrooms with creative writing, flashcards, and special projects. Volunteers are seen in the Library, nurse's office, music program, coaching sport teams, assisting with the winter ski/skate program, making copies and dittos. There are those volunteers who are "behind the scenes"; babysitting, making books for the Creative Writing Program, baking, sewing, making phone calls - the list goes on and on. All total, 169 volunteers donated 5,102 hours in 1989-1990.

All this involvement by parents, community people, high school students and senior citizens has made the Volunteer Program an outstanding one. Recognized by the New Hampshire Partners in Education/New Hampshire School Volunteer Program and the New Hampshire State Department of Education, the Program received the Blue Ribbon School Achievement Award for the fourth year in a row. This award is a tribute to the cooperative efforts between schools and communities that have yielded outstanding school volunteer programs.

Our Volunteer Program feels the loss of one of our veteran volunteers who passed away last summer. Mrs. Ruth Hingle donated 17 years of volunteer service at Dunbarton Elementary School. Mrs. Hingle came in weekly and volunteered in reading. She was much loved and is sorely missed by students, staff and volunteers.

Thank you to all of the very special people who fit volunteering into their busy schedules.

Respectfully submitted,

Judy Keefe

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Dunbarton School District
Dunbarton, New Hampshire

We have audited the accompanying general purpose financial statements of the Dunbarton School District and the individual fund financial statements of the School District as of and for the year ended June 30, 1990, as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Account Group results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Dunbarton School District at June 30, 1990, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School District at June 30, 1990, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

TOWN MEETING
1990

The fireworks which signaled the closing of the Dunbarton 225th anniversary celebration were a spectacular finale to a memorable event. A comment was made which summed up the spirit of the occasion, "Our pride just lit up the skies along with the display."
