1985 Town Warrant Town of Hampstead, N.H.

To the Inhabitants of the Town of Hampstead in the County of Rockingham in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at the Memorial Gymnasium in said Hampstead, on Tuesday, the 12th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To choose all necessary School District Officers for the year ensuing.
3. To see if the town will vote to delete Article II, Section VIII B Restrictions 2 and add the following to the Zoning Ordinance:

Article II Section VIII. B. Restrictions 2. Accessory use of the same lot with and customarily incidental to any of the listed permitted uses and not detrimental to a residential neighborhood may be permitted. This may include any of the customary home occupations, lawful professions, or trades such as dressmaking, millinery, letting of rooms, taking of boarders, preparing of food for sale, as well as a trade such as a builder, carpenter, mason, painter, plumber, tinsmith, upholsterer, or machinist who lives and maintains a home on the premises or buildings thereon in connection with their work.

No business or combination thereof will permit more than two non-family employees on site performing their primary occupation.

Such a home occupation, lawful profession or trade shall maintain the appearance and use as a residency and shall not display or create outside of the building any evidence of a home occupation.

Such a home occupation, lawful profession or trade shall not present any hazard to the public health or safety and shall not create a general nuisance.

3. Size: The square feet allowed for a home occupation, lawful profession or trade will be determined as follows; the home occupation, lawful profession or trade shall not utilize more than twenty-five percent (25%) of the gross floor area (including the basement) of the dwelling unit. Attached barns or garages are excluded when calculating the gross floor area.

4. Where Permitted: Home occupations, lawful professions, or trades are permitted within single family dwelling units, or in a building or other structure accessory to the dwelling unit and only by the person or persons maintaining a dwelling therein.

Recommended by the Planning Board

4. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

General Government	\$186,447.70
Public Safety	146,155.00
Highways	174,300.00
Sanitation	150,000.00
Health	25,253.78
Welfare	48,000.00
Culture & Recreation	62,471.00
Debt Service	100,000.00
Miscellaneous	38,000.00
<i>Recommended by the Budget Committee</i>	\$930,627.48

5. To see if the town will vote to authorize the Selectmen to hire money for the use of the town in anticipation of taxes.

6. To see if the town will vote to authorize the Selectmen to hire

money for use of the town in anticipation of the public safety building (firehouse) bond money.

7. To hear reports of Auditors and Committees and to act thereon.

8. To see if the town will vote to authorize the Selectmen to dispose of by public sale any real state acquired by the town through Tax Collector's deeds, excluding those parcels of real estate which the Conservation Commission recommends for retention in the best interest of the town, as provided in RSA 80:42A.

9. Without revoking or amending any previous vote or votes: To see if the Town will authorize the Selectmen to (i) sell the land acquired by deed of Francena Little Ingraham in Book 2489. Page 1347 to Dean C. Howard Construction, Inc. for Twelve Thousand Dollars (\$12,000.00) for the sole purpose of construction of a public safety building thereon to house the Hampstead Fire Department, with an irrevocable option by the Town to repurchase said land complete with said public safety building erected thereon; and (ii) to authorize the Selectmen to purchase, on behalf of the Town, said land and public safety facility upon the issuance of an occupancy permit or final inspection by the Town's Building Inspector and or architects confirming that the said public safety building erected thereon and all other required improvements thereon have been completed to the Town's approved construction standards. Such purchase by the Town to be in an amount not to exceed Three Hundred and Seventy Five Thousand Dollars (\$375,000.00) for improvements, plus Twelve Thousand Dollars (\$12,000.00) for the land, and to be paid out of the proceeds of the bond approved at the 1984 annual Town Meeting together with the aforesaid \$12,000; and (iii) to authorize the Selectmen on behalf of the Town to contract with Dean C. Howard Construction, Inc. to accomplish the purposes of this vote.

Recommended by the Budget Committee

10. Without revoking or amending any previous vote or votes: In the event Warrant Article 9 fails to pass, to see if the Town will raise and appropriate the sum of One Hundred and Twenty Five Thousand Dollars (\$125,000.00) to be used together with the proceeds of the bonds approved at the 1984 annual meeting for the construction of a public safety building to house the Hampstead Fire Department on land purchased from and donated by Francena Little Ingraham and to solicit bids for such construction and to pay all federal and state grants and interests received in addition to said sum.

11. To see if the town will vote to expend from Revenue Sharing funds the sum of \$14,000.00 for the purchase of a police cruiser.

Recommended by the Budget Committee

12. To see if the town will vote to expend from Revenue Sharing funds the sum of \$2,500.00 for the purchases of a copy machine for the Selectmen's Office

Recommended by the Budget Committee

13. To see if the town will vote to expend from Revenue Sharing funds the sum of \$2,500.00 for the purpose of purchasing furniture for the police department.

Recommended by the Budget Committee

14. To see if the town will vote to expend from Revenue Sharing funds the sum of \$1,500.00 for fence at the town beach upper parking lot bordering the Evans property and to include gate opening and chain.

Recommended by the Budget Committee

15. To see if the town will vote to expend from Revenue Sharing

funds the sum of \$3,000.00 to resurface/topcoat the two tennis courts on West Road.

Not Recommended by the Budget Committee

16. To see if the town will vote to expend from Revenue Sharing funds the sum of \$3,400.00 for the purchase of a copy machine, card catalog and book cart for the library.

Recommended by the Budget Committee

17. To see if the town will vote to expend from Revenue Sharing funds the sum of \$4,380.00 for 12 pagers for the Fire Department.

Recommended by the Budget Committee

18. To see if the town will vote to expend from Revenue Sharing funds the sum of \$6,000.00 for the purchase of a Jaws-of-Life tool for the Fire Department.

Recommended by the Budget Committee

19. To see if the town will vote to expend from Revenue Sharing Funds the sum of \$4,435.00 for the purchase of a two-way radio system for the Highway Department.

Recommended by the Budget Committee

20. To see if the town will vote to raise and appropriate a sum not to exceed \$10,000.00 to repair the library building and restore the front columns.

Recommended by the Budget Committee.

21. To see if the town will vote to raise and appropriate a sum not to exceed \$14,000.00 for painting the Town Office Building, Meeting House Steeple and Library.

Recommended by the Budget Committee.

22. To see if the town will vote to raise and appropriate a sum not to exceed \$4,400.00 to fund Hampstead's share of a closure plan to be developed for the Kingston landfill.

Not recommended by the Budget Committee

23. To see if the town will vote to raise and appropriate a sum not to exceed \$500.00 for the Rockingham Planning Commission to assist them in sponsoring the first Rockingham County Household Hazardous Waste Collection Program.

Not Recommended by the Budget Committee.

24. To see if the town will accept the deed of Jesse Davis for parcel "D" together with right-of-way as shown on plan entitled "Plan of Land in Hampstead owned by Bonnie Vale Classics, drawn by James M. Lavelle and dated September 17, 1979, shown as Map 7, Parcel 75 on the Tax Map.

25. To see if the town will vote to authorize the Board of Selectmen to make application for and to receive and spend in the name of the town, such advances, grants-in-aid or other funds for the town purposes as may now, or hereafter be forthcoming from Federal, State, local or private agencies that would be of benefit to the town.

26 To see if the town will vote to set the high water mark or operating level of Wash Pond at six inches below the concrete crest of the dam, as recommended by the New Hampshire Water Resources Board and The Conservation Commission.

27. To see if the town will vote to accept the donation of \$3,500.00 from the Cohen Foundation Camps.

Recommended by the Budget Committee

28. To see if the town will vote to raise and appropriate a sum not to exceed \$160,000.00 for the purchase of a new fire truck.

Recommended by the Budget Committee.

29. On petition of Basic Innovations, Inc. and Dabblin Realty Trust to see if the town will vote to allow the erection of a motel located on land owned by Basic Innovations, Inc. and Dabblin Realty Trust, situate on Route 111 and Hazel Drive, pursuant to Article X of the Hampstead Zoning Ordinance. By Petition.

30. To see if the town will vote to raise and appropriate a sum not

to exceed \$4,000.00 to support the Family Mediation Program.
Not recommended by the Budget Committee.

31. To see if the town will vote to rescind the adoption of RSA 41:32A and to raise and appropriate a sum not to exceed \$2,760.00 to allow the Selectmen to hire a Certified Public Accountant to do the annual town audit.

Recommended by the Budget Committee

32. To see if the town will vote to raise and appropriate the sum of \$500.00 to support the Rockingham Child and Family Services.
Not Recommended by the Budget Committee.

33. To see if the Town will vote to adopt a plan for extending to employees of the town the benefits of Title II of the Federal Social Security Act (Old Age, Survivors, Disability and Health Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated as amended and to raise and appropriate the sum of \$5,000.00 to defray the town's share of the cost thereof.

Recommended by the Budget Committee.

34. To see if the town wishes to exclude from the plan services in any class or classes of positions filled by popular election.
Not recommended by the Budget Committee.

35. To see if the town wishes to exclude from the plan services in any class or classes or positions the compensation for which is on a fee basis.

Recommended by the Budget Committee.

36 To see if the town wishes to exclude from the plan services performed by election officials or election workers for a calendar year in which the remuneration paid for such service is less than \$100.00

Recommended by the Budget Committee.

37. If a plan for Social Security coverage is adopted, to see if the town will authorize the Selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the Chairman of the Board of Selectmen as the officer to be responsible for the administration of the plan.

38. Stepehn and Janine Councilman would like to renovate existing building on Map 13 Parcel 20 into a three (3) unit dwelling. By petition.

39. To see if the town will vote to allow NICO Builders, Inc., to construct two (2) efficiency apartment building of 16 units each on land of NICO Builders, Inc., in the Odd Fellows Road Area. By Petition.

40 We the undersigned are petitioning for the acceptance of Squire Ridge Road and Scott Drive by the Town of Hampstead, New Hampshire. By Petition.

41. To see if the town will vote to set the rate and amount of compensation to be allowed the Town Clerk/Tax Collector in accordance with RSA 41:25 and 41:45-a, in a salary range between \$20,000.00 and \$30,000.00 annually, with the specific rate and amount to be established from time to time by the Selectmen in accordance with standards established by them; and to further grant the Town Clerk/Tax Collector all benefits conferred upon Town employees by the Holiday and Vacation, Leave Policy, Insurance Benefit, and Miscellaneous Benefits sections of the Employee Policy Manual of the Town of Hampstead; such compensation and benefits to be in lieu of any and all fees, statutory or otherwise, otherwise payable to the Town Clerk/Tax Collector, all such fees to be collected, accounted for in writing by the Town Clerk/Tax Collector and paid over to the Town Treasurer for the use of the Town at least monthly or as otherwise directed by the Selectmen.

Recommended by the Budget Committee.

Given under our hands and seal, this 25th day of February, in the year of our Lord Nineteen Hundred and Eighty Five.

Brian J. Eastman
William E. Beane
Kenneth H. Clark
Selectment of Hampstead

A true copy of Warrant Attest:

Brian J. Eastman
William E. Beane
Kenneth H. Clark
Selectmen of Hampstead

The polls will not close before 6:00 PM. It is understood that a motion will be made at the opening of the meeting that the polls remain open until 8:00 PM.

The business meeting will be held on Friday, March 15, 1985, at 6:30 PM in the Memorial Gymnasium.

Article 3 will be voted by ballot on Tuesday, March 12, 1985.

INVENTORIES are mandatory. They must be filed with the Selectmen on or before April 15th. Forms are distributed my mail.

VETERANS should understand that it is their responsibility to request forms for tax exemption. The Green Card is a permanent record and must be filed only once. However, in order to receive the exemption each year, the Inventory must be filled in, signed and in the hands of the Selectmen before April 15th.

THE SELECTMEN will meet in their office in the Town Office Building on the second and fourth Monday of each month at 8:00 PM.

THE PLANNING BOARD Regular meeting is the first Monday of every month at 7:00 PM.

ELDERLY EXEMPTION APPLICATION For persons over 65 who think they may be eligible and who have not received the exemption before, blanks can be obtained from the Selectmen and returned by April 15th. The Green Card is a permanent record and must be filed only once. However, in order to receive the exemption each year, the Inventory must be filled in and the portion for the Expanded Elderly Exemption checked, signed and in the hands of the Selectmen before April 15th.

REPORT OF THE BOARD OF SELECTMEN

This year has been a busy one for the Board of Selectmen, and a significant number of changes have been made within the Town to improve our efficiency and formalize our policies and procedures.

During 1984 we hired a full-time Code Enforcement Officer, Ted Hall, who is also responsible for tax assessment and the duties of Health Officer and Building Inspector. As Hampstead continued to grow, we found it was necessary to have a full-position to handle the increased demands for Town monitoring and control of the zoning and building codes. During the year, we collected over \$17,000 in Building Inspection fees. In addition, we picked up over \$7 million in new tax assessment, which helped to lower everyone's tax rate this year.

We also adopted the personnel policies recommended by the personnel committee, which has done an excellent job at straightening out some of the inequities existing within the Town, and developed written policies for future application to our interactions with Town employees. During the year, we filled open positions through the application process, opening up opportunities to serve the Town to more of our citizens.

In terms of physical changes to Town property, we constructed a parking lot next to the Town Office Building to alleviate the dangerous overflow conditions which existed on some meeting nights. The Police department has a new cruiser, and the Rescue Squad has a new rescue vehicle.

Office operations have been streamlined with a computer system in the office of the Selectmen, and a cash register in the office of the Town Clerk/Tax Collector. We continue to microfilming all of the Town records to provide for permanent archival storage during 1984.

The Selectmen were instrumental in working with the State to initiate a project to provide traffic signals at the intersection of Route 111 with Route 121 and with Route 121-A. Bids have been received by the State, and we expect to see construction completed during 1985.

Our Memorial Day exercises were enhanced by a performance of the Middle School Band in the gymnasium of the Middle School. For 1985, we are looking for a volunteer to plan and coordinate the activities on Memorial Day. Please contact any of the Selectmen if you are willing to help our Town celebrate this important holiday. Fourth of July during 1984 included a fireworks display coordinated by the Lions Club.

This last year we continued to work with Rockingham Community Action to distribute surplus cheese and butter to many families in Town. This program will be ongoing as long as supplies are provided.

After last year's enthusiastic approval of the bond issue for the firehouse construction, we struggled throughout the year in an effort to "get the ball rolling". Because of the legal restrictions involved in any projects involving funding by bond issue, we met with roadblock after roadblock, and to date have only accomplished initial site preparation. However, we expect to come to the voters at Town meeting with a proposal that will allow construction to begin in earnest, and we fully expect to see completion of this sorely-needed facility during 1985.

During the year, we also had a number of discussions with the School Board relating to the frequency of payments to the School District. The School Board requested that we change from the existing system of monthly payments to make quarterly payments in advance. The Board of Selectmen feels that this is not in the best interests of the Town, and we expect to continue discussions with the School Board in an attempt to resolve the issue.

We are looking forward to another year of progress in our growing and vital community, and would like to encourage everyone to attend our Town Meeting on Friday, March 16. The opportunity to participate in our own government is a privilege available to very few people in the world; we should give that opportunity the respect and attention it deserves. Also, any citizens that are interested in volunteer service to the community should submit their names, qualifications, and areas of interest to the Board.

Respectfully Submitted,
Brian G. Eastman
Chairman

REPORT OF THE PLANNING BOARD

The Planning Board is proposing a change in Zoning Regulations concerning home occupations for the people of the town to vote on March 12, 1985. We would appreciate your careful consideration before voting.

This year we reviewed the following plats, 137 new lots were approved and released for building. There were 14 commercial building plans or additions approved. Copies of each plat are filed with the Town Clerk, the Selectmen and the Code Enforcement Officer. Charles Martin Associates, who does the mapping for the town also receives a copy. The original inking of the plan is recorded at the Registry of Deeds in Exeter, NH.

SITE PLANS:

- R. Towne & B. Worthen: Gigante Dr., lot #1, commercial building.
- H. Sauer: Gigante Dr., lot #7, commercial building.
- Jem T. Trust: Route 111, addition to a commercial building.
- Basic Innovations, Inc.: Route 111, addition to a commercial building.
- P. Auger: Main St., Hampstead Center, addition to commercial building.
- RVS, Inc.: Hazel Dr., lot #5, commercial building.
- RVS, Inc.: Hazel Dr., lot #4, office building.*
- C. Rosolowski: Hazel Dr., lot #8, commercial building, C.R. Industrial Machine.
- K. Woods: Route 111, rebuild Consolidated Plastechs.
- R. Towne & B. Worthen: Gigante Dr., lot #5, commercial building.
- R. Acevedo: Route 111, restaurant "Little Mexico".
- R. Ambiehl: Route 111, office building.

SUBDIVISION PLANS:

- E. White: Emerson Ave., 2 lots, 1 buildable.
- G. Strachan: Stage Rd., 4 lots, 1 backland parcel.
- Tilton Family Trust: Main St., Tiffanty Estates, 8 lots, new road, Kimberly Road.

D. Howard: Farifield II, 11 lots, new road, Shannon Road.
 A. Day: Hunt Rd., 2 lots, 1 buildable.
 L. Haggett: Central St., 2 lots, 1 buildable.
 Hampstead Lions Club: 5 lots, upgrade Odd Fellows Road.
 R. Wilson: Main St., 2 lots, 1 buildable.
 C. Ashford: extend Johnson Meadow Rd., 3 lots.
 V. Vautier: Emerson Ave., 2 lots, 1 buildable.
 L. Houston: North Salem Rd., 1 lot, withdrawn.
 R. Winmill: extend Hickory Rd., 13 lots.
 Ruma, Inc.: Kent Farm Crossing, 72 lots released in phases, new roads Wheel Wright Rd., Sylvester Ln., Bartlett Ln., Page Ln.
 J. Knox: Kent Farm Rd., 2 lots.
 W. Comeau: East Rd., 4 lots DISAPPROVED.
 B. Nadeau: Darby Hill Brook, 18 lots/15 approved, new road Faith Rd.

SUBDIVISION & SITE PLAN

D. Reese: Route 111, 1 lot, commercial building, N.H. Wooden Clothes Dryer Co., Inc.
 F. Ingraham & Town of Hampstead: 2 lots, Firehouse Site Plan, new road.

LOT LINE REVISION

Thermal Homes: Hickory Rd., lots 13/105 & 13/106.
 Lewis Builder, Inc.: Brickett's Mill Rd., lots 6/43-14 & 6/43-15.
 D. Hyland: Buttrick Rd., 11/111 & 11/112.
 R. Senter: Atwood Rd., 18/159 & 160 & 153 & 161.
 Lewis Builders, Inc.: Bricketts Mill Rd., lots 6/43-17 & 6/43-18.
 J. O'Regan: Holt's Point Rd., 11/47 & 48.

RECORDING ONLY:

L. Houston: No. Salem Rd.
 M. Holmes: No. Salem Rd.

LOTS RELEASED

R. Senter: Emerald Acres, 27 lots, new roads Adeline St., Anne Dr., Gallant Dr.
 G. Brown: Marilyn Park Dr., 2 lots.

* designates conditional approval

The Planning Board meets the first Monday of each month to hold public hearings and other business. The meeting on the third Monday is a worksession for the Board. All meetings are open to the public and begin at 7:00 PM unless otherwise posted. Additional meetings are scheduled as needed.

Respectfully Submitted,

POLICE DEPARTMENT REPORT

I am pleased to submit my fifteenth annual report to you, the taxpayers and residents of the Town of Hampstead.

During the psat year your Town and your Police Department received the honor of being selected as one of the three safest towns in N.H. as well as one of ten safest in the U.S.A. We feel

this honor was a direct result of every official, every department and every resident working in harmony toward one common goal, therefore, making Hampstead a safe place in which to live.

Statistics show motor vehicle accidents at 103 about the same as 1983, burglaries, larceny and motor vehicle thefts increased 10% while remaining activities were about the same. We feel this has been accomplished by increased visability, a direct result of added patrol hours.

The year 1985 will mark a historic event for this department as we will have our first full time police officer. This officer will be certified by NH Police Standards and Training Council and will work a regularly scheduled shift. This has been necessitated by ever increasing population and the unavailability of sufficient day-time police personnel. As in the past the part time men will do most of the night and weekend work. The town is expanding and we as a department are doing our best to keep pace.

Again, THANK YOU, to all officials, departments, townspeople and especially our families for your cooperation and understanding. Because of you we pledge to do our best.

FIRE DEPARTMENT REPORT

During 1984 the follwing emergency calls were answered by the members of the Hampstead Fire Department and Hampstead Emergency Rescue Squad:

Structure Fires	10
Chimney Fires	12
Dump/Rubbish Fires	5
Woods and Grass	8
Motor Vehicle Fires	10
Assist to Rescue Squad	
At Traffic Accidents	43
Box Alarms	15
Investigations	20
Mutual Aid Given	20
Mutual Aid Received	2
(not counted as a Hampstead call)	
Total Fire Department Calls	143
Rescue Squad Calls	166
Total Responses in 1984	309

Unfortunately the largest loss of property we have had in terms of dollars, occured at the end of February when Consolidated Plastechs was hit by fire. Due to the fire load in building and the type of construction, not much was salvageable. An interior attack was intiated within five minutes of recieving the alarm, however, due to intense fire condition, the crews had to be pulled out just before the roof began caving in. Demolition of the burned structure was begun the day of the fire and new construction began shortly thereafter. The resulting new plant has fire safety features which make it much better.

The Board of Engineers decided in late winter to contract with the Derry Fire Department to provide the dispatching

services for Hampstead Fire and Rescue. A great deal of time was spent by the department members in making maps of all the streets and houses in the town which are being used by Derry Dispatch to assist us in responding to emergency calls. By the first week in July the new system was in service and the Derry Dispatch personnel are providing excellent service to the Town of Hampstead.

We experienced repeated mechanical difficulty with the brakes on Tank 7, which is our 5,000 gallon tank truck. Given the fact that this truck was built in 1965 and not intended to be used by the fire service as a tank truck, we are compelled to submit a warrant article to replace this vehicle.

Halloween night, or Hell night, as it is apparently known in parts of the country, saw another super human effort by the Hampstead Fire and Rescue personnel and area towns to bring under control the fire which was started in Ernie Hunt's tire pile. At the time of this report smoke is still visible at the site. The costs of extinguishment and site improvement work done was split by the three towns having land in (or under) the tire pile, Danville, Hampstead and Kingston. At the height of the fire there were 165 fire fighters and equipment from 15 towns working to stop the spread of fire. This was one of the largest fire operations in our area in recent times. A sincere thanks to all who helped the fire department with food and supplies during this disaster.

With the current building boom, we have seen the influx of many new residents and we ask all those who may need our services to dial the seven digits 329-6942, and give clear accurate information on the nature of the emergency to the dispatcher. And state the location where the help is needed.

Work has begun in December on the new firehouse site and access road. We are hopeful that the project will be completed this year.

If you are heating your house with a coal burning furnace or stove, it is very important that you install a gas detector in addition to smoke detectors. Carbon monoxide gas is produced when coal is burned and if it escaped into an inhabited house due to mechanical failure of the heating appliance it will cause sickness or death. This gas odorless and can build up undetected by humans. Remember, SAFETY IS NO ACCIDENT.

The following volunteers are those who gave their time and efforts to the Fire Department and Rescue Squad:

 Charlie Kinney, Captain
 Neil Emerson, Lieutenant
 Randy Clark, Lieutenant

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without written permission of the town Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1,000.00 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1,000.00 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized forest fire loss record.

1984 STATISTICS

State	District	Hampstead	
Number of Fires	875	437	8
Number of Acres	335	268	2

Respectfully Submitted,
 Kim Salami, District 9 Ranger

 Charlie Kinney, Deputy Warden
 Neil Emerson, Deputy Warden
 Randy Clark, Deputy Warden

HAMPSTEAD EMERGENCY RESCUE SQUAD REPORT

It has been a year full of anticipation for the members of the Rescue Squad. The Town approved the purchase of a new rescue vehicle and new firehouse in March. The vehicle was ordered several days after Town Meeting from Frontline Ambulance of St. Petersburg, FL and we have been receiving progress reports all year. The vehicle will be delivered to Hampstead on February 1, 1985. Three

HAMPSTEAD PUBLIC LIBRARY TOWN REPORT

members of the Ambulance Committee inspected the unit in December. We expect the vehicle will be in service by February 15th. The rescue vehicle we have been using will be moved to the East Hampstead Fire Station.

All citizens are urged to inspect the new rescue vehicle on Election Day or the night of Town Meeting.

We purchased a Life-Pac V Heart Monitor with a recorder. This was funded entirely by donations and memorial funds totaling \$9,200.00. We can now provide the hospital with a recording of a patient's heart action from the time we reach him until he arrives at the hospital giving the emergency room doctors important information from the early stages of the episode.

New quarters are also being anticipated. The office space in the existing station is shared by the Fire dispatcher, the Chief and the Rescue Squad. Supplies are crammed into a closet under the eaves. The CPR mannequins and other training aids are stored in a crawl space along with other props used in training disasters.

The Squad has been asked to provide the medical support should there be another fire at the tire pile. We have been and will continue to work to have a comprehensive pre-plan should it be needed.

The time spent in answering rescue calls is small when compared to the hours spent on training and continuing education courses. Members are encouraged to increase their levels of training to enable them to work more effectively with our patients. This year we have made arrangements with the Parkland Hospital for members of the Squad to spend time in the Emergency Room getting hands-on training on a regular basis. This gives us greater exposure to various types of medical emergencies which we may encounter on calls in Hampstead.

This is not to say that we don't have our share of unusual calls. This was a year for off-road recreational vehicle accidents, and we had more than the usual number of industrial machine accidents. We had a call for kids stuck in the mud, it was a cold day and fortunately there were no lasting effects from the hypothermia some of them experienced. The list below is a breakdown of our calls. The vehicle accidents include cars, trucks, motorcycles and off-road recreational vehicles. Miscellaneous includes boat accidents, dog bites, bee stings, falls and sports injuries.

Medical Help	90
Motor Vehicle	48
Industrial Accidents	3
Miscellaneous	25
Total Calls	166

The total number of persons treated in 1984 was 192.

All the members of the Squad thank their friends and neighbors who support us. Your encouragement is sincerely appreciated. We are especially grateful to the individuals and clubs in the Town who support us through the memorial funds. Special equipment is expensive. The last group of people we want to thank are probably the most important to us, our families, for their patience and understanding of our sudden departures from social events, meals and even bed, whenever the pagers tone us out.

Executive Committee
Dave Duston
Paul S. Wentworth
Susan E. Hastings

People in a learning society need libraries throughout their lives. Therefore, public support of libraries is an investment in people and community. The Trustees and Staff of the Hampstead Public Library again thank the citizens for their continued interest and support.

Circulation has remained constant, with 63% of the books borrowed by adults and 37% by children. More time has been spent helping patrons with book selection and reference questions this year. Reference questions were up 18% over last year. We have made little progress in cataloguing the fiction this year, and again hope to incorporate the backlog in the daily workload. The library opened two additional hours, 5-6 p.m. on Tuesdays and Thursdays, to enable patrons to use the facilities through the evening without interruption. Approximately 48% of the town's citizens are card holders, with many others using the library for programs, displays, and services such as photocopying. We have access to items not in our own library through interlibrary loan by using the state library and our Merri-Hill-Rock Library Cooperative, which encompasses fourteen towns.

Space continues to be a problem as well as the inaccessibility of our facilities to the handicapped. Fewer programs and workshops were offered this year so as not to bar the children's room from use during the evening hours. A building committee has been formed to help alleviate these problems.

Town organizations continue to give of their time and talents. We are most appreciative for: The Hampstead Mother's Club pre-school story hour and their gifts of 'Birth Day' books, cassettes and books, and musical instruments for story hour; the Lioness for their gifts of the large print 'Reader's Digest', the large magnifier in the children's room, and the books on tape; the Garden Club for their window-box planting and floral arrangements and a subscription to 'The New England Gardener'; and to the many individuals who have donated books and magazines to the library collection.

We are pleased with the donations of memorial books. We feel that these gifts can be shared by the entire community. Books were given in memory of Joan Bradshaw Scovel, Margaret Griffith, Brendon C. Sarbanis, Jeanne Morse, Harry E. Goss, Rudy Curry, Myrtis Duston, and John McNab.

The Friends of the Library have been active this past year under the leadership of out-going president Shirley Stern and in-coming president Gloria Lanning. They sponsored the Hollyhock Thrift Shop, the summer reading program, and the art and photography shows. They sold recipe books, compiled by Claudia Giust and Elsie Miller. Their main project for the year was the restoration of the 1807 map, which hangs in the reference room of the library.

A variety of displays and programs were again held during the year: doll houses by Nancy Rockwell, 4-H, covered bridges by Rev. Robert Dobson, Donna Tilton's art classes, Hampstead School system's Industrial Arts Classes, "What's its" by Jane Worthen, Hampstead Conservation Trails by Kathe Cussen, The art of jewelery design with

Douglas Keyerleber, and porcelain dolls by Florence Knudsen.

Programs were presented by Emerson's Greenhouse, Herb 'n Renewal, Saudia Arabia with Bill and Jan Klemme, engine repair with Ralph Rooney, The Hampstead Conservation Trail System with Kathe Cussen, and the art of jewelry design with Douglas Keyerleber. Also offered were adult craft workshops with Pam Hartung and childrens' workshops with Adele Trested.

A most successful summer reading program was held and Gloria Rothe led the pre-school story hour. Parties sponsored by the Friends were held at the end of the summer session.

Trustees and staff have continued to attend professional conferences and meetings. Mrs. Cay Robbins, Chairman of the Board of Trustees, attended many New Hampshire Library Trustee meetings; Mrs. Becky Rooney attended monthly meetings of the Merri-Hill-Rock Library Cooperative as well as New Hampshire Library Association and the Southeast Consortium meetings; and Ms. Joyce Miller attended special workshops regarding information retrieval and computer use on the state-wide and local level. Mrs. Rooney met with the Library Advisory Council at Pinkerton Academy and acts as contact person with the school libraries.

We were sorry to accept the resignation of two trustees, Wendall McIntire and Nancy Bleser, and we thank them for their efforts in behalf of the library.

Volunteers make the difference on busy days and for special projects. We are especially indebted to Charlene Flaherty and Elsie Miller for their time.

My staff, Ms. B. Joyce Miller, Marianne Crowell, and Sally Hartikka, have performed with enthusiasm, and their interest and expertise have helped the library to continue to develop to meet the needs of this growing town. The staff and I have enjoyed working for and with you and look forward to further serving you in the year ahead.

Elizabeth B. Rooney
Librarian

HAMPSTEAD PUBLIC LIBRARY TRUSTEES REPORT

Our excellent librarian, Elizabeth Rooney, and her able staff are working together for the general improvement and expansion of library services. Their dedication is appreciated by all library users and the Trustees whose policies they carry out.

The Trustees are aware of the many needs to maintaining a building. In March, interior painting was completed which included the main floor, lavatory and stairway walls. The entrance steps were also painted. The chimney flashing was tarred and replaced to prevent leaking and a new storm door hung. The depressions in the sidewalk have been leveled by hot-topping. The disintegration of the (porch) columns is distressing to many. It is our hope that they may be restored to their original design when the badly needed exterior painting is completed for the library along with other town buildings.

The flooding of the children's room during the heavy June rains has been eliminated, we believe, with the correct

capping of pipes from the church where water was originally received.

Temporary new shelves fill the last space available. Mowing and snow removal were provided by two dependable young men, Ted Rooney and David Currier.

The resignations of Wendall McIntire in October, due to professional commitments, and of Nancy Bleser in December, were accepted regretfully. David Lanning, a competent former Trustee, was promptly appointed by the selectmen.

For many months the Trustees, librarian, and staff have been frustrated by the library's lack of space. Of great concern is the lack of handicapped access. Library services must keep pace with our growing town as the library is a great resource contributing to the life style and amenities of our community. After an open meeting on November 29 called to address this problem, a committee of six volunteered to explore available options. They expect to make a recommendation within a year.

The Trustees wish to thank the many volunteers who have given individually of their time and talent, those townspeople who have given memorial books and donations, and our active Friends of the Library who raise money each year for unbudgeted items, the Hampstead Mothers' Club and Lioness, who make generous gifts of money to the Library, and the members of the Hampstead Gardening Club who planted window boxes, trimmed shrubs, and raked. All provided valuable support and assistance to the Trustees and Librarian.

Board of Trustees
Catherine P. Robbins, Chr.
David D. Lanning

LIBRARY BUILDING COMMITTEE REPORT

In November 1983, Ms. Susan Palmatier of the New Hampshire State Library visited the Hampstead Public Library "to determine whether its space, staff, and collection can adequately serve a population of 4198 (Office of State Planning)." The summary report of that visit recommended increases in space, staff and collection.

In November 1984, a public meeting was held to discuss the Library's future. Emphasis was placed on the library building, and a committee was formed to investigate and recommend solutions to the library's need for expansion.

The committee's mission is to recommend to the Board of Trustees of the Library plans and budget necessary to ensure that the Hampstead Public Library will continue to meet its stated objectives, now and for the future. Our tasks will be: first, to define the requirements of space and space utilization relative to current and projected demographics of the community; second, to evaluate the current and projected demographics of the community; second, to evaluate the current building and lot with an eye toward adding additional space; and third, to evaluate the possibility of building a new facility. Our intent is to use local talent as much as possible, and to retain professional services when necessary. We have requested a nominal budget within the Library budget to be used as seed money in developing our ideas, and hope to fund any additional seeding needs through private, voluntary contributions.

The primary concern of all members of the committee is that our recommendations be developed carefully and thoroughly, and that members of the town be kept well advised of progress. With that in mind, we expect to present recommendations to the Board of Trustees of the Library within a year. We welcome and encourage input and thoughts from all members of the community.

REPORT FROM DERRY VISITING NURSE ASSOCIATION

The Derry Visiting Nurse Association has proudly served the Town of Hampstead since 1973. The following and many other factors combine to continually demand that this agency be effective and flexible in responding to your community's home care needs.

a rapidly growing population
earlier hospital discharges
longer life spans and an aging population
escalating costs of institutional care
increasing emphasis on prevention
New Hampshire tradition of self reliance

The Derry VNA has a long proven record of serving participating communities with professional excellence and human caring. Services are offered under three major areas as follows:

ACUTE CARE SERVICES including acute nursing, physical therapy, occupational therapy, speech therapy, home health aide services, and other specialized services.

DAILY SUPPORT SERVICES including maintenance nursing, homemaker services, home health aide services, respite care, chore services, in home day care, and other specialized services.

HEALTH PROMOTION SERVICES including well child clinics, immunization clinics, expectant parent classes, new born visits, senior health clinics, public screening services, health promotion classes, home visits, and other services.

Town support of DERRY VNA facilitates the following: Town funding allows the agency to access medicare, Medicaid, block grants, Title XX and state funding. Sometimes town allocations are used to make up loses or deficits in these funding sources. The total value of all services delivered to Hampstead residents last year is over \$62,000, a substantial increase over the previous year.

Federal Funds and grants usually are restricted to specific categories of illness, age, income, and time period. Many people needing our services simply do not fit those specific eligibility categories. Town funds are used to subsidize services to those people.

Town funding supports the overall quality of life in this area of the State by emphasizing human dignity, independence,

healthy living, self reliance, community networking, and family values.

Following are some major statistics for Hampstead last year.

acute nursing visits	490
maintenance nursing visits	14
physical therapy visits	146
occupational therapy visits	7
speech therapy visits	22
acute home health aide visits	293
maintenance home health aide visits	96
senior clinic contacts	130
child health contacts	62
homemaker visits	477

It is impossible to translate the above services into human values, but our clients and their families can testify to the meaning of home health care in their lives. The agency has a strong commitment to helping the elderly, the sick, and the handicapped to maintain their independence and dignity at home as long as feasible in the most cost effective manner possible.

The Hampstead representative on the Board of Directors is Evelyn Lawrence.

NEWMARKET REGIONAL HEALTH CENTER REPORT

The Newmarket Regional Health Center completed its thirteenth year of service in 1984. The Newmarket Regional Health Center operates two medical offices, one in Newmarket and the other in Raymond, the Lamprey River Clinic. Both facilities provide general medical care, preventive health services, community outreach, social services, and short term counseling with referral to area mental health agencies.

In 1984, Karen Brainard, M.D., a family practitioner, joined the staff. The Health Center offers a Prenatal Program, under the direction of Maude Guerin, M.D., which includes prenatal, delivery and postpartum care. In addition, the Health Center offers nutritional counseling and prenatal classes.

Other members of the medical staff include Sarah Oxnard, M.D., Joseph Fuller, M.D., Michael Lewis, P.A.-C., Barbara Janeway, M.S.N., A.R.N.P., and Anne Fawcett, A.R.N.P. The medical team also includes registered nurses, medical assistants and community health workers. For more information, or to make a medical appointment, call 659-3106 in Newmarket, 895-3351 in Raymond, or toll-free in Newmarket at 1-800-582-7279.

The community health workers coordinate a school health program and preventive screening clinics to detect potential health hazards. They hold informative workshops and act as liaisons between the medical providers and patients.

The Newmarket Regional Health Center also operates a Self-Care program for the Elderly in conjunction with the Occupational Therapy Department of the University of New Hampshire. The purpose of this program is to enable the elderly to stay in their home setting as well as to maintain a quality of life and independent status within their community. The focus of the program is to provide self-care skills before disability occurs and to anticipate problems

with functional activities. Contact Anne Fawcett, A.R.N.P. at 1-800-582-7279 for more information.

The Newmarket Regional Health Center continues to operate the Senior Citizen Transportation Program. Three of the five busses are equipped with hydraulic lifts to provide services to the handicapped. The transportation service enables senior citizens to remain independent, self-sufficient and active by providing the needed services, including medical, food shopping and recreational trips. For further information, Call 659-2424 or toll-free 1-800-582-7279.

The Newmarket Regional Health Center wishes to express its deepest appreciation for the support of the town of Hampstead.

Respectfully Submitted,
Ann H. Peters
Executive Director

REPORT OF THE CONSERVATION COMMITTEE

Our activities for 1984 included a broad involvement in conservation issues and projects. We have started an aggressive Forest Management Project by identifying approximately 90 acres of timberland stand. Part of the evaluating work has been completed, with improvement cutting to follow.

We also managed to fulfill our statutory obligations in regards to Wetland protection. We have processed 18 Dredge & Fill applications for residential, commercial & light industrial developments. This required attendance at planning board meetings, reports to the N.H. Wetlands Board, and coordination with various divisions of the N.H. Water Supply and Pollution Control Commission. This represents an 80% increase over last year.

Our objective, to acquaint our community with available natural resources, was met by one of our members via a publicity campaign. This consisted of public walks, slide programs, a field trip for a Central School readiness class, and two six-week courses on "Noticing Nature" for children at the elementary school level. We acknowledge the sponsorship of the Women Resources Center and the cooperation of the Hampstead School District in these endeavors.

A Conservation Display with flora and fauna posters, the Conservation Area Trail Map, natural science books, as well as natural history materials was set up at the Library. We appreciate the assistance from the NH Dept. of Resources & Economic Development, Forestry Division, and the Library staff. We also offered advice in the area of natural science book selections for the library inventory.

The Conservation Area saw on-going development. We had a total of five culverts installed (Maple & Lichen Trails) in order to channel seasonal runoff under the existing trails. Large signs were erected at the West Rd. and Stage Rd. entrances which depict the overall trail system, color code and names of the different trails. The construction of these signs was the project of our senior member. They were carved by Mr. M. Johnson of Derry and put in place by the members. Subsequently, the trail rules were displayed on the entrance signs and commission members posted "no hunting" signs around the entire perimeter. Annual moving was done on specific trail segments and in two fields, and

another attempt was made to control poison ivy. The annual grounds maintenance at Shop Pond with its resident wild ducks, and at Ordway Park has also been continued.

Due to the generous monetary gift from the former ski club, a footbridge to a new trail loop was constructed and a portion of the culvert work was made possible. We appreciate their contribution to our conservation efforts.

We cosponsored the Fishing Derby with the Hampstead Civic Club, by partially financing the trout purchase and obtaining a matching batch of fish from the NH Fish & Game Dept. Our thanks to the Young Mother's Club and two private donors for their financial support in this event.

In addition, we focused attention on the increase of well contaminations by salt, the need for protection of ground water sources, arranged the dam inspection/evaluation on Wash Pond by the State Water Resources Board, and responded to numerous inquiries from our residents.

The Commission was notified during 1984 that we won the 1983 Conservation Cooperator of the Year award which is sponsored by the Goodyear Co. The second recognition is the 1985 Rockingham County Tree Farmer of the Year award. These awards represent a culmination of efforts by commission members.

Commission members attend workshops on: "Lake Water Lay Monitoring" at UNH; "Siting and Environmental Issues of Refuse-To-Energy Facilities" in Concord; and participated in a one week "Environmental Leadership Training Seminar" at Tufts Univ., Medford, MA.

In summary, we have made progress in protecting and utilizing our conservation areas and are hopeful to continue in this direction.

Respectfully,
Karin T. Truckenbrodt, Chairman
Chris Miller, Vice Chairman
Kathe Cussen, Treasurer
Glendon Emerson
Denis Currier
Peter Archibald

REPORT FROM THE CEMETERY TRUSTEES

The past year has been a very busy year for the sextons of our cemeteries. Dan and Marie George have done an excellent job keeping our cemeteries in good order.

The five cemeteries that we maintain where all raked and cleaned of brush in the spring for Memorial Day. Most of the cemeteries had their grass mowed at least seven times during the past summer, with the exception of Lakeview Cemetery, which was mowed nine times.

During the past year we had 16 funeral burials and 6 cremation burials. We also sold five lots and received a donation for \$200.00 to be applied to perpetual care from one family.

Respectfully Submitted,
Cemetery Trustees,
Paul J. Auger
John Wood
Richard Garcia

ROAD AGENTS TOWN REPORT

During the year 1984 I completed a three year project of shimming and paving Emerson Avenue. We also completed a three year project of rebuilding Depot Road, with only the first coat of pavement; the top coat to be finished at a later date.

On Ashford and Valley Road, where there was a severe ice and water problems, that was also reconstructed.

In 1985, we expect to rebuild Wash Pond Rd., starting at Emerson Ave; also shimming and paving will start on West Road.

During the winter months, I receive numerous phone calls, especially when we have an ice storm. We have a certain route which the sand and salt trucks follow; main roads first; bus routes second, and so on. we try to cover the town as quickly as possible. Incidentally, when there is an ice storm, it takes twice as long to get around. On January 1st, we had one sander roll over, so that left one truck to do the whole town.

I am usually out on the roads in any storms, so when you call my residence to let us know your road has not been taken care of, by the time I get the message, it has probably been done. So, with a little patience we will get the whole town done. It is impossible to be on every road first, with almost forty miles of roads to take care of, not including town buildings, schools and churches.

With your cooperation, we will get the job done.

Thank you,
Proctor Wentworth, Road Agent

REPORT OF THE HAMPSTEAD HISTORIC DISTRICT COMMISSION

We of the Hampstead Historic District Commission were in hopes to report the project of the mini-kitchen in Y Olde Meeting House would be completed by this time, but there are many things left to do. The rest room facilities are in working order but not yet painted not floor covering installed. The project was much larger than any of us realized.

With a donation from the Plaistow-Hampstead Liberty Grange a large coffee maker was purchased and with the donation from the Hamstead Lioness Club we will purchase other necessary items for the kitchen when it is completed. We would like to thank both groups for their donations as well as other individuals who have made donations.

A very special thank you to Carol and Richard Emerson of Emerson Ave., Greenhouses for their donation of two wreaths which graced the front doors of the Olde Meeting House during the holiday season.

This year we held the Thanksgiving Commemorative Service on November 18 which was well attended. The Christmas Eve Family program was omitted this year due to other committments of the commission members, but 1985 is another year and from all reports it was missed by many families with young children as well as adults.

The combination storm windows have been installed on the second floor, thanks to a sizeable donation from the Advent Christian Church members. As chairman and on

behalf of the commission members I would like to thank the members of the Advent Christian Church for their generous support and cooperation in what ever we do.

George Moore and Ken Parker, commission members, along with Dorothy Parker, are repairing and refinishing the Old Putnam organ, which is approximately 180 years old.

Some of the town organizations and individuals, in addition to the church, who have used the Olde Meeting House this year are: Women's Resource Center for registrations, Walk for Hunger registrations, William R. Hart, Jr., for town Democratic meetings, Lions Club for Miss Hampstead candidates interviews, Montessori School, East Hampstead, for children and parent's Christmas party and Historic Architectural Survey program.

The 240 year old Olde Meeting House is open to residents, free of charge, for meetings, showers and receptions or weddings and may be reserved by calling 382-6375.

This building is on its original site, and a building the residents of Hampstead should be proud of. The Paul Revere Jr., bell in the steeple is the only one we know to be in existence and the steeple, erected in 1792, is the only one of its design left standing in the Granite State.

One of the projects slated for the coming year is the purchase of electric candles for the second floor, possibly by the sale of note paper of the Olde Meeting House Steeple and Paul Revere Jr., bell, design by Dorothy Parker.

Again, thank you to everyone for your support and cooperation.

Respectfully submitted,
Elsie T. Carideo, Chairman
George Moore, Vice-Chairman
Muriel Gorton, Secretary
Priscilla Lindquist, Treasurer
Jorge Mesa-Tejada
Kenneth Parker, Alternate
Jane E. Worthen, Alternate

CODE ENFORCEMENT OFFICER'S REPORT

With the demand for housing in Hampstead, 1984 was a busy year for this office. Below is a breakdown of the permits issued in 1984.

New Dwellings	114
Duplexes	18
Commercial Buildings	15
Mobile Homes	9
Miscellaneous	97

The Hampstead Zonign Ordinance, Subdivision Ordinance, BOCA, The Basic building code/1981 are designed to ensure that there are minimum standards for the development and growth of Hampstead, not to frustrate the individual homeowner. As always, this office stand ready to assist you with any of the regulations.

Remember that permits are required for most construction projects. A simple call or visit to this office should be your first step. I will be happy to inform you of the legal requirements and assist you with any plans.

Respectfully Submitted,
Earl E. Hall, III
Code Enforcement Officer

Terrance F. Holmes	Asst. Superintendent of Schools
Thomas H. McDonald	Business Administrator

SCHOOL WARRANT

State of New Hampshire

To the Inhabitants of the School District of the Town of Hampstead, qualified to vote in District affairs:

You are hereby notified to meet at the Hampstead Middle School in Hampstead, New Hampshire on the eleventh day of March, 1985 at 7:30 o'clock in the evening to act upon the following articles:

1. To see if the District will raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) for the purpose of purchasing and installing a movable partition in the cafeteria of the Hampstead Middle School.
2. To see what sum of money the District will vote to raise and appropriate for the payment of salaries of school district officials and agents and for payment of the statutory obligations of the District.
3. To see if the District will vote to raise and appropriate the sum of Sixty-eight Thousand Dollars (\$68,000) to fund an additional ten percent increase in teacher salaries, including fixed charges for the 1985-86 school year.
4. (BY PETITION: Mary White et al) To see if the District will raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) to be directed toward the study and formation of a gifted and talented program (to be otherwise named) and the hiring of personnel to enact that goal, starting this fall (September, 1985).
5. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1985-86 school fiscal year provided that such expenditure be made for purposes for which a school district may appropriate money and that such expenditure not require the expenditure of other school district funds.
6. To see if the District will accept reports of agents, auditors and committees.
7. To see if the District wishes to take any other action which may legally come before the meeting.

Given under our hands at said Hampstead this eighteenth day of February, 1985.

ANNUAL REPORT - 1984

REPORT OF THE PRINCIPAL

The long predicted growth of students has arrived. At the August 13, 1984 School Board Meeting, I reported to the School Committee that I was surprised by the lack of new students. Two weeks later we registered thirty-two new students. Enrollments have been on the rise ever since. We deleted a teacher at the Middle School in last year's budget because seventy-five students were graduating and only fifty students were projected for the entering grade five class. By December 1984, Middle School enrollments grew significantly so we had to add a sixth grade teacher. The Central School also has grown substantially. By October of 1984, we added a third grade teacher. When I first arrived in Hampstead in 1978, the District enrollment was five hundred and fourteen. Enrollments fell to a low of approximately four hundred and sixty students several years ago, and we eliminated a couple of teaching positions. However, as of January 31, 1985, we have five hundred and twenty-two students. All signs point to continued growth.

The Central School has already felt growing pains. The Autistic Class supported by the Southeast Regional Education Consortium will have to find a new home in another school district. Under the leadership of George Wright and the teaching leadership of Barbra Salladay and her staff, Patricia Conte and Kathleen Gendron, the program has flourished. We with the children and their teachers well in their "New Home". I feel our students benefited from the experience of sharing our educational facility and programs with these special children.

The Central School faculty has done without a teachers' room for most of the current school year and is looking forward to a room to socialize, eat, and exchange ideas. As the voters consider the budget for 1985-86, I hope they will take note of the fact that this year (1984-85) we are educating forty-four more students than last year and definitely need to increase many of the budget line items. Doing so will ensure that our teachers and students have the necessary resources for a viable education in a dynamic economy.

Perhaps the most significant personnel change in many years took place with the retirement of June Duston this past year. The fact that June had such a fantastic retirement party last fall is the best testimony to her as a terrific person and secretary. June's quiet efficiency and extreme competence, coupled with a terrific capacity for hard work, enabled many of us to perform our jobs knowing that June would not let us fail. June is missed by faculty, students, and parents, but be assured she left the ship in good shape; and we know we better keep it that way - or else.

We are all encouraged by the recent progress made by Bernie Bartnicki after his liver transplant operation last fall. His courage and determination have been an inspiration to his students. The eighth grade students are justifiably disappointed at not having "Mr. B" for math, but are happy to have a competent substitute in Mrs. Cindy Blais, who came out of a very brief retirement to help us out. We are looking forward to Mr. Bartnicki's return.

The retirement of Ted Currier last fall as head custodian prompted the School Board to change the position to that of Facilities Manager. The addition of Mr. Robert Grosso, with a wider range of responsibilities than his predecessor, has enabled me to spend more time on educational matters.

The District is in the first full year of a Chapter I Program designed to improve the reading and writing skills of educationally disadvantaged students in grades three through eight. Under the supervision of Mrs. Bea Steer, three aides work in the classrooms with teachers and children to provide the individual help that is so necessary for some of our children. We are very encouraged by the academic growth of the students.

The Young Authors Program under the leadership of Central School teachers Susan Mellow and Marion MacNeill continues to make an impact upon the writing ability of our students at all grade levels.

The Middle School music program continues to be a great success under the leadership of Mr. Dillard Collins.

Space limitations make it impossible to list all programs and personnel that have impacted upon the education of our children. However, I would like to thank all staff in both schools for a job well done.

I am also appreciative of the support of the community in general, the School Board, and Superintendent of Schools and his staff as I attempt to fulfill my responsibilities, as Principal of both schools.

Respectfully Submitted,
Robert P. Little

REPORT OF THE DISTRICT TREASURER

for the Fiscal Year July 1,1983 through June 30,1984

SUMMARY

Cash on Hand July 1,1983		\$31,729.86
Received from Selectmen		
Current Appropriation	\$1,874,015.00	
Revenue from State Sources	57,194.07

AUDITORS OPINION

We have examined the combined financial statements and the combining fund and account group financial statements of the Hampstead School District as of and for the year ended June 30, 1984, as listed in the accompanying table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which could be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Hampstead School District at June 30, 1984 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining fund and account group financial statements and supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the Hampstead School District. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion is stated fairly in all material respects in relation to the combined financial statements taken as a whole.
