SELECTMEN'S REPORT

1984 certainly was interesting, to say the least. Your Board dealt with floods, mud, celebrations, roads, and myriad people problems, which is to state that we probably had a normal year.

Flooding in the spring caused problems, some roads were partially damaged, but we can be thankful Henniker fared much better than some of our surrounding communities.

Phase II of the Town Road Improvement Project, which this past year consisted of work on some of the steeper grades in town was finished. The Board will soon examine other areas for Phase III.

The town celebrated in a good old-fashioned manner in August for Old Home Days. This truly showed Henniker is a community of caring people. Plans are in the works for another one this year.

The Board, along with Lois Brown and Nancy Foley-Sipple, are continuing work on the Solid Waste disposal plan mandated by the State. Ground monitoring wells will be installed at the landfill in order to be in compliance. Costs are not certain at this time.

Other projects are continuing: a swimming and recreation area, efforts to interest industry in Henniker; co-ordinating efforts between the town and New England College to better understand and communicate with each other; getting the Town prepared for State re-valuation; and facing together with everyone in Henniker the school issue.

For the coming year the Board plans on continuing the improvement of roads through extensive maintenance as well as Phase III, continued co-operation with all facets of this town in order to make it a better place to live, and to keep on trying to make sure that our taxes are spent as wisely and judiciously as possible.

TONY E. FOWLER, *Chairman*
MARVIN BRAITERMAN
DAVID P. CURRIER
Board of Selectmen

STATE OF NEW HAMPSHIRE

TOWN WARRANT 1985

TOWN OF HENNIKER

To the inhabitants of the Town of Henniker in the County of Merrimack in said State qualified to vote in Town Affairs: (LS)

You are hereby notified to meet at Cogswell High School Auditorium in Henniker on Tuesday the twelfth of March, next, at ten of the clock in the morning to act upon the following:

1. To choose all necessary Town Officers for the Ensuing Year.

THE POLLS WILL BE OPEN FROM 10:00 AM TO 6:00 PM
FOR VOTING ON TUESDAY, MARCH 12, 1985

As voted at Town Meeting March 14, 1984, you are hereby notified to meet at Cogswell High School Auditorium in said Henniker on Saturday, the sixteenth day of March, next at ten of the clock in the morning to act upon the following:

2. To hear and act upon the report of Town Officers, Library Trustees, Trustees of Trust Funds and other Committees.

3. To raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year.

4. To see what sums of money the Town will vote to raise and appropriate for the repair of highways and bridges and repair or purchase of machinery.

5. To see what sum of money the Town will vote to raise and appropriate for the third phase of a five year road improvement project.

6. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the following priority purpose and in the amount indicated or take any other action thereon:

Appropriation:	Road Improvement	
	Phase III	\$50,000.00

7. To see what sum of money the Town will vote to raise and appropriate for the purchase of land and site development for a new Fire/Police Station.

8. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the

following priority purpose and in the amount indicated or take any other action thereon:

Appropriation:	Land Purchase and Site Development for new Fire/ Police Station	\$20,000.00
----------------	--	-------------

9. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Police Department.

10. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.

11. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Sanitary Landfill.

12. To see what sum of money the Town will vote to raise and appropriate for sidewalk maintenance.

13. To see what sum of money the Town will vote to raise and appropriate for the Rescue Squad.

14. To see what sum of money the Town will vote to raise and appropriate for the support of Tucker Free Library.

15. To see what sum of money the Town will vote to raise and appropriate for the installation of a fire alarm system in the Tucker Free Library. By request.

16. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the following priority purpose and in the amount indicated or take any other action thereon:

Appropriation:	Fire alarm system for Tucker Free Library	\$3,823.05
----------------	---	------------

17. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

18. To see what sum of money the Town will vote to raise and appropriate to support the Henniker Athletic and Recreation Programs.

19. To see what sum of money the Town will vote to raise and appropriate to support White Birch Community Center in administering the Henniker Youth Services and Senior Citizen programs.

20. To see what sum of money the Town will vote to raise and appropriate for the support of the Community Action Program.

21. To see what sum of money the Town will vote to raise and appropriate for continuing work on the Property Tax Map.

22. To see what sum of money the Town will vote to raise and appropriate for the operating expenses of the Wastewater Treatment Plant. This sum is to be funded by sewer assessments.

23. To see if the Town will vote to appropriate the sum of twenty thousand dollars (\$20,000.00) from the accumulated income from the John Proctor & Proctor Family Fund for the renovation of the second floor of the Town Hall.

24. To see what sum of money the Town will vote to raise and appropriate to support a series of eight outdoor concerts during July and August by the Community Band, by request.

25. To see if the Town will authorize the Board of Selectmen to accept any road as a Town Road when said road meets the standards of the Revised Street Regulations as specified in the TOWN OF HENNIKER ORDINANCES AND REGULATIONS.

26. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the state, federal or another governmental unit or private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b.

27. To see if the Town will authorize the Selectmen to sell by sealed bid or public auction any lands which become available through purchase at tax sale.

28. To see if the Town will vote to adopt the provisions of the MUNICIPAL BUDGET LAW and take such action as required by RSA:32. (by Petition).

29. To transact any other business that may properly come before this meeting.

Given under our hands and seal this 22nd day of February in the year of our Lord, Nineteen Hundred and Eighty-five.

Interest on Tax Anticipation Notes	9,000.00
General Assistance	6,000.00
Old Age Assistance	15,000.00
Communications	13,471.00

and that the Town Officers be paid at the following rates: Ballot Clerks, Fence Viewers, Health Officer, Selectmen, Supervisors of Checklist, Surveyors of Wood and Lumber, and Moderator at \$4.00 per hour; Treasurer at \$1,500.00 per year; Tax Collector, Sewer and Water Assessments Collector at an annual salary of \$7,786.00 and Town Clerk at \$2,396.00 per year; and that the funds appropriated for the Henniker Athletic & Recreational Programs be earmarked for the support of summer swimming, Peewee League Baseball and other Henniker Children's Town Teams and that payments be made through the Selectmen of Henniker and by the Town Treasurer.

Article 4 VOTED, that the Town raise and appropriate the sum of one hundred and seventy eight thousand three hundred forty-four dollars and no cents (\$178,344.00) for the repair of highways and bridges and repair or purchase of machinery: that fifty-seven thousand eight hundred sixty-six dollars and fifty-five cents (\$57,866.55) come from the Highway Block Grant and that one hundred twenty thousand four hundred seventy-seven dollars and forty-five cents (\$120,477.45) be for Highway Expenses.

Article 5 VOTED, that the Town raise and appropriate the sum of fifty thousand dollars and no cents (\$50,000.00) for the second phase of a five-year Road Improvement Project.

Article 6 VOTED, that the Town raise and appropriate the sum of one hundred twenty-one thousand three hundred fourteen dollars and seventy cents (\$121,314.70) for the maintenance of the Police Department.

Article 7 VOTED, that the Town raise and appropriate the sum of thirteen thousand eight hundred dollars and no cents (\$13,800.00) to replace a Police Cruiser and a Police cruiser radio and radar.

Article 8 VOTED, that the Town authorize the Selectmen to withdraw from the Police Cruiser Capital Reserve Fund, the balance of said fund with accumulated interest for the use as set-offs against budget appropriations for the police department.

Article 9 VOTED, that the Town authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the following priority purpose and in the amount indicated:

Appropriation: Police Cruiser	Amount: \$9,900.00
Police Radio	1,400.00
Police Radar	2,500.00

Article 10 VOTED, that the Town raise and appropriate the sum of twenty-eight thousand seven hundred fifty dollars and no cents (\$28,750.00) for the maintenance of the Fire Department.

Article 11 VOTED, that the Town raise and appropriate the sum of fifteen thousand dollars and no cents (\$15,000.00) for the maintenance of the Sanitary Landfill.

Article 12 VOTED, that the Town raise and appropriate the sum of four thousand dollars and no cents (\$4,000.00) for sidewalk maintenance.

Article 13 VOTED, that the Town raise and appropriate the sum of ten thousand eight hundred ten dollars and no cents (\$10,810.00) for the Rescue Squad.

Article 14 VOTED, that the Town raise and appropriate the sum of sixty-five hundred dollars and no cents (\$6,500.00) for the support of the Tucker Free Library.

Article 15 VOTED, that the Town authorize the Selectmen to borrow money in anticipation of taxes.

Article 16 VOTED, that the Town raise and appropriate the sum of sixty-six thousand dollars and no cents (\$66,000.00) to have the Appraisal Division of the Department of Revenue Administration conduct a complete revaluation starting in 1985 or thereafter. To establish a capital reserve fund for the purpose of conducting such revaluation and to appoint the Selectmen as agents to administer the fund.

Article 17 VOTED, that the Town raise and appropriate the sum of sixty-nine hundred dollars and no cents (\$6,900.00) for the support of the Henniker Athletic and Recreation Programs.

Article 18 VOTED, that the Town raise and appropriate the sum of two thousand dollars and no cents (\$2,000.00) to support the White Birch Community Center in administering the Henniker Youth Services and Senior Citizen Programs. (\$1,500.00 = HYS \$500.00 = SCP)

Article 19 VOTED, that the Town raise and appropriate the sum of two thousand four hundred ninety-eight dollars and no cents (\$2,498.00) for the support of the Community Action Program.

Article 20 VOTED, that the Town raise and appropriate the sum of twelve hundred dollars and no cents (\$1,200.00) for continuing work on the Property Tax Map.

Article 21 VOTED, that the Town raise and appropriate the sum of one hundred two thousand dollars and no cents (\$102,000.00) for the operating expenses of the Wastewater Treatment Plant. This sum is to be funded by sewer assessments.

Article 22 VOTED, that the Town authorize the Board of Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or another governmental unit or private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b.

Article 23 VOTED, that the Town authorize the Selectmen to sell by sealed bid or public auction any lands which become available through purchase at tax sale. (suggested the planning board oversee this matter as they have done in the past)

Article 24 VOTED, that the Town raise and appropriate the sum of one thousand dollars and no cents (\$1,000.00) to support a series of eight outdoor concerts during July and August to be given by the community Band.

Article 25 VOTED, that the Town authorize the Board of Selectmen to use all monies (including interest), approximately \$5,760.00, of the Capital Reserve Fund established by vote of the Town under Article 27 of the 1983 Town Meeting, for engineering and site development of a swimming and recreation area for the Town.

Article 26 VOTED, that the Town discontinue a portion of Old NH Route 114 left by construction of Project Weare-Henniker FAS 9 23(1) -P- 2067 built about 1948 (this section is from project Station 30 + 62, Left to Station 49 + 30, Left.) This section of road has been reassigned as a Class VI Highway by the State of New Hampshire Department of Public Works and Highways under the provisions of Chapter 228:36, RSA.

Article 27 VOTED, that the Town of Henniker call upon the Governor and Executive Council, its State Representatives and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Henniker, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire.

Article 28 VOTED, that the Town authorize the Selectmen to establish the boundary between town land and school land in the Azalea Park Area, and to convey to the Henniker School District the agreed upon land and buildings used for school purposes.

Article 29 A) VOTED that the Selectmen be directed to place on the 1985 Election ballot the 3 (Three) alternatives of property tax exemption for the elderly, so the voters may decide which exemption they think is appropriate.

B) VOTED, that the Annual School Meeting and the Annual Town Meeting be held during the daytime hours on a Saturday in March, beginning with the 1985 Meetings.

A true record of Affirmative votes cast at the annual town meeting held March 14, 1984.

Attest: *Janet Murdough*
Town Clerk

HENNIKER RESCUE SQUAD ANNUAL REPORT

The Henniker Rescue Squad responded to 196 calls during the period from January 1, 1984 to December 31, 1984. One hundred and sixty-seven patients were examined, of which one hundred and seventeen were transported to the Hospital.

1984 Rescue Squad statistics:

Motor vehicle accident related injuries	36 patients
Trauma other than motor vehicle related	41 patients
Cardiac and respiratory related problems	36 patients
Other medical emergencies	53 patients
Fire calls responded to (no injuries)	35

Percentage of patients examined by age group:

0-20 yrs.	20-40 yrs.	40-60 yrs.	60 yrs. and above
29%	27%	13%	31%

Percentage of patients examined by status:

- I. Critical 5%
- II. Severe, Life threatening13%
- III. Requires emergency treatment and ambulance transport
 Non-life threatening if treated46%
- IV. May require treatment, does not require ambulance transport ...36%

There are currently 14 Registered EMT Ambulance Attendants serving as members of the Henniker Rescue Squad. Other membership categories include 4 EMT Auxiliary members that are members of other squads but work in the town of Henniker and 2 Probationary members. Probationary members are required to serve a six month probationary period; become certified in Cardio-Pulmonary Resuscitation; and successfully complete the requirements for becoming a Nationally Registered Emergency Technician. Business meetings of the Henniker Rescue Squad are held at 7:30 pm on the first Monday of every month.

The members of the Henniker Rescue Squad would like to thank the people of Henniker for their continued support.

Respectfully submitted,

Raymond M. Boivin
Chief

CONCORD REGIONAL VISITING NURSE ASSOCIATION

The Concord Regional Visiting Nurse Association, Inc., continued to service Henniker for this past year. In the Home Care program, service is provided under a physician's plan of treatment to patients who are essentially homebound with diagnosed illness. This service is rendered by health professionals (Registered Nurses, Physical Therapist, Occupational Therapist, Speech Therapist, Nutritionist) and paraprofessionals, (Homemaker/Home Health Aides, Home Assistants) according to the patient's and family's needs. Hospice care is provided to patients in the last six months of a terminal illness. The Health Promotion Program has services (child health, family planning, screening) that are provided to low income/high risk patients and families in group settings, such as clinic and screening sites.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Henniker may request service: patient, doctor, health facility, pastor, friend or neighbor. Patients are also referred by other agencies. All requests are answered, but continuing home care can be provided only with a physician's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 a.m. and 9 p.m., seven days a week is all that is necessary to start services or make inquiries. Hospice staff are on call (224-4093) 9 p.m. to 8 a.m.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for those unable to pay the charge if that person has no other funding source available. However, for fee scaling, federal regulations require a financial statement be completed and a fee appropriate for which the patient will be responsible. Town monies subsidize those visits that are scaled or that no fee is collectible.

This Agency is accredited by National League for Nursing and American Public Health Association Certified for Medicare and is a member agency of Home Care Association of New Hampshire, United Way of Merrimack County, and National Association for Home Care.

Visits made during the year beginning October 1, 1983 to September 30, 1984 were:

	No. of Clients	Visits
Home Care	49	1,056
Health Promotion	77	117

December 1, 1984

PLANNING BOARD

ANNUAL REPORT FOR THE YEAR 1984

The primary responsibilities of a planning board are to collect and study information needed by voters and town officers to plan for the future both with regard to land use and other community resources, to propose zoning and other regulations about the use of land, and to administer existing rules which control subdivision of land and changes in property lines.

The first section of the master plan, which deals with land use, was adopted in 1981. A large citizen committee had previously developed necessary basic information. As defined in state law (RSA 674:2), sections on housing, transportation, community facilities, and other subjects must be prepared with recommendations before Henniker can claim to have met the statutory requirement that each municipality have a master plan.

The Planning Board urgently needs help from other Henniker residents concerned about directions of town growth to get on with master plan investigations. We urge newcomers as well as long-time residents to let us know of your interest.

Studies begun in 1983 with other town boards have not progressed as far as we had anticipated a year ago, but progress has been made:

1. **Solid waste management.** Conflicting instructions from different state officials have delayed borings for monitoring the landfill's possible effects on groundwater. Also, it is now clear that more funds will be needed for the first engineering phase. As last year, unspent monies in the 1984 Planning Board budget have been committed toward such costs in 1985.
2. **Wetlands inventory.** Nancy Foley-Sippel has continued to work with Julia Houk of the Conservation Commission to map major local wetlands.
3. **Swimming and recreation area.** An engineering firm has been employed for design and engineering studies to discover the physical and fiscal problems involved in creating a swimming and recreation facility on federally owned land downstream from the town center. We look for a report by the end of the spring. No construction is likely before summer, and will probably depend on how such construction can be financed.
4. **Mobile home regulations.** A revision of the town's ordinance to regulate mobile homes in mobile home parks, campgrounds, and on individually-owned lots has been drafted and was being reviewed by legal experts at the end of 1984. We hope this can be ready to be included in the town meeting warrant for action by the voters in March.
5. **Industrial development.** The board believes firmly that Henniker's total lack of controls on the uses of land outside the town center is one reason why the most desirable kinds of new industrial and business construction have passed us by. Responsible firms are not attracted by the ambivalence of a town unwilling to commit appropriate and usable land to non-residential uses. We hope future recommendations of the master plan will stimulate new and constructive discussion about how to broaden our tax base effectively.

The following actions were taken under subdivision regulations:

1. Michael Aucoin, Cote Hill Rd., Lot 586-C. One lot added.
2. John French, Western Ave., Lot 405. One lot added.
3. Merle Patenaude, Emery Rd., Lot 362. One lot added.

4. Stuart Michie, Jr. and others, Davison Rd., Lot 96. Divided into three lots.
5. Joyce S. Buxton, Davison Rd., Lot 84-7. One lot added.
6. Fletcher Northern Corp., Western Ave., Lot 381-A. Divided into four lots.

Boundary adjustments approved:

1. Rodney Haines and Willie McWhite, Goss Dr. Lot 143-E enlarged by addition from Lot 143-F.
2. Barbara C. French, Fairview Ave., Lot 153-K reduced by addition to Lot 153-L.
3. Gary Wolff and Robert Gregg, Cote Hill Rd. Lot 568-B reduced by addition to Lot 630.

Lois Brown
Secretary

REPORT OF THE TRUSTEES OF THE TUCKER FREE LIBRARY

Although the main purpose of the Tucker Free Library is to provide good reading material to the people of Henniker, there are always a number of other activities going on that may not be visible to the public.

One of them is the work of the Henniker Historical Society, whose members have identified, organized, catalogued and filed Henniker manuscripts, photographs, maps, records, news clippings and other printed material to make it readily accessible to those doing research in the area. One group, under the direction of Marion Chase, is now busy completing the same project with artifacts from the town historical collection, which will include museum numbering that meets security specifications recommended by the State Police.

As many of you know, our library has a large number of books not purchased for general circulation but accumulated through the years from various sources. Peggy began the job of cataloguing those most useful to us some time ago, and the Trustees are now busy getting the entire collection identified and organized.

Dawn Hauptmann is not only a new addition to the staff, but the first in a project planned to offer both part-time employment and training to high school students. If her successors work out as well as Dawn, the project will be a huge success.

On a more mundane note, a number of repairs and improvements to the building are on the calendar for the coming year. These will include the renovation of the utility room on the main floor, creation of suitable storage space in the attic, replacement of rubber floor matting in the office and stack room, and other such items.

The Trustees are perfectly aware that the Library could not possibly meet the needs of the town of Henniker without the generous and enthusiastic help of a large number of people. We would like to express our appreciation to our present superlative staff, to Helene Dermon for the warmth and friendship she brought to the library during her ten years as Librarian, to the Friends of the Library, and to the many volunteers who can always be counted on to help when they are needed.

Respectfully submitted,
The Trustees

TUCKER FREE LIBRARY ANNUAL REPORT 1984

The past year was a busy and rewarding one at the library. Over 20,000 items were circulated, a goal we had long been aiming for, and over 500 new books were added to the collection. It was also a year of transition with Helene Dermon retiring after ten years of service to the library, and Peggy Ward being appointed head librarian.

Several adult programs were featured throughout the year ranging from craft demonstrations to slide shows. The library participated in the Town's Old Home Days celebration by entering a float in the parade and hosting an exhibit of old photographs and postcards of Henniker, including wildflowers of the area.

Providing good service to the children is always one of the library's primary concerns. Our new assistant, Laurie Buchar, is dedicated to this ideal and has brought much enthusiasm and knowledge to the job. The same can be said of Dawn Hauptman, our young part-time helper from Henniker High School. Most of the elementary classes continue to visit the library on a regular basis, and we are encouraged with the increase in usage by the older students. The Summer Story Hour was very successful with seventy-two children registered. Thirty-seven children participated in the Reading Program and read a total of 370 books. We initiated a new program this fall of showing children's movies and found it to be so popular that we intend to continue it.

The Friends of the Library held their annual Book, Plant and Bake Sale combined with a flea market. They have been very active contributing time and funds to the children's summer programs and being generally supportive throughout the year.

Improvements to the library this year include adding extra hours for the benefit of our patrons. The Library is open on Monday evenings from 7-9 p.m. and 9 a.m. instead of 10 a.m. on Saturday mornings. For our younger patrons in the "J" room, improvements have also been made. To solve the overcrowding problem on the shelves there has been a complete re-arranging of the books and the addition of a new section for biographies. The gift of a cassette player and a collection of story tapes was donated to the Library and is proving to be a popular item with children who want to relax and listen to a good story in the comfort of the "J" or "E" rooms.

The money from our trust funds continue to be an asset for the library. The yearly interest from the James W. Doon fund has enabled us to add many valuable volumes to our collection. Since its establishment in 1981, the Sanborn C. Brown Memorial Fund has been the means by which we have acquired over thirty significant reference volumes, a world globe and several children's books. This year we were honored to have another memorial fund established to benefit the Library. It is the Scott J. Berry Trust founded in memory of Willa Brigham's late grandson. We are using this source mainly to enlarge our art, woodwork and automotive fields. During the past twelve months, a total of over forty books have been purchased with money from the above sources and we are deeply appreciative of them.

Generous donations of books continue to enhance the library's collection. The Tucker Free Library would like to publicly acknowledge with gratitude all the help and donations we receive.

Respectfully submitted,

Peggy Ward
Librarian.

1984 SUMMARY OF SERVICES
 PROVIDED TO HENNIKER RESIDENTS
 BY THE KEARSARGE VALLEY AREA CENTER
 BELKNAP-MERRIMACK COMMUNITY ACTION PROGRAM

Services	Units Of Service	# Of Households/Persons	Value
CONGREGATE MEALS - All senior citizens are welcome to our congregate meal site for meals, activities and field trips. Value \$3.79 per meal.	83 meals	2 persons	\$ 314.57
MEALS ON WHEELS - CAP delivers hot meals to elderly homebound residents 5 days per week. Value \$4.49 per meal.	2,261 meals	13 persons	10,151.89
SENIOR COMPANION PROGRAM - Volunteers visit homebound seniors to help out in personal, meaningful ways. Value to companions includes mileage, weekly stipend (\$3.29 per unit). Value to visitees is compared to similar private services (\$4.00 per unit/hour).	960 volunteer hours 326 visitee hours	1 person 3 person	3,158.40 1,304.00
RURAL TRANSPORTATION SYSTEM - The CAP Rural Transportation program provides regularly scheduled bus trips to and from towns and cities in Belknap and Merrimack Counties, and to the congregate meal sites. Value is \$2.38 per ride.	398 rides	6 persons	947.24
FUEL ASSISTANCE PROGRAM - CAP program provided an average of \$470.38 in fuel assistance to needy households, particularly the elderly.	40	40 households	18,815.53

TOWN ENERGY COMMITTEE

Our work this year has concerned chiefly the re-development of hydropower at the dam owned by the Contoocook Valley Paper Company. This summer two competing applicants applied to the Federal Energy Regulatory Commission for a Preliminary Permit to re-develop hydropower at the site. The committee became involved in a decision whether or not the town should seek a Preliminary Permit for itself in order to make sure the development is done in a manner most consistent with the economic, environmental, and aesthetic best interests of the town. After consultation with officials at the state and federal levels as well as with the Selectmen, we decided not to seek a permit for the town but to be ready to be active participants at the hearing required before the permit is issued. We would also plan to help the Selectmen in their negotiations with the developer and to participate at the time of granting of the operating license.

We have been greatly aided in our work by a report, "The Environmental Impact of the Contoocook Valley Paper Mill Dam," prepared by Professor Paul Doscher's Environmental Impact Assessment class at New England College. The report, written by Lisa Pierce and Alex Kopf, is available for anyone to see.

Our other function this year was a review by Terrance Mortimer-Simkin of the energy-saving modifications for the high school.

For the committee,

*William A. Hatt

HENNIKER COMMUNITY BAND CONCERTS

There were eight weekly Concerts given during July and August. This included the concert given during the Old Home Days weekend to an extremely large audience. Attendance for the concerts ranged from 75-200 people spanning a large age group (young children to Senior Citizens). There were many favorable comments coming from all ages. What I heard often was the hope that these Concerts would become a yearly tradition.

Angela Robinson

WHITE BIRCH COMMUNITY CENTER

The White Birch Community Center has been very active in a variety of areas. In addition to the many child care services offered—day care, nursery school, toddler and after school—White Birch has sponsored a comprehensive series of programs for seniors and youths.

This past year White Birch ran four senior trips. These included an October bus trip to "Castle in the Clouds", a cruise on Lake Sunapee held in July, an August boat cruise on Lake Winnepesaukee, and a sight-seeing bus trip to Heritage, New Hampshire. Each trip averaged 35-40 seniors. In addition to the trips, White Birch sponsored an exercise program and two pot luck suppers for seniors. White Birch sponsored a discussion on aging with Contoocook Valley Counseling Center. A total of 116 seniors in Henniker are currently on the White Birch senior mailing list and are eligible to use our services.

White Birch was pleased with the success of its youth program last year. The most popular program sponsored by White Birch was the swimming program offered June, July and August. This program included free swimming lessons to different age groups. Approximately 50 children participate. In addition to this, a summer camp was run for children ages 3-12 years. This program consisted of five sessions, each dealing with a different series of activities and programs including hikes, nature activities, swimming and other sports. Other youth activities included a spring vacation program and bike rodeo held in June. Also, White Birch sponsored two trips for Henniker youth, the first to "Water Country" with 25 participants and the second to Canobie Lake Park. The Canobie Lake trip had 41 participants.

Although both the senior and youth programs were successful, White Birch is committed to an even bigger and more expanded program this coming year. Some ideas including establishing a drop-in center, trips to the Celtics, plays and concerts for Henniker youth and more trips, lectures and pot luck dinners for seniors.

We hope you will continue to support this very worthwhile and successful community service.

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

OLD HOME DAYS' REPORT

In 1984 the Old Home Days committee attempted to renew a tradition. We wanted to bring the community together for an old fashioned celebration with entertainment and a good time for all. The festivities began with a very successful Alumni banquet on Friday night, through the wonderful parade, BBQ, band concert, crafts, square dance on Saturday and finished with the Road Race on Sunday. Also on Saturday we had that fascinating old photograph exhibit and art show at the library.

It would be impossible to thank everyone by name that helped, but two people deserve special recognition; Angela Robinson who set up the crafts exhibits and kept us going with her enthusiasm, and George Parmenter whose optimism was contagious and gave us strength to carry on.

We hope to have this celebration again this year and we can use all the help we can get.

Sincerely,

The Old Home Days Committee

Tony Fowler
Judith Coleman
David Currier
Alice Norton
Cleo Graffam
Karen Burt
Lester Connor

HENNIKER SCHOOL DISTRICT

SCHOOL WARRANT

To the inhabitants of the School District in the Town of Henniker qualified to vote in district affairs:

You are hereby notified to meet at the Cogswell School Auditorium on the 16th day of March, 1985, at 1:00 in the afternoon to act upon the following subjects:

1. To see if the District will vote to raise and appropriate the sum of \$455,000 (four hundred fifty-five thousand dollars), said sum to be raised by the issuance of bonds or serial notes in accordance with the provisions of RSA 33, the Municipal Finance Act, said sum to be used for the design, construction, and original equipping of an addition to the Henniker Elementary School building and renovations to the existing school building, all in accordance with the plans and designs as approved by the Henniker School Board and on file at the School District office in Henniker, and further to appropriate to the purposes set forth in the bond issue any interest or income earned on the proceeds from the sale of the bonds or take any other action in relation thereto.

2. To see if the District will vote to create a cooperative school district planning committee consisting of three qualified voters, at least one of whom shall be a member of the school board (RSA 195:18) and determine whether the members shall be elected at the meeting or appointed by the moderator.

3. To see if the District will raise and appropriate the sum of \$5,000 (five thousand dollars) for the support of the cooperative school district planning committee's expenses to include but not be limited to preparation and publication of a report to the district.

4. To see if the District will vote to raise and appropriate the sum of \$4,060 (four thousand sixty dollars) for the removal of asbestos from Henniker High School and reinsulate areas where asbestos was removed, or to take any action in relation hereto.

5. To see if the District will vote to raise and appropriate the sum of \$2,190 (two thousand one hundred ninety dollars) for the expansion of the fire escape at Henniker Elementary School, or to take any action in relation thereto.

6. To see if the District will vote to raise and appropriate the sum of \$2,184 (two thousand one hundred eighty-four dollars) for the installation of a new roof and ice belt on the Henniker Grange building, or to take any action in relation thereto.

7. To see if the District will vote to raise and appropriate the sum of \$2,312 (two thousand three hundred twelve dollars) to install lighted exit signs and emergency lights in the Henniker schools as per state Fire Marshal(s) and insurance carrier's request, or to take any action in relation thereto.

8. To see if the District will vote to raise and appropriate the sum of \$2,525 (two thousand five hundred twenty-five dollars) to update the electrical system at the Henniker Elementary School, or to take any action in relation thereto.

9. To see if the District will vote to raise and appropriate the sum of \$40,000 (forty thousand dollars) to renovate and equip kitchen/cafeteria space in the Henniker Grange building, or to take any action in relation thereto.

10. To see if the District will vote to raise and appropriate the sum of \$10,000 (ten thousand dollars) to complete the replacement of the boiler at Henniker High School, or to take any action in relation thereto.

11. To see if the District will vote to raise and appropriate the sum of \$10,000 (ten thousand dollars) to repair and insulate the roof at Henniker High School, or to take any action in relation thereto.

12. To see if the District will vote to raise and appropriate the sum of \$2,000 (two thousand dollars) to cover the fire escape at the Henniker Grange building, or to take any action in relation thereto.

13. To see if the District will vote to raise and appropriate the sum of \$15,000 (fifteen thousand dollars) to install additional heating controls in Henniker Elementary School, or to take any action in relation thereto.

14. To see if the District will vote to accept gifts of labor, services, materials or other assets including cash given to the District for the purpose of assisting in the school building program and to apply the same to the reduction of the costs of the District in said school building program, or to take any other action in relation thereto.

15. To see what action the District will take to authorize the School Board to execute deeds and receive deeds in connection with the title to the land related to the school facilities.

16. To hear the reports of agents, auditors, committees and officers chosen or to take any action relating thereto.

17. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the District; or take any other action in relation thereto.

18. To see if the District will vote to raise and appropriate the sum of \$2,000 (two thousand dollars) as a Contingency Fund, or to take any other action in relation thereto.

19. To see if the District will vote to establish a special capital reserve fund pursuant to the provisions of RSA 35 for the purpose of meeting expenses of educating educationally handicapped children and to raise and appropriate the sum of \$5,000 (five thousand dollars) to be deposited in the capital reserve fund to meet the expenses of educating educationally handicapped children; or take any other action in relation thereto.

20. To see if the District will vote to raise and appropriate the sum of \$4,681 (four thousand six hundred eight-one dollars) for the purpose of funding a deficit in the 1984-85 school year resulting from expenses of students attending the Concord Vocational Education Program that have not been reimbursed by the State of New Hampshire, or take any other action in relation thereto.

21. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action of the School District meeting, money from any source which becomes available during the fiscal year upon the following conditions:

- a. The money must be used for the legal purposes for which the School District can appropriate money.
- b. The School Board must hold a public hearing in connection with any proposed expenditure of funds.
- c. It shall not require the expenditure of additional School District funds. This action is taken pursuant to the authority of RSA 198:20-b, or to take any other action in relation thereto.

22. To choose agents and committees in relation to any subject in this warrant.

23. To transact any other business that may legally come before said meeting.

Given under our hands this 6th day of February, 1985, at said Henniker.

HENNIKER SCHOOL BOARD REPORT

Many improvements have occurred in the Henniker School system during the 1984 year:

1) The teachers and the school board reached an agreement on a three year contract without the turmoil that has been present in many other towns. This contract, on one hand, has given a stronger salary base to the teachers and, at the same time, has kept a limit on the taxpayers' burden.

2) The first phase of our building project consisting of the renovating of the high school library into three classrooms, changing the cafeteria into two

classrooms, building a new senior high science room, changing the old senior high science room into the junior high science room, converting the old junior high science room into a library, building a new classroom with the plumbing and electrical work for a future kitchen, completing a fire escape from the elementary library, fire proofing the elementary boiler room, and attempting to temporarily waterproof the basement classroom of the elementary school has been completed as specified and under budget.

3) The initiation of a preschool special education program that is being operated in rooms located in the White Birch Community Center. This Henniker operated program has received 8 tuition students from other communities and has helped offset the cost of our own special education program and, at the same time, given us the opportunity to educate our Henniker children in Henniker.

4) The lunch program, although difficult without a cafeteria, is serving approximately the same number of meals as it has in the past. Our thanks go to the Congregational Church for making its kitchen available, and to all the people working in the program that have helped make it the success it has been.

5) We experienced a very low turn-over of faculty and school personnel. We hired a new assistant principal, Judy Blood, who has been a very constructive force in the school system.

6) One of the most exciting things we have accomplished this year was the initiation of a two track, college bound and general, educational system in the high school. This is still being refined. However, it seems to be working well.

We still have plenty to accomplish. Our enrollments are consistently going up. We desperately need more elementary classroom space. We do not have an adequate library. We do not have a cafeteria, and we need to address the problem of not having a kitchen. Our gymnasium and locker room space is well below standard. To meet these needs, we are planning to present four different plans for the voters to discuss and to decide which one of the plans is the most appropriate for us at this time.

It is time for all of us to work together to continue the improvement of the educational quality in the Henniker Schools.

Respectfully submitted,

Ronald J. Rosenbleeth,
Chairman

HENNIKER SCHOOL DISTRICT

REPORT OF SCHOOL DISTRICT TREASURER FISCAL YEAR JULY 1, 1983 TO JUNE 30, 1984

GENERAL FUND

Cash on Hand July 1, 1983		\$ 42,749.06
Received from Selectmen	\$1,129,230.00

I have reviewed the Treasurer's Cash Book to include associated reports and manifests for the period of July 1, 1983 through June 30, 1984. It is my opinion that the **General Fund Report of the School District Treasurer** for the same period is an accurate expression of the District's cash position.

I wish to thank the Selectmen's office personnel and the SAU Business Administrator and his staff for their assistance during my review.

The provisions of RSA 71-2:21 require that this letter be published in the next Annual School District Report.

Sincerely,

Richard C. Chapin

SCHOOL CLERK'S REPORT OF MEETING

March 6, 1984

Three motions were passed at the beginning of the meeting.

VOTED to waive the procedural requirement that Annual Reports be available seven (7) days prior to the meeting.

VOTED to establish as a procedure for Article I; debate shall end at 9:00 P.M. or sooner if no one wishes to speak further and balloting shall commence and remain open for two (2) hours closing at 11:00 P.M.

VOTED to adjourn the meeting at the close of voting on Article I to reconvene at 7:30 P.M. at this same place for the conduction of the rest of the business on March 8, 1984.

Article I Ron Rosenbleeth moved that the District vote to raise and appropriate the sum of \$1,500,000.00. Said sum to be raised by the issuance of bonds or serial notes in accordance with the provisions of RSA 33, the Municipal Finance Act. Said sum to be used for the design, construction and originally equipping of an addition to the Henniker School Buildings and renovations to the existing school buildings, all in accordance with the plans and designs as approved by the Henniker School Board and on file at the School District Office in Henniker; and further to appropriate to the purposes set forth in the bond issue any interest or income earned on the proceeds from the sale of the bonds.

Motion seconded and opened for discussion.

This article was amended to add: And that interest earned by investment of bond proceeds during construction will be applied to retirement of said bonds.

At 9:00 P.M. a motion was made to allow further discussion. The motion failed 428-178.

Ballot voting was begun and polls closed at 11:00 P.M.

Article I failed to get the 2/3 vote needed. Vote — 307 YES 260 NO.

Meeting adjourned until March 8, 1984 at 7:30 P.M.

March 8, 1984

7:30 P.M.

Article II Laura Carlson moved to take no action on this article. Affirmative vote.

Article III Ken Ward moved that the District vote to authorize the School Board to execute deeds and receive deeds in connection with the title to the land related to the school facilities.

This article was amended to delete the words "execute deeds and"

Article IV was voted in the affirmative.

- Article V Jolene Schillinger moved the reports of agents, auditors, committees and officers be accepted as printed in the Annual Report.
Affirmative vote.
- Article VI Wayne Colby moved that the District vote to raise and appropriate the sum of \$1,540,193.00 for the support of schools, the payment of salaries of School District officials and agents and for the payment of statutory obligations of the District.
Nancy Evans moved to amend the article to increase that amount by \$115,000.00 to permit the tuitioning of high school students, grades 10-12 to Concord High School. Discussion followed.
Amendment was defeated. Discussion on Article VI continued.
Another amendment to reduce the amount to \$1,386,193.00 failed.
Article VI was voted in the affirmative.
- Article VII Laura Carlson moved that the District vote to raise and appropriate the sum of \$2,000.00 as a Contingency Fund.
Affirmative vote.
- Article VIII Wayne Colby moved that the District vote to appropriate the sum of \$15,000.00 which sum constitutes the unused surplus from the funds raised and appropriated under Article X in the 1983 Annual Meeting (Elementary School Roofing) and to use said sum to pay the deficit incurred in the 1983/84 general account.
Affirmative vote.
- Article IX Ron Rosenbleth moved that the District vote to establish a special capital reserve fund, pursuant to the provisions of RSA 35 for the purpose of meeting expenses of educating educationally-handicapped children and to raise and appropriate the sum of \$5,000.00 to be deposited in this Capital Reserve fund to meet the expenses of educating educationally-handicapped children.
Affirmative vote.
- Article X Jolene Schillinger moved to table Article X.
Affirmative vote.
- Article XI Ken Ward moved that the District vote to raise and appropriate the sum of \$30,690.00 for the purpose of carrying out energy conservation projects in the High School. Said projects include the reducing of the glass area of the school, installation of a separate hot water heating system, increasing the insulation in the walls of the building and the hanging of a new ceiling and addition of insulation in the Industrial Arts area.
Affirmative vote.

- Article XII Jolene Schillinger moved that the District vote to authorize the School Board to apply for, accept and expend, without action of the School District meeting, money from any source which becomes available during the fiscal year upon the following conditions:
- a) The money must be used for the legal purposes for which the School District can appropriate money.
 - b) The School Board must hold a public hearing in connection with any proposed expenditure of funds.
 - c) It shall not require the expenditure of additional School District funds.

This action is taken pursuant to the authority of RSA 198:20b.

Affirmative vote.

- Article XIII Wayne Colby made a motion to take no action on this article.

Affirmative vote.

- Article XIV A motion was made to instruct our Delegates to the 1984 Constitutional Convention and our Representatives to the General Court to make clear the constitutional provision which makes the responsibility of funding education, a state responsibility.

Affirmative vote.

- Article XIV Another motion was made under this article.

Cheryl Morse moved to adjourn this meeting to May 1, 1984 at 7:30 P.M. for the purpose of looking at possible alternatives to these expensive temporary solutions.

Affirmative vote.

May 10, 1984

Polls were open from 1 p.m. to 8 p.m.

Meeting adjourned at 8 p.m.

Ballot vote Yes 431 No 357

Motion fails to get the needed 2/3 vote.

Respectfully submitted,

Lorraine C. Aucoin
School District Clerk

A true attest

PRINCIPAL'S REPORT 1984

I would like to begin my report this year by thanking the citizens of Henniker for providing the additional Science area, class/lunch room; the division of the library into two classrooms and a computer room at the high school; and the division of the cafeteria into three classrooms in the elementary building which assisted in reducing the overcrowded problems that exist. We trust that these steps will be followed by further commitment in March.

With the growth of the school population (kindergarten through twelve 391 students in June 1984 to the present 411) our space constraints remain with us and implore us to look for alternatives which will provide a facility which will alleviate much of the travel time by students from building to building.

Judy Blood, Assistant Principal, began her tenure in the Henniker schools in August and has brought her expertise in curriculum development, an excellent record as a classroom teacher, superior organizational skills, and has provided a continuous positive attitude to students and teachers.

I am pleased to report that there was a very small percentage of teacher turnover this year, which has allowed for more consistency in class presentations and curriculum development.

With the current interest in excellence in education I feel our strengths lie in the sincere, dedicated, very professional staff who are attempting to provide the best education possible for the students of Henniker.

As a supplement to the total education of the students is the involvement of Henniker citizens who volunteer many hours of their time.

Your children are important to all of us. Please be sure they are encouraged to be the best they can be.

Please feel free to contact us. We welcome your comments or questions and will attempt to address each.

Respectfully submitted,

F. Donald Jones

SCHOOL NURSE'S ANNUAL REPORT 1984-85

The School Nurse assists in preventing or changing any health barriers to learning. She understands the constantly changing needs of the students during their growth and development and in their environment. The school nurse also acts as teacher, as each student encounter becomes a learning opportunity.

I have been busy this first year of school nursing. Various staff members and community organizations have supported and assisted in the school health program. With the help of Mr. Jones and Mrs. Blood, the school health policies have been revised and updated. The Henniker Lions Club will continue to provide funds for the Eyesight Assistance Program. The New Hampshire Public Health Services Screening Program came to the Congregational Church in November and with the help of volunteers screened 51 kindergarten and preschool children to detect any hearing or vision problems.

I have been conducting and am continuing health screenings of the students throughout the year. Height, weight and vision screening are being assessed on the elementary school students and I will be continuing with the hearing screenings. I have also been evaluating any referrals from teachers of students. Mr. Hamel and I will be checking for scoliosis in the boys and girls of the 5th through 8th grades. Communication of any problems will be made to parents and referrals made when necessary on these screenings. Also, the teachers will be notified of the findings and adaptations in the classroom will be evaluated to meet the students' needs. The data from the screenings are being collected and recorded on the Student Cumulative Health Record so that the student's continuity of health can be assessed and evaluated.

The Cumulative Health Immunization records of all students have been evaluated and updated to remain in compliance with the New Hampshire state standards.

Next year we will be eligible for the School Dental Health Conference Program which will provide a preventative means to fight dental carries. The program, conducted by a dental hygienist, will include a teeth cleaning and topical fluoride treatment and educational information on brushing and flossing. This year we will continue to fight tooth decay through educational and training programs.

Several cases of head lice have been found again this year. I began checking for head lice in the beginning of the school year and have continued to make frequent checks throughout the year. This should help keep the situation under control.

I am enjoying my first year at the Henniker Schools. I feel that health education, promotion and counseling are so important to facilitate student achievement. I have kept the atmosphere in my office friendly and educational. I look forward to continuing to work with the students, faculty, families and community to provide professional health care.

Respectfully submitted,

Bonnie LoBianco, R.N.
School Nurse

HENNIKER-WEARE COOPERATIVE STUDY COMMITTEE PROGRESS REPORT

The Henniker-Weare Cooperative Study Committee has been meeting on a regular basis since August 8th, 1984.

The Town of Henniker, at its May 1st School District Meeting voted to appoint a Cooperative Study Committee (Walter Robinson, Jerry Graffam, Lisa Hustis). This Cooperative Study Committee was charged with exploring the possibilities of forming and/or joining in a cooperative venture with a neighboring community or communities. The School Board of the Town of Weare appointed a Committee (Marilyn Carson, Frank Farmer, Paul Knox) to meet with the Henniker committee and 'further explore these' possibilities.

During the first two months the Coop. Study Committee investigated areas of mutual benefit and examined both school districts' present and future needs. The committee surveyed each town to gain a general sense of direction regarding a Cooperative venture as well as seeking volunteers interested in participating in coop. study sub-committees.

Sub-committees were established in the following areas: Building Site and Needs, Curriculum, Enrollment, Finance, Publicity, and Transportation.

On October 29th, these sub-committees had their first meetings, the sub-committee memberships are as follows:

Building Site and Needs—Frank Farmer (W) chairperson, members Dan Aucoin (H), Heidi Aucoin (H), Jean Paul Aucoin (H), Ed Cluche (W), Steve Connor (H), Lisa Lunt (W), Wally Morse (H), Terry Paul (W), and Loraine Wilson (W). **Publicity**—Lisa Hustis (H) chairperson, members Rosemary Blair (H), Kathy Hatt (H), Bob Konze (H), Sande Sheltmire (H), Carolyn Shinn (W), Claudia Spangler (W), and Alice Stanley (H). **Enrollment**—Marilyn Carson (W) chairperson, members Filomena Concia (H), Linda Conner (H), Marylin Gould (W), Skip Grady (H), Bill Johnson (W), Suzanne Kelly (W), Lee Killpack (W), Linda Regan (H), and Ruthann Speilberger (W). **Curriculum**—Walter Robinson (H) chairperson, members Sally Ayer (H), Nancy Carr (H), Laurel Chapman (W), Joel Goldberg (H), Gary Guzouskas (H), Lisa Hustis (H), Jack Laflamme (W), Richard Regan (H), Marie Twombly (H), Lois Welty (W), and Roberta Wheldon (W). **Finance**—Paul Knox (W) chairperson, members Bill Carr (H), Hope-Longwell-Grice (H), Boyd Leavitt (W), Stu Richmono (W), Chuck Sullivan (H), Bill Wallace (H), Deborah Whittier (W), and Gloria Zela (W). **Transportation**—Jarry Graffam (H) chairperson, members Dave Burt (H), Karen Burt (H), Pat Clement (H), Tony Fowler (H), Diane Glidden (W), Leonard West (W), Craig Slottum (W), and Willard Welty (W).

The following are progress reports from each sub-committee as of January 14th, 1985.

Preliminary Report of The School Housing Needs and Building Subcommittee

On October 29, 1984 the School Housing Needs and Building Subcommittee was formed and charged by the Cooperative Study Committee to:

1. determine the adequacy of the present elementary and secondary facilities
2. project additional needed space
3. project estimated cost for new facility including land acquisition and development costs

Having spent several meetings touring both Weare and Henniker facilities and talking with their respective administrators, we find that the school facilities in both towns are at their full capacity and have exceeded capacity in some areas. Additional space is badly needed in both towns' school facilities to accommodate any additional enrollment and/or additional curricula.

During the next few weeks we will be looking into potential building sites for a new facility between Weare and Henniker and after receiving enrollment and curriculum projections from those respective subcommittees, we will be developing space needs and estimated costs for a new facility. This committee will also be studying the adequacy of each town's present facilities to house either K-8 or K-6.

As of this date, we recommend that the cooperative study be continued and that neither town begin any major building expansion until the cooperative issue is decided.

*Respectfully submitted,
Frank Farmer*

Curriculum Subcommittee:

The Curriculum Subcommittee was charged by the Cooperative Study Committee to:

1. Examine present programs for adequacy and uniformity.
2. Study offerings in both elementary and secondary programs. Compare the present programs with the State Minimum Standards.
3. List the educational advantages each town might expect to derive by entering into a cooperative school district.

The committee has found, thus far, that both towns present curriculums in English, Social Studies, and Math are relatively uniform. We feel both curriculums are minimally adequate with weaknesses in similar areas.

A comparison of the offerings in both elementary and secondary programs to the state standards is still being examined.

At this point in our study we have found the following list of educational advantages each town might expect to derive by entering into a cooperative school district:

1. A cooperative would provide the opportunity to offer broader programs on a more cost effective basis. This more varied curriculum could include more offerings in each subject area.
2. The union of Henniker and Weare would provide for an increased student population which would allow:
 - a. more appropriate scheduling of individual students' course needs.
 - b. more effective class sizes.

We believe that class size is a significant factor in quality education, neither too large nor too small a class provides for adequate and effective education.

3. A cooperative permits more efficient and economical use of staff time in the instructional programs.

We believe, the curriculum, which may be developed through the formation of a cooperative between Henniker and Weare, would have a very positive effect on the quality of education for our students. We support the continuation of this study.

*Respectfully submitted,
Walter Robinson*

The Enrollment Committee was charged by the Cooperative study committee to:

1. Tabulate enrollments by grade for each district - grades K-12.
2. Project possible growth changes in school population by:
 - a. Studying survival school population projections of each town.
 - b. Studying the demographics of each town.
 - c. Preparing statistics regarding how many students are presently leaving the schools to enter private schools.

The Enrollment Committee at this time has studied student population projections prepared by the State Department of Education which are based upon the number of resident live births recorded in each town. We have compared three different projections which were based upon (1) one year projection using the 1983-84 school year picture, (2) 3 year weighted average which goes back three years giving the most recent year the most weight in the average, and (3) a five year average which takes into consideration what has happened in each town over the last 5 years, averaged them with each year receiving the same weight in the average.

Our committee feels strongly that the 3 year weighted average is the projection which most nearly approximates what we, through other studies, project will happen in the next few years.

The other studies we did include: projection of birth rate using statistics back to 1971, projection of school population using past school population, and demographic studies of each town including the number of approved building sites available for building in each town. Demographic studies to attempt to determine future growth in each town are still being conducted.

The 3 year weighted projection predicts that there will be an approximate 5-6% average yearly student population increase over the next three years.

The committee will be completing their statistical studies and making any adjustments to the projection they feel need to be made.

The committee has completed their study of the number of students who are presently being tuitioned out of district for their education. The results showed that each town has approximately 10% of their total population divided as follows: Elementary - Henniker 10%; Weare 13% — Junior High - Henniker 10%; Weare 5% — High School - Henniker 19%; Weare 5%.

The Enrollment Committee feels that the cooperative study should be continued.

*Respectfully submitted,
Marilyn Carson*

The Finance Committee was charged by the Coop Study Committee to:

1. Compile all financial data regarding present school cost and district expenditures such as:
 - a. Valuations
 - b. Tax Rates
 - c. Per Pupil Costs
 - d. Present indebtedness, etc.
2. Research possible formulas for apportionment of capital and operating expenditures of cooperative district based upon study of financial relationships and school costs among districts.
3. Determine reasonable per pupil costs (elementary and secondary) after considering program of studies.

The Finance Committee has studied the past four years' school budgets, of each town, to compare the two towns to each other as well as to state averages.

We also studied the impact of a proposed new high school building on the tax rates of each town. Based on these studies, the committee has concluded that both the operating costs of the proposed cooperative and the costs of the new high school can be equitably divided between the two towns in such a way that the impact on the tax rates of each town will be very similar. In order to limit the increase in the tax rates, the committee feels that each town should try to minimize any building programs, until each town has had a chance to more fully evaluate the cooperative venture.

The Finance Committee will be conducting a comparison study between the projected cost to each town if they were to remain as independent district and the projected cost of becoming cooperative.

The Finance Committee feels strongly that a cooperative between Henniker and Weare is in the best interests of each town, both from a financial point of view as well as providing greatly improved education for our youth.

Paul Knox, Chairman

The Publicity Committee was charged by the Coop Study Committee to:

1. Keep public informed of planning committee study through newspaper articles; posting of schedule of public meetings, and assist in preparation of any audio-visual materials required for presentation of study.

The Publicity Committee has been keeping each community aware of the progress of the cooperative study committees through newspaper articles in the Hillsboro Messenger and the Goffstown News. Schedules for committee meetings have also been published in both of these newspapers as well as posted in each town. Our committee is making plans to hold information meetings in each town during the last two weeks of February. These meetings will give the citizens of each town an opportunity to hear a presentation by the six member Cooperative Study Committee, and ask questions to help them understand what a Henniker-Weare Cooperative would mean for each community.

Our committee supports the continuation of this cooperative study.

Lisa Hustis, Chairperson

The Transportation Committee was charged by the Coop Study Committee to:

1. Obtain general research on cooperative district transportation systems.
2. Report on comparison of present transportation system including present cost per pupil.

The Henniker and Weare transportation systems are, at present, structured very differently. Weare has one bus company under one contract. Buses make multiple trips. Henniker has six different routes handled by four contractors. Extra transportation services, such as, Special Ed., sports, etc. are handled in similar ways by both towns. Despite these differences, our committee and the professionals with whom we consulted foresee that the two systems can be integrated without any major changes. If the present systems are utilized, the increased cost would be for five buses from Weare and three buses from Henniker to carry students to a new facility, after elementary students are dropped off at the respective elementary schools. Due to the closeness of the anticipated

location of the new facility, increases in travel costs and time will not be very large. We foresee a potential savings through a cooperative, in transportation, in the areas of Voc. Ed. and sports. Information on other coop transportation systems has been requested and is being compiled.

The Transportation Committee feels the cooperative study should be continued.

Gerald Graffam, Chairman

After reviewing all current information submitted by each subcommittee, the 6 member cooperative study committee believes there is a very strong possibility of a cooperative venture between Henniker and Weare. We recommend to each town that they seriously consider this option for the education of their students and delay any major building in either town until this question can be answered, as this would economically prevent either town from being able to enter into a cooperative in the near future.

The earliest projected time line for the operation of the new cooperative school district is projected as of the school year 1987-88; if both towns strongly support the cooperative as well as a bond issue for a proposed building necessary for the operation of the district.

The cooperative study committee recommends that each town appropriate the sum of \$5,000.00 to the formal study for the purpose of (1) publishing costs of the final report of the committee and (2) consultant services to assist the formal study committee in establishing preliminary information for a new facility.

*Respectfully Submitted,
Marilyn Carson, Chairperson
Frank Farmer
