LITTLETON WARRANT

The State of New Hampshire

To the inhabitants of the Town of Littleton, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Town Hall on the fourteenth day of March next, being the second Tuesday of March, at eight o'clock in the forenoon (the polls are to open at 8:00 A.M., and may not close prior to 6:00 P.M.; business meeting to be held at the High School Auditorium at 7:00 P.M.), to act upon the following:

ARTICLE 1. To choose one Selectman for the term of three years, one Park Commissioner for three years, a Town Treasurer, three members of the Board of Trustees of the Public Library for three years, one Trustee of Trust Funds for three years, one Moderator for two years, and one Supervisor of the Checklist for six years.

ARTICLE 2. To raise and appropriate such sums of money as may be necessary for Town Officers' Salaries, for Town Manager's salary if Article 6 below is adopted, General Expenses, Elections, District Court, Fixed Charges, Town Building, Police Department, Whitefield Airport, Civil Defense, Planning Board, Zoning Officer, Board of Adjustment, Damages and Impounding Dogs, Hospital, White Mt. Community Services, North Country Home Health, Senior Wheels Transportation, North Country Council, Health Officer, Fire Department, Forest Fires, Town Garage, Dump, Vital Statistics, Region Association, Sewers, Sidewalks, Streets and Highways, Town Road Aid, Highway Subsidy, Welfare, Old Age Assistance, Parks and Playgrounds, National Holidays, and other necessary expenses.

ARTICLE 3. To see if the Town will vote to authorize the Board of Selectmen to borrow monies, from time to time, for current indebtedness of the Town for the ensuing year, in anticipation of taxes to be collected for the year 1978 and to be paid therefrom.

ARTICLE 4. To see if the Town will vote to authorize the Board of Selectmen to apply for, contract for and accept any State and/or Federal aid and/or funds available at any time relating to disasters or emergencies within the Town, and to expend such funds for repair and relief.

ARTICLE 5. To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent Town Meeting, to apply, negotiate and do all other things necessary to obtain such Federal, State or other assistance as may be available for the design of, and construction of a sewage disposal system.

ARTICLE 6. To see if the Town will vote to adopt the provisions of Chapter 37 of the New Hampshire Revised Statutes Annotated, as amended, relating to the Town Manager plan; the following question to be printed on the official ballot, namely: "Do you favor the adoption of the town manager plan as provided in Chapter 37 of the Revised Statutes Annotated?"

If the foregoing Article is adopted, to see if the Town will vote to authorize the Board of Selectmen to advertise the position at a salary not to exceed Twenty-four Thousand Dollars (\$24,000.00), said appropriation to cover salary and administrative assistants for said manager, and to appoint a Selection Committee of five (5) to interview applicants. (This Article inserted upon written application of voters.)

ARTICLE 7. To see if the Town wishes to exclude from the plan service in any class or classes of positions of election officials or election workers for a calendar quarter in which the remuneration paid for each service is less than \$50.00

ARTICLE 8. To see if the Town will vote to purchase a police cruiser, and to raise and appropriate for said purpose the sum of Four Thousand Nine Hundred Dollars (\$4,900.00); and further, to authorize the withdrawal of said sum of Four Thousand

Nine Hundred Dollars (\$4,900.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 9. To see if the Town will vote to purchase certain highway equipment for use by the Highway Department, namely heavy duty truck, pick-up and sweeper, and to raise and appropriate for said purpose the sum of Sixty-eight Thousand Dollars (\$68,000.00); and further, to authorize the withdrawal of said sum of Sixty-eight Thousand Dollars (\$68,000.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500.00) for renovation of the jail cells; and further, to authorize the withdrawal of said sum of Three Thousand Five Hundred Dollars (\$3,500.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 11. To see if the Town will vote to authorize the Board of Selectmen to withdraw the sum of Forty-three Thousand and Thirty-four Dollars and Eighty-eight Cents (\$43,034.88) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 to defray the cost of lighting the streets of the Town.

ARTICLE 12. To see if the Town will vote to purchase a new fire truck, and to raise and appropriate for said purpose the sum of Thirty Thousand Dollars (\$30,000.00); and further, to authorize the withdrawal of said sum of Thirty Thousand Dollars (\$30,000.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of Four Thousand Five Hundred Twenty Dollars (\$4,520.00) toward the operation of the Kindercenter for the year 1978. (This Article inserted upon written application of voters.)

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of Three Hundred Thousand Dollars (\$300,000.00) to pay the amount of the installment payable by the Town to New England Power Company pursuant to the Decree of the Grafton Superior Court entered on March 12, 1975 in the tax abatement suits previously brought by said Company against the Town.

ARTICLE 15. To see if the Town will vote to direct and empower the Selectmen to waive and/or release the right of first refusal upon the Schoff Lumber Mill property and the appurtenances thereto. (This Article inserted upon written application of voters.)

ARTICLE 16. To see if the Town will vote to designate the Pest House Property, situated at the end of Hill Street, containing eleven (11) acres, more or less, and now owned by the Town, as a Town Park, to be held as is until such future time as the best recreational use(s) can be determined, and development funded, by the Town. (This Article inserted upon written application of voters.)

ARTICLE 17. To see if the Town will vote to change the land use classification on the remaining land belonging to the Littleton Sand and Gravel Company bordering South Street Extension, so-called, from Residential I on the northerly side of Interstate 93 and from Residential II on the southerly side of Interstate 93 to Industrial. (This Article inserted upon written application of voters.)

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for the purpose of assisting Alpha House, so-called, a place where remedial activities are carried on relative to the health of the bodies and minds of the persons who go there for treatment. (R.S.A. 47:11b). (This Article inserted upon written application of voters.)

ARTICLE 19. To see if the Town will vote to adopt the Expanded Elderly Exemption Law pursuant to the provisions of R.S.A. 72:43-B and 43-C; the following ques-

tion to be printed on the official ballot, namely: "Shall we adopt the provisions of R.S.A. 72:43-B and 43-C for Expanded Exemptions on Real Estate which provides for a resident 65 years of age up to 75, a \$5,000.00 exemption; a resident 75 years of age up to 80, a \$10,000.00 exemption; a resident 80 years of age or older, a \$20,000.00 exemption. Provided that the resident owns the real estate individually or jointly with another or his spouse with whom he has been living for at least 5 years as man and wife; said resident had a net income of less than \$7,000.00 or combined income with spouse of less than \$9,000.00; and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of \$50,000.00"

ARTICLE 20. To see if the Town will vote to adopt the following resolution, namely: That the New Hampshire Housing Commission be and is authorized to operate in the Town of Littleton; and that said New Hampshire Housing Commission be and is authorized to sponsor a project under Section 8 of the Housing and Community Development Act of 1974, for any of the following dwelling accommodations or a combination thereof; (a) existing standard housing, not to exceed forty (40) units; (b) newly constructed housing not to exceed ten (10) units.

ARTICLE 21. To see if the Town will vote to charge and collect a fee in the sum of Five Dollars (\$5.00) for each building permit issued by the Zoning Officer, and to apply the proceeds of such fees as a credit to the compensation of the Zoning Officer.

ARTICLE 22. To see if the Town will vote to increase the number of Selectmen from three (3) to five (5), if Article 6 relating to a Town Manager is not adopted.

ARTICLE 23. To see if the Town will vote to adopt an amendment to the existing Town Zoning Ordinance to change Saranac Street from Commercial I to Residential. (This Article inserted upon written application of voters.)

ARTICLE 24. To see if the Town will vote to adopt the current National Fire Protection Association's Life Safety Code 101.

ARTICLE 25. To see if the Town will vote to amend Section 8, "Penalties", of the existing ordinance relating to the licensing and regulation of dogs by providing that any owner found violating any provision of the ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of Two Dollars (\$2.00) for a first offense, Ten Dollars (\$10.00) for a second offense, and Twenty-five Dollars (\$25.00) for any third and subsequent offense.

ARTICLE 26. To see if the Town will vote to authorize the Board of Selectmen to administer and sell and convey any real estate acquired by the Town through Tax Collector's Deed for such price and upon such terms as the Selectmen may in their discretion determine.

ARTICLE 27. To hear the reports of Agents, Auditors, Committees, including the Planning Board, or Officers chosen, and pass any vote relating thereto.

ARTICLE 28. To choose any other necessary Town Officers for the ensuing year, and to choose and elect any Agents or Committees which may be necessary to carry into effect any vote that may be passed under the Warrant.

ARTICLE 29. To transact any other business that may legally come before the meeting.

Given under our hands and seals this tenth day of February, 1978.

JAMES M. ALT
RONALD C. MARSH
JAMES L. DWYER

AUDITORS' REPORT

February 8, 1978

Board of Selectmen
Town of Littleton
Littleton, New Hampshire 03561

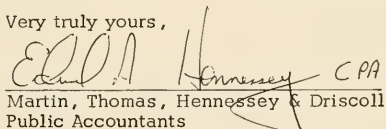

Gentlemen:

We have examined the financial statements of the funds and account groups of the Town of Littleton for the year ended December 31, 1977, listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record on its general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the financial statements listed in the table of contents present fairly the financial position of the funds and account groups of the Town of Littleton at December 31, 1977, and the results of operations of these funds and account groups for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours,

Martin, Thomas, Hennessey & Driscoll
Public Accountants

TOWN OF LITTLETON
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1977

1. Significant Account Policies

Bases of Accounting

The modified accrual basis of accounting is followed by all funds, in accordance with generally accepted accounting principles applicable to government units. Modifications in this method from the accrual basis are as follows:

- a. Inventory items are recorded as expenditures when purchased.
- b. Revenues are recorded as received in cash except for property taxes which are accrued.
- c. Interest expense is recorded as payments are made.

Investments

Investments are stated at cost.

General Fixed Assets

General fixed assets are recorded as expenditures when purchased. No depreciation is provided on general fixed assets.

2. Parking Meter Fund

The resources of the parking meter reserve fund can be expended for the purchase and maintenance of parking meters and for street and highway related expenses.

3. New England Power Company Settlement

Subsequent to December 31, 1974, a settlement was reached with New England Power Company in their suit against the town for abatement of several years' taxes. The settlement was for \$1,700,000 plus interest at 6% from March 1, 1975, to be paid over six years according to the schedule included in Exhibit E.

WINTER SCHEDULE (SCHOOL YEAR)

Monday through Friday — 10:00 a.m. to 5:00 p.m.

Saturday — 10:00 a.m. to 12:00 noon

Monday, Wednesday, and Friday evenings — 6:30 p.m. to 8:30 p.m.

SUMMER SCHEDULE AND SCHOOL VACATION SCHEDULE

Same except evenings are 7:00 p.m. to 8:00 p.m.

LIBRARIAN'S REPORT — 1977

This has been a most satisfying year. 45,690 books were circulated, 8,798 more than last year. Increased use of our collection by school groups was especially noticeable. The Kindercenter, a nursery school, borrowed many books and attended story hour every week. Headstart, The Children's House, The Children's Development Center and the second grades of the Primary Unit were also frequent visitors and borrowers.

National Library Week allowed many residents to show off their talents. The Craft, and Historical Littleton Essay Contests for teens and adults produced many interesting entries. The elementary grades wrote poems about, and drew pictures of, Louie the Littleton Public Library Leprechaun. Louie visited each grade prior to NLW to tell Irish stories.

Our summer reading program was again very successful. Over 125 children in grades K-6 signed up, and 75 read the required 12 books. The Haunted House party for those who completed the program was a delight. Weekly film programs were well attended.

Another noteworthy event was our second book sale, held in August. Many cartons of books were donated for the sale, and from these, we were able to add many titles to our circulating collection. Thus, we benefited two ways.

The second annual teacher tea, for new teachers in the Littleton school system, was held in October.

One of the greatest achievements of the year was the renovation of a basement storeroom to a stack room. Revenue sharing provided the funds and Ed Lauderbaugh, John Tuite, and John Bigelow provided the labor. Our shelfspace is significantly increased. Another stack room is wearing a new coat of paint; another has much improved lighting; a buzzer has been installed at the back door to provide entry from the parking lot; and the basement walls have been resealed to prevent leaking, also thanks to revenue sharing.

Other new touches were added to the Children's Room: a colorful bookcase, made by Ken Horner; a bookworm over the door, provided by Mr. and Mrs. Donald Morrow; a picture of Peter Rabbit, painted by Margaret Johnson.

Mrs. Frances Ann Johnson Hancock gave money from the Uncle Frank Hancock Memorial Fund for a microfilm cabinet. The family and friends of Polly Tuck gave books and funds for books as a memorial to her. Books and magazines were also given in memory of Mr. and Mrs. Prosper Salmon, Sr., George C. Vaillant, Mrs. Katherine MacLeod, Fred Hampson, Samuel and Cora Stillings, Madison and Anna Parker, Marilyn Miller Aldrich, Helene Mayer Revoir, Priscilla Hartshorn, Ruth Knight, Walter Goss, Mrs. Olof Johnson, Gene Gordon, and the Patrick O'Keefe family.

The Littleton Savings Bank, Friday Club and White Mountain Garden Club gave cash donations and the Village Book Store has been most generous with books. The Littleton Garden Club provided the Christmas wreaths for the front doors, Mabelle Alexander gave a magazine subscrip-

tion, and many people donated their hardcover and paperback books.

The only disappointment this year was an unsuccessful attempt to establish a Friends of the Library group. People did not want to organize formally, but many indicated their willingness to be called on at any time.

The librarian has been active in many librarian's groups again this year: North Country District Advisory Council, Supervisory Union #35 Librarian's Council, New Hampshire Library Association, New England Library Association. She presented a workshop on the new copyright law to the North Country and SU #35 Councils with Cynthia Miller of the State Library. They also wrote an article on this subject for *Granite State Libraries*. Mrs. Robbins is serving as treasurer of the New Hampshire Library Association for 1977-78.

A special welcome goes out to the Littleton Area Historical Society, our new neighbors. They have assembled a most interesting museum in one room of our basement.

Many thanks are due to the Board of Trustees; Ellen Morrow and Pat Stillings, assistant librarians; Barbara Melnick and Kathy Colony, library aides; Sandra Fillion, our summer helper; and Tom Tuck, custodian. Ken Horner previous custodian is much missed, and we congratulate Mary Downing, former aide, for going on to bigger and better things. Through mutual cooperation and support, we have had a wonderful year.

And last but not least, Louie deserves a special thanks for continuing to bring the latest word in library news and book reviews to his readers in the *Littleton Courier* each week.

Respectfully submitted,
ELLEN ROBBINS
Director

ANNUAL REPORT OF LITTLETON DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS

STREETS AND HIGHWAYS

Work during the winter months consisted mainly of plowing, sanding, salting, snow removal, cutting brush and hauling cover to the dump.

This spring we used the old road machine to clean sand and leaves on the outside roads.

The Highway Department rebuilt the St. Rose parking lot, with St. Rose Parish paying for the hot top.

About 1200 ft. was reconstructed on Farr Hill — from Bob Copenhaver's drive to John Farr's driveway. Ditches were cleaned, culverts replaced, gravel hauled in and the road oiled.

Oiling was done on the old Waterford Road, Stevens Road, easterly end of Railroad Street, Gary's Drive and the upper end of Hill Street and Bircherof Road.

Blade mix was used on Farr Hill from Fox Ridge Road to the Foster house, Fowler Hill and the Partridge Lake Road.

A new culvert was installed on Bronson Street to replace an old cement one which had deteriorated beyond repair. The new culvert is 32 ft. long and 60 inches high, which is larger to accommodate more water runoff.

Hot topping was continued this year with streets being done: East Street to Acorn Street, Acorn Street to School Street, School Street back to East Street, Mann's Hill Road from Pine St. to Palmer Brook, Pelletier's Drive to the Kober Road, Mt. Eustis Road from Mrs. Howe's to Robert Ainsworth's Drive, Pine Hill, Badger St., West Pleasant St., South Street from Spreadbury's to the Burndy plant, and 5 loads were put on Keeler Road.

Outside roads were graded, some culverts changed, gravel hauled onto some of these roads, the entrance of Brickyard Road to Route 18 was raised to make it safer coming onto the main road.

Catch basins were cleaned and several repaired due to deterioration. We used the sweeper all summer to clean streets and back roads and hauled about 5,000 yards of sand to be used for sanding roads this winter.

The T.R.A. work on the Old Whitefield Road was begun this year, with about half of the project being completed.

SIDEWALKS

The wall on Jackson Street was replaced and the sidewalk rebuilt; some paving was done on High Street, Grove Street and West Main St.

SEWERS

We had to replace 600 feet of 8 inch transit sewer pipe and install 8 inch ductile (iron pipe) on the Lisbon Road due to the rebuilding of the road. We also installed 50 ft. of 8 inch transit and 130 ft. of 6 inch transit and one (1) manhole on Keeler Road; next summer we will finish this road, as the septic systems are not working well. Twenty-three septic systems were installed, the majority being new.

DUMP

The dump has been taken care of very well this year. We have had to haul in 6400 yards of cover material, a lot of which has come from roadside cleaning and sweepings from the street sweeper.

Respectfully submitted,

WILLIAM J. BEDOR
Superintendent of Public Works

LITTLETON FIRE DEPARTMENT REPORT

1977 was a good year for the fire service. As expected, chimney fires were up but the overall fire losses were down. I believe that the reason for this was the inspection program for stove installations, plus a chance to sit down and talk with people and explain what action to take when a problem occurs.

The 4" hose was ordered, but because of late delivery caused by strikers in the industry, it will not be put to use until spring after the weather breaks. A certain amount of training will be required as it goes into service.

A new addition to the fire service was the formation of a Fire Police unit, with Robert Black as the chief organizer, to assist the fire department at fires with traffic control and detours. This will enable our regular police to return to their routine matters. There will be ten people in the group, all with CB radios, who will respond to the call of the Fire Chief when needed. The Fire Chief will be in radio contact with the Robert Black residence, which will serve as the base of operations.

Another late model tanker was put into service this summer. This 1972 Chevrolet tanker carries 1700 gallons of water and was bought by the Eureka Hose Company and converted to a portable fire engine with a 6" quick dump valve. The labor was donated by the call men and we now have a fine piece of equipment. Eureka Hose Company invested \$4,000 and about \$1,000 by the fire department budget. We are very proud of the end results.

In the past few years, you have heard me say that the time was short for the replacement of Engine 1, our 1931—1,000 gpm pumper. I have held up the request simply because I wanted to inject a replacement program. The time has come and this year we are asking for a combination tanker-pumper, a 1,000 gallon per minute pumper with 1,000 gallons of water and individual control gates on all water outlets.

In the last few months, on weekends, I have taken my car with firemen to different towns to look at new equipment and inquire about the units that they had purchased.

We have since then called in a representative of the Pierce Fire Apparatus Company and drawn up specifications for a truck that we feel is suitable to our needs. The preliminary cost is estimated at \$59,000. It is expected to be an article in the Town warrant.

The status of the fire station has not changed; it still is not suitable in a

sense as a fire station. If only my words of the past had been heeded, just maybe we would be building a fire station today with a Federal Grant. Many towns around us are doing just that.

A new fireman was hired under a Federal grant to work days with the Chief to enable more flexibility with the manpower and to institute a fire inspection and fire prevention program. In the last four months it has proven to be very beneficial. We plan to give it a full one year trial. I am very pleased with the results at this point, and I'm sure the summer months will be much more effective.

I rate 1977 a very progressive year.

Respectfully submitted,
EDWARD P. BOYNTON
Fire Chief

REPORT OF THE EXECUTIVE DIRECTOR 1976-1977

In April of 1977, the Board of Trustees adopted the goal "provision of optimum patient care". To meet that goal, a number of objectives were adopted. By that we mean specific, achievable, measurable results which we sought to attain in a given period of time. Those objectives include the provision of a physical facility that meets accrediting and licensing standards by or before 1980, expanding employee education, working with community health agencies and area hospitals, improving financial efficiency without curtailing services, developing a community awareness program, and others which are reviewed at regular intervals.

Quality of care at the Hospital has continued to improve at an unprecedented rate. The Hospital was recognized by the New Hampshire Heart Association as having a certified Coronary Care Course and a number of nurses from Littleton and surrounding hospitals completed coronary care training this year at Littleton Hospital. Also the Hospital was commended by the Joint Commission on Accreditation of Hospitals for provision of high quality of patient care and services.

Demand for emergency medical care continued to grow at five to six times the national growth rate. To meet this demand, the Littleton Hospital Board of Trustees, in November of 1976, authorized around-the-clock services of full time salaried physicians from early Thursday morning until early Monday morning. The demand continued to increase and as a result, the Trustees went one step further and authorized full time emergency room staffing by employed physicians 24 hours per day, 7 days of every week. Patients are thus guaranteed services of a physician when they present themselves at the Hospital. Further, the Hospital insists that this service be available regardless of ability to pay, race, color, creed, or national origin.

While the Hospital has continued to grow in terms of the services it is offering, it is also growing in terms of the size of its Medical Staff. Some new physicians who have joined the staff include Andrew Ross, M.D.; George McLaren, M.D.; Jennifer Lewis, M.D.; Robert Arbuckle, M.D.; Robert Leitch, M.D.; Gerald Lyons, M.D. and Laurel Lyons, M.D. These physicians will help to provide for the medical needs of the persons in this area.

The year has been a strong one for Littleton Hospital. We realized an operating profit and a bottom line excess of revenues over expenses. The Hospital's accounts payables decreased while cash revenues and other

assets increased. Long term debt decreased as did short term debt; at the same time, patient charges are lower than most in New England.

Perhaps one of the most significant changes for the Hospital occurred in utilization. There were marked increases in numbers of admissions, surgeries performed, radiology examinations, lab tests, physical therapy treatments, and other ancillary departmental usages. The only decline was in the average length of stay at the Hospital. The Hospital's overall average length of stay was at 5.5 days compared to 5.9 days the prior year. At 5.5 days average length of stay, the Hospital is well below the national average and well below the regional average length of stay. Shorter than average length of stay can be an indicator of quality medical care and also results in lower total cost to the patient.

Respectfully submitted,
JERRY E. GILLMAN
Executive Director

THE LITTLETON HOSPITAL ASSOCIATION

Excerpts of Remarks by Peter Smith

REPORT OF THE PRESIDENT

Board of Trustees 1976-1977

The progress that the Littleton Hospital makes every year in its delivery of care to its customers, the patients, is evident to each of them. The diagnoses made, operations performed, treatments rendered on a daily basis that save lives and cure illnesses are accomplishments that your employees, staff, board and administration are justly proud of.

A year ago, I pointed out to you the problems of continued encroachment by the Federal government in the operation of the hospital as well as the problems of the life safety code deficiencies in the 1906 and 1932 wings of the hospital. Had it not been for the foresight and hard work of all segments of the hospital family, we would have been prevented from correcting the deficiencies in the 1906 and 1932 buildings and for all intents and purposes would have had to close Littleton Hospital. The Federal government last year wanted to cut down on the number of beds by reducing the size of hospitals. The new regulations go even further. The method of reducing the number of hospital beds in the United States is now to close hospitals or to prevent the replacement of its beds. As I said, if we had not all worked together to obtain the approval of the State and Federal agencies when we did, we would not be proceeding with the construction and renovation of the hospital in the spring of 1978.

An up-dated facility is worth little unless you have an excellent staff to man it. This year, to add to the fine staff we already have, Dr. Andrew Ross, Board certified in internal medicine with sub-specialties in cardiology and neurology, and Dr. Robert Arbuckle, Board eligible in orthopedic surgery, joined us and are assisting us in providing better care. Late last year, Dr. George Durisek, Board certified radiologist, joined us and has given us added coverage in the radiology department.

Last year your hospital embarked on a program specifically designed to provide the best emergency room care possible in the north country. To do this, your hospital acquired the services of doctors who are willing to provide 24-hour in-house coverage for emergencies for 96 hours a week. The cost of this program was high, but the cost was outweighed by the quality of the service provided. On the first of this month, because we wanted to maintain the quality of coverage established by these full time emergency room doctors, your hospital has expanded the service to 24-hour per day, 7 days per week coverage in the emergency room. This full time emergency room coverage will be more costly but will be cheap in terms of the alleviation of pain and suffering and the saving of lives.

Thank you.

Very truly yours,
PETER W. SMITH
President

WHITE MOUNTAIN COMMUNITY SERVICES, INC.

EXECUTIVE DIRECTOR'S REPORT

January to December, 1977

Enclosed in this report are facts and figures which reflect the activities of White Mountain Community Services during the past year. Our request for town support is based primarily on our goal of maintaining service delivery at this level for the coming year. I hope you find this information useful.

A. Clinical Activity:

1. Received 623 requests for mental health services to area individuals and families.
2. Held 3,354 counselling sessions with individuals, families or groups from the area.
3. Held numerous consultation sessions with other professional persons and volunteers (doctors, nurses, social workers, attorneys, etc.) and organizations concerning those individuals they were attempting to serve.
4. Held educational and community planning sessions with and for interested professional and lay persons in the region served by the agency.

B. Services Rendered:

1. A 24-hour seven-day a week on-call emergency service for problems that need immediate attention. A WMCS professional staff member is on call at all times.
2. A partial hospitalization program to provide more extensive care for those individuals for whom individual therapy is not sufficient.
3. Outpatient counselling to area residents — the major activity of the clinic. The services offered include individual counselling, group therapy, family therapy, marital counselling and play therapy (for children). The services are provided in Littleton and in three satellites located in the Cottage Hospital in Woodsville, in the Lin-Wood Medical Center in Lincoln and at Weeks Memorial Hospital in Lancaster.
4. Intensive diagnostic and inpatient care in our local hospitals for those individuals experiencing an emotional problem.
5. Psychotropic medication. In certain cases medication is used as an adjunct to other forms of therapy listed above.
6. Pre-admission screening and aftercare services for patients entering and leaving the New Hampshire Hospital in Concord.
7. Social, psychological, and psychiatric evaluation and/or testing for schools, Courts, and State vocational/rehabilitation services.
8. Psychiatric consultation to physicians and to hospital staffs serv-

ing patients hospitalized in our local general hospital; mental health consultation to the District Court, school system, police, Headstart, public nurses and the Welfare Department.

9. An on-going inservice program for community and school nursing personnel.
10. Sponsorship of the Children's Development Center in Littleton, now in its eighth year of operation. Services are provided to ten children for a full year program. The Center provides a program of training and development for handicapped children unable to attend public schools who range in age from 3 to 14 years.
11. Sponsorship of T.E.M.P.O. Inc., a sheltered workshop for developmentally disabled persons between the ages of 15 and 65 and now serving 29 individuals. This program provides job skills training through contracts obtained from local business and industry. This program has recently expanded to a new facility on Main Street in Littleton (the old Saranac factory) and now offers a comprehensive program of skills training to individuals with various needs and levels of skill.
12. Development of a new clinical program for children so as to strengthen services to this population under 18. (Will implement during 1978.)
13. Development of a new clinical program for the elderly so as to strengthen services to this population over 65. (Will implement during 1978.)
14. Development of a new clinical program for post-New Hampshire Hospital patients by the addition of a State Hospital employee as well as an experienced para-professional to the staff so as to deliver more consistent after-care services. (Will implement during 1978.)
15. Participation with other local people to develop an acceptable halfway house facility as an alternative to inpatient hospitalization.
16. Participation with PADA (Program on Alcohol and Drug Abuse) to develop joint programs so as to strengthen services to alcoholics.

White Mountain Community Services is approved as a comprehensive mental health center by the New Hampshire Department of Mental Health and is affiliated with the following state and national organizations: New Hampshire Association of Community Mental Health Clinics, Northern New Hampshire Mental Health Center, New Hampshire Health and Welfare Council, the Association of Mental Health Administrators, and the American Management Association.

This non-profit agency is governed by a 40-person Board of Directors of local citizens. Elections are held each year at the time of the agency's annual meeting (May). All money voted or contributed to White Mountain Community Services is used to support local needs. This agency serves 22 towns totally, a resident population of 25,775.

MILTON T. BRATZ, Ph.D.
Executive Director

PARK COMMISSIONERS' REPORT

The Littleton Park Commission wishes to thank the people of Littleton for their support and encouragement over the past year.

Major improvements to the park this year were few. The new tennis court and ice rink facility project broke ground in October; completion is expected in the spring of 1978. The building to be constructed will be built by the Littleton High School Building Trades Department, surely saving the Townspeople's money, as well as helping our young people learn and improve their skills.

Pierre Lafitte headed our Recreation Program once again, with Carol King as Pool Supervisor. Mr. Lafitte is most happy with the results of the program. Leagues for hockey, basketball, football, soccer and bowling were offered and proved to be a great success. Between the Apthorp Common and Remich Park facility, over 150 young adults were enjoying the many activities available. The municipal swimming pool serviced over 250 people a day, with the learn-to-swim program a very popular activity. Many thanks to Mr. Lafitte and his Recreation and Pool staffs for a very enjoyable and successful summer program.

The Ice Hockey program is going well. Former Commissioner James Baker and his staff volunteers are doing a fine job. Let us not forget Darrell Champagne, who keeps our ice in shape. Sincere thanks to Darrell and his staff who take time and pride in maintaining our parks and playgrounds in the best possible condition at all times.

Sincerely,

HENRY E. SHERBURNE, Chairman
JOHN D. SIMON
RICHARD MILLEN
Littleton Park Commissioners

LITTLETON POLICE DEPARTMENT ANNUAL REPORT 1977

The Littleton Police Department made a total of 529 arrests during 1977. Motor Vehicle arrests totaled 283, Criminal arrests 205 and Juvenile cases totaled 41. The Department investigated a total of 409 reported offenses, the most numerous of which was 171 thefts, followed by 74 Criminal Mischief reports and 61 Burglaries.

Speeding offenses were again the most common motor vehicle offense with 83, followed by 39 DWI cases. The Littleton Breathalyzer was used for 78 tests, the same as for 1976. There was a satisfying reduction in the number of people in the 17 to 25 age bracket who were arrested. In 1976 they totaled 44 of 78 tests; in 1977 they accounted for 31. Of the 78 tests, 10 were under the prima facie level of .10% BAC and 21 tests indicated a level in excess of .20% BAC.

The Department investigated 271 accidents in which there were 6 persons injured sufficiently to require hospital admittance. There were 273 male operators and 134 female operators involved in accidents.

Crime against property arrests totaled 50 (theft, burglary, vandalism), Disorderly Conduct related offenses were 33 and Crimes against persons totaled 18. Of Juvenile offenses, Auto Theft was the most numerous, accounting for 12 and all vehicles were located. Burglary type offenses totaled 15.

Plans to improve the police station were implemented and the results were very satisfactory. The Police Department wishes to recognize the contributions of time, expertise and energy made by Sgt. Gilbert, Dick MacKay and George Gadbois, in particular. It is largely through their efforts that the present facility was made possible on schedule. Other members of the various Town departments also contributed their time.

The Department was slightly reorganized during December of 1977 to allow better follow-up on reported offenses.

Training goals for 1977 have been met with the exception of photography, which should be accomplished in early 1978. The department has acquired new camera equipment through an LEAA Grant; but due to its late arrival, the training required to achieve maximum utilization of the equipment has not been available.

Training programs scheduled for 1978 include photography, On-Scene Accident Investigation, Crime Prevention, Clerk/Dispatcher Uniform

Procedures, Human Relations and Basic Recruit Academy for one officer. Breathalyzer operation, advanced fingerprinting techniques and additional Clerk/Dispatcher courses are tentative only. Last year's firearms training program was very successful with our academy candidate, Frank Tuttle, winning firearms honors for the program. The program will be repeated during 1978 and include the shotgun as well as sidearms.

Plans have been developed to improve the Littleton Jail facility providing greater security and prisoner protection.

Respectfully submitted,

DONALD M. NOCKY
Chief of Police

LITTLETON CONSERVATION COMMISSION

Maintenance work in the Dells was continued with Todd Nichols as crew chief. This consisted of cleaning the picnic sites, repairing damage by vandals, replacing wood either used or stolen, improving the path around the lake and keeping a general oversight of the area. The survey of the Kilburn Crag area was completed, and Commission Chairman Everett Poore with Park Commission Chairman Henry Sherburne inspected the area. We also traced the town's right-of-way to the Crag; we found that the town owns 23.8 acres which can be used for a recreation area by the town. We recommend that a parking area be made on Rt. 18, also work be done on the right of way, to the Crag. Everett Poore attended the annual Conservation Commission meeting held in Durham. The Littleton Garden Club asked the Conservation Commission to assist them in planning and selecting sites for trees on Main Street. This is a project planned for 1978.

We collected and sold 4 tons of paper. We recommend that the town start a program to recycle paper, glass and metals as a source of income for maintenance of the dump.

Conservation Commission

NORTH COUNTRY HOME HEALTH AGENCY

ANNUAL REPORT 1977

North Country Home Health Agency, with its main office at 60 High St., Littleton, and satellite offices in Cottage Hospital and Linwood Medical center, provides services aimed at prevention, intervention and control of disease. This Agency serves the residents of 15 towns in a 1200 sq. mile area in the North Country.

Services performed in 1977 were as follows:

8457 Skilled Nursing Care visits to patients in their homes. These include the chronically ill; short term care following hospitalization or acute care in place of hospitalization; visits to newborns and mothers; diet and nutrition teaching; follow-up visits from clinic settings; and assistance in institutional placement when necessary.

8685 Homemaker/Home Health Aide visits, representing 9,000 hours. The purpose of this service is to maintain people in their own homes through assistance with personal care, light housekeeping and meal preparation; performing ancillary nursing services.

62 Physical Therapy visits to homebound patients.

407 Health Promotion visits. These visits are for assessment and evaluation of a person's needs and/or problems.

Public Health Activities, aimed at prevention, were as follows:

17 immunization clinics for pre-school children. 695 children were immunized.

2 lead level screening clinics for all ages, at which 154 persons were seen.

6 dental screening clinics for pre-school children with an attendance of 294.

4 Crippled Children's clinics, co-sponsored by N.H. Division of Public Health, for area residents under 18. 106 children were seen.

5 well-child clinics which provided physical exams for pre-school children of low-income families. 64 children attended.

4 adult health screening clinics sponsored jointly with the statewide and local Lions clubs. 525 adults over 18 were seen.

This Agency is approved by Medicare and the New Hampshire Department of Public Health as a certified provider of home care services. The Board of Directors is composed of volunteer members representing the towns served. It is a non-profit agency and monies received are returned in direct services to residents of the 15 towns.

Services to Littleton Residents in 1977 were as follows:

2411 Skilled Nursing Care Visits; 30 Physical Therapy Visits; 1972 hours of Home Health Aide Service and 1488 hours of Homemaking; 130 Health Promotion Visits; 89 visits to Newborns and their mothers. Littleton residents may attend any of the clinics listed above at no charge.

JOAN COLLINS
Business Manager

PLANNING BOARD REPORT — 1977

The year of 1977 has seen several changes involving the Planning Board.

The board welcomed three new members. They are Courtland Quimby, Robert Poulsen, and Brien Ward. These new members filled vacancies created by the resignation of our past Chairman Daniel Edgar and members John Streeter and Maurice Stearns, Jr. Remaining members included William Hight, Bettina Hummel, secretary and John Pilgrim, who assumed the duties of chairman.

In March of 1977 the town of Littleton voted in the affirmative to accept a new zoning ordinance. This was the climax to many months of work by the planning board and other members of the community. As a result of this new ordinance, the town now has a zoning officer to enforce the ordinance issue and enforce building permits, and to advise the community as to the steps necessary to comply with the new ordinance.

During this year the Planning Board, Board of Adjustment, Selectmen and Zoning Officer have worked together to draw up guidelines specifying each board's responsibilities to the community. The Planning Board feels this has aided us in performing our duties.

The Planning Board has approved 14 minor subdivisions, 1 major subdivision and held three public hearings this year.

Two of the public hearings were held before the March 1977 town meeting and concerned the proposed zoning ordinance. The remaining public hearing concerned the only major subdivision of this year.

Respectively submitted,
BETTINA G. HUMMEL
Secretary

PRESIDENT'S REPORT

The LITTLETON COMMUNITY CENTER has completed another year in which the facilities were used by many groups for business and adult recreation. In particular, I would like to cite the use of both the Barn and House in which some 85 people met on a weekly basis for several weeks of workshops in the arts and crafts.

The completion of several major maintenance projects and renovations were a great satisfaction towards the goal of improvements to the property. Vinyl siding to the front of the Barn was a good start in seeing that building well on its way to a more permanent restoration. A special committee added a touch of beauty to the Main room of the House with the installation of matched drapes for all the windows. This, added to the installation of overhead hanging lights, brightened the room considerably.

Thanks to H. Hubert Merrill and his Building and Grounds Committee, a number of maintenance needs were cared for including a new burner for the furnace.

John W. Farr and Frances Heald served well as treasurer and secretary, respectively. The constant administration of Ann and John Fillion enabled the Center to receive maximum use. The members of the Board of Directors were most helpful with advice and "pitching" in to make my job easy.

My first year as president has been a good experience in serving the community of Littleton with an organization, though often operating with a low profile, nevertheless making an impact on a large segment of our local society.

Sincerely,
THOMAS GOLDEN
President

WHITEFIELD REGIONAL AIRPORT COMMISSION REPORT

This past year the airport was the center for many things that happened. In June the Whitefield Fire Department held a circus for the local people and the area. Also in June, was the completion of the Rust hangar. This hangar is a great improvement to the airport facilities. Although the hangar is owned by Mr. Rust, it gives our airport much needed hangar rental space.

Over the last year, the preliminary discussions and plans were made for a jet fuel system. We hope the system can be installed in the near future.

This last year we were fortunate to have the State of New Hampshire install a center marker. This is a radio device which is used in an instrumental landing approach.

When the taxi strips were built for the Rust hangar (a donation by Philip Rust, Jr.) the so-called gas shack had to be moved, so this led to the rewiring of the gas pumps and the Shirley Mahn Memorial Hangar which is going to be used in the future as a maintenance hangar.

In July we undertook the project of repairing the flashing beacons that mark Cherry Mountain.

As of December first, due to lack of funds, our F.B.O. (Fixed Based Operator) resigned and we set out to find another F.B.O. under new and revised conditions.

Chairman of the Commission
CHARLES J. PACKARD
Commissioner from Dalton, N.H.

**SUMMARY PROGRAM OF THE
WHITE MOUNTAINS REGION ASSOCIATION
1977 (40th Year)**

A summary of the executive director/executive secretary's activities since the last board meeting on July 22, 1977 are:

1. Put together and processed all the material for the 1978 edition of the *State Lodging* Directory, and the Association's *Where to Stay* folder. This is a very time-consuming job, one which demands close attention to detail. The project involves solicitation of over 400 hotels, inns and motels in the region and necessitates follow-up telephone calls, personal visits and the writing of some eighty-three paragraph listings (plus 20 one-line listings), and checking and double checking each listing for accuracy. This year the number of listings has increased by seven compared to last year and, again, the White Mountains section of the *State Lodging* directory will be the largest compared to the other regions in the State.

Thought is being given to expanding the *Where to Stay* to include "Where to Dine," this is an effort to make the directory more comprehensive. Subject to discussion and decision by the board, the Association would begin soliciting the dining facilities shortly after the November 22 meeting. (Somewhat parenthetically we should note there is real demand to increase the *Where to Stay* folder to 50,000 in 1978, an increase of 10,000 over the 1976-77 editions.)

2. *Outlook* magazine — Solicited, edited and proof-read final copy for the next issue of *Outlook* which will be ready for circulation in about three weeks. Among the articles in this issue will be: History of Pittsburg, Looking to the Future of Piermont's Lake Tarleton Resort, Carroll Reed Ski Shops, Waterville Valley's new convention center a housing and social program for Conway area shut-ins, Berlin's new Androskoggin Hospital, an emergency ambulance system in the Connecticut Lakes region which services the towns of Pittsburg, Colebrook, North Stratford, Clarksville, West Stewartstown and Columbia, and the economic importance of snow-mobiling to the Twin Mountain/Bethlehem economies.

3. 40th Annual Meeting — Mailed out over 1,400 invitations to the Association's 40th annual meeting which was held at the Mt. Washington Hotel, September 22nd. We also put together the 1978 annual report. Some 30 people attended the afternoon presentation by Merle Hagen of New England College, who spoke on the matter of advertising and promotion and, over 100 people attended the dinner to hear former Ambassador Robert Hill of Littleton speak on South America and, more particularly, on the Panama Canal Treaty negotiations. Also Director Doucette made the first golf and tennis awards after the morning/afternoon tournaments which were held at the hotel. We should note that those attending felt the Association and the hotel did a superb job in organizing and putting together both the tournaments and the dinner.

4. Meetings attended: The executive director attended numerous

meetings of the White Mountains Center for the Arts, several of which were concerned with alternative site locations. Other meetings attended include: 2 meetings of the North Country Transportation Advisory committee which is involved in getting an experimental bus system in operation in Berlin, a meeting of the Berlin Airport master plan committee, a meeting of the nominating and annual meeting committees of the WMRA, a meeting with Ms. Clair Ebel of the Statistical Division of the State Department of Resources and Economic Development for the purpose of putting together a story for the executive director's message of *Outlook*, a meeting of the White Mountains Attractions Association, a meeting with Mr. Arthur Alderman of Warren to discuss his participation as a councilman in the WMRA, and a meeting with Mr. Jack McGurin of Franconia to discuss same, a meeting of Sub-Region IV of the WMRA which includes the towns of Shelburne, Gorham, Jackson, Chatham, Bartlett, Hart's Location, Conway and Albany. That meeting was held at the White Mountain National Bank, North Conway (meeting emphasized selective promotion), a meeting with the N.H. Travel Council in Concord (as a result the executive director will be working on an "image survey of N.H." with Steve Winship of the New England Guide and with the University of New Hampshire), attended a ground breaking ceremony of the White Mountains convention center in Waterville Valley.

5. Fund Raising — The executive director has spent considerable time fund raising for the Association. As a result memberships are up compared to last year.

6. Brochure Distribution — Continued to make bulk folder distribution to numerous regional outlets and re-distributed the Association's new *Cross-Country Ski* folder to numerous ski shops throughout the eastern seaboard and as far south as Washington, D.C.

Office Record: July: Answered 358 single inquiries, 9 bulk inquiries (790) single pieces, wrote 8 personal letters, sent 5 bulletins of lodging and real estate inquiries, and sent 695 mimeographed letters.

August: Answered 303 single inquiries, 28 bulk inquiries (3,160 single pieces), wrote 8 personal letters and sent 4 bulletins of lodging and real estate inquiries, and sent 741 mimeographed letters.

September: Answered 196 single inquiries, 33 bulk inquiries (4,660 single pieces), wrote 8 personal letters, sent 5 bulletins of lodging and real estate inquiries, 2,103 mimeographed letters, and wrote 2 news releases.

October: Answered 115 single inquiries, 11 bulk inquiries (480 single pieces), wrote 7 personal letters, sent 5 bulletins of lodging and real estate inquiries and sent 678 mimeographed letters.

Respectfully submitted,
NED PINKERTON
Executive Director

LITTLETON AREA HISTORICAL SOCIETY

Feeling the need for preserving more of Littleton's past history, in 1967 the Colonial Club chose for its Civic Improvement Project the establishment of an organization dedicated to just such a purpose. With that thought in mind, a group of interested citizens was called together. From their meeting developed the Littleton Area Historical Society, founded on June 25, 1967. It listed as its purpose, "to bring together those people interested in history, and especially in the history of the area. Understanding the history of our community is basic to our democratic way of life, gives us a better understanding of our state and nation, and promotes a better appreciation of our American heritage".

Over the years, much had been accomplished, but until 1977 no definite location could be found for a historical museum. Since 1958 the large room on the third floor of the Community House has been a most welcome shelter for the memorabilia acquired, but the room's location made it inaccessible for many members; and then after 1975, the State fire laws prohibited the use of the third floor for public gatherings.

With the vote of the Trustees of the Littleton Public Library, in the spring of 1977, to offer their basement room to the Society, the hope for a small museum became a reality. On November 8, 1977, the Littleton Area Historical Society officially opened its room to everyone interested in the history of Littleton. The room is open Monday mornings and Wednesday afternoons regularly, and can be available at other times by special appointment.

The room at the Community House will continue to house memorabilia not on display because of space limitation. There is great need to preserve articles of importance in Littleton's history. Never can the Society have too many pictures, news clippings, programs; anything that tells what people were doing from 1977 back to 1770 when Nathan Caswell made the first settlement in town on the site of the Dr. Robert C. Campbell place.

On this tenth anniversary of the founding of the Society, the membership numbers nearly 200. From these memberships, the Society derives most of its total income. Everyone is welcome to join. Monthly programs of Little-

ton historical interest are held. The members give assistance in researching many inquiries that come to the Town. The Society also sponsors the sale of the Littleton historical books, "Picturesque and Progressive Littleton and the White Mountains" by Paul L. Clay and "Historic Glimpses of a North Country Community" by Mildred C. Lakeway.

The officers for 1977 included:

President—Frances M. Heald

1st Vice President—Greta Poulsen (Mrs. Andrew)

2nd Vice President—Frances Ann J. Hancock (Mrs. Frank)

Secretary—Sandra Hamilton (Mrs. Richard)

Treasurer—Amy Stillings (Mrs. Oliver F.)

Curator—Mary E. Heald

Assistant Curator—Edward A. Stewart

Corresponding Secretary—Beatrice Blasenak (Mrs. Albert W.)

Auditor—Gilbert E. Pike

Historian—Mildred C. Lakeway (Mrs. Shirl)

Chairman of Hosts and Hostesses—Elaine Kilbourne (Mrs. George R.)

Chairman of House Marking Committee—Beatrice Doane (Mrs. Arlin T.)

Directors: Edward A. Stewart, J. William Houle and John W. Farr

RAYMOND S. BURTON, EXECUTIVE COUNCILOR DISTRICT ONE

As Executive Councilor for District One which covers 62% of the State of New Hampshire (102 towns and 3 cities), I am pleased to submit this short report to the citizens of your town.

The Executive Council of New Hampshire is elected from five districts portioned by population. The work of the Council has been described as similar to that of a board of directors for State business. The New Hampshire Constitution provides that the Council shall from time to time advise the Governor in the affairs of State. State law as passed by our General Court mandates much of State government to be acted upon "with the advice and consent of the Council."

Our meetings in the State House Council Chambers are open to the public, and I would welcome having any citizens from our District attend any of the meetings.

The responsibilities of the Governor and Council are so diversified as to defy any attempt at exact classification. Their activities extend to the appointment of certain public officials, to a general supervision over State departments, to State expenditures, to pardon matters and to a variety of other duties . . . State officials and employees, State fiscal matters, pardons, commutations and reprieves, eminent domain and related responsibilities, State contracts and leases, public waters, State industrial and recreational interests and miscellaneous responsibilities.

From time to time, as Councilor if I can be of help to cities, towns, counties, agencies and individuals, I stand ready to do so especially if the problem or concern has to do with State government. However, as many of you know, much of our government, at the local level, is funded by not only local dollars but State and federal monies are many times involved which means that several levels of government are involved. In such cases we must turn to our local town administrative assistants, regional planning commissions, county officials and others for help and guidance.

I can generally be reached by writing or calling my home office (R.F.D. #1, Woodsville, N.H., 03785, telephone, 603-747-3662) or in care of the Executive Council Chambers (State House, Concord, N.H., 03301, telephone 603-271-3632).

North Country Council, Inc. Franconia, NH

In Littleton, the NCC completed a \$45,950 Section 304 application in conjunction with Littleton Industrial Corporation officials for funds for a previous Title I industrial park project.

In 1977, NCC provided the following region-wide services:

Planning Services: NCC provides technical assistance to communities in a number of areas such as comprehensive planning, assistance with subdivision regulations, or reviewing development proposals. NCC is always available to meet with any local official, planning board or public body to assist with local planning matters and thirty-five towns have received some type of direct service from the Council.

Economic Development Grantmanship: NCC worked closely with the Economic Development Administration of the US Department of Commerce, the Farmers Home Administration, the Bureau of Outdoor Recreation, and HUD to bring a greater amount of financial resources into the Region; this will assist municipalities, local development corporations, and other organizations implement locally developed projects and programs. NCC attempts to be aware of the many federal grant programs that would be relevant to needs of communities in the North Country.

Preparation of Development Plans: By working over time to complete components of the Development Plan (in accordance with RSA 36:45), the Council will be in a position to make specific recommendations on how the communities in the Region can develop and prepare for future growth. During 1977, much progress has been made in the areas of Land Use, Housing, and Economic Development.

Participation in National and State Policies: NCC responds to opportunities to present a North Country perspective before federal and state agencies. Examples include its presentation to the Regional Town Meeting on transportation sponsored by DOT Secretary Adams; meetings with the Regional representative of the Department of Energy on the potential of wood energy, its role in initiating legislation which permitted the construction of bi-state sewerage treatment plants, and its assistance in developing state legislation permitting town governments to develop and own industrial parks. NCC has also worked with the NH Department of Public Works and Highways to encourage the Department to make improvements to US 302 from Woodsville to Littleton. As a body representative of local government, NCC provides a local response to state initiatives on "208" Water Quality, Solid Waste, and Safe Drinking Water Standards.

Inquiries, Technical Assistance and Special Reports: NCC staff is always available to respond to the inquiries and requests of member municipalities. In the last year, the Council has published technical assistance reports on "Model Subdivision Regulations", "Woodsville

Downtown Improvement Summary Report”, “Energy Perspectives in the North Country”, and the “North Country Housing Element.”

Education and Training Programs: NCC again co-sponsored the six Municipal Law Lectures in the Fall and the second statewide Annual Meeting of Regional Planning Commission members. A special workshop for applicants of Round II of the Local Public Works Act was held in conjunction with EDA officials from Concord and Philadelphia. *Planning News*, the NCC Newsletter, and a legislative bulletin keep local officials and interested persons informed of planning and development activities.

In 1978, the Council will be available to work with the member towns and other appropriate groups to help implement some of the recommendations contained in the Plans. Ideas and suggestions on how the Council can be of greater assistance are appreciated. The Council was created by five towns in 1973 and continues to exist as a service agency to member towns. Active membership of the town in the North Country Council will enable the town to take full advantage of the many local and area services provided by the Council. The Council will respond quickly and efficiently to the request of the town in those fields where it has some expertise.

Respectfully submitted,
KARL T. BRUCKNER
President

LETTER OF TRANSMITTAL

Board of Water and Light Commissioners
34 Main Street
Littleton, New Hampshire 03561

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Littleton Water and Light Department for the year ended December 31, 1977.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the permanent records.

The provisions of Chapter 71-a, Section 21, requires that the auditors' letter of transmittal shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Littleton Water and Light Department for their assistance during the course of the audit.

Very truly yours,

Martin, Thomas, Hennessey & Driscoll

LITTLETON WATER AND LIGHT DEPARTMENT

Certificate of Audit

We have examined the accounts and records of the Littleton Water and Light Department for the year ended December 31, 1977.

Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Littleton Water and Light Department at December 31, 1977, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Very truly yours, ¹

Martin, Thomas, Hennessey & Driscoll

LITTLETON WATER AND LIGHT DEPARTMENT
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1977

1) Accounting Policies - The Financial Statements reflect the application of the following accounting policies:

- a) Inventories are valued at cost on the first-in, first-out basis.
- b) The Company provides for depreciation on the straight-line method. The rates used are derived from the following estimated useful lives:

	Electric Department Years	Water Department Years
Artesian Wells	-	100
Equipment	3-10	20
Transmission and Distribution		
Poles, Wires, Etc.	28 1/2	-
Flowage Rights, Dams, and Waterways	100	-
Accessory Electric Equipment	28 1/2	-
Sub-station Equipment	28 1/2	-
Underground Conductors	28 1/2	-
Line Transformers	28 1/2	-
Meters	28 1/2	33 1/3
Street Lighting Equipment	28 1/2	-
Water Storage Reservoirs	-	100
Purification Equipment	-	10
Transmission and Distribution Mains	-	100
Settling Basis	-	100
Hydrants	-	50
Buildings	50	50
Gale River - Source of Supply	-	100
Pump Station - Mt. Eustis	-	100
Area Lights	28 1/2	-
Office Equipment	20	-
Miscellaneous General Equipment	10	-
Shop Equipment	25	-
General Tools and Implements	10	-
Stock Room Equipment	25	-
Pump Station Equipment	-	20
Communication Equipment	20	-
Distribution System Structures	50	-

LITTLETON WATER AND LIGHT DEPARTMENT COMMISSIONERS' REPORT

The period covered by this report, from April 1, 1977 to March 1, 1978 has been a trying period for the commissioners of your Water and Light Department.

At the beginning of this period your department was in debt in the amount of \$498,280.75 with an additional loss carry forward in the amount of \$77,283.00. Due to an overdue account with the New England Power Company the Littleton Water and Light Department at that time was paying approximately \$5,000.00 per month in interest on the overdue balance of their account.

It was not a pleasant decision to raise rates but this was necessary at that time in order that the company would have income sufficient enough to cover its expenses. As a result of the increase, adding additional income by charging interest on our own customers delinquent accounts, reducing our work force from fifteen to eleven employees, eliminating all unnecessary overtime and other cost-saving measures, your commissioners have been able to turn this operation from a loss to a profit.

As a safeguard against this condition reoccurring, your commissioners have been meeting every Monday at 4:00 P.M. with Superintendent Cassidy. At each meeting we receive a full report from our Superintendent on work scheduled, work-in-progress, and work completed. In addition, certain financial reports are received and studied such as cash-flow, payroll reports, accounts payable, accounts receivable and a monthly profit and loss statement (a copy of which is delivered to each selectman).

It is felt that without any unforeseen circumstances, the recent three percent increase announced by the New England Power Company can be absorbed by your department as a result of our improved efficient operation, and will not have to be passed on to you our customers. We would like to thank John Cassidy, who took over the duties of Superintendent on July 26, 1977 and all of the other employees of the Littleton Water and Light Department who have given of themselves one hundred percent, have sacrificed benefits and have worked deligently with your commissioners in an all-out effort to turn this operation around. This is the type of loyalty which cannot be bought and without which our efforts would not have been successful. In addition to the normal day-to-day operations, the following progress report is submitted by Superintendent Cassidy.

Respectfully Submitted,
J. WILLIAM HOULE
RICHARD L. HILL, D.V.M.
VONLEY M. RUGGLES
Commissioners

LITTLETON WATER AND LIGHT DEPARTMENT SUPERINTENDENT'S PROGRESS REPORT

Installations and new construction jobs are as follows: Build new chlorinator Trudeau Road for outside water customers in Bethlehem and Brook Road. Installed new water line on Strain Drive for new customers in the development. Water and Light also installed new house services.

Caswell Heights electrical extension, set poles, run primary wire and install house services.

Trim trees at Manns Hill, Farr Hill, Broomstick Hill, Slate Ledge, Pleasant St., and Old Whitefield Road to prevent outages during winter.

Relocate waterline from Ron Marvin property to Connors and Hoffmann.

Install new water taps for various customers in town.

Take down old Aphorhp building, and use old lumber for new addition on Lafayette Garage and chlorinator.

Compressor and dynamite work at Caswell Heights for putting in new sewage system. Compressor work Social Security Building (new addition).

Replace and relocate transformers at various locations to balance voltage loads in town.

Recondition oil in transformers at Partridge Lake Sub, South St. Sub, Curran Sub, Lafayette Sub, and Burndy Sub.

New line construction Bishop Street, take down old cross arms, install pole tops, hang new transformers, and run new secondaries for houses.

Pour lead joints at sewage plant.

Power off Burndy Sub, check for loose connections.

Various storm troubles at Farr Hill, Manns Hill, Hilltop, Old Partridge Lake Road, Bethlehem Road, St. Johnsbury Road all were due to inclement weather and fallen trees, also trouble on 3315 line, which affected the whole town for about eleven hours.

Respectfully submitted,
JOHN CASSIDY
Superintendent
