HAROLD S. JONES,
 ELOI A. ADAMS,
 GEORGIA ARMITAGE,
 Trustees.

This is to certify that we, the undersigned, have audited the books of the officers of the Town of Madbury, for the year ending December 31, 1962 and find them correct to the best of our knowledge.

JOHN KELLEY,
 ELEANOR E. EVANS,

Auditors.

FIRE DEPARTMENT REPORT

To the Citizens of Madbury:

The year 1962 was a year of average activity for the Madbury Vounteer Fire Department.

There was a total of twelve alarms, five of which were out of town. The most serious fire was at Mr. Bolstridge's house at the Demeritt Corner, occupied by the Pierce family. The fire was caused by lightning. The efforts of Mr. Pierce, and the response of the department kept the damage at a minimum.

The equipment is in good condition. The portable pump, radios, and a rear axle on the old truck were unexpected repairs.

The Annual addition of 1½" hose is recommended this year.

The roof of the fire station was replaced last fall by members of the department. Shingles and roofing materials were donated by an interested citizen. The town supplied the material to reboard the roof.

The improvement of the station is at a standstill because of the lack of volunteers to help with the work.

For four months there were not enough members present to hold business meetings. The election of officers had to be postponed until January to obtain a quorum. This lack of interest is endangering the efficiency of the fire department. There are many men who could give some time to maintain this vital service to the town of Madbury. Even if you cannot be an active fire fighter, there is work you can do to relieve the ones who can fight fires. There is need of your presence and interest to raise the morale of the faithful few who have carried the burden for so long.

For the year 1963 I ask your renewed interest and support that we may give better service, and improve our good fire record.

Your cooperation in obtaining permits for fires and incinerators is appreciated.

Fire calls in 1962:

Cars	1
Chimney	1
Forest-Grass	5
Lightning	2
Building	1
Out of town	2
Average No. of men per fire,	6
Water hauled to fire	5,500 gals.

Respectfully,

JAMES H. COLPRIT,

Fire Chief.
