TEXT OF APPROVED ARTICLE #32 AT THE ANNUAL TOWN MEETING ON MARCH 3, 1976, PASSED ON JUNE 9, 1976, RELATIVE TO NEW BUSINESS APPLICATIONS.

S1: Any person intending to commence any business in the Town of Orford shall, prior to commencement thereof file with the Selectmen and/or the Planning Board, a statement in writing on forms to be furnished by the Town, disclosing information about said business which is relative to its impact upon the public health, safety, and welfare.

S2: Within 30 days from the receipt thereof, notice of a public meeting shall be held. The selectmen with the assistance of the Planning Board shall either issue a permit for the commencement of said business or deny such a permit, setting forth in writing the reasons why the issuance of such a permit would be detrimental to the public health, safety, and welfare.

S3: Any person who (a) fails to file information in timely fashion as required by Section 1, or (b) who commences or performs an act of substantial commitment toward the commencement of a business without having obtained the permit required by Section 2, shall be fined \$100.00/each day of such failure and/or such commencement shall constitute a separate offense.

S4: This by-law shall be effective immediately upon its adoption.

MOTION AS AMENDED WAS PASSED WITH A VOICE VOTE.

ANNUAL REPORT OF
THE ORFORD SOCIAL LIBRARY

For the Year Ending December 31, 1981

During the year, 1,614 books were circulated, of which 272 were non-fiction, 865 were fiction and 477 were juvenile. Also circulated were 106 magazines, 28 puzzles, 22 records, 10 games and toys.

Purchases amounted to 34 adult and 24 juvenile books which included 17 research volumes that the children are using to advantage.

We are grateful to friends of the library who donated 59 adult books, 17 children's books and about 200 paperbacks, as well as records and toys.

Sheila Thomson's summer reading sessions were well attended. Participants received accomplishment certificates at a final presentation party. A story hour for younger children was also a success.

Mrs. Thomson obtained several movies from the State Library which were enjoyed by young audiences at the Library and at other organizations such as the Day Care Center.

Two new members of the Board of Trustees are Mrs. William H. Eagleson and Mrs. Henry Gund.

We were deeply saddened by the death of our trustee, Miss Edith Dillon. Her generous and ever willing help will be greatly missed.

SELECTMEN'S REPORT

The highlight of the year has been the change over to a Data Computer Service which has done away with the handwritten blotter books and has given a new look to the tax bills. A change of method cannot be brought about without hours of work and this innovation was no exception. We anticipate that this new Service will be a real time-saver in the coming years.

We have employed the Town Clerk as a part-time book-keeper to assist with the weekly pay roll, payment of bills and the timely filing of the many reports required by the State.

The vault, which is attached to the Selectmen's office, has been sided and a parking area next to it has been partially completed. The roof of the Selectmen's Office will need some repairs during the year and the furnace in the Town Hall must be relined.

The Selectmen recognize that snow removal and sanding have been a very contentious issue during this unusual winter. It has been suggested that the management of highway maintenance should be reviewed with an eye to reorganization.

Once again we are indebted to Richard Butman for many hours of work with the Town records which involve the updating of property transfers and assessment cards.

The Town will miss the valuable contributions which Larry Taylor has made in so many ways to the smooth operation of this Office. We look forward to the new year and the continued interest and participation of Orford residents in Town government.

ORFORD FAST SQUAD
1981

The Orford Fast Squad responded to 34 calls in town, one Mutual Aid to Fairlee, and one in Piermont.

With money raised from our Annual Flea Market we were able to buy an electric stethoscope.

In the fall of 1982 we hope to have an Advanced First Aid Course. Any one interested may contact any squad member.

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission met several times this year with representatives from the Parks and Recreation Commission and the Fire Department to correlate plans to level the Community Field using the \$7,000.00 voted by the Town at the last Town Meeting. It was decided that all would work together under the direction of Rendall Tullar. To start work as early as possible after the fourth of July, and to recruit as much volunteer help as possible.

I can now report that the work was started on time and that the young men and many older men of Orford gave many long hours of hard labor to make our field one of the best in this part of New Hampshire and Vermont. To single any one out for praise would be an injustice for it was a group activity which should receive the highest praise from all the townspeople.

We did overspend the \$7,000.00 voted by the Town. The balance of \$5,000.00 was contributed by many Orford residents and by friends of Orford. I wish to take this opportunity to thank the contributors and the Community Council for their support.

The field now leveled is a lasting tribute to Miss Bertha Brainard who gave the land in 1950, to the Community Council who have administered the field for so many years and to those who have perfected it to its present state.

Respectfully submitted,

JULIA M. FIFIELD
Chairman

REPORT OF ORFORD PLANNING BOARD

The Orford Planning Board met monthly throughout the year. The board worked on a Master Plan for the town, and finally adopted one on September 29, 1981.

We have had applications for four residential parcel subdivisions, which were approved by the board. We also had an application from Mr. Finn W. Casperson requesting approval for a subdivision of property on Mt. Cube, which will be given to the Appalachian Trail Association. This was approved by the board.

We had two resignations during the year, Mr. Howard Sommers, and Mr. Truman Brackett. The Board wishes to thank them for their excellent efforts and hard work on the board over the years.

After many months of work and discussion, we developed a Master Plan based on the questionnaires the board sent out to residents of the town. Our aims and goals are to try to promote growth in town, while trying to preserve Orford's rural atmosphere and appearance. This Master Plan is a guide and the residents of the town, or the board can change or amend it at any time.

REPORT OF THE ORFORD COMMUNITY HEALTH SERVICE

The following is a summary of the Nurse's hours both school and public health for the year 1981:

Skilled Nursing	210 hrs.
Clinics and conferences	120 1/2
Staff development & education	20
Community activities	142 1/2
Mini clinics	51
Group teaching	2 1/2
Agency administration	132 1/2
Program coordination	61 1/4
School nursing	348
Total hours	1,088 3/4

Our arrangement with Piermont is still the same as in the past. Piermont contracts with the OCHS for public health nursing and the arrangement is mutually agreeable.

During our Well-Child Clinics we saw 84 children, 50% of which are getting regular check ups and immunizations at these clinics. We continue to offer blood pressure screening for adults, as well as physicals, immunizations, blood tests, urinalysis, vision and hearing, and speech evaluation for children at no charge. These clinics are offered on odd months in Orford and even months in Lyme.

Blood pressure clinics are held every Thursday from 9:00-10:00 at the Elm Corner Market. No appointment is needed.

As of July 15, 1981, Joan Harris, R.N., took over as Nurse for Barbara Dyke. Barb took a leave of absence for one year. Mrs. Harris's office number is 353-4853, and her home phone is 353-9071.

Many thanks to all who volunteered their time and effort to the OCHS activities!

ORFORD SENIOR CENTER

The Upper Valley Senior Citizens Council, a United Way Agency, established a Multi-Purpose senior center to provide services at five sites, for people over 60 in Grafton County, with funding from the Older Americans Act through the State Council on Aging, Town and County monies. Each of these sites have an Advisory Council, which consists of resident representatives from the areas which they serve.

In 1975, the Mascoma site for meals on wheels was opened in Canaan Masonic Lodge, and on July 1976, the Upper Valley Senior Citizens Council began managing the Nutrition Sites in Littleton and Plymouth at the request of the State Council on Aging, and on December 21, 1976, the first dinner was served in Orford, on a twice a month basis, and with great success, and in March 1979, we started serving dinners and meals-on-wheels once a week on "Tuesdays" with the exception of July and August, and holidays. Residents from twelve New Hampshire towns and Vermont are served in the Congregational Church.

Other services which we extend to the seniors are, Friendly Visitors, Information and Referral, Transportation and Good Neighbor Aide.

Volunteers are available to transport seniors that have no other means to make Medical and Dental appointments; we would like to have advance notice for this service. Call Douglas Rolfe, 353-4826, or Howard Sommer, 353-4576.

This year residents of the Grafton County Home have come by mini-bus to attend the dinners once a month. Volunteers are working at the Home, and there is a group starting to work in Glencliff and at Cottage Hospital.

REPORT OF THE
ORFORD ECONOMIC DEVELOPMENT COMMITTEE

The Orford Economic Development Committee was established earlier this year following the March Town Meeting. The following members were appointed by the selectmen: William Baker, Truman Brackett, Charles Clifford, John Karol, Thomas Thomson and representing the selectmen, Maurice Roberts. (In October Truman Brackett resigned from the committee due to business commitments.) The committee seeks to encourage modest economic development in Orford, consistent with the rural and historic qualities of the town.

We have held seven productive and informative meetings since May. For three of these meetings, the committee was joined by individuals invited to meet with us. Our guests have been New Hampshire Industrial Development Agent, Richard Cummings; Bayne Stevens of Bay-Son Company; and two real estate agents, Mrs. Sylvette Gardner and Charles Bent. Our guests were able to give us some very helpful suggestions to be considered in planning economic development in our area.

The committee agrees that the best interests of our town will be met by encouraging small business or light industry as opposed to highly density housing. Rather than running ads in the metropolitan newspapers, we are preparing a small brochure describing the nature and quality of the town. Supplies of the brochures would be given to stores and real estate agents, and would be mailed to interested individuals.

One major problem facing the committee and the town is that if we are successful in locating a potential business, there must be available, land, buildings or both. Accordingly, the committee prepared a brief questionnaire which it mailed to Orford boxholders in December. In addition to information on available property, the committee also sought opinions and suggestions on economic development. Out of 371 boxholders we have received 49 replies. We hope residents will continue to help by informing us if they have property or buildings, for sale or rent and also if they have any leads to small business that might consider moving to Orford.

We hope the entire community will take part in planning the economic future of our lovely town. Everyone is welcome to attend our monthly meetings. Notices for which are posted at the Town Office and Post Office.

Respectfully submitted

Selectmen/Orford
Town Office
Orford, N. H. 03777

Gentlemen:

Your Summary Inventory of Property Valuation and State-
ment of Appropriations have been approved. You may proceed with
the assessment of 1981 taxes on the basis of the following figures.

Net Assessed Valuation \$9,130,813.00

Taxes Committed to Collector:

Town Property Taxes Assessed	\$568,850.00
Less: Est. War Service Tax Credits	5,200.00
Net Property Tax Commitment*	<u>\$563,650.00</u>

Tax Rate - Town 6.23

*The amount of property tax commitment is subject to adjustment by
reason of any increase or decrease in War Service Tax Credits which
may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Sec-
tion, we have enclosed a copy of the changes. Revenues and Credits
have been approved as shown on the enclosed copy of the third page
of the Statement of Appropriation.

The net amounts approved for school, county and precinct are
indicated below. These amounts are the total monies which should be
transferred to each of these units of government.

Net School Appropriations	\$543,807.00
County Tax Assessment	35,043.00

In arriving at the above approved rate the Overlay has been
set in the amount of \$6,511.00.

Very truly yours,

LLOYD M. PRICE
Commissioner

STATE OF NEW HAMPSHIRE
DEPARTMENT OF REVENUE ADMINISTRATION

Selectmen of Orford
Town Office
Orford, N.H. 03777

Gentlemen:

As you know, the Department of Revenue Administration is charged with the responsibility of conducting a sales-assessment ratio survey so that your town's total equalized value for the Tax Year 1981 can be determined. To accomplish this task, market sales that have taken place in your town between October 1, 1980 and October 1, 1981 have been analyzed, and we have determined what the average level of assessment is as of April 1, 1981.

The sales values have been determined from revenue stamps and verified whenever possible. When it appears that changes in the assessed values of properties have been made solely because of the sale price, the assessed values prior to the sale have been used.

Based on the enclosed survey, we have determined your sales-assessment ratio for the Tax Year 1981 to be 34%.

Please review the enclosed list of sales used in determining your sales-assessment ratio. If any incorrect data has been used please notify this office. If you should choose to appeal your ratio please contact the State Board of Taxation within two weeks of receipt of this letter.

Very truly yours,

ROBERT A. ESTEY
Equalization Supervisor

GRAFTON COUNTY COMMISSIONERS

In our continued effort to communicate more directly with the taxpaying citizens of Grafton County, we are taking this opportunity to reach you through your annual town/city report.

We are pleased to report that, due to the unusually high interest rates during our 1981 fiscal year, Grafton County had a very good investment year, realizing \$71,375 in interest earned, which contributed to the \$257,458 surplus, most of which was applied to the fiscal year 1982 budget to reduce tax requirements. Budget appropriations for the current fiscal year beginning July 1, 1981 are about on target. However, we may be looking to a deficit at fiscal year end and we definitely anticipate a sizeable budget increase next fiscal year due to shifts in programs and financial responsibilities without accompanying federal/state funding to administer these programs, many of which are mandatory, not optional. Impact is already being felt by towns as well as counties in the educational, child protection/placement, and Medicaid programs. In line with state and local "belt tightening", the County Commissioners will be taking a hard look at budget requests this next fiscal year. Priorities must be established to "hold the line" in future budget appropriations.

The computerized bookkeeping system is working out well, proving to be an asset in controlling appropriations and allowing on-demand reports showing the County's financial position at any given time.

Grafton County Commissioners, along with the maintenance supervisors and Nursing Home administration, continue to work closely with Dynamic Integrations in effecting energy conservation measures, both for the Courthouse and Nursing Home Complex. Many dollars have been and will continue to be saved through these efforts.

Superior Court has requested finishing the second courtroom in the very near future as there is a greater demand for jury hearings and use of two courtrooms at the same time. The Commissioners have engaged Wright-Pierce architectural firm to submit proposals for finishing the second courtroom, with the intent of having funds included in the next fiscal year's budget to carry out the project.

Again this year the farm has been productive. Cattle sales grossed an all-time high of \$35,235. While cattle sales have been very successful, our herd has remained consistently highly-rated in the Dairy Herd Improvement Association reports. Cattle were entered into eight various sales in three different states. The total herd, including milkers, heifers and calves, numbers about 187. The swine program has also had a most fruitful year, with a combination of production and sales. As in the years past, we maintain a waiting list for piglets. There have been quite a few field trips through the facility by the local school districts and

Future Farmers Association, utilizing our farm for their educational programs. The Nursing Home purchased \$32,402 of food and produce from the farm, which was advantageous to our residents by having fresh produce in season and frozen produce during the winter months, not to mention the cost-saving factor.

Grafton County had the highest census ever this past year in the Jail and House of Correction, resulting in an increase in management problems such as overcrowding, staff stress, and much higher than anticipated inmate medical costs. Inappropriate admissions to county jails of mentally disturbed inmates has created a great portion of inmate behavior problems within the facility.

The Commissioners hold their regular meeting every Monday, except holidays, at 9:30 a. m. in the Commissioners' Office of the Grafton County Courthouse, followed by a second meeting at the Grafton County Nursing Home Complex at 1:00 p. m., which regularly includes visits to farm and jail facilities. Public and press are welcome, and, in fact, are encouraged to attend the meetings.

ANNUAL REPORT OF THE PRINCIPAL

To the Citizens of Orford:

The Orford Schools continue to progress with the "Orford Experience Fever" and "Blue Pride" improving morale, school spirit and general good feeling about the schools. Certainly the good performance by the athletes and the positive results of standardized testing also contribute to the desirability of Orford as a place for personal growth and education.

Staff and Enrollment

Thirteen new staff members have joined our ranks. They are: Ruth Baker, Kindergarten teacher; Nat Conard, high school mathematics teacher; Lisa Deguise, music teacher; Karen Beaudry, middle school mathematics and high school geometry teacher; Joyce Leamy, reading teacher; John Scanlan, guidance counselor; Ann semprebon, art teacher; Michael Summers, high school science teacher; Rene Verdin, 4th grade teacher; Margaret Wedgwood, 1st grade teacher; Mary Zatloukal, Learning Disabilities Specialist; Ronald Pike, Custodian; and Joan Harris, school nurse.

The enrollment is down slightly to 189. Eleven fewer are in the middle school alone.

Repairs and Up-Keep

Maintenance is a never ending issue. This past summer, Walt Westcott, Head Custodian, and his C. E. T. A. crew, were responsible for sanding and refinishing hardwood floors in three classrooms, the library and the stairways; repairing the high school stairways inside and out and the faculty lavatory; stripping, washing and waxing all floors (the gym 3 times); dusting; washing windows; shampooing the rugs in the middle school; painting all high school lavatories, the cafeteria and entranceways; replacing ceiling tiles; repairing the 'Ville bell; constructing storage cabinets in the kitchen and replacing the formica countertop; replacing all broken windows; and some plumbing, electric and locksmithing work was also accomplished. Since then, as a result of last year's energy audit by Dynamic Integrations and the awarding of a matching fund energy grant, we have disconnected all non-used fluorescent ballasts; done some weather-stripping; have had all the steam traps replaced in the radiators in the high school as well as installed many zone valves, a computerized night setback switch and a burner stabilizer. Additionally the Academy interior foundation was insulated as were the walls of the wood framed section by Energy Shields, of Topsham, Vermont. So far there has been a noticeable decrease in the amount of oil consumed in the high school presumably due to these conservation measures. Energy recommendations and a schedule of maintenance for energy conservation will progress to the middle school next year.

Curriculum

Essential student outcome tests, required by the State Department of Education, and Metropolitan Achievement tests have been administered. The results show that we compare very favorably to other student groups taking these tests, particularly in math. Mr. Scanlan and I have reported these results to parents at an evening meeting as well as sent scores home. Currently in progress is the development of a mechanism for challenging advanced students, and the incorporating of career awareness into the regular curriculum. I'm pleased that the staff has chosen to take advantage of field trip opportunities to broaden the scope of our students. One particular highlight was a visit to The Man of La Mancha at the Hopkins Center in Hanover.

Conclusion

The success of my administration is due to the fine support I continually receive from Dr. Hugh Watson, Superintendent; Larry Cornell, Assistant Superintendent; Eugene Roddy, Director of Special Education, and their central office staff; my assistant principal, Jerry LeSage, and my extremely able, loyal and responsible secretary, Mrs. Janet Kee. My gratitude and appreciation is extended to them, to the School Board, to the staff, parents and students for their assistance during this school year.

Very sincerely yours,

GERALD FOURNIER
Principal

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, bank statements, and other financial records of the treasurer of the school district of Orford of which the above is a true summary for the fiscal year ending June 30, 1981, and find them correct in all respects.

NORMAN C. WOODWARD
CHESTER G. GREENLY
Auditors

The financial statements on the previous pages have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. This method of accounting recognizes accounts receivable and accounts payable as revenue and expense in the year in which earned or incurred rather than the year in which received or paid. The School District's books of account are maintained on the cash basis in accordance with generally accepted public school practices.

VITAL RECORDS IN TOWN REPORTS

Because of the increased activity in the falsifying of Vital Records, the amount of information on Vital Statistics is limited to the annual reports of the Towns. In compliance with the ruling received from the Attorney General the following Vital Records have been prepared.

A request from a resident that a particular vital event be omitted from the town report should always be granted - having had no requests, the Vital Records for the year ending December are complete to the best of my knowledge.
