Fire Department	\$2,000.00
Police Department.	\$2,000.00
Financial Administration.	\$1,000.00

8. To see if the Town will vote to authorize the Selectmen to appoint a committee of five to determine through town boards and committees and through public hearings appropriate names for the several town roads and state highways open to public travel and/or closed subject to gates and bars, and for recognized private ways, as they appear on the Town's Zoning Map or have been created since 1974 through subdivision approval; said committee to present its recommendations for such road and way names to the 1982 Annual Town Meeting in the form of a motion for their acceptance as the official names of the roads and ways of the Town of Salisbury. (By the Planning Board)

9. To see if the Town will accept the option provided for in RSA 155-E (Section III), relative to regulations covering the excavation of sand, rock, soil, or construction aggregates, and name the Board of Selectmen to be "The Regulator" for the purposes of carrying out the provisions of that Chapter. (By the Planning Board)

10. To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the state or any city, town, or other governmental unit of the state to five percent. (By Petition)

11. To see if the Town will vote to authorize the Selectmen to accept on behalf of the Town private gifts and contributions.

12. To see if the Town will authorize the Selectmen to make application for, to accept and to expend on behalf of the Town any and all advances, grants or other funds which may now or hereafter be forthcoming from the United States of America or the State of New Hampshire, or any Federal or State Agency.

13. To see if the Town will vote to transfer \$5,000.00 from its unencumbered surplus to the Emergency Services Center Capital Reserve Fund. (Included in the Budget)

PROPOSED WARRANT ARTICLE

72: 43-b Expanded Exemptions on Real Estate for the Elderly.

- I. Residential real estate, as defined by RSA 72:29, II, shall be exempt from taxation as specified in subparagraphs (a), (b) or (c) as follows:
 - (a) A resident sixty-five years of age up to seventy-five, a five thousand dollar exemption; or
 - (b) A resident seventy-five years of age up to eighty, a ten thousand dollar exemption; or
 - (c) A resident eighty years of age or older, a twenty thousand dollar exemption.
- II. Additional requirements for an exemption in all the respective age categories pursuant to paragraph I shall be that the property is:
 - (a) Owned by the resident; or
 - (b) Owned by a resident jointly or in common with his spouse, either of whom meets the age requirement for the exemption claimed; or
 - (c) Owned by a resident jointly or in common with a person not his spouse, if the resident meets the applicable age requirement for the exemption claimed; or
 - (d) Owned by a resident, or his spouse, either of whom meets the age requirement for the exemption claimed, and has been living with his spouse as man and wife at least five years.

72:43-c. Other Conditions. No exemptions shall be allowed under RSA 72: 43-b unless the person applying therefor:

- I. Has resided in this state for at least five years preceding April first in the year in which the exemption is claimed.
- II. Had in the calendar year preceding said April first a net income from all sources of less than seven thousand dollars, or if married, a combined net income of less than nine thousand dollars, such net income to be determined by deducting from all monies received from any source whatsoever the amount of any of the following or the sum thereof:
 - (a) Life insurance paid on the death of the insured.
 - (b) Expenses and costs incurred in the course of conducting a business enterprise.
 - (c) Proceeds from the sale of assets.

SALISBURY PLANNING BOARD

PROPOSED AMENDMENTS TO THE TOWN'S BUILDING REGULATIONS 1981

1. That the Town's Building Regulations be amended by adding to Article 5 a new section H, as follows:
 - H.1. No wood burning stove of any type shall be installed in any building, existing or under construction, until plans have met the written approval of the fire chief or his agent as to the installation methods and location.
 - H.2. No gas or oil burning installation shall be placed in operation in any building without a written permit issued by the fire chief or his agent.
 - H.3. No building permit shall be issued by the Building Inspector involving fire-hazard-oriented work, such as, but not limited to, installation of bulk tanks, reconstruction of places of public assembly, or demolition work, unless the plan for the proposed construction, alteration, repair, installation or demolition has been improved in writing by the fire chief or his agent. This section applies to all new and existing structures and buildings.
 - H.4. Each dwelling unit within buildings for use by two or more families, or in buildings having multiple uses, shall have installed in a manner and location approved by the fire chief or his agent a minimum of one (1) approved smoke detector.
2. That the Town's Building Regulations be further amended by adding in Article 5, Section A.3 the words "and chimneys" after the words "heating system," and by adding the words "or his agent" after the words "fire chief"; so that Section A.3 shall read: "inspection and approval of the heating system and chimneys by the fire chief or his agent."

3. That the Town's Building Regulations be further amended by adding in Article 4 Building Permits, Section A.3 the words "and a copy of the sketch or plan accompanied by heating equipment specifications to be forwarded to the fire chief by the Building Inspector.;" so that Article 4, Section A.3 shall read: "Application for Building Permits must be accompanied by a sketch or plan of the proposed building or alteration to be retained by the Building Inspector, and a copy of the sketch or plan accompanied by heating equipment specifications to be forwarded to the fire chief by the Building Inspector."

Note: The above amendments were prepared at the suggestion of the Fire Department.

SALISBURY PLANNING BOARD

PROPOSED AMENDMENTS TO THE TOWN'S ZONING ORDINANCE, 1981

That the Town's Zoning Ordinance be amended by adding to Article II—DISTRICTS the following description of the several districts, as they appear on the Town Zoning Map adopted in 1974, so that the Article shall read as follows:

ARTICLE II—DISTRICTS

For the purpose of this Ordinance, the Town of Salisbury is divided into the following districts as shown on the official zoning map to be filed with the Town Clerk upon the adoption of this Ordinance: Residential District, Commercial District, and Agricultural District.

A. Residential District. The areas so indicated on the official zoning map to a depth of 300 feet from the center line of the state or town roads on which they abut, as follows:

U. S. 4 – North from Route 127 to a point 1500 feet northwest of the junction with Whittemore Road, and from a point 1200 feet south of the junction with Center Road northward to a point 1000 feet north of the junction with Old College Road, both sides.

Route 127 — From the Salisbury-Webster Town Line to the junction of the Mutton Road-U. S. 4 intersection, both sides; from the junction with U. S. 4 to a point 300 feet East of the junction with Old Turnpike Road, north side only; and from that point to the Salisbury-Franklin Line, both sides — except for an area on the southeast side included in the State experimental forest.

Water Street — From the Salisbury-Boscawen Town Line to U. S. 4, both sides.

Mutton Road — From the Salisbury-Boscawen Town Line to its junction with Route 127 and U. S. 4, both sides.

Warner Road — From Route 127 westward to the edge of the Blackwater River flood control area, both sides.

Whittemore Road — both sides.

Center Road — East from U. S. 4 to a point about 1800 feet east of the junction with Whittemore Road, both sides; and west from Hensmith Road to its point of discontinuance, both sides.

Hensmith Road — both sides.

Oak Hill Road — from U. S. 4 to a point opposite the northwest corner of Oak Hill Cemetery, both sides.

West Salisbury Road — both sides.

West Salisbury Road Extension — both sides.

Bay Road — From the Salisbury-Andover Town Line to West Salisbury Road Extension, both sides.

Sanborn's Clearing — Subdivision on both sides of Raccoon Hill Road, all lots.

B. Commercial District. The areas so indicated on the official zoning map to a depth of 300 feet from the center line of the state or town roads on which they abut, except that such depth shall not intrude on a residential zone, as follows:

U. S. 4 — From the Salisbury-Boscawen Town Line to the junction with Route 127, both sides; and from a point 1500 feet northwest of the junction with Whittemore Road northerly to a point 1200 feet south of the junction with Center Road, both sides.

Old Turnpike Road — From U. S. 4 to its junction with Route 127, both sides.

Route 127 — From U. S. 4 eastward to a point 300 feet east of the junction with Old Turnpike Road, south side only.

Water Street — From U. S. 4 to Old Turnpike Road, both sides.

C. Agricultural District. All areas of the town not included in a residential or commercial district, as described above, or as may be added to or subtracted from those districts at a later date.

To the Board of Selectmen
 Town of Salisbury, New Hampshire

We have examined the financial statements of the various funds and groups of accounts of the Town of Salisbury, New Hampshire for the year ended December 31, 1980 as listed in the foregoing table of contents. Except as explained in the following paragraph, our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As is the practice with many municipalities, the Town does not maintain a record of the historical cost of its general fixed assets. Accordingly, a Statement of General Fixed Assets has not been provided as required by generally accepted accounting principles.

In our opinion, the financial statements of the various funds and groups of accounts of the Town of Salisbury, New Hampshire, as listed in the aforementioned table of contents present fairly the financial position of such funds and groups of accounts of the Town of Salisbury, New Hampshire at December 31, 1980, and the results of its operations and changes in its fund balances for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with the preceding year.

Notes to Financial Statements General Fund

Note 1. Significant Accounting Policies

Basis of presentation:

General government revenues and expenditures accounted for in the General Fund are controlled by a budgetary accounting system in accordance with various legal requirements which govern the Town's appropriations.

Property taxes, resident taxes, federal and state funds are accounted for and reported on the accrual basis. Property taxes are assessed and levied as of April 1 and are payable the following December 1. Motor vehicle fees and other General Fund revenues are recorded on a cash basis.

Expenditures are accounted for and reported on the cash basis. Materials, supplies and capital equipment are expensed when purchased.

Note 2. Fixed Assets

The cost of general fixed assets are recorded as expenditures. The Town does not record the cost of general fixed assets in a General Fixed Assets Group of Accounts.

SELECTMEN'S REPORT

1980 was a busy and eventful year for our Town. It coincided with a worldwide period of high unemployment, high inflation, and record breaking interest rates. These factors combined with the ever increasing cost of energy and one of the coldest winters on record have added considerably to the day to day operations of running your town. While the town remains on a sound financial basis, the money had to be borrowed in anticipation of taxes for the first time in many years.

Peter Chamberlin, the joint Administrative Assistant between Salisbury and Andover was hired in November. Peter was selected after reviewing some 67 different applications for the position. His duties include not only the administrative operations of both towns, but working with the different boards, committees, and departments as well as serving the general public. We believe Peter is doing an outstanding job and hope you all get a chance to meet him.

The State of New Hampshire Department of Revenue Administration completed the re-evaluation of the town. All property is now assessed at 100% evaluation which should eliminate some of the inequalities that have developed since the last time it was done.

The town accepted delivery of a new fire truck this summer. It was specifically designed for use over low load limit bridges and the long narrow driveways that are in town. We also acquired a new police cruiser that increases the effectiveness and efficiency of our police department.

Thanks to many volunteers, the ball park is complete for the most part and should be ready for the 1981 season. A program to improve the condition of our cemeteries was updated and we should see continued progress in this area. The road to the landfill was raised to reduce flooding in the spring.

1980 brought a new town clerk and tax collector, Karen King. We all miss Agnes Shaw, who did such a tremendous job, but we are fortunate to have such a dedicated and interested replacement.

Since volunteers are the backbone of any small town, we would like to give credit and appreciation to those individuals who have given their time and energy to our town. We would like to thank Hannah Irving, our secretary; Norma Lovejoy, treasurer; John Kepper, for his effort on the tax map and Ed Bailey, moderator, for their assistance in making our job much easier.

Respectfully submitted,

William Fletcher

Albert Britton
Selectmen of Salisbury

FIRE AND RESCUE REPORT

The year 1980 kept our Fire and Rescue Department extremely busy. The Fire Department answered more calls than previously recorded in any other year. A total of 52; a breakdown of these is listed below.

Structures	5	Smoke Investigations	4
Chimneys	7	Lost Child	1
Brush	4	Miscellaneous	3
Mutual Aid	15	Gas Washdown	1
Accidents	5	Mutual Aid Drills	4
False Alarms	3		

The Rescue also was very busy in 1980, with a total of 32 calls for a large variety of mishaps. These are in addition to the Rescue response on most of our Fire calls. Recently there has been a new heater put in the back of the Rescue vehicle to make it more comfortable for the ones in the back.

The Fire Department greatly appreciated the vote of the Townspeople at last town meeting allowing us to buy our new much-needed pumper truck which we received nearly fully equipped in the middle of August. The truck was received around 5:30 P.M. and was taken to Habers Pond immediately to test for its capabilities and also get the members trained on its operation. We are very pleased with its function and have had very few problems with it. By 9:00 P.M. the truck was fully ready to go as our #1 attack piece on the fire scene.

The men have put in many hours of training with the new truck and also our other pumper allowing us a much better operation in fighting fires. Again this past year, most members took Fire Training courses at different Fire schools.

Both Fire and Rescue are still looking for new members. We meet the first and second Sundays of the month at 7:00 P.M. at the fire station. We have a meeting and drill the first Sunday and do drills and have work details the following week. Stop in and look over your equipment.

The Department has seen a tremendous change for the good of the Department and also the townspeople since we joined the Capital Area Mutual Aid Compact and its dispatching services. The officers of the department now get a chance to go to the fire scene and prepare their many moves necessary for setting up equipment for the attack. This is made possible with the twelve paging units bought by the Department this past year. The men wear these units at all times; also the officers have radios for contact with the incoming apparatus. We hope to increase the good response by getting six more paging units this year so most regular members will have them.

We would like to thank the Ladies Auxiliary who put in many hours of helping the Department during fires and special fire-related meetings serving refreshments.

We also appreciate the help and efforts of Police Chief John Lovejoy on our Fire and Rescue calls; on many occasions John has had to double as a policeman and fireman.

A special thanks to Dot Bartlett for all the days, nights, and years she sat by her radio and helped us during calls — no matter what the hour was.

The Fire Department would sincerely like to see all families in town install Fire and Smoke Detectors in their homes. Many lives have been saved with these as well as cutting down on the structural damage to their property.

Respectfully submitted,

Robert L. Dukette, Sr., Fire Chief

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

POLICE DEPARTMENT REPORT

During 1980, your Police Department's officers averaged over 100 hours per month in service to you including attending courses for certification as part-time police officers.

The Department handled 444 calls including 38 investigations, comprised of 11 motor vehicle accidents, 10 burglaries, 4 larcenies, 6 vandalisms, and various other offenses.

Your new cruiser was put in service in early May, has now logged over 5000 miles and has shown an operating cost saving of approximately \$500. for the first 8 months of service.

In June we welcomed a new officer to the department, George Underhill, who has shown great promise in being capable of serving the town well in the future.

I personally wish to express my gratitude to the townspeople for the votes of support given during 1980, and pledge to operate this Department to best serve you in the upcoming year.

Respectfully submitted,

John C. Lovejoy, Chief

RECREATION DEPARTMENT

A Recreation Committee for the Town of Salisbury has been formed. It consists of six members: Norma Lovejoy, Sam Young, Joan Young, David Angeli, Jody Heath and Director Bob Kinne. The Committee's purpose is to establish more recreational and social functions for the townspeople.

In October the Committee joined with the youth of the town to put on a supper and talent show for our senior citizens. It was a big success and we are looking forward to making this a yearly project. We would like to thank the Boy Scouts, Girl Scouts, Cub Scouts, Brownies and Junior Grange for their participation.

At this time we would like to thank Sam Young who took charge of renovating the baseball field. He spent many hours working and getting volunteer help. He would like to thank Don Nixon and Bill MacDuffie who spent a lot of their weekends at the baseball field with their equipment. Time and equipment were also given by Ray Prince, David Hodges and Bernard Shaw. Thank you to all of you who gave up your weekends to go to the field and swing a shovel. The field was dug up and 1500 feet of drainage pipe was put in. It then was graded and leveled, fertilized and seeded. Bleachers and dugouts will be put in at a later date. It is our hope that a small picnic area with horseshoe pits on the outside of the field and possibly a skating rink in the parking lot will help utilize the area.

Any suggestions or new ideas would be appreciated.

Respectfully submitted,

Joan L. Young, Secretary

SALISBURY PLANNING BOARD

I wish to thank the members of the Planning Board for their active participation in the many-faceted considerations before the Board this year. Appreciation is also extended to the alternate members, Samuel McCain, Kenneth Viard, and Robert Irving, for their interest in the planning process. One or more have been in attendance at most meetings, even when not sitting in for a regular member.

The Board has given final approval to three subdivision applications, creating eight new building lots. One application is in process, covering one new building lot.

In other matters, hearings were held and a final text prepared for zoning ordinance and building regulations amendments presented to the 1980 Annual Meeting. These amendments pertained to access to town roads through driveways or newly created roads, and further clarifies certain uses of recreational vehicles.

Major revisions were made to the Subdivision Regulations to meet recent changes in State laws or changes suggested by court decisions. The Board also voted an increase in the fee structure, which puts the burden for paying all costs relative to creating a subdivision on the developer.

As the year drew to a close, the Board prepared for presentations at a public hearing a set of regulations governing site plan review, upon final approval, the Board will have authority to review development plans for non-residential uses and for residential buildings housing more than two dwelling units.

The Board also prepared for public hearings and later action at the 1981 Town Meeting a zoning amendment describing the areas of the Town zoned for residential, commercial, and for agricultural uses as shown on the approved zoning map of February 24, 1974. Assistance has been given to the Fire Department and the Selectmen in preparing proposed amendments to the building regulations strengthening the departments involvement in fire prevention through inspection of chimneys and heating systems.

The development of data for a long term capital improvement plan which will provide an insight to capital expenditures for the Town over the next five to ten years is progressing, following the suggestions of such a plan by the Board to the Selectmen.

The Board also is planning to establish in the Town Library, a Planning Resource section so that special publications in this field may become readily available to Board members and other town Boards and committees.

Finally, a greater interest on the part of the townspeople in actions by the Board would be appreciated.

SALISBURY CONSERVATION COMMISSION

During 1980, the Conservation Commission has followed the development of the Town of Salisbury's court case against New England Power Company for that company's alleged violation of a town ordinance preventing spraying of herbicides on property without the written consent of the owner. In the fall, the town's counsel, Roger Burlingame, submitted an Agreed Statement of Facts and a Petition for Interlocutory Transfer without Ruling to the Superior Court. The Superior Court judge then read these documents and agreed that the case could go directly to the State Supreme Court for an ultimate ruling. According to Mr. Burlingame, the Supreme Court will hear the case in April.

In late Spring, the Conservation Commission invited County Forester, John Conde, to walk the five acres on Raccoon Hill donated to the town by Donald Martin. In Mr. Conde's opinion the property is forested with mostly poor quality hardwood. It would not be suitable for a forestry management project or woodlot management project such as the Commission had planned. Therefore, Commission members decided to leave the area as "open space."

Salisbury's 1980 Youth Conservation Camper was Diana Hodgkins. She attended the annual camp in June at Interlocken in Hillsborough. Every year we reserve space at the camp. Any interested teenager may contact the Commission for information.

Our fourth annual vegetable table at the Antique Fair and Old Home Day was well-received. Thank you to all Salisbury's gardeners who contributed vegetables and to those who helped sell them.

Respectfully submitted,

Salisbury Conservation Commission

SALISBURY FREE LIBRARY

Looking over the records for 1980, the Library Trustees found that inflation made a difference in stretching the Library's budget dollars. Although the 1980 Budget included an increased appropriation for the purchase of books, the Trustees purchased only 159 books, 89 adult and 70 youth. This is a decrease of 35 books over 1979. The Library received donations of 59 used books to enhance its collection—a help in inflationary times. Records also show that 2521 books were borrowed by 110 adult and 107 youth patrons. The total of 217 reflects an increase over 1979 figures.

The Library and elementary school continued their joint program of monthly visits by the school children. This program, begun in 1978, has helped increase library usage—both by children and their parents.

The summer story hour also continued this year, meeting once a week for six weeks. The average weekly attendance dropped, however. Perhaps this decrease reflects a need for two story hours; one for younger and one for older children.

The Trustees wish to thank all those who helped throughout the year: story hour readers, the elementary school teachers, book donors and friends. Also, we issue a special thank you to our hard-working Librarian, Mildred Stahl, and to her assistants, Joy Chamberlin and Sue Brundrett.

Respectfully submitted,

MINUTES OF TOWN MEETING
SALISBURY, N. H.
MARCH 11, 1980

Meeting called to order at 1:00 P.M., Moderator Dana Parks presiding. Polls declared open for official voting. Business meeting called to order at 7:30 P.M. The invocation was offered by John Herbert. Appreciation was expressed by the Moderator on behalf of the town officials for the supper served by the Bartlett Grange. Moved, seconded, and voted in affirmative polls to remain open during the meeting. Consideration of Warrant articles ensued.

Art. 1 — Ballot article. Election of Town Officers. (Results of ballot voting on all ballot articles given at end of this report.)

Art. 2 & 3 — Moved, seconded to delay consideration of these articles pertaining to monies raised and acceptance of proposed budget pending decisions on other articles affecting same.

Art. 4 — Re: Reports of officers of town, agents, auditors and committees heretofore chosen or appointed. Moved, seconded, and voted in affirmative to accept reports as printed in the Town Report.

Art. 5 — Re: Authorizing Selectmen and Treasurer to borrow money on notes of the Town in anticipation of taxes. Moved, seconded, and voted in affirmative to accept article as read.

Art. 6 — Re: Vote to use \$3,500.00 of the Capital Reserve Fund interest for maintenance of roads in the Flood Control Basin. Moved, seconded, and voted in affirmative to accept article as read.

Art. 7 — Authorizing Town to withdraw from Revenue Sharing Fund (State and Local Assistance Act of 1972) for use as "set-offs" against budget appropriations and further to authorize the Selectmen to make prorata reductions if estimated entitlements reduced. Estimated amounts: Health, \$1,000; Library, \$1,000; Fire Dept., \$2,000; Police Dept., \$2,000; Financial Administration, \$1,000. Moved, seconded, and voted in affirmative to accept article as read.

Art. 8 — Re: Authorizing Selectmen to accept gifts and contributions on behalf of Town. Moved, seconded, and voted in affirmative to accept article as read.

Art. 9 — Re: Authorizing Selectmen to apply for, accept and expend on behalf of the Town any and all advances, grants or other funds now or forthcoming from U.S.A., State of N.H., of any Federal or State agency. Moved, seconded, and voted in affirmative to accept article as read.

Art. 10 — To see if the Town will vote to authorize the Selectmen to withdraw the Capital Reserve Fund of \$16,000.00 plus interest to reassess the Town of Salisbury, (Estimate in Fund \$18,000.00), and to further authorize the Selectmen to use any surplus in this fund as an offset for Town Officers' expenses. Moved, seconded to accept article. Selectmen answered question regarding approximate cost of reassessment and stated cost could deplete fund. Vote to accept article. Affirmative.

Art. 11 — Re: Transfer of \$3,000.00 from unencumbered surplus to the Emergency Services Center Capital Reserve Fund. Moved, seconded and voted in affirmative to accept article as read.

Art. 12 — Re: Raising and appropriating sum of \$3,000.00 to hire a part time Town Administrator and to make all necessary arrangements for such a position for and in behalf of the Town of Salisbury. (Included in budget.) Moved, seconded to accept article. Moved to amend article by inserting—and "the Selectmen to make all necessary arrangements," etc. Move to amend seconded and voted in affirmative to amend article as proposed. After lengthy discussion "Move the Question" accepted. Moved, seconded and voted in affirmative to accept article as amended.

Art. 13 — Re: To raise and appropriate sum of \$3,000.00 for use of a computer for programming and issuing of tax bills and other possible uses. (Included in budget.) Moved, seconded to accept

article. During discussion Selectmen indicated a revised cost estimate in amount of \$1,600.00 Move to amend article “to raise and appropriate the sum of \$1,600.00,” etc. Move to amend seconded and voted in affirmative. Moved, seconded and voted in affirmative to accept article as amended.

Art. 14 — Re: Raising and appropriating sum of \$2,000.00 to reimburse firemen for loss of employment pay when assisting officials in investigation of fires. (Included in budget.) Moved, seconded and voted in affirmative to accept article as read.

Art. 15 — Re: Raising and appropriating sum of \$7,200.00 for purchase of Police Cruiser for Police Dept., town to be re-imbursed one half of said amount from Federal Funds approved by the N. H. Highway Safety Agency. Moved, seconded to accept article. After lengthy discussion “Move the Question” requested and accepted. Vote — Affirmative, and so ruled by Moderator.

Art. 16 — Re: Raising and appropriating sum of \$50,000.00 for purpose of a fire engine and equipment, and authorizing the Selectmen to borrow on behalf of the Town \$40,000.00 for eight years in serial notes or bonds to be paid in equal principal payments of \$5,000.00 each year plus interest. (Included in budget.) Moved, seconded to accept article. Due to 2/3 majority vote needed, ballot vote ruled by Moderator. Result of vote — Yes 106; No 33. Article accepted and so declared.

Art. 17 — Re: Transfer of \$1,500.00 from unencumbered surplus to Town Hall and Parking Lot Capital Reserve Fund, (Included in budget.) Moved, seconded and voted in affirmative to accept article as read.

Art. 18 — Re: Raising and appropriating sum of \$3,000.00 to be put in Fire Equipment Capital Reserve Fund. (Included in budget.) Moved, seconded and voted in affirmative to accept article as read.

Art. 19 — Re: Adopting provisions of R.S.A. 154:30, commonly known as Mutual Aid Law—for Town to become member of the Capital Area Mutual Aid Fire Compact and providing dispatch service for the Salisbury Fire Dept. After a lengthy discussion, “Move the Question” requested and acceptance accorded. Moved, seconded and voted in affirmative to accept article.

Art. 20 — Moved, seconded and voted in affirmative to “table” said article.

Art. 21 & 22 — Ballot articles—requiring no further discussion. Deferred articles now considered.

Art. 3 — To accept budget as proposed by Budget Committee. Moved, seconded to accept article. Moved, seconded to amend Art. 3 by addition of “subject to additions and deletions as voted at this meeting.” Move to amend wording voted in affirmative. Motion made to decrease proposed budget by sum of \$10,000.00 questioning the legality of using 1980 appropriations for payment in advance of Salisbury’s sanitary landfill operation run by private enterprise; said procedure contrary to State Revenue Administration regulations. Selectmen, Budget Committee members, and Town Counsel cited legal approval of procedure. Town Counsel will seek clarification of issue. “Move the Question” accepted. Vote on Article 3 as amended—Affirmative. (Proposed budget—\$242,119.44. Approved budget—\$240,719.44.)

Art. 2 — Moved, seconded and voted in affirmative to raise such sums of money as may be necessary to defray town charges for year ensuing and to make appropriations of same.

Art. 23 — Any other business. Retiring Clerk and Collector accorded a rising vote of thanks and a gift from the Town Officers and townspeople. Rising vote of thanks accorded two retiring Selectmen. Moved, seconded and voted in affirmative polls be closed. Moved, seconded and voted in affirmative meeting be adjourned. (10:20 P.M.)

TOWN OF SALISBURY
1980 REAL ESTATE ASSESSMENTS

This booklet contains the names of the owners of real estate in the Town of Salisbury as of April 1, 1980.

The assessed valuations for this year were based by the Selectmen on appraisals made by appraisers employed by the Department of Revenue Administration. The 1980 assessment figure represents the appraised full value (sound value) of the property, the purpose being to equalize all individual assessments on this basis. Property record cards containing a description of each piece of property including the basis of the appraisal are on file at the office of the selectmen. These cards may be examined by any interested party.

If any property owner believes the assessment on his property this year is in excess of its full market value he may appeal to the Selectmen, in writing, for abatement within four months of the notice of his tax bill. Forms for this purpose may be obtained from the Board of Selectmen. Upon refusal of the Selectmen to make such abatement he may, within six months of the receipt of his tax bill, upon payment of a \$15.00 application fee, appeal to the Board of Taxation, State of New Hampshire, Concord New Hampshire or in lieu of appealing to the Board of Taxation he may appeal by petition to the Superior Court of Merrimack County. An election by an applicant to appeal to the State Board of Taxation shall be deemed a waiver of any right to petition the Superior Court. In the case where an appeal is made to the State Board of Taxation, a review appraiser will be assigned to investigate the appeal or members of the Board of Taxation will review the property themselves.

For purposes of economy and efficiency the Board of Taxation will allow appeals made to it to accumulate until the six month period for filing has expired so that all properties may be examined at the same time. Examination will be made as soon thereafter as other commitments will permit.

It is called to your attention that interest at 9% per annum will be charged on all property taxes not paid by the due date specified on the tax bill and the filing of a request for review of assessment will not waive this penalty.
