SELECTMEN'S REPORT

As has been the custom during the last few years we herewith submit our Annual Report which we have tried to make as brief as possible.

During the year the following projects, approved by the 1960 Town Meeting, have been carried out to completion:

The water hole at Stoddard Center, damaged by the mud and silt which washed into it during the heavy rain in October 1959, has been cleaned out and restored to its original capacity, and a better arrangement made to receive the suction hose to the fire truck.

Alterations to the Fire Station, providing a Meeting Room for the members of the Department, have been completed.

A new road grader, replacing the old one, has been added to the equipment of the Highway Department. With it our roads are being easier and better maintained.

The heavy snow storms of December kept both the State and our own Highway crews busy for long hours cleaning the roads. As a result there were no public roads in the Town that were closed to traffic for any length of time.

Your Selectmen are considering the purchase, with the co-operation of the State Forestry Department, of a new fire truck to replace the old Dodge truck that has given such good service but is now beyond economical repair. The new truck would be used, primarily, for fighting forest fires.

The Stoddard-Marlow and Stoddard-Sullivan town lines were perambulated during the year and the bounds marked with aluminum stakes as has been the practice in marking our other town lines. These stakes can be easily located, do not rot as the old wooden stakes did and are not expensive.

We are again including in the Budget an item covering a moderate appropriation for Civil Defense. In the past we have found that the opportunity to purchase useful surplus government equipment through Civil Defense has resulted in great saving in cost:

The Developments in Stoddard continue to provide new camps and cottages as well as additional tax revenue and business for the Town. In the not too far-off future we will be faced with requests for the laying-out and maintenance of new Town roads providing access to these areas. These requests will have to be given serious consideration. At the present time we have one such request for a new road and one request for a change in location of a portion of an existing Town road. Public Hearings of these petitions are planned for early Spring.

We again strongly recommend that the printing of the Inventory of Polls and Ratable Property - the Tax List - in each year's Town Report be dispensed with, by vote of the Town, and that such Inventory be printed every five years.

Word has just been received that our 1959 Town Report won second place in Class 1 in the State Municipal Reports contest for 1960.

Management of the Town's business is made much easier by the cooperation received by our citizens and Summer residents. We appreciate and extend our thanks for the cooperation that has been given us.

REPORT OF TRUSTEES OF PUBLIC LIBRARY

The Trustees are grateful to those who have made donations of books to the Library during the year, and to the Stoddard Women's Fellowship for their gift of eight new books selected from the list of Adventures in Reading.

With these new books on the shelves, together with about fifty others borrowed from the Bookmobile every two months, there should be plenty of good reading available for those who are interested.

REPORT OF TRUSTEES OF TRUST FUNDS

The usual Spring and Summer maintenance of the Cemeteries and the setting out of Memorial Day flowers, was accomplished as usual. The cutting and surfacing of paths and drive in the New Cemetery addition was not started because the necessary labor was not available. We plan and hope to be able to contract for this much needed work during 1961.

The brush and small trees which have made the cleaning and proper maintenance of the Old Cemetery impossible for a long time was given two chemical sprayings during the year and will be given another spraying in 1961, followed by the cutting and clearing to remove it.

The following is a summary of expenditures during the year:

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and the Citizens of Stoddard:

It is a pleasure to present my seventh annual report for your consideration.

Enrollment at the Central School as of October 1, 1960 is as follows:

Grade I	3	Grade V	3
Grade II	3	Grade VI	3
Grade III	3	Grade VII	4
Grade IV	4	Grade VIII	3

Total 26

This is a decrease of two pupils when compared with the 1959 enrollment. Our census figures indicate a further decrease for 1961.

Tuition pupils this year are:

<i>Keene:</i>	Anna May Hoyt	Grade 11
	Raymond Blaisdell	Grade 10
<i>Peterboro:</i>	Charles Eaton	Grade 9
	Keith McMahan	Grade 11
	Lee Edwards	Grade 12
<i>Hillsboro-Deering:</i>	Susan Mansell	Grade 11

A recent communication from the Keene School District indicated that they would be unable to "guarantee future tuition arrangements, due to the demands of future resident enrollments."

However, in the light of the Cooperative movement in the communities surrounding the Keene School District and the small number of pupils requesting admission to the Keene Schools from Stoddard, I do not believe that any pupil from Stoddard seeking admission to the Keene school will be denied.

You have probably read with some concern a proposal made by the Chairman of the State Board of Education, relative to the reduction of school districts in New Hampshire. Consistent with my thinking, relative to Cooperative School Districts, the proposal has merit. However, there are a great many problems to be worked out prior to the implementation of such a program, and New Hampshire will "make haste slowly" in its adoption.

That the seed has been planted is evident, and that there will be progress towards its adoption in one form or another, is entirely conceivable. Therefore, it behooves those small communities, such as Stoddard, to give some serious thought to some form of re-organization in order that they will be in a position to guide their

own destiny when the time comes.

It was extremely gratifying to the Board and me to receive a gift of fifty dollars from Florence L. Ward to be used for the benefit of the school. The Board decided to use this fund to purchase books for the school library, and it certainly was a pleasure for Mrs. McMahan to prepare the list.

Again, I want to express my appreciation to the School Board, teacher, pupils and citizens for making my work in Stoddard extremely pleasant.

Respectfully submitted,
NORMAN R. HARTFIEL
Superintendent of Schools

ANNUAL REPORT OF SCHOOL NURSE

I wish to thank the Superintendent of Schools, teachers, parents and School Board for their cooperation in the school program.

Respectfully submitted,
MARTHA PARKER, R.N.
