AUDITORS' OPINION

We have examined the financial statements of the various funds of the Town of Webster, New Hampshire for the year ended December 31, 1979, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records as we considered necessary in the circumstances.

As is the practice with most New Hampshire communities, the Town of Webster has not maintained a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

In our opinion, the financial statements listed in the aforementioned table of contents present fairly the financial position of the various funds of the Town of Webster, New Hampshire at December 31, 1979, and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles applied on a consistent basis.

The supplemental schedules included in this report, although not considered necessary for a fair presentation of the financial position and results of operations of such funds, are presented primarily for supplemental analysis purposes. This additional information has been subjected to the audit procedures applied in the aforementioned examination of the basic financial statements and is, in our opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

COMMENTS AND RECOMMENDATIONS

Unexpended Antirecession Fiscal Assistance Funds - \$126

The federal government requires that antirecession fiscal assistance funds be used (appropriated, obligated or disbursed) within six months of their receipt. Inasmuch as these funds were received in January 1977, we recommend the respective federal agency be contacted relative to the disposition of the funds on hand at December 31, 1979.

Very truly yours,

*Kellon, Proffitt & Sanderson*

## TOWN OF WEBSTER

NOTES TO THE FINANCIAL STATEMENTSNote 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies employed in the preparation of these financial statements.

A. Basis of Presentation

The accounts of the Town are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, equities, revenues, and expenditures or expenses. The various funds are grouped by type in the financial statements. The following fund types are used by the Town:

GOVERNMENTAL FUNDS

General Fund - The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action.

FIDUCIARY FUNDS

Trust and Agency Funds - Trust and Agency Funds are used to account for the assets held in trust or as an agent by the Town for others.

B. Basis of Accounting

The financial statements are presented on the accrual method of accounting.

C. Budgetary Accounting and Encumbrances

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the Town's operations.

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures; therefore, the reserve for encumbrances is reported

TOWN OF WEBSTER  
-----NOTES TO THE FINANCIAL STATEMENTS

as part of the fund balance, although the transaction is accounted for as a reduction of budgeted appropriation in the year the commitment is made.

D. Investments

Investments in all instances are stated at cost, or in the case of donated investments, at market value at the time of bequest or receipt.

E. Inventories

Inventory in the general fund consists of expendable supplies held for consumption. The cost thereof has been recorded as an expenditure at the time individual inventory items were purchased.

Note 2 - SANITARY LANDFILL AGREEMENT

The sanitary landfill agreement with the Town of Hopkinton provides that the Town of Webster will pay 20% of the yearly expenses of the landfill operation to the Town of Hopkinton. In addition, the Town receives 20% reimbursement from the Town of Warner. Net expense to the Town in 1979, after the above reimbursement from the Town of Warner, was \$5,200.

REPORT OF HIGHWAY DEPARTMENT

The TRA work continued on the Warner Road from the junction of Lake Shore Road for approximately 1300 feet. The sharp corner near Bouchards and Crooks was widened and cut back to increase visibility. We hope to finish work on this road in 1980.

Duncan Fund money was spent on a portion of Little Hill Road. About 1000 feet of road work was done this year and we expect to do some more next year.

The portion of the Warner Road and Little Hill Road mentioned above were sealed. Dustin Road, Roby Road (from Dodge's to the Warner line), and Clothespin Bridge Road to Pope's Hill were also sealed. We plan to seal a portion of Pleasant Street, and Concord Drive, Franklin Pierce Drive and New Hampshire Drive in the Pillsbury Lake area. If time and money permits, we will seal other roads as needed.

Bushes and roadsides will be cut this year. In the past we have had problems getting a tractor and mower for this work. We rented from the same company as the State and had to wait until machinery was available, which often was late in the Fall. I now have a mower and tractor of my own which will be available for this purpose.

Due to the unusual winter we have had, our department had an unexpended balance of appropriations of \$5,564.00 in 1979. We are still requesting a maintenance budget of \$45,000.00 this year as prices continue to increase. It is expected the price of tar will increase 40% or more.

Last year we received \$3,940.00 Maintenance Allotment (Duncan Fund) from the State. This year we will receive nothing under this allotment. This constitutes a substantial loss of money for road work.

We ask that the citizens of Webster notify the Road Agent of any problems, such as plugged culverts, potential washouts, potholes, or other matters that should be brought to my attention.

Respectfully submitted,

/s/ Robert Mock  
ROAD AGENT

REPORT OF BUILDING INSPECTOR

The quota of building permits were sixteen for the year 1979, twenty per cent less than the preceding year. Of the sixteen quota, fourteen permits were issued. Ten new homes were built, with four permits being declared void due to not starting within the time limit required by the Town of Webster. One mobile home permit was also issued.

Respectfully submitted,

/s/ Samuel J. Wilson  
BUILDING INSPECTOR

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

REPORT OF THE FIRE DEPARTMENT

Following the resignation of Chief Robert T. Lake in October of 1979, I was appointed by the Selectmen to serve as Chief of the Webster Fire Department. We were all sorry to lose Bob, as he had done an outstanding job as Chief, and we are glad that he remains an active member of the Department.

The officers for 1980 are as follows: Deputy Chief, Bill Welcome; Captain, Mike Jenovese; Lt. Dan Creighton; 2nd Lt. Bob Lake; 2nd Lt. Dennis Jakubowski. We have a total of 24 active members, including 4 women. We will welcome new members; anyone interested please contact me for more information.

Training during the past year has included a CPR Course (open to the public), Cold Weather Fire School in Hanover, Liquid Petroleum Gas Fire School in Concord, a 48 hour Hazardous Materials course in Concord, and the beginning of a State of N. H. Firefighter Certification Course, which will consist of 96 hours of training and will lead to State Fire Fighter certification; this will be completed in 1980.

Our Medical Squad can operate more efficiently since we have completed the rebuilding of Engine 1, which now serves as a combination medical and fire suppression vehicle. The Medical Squad members have received extensive training, with 4 members having completed a 114 hour course; they are now nationally registered as Emergency Medical Technicians - Ambulance. We have many licensed ambulance attendants and we are a State-Licensed Medical Squad.

The firemen's fund-raising continued this year, with a Lobster-Clambake, a "Dunk the Dope" Booth at Hopkinton Fair, and several raffles. We raised almost \$4000, more than half of which was used in the rebuilding of Engine 1. Money from our projects was spent in many other ways: tools for the fire station (\$29.00), one-half the cost of heavy commercial licenses for 17 of our personnel, which were needed to enable them to operate Tank 1 (\$102.00); one-half the cost of the EMT Courses (\$220.00); other fire department training courses (\$236.00); pager and charger (\$266.11); fittings for Tanker 1 (\$24.00); fire department shirts (\$125.00); equipment for lobster-clambake (\$125.00).

In presenting this year's budget, we have tried to stay within guidelines without sacrificing the efficiency of the Department. We are requesting only equipment which we feel is necessary to maintain our present rate of continuous improvement. We are also requesting that \$10,000 be placed in the existing Future Fire Equipment Fund, so that within the next few years we can purchase a Pumper-Tanker to provide an efficient secondary vehicle.

Our present equipment consists of a 1973 Ford Pumper, a 1967 Ford Medical Unit and Mini-Pumper, a 1953 Dodge Military 3/4 ton Forestry Truck and a State-owned 1963 Military 2½ ton 10-wheeler Tanker.

We have been fortunate in not having had any major fires in town in 1979. However, we responded to 61 calls (an 8% increase over 1978): Medical Aid, 23; Mutual Aid, 12; Auto Accident, 3; Chimney Fire, 4; Mutual Aid Drills, 4; Structural, 1; Brush, 1; Wires Down, 3; Training Fires, 2; Garage Fire, 1; Kitchen Fire, 1; Water Problem, 1; Smoke in Cellar, 3; Unlocated Fire, 1; Illegal Fire, 1.

Our average response time has improved to 3.4 minutes. This is the period from the time of the initial notification to the dispatch center until the first truck responds from the station.

If you ever need any information regarding fire-related items or problems, please feel free to contact me or a member of the Department.

Our first month of 1980 has been a busy one; we have had 17 calls, mostly chimney fires. Our Department will continue to serve you promptly and efficiently in 1980 whenever necessary; however, it is our sincere hope that you will never need to call on us!

Respectfully submitted,

David W. Jones, Chief  
Webster Fire Department

#### REPORT OF WEBSTER FREE PUBLIC LIBRARY

We wish to thank Helen Chapin for her many years of service to the Webster Free Library. "Helen, may you have much luck and happiness in the coming years." Helen will continue to be a Friend of the Library and assist in any way possible.

Welcome to our new librarian, Janice Dawe. Come in and get acquainted with her.

Again we thank the Friends of the Library for their donation of Public Library Catalog, a great help to the librarian.

We have added 142 new books to our collection, and 70 books were lost or discarded. We have about 3900 books in our collection now.

Respectfully submitted,

To Joseph and Hazel Anthony - - much happiness in your new home in North Carolina. "We'll miss you, Joe."

REPORT OF THE POLICE DEPARTMENT

The officers of the Webster Police Department wish to extend "thanks" to the citizens of the Town for the alertness shown in observing and reporting anything unusual. We received several calls of this nature in the past six months. Your alertness has helped us do our job better. It was through a call from a citizen that we were able to help bring about the arrest of persons who were guilty of burglaries, not only in this town, but also in surrounding towns. Once again, many thanks from us all, and a bid for your continued assistance. - - - - - Remember, getting license numbers of suspicious vehicles is very important. Write it down along with a description (color, make, etc.) of the vehicle, time and location where seen, and report it to the Department.

This past year has shown an increase in breaks, stolen property and malicious damage. Our list of requests for property checks has sky-rocketed, and we are happy to perform this service for you. We have worked closely with all surrounding departments, the Sheriff's Department and the State Police to give you the best possible police protection. We are happy to report that together we have been able to apprehend many of the offenders and to recover much of the stolen property.

We are trying hard to give you full-time police coverage with the part-time police officers we have, and finally have what we feel is a pretty good working arrangement. There is, at present, always someone in town to answer your calls. We do have a problem in radio communications between our police officers, as we have only one portable radio. In order to give you efficient and rapid coverage, we need three more portables so each officer will have access to a two-way police radio. This is necessary so each can respond as back-up for each other and can communicate better among the department for your safety and welfare. We have applied for a Federal grant this year to help us purchase the needed radios, but with the cut-back for the State on Federal Assistance, we are not sure whether or not we will be granted any assistance on these badly needed items.

We have in town three "Explorer" Cadets from the "Explorer" Police Program in Concord. All three have attended St. Anselm's College for a special training session sponsored by the State of N. H. Police Standards and Training Council, and hold certificates as certified Police Cadets. We have been using them as traffic control assistants, extra help, etc. as they have shown a desire to participate on duties within their capabilities. We have also instituted a "Ride-Along" program as a sort of "pre-cadet" experience, whereby interested boys and girls of a certain age from town who think they might be interested in law enforcement may, on routine trips and at certain times during daylight hours, ride along with our officers to "see what it is all about". Anyone who has interested children should see the Webster Police Department for further information.

Since I became Chief in July of 1979, six months ago, the officers, including myself and my wife, have given the town 1518 hours on active duty. I finally got everything organized to my liking in October, and since then we have had someone "on call" 24 hours a day. The number of active hours of service above DO NOT include the "on call" hours put in by the officers.

The State of N. H. Police Standards and Training Council has passed a law this year that all part-time officers have to become certified, much the same as full-time officers. We are all taking classes now to fulfill the certification requirements.

Within the last six months, we have been requested to respond to a total of 6 calls in which shooting was involved. Most of the departments around us have what is called "flack jackets or vests" (bullet-proof) for use on such calls. Our department does not. We feel perhaps we should give a little thought to the possibility of purchasing a couple to be kept in the cruiser sometime in the not too distant future. These are quite costly, but if they saved one life, the cost would be well spent. We realize that this is a small town and that expenses are many. Therefore, some of the women in town have formed the "Ladies Police Auxiliary of Webster" to try to help us get some of the needed equipment such as this. Perhaps, if we all work together, we will be able to get the equipment needed.

This year the Merrimack County Dispatch System has raised the bill for their services from \$1,524.18 to \$2,043.54, an increase of \$519.36. We have no choice but to pay this as all of our burglar systems in town are tied in through the Merrimack County Dispatch System.

As the cost of living has risen this past year, so has the cost of running our department. Fuel prices alone have continually increased. The cruiser has to have gasoline to patrol and to answer calls. As crime increases, so does the need increase to keep the cruiser on the road. It is now 2 years old and has required a minimum of repair so far. Costs of tires, oil and everything else has risen. We have tried to keep our budget within reason and hope it will meet with your approval. Thanks again for your past support, and we are looking forward to your continued support.

Respectfully submitted,

/s/ Aime J. Roy

REPORT OF  
COMMUNITY ACTION PROGRAM  
BELKNAP-MERRIMACK COUNTIES, INC.

The Kearsarge Valley Community Action Program, located in the Old Graded School in Warner, serves eight towns in this part of Merrimack County: Bradford, Henniker, New London, Newbury, Sutton, Warner, Webster and Wilmot. Again this year Community Action has served your community by getting much needed services to the elderly and low-income families in each of the eight towns.

Services to the elderly include Meals-on-Wheels and the Senior Companion Program for shut-ins; Congregate Meal sites in Henniker, New London-Wilmot, and Warner; and the Rural Transportation bus that gets senior citizens into Concord. Our fuel assistance program last year reached 140 families in the eight towns and we expect to get this much needed help to more people during this year of soaring fuel prices. An Adult Education Grant was awarded to the center back in August and this January we began teaching some basic skills in the areas of parenting, family health, money management, and nutrition.

The money your town appropriates for Community Action goes to run the local center here in Warner. The budget of the Center goes for salaries, travel expenses, office supplies and cost of heat and upkeep of the Old Graded School. The federal government will provide most of the money for the 1980 budget. We have requested a total of \$10,800.00 of the \$32,000.00 to be provided by the eight towns. What we ask from each town is a percentage of the \$10,000.00 based on what percentage of the participants in our programs are from your town.

Our program is designed to encourage community participation and involvement. If you would like to know more about our program and/or how you can get involved, please let us know.

Respectfully submitted,

Perry Cayes  
Kearsarge Valley Area Director

| Selectman              | (3 years) | Robert Drown      |
| Road Agent             | (1 year)  | Robert Mock       |
| Town Clerk             | (1 year)  | Ruth Stebbins     |
| Treasurer              | (1 year)  | Marie Scribner    |
| Tax Collector          | (1 year)  | Madeleine Roberts |
| Trustee of Trust Funds | (3 years) | Barbara Mock      |
| Library Trustee        | (3 years) | Joseph Anthony    |

Total votes cast - 225 (220 plus 5 absentee)

It was voted that no smoking be allowed at this meeting, in reference to a law passed in 1977 by the N. H. Legislature. (66 - Yes - - - 14 - No)

Robert Austin, Selectman, called attention to the importance of all residents notifying banks where their savings accounts are held, that Webster is their residence, so that our town will receive its rightful share of the Savings Bank Tax.

It was voted to dispense with reading of the warrant.

The following announcements were read:

Daniel Webster Grange is co-sponsoring, with concerned citizens of the town, a discussion group on alcohol and drug abuse by children and its effect on local children, to be held April 18th at 7:00 P. M. at the Grange Hall.

Homer Hunt wished to announce that he intends to retire from coaching the Webster Little League team; he will be available to assist the new coach in getting organized. As Homer had served as Little League coach for 26 years, he was given a standing ovation for his dedication and service.

## Article 2. Voted to raise and appropriate the following:

- a. Town Officers' Salaries - \$8,400.
  - b. Town Officers' Expenses - \$11,000.
- A salary of \$4,000. is included in the budget for an Administrative Assistant - a new position to replace offices of secretary and bookkeeper (for Board of Selectmen). There is a need for someone to be in the office 2 or 3 days a week, to work and be available to answer telephone calls. Barbara Mock has been considered for this new position, having served most efficiently for the Board of Selectmen, as bookkeeper and secretary, and is qualified otherwise, as a former employee at the N. H. Department of Revenue Administration. \$500. more needed for rent of the Grange Hall, due to their increased costs.

## Article 2. (Continued)

- c. Election & Registration Expenses - \$500.
- d. Expenses Town Buildings - \$2,000.
- e. Reappraisal of Property - \$2,500.
- f. Police Department - \$10,000.

- d. Raised and appropriated \$500. in matching funds under the Rural Development Act of 1972 Title IV Rural Fire Protection Funds.
- e. Voted to give the Fire Department permission to put an addition on to the Fire Department's existing building at no expense to the Town - labor and materials to be supplied by the Fire Department. The roof will be raised and a room will be built overhead, the size of the first bay on the south side of the firehouse.
- f. Voted to keep the 1947 International Fire Truck as a parade piece (originally given to the Town by Clarence Hyde). It was voted to take further action regarding this truck under Article 26.
- g. Voted to pass over this item - regarding the use of equipment from the 1947 International Fire Truck on other trucks and the sale of the truck by sealed bids.

## Article 4. Voted to raise and appropriate the following:

- a. Planning & Zoning - \$150.
- b. Insurance - \$8,000.

## Article 6. Voted as follows:

- a. Raised and appropriated \$815. for Town Road Aid.
- b. Raised and appropriated \$45,000. for Town Maintenance.
- c. By a vote of 56 No to 36 Yes, it was voted not to raise \$350. for Street Lighting.
- d. Raised and appropriated \$3,000. for General Expenses of Highway Department.
- e. Raised and appropriated \$6,282. for Additional Highway Subsidy.
- f. Raised and appropriated \$3,940. for Class V Maintenance (Duncan Fund).

- Article 7. Voted to raise and appropriate \$1,600. for the support of the Town Library.
- Article 8. Voted to raise and appropriate the following:
- a. Town Poor - \$600.
  - b. Old Age Assistance - \$1,500.
- Article 9. Voted to raise and appropriate \$400. for expenses for Old Home Day.
- Article 10. Voted to raise and appropriate \$500. for the maintenance of the park and playground.
- Article 11. Voted to raise and appropriate \$3,000. for the care of the cemeteries.
- Article 12. Voted to raise and appropriate \$1,500. for Damages & Legal Expenses.
- Article 13. Voted to raise and appropriate \$636. for the continuation of services to the Town through the Kearsarge Valley Area Center of the Community Action Program, Belknap-Merrimack Counties, Inc.
- Article 14. Voted to raise and appropriate \$2,000. for interest on temporary loans.
- Article 15. Voted to appropriate \$6,500. for Highway Equipment and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund.
- Article 16. Voted to raise and appropriate \$10,500. for construction of an addition to the Selectmen's office to be used as a vault and records room.
- Article 17. Voted to appropriate the sum of \$2,366. for Future Building Capital Reserve Fund and to authorize the withdrawal of this sum for this purpose from the Revenue Sharing Fund.

- Article 19. Voted to withdraw and expend from Future Building Capital Reserve Fund, the amount of \$10,500. to be used as a budget setoff for the construction of an addition to the Selectmen's office for a vault and records room.
- Article 20. Voted to authorize and empower the Board of Selectmen to borrow for the Town, by issuance of notes, a sum not exceeding \$130,000. in anticipation of taxes for the year 1979, said notes payable from said taxes within one year of issuance, and to authorize the Board of Selectmen to determine the rate of interest on such notes and to provide for the sale thereof. (103 - Yes - - - 0 - No)
- Article 21. Voted to authorize the Tax Collector to accept prepayment of taxes.

- Article 22. Voted to allow the Town to accept and expend any Federal or State funds, or private gifts and donations.
- Article 23. Voted to discontinue the Mutton Road bridge.
- Article 24. (By Petition) Voted to pass over this article, relative to having a canine leash law.
- Article 25. (By Petition) 46 opposed to this Article - 21 in favor. As Article 25 was a lengthy article, it was voted to dispense with reading the article, pertaining to Control of Dogs (Village District of Pillsbury Lake) - - Everyone present had town reports to read the Section Analysis. So voted.

Prior to the vote, an appeal was made by Paul Grimstad, Water Commissioner at Pillsbury Lake and Elaine Burkholder, Clerk of the District, for dog control in their area, where residents have had many problems with dogs.

- Article 26. Voted to sell the 1947 International Fire Truck to the Society for Preservation of the Old Meeting House, for the sum of \$1.00 (one dollar), (The Society agreed to let the fire department use the truck in parades) allowing the fire department to take the pump and large spot-light on a temporary basis and return to the Society (replacing on the 1947 truck) when these items are no longer needed by the fire department. A replica of the old pump is to be obtained for present use on the 1947 truck. (52 - Yes - - - 31 - No)

The Society (Meeting House) agrees to provide a storage building for the truck.

Retiring Selectman, David Batchelder, was given a standing ovation in honor of his seven years served as a Planning Board Member and three years as Selectmen, serving both offices in a most commendable manner.

Voted to adjourn the meeting at 10:45 P. M.

Respectfully submitted,

/s/ Ruth A. Stebbins

Ruth A. Stebbins, Town Clerk

WARRANT FOR  
THE ANNUAL MEETING OF  
THE PILLSBURY LAKE DISTRICT

To the inhabitants of the Village District of Pillsbury Lake, Webster, in the County of Merrimack and the State of New Hampshire, qualified to vote in the Village District affairs:

You are hereby notified to meet at the Pillsbury Lake Community Center in said Village District on the fifteenth day of March in the year of our Lord nineteen hundred and eighty at 10:00 in the forenoon to act upon the following subjects.

1. To hear the report of the district commissioners and any vote relating thereto.
2. To choose all necessary officers as follows:
  - (a) To choose a clerk to serve until the next annual meeting.
  - (b) To choose a moderator to serve until the next annual meeting.
  - (c) To choose a treasurer to serve until the next annual meeting.
  - (d) To choose an auditor to serve until the next annual meeting.
  - (e) To choose one (1) commissioner to serve until the annual meeting of 1983.
3. To adopt a budget and make necessary appropriations from water revenues and other available funds for the ensuing year.

4. To see if the district will vote to raise and appropriate an additional sum of \$10,000.00 for the purpose of:
  - (a) continuing to develop the water supply provided by the well drilled in July, 1979, or of drilling a second new well if found to be a necessary, feasible and possibly a more economical alternative to the present new well, to obtain and install a well pump and a purification system for the new well output as required to meet the New Hampshire Water Supply & Pollution Control Commission standards for safe drinking water;
  - (b) constructing a new pump house with requisite tanks, controls and related appurtenances;
  - (c) connecting the output from the pump house to the distribution system, including completion of the cross-lake main laid in September, 1979, by connecting it to the existing mains in New Hampshire Drive and Deer Meadow Road;
  - (d) obtaining, installing and connecting to the water system a modest sized storage tank and if necessary a booster pump to improve reliability of and service from the existing or improved water system;
  - (e) obtaining legal or engineering consulting services in connection with the project, negotiating for and acquiring any easements required, and doing such other things as are necessary, and feasible within the funds appropriated for the project, to increase the water supply and its reliability to the district;

such sum to be raised by the issuance of Serial Bonds or Notes in compliance with the provisions of the Municipal Finance Act (N.H.R.S.A. 33.1 et seq., as amended) and to authorize the Commissioners to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other action as may be necessary to effect the issuance, negotiation, sale, delivery of such bonds or notes as shall be in the best interests of the Pillsbury Lake District.

5. To see if the district will vote to modify the Warrant Article voted at the Special Meeting of the Pillsbury Lake District, by inserting after the word "system" in the fourth line, the following words: "obtaining, installing and connecting to the water system a modest sized storage tank and if necessary a booster pump to improve reliability of and service from the existing or improved water system", so that that part of the Warrant Article will read as follows:

To see if the Village District will vote to raise and appropriate a sum of \$20,000 for the purpose of developing an additional water supply, constructing a new pump house, connecting the new source to the existing distribution system, obtaining, installing and connecting to the water system a modest sized storage tank and if necessary a booster pump to improve reliability of and service from the existing or improved water system,

negotiate for and acquire any easements required, and doing such other things as are necessary to increase the water supply to the District....

6. To see what sum of money the district will vote to raise by taxation and appropriate to pay expenses and charges of the district not covered by water revenues and other available funds for the ensuing year.
7. To see if the district will vote to authorize the commissioners to borrow money in anticipation of revenue and taxes.
8. To see if the district will vote to authorize the district commissioners to transfer any unexpended balance of money from one appropriation to another within the budget.
9. To transact any other business which may legally come before this meeting.

In Re Petition of Village District of Pillsbury Lake

DECREE FOR SPECIAL DISTRICT MEETING

The above-entitled position came before the court for hearing, and the court, having considered the evidence, finds that an emergency has arisen in the Village District of Pillsbury Lake which may require an immediate expenditure of money.

It is hereby ordered, adjudged and decreed that the Commissioners of the Village District of Pillsbury Lake are hereby authorized to call and hold a special district meeting to be held any time prior to September 1, 1979 as they may determine, for the purpose of acting upon the article(s) set forth in the accompanying petition, and the special district meeting shall have the same authority as that of an annual district meeting. The above approval is conditioned upon compliance with the statutory requirements related to posting and notice which control such a meeting.

This decree is made solely for the purpose of permitting a special district meeting to be held, and it is not to be construed or interpreted in any other manner nor for any other purpose whatsoever.

Dated this 2nd day of July, 1979.

SUPERIOR COURT

APRIL TERM, 1979

EQUITY NO. \_\_\_\_\_

In Re Petition of Village District of Pillsbury Lake

PETITION FOR AUTHORITY TO CALL A  
SPECIAL DISTRICT MEETING PURSUANT TO RSA 52:4

NOW COMES Village District of Pillsbury Lake, a village district established pursuant to the provisions of RSA 52:1 in the Town of Webster, County of Merrimack, State of New Hampshire, by its Commissioners, and respectfully represents:

1. Believing that an emergency has arisen within the Village District of Pillsbury Lake requiring an immediate expenditure of money, the Board of Commissioners hereby petition the Superior Court for relief pursuant to RSA 52:4, and set forth the following warrant article(s) upon which they desire authority to call a special emergency village district meeting with the same power to raise and appropriate money at an annual district meeting:

- (a) To see if the Village District will vote to raise and appropriate a sum of \$20,000 for the purpose of developing an additional water supply, constructing a new pump house, connecting the new source to the existing distribution system, negotiate for and acquire any easements required, and doing such other things as are necessary to increase the water supply to the District, such sum to be raised by the issuance of Serial Bonds or Notes in compliance with the provisions of the Municipal Finance Act (NH RSA 33.1 et seq., as amended) and to authorize the Commissioners

- 2 -

to issue and negotiate such bonds or notes, and to determine the rate of interest thereon, and to take such other action as may be necessary to effect the issuance, negotiation, sale, and delivery of such bonds or notes as shall be in the best interests of the Pillsbury Lake District.

2. The following facts are believed to present an emergency with respect to the foregoing:

The District currently provides water to its inhabitants by means of two drilled wells.

The nature of the emergency is the inability to maintain adequate water pressure to serve all of the homes tied into the system at all times, especially those which are located on higher ground. The causes are deemed to be moderate increased usage, low supply and insufficient storage capacity. These factors have resulted in water shortages to consumers.

Although the system has been thoroughly checked for leaks, pump operation, etc., periodic pressure drops are frequent, especially during peak weekend usage during May and June 1979. Additionally, since the emergency began, the water contains an increasing amount of air which may be due to low water level in the wells.

The number of summer residents is essentially the same as for the last two years and most of these are present only on weekends. Weekend use is also magnified by the presence at home of a number of full time resident families in which both parents work

- 3 -

during the normal 5-day week. While there were two new tie-ins to the system in 1978 (two or three more are now anticipated for 1979) and while there has been some fluidity in the number of full time residents, the total number of users is only slightly greater than during the past two years during which service was adequate. Therefore the present situation could not be foreseen when the warrant for the March 1979 meeting was prepared. It is believed that a delay in developing an additional and supplemental source of supply until 1980 will occasion chronic and severe shortages for the remainder of the current year.

3. Your petitioners therefore believe that an emergency has arisen within the Village District of Pillsbury Lake which requires an immediate expenditure of money.

WHEREFORE the Village District of Pillsbury Lake by its Commissioners prays that the Commissioners may be authorized to call a special emergency district meeting to act upon the foregoing article(s), giving notice thereof in the manner provided by law, which meeting shall have the same authority to raise and appropriate money at an annual district meeting as provided in RSA 52:4; and for other and further relief as may be just.

WARRANT FOR A SPECIAL MEETING  
OF  
THE PILLSBURY LAKE DISTRICT

To the inhabitants of the Village District of Pillsbury Lake, Webster in the County of Merrimack and State of New Hampshire, qualified to vote in the Village District affairs:

You are hereby notified to meet at the Pillsbury Lake Community Center in said Village District on the 21st day of July in the year of our Lord, Nineteen Hundred and Seventy Nine at 10:00 o'clock in the a.m. to act upon the following warrant article.

To see if the Village District will vote to raise and appropriate a sum of \$20,000 for the purpose of developing an additional water supply, constructing a new pump house, connecting the new source to the existing distribution system, negotiate for and acquire any easements required, and doing such other things as are necessary to increase the water supply to the District, such sum to be raised by the issuance of Serial Bonds or Notes in compliance with the provisions of the Municipal Finance Act (N.H.R.S.A. 33.1 et seq., as amended) and to authorize the Commissioners to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other action as may be necessary to effect the issuance, negotiation, sale, delivery of such bonds or notes as shall be in the best interests of the Pillsbury Lake District.

SPECIAL MEETING

CLERK'S REPORT - July 21, 1979

The Special Meeting of the Pillsbury Lake District as permitted by the Merrimack County Superior Court was called to order at 10:06 a.m. by the Moderator, John Porter.

After the warrant was read, Mr. Stephen R. Gilman, Chairman of the Board of Commissioners, Pillsbury Lake District, noted that the warrant had been posted and published as required by State law. He then explained the need for developing an additional water supply, connecting it to the system, and taking other actions as set forth in the warrant. He then described the plan of the Board of Commissioners to put down a deep rock well on the peninsula adjacent to Lots 104 and 105AB, Section 4, and to connect the output to the mains in New Hampshire Drive and Deer Meadow Road, the estimated cost being not to exceed \$20,000 which is to be raised by borrowing and together with interest to be repaid from District taxes. He presented an estimate of the expected effect on the annual tax rate of the District. He stated that the Board of Commissioners had discussed the project with a representative of the State Water Supply and Pollution Control Commission and read a letter in response dated June 19, 1979 which generally endorsed the proposed action.

The meeting was opened for discussion which covered amplification of various details and suggestions in regard to them, questioned possible alternatives which had been considered, inquired as to the time table, and emphasized the need to provide relief as early as practicable to the homes which have suffered interruptions to water service in recent months.

Voting was by ballot and with use of the District's check-off list. The number of ballots cast exceeded the number of legal voters at the last regular District meeting. The voters voted unanimously to raise and appropriate \$20,000 for the purpose set forth in the warrant. (32 votes for, 0 votes against.)

Meeting adjourned at 11:15 a.m.

Respectfully submitted,

  
Hilda D. Whitney, Acting Clerk
