## SELECTMEN'S REPORT

Year ending 1982, the auditors report that the Town is again in good fiscal condition. Revenues in excess of estimates were \$12,180 while appropriations exceeded expenditures by \$2,155 resulting in a budget surplus of \$14,335 as of Dec 31, 1982. The present total indebtedness of the Town is \$12,000 balance on the Fire Truck note, which will be reduced to \$8,000 this year.

We are asking for a new highway truck to replace the L800 which is now over 11 years old. It is getting to the point where repairs on this vehicle are getting prohibitive. It is felt that it will be money in our pockets by replacing the truck this year. Article 4 is asking \$29,000 for this purpose.

With the budget as proposed allowing for a 5% increase in the school budget and the county budget, the net amount this year to be raised by taxes will be slightly over 1% increase over last year. If we can pick up approximately \$120,000 in added valuation we should be able to hold the same tax rate as last year. The problem municipalities are faced with in trying to hold the line on the budget each year, are the school and county budgets. In 1982 the county assessment for the Town increased from \$41,500 to \$63,800. An increase of 54% in 1 year. We are trying to get an answer to this tremendous increase in the county tax for a Town with a population of 605 persons. Currently there has been a lot of talk at the State level about State depts. and municipalities cutting their budgets by 4% with no direction apparently to school and county governments. A losing struggle for Towns.

TOWN WARRANT

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF BRIDGEWATER IN THE COUNTY OF GRAFTON IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS;

You are hereby notified to meet at the Grange Hall in said Bridgewater on Tuesday, the Eighth day of March, next at twelve of the clock in the noon to act on the following subjects:

Polls to be opened from 12:00 noon to 6:30 P.M.

Business Meeting at 8:00 P.M.

1. To choose a Selectman for three (3) years and all other necessary Town Officers.
2. To see if the Town will vote to raise and appropriate the sum of \$545 for TRA, provided the State contributes the sum of \$3633.00.
3. To see what sum of money the Town will vote to raise and appropriate for General Expenses as estimated in the budget.
4. To see if the Town will vote to raise and appropriate the sum of \$29,000.00 for a new highway truck and authorize the withdrawal of \$13,747.00 for this purpose from the Federal Revenue Sharing Fund together with \$3,253.00 to be raised by appropriation and authorize the Selectmen to issue a note for not more than \$12,000.00 for no longer than 3 years.
5. To see if the Town will vote to transfer \$229.11 from surplus ( originally funded as Ter-Centennial Fund ), to the Highway Department Capital Reserve Fund, and will so report for 1983.
6. To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of the Town of Bridgewater and to the health and welfare of the people of the Town of Bridgewater.

Trustees of Trust Funds

By Petition

7. To see if the Town will vote to ask members of the New Hampshire Congressional delegation to support or co-sponsor the following resolution in the U.S. Congress:  
 "Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries."  
 By Petition
8. To see if the Town will vote to authorize the Selectmen to, apply for, accept and expend money from the State, Federal, or other government unit or a private source which becomes available during the year in accordance with procedures set forth in RSA 31:95.
9. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
10. To transact any other business that may legally come before the meeting.

Given under our hands and seals, this seventeenth day of February in the year of our Lord nineteen hundred eighty three.

To the Members of  
the Board of Selectmen  
Town of Bridgewater  
Bridgewater, New Hampshire

We have examined the combined financial statements and the combining, individual fund and account group financial statements of the Town of Bridgewater, New Hampshire as of and for the year ended December 31, 1982, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the combined financial statements and the combining, individual fund and account group financial statements referred to above present fairly the financial position of the Town of Bridgewater, New Hampshire at December 31, 1982, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining, individual fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Bridgewater, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining, individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

## BRIDGEWATER FIRE BRIGADE REPORT

The Brigade responded to 23 incidents during 1982. Most of our calls involving homes where chimney fires or origin of chimney fires spreading to the walls or ceilings. Monthly chimney inspections and maintaining safe distances from stove pipes and wood stoves to combustible materials are strongly recommended.

The passing of our Town Forest Warden, fireman, organizer, charter member and friend Hollis Pollard will be missed by the department members as well as the rest of the towns people. Hollis was a very dedicated to his community.

## REPORT OF CONSERVATION COMMISSION

Commission activities consisted of continuing the development of the Sawhegenet Park area. The access road was improved for all traffic and a parking lot was established near the beach area. Improvement of the beach area continues but will require more work.

Use of the area increases by both Town residents and transients, notably river traffic. We have been pleasantly surprised at the lack of littering and or vandalism. Most people comment about the areas uniqueness and the natural beauty which has been retained throughout the development. This year over 250 people signed the guest list, many with their pleasure with the park.

On June 12th, a group of volunteers gathered at the Library building for the purpose of repainting the building. The job was completed with a cost to the Town of \$123.23 for paint and brushes.

There was no activity at the Town Forrest this year.

We no longer have a community game room. Tri-county Head Start is now renting the room for a school and the entrance hall is now a kitchen and office. They have an enrollment of eighteen children.

A new feature of the library is a phonograph record loan, which was started by a record donation from Helyn and Jack Townsend. Other donations of records and cassettes to increase our inventory will be greatly appreciated.

## BRISTOL COMMUNITY CENTE.

## ANNUAL REPORT-1982

On behalf of the Bristol Recreation Advisory Council, it gives me great pleasure to submit this annual report of the Bristol Community Center. The activities and events sponsored by the Center during 1982 certainly can be described as productive, lively, and exciting.

Our programs serve every walk of life and every age group. The Center provides a place for people to meet and enjoy recreational activities. We are glad to announce that the town of Danbury has joined the "Fair Share" program and now is part of the Center, bringing together all seven Newfound Lake communities.

Our major capitol improvements this year were the installation of the new ceiling and lighting system in the main gym. The lighting system was donated by the Dave Williams and the Arthur Ashley Williams Foundation. New programs added to the yearly events were aerobic exercise, flower arranging, toddler fitness and afternoon team sports. The BCC established a new coed soccer and girls softball leagues, giving an opportunity for all boys and girls to participate in an athletic event.

It would be impossible for me to name all the volunteers who have contributed their time to the Community Center during the past year. Nevertheless, thanks and sincere appreciation are extended to all those people who have devoted countless hours of time to enable us to serve the recreational needs of our community. Gratitude is also expressed to the International Packings Corporation, the merchants, the Churches, Civic groups, and the Newfound schools for their co-operation in bringing recreational programs to the people.

The Bristol Recreational Advisory Council joins me in looking forward to a bright future of helping more and more people increase the quality of their lives, through participating in recreation programs.

## REPORT OF THE GRAFTON COUNTY COMMISSIONERS

In our continued effort to communicate more directly with the taxpaying citizens of Grafton County, we take this opportunity to reach you through your annual town/city report.

Budgeting becomes more complex each year due to variables and unfunded state mandates. Until authority accompanies funding, our local governments will have little control over spiralling taxes. Counties encounter funding problems similar to towns/cities. We are continually absorbing more costs of state/federal programs. This year local governments picked up a 25% increase in their share of the OAA/APTD/ICF grants. Child placement costs are increasing dramatically with the private foster homes rapidly being replaced by more expensive group homes, some costing \$25,000 to \$40,000 per year compared to private home rates of \$2,400 to \$3,600 per year.

Our new sewage system, tied in with Woodsville Precinct's treatment plant, was complete and operational in February 1982.

Many dollars are being saved in energy accounts through conservation measures. Fuel costs were reduced by 20% and electric costs by 8% in fiscal year ending June 30, 1982, saving \$41,800.

Finishing the second superior courtroom will cost approximately \$169,500. Bonding is approved and the project should be completed this spring.

The Jail & House of Correction had another busy year. Average census was 38. We continue to get inmates with mental or emotional problems requiring additional staff and medical treatment and higher medication costs. No change is foreseen in the admission pattern due to the continuing discharge policy of N.H. State Hospital. Pending legislation requiring more severe sentencing for some crimes will increase duration of stay and census, proportionately increasing the burden on correctional staff.

The County Farm is a productive asset to the County through participation in Extension and Conservation Service programs and by creating meaningful work for House of Correction inmates. Volume of milk remains constant although the revenue dropped slightly due to decrease in federal parity. Quality of the Holstein herd is excellent. Revenue from livestock sales grossed \$25,092 last fiscal year, and produce grossed \$40,016 for the Farm.

The Commissioners meet Mondays at 9:30 AM at the Courthouse, 1:30 PM at the Nursing Home. Meetings are open to the public.

Respectfully submitted,  
GRAFTON COUNTY COMMISSIONERS  
Richard L. Bradley, Chairman  
Arthur E. Snell, Vice Chairman  
Dorothy Campion, Clerk

REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N. H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.
