Miss Woodward moved, seconded by Mr. Barney, that the clerk send a copy of the committee's report on insurance with the motion to the county commissioners. Motion passed.

In the absence of Mr. Griffin, chairman of the special committee to investigate the need for repairs and alterations to the court houses and county farm, Mr. McMeekin gave the report.

Mr. McMeekin moved, seconded by Mr. Bell, that the sum of \$6,500, for the year 1951 and the sum of \$5,000, for the year 1952 be raised and appropriated, and that within the limits of such appropriations, the commissioners be authorized and instructed to proceed with necessary repairs to the roof of the court house at Woodsville, and to the roof and other necessary repairs to the court house at Plymouth, and to redecoration of the interior of both court houses, and to the exterior of Plymouth court house, as in their opinion seems desirable. That the work be done upon a fixed fee basis, if possible, if not, upon such terms as may seem to the commissioners most advantageous to the county. Motion passed by voice vote.

Mr. McMeekin moved, seconded by Mr. Gilbert, that the building committee be discharged. Motion passed by voice vote.

Miss Woodward moved, seconded by Mr. McMeekin, that the sum of \$3,500 be raised and appropriated for expenses of the office of Register of Deeds for the year 1951 and the sum of \$2,000, for the same for the year 1952. Motion passed by voice vote.

Mr. Bell reported the commissioners had received only three bids on the freezer locker. The lowest bid received was \$2,280.

Mr. Bell moved, seconded by Mr. Gilbert, that the sum of \$2,280 be raised and appropriated for the installation of a deep freeze locker at the county farm. Motion passed by voice vote.

Mr. McMeekin in chair.

Hearing on House Bill No. 199, An act to increase salary of the county commissioners.

Mr. Griffin, sponsor of the bill being absent on account of illness, Mr. Willey spoke for the bill. He offered the following amendment. Amend line 19 of section 1 of the bill, by striking out the words, "fifteen hundred" and inserting in place thereof the words, "twelve hundred and fifty," so that said line shall read: In Grafton, twelve hundred and fifty dollars.

Discussion ensued. Mr. Huckins moved, seconded by Mr. Kelley, that the bill be reported as "inexpedient to legislate." Mr. Ashley and Mr. Fuller and Mr. Howard spoke against the motion. Mr. Kelley spoke for the motion.

Mr. Willey asked for a roll call on the motion. Mr. Barney moved and so voted, that we vote by ballot on the motion. The chairman appointed Mr. Sleeper and Mr. Ashley to act as tellers. Vote being 8 in favor of "inexpedient to legislate" and 12 voted against "inexpedient to legislate" the motion did not prevail. Question being on the amendment of Mr. Willey. Amendment was adopted on voice vote.

Mr. Howard moved, seconded by Mr. Gilbert, that House Bill No. 199 be reported in as "ought to pass with amendment." On a voice vote motion prevailed.

Mr. Willey spoke in regard to the mileage for the members of special committees. He felt that the members had worked hard and put extra time in so that they should be entitled to their mileage for such work.

Mr. Howard moved, seconded by Mr. Gilbert, that the members of special committees send their bill for mileage to the county commissioners for payment.

REPORT OF COUNTY COMMISSIONERS

To the Citizens of Grafton County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Grafton County herewith present the annual report of the Commissioners, Treasurer, Auditors, Superintendent of County Farm, Jailer, Clerk of Court, Solicitor, Sheriff, Chaplain, Physician and County Extension Service.

The year ending December 31, 1951 has been a successful one. The County Farm with Mr. and Mrs. Aldrich as Superintendent and Matron has been operated very efficiently, both as to the Almshouse and Farm and everyone has worked for the welfare of the inmates.

During the year many improvements have been made at the County Farm and at the Woodsville Court House. These expenditures were approved by the Delegation.

The dairy herd under the care of Orman Thayer, our herdsman, has developed into one of the outstanding Holstein herds in the state. Besides taking many prizes in all classes at the New Hampshire Fairs, we were able to take second prize with a two-year-old heifer at the Eastern States Exposition, competing with herds from many of the northeastern states.

We sincerely regret the resignation of Mr. Harry S. Huckins, who served as County Treasurer for twenty-one years. His place has been taken by Bertram W. Pulsifer of Campton.

The citizens of Grafton County are cordially invited to visit the County Farm at any time.

Respectfully submitted,

KENNETH G. BELL,

JOSEPH L. GRAHAM,

GEORGE F. CLEMENT,

Commissioners.

In submitting our report for the farm we would like to point out a few of the repairs needed when we came here in April. Soon after, the County Commissioners and Budget Committee met and decided to repair the calf barn, also to put in new steel work on one side of the main stable to replace that installed in 1917. New cement floors were put in to replace the old worn wooden planks.

This work was done without an appropriation from the legislature. It was financed through the sale of milk and livestock from the increasing herd of pure bred Holsteins. We also purchased a hay baler the same way, John Clough and one man were hired. The balance of the labor was furnished by the institution and farm help.

The entire stable inside was thoroughly cleaned and received a coat of paint. We are very pleased with the looks and have received many compliments from the public, as well as from the Massachusetts and New Hampshire Boards of Health.

As our report shows, we had a good sale of livestock in addition to supplying the institution with all its beef and pork and still keeping the herd number on the increase in both young stock and milkers,

The new Holland Baler was a great help in harvesting the crop of estimated 250 tons of hay. We had grass silage, green oats and thirty-five acres of corn. The three silos were filled and the surplus was taken to Theodore Chamberlin's silo, which was drawn home and fed in the fall and early winter.

One of the high lights of the summer was a family field day held at the County Farm on August 1st, cooperating with the County Farm Bureau and Extension Service. There were separate programs for the men, women and children. Total attendance was about 500. Except for an hour's shower just before noon the weather was good. The shower made necessary some hurried changes in program.

The program planning committee consisted of George Clement, Landaff; William Putnam and G. F. Ritchie, Piermont; Mr. and Mrs. Erville Aldrich, North Haverhill; Mrs. G. L. Frazer, Monroe, and the Extension Agents, Richard Rutherford, Richard Clark and Miss Una Rice.

4-H demonstrations and recreations were participated in by the boys and girls. The women's program consisted of arts demonstrations, food freezing and preparing poultry for freezing and cooking. Field demonstrations of tillage equipment was the program for the men.

All the county farm personnel gave fullest cooperation as was indicated when the shower made it necessary to move exhibits and refreshment booth into the buildings.

In September, in cooperation with the U.S.D.A. and the Grafton County Farm Bureau, a pasture improvement program was started on the Bancroft lot. About twenty-five acres were cleared by removing alder bushes with a bull dozer. This is nearly ready for spring seeding to become a permanent pasture.

The Holsteins were shown at the local fairs last fall as usual, Plymouth, Lancaster, Canaan and the North Haverhill Black and White Show. One two-year-old qualified for the New Hampshire state herd at the Eastern States Exhibition. They were successfully shown by the herdsman, Orman Thayer.

We would be very pleased if every tax payer would

visit the institution and the farm and see them in operation.

The personnel has changed somewhat since our coming April first. Muriel LaMott, R.N. left in July to accept the position as school nurse and Louise Giles, R.N. took her place. Ruby Wheeler works steadily and Dorothy Wright, R.N. from three to eleven. Marion Hodge is back with us as night nurse. Thomas Delaney replaced Max Robinson as orderly. We are very grateful to all the hospital staff for their cooperation in a department which we know little about. Mr. and Mrs. Willis left in July and Mr. and Mrs. Max Robinson have taken their place. Betty White is assisting in the down stairs kitchen. Harry Hatch is our farm foreman. Douglas Bigelow and Robert Alexander are employed as truck drivers and Lewis Nelson as teamster. We tried for some time to get someone to work in the barn with the herdsman and now Stanley Fadden is here in that capacity.

The annual Christmas Party was very successful. Rev. and Mrs. Norman Langmaid from Bethlehem came with children to furnish entertainment. They with the movies he brought, were much enjoyed. Pat Boudreau, who favored us with with five vocal selections, was an unusual Santa.

We wish to thank the Happy-Go-Lucky 4-H Club of Campton, Cooperative Extension Service Group of Wentworth, Home Demonstration Groups of Warren and Woodsville, Young Peoples Home Demonstration Group of North Haverhill, the Ladies Aid of the Baptist Church of Campton Village, and the Lebanon and Easton ladies for their donations of cookies, gifts and candy to help us give the residents of the Home a Christmas to be remembered. We wish also to thank Mr. Stoebel and his glee club and the Lions Club for bringing carol to us all; Mr. and Mrs. Winfred Clough, V.F.W. and Auxiliary for candy, tangerines and nut cups.

The upstairs kitchen has been painted and quite extensive plaster work has been done in the one down stairs.

A deep freeze has been installed which we hope will prove to be an advantage to us. There has been a new washing machine installed in the laundry.

We are very fortunate to have such a good staff working with us and we want them all to know we sincerely appreciate the help and cooperation they have given us since our coming here. To Dr. Campbell, we wish to say 'thank-you' for his help and advice.

Mr. Simms held services in the chapel every other Sunday afternoon. At Christmas time he brought his choir to sing carols and held a candle lighting service Christmas eve which many attended. We are very fortunate to have a man like Mr. Simms in our midst. Father Porter and Father Donnelly have attended their people here.

We are very grateful to those giving magazines to the institution. They are much appreciated.

Movies have been shown several times through the kindness of Lawrence Smith and the North Haverhill fire department.

Several from here took their cars and some of the women through the mountains which was greatly enjoyed. They were also given the opportunity to see the fourth of July parade, and later in the fall to visit the North Haverhill fair.

We wish to thank the Commissioners, Mrs. Madeline Kirk and staff for their co-operation and help since our coming here April first.

Respectfully submitted,

ERVILLE ALDRICH, Supt.

CHRISTELE ALDRICH, Matron

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ending December 31, 1951 and find them correctly cast and properly vouched.

KENNETH G. BELL,

JOSEPH L. GRAHAM,

GEORGE F. CLEMENT,

Commissioners of Grafton County.

CHAPLAIN'S REPORT

To the Commissioners of Grafton County:

As chaplain of Grafton County Farm I submit my report for the year ending December 31, 1951.

The regular worship services have been well attended and the spirit and participation of the members of the Home have been excellent. There seems to have been a great deal of joy and personal help gained from these worship experiences together. Special seasons have been observed in a way to make them as spiritually meaningful as possible to each member of the Home. In these services and by personal visits to those in the hospital I have sought to give counsel and guidance in a sympathetic and understanding manner that all our people might find comfort and retain joy in living.

I wish to express my deep appreciation for the helpful co-operation of Mr. and Mrs. Archie Birch and our present Suerintendents Mr. and Mrs. Erville Aldrich, Dr. E. C. Campbell, the members of the Hospital staff, Mrs. Ethel Little, and their assistants. The County is to be complimented not only on the excellence of its institution but also on the high quality of its staff and personnel.

Respectfully submitted,
H. BENJAMIN SIMMS,
Chaplain.

REPORT OF THE COUNTY PHYSICIAN

To the Commissioners of Grafton County:

I herewith submit my report for the year ending December 31, 1951.

Mrs. Muriel LaMotte, R.N. resigned as head nurse to accept the position of school nurse in the local school Union. Mrs. Louise Giles has been promoted to the position of head nurse and is doing an excellent job.

During the year three much needed items of equipment have been purchased and several changes in the use of rooms have been made. A new delivery table, examining table and a portable operating light, capable of furnishing light for 8 hours in case of power failure, have been added. One room has been converted into an office, to remove the records and the nurses' desk from the corridor. Another room is now used as an examining room, which has been a sore need.

Changing the present dark room and drug rooms for greater convenience are in the process of accomplishment.

In September, the State Board of Health made its annual inspection and seemed pleased with the conditions found.

In December, Dr. L. E. McKinlay of North Haverhill, and Dr. C. D. Eastman of Woodsville were appointed to the Associate Staff. Periodic hospital rounds by all three physicians have begun. I believe this arrangement will be of great benefit to the patients and the County.

The needs of the patients are being very well taken care of at the present time. However, I strongly recommend that a fire escape be installed to provide an exit from the hospital porch. A bed-pan sterilizer is also badly needed.

Statistics on patients accompany this report. It is interesting to note that there is only one death listed in the younger age group, and this patient was practically moribund on admission. It is also noteworthy that 1420 patients were treated who were not hospital cases.

Due to the use of many of the new drugs, people are rarely dying from the infections that caused deaths in the younger people. As a result, people are living

longer, and the aged are becoming an increasingly large percentage of the population. Also, due to the very high standards for nursing homes, insisted upon by the State Board of Health, many of these homes have had to close because of excessive costs of alterations and maintenance. This care of the aged presents a serious social, economic and medical situation which may be expected to become worse in the immediate future. Considerable planning needs to be done in this line, as one would expect that there will be an increasing burden on the County.

I wish to thank the Commissioners, Mr. and Mrs. Aldrich and the hospital staff for their consideration and excellent co-operation.

E. E. CAMPBELL, MD
County Physician,
