Report of the Librarian to the Trustees of the
LISBON PUBLIC LIBRARY

LADIES AND GENTLEMEN :

The following tabulated list shows the circulation of books and periodicals for the year 1931.

Fiction	16,619
Periodicals	1,298
Bound Volumes	48
Biography	642
History	413
Travels	241
Nature Books	101
Essays	104
Poetry and Drama	344

Total,	20,255

Of these 6,611 were juveniles.

New registrations, 71. Rebound books, 50. Replacement of worn out books, 18. Gifts, 9 books, 12 periodicals. New books purchased, 194.

The library subscribes to the following periodicals:—
 The American Magazine, Atlantic, Forum, Granite Monthly, Ladies' Home Journal, Review of Reviews, Scribner's, St. Nicholas, Popular Mechanics, American Boy, American Girl, Time, Woman's Home Companion.

This list is supplemented by these gifts: Better Homes and Gardens, Bureau Farmer, Foreign Affairs, Good Housekeeping, Graphic Survey, Harper's, National Republic, National Geographic, The Congregationalist, and World's Crisis.

Donors to the library are: Arthur K. Weston, Mrs. Oliver, Mrs. Thorpe, Mrs. Webb, Mr. Blake, Miss McVety, Roscoe Suttie, Fred Parker, Curtis Pub. Co., National Sculpture Society.

A successful flower show was held in the library in August.

The librarian attended a Neighborhood meeting in Whitefield, Sept. 29.

Because of the constantly increasing demand from the schools for outside reading and reference work, a large proportion of the books bought for the younger readers has been selected with this in view, but even with this addition the library has not been able at all times to meet the demand.

The new books are listed in the Lisbon Courier and typewritten bulletins are on display in the library. The book committee endeavors to meet all tastes in the selection of books.

More men than ever before are using the library now, possibly because of unemployment. A perusal of the list of periodicals may disclose something that will be helpful to YOU. The library is a busy place after school and again in the evening.

Respectfully submitted,

NETTIE LOUISE KELSEA, Librarian.

SUGAR HILL, N. H.

TO THE BOARD OF TRUSTEES:

Ladies and Gentlemen: The library contains about 5,415 volumes, not including government reports and bound magazines. This year 24 books have been added by appropriation.

Periodicals for the reading room and circulation include American, Ladies' Home Journal, Woman's Home Companion, Good Housekeeping, Christian Herald, Popular Mechanics, Cosmopolitan, McCall's, American Boy, and St. Nicholas.

Total number of books and periodicals loaned, 4,346.
Fiction, 2,185
Non-fiction, 1,072
Periodicals, 1,089
Attendance, 1,753

We are fortunate to be once again a member of the Junior Library Guild for the older boys and girls.

The yearly appropriations have been limited, thus prohibiting us to secure our usual quota of books. However, we are very grateful for the much needed repairs on the roof.

Through the kindness of Mrs. Charles A. Rich, we were able to enjoy extra magazines.

On March 12, I shall have completed 25 years of service as librarian, and I wish to sincerely thank all those affiliated with this work who have been so thoughtful and fine in cooperation.

Respectfully submitted,

JERUSHA E. PARKER, Librarian.
