TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of New Ipswich in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Mascenic Regional School in said New Ipswich on Tuesday, the 2nd day of March, next at ten of the clock in the forenoon, to act upon the following subjects.*

*Article 1.

To choose all necessary Town Officers for the year ensuing.

*Article 2.

"Shall we adopt the provisions of RSA 72:43-b and 43-c for expanded exemptions on real estate which provide for a resident sixty-five years of age up to seventy-five, a five thousand dollar exemption; a resident seventy-five years of age up to eighty, a ten thousand dollar exemption; a resident eighty years of age or older, a twenty thousand dollar exemption, provided that the resident owns the real estate individually or jointly with another or his spouse with whom he has been living for at least five years as man and wife; said resident had a net income of less than seven thousand dollars or combined income with spouse of less than nine thousand dollars; and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of thirty-five thousand dollars?"

* The Town Meeting will be adjourned until Wednesday, the 3rd day of March 1976, at seven of the clock in the afternoon to act upon the remaining articles.

Article 3.

To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 4.

To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money, when necessary, in anticipation of taxes.

Article 5.

To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate by public auction which has been acquired by the Town through Tax Collector's deeds.

Article 6.

To hear reports of any Official or Committee and take any action relating thereto.

Article 7.

To see if the Town will vote to raise and appropriate the sum of \$1,016.95 (one thousand and sixteen dollars and ninety-five cents) so as to receive \$6,779.70 (six thousand seven hundred seventy-nine dollars and seventy cents) from the State of New Hampshire for use of Class IV and V highway construction, reconstruction, or betterment as provided under New Hampshire RSA Chapter 241.

Article 8.

To see if the Town will vote to raise and appropriate the sum of \$20,000.00 (twenty thousand dollars) to be used this year to rebuild a town road and/or roads. This would be the fourth part of a five-year plan to rebuild all roads needing such work in the town.

Article 9.

To see if the Town will appropriate the sum of \$2,475.20 (two thousand four hundred seventy-five dollars and twenty cents) to support the services of the Monadnock Community Visiting Nurse Association, Inc. This sum is based on a \$1.30 per capita formula.

Article 10.

To see if the Town will raise and appropriate the sum of \$700.00 (seven hundred dollars) to enable the town to obtain a matching grant from the federal and state governments in order to restore the old cemetery, restore the old pound which adjoins the cemetery, and erect a plaque in commemoration of the town's efforts during the American Revolution as a Bi-centennial observance.

Article 11.

To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated, or take any other action hereon:

Appropriations:	Amounts
Tax Map	\$ 8,500.00
Police Department	11,200.00
Highway Department	24,088.83
	<hr/>
	\$43,788.83

Article 12.

To see if the Town will vote to raise and appropriate the sum of \$9,600.00 (nine thousand, six hundred dollars) to be paid to Joseph C. Burton at the rate of \$800.00 per month for the rental and maintenance of the Page Hill Dump for the calendar year of 1976 with continuation as a burning dump.

Article 13.

To see if the Town will raise and appropriate the sum of \$8,568.00 (eight thousand five hundred sixty-eight dollars) to support the services of the Souhegan Valley Ambulance District Service. This sum is based on a \$4.50 per capita formula.

Article 14.

To see if the Town will vote to raise the sum of \$6,500 (six thousand five hundred dollars) to be used in the supervision of the Recreation Field.

Article 15.

To see if the Town will vote to raise and appropriate \$10,000.00 (ten thousand dollars) to be used together with \$24,783.68 (twenty-four thousand, seven hundred eighty-three dollars and sixty-eight cents) presently available in the Capital Reserve Fund for the Fire Department to purchase a new fire truck with its associated equipment.

Article 16.

To see if the Town will vote to appropriate the sum of \$952.00 (nine hundred and fifty-two dollars) to support the Monadnock Family and Mental Health Service. This sum is based on a \$.50 per capita formula.

Article 17.

To see if the Town will vote to appropriate the sum of \$649.00 (six hundred forty-nine dollars) to support the programs of the Monadnock Region Association during 1976.

Article 18.

To see if the Town will vote to raise and appropriate the sum of \$500.00 (five hundred dollars) to buy a tranquilizer rifle to be used by the Animal Officer.

Article 19.

To see if the Town will vote to adopt the following ordinance in addition to RSA 466:31 relative to dogs: "Dogs shall be restrained by their owners or keepers from running at large on the streets or public property or property of others in the Town of New Ipswich during the entire calendar year." (by ballot)

Article 20.

To see if the Town will vote to participate in the National Flood Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

Article 21.

(Prefaced by the following:) To see if the Town will vote to adopt the following Resolution A pertaining to the National Flood Insurance Act of 1968.

Article 22.

(Prefaced by the following:) To see if the Town will adopt the following floodplain building regulation pertaining to the National Flood Insurance Act of 1968.

Article 23.

To see if the Town will adopt the following ordinance relative to trailers:

The total number of mobile home units in the Town of New Ipswich shall be limited to 75 in number at any one time.

No mobile home shall be located within the town except upon permit to be issued by the Board of Selectmen. All owners of mobile homes presently located within the town and permanently installed shall be entitled to a permit.

No additional mobile homes shall be located within a radius of one mile from the New Ipswich Post Office.

For the purpose of this ordinance, mobile home shall be defined as follows: A detached residential dwelling unit designed for transportation after fabrication, on streets or highways on its own wheels and arriving at the site where it is to be occupied as a dwelling complete and ready for occupancy except for assembly operations, location on jacks or other temporary or permanent foundations and connections to utilities. (by ballot)

Article 24.

To see if the Town will vote to have the Selectmen authorize the New Hampshire Housing Commission to operate a leased housing program in the Town of New Ipswich.

Article 25.

To see if the Town will recognize and support an active Board of Health as defined by the laws and regulations administered by the New Hampshire Division of Public Health Services.

Article 26.

To see if the Town will appoint a committee using a member of the School Board and the Selectmen as appointing officers which committee will include representation from Mascenic Regional School and other interested parties and will make application for funds from the Governor's Commission on Crime and Delinquency for a project to be determined by this committee.

Article 27.

To see if the Town will convey a parcel of land lying between the playground road and land owned by Norman Clark so that said Clark property shall be bounded by a road or take any other action thereon.

Article 28.

To see if the Town will vote to close Old Country Road from a point two rods from the corner at Nicholas Kenney's property to a point two rods from the Greenville town line subject to Gates and Bars.

Given under our hands and seal, this 9th day of February, in the year of our Lord nineteen hundred and seventy-six.

SELECTMEN'S REPORT

The past year has been one of ups and downs for the Town of New Ipswich. Current economic trends have affected the Town in much the same way as they affect business and individuals, but through perseverance and resourcefulness we feel the community can look forward to a rewarding Bicentennial year.

A partial listing of some of this year's accomplishments includes:

1). A study of Police Department operations was carried out.

2). An inventory listing of town property in custody of the Police Department was put into operation.

3). Position descriptions for all town department heads were written so that objectives and responsibilities would be clear. The first put into effect was for the Chief of Police.

4). The Highway Department operations were reviewed and an inventory listing of all property, tools and equipment was taken.

5). Rules and regulations covering the granting of welfare assistance by the Town were written and a voucher system requiring three signatures was put into effect.

6). A large gasoline tank was installed at the Town Highway Garage so that purchases of gasoline could be made in bulk thereby saving the Town about \$1000 per year on Highway department purchases.

7). A Blue Cross/Blue Shield hospitalization program was put into effect for all full-time Town employees. The Town pays the full cost for the employee but nothing for the employee's family. This cost is paid by the employee.

8). The land given to the Town by Hazel Balch Moore adjoining Center Cemetery was cleared and a bronze memorial plaque to Albion L. and Mary Balch was erected.

Also, many people and committees have contributed to our well being by looking after our Town's affairs and planning for our future. A new committee was appointed to plan and coordinate the Bicentennial Celebration for 1976. This committee has become a real asset to our community by bringing together the townspeople in its vari-

ous functions. Perhaps this committee and this celebration can rekindle a spark of kinship that is so vitally needed to sustain the Town. We commend the committee and urge every citizen's support of its endeavors.

The Welfare Department as predicted was far busier than in previous years. We were indeed fortunate to be able to appoint a Welfare Officer who has kept a tight rein on costs and implemented disbursement systems that have equitably provided for the emergency needs of our less fortunate citizens.

The Planning Board has had an active year dealing with the various sub-divisions and proposed developments within the Town. This board has used well the authority vested in it in overseeing and promoting the healthy growth of our Town.

Working diligently to carry out the charge of last Town Meeting, the Dump Committee has been tireless in its negotiations and research to provide the Town with a Sanitary Landfill. In years to come their efforts will bear fruit to our Town's benefit and well being.

Our road rebuilding program was continued this year on Goen Road and a portion of Appleton Road. The Highway Department is to be commended in the expeditious use of funds, equipment and manpower in accomplishing its tasks. By careful planning it has been able to maintain and repair our roads in spite of increased cost of material and labor. A continuation of our rebuilding program should save us problems and increased expenses in the future.

The Fire, Police and Ambulance Departments have worked to provide our citizens with relief in time of emergency and for our safety. The members of these departments who give of themselves in our behalf are deserving of our thanks.

Communication between the various committees and departments and the Board of Selectmen is of vital importance in the effectual management of the Town. We appreciate the time spent by the heads of these committees and departments keeping us abreast of the daily problems and

resolutions. We shall continue to assist in any way we can to assure the sound administration of Town's affairs.

Taxation this year was one of the more serious problems facing this Board. Inflation has caused the Town's equalized evaluation to drop drastically over the previous year, prompting the State to order a reassessment of the entire Town. At a Special Town Meeting, \$20,000.00 was appropriated to contract with an independent appraisal firm to accomplish this task for 1976. This unforeseen expenditure has been one of the contributing factors to the increase in the tax rate. We have hired E. F. Greene Associates of Keene, N. H. to assess the Town as ordered and anticipate a favorable impact on the tax rate.

This Board urges every citizen to participate in our community affairs. We feel deeply the responsibility you have charged us with and invite your comments and constructive criticisms to allow us to act in behalf of the Town as a whole. There is much to be done to maintain and protect our Town and assure its continuance in the traditions of our far sighted forefathers. May this Bicentennial Year be a regeneration of citizen involvement in town government.

We thank the Townspeople for their support and cooperation in making our task less difficult. We look to the next 200 years to be even more progressive than the last for New Ipswich.

POLICE DEPARTMENT REPORT

1975 has proved to be a very busy year for the Police Department. The department answered 777 calls for the year of 1974. This year the department answered 1654 calls. The crime rate for the state is up 38% over 1974, and this is the highest increase in the New England area. It is a problem that many small towns such as this one are having. Our close proximity with the Massachusetts line puts us in a position to be subject to a higher crime rate but due to the mobility of the criminal today, it is a statewide problem as far as the escalation in crime is concerned.

In 1975 this department investigated 30 motor vehicle accidents. Once again this department has cut the accident rate down. Last year we had 40. I credit this reduced accident rate to our increased use of Radar and the sensible driving habits of the motorists of New Ipswich.

243 complaints were brought before the Peterborough court; 15 being narcotic violations. The department's court record is a very good one. This can be a credit to the town and the Police Department.

The department has now four highband radios which give us communications with State Police, County, Sheriff's Dept. and many other local departments.

Again this year, as last, there has been an increase of house breaks in the town. Most breaks are of summer homes and camps. This year we investigated 37 burglaries and 46 larcenies. Most of these burglaries taking place after the camps are closed for the year and after midnight.

Sergeant Thibault, Corporal Leel, and Fish and Game officer Warren conducted the Hunter Safety course at the police station.

I wish to thank the Police Officers who volunteered many hours of their off duty time for investigation and patrol.

The Chief of Police and the Department wish to thank all town departments, surrounding Police Departments, and State Police for their help and assistance in time of need.

Also a special thanks goes to many private citizens who have shown this department their support over the past

year, and to the Board of Selectmen for their cooperation during the year 1975.

RAYMOND BRODLEY, Chief

Police Department

1975 DOG OFFICER'S REPORT

Total Number of Calls: 307

- 37 dogs returned to owners
- 6 dog bites
- 14 dogs hit by car
- 10 horses returned to owners
- 1 horse hit by car
- 2 stray cats
- 1 cat hit by car
- 1 deer hit by car
- 1 court action
- 5 dead racoons
- 1 steer destroyed by dog
- 9 dogs destroyed
- 6 stray cows

I wish again to thank the townspeople, Highway Dept. & Police Dept. for their help and understanding on many of the complaints.

In the past year we have had more dogs running in packs than in the past few years. I have been called to the schools to control dog packs on many occasions. The only way to stop this is with a tranquilizer gun. The owner of any dog stopped with a tranquilizer gun will pay the \$7.00 cost of the tranquilizer plus \$3.00 pick up fee. This should control many dogs from running at large.

GEORGE HOPKINS, Animal Officer

REPORT OF THE CEMETERY COMMITTEE

The new section of the Center Cemetery, the Balch Land, was cleared during the past year. Also, a bronze memorial plaque was erected on a large natural stone near the entrance in memory of Albo L. & Mary L. Balch.

The regular duties of the Sexton and his helper were accomplished with effectiveness.

The Town Tomb was scraped and painted during the fall.

ARMAS AIJALA, Sexton

REPORT OF THE NEW IPSWICH RECREATION COMMITTEE

The 1975 season at the New Ipswich Recreation Field and Pool provided numerous recreational and athletic experiences for many children and young adults of the community.

On the field activities included a wide range of competitive team sports: basketball, street hockey, softball, baseball, as well as the individual skill sports of badminton, tennis, archery, and horseshoes, all under the direction of Gus McCleavy, Field Director.

In the pool, nearly two hundred children registered for swimming instruction, ranging from the basic water skills for young children to the intensive life saving classes for the skillful swimmers. These classes were taught by Bonnie Ricker, Pool Director; Steven Kangas and Isabel Kangas, assistants.

The Swim Team, comprised of the more proficient swimmers, competed in many meets held throughout the summer in Wilton, Milford, Goffstown, Greenville and our own pool. This team sponsored several fund-raising projects to help provide funds for their swim team suits of red, white and blue.

Special recreational events afforded additional activities: blueberry picking followed by a pancake feast, a trip to Hampton Beach, a Mt. Monadnock climb, and a hot dog cook-out and award presentation.

The Recreation facilities in New Ipswich are used most effectively when parent support is shown. Scores of children spend many hours each summer developing their athletic skills. Your support and participation aids our efforts to continually provide these experiences for you and your children.

NEW IPSWICH FIRE DEPARTMENT REPORT FOR 1975

The Fire Department had a very busy year during 1975. A number of improvements were made to the existing equipment and many new items were placed in service. The Department is extremely proud of the "Water Witch" tanker that the members of the department constructed on their own time at a total cost to the town of \$400. The Water Witch has proven itself to be a most valuable piece of equipment, which if purchased new would have cost the town approximately \$30,000. Work is continuing on a second tanker and on the old town pick-up which will be made into a mini-pumper for forest fire use. The department hopes to have both of these new pieces of equipment in service by early spring.

The members of the department and the junior fire department also attended several training sessions during the year to better enable them to serve the needs of the townspeople.

The department reminds you to please be careful with fire and observe good fire prevention practices. In case of fire call 878-1611 immediately with an accurate description of the type of fire and its location.

The department was called out to 47 different fires plus a number of calls to investigate smoke, suspected fires, or help residents with water problems.

Fire Warden's Report

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forest and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

NEW IPSWICH HIGHWAY DEPARTMENT REPORT OF 1975

In 1975 the Highway Department continued road work under the five year plan adopted in 1973, completing one mile of Goen Road in Smithville and partially completing .6 miles on Appleton Road. On the latter project, the drainage was completed, the road was widened and graveled up to finish grade. Progress was halted in September when the appropriated funds ran out. The Board of Selectmen and the Road Agent agreed that work on the Appleton Road project would resume in the spring of 1976, as soon as weather permits. Completion of the project will be given first priority at that time.

Inflation and extensive repairs on the grader, which necessitated an expenditure of approximately \$8,400.00, raised havoc with the Highway Department's budget. I believe the financial report will indicate that Highway Department expenditures for 1975 were reasonable, considering work accomplished and progress made.

A comparative cost analysis was prepared to determine the degree of increase in the cost of materials used by the Highway Department over a four year period covering 1971-1975. The analysis indicated costs had increased a staggering 86% during this time period. During this same time period, Highway Dept. expenditures increased only 20%. The cost of running the department was kept down by the careful elimination of waste of man-hours and materials.

During the summer and fall work was done on Pratt Pond bridge and road, for which the Town was paid \$813.20 by the Pratt Pond Association.

I wish to thank the Board of Selectmen, the Town office staff, and all other Town departments for their cooperation and assistance in making 1975 a most happy and productive year.

REPORT OF THE DUMP COMMITTEE

During 1975 a number of meetings were held to consider the final choice of The Plain Lot belonging to Frank W. Preston as the site for solid waste disposal, the possible design of the facility for landfill including the location of the entrance road, and details of a proposed lease arrangement. Approximately eleven acres will be used, including the entrance road right-of-way, with the disposal area being set back three hundred feet or more from Route 124 and screened from view and from the wind by forest growth. When required in the future, additional land will be available on the same tract.

Discussions were held with Commercial & Industrial Container Service of Andover, Massachusetts concerning a proposed recycling and incineration operation in Wilton serving several towns in southern New Hampshire. The New Ipswich landfill might be used for the deposit of incinerator ash from this operation, from which income would result with little effect upon the volume. The town would have the alternative of joining this regional operation if it is established. At this time it appears unlikely, however, that this facility will be built.

Towns of less than 2,500 population may continue to use burning dumps until July 1977, provided constructive efforts are being made toward acceptable solid waste disposal by this deadline date. To minimize costs to the town the committee advises the continued use of the existing dump under the operation of Joseph Burton until June of 1977. During the coming year the final lease agreement will be entered into with Mr. Preston for the land, design of the site and preliminary site preparation will be undertaken, and alternatives for voluntary recycling will be studied. Appropriations for final construction and equipment will be presented to the voters in the Town Meeting of 1977.

NEW IPSWICH PLANNING BOARD ANNUAL REPORT

The Planning Board has had an extremely busy and productive year, meeting more than thirty times and attending instructive seminars offered by the State of New Hampshire.

The Board has passed a number of small subdivisions which have conformed to existing regulations, but feels its largest contribution to the future welfare of the Town has been in handling of the two large subdivisions proposed to the Board this year.

One of approximately 400 acres, which originally planned 150 homes is now programming a maximum of 49 lots with green belt area of more than 50 acres.

The other is an 1,100 acre tract whose owner had at first planned a comprehensive program which included nearly 400 dwelling units. Now, through the efforts of the Planning Board the number of lots proposed has been reduced to 45, and what is even more important in the eyes of your Board the owner is now offering to set aside 700 acres to be used solely for forestry improvements and control.

We wish to take this opportunity to thank all those who have worked with the Board. Their suggestions have been most helpful in making us an effective instrument in safeguarding our community and in programming a sound controlled growth.

ANNUAL REPORT SOUHEGAN VALLEY AMBULANCE DISTRICT SERVICE

As of December 1975, the Souhegan Valley Ambulance District Service will have completed almost three and one half years of service to the communities. During this period the Service has continually been upgraded, and in the forthcoming years a continuing effort will be made to improve the service even more.

For the year 1976 the towns have been asked to appropriate the sum of \$4.50 per capita again. This represents no increase over 1975 but will allow the Service to replace one ambulance and to update portions of its equipment. It will also allow for the purchase of new equipment.

During 1975 the Service answered 133 calls. This represents a 19% increase over 1974. The calls per town are as follows: Greenville 43; Mason 11; New Ipswich 51; Temple 14; miscellaneous 14.

We wish to thank all the services involved, especially Nelson's answering Service, and all the volunteer drivers and attendants, and everyone else who has helped during the past year.

REPORT OF THE HEALTH OFFICER — 1975

Under N.H. Statute the Health Officer is the Executive of the Board of Health in the Town and serves in the administrative structure of the Division of Public Health. This year a meeting of Health Officers took place in Franconia which was attended by this Health Officer with expenses funded by the Town under a long unimplimented Statute enabling a Health Officer's Association. This allowed acquaintance with the problems and means of solution experienced in other towns and with consultive and other assistance available from State and Federal agencies. The need for local involvement in public health matters and the dangers of abandonment to a large burocrasy became clear at this meeting which it is expected will become an annual affair.

At present the Division of Public Health does not administer control of problems with sewage or other wastes. This is under the Water Supply and Polution Control Commission. In New Ipswich your Health Officer has received and investigated complaints and questions and has encountered fine service and cooperation from Mr. Charles Nelson of this Commission. He is a qualified sanitary engineer native to New Hampshire and covering this area from a Nashua office (883-6667) which records requests for service. Most of his time is spent in the field and his visits to New Ipswich have recognized individual problems and earned him a welcome.

The Division of Public Health is concerned with epidemic disease and its control. Only one minor epidemic of Shigella Dysentery touched New Ipswich as a disease outside of the familiar colds and childhood diseases. The alert was sounded by a mother who was also a Registered Nurse and local doctors and school nurses and parents responded appropriately. An immunization program is available through the Division of Public Health which works through local doctors and is well-used to control ordinary childhood diseases which once accounted for fatalities and serious injury. These could reappear were parents to drop their guard.

Venerial disease is a National problem reflected in New Hampshire. The epidemic proportions this has reached after having been considerably brought under control a very few decades ago illustrates the penalty of dropping one's guard. Such diseases go back into antiquity and affected all races and cultures. Public health measures for their control are equally ancient and appear in the rules and regulations evolved by afflicted peoples who survived. A 1973 New Hampshire Law requires education in the Public Schools to relearn these ancient lessons. New Ipswich recognizes that this is properly a family concern and that damage can be done by making a huge display in the school curriculum. Thus as a matter of policy the legal requirement is being accomplished without a special course and with the enlistment of parents through the PTA and like resources to the maximum. The Health Officer with other physicians in this area functions in an advisory capacity working with the Division of Public Health and with schools and families and school nurses and administrators. The New Hampshire Medical Society's Section on Public Health has recognized the problem by setting up a Subsection on School Health which deals with this and other problems requiring the application of Preventive Medicine technology in schools. Public interest is essential and citizen inquiry to physicians should find response.

The Program on Drug Abuse and Alcoholism is under the Division of Public Health in New Hampshire and the same Law requiring education on venereal disease in Public Schools also requires education on dangerous drugs. The Health Officer has a primary function in Public Education as concerns toxic drugs sold both legally and illegally. The Selectmen have appointed an Ad Hoc Committee on Crime and Drug Abuse of which the Health Officer is a member to discover the magnitude and nature of this problem as it afflicts this Town. This is a very stormy political area at this moment filled with misinformation and defensive accusation. The major fight is over money as always. Vested interests include organized crime and the pharmaceutical industry

and the manufactureres and dist ibutors of alcoholic beverages. There is a furious fight over funds on the part of various agencies claiming the ability to salvage victims of drugs and alcohol in which the Health Officer must play some part. In New Hampshire the sides square off as Public Health v. Mental Health with the Health Officer on the side of Public Health. Presentation of some detail as concerns this battle is in order.

The best record for salvage of victims of drugs and alcohol has been written by non-medical organizations free of major influence by the profit motive. These include Alcoholics Anonymous and similar groups made up of people victimized by other drugs who escaped them. Organizations such as the Lions and other fraternal groups and their female counterparts along with Church groups have been of invaluable help in individual cases. In this region the Visiting Nurse Association and Volunteer Ambulance Services and the local police have joined to do fine work. Add to these many individuals unattached to any organization but blesed with patience and a little extra concern, sound common sense and a sense of humor. Such as these account for the happy part of the Health Officer's experience.

The unhappy part has been largely due to poor communications between New Ipswich and agencies concerned with law enforcement in Concord NH. This became acute and shared by medical colleagues at Dartmouth Medical School and elsewhere with the surfacing of still another doctor abusing the Profession by manufacturing and supporting drug addicts in the person of John H. Perry-Hooker MD whose license to practice in New Hampshire was finally removed by the Board of Registration in Medicine after much delay inflicted without justification in N.H. Statute by the Office of the Attorney General. The Board was actively prevented from exercising its legal obligation to investigate by this Office's intrusion and the Office of the U.S. Attorney in Concord has answered requests for assistance in enforcement of Federal Drug laws with silence. Such matters have been brought to the attention of Rep. James Cleveland and Gov-

ernor's Council Bernard Streeter and others of the electorate from the region for which the Health Officer shares responsibility. At the moment of this Report response is encouraging.

The Health Officer shares responsibility for the availability of health services in his or her community and for the cost of such services as well as for their quality. The coincidence of the Bicentennial and of New Ipswich being the point of origin of Lemuel Shattuck who is credited with inventing the concepts enabling sound public health services make this part of the job relatively simple. A basic principle in Public Health is the enablement of people to look after themselves. This tradition is still very much alive in New Ipswich and has resulted in the present Health Officer learning more from this Town than he has taught. Charles Aho and William Currier and Raymond Briggs and many other concerned citizens of New Ipswich have an expertise in cost accounting and evaluation of quality which the Health Officer lacks. The willingness of its people to keep New Ipswich alive may have inspired Lemuel Shattuck. Most certainly this unique Town has inspired its latest Health Officer. The delicate balance between frugality and generosity has been well-kept and makes this Town with others in New Hampshire have significant influence in decisions concerning the costs of medical care which are the primary reason for calling a Special Session of the N.H. General Court as this year closes.

Medical charlatanism is a problem faced by the Health Officer only if citizens make complaint. New Ipswich was spared a serious problem in this area thanks to the alertness of Mrs. Beer and Mrs. Luttala who are both Registered Nurses. They nipped a criminal enterprise seeking entrance to unguarded homes on grounds of conducting a blood pressure survey in the bud. Full credit for exposing this must be given to the Lions Club in Peterborough and to the Division of Public Health as well as to the Telephone Company and the local press.

Respectfully submitted

ROBERT S. SHAW MD, Health Officer

Addendum to Health Officer's Report for Town Report.

An Article recognizing and funding a Town Board of Health appears on the Warrant for the 1976 Town Meeting for the first time since Dr. Kaywood's departure. This is appropriate for many reasons but also is appropriate for the Bicentennial Year. 150 years ago Lemuel Shattuck of New Ipswich invented the frugal keeping of human accounts which we now know as Public Health and is credited for his invention which he sold to the Mass. State Legislature in the mid 1800s. He was not a physician. He was a thoughtful citizen skilled in mechanics and mathematics who watched the performance of physicians and advised them how they could better do their job.

REPORT OF THE NEW IPSWICH BICENTENNIAL COMMITTEE

The New Ipswich Bicentennial Committee was officially established by a vote of the town on March 5, 1975. One of our first efforts as a committee was to seek recognition from the State of New Hampshire and the U.S. Government as an official bicentennial community. These efforts were successful and New Ipswich became a Bicentennial Town with a flag presentation ceremony on October 15, 1975.

Once we achieved official recognition, we became eligible for a federal-state matching grant for some lasting project within the town. After considerable discussion, we decided that the Old Cemetery on Porter Hill should be fixed up. Next to it is the Town Pound which also needs major repair work. Since the federal government will only fund a single project in any town, we decided to unite both repair projects with the erection of a plaque honoring the more than 150 men of New Ipswich who fought in the American Revolution. Put together, we have a lasting memorial to the Revolutionary War veterans combined with a town beautification project of lasting importance.

Since the committee was allotted no funds by the town and did not have any monetary credit to start with, we considered a variety of fund raising efforts. In the end, we obtained money in three different ways. First, the PTA of Central School kindly sponsored a highly successful casserole supper in October. Not only did it raise a quantity of money for our endeavors, but it also brought the townspeople together socially. It would have been a great success even if no money had been made.

Secondly, the Village Improvement Society loaned us money so that we could order calendars and informal notecards, the sale of which we hoped would provide enough money to fund all our projects. Both the calendars and stationary featured scenes of New Ipswich. The Village Improvement Society further promised to give us the amount of their loan if it could be placed towards a matching federal grant to restore the Old Cemetery and Town Pound.

As of the writing of this report, the sales from the calendar

and the stationery are continuing but have not earned us the money that was hoped for. This necessitates our requesting town funds to obtain the matching grant.

For the remainder of 1976, the following events are planned. First, a Bicentennial Ball organized by our committee for late April. Secondly, a concert of American music to be sponsored by the Stearns-Burton Fund in the Spring. Third, a fireman's muster and parade to be sponsored by the Fire Department. And fourth, a display of early American crafts to be sponsored by the Children's Fair Committee.

CIVIL DEFENSE REPORT

Civil Defense has been very active this year with several training sessions.

There has been a change over in Personnel and State Director and the way the Organization now functions, therefore there has been many hours spent at meetings.

I wish to thank everyone who has taken part in the past year.

Anyone wishing to be involved in Civil Defense work please let us know.

Your Local C.D. Director

DAVID W. CORTHELL

NEW IPSWICH AD HOC COMMITTEE ON CRIME AND DRUG ABUSE

September 29, 1975

Mrs. Annabel Aldrich
Rev. John Buttrick
Mrs. Therese Castonguay

Mrs. Hilda Sewall
Dr. Robert Shaw
Mr. William Thoms

You have all been appointed to this committee.

This ad hoc committee is appointed by the Selectmen of New Ipswich and will be in existence from October 3, through December 3, 1975.

The committee is asked to direct its efforts in three directions.

1. It is asked to ascertain the existence of and the prevalence of crime in the Town of New Ipswich.

2. The committee is asked to ascertain the existence of and the prevalence of drug abuse in the Town of New Ipswich.

3. The committee is asked to submit a written report to the Selectmen on its findings on each of these two subjects and a minority report as well as a majority report if there is not unanimity of opinion.

We ask for this report (s) by December 3, 1975. The Selectmen will ask Town Counsel to review the report (s) before making it (them) public. At this time the committee's action will be reviewed by the Selectmen in light of the report(s) to ascertain the feasibility of continuance of the committee.

It is suggested that the committee interview citizens of the Town as well as police and school officials. It is also suggested that the committee ask for cooperation from these individuals as the committee does not have subpoena power. No Town funds are available to the committee and no ex-

penses to the Town may be incurred. However, paper and office supplies may be obtained from the Town Office. The Town copy machine is also available for limited runs.

The Selectmen appoint Dr. Robert Shaw to be temporary chairperson of this committee and they instruct the committee to elect, by written ballot, its own chairperson as the first item of business of the *second* meeting of the committee. The Selectmen feel that these guidelines allow the committee plenty of space in which to operate and it is expected that as a result of the committees' work, the Selectmen and the Town will know considerably more about these two subjects.

GEORGE H. LAWRENCE

DAVID A. AHO

WILLIAM A. RUSSELL, Selectmen
Town of New Ipswich

MAJORITY REPORT OF AD HOC COMMITTEE ON CRIME AND DRUG ABUSE

This Ad Hoc Committee was created by the Selectmen in September with orders to report by December 3 '75. A first meeting was held on October 28th. It was decided that to interview people in the Town would expose the members to litigation so should not be done. A letter of inquiry was framed to be sent to knowledgeable officials with the expectation that a report could be constructed from replies. Opinion from Town Attorney was requested.

On December 8, '75 the Selectmen voted to extend the life of the Ad Hoc Committee to December 30. As the Old Year died so did the Ad Hoc Committee with its mission not completed. A second meeting was never held and its report was never written.

In an attempt at salvage the problem was presented to the Selectmen on December 29. Raw material for a Report was layed before them. This included material from the Division of Public Health Services, the State Police, the Chief of Police and a report from the medical member. It was made known that the Chief of Police wished to make verbal report to the Committee. It was made known that the absence of the Temporary Chairperson in Washington and the distractions of the Holiday Season combined to frustrate integration of data collected into a Report with a final meeting, but that data had been circulated to the membership. It was requested that the Selectmen extend the life of the Committee beyond the Holiday Season to enable the Chief of Police to be heard and a final Report to be written. This request was denied.

An autopsy has been performed on this little body politic by the medical member to discover the cause of death. His conclusion follows and other opinion is invited:

As structured by the Selectmen the mission of the Committee was limited to discovery whether there was a significant problem with crime and drug abuse in the Town. Restriction of publication of any findings by the Town Attorney was written into the Committee's commission by the Selectmen.

Post mortem examination revealed the following opinion from the Town Attorney dated December 8: "Ad Hoc Committee on Crime: I am aware that the Selectmen have established an ad hoc committee to look into the problem of crime in the Town. I also have available to me a copy of the minutes of the first meeting of the committee which was held on October 28. Although I believe that the Selectmen and the members of the committee are well motivated in attempting to define both the extent and kind of crime occurring in the Town, I frankly believe that the committee approach is an exercise in futility. In my opinion a less visible investigation into the question of crime in the Town would be far more productive. I would suggest that the Town utilize existing law enforcement officials in order to attack the problem."

This opinion of the Town Attorney is in the nature of a 'self-fulfilling prophesy of and would appear to be the primary cause of death of the committee.

Undecided is what to do with the remains which rest unburied in the Town Office. Documents collected represent much labor by many people and it would seem in order to at least hold a wake. Thanks are due these people who include Chief Brodley. He gave time beyond the ordinary call of duty preparing a three year report and advising the Committee members who approached him.

ROBERT S. SHAW MD

Temporary Chairperson

ANNABEL ALDRICH

HILDA O. SEWALL

JOHN BUTTRICK

SCHOOL WARRANT

For Annual District Meeting on March 10, 1976

To the inhabitants of the MASCENIC REGIONAL SCHOOL DISTRICT, qualified to vote in the MASCENIC REGIONAL District affairs:

You are hereby notified to meet at the MASCENIC REGIONAL MIDDLE-SENIOR SCHOOL in said district on the TENTH day of MARCH 1976, at seven (7:00) o'clock in the afternoon to act upon the following subjects:

4. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

5. To see if the district will vote to authorize the school board on its behalf to enter into and bind the district to any requisite agreements with the districts of Contoocook Valley Regional, Jaffrey-Rindge Cooperative, and Wilton-Lyndeborough Cooperative, and the State Board of Education, so that the district will be enabled to participate in the Regional Vocational Educational Center Program conducted in the Contoocook Valley Regional School District serving Region 14.

6. To see if the district will vote to authorize the school board to permit the voluntary recitation of the Lord's Prayer in the elementary schools of the district in accordance with Revised Statutes Annotated 194:15-a of the State of New Hampshire.

7. To see if the district will vote to raise and appropriate a sum of money not to exceed Forty-three Thousand Dollars (\$43,000.00) by the issuance of Serial Notes in the name of and on the credit of the District in accordance with RSA 33, subject to any state or federal grant available in the future and applicable to this article, for the purpose of repairing the Mascenic Regional School roof, said Serial Notes to be obtained on such rates or terms as may be deemed advisable by the School Board and paid off over a period of not more than three (3) years, or take any action relating thereto.

8. To see if the district will vote to raise and appropriate the sum of Thirteen Thousand Seven Hundred Dollars (\$13,700.00) to help implement RSA:11 (a) (to make available a nutritious lunch to every pupil) by 1976, or take any action relating thereto.

9. To see if the district will vote to raise and appropriate a sum of money not to exceed Seven Thousand Five Hundred Dollars (\$7,500.00) to continue work on the Athletic Field for the Mascenic Regional School.

10. To see if the district will vote to raise and appropriate the sum of Thirteen Thousand Five Hundred Dollars (\$13,500.00) to paint the interior of the Mason and New Ipswich Central School, or take any action relating thereto.

11. To see if the district will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to audit the Financial Records of the district by a Certified Public Accountant, or take any action relating thereto.

12. To see if the district will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) for a drainage ditch at the Mascenic Regional School, or take any action relating thereto.

13. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district.

14. To transact any other business that may legally come before the meeting.

Given under our hands at said NEW IPSWICH this Eleventh day of February 1976.

MASCENIC REGIONAL SCHOOL DISTRICT REPORT OF THE SUPERINTENDENT OF SCHOOLS

Carl E. Bowers

During the 1974-75 School Year (July 1, 1974 to June 30, 1975) a minimum of twenty-four School Board meetings were held at the Mascenic Regional School. For the most part, the School Board met on the first and third Mondays of every month at 7:30 p.m. for the transaction of business, with the Superintendent and both the Elementary and Secondary Principals in attendance. The meetings usually adjourned between 9:30 p.m. and 12:00 midnight.

In consultation with the Superintendent and in accordance with statutes and regulations of the State Board of Education, educational goals of the District and long-range plans were discussed and implemented within the appropriations provided. Work in the area of establishing written policies and procedures was continued during the year.

New staff members included Mrs. Mozelle Coe who replaced Miss Sue Thomas, second grade teacher at the New Ipswich Central School. Miss Thomas resigned because of illness. Mrs. Kerry Donovan, formerly an instructional aide at the Mason Elementary School, was hired as a second grade teacher to replace Mrs. Annette Anderson, who resigned due to illness. Miss Nancy Sheehan was hired as an Art teacher of both the Mascenic Middle and the Elementary Schools. She replaced Miss Joyce Kotz, who resigned to move to New Jersey. Mrs. Yvonne Champagne was employed as a second grade teacher at the Sacred Heart Public School to replace Miss Helene Maheu, who resigned to return to Maine. Miss Susan Meaney was appointed as an instructional aide at the Mason Elementary School to fill the vacancy created by the transfer of Mrs. Kerry Donovan to the New Ipswich Central School as a second grade teacher.

New staff members at the Mascenic Regional School are as follows: Mr. Ernest Zuretti, Assistant Principal; Mr. Daniel Hilliard, teacher of Business Education; Mr. Thomas Barker, Social Studies; Mr. Robert Eaves, Vocational Direc-

tor and Industrial Arts; Mr. Paul Bell, Instructor of Industrial Arts; and Mr. Steven Xindaris, teacher of Chemistry and Biology.

Mrs. Neta Frost, head teacher at the Mason Elementary School for many years, retired from teaching at the close of the 1974-75 school year. She will be deeply missed by all of the professional staff, parents and children. Mrs. Lillias Johnson, second and third grade teacher at the Mason Elementary School, also retired after several years of teaching. A retirement banquet was held at the Riverdale Inn to honor these two fine teachers for their outstanding performance and dedication while serving the girls and boys at the Mason School.

After several years of operating the Elementary Schools without any secretarial help, Mrs. Elaine Whitney, who served as Clerk for the Mascenic Regional School District and worked in the Supervisory School Union No. 63 Office, was hired on a part-time basis to fill this much-needed position.

Visitors continued to come from various bilingual projects and schools. Andre Chabot, formerly with the Greenville Bilingual Project and now Director for the New Canaan, Vermont Bilingual Project, brought down several staff members to observe our exemplary bilingual project. Two different groups of graduate students from the International School in Brattleboro, Vermont visited the Greenville Schools to observe bilingual schools in operation.

The following in-service workshops were held for the staff: Exploratory Metrics Workshop conducted by Mr. Fernand Prevost, Mathematics Consultant for the New Hampshire State Department of Education; Art Workshop conducted by our own Miss Nancy Sheehan; and Learning Disabilities Workshop conducted by the Staff of the Special Education Consortium. In addition to the locally conducted workshops, several staff members attended sessions at Franklin Pierce College.

A Dental Health and Hygiene program was conducted in the four elementary schools by registered dental hygienist, Mrs. Noreen O'Connell. The program is centered around preventive dental problems, and includes giving to

each participant a complete cleaning and a fluoride treatment.

Curriculum guides in the areas of reading, mathematics, and science were completed by the curriculum subcommittees in the elementary schools. These guides include a scope and sequence of skills and concepts to be learned, a statement of philosophy, and general objectives. Implementation of these guides will occur during the 1975-76 school year.

Maintenance of the physical facilities was continued as in the past and included the installation of a new front door at the Greenville Public School, replacing the old Cathedral-type door. The bell and tower at the Mason Elementary School were repaired along with replacement of the front doors, insulation between the roof and ceiling, and interior work on the classroom doors.

Work on the new Athletic Field progressed as far as allocated monies permitted. Carpeting throughout the Mascenic Regional School was repaired, and work on the dividers between classes was continued.

The Mascenic Staff Development Committee completed work on a Master Plan that was submitted to the New Hampshire Department of Education for their approval. Implementation of this program goes into effect during the 1975-76 school year.

A successful year can only be accomplished with the help and assistance of all, and with this thought in mind, I would like to thank the School Board and all the citizens of the Mascenic Regional School District for their continued support in the education of our youth.

REPORT OF THE SCHOOL NURSE 1974-1975

The 1974-1975 school year has come to an end.

Last September the first graders were checked for immunizations and for physical examinations. Many parents had to be reminded that their child had not met with the requirements and were urged to take care of this situation immediately.

Physicals were done by Dr. Wellwood on children in the fourth grades, the seventh grade and all athletes. Those that had some form of defect were given notes signed by the doctor to take home.

Defects found were:

- 1 ? Heart murmur
- 6 Abdominal tenderness
- 10 Flat feet
- 1 Dermatitis of the feet
- 2 Fungus infections
- 7 Enlarged tonsils
- 13 Carious teeth
- 11 Enlarged neck glands
- 1 undescended right testicle
- 1 undescended left testicle
- 2 Wax in ears
- 1 Inflamed tonsils

Again the Dental Hygienist, Mrs. Noreen O'Connell, conducted a cleaning and fluoride application program on 269 children in the first through the sixth grade. Children were given permission slips for parents to sign if they desired to take part in this program. There has been a marked improvement in the condition of the children's teeth. Three children were referred to the Malocclusion Clinic. The children with reverse swallow were referred to the speech therapist. The children that showed poor oral hygiene were given extra special instruction on the care of their teeth.

Applications have been sent to the Department of Dental Health for this service for another year.

Parents were asked to pay \$2.50 a child toward the services of the hygienist. The PTA, School Clubs helped finance the indigent families and for incidentals not covered by the Dental Health Dept. The Proctor & Gamble Co. supplied all the third grade children with a Crest dental kit. The Colgate Co. supplied the red disclosing tablets to the other children.

The TB testing was not done this year because our area was not considered a critical area.

First grade registration was held at the New Ipswich Congregational Church on April 14, 1975 and was co-sponsored by the Greenville Lions Club. Mrs. Kathy Gauvin was locally involved in arranging for volunteers and in sending out notices to the parents of four, five and six year old children. Mrs. Natalie Smith, R.N., and Mrs. Jean Haley, R.N., from the PSVS program of the division of Health directed the testing. The machines used in the hearing tests have been donated by the various Lions Clubs throughout New Hampshire.

Vision: 110 children were screened.

No. passed vision criteria	102
No. referred to eye doctor	4
No. to continue treatment	4
Non-testable	0

Hearing: 112 were screened.

No. passed hearing criteria	81
No. referred for Puretone	30
Non-testable	3
Direct referral	1
Puretone re-tests	25

Children registered for the Mason School first grade numbered 11; children registered for the Greenville first grade numbered 20; children registered for the New Ipswich first grade numbered 40.

Mr. Robert Rogers was present to make appointments for the Gesell test.

Parents were asked to fill out the necessary forms on the incoming first graders.

The Greenville Lions Club furnished the balloons and lollipops that were given to the children and for the refreshments served for the volunteers. They also paid for the postage involved in the sending of the notices.

I wish to express my appreciation and thank you for the use of the church and for the many volunteers that helped make this program possible.

The nurse's work consisted mostly of first aid for cuts, scratches, sprains, bruises, insect bites, snake bite, blisters, burns, bloody noses, etc.

Heights and weights. Blood pressures on the seventh grade students and on all the athletes.

Hygiene and hair inspections. Several of the children were found to have lice and nits and were excluded from school until proper treatment was obtained.

Absenteeism was checked daily. Many of the parents expressed appreciation that this was being done.

Eye and ear testing.

Consultation with parents was conducted.

A child that became ill was sent home if a parent could be reached to assume the responsibility and could provide the transportation.

I received the Red Cross first aid and disaster nursing certificates.

I lectured to the science class on blood pressure and showed the students how to take pressures.

I attended several workshops, a diabetic symposium, the fall and spring school nurse's meetings, a doctor and nurse meeting, and am presently serving on the staff development committee.

Respectfully submitted,

LAILA E. LUHTALA, R.N., School Nurse

Volunteers:

First Grade Registration:

Nurses — Mrs. Natalie Smith, Mrs. Jean Haley, Mrs. Carol Contryman, Mrs. Carolyn Thomas, and Mrs. Sandy LeClair.

Mothers — Mrs. Kathy Gauvin, Mrs. Gloria Livingston, Mrs. Anne Aldrich, Mrs. Dot White, Mrs. Lorraine Desrosiers, Mrs. Barbara Lehtonen, Mrs. Dot Vaillancourt, Mrs. Elaine Russell, Mrs. Shirley Niskala, Mrs. Sandra Short, Mrs. Patti Thayer, Mrs. Linda Kivela, Mrs. Maureen Lizotte, Mrs. Kathy Clark, and Mrs. Pearl Thompson.

Students — Misses Rachel Somero, Anita Somero, Debbie Sikkila, Shari Somero, and Margaret Saari.

Dental Program:

New Ipswich Volunteers — Mrs. Ann Aldrich, Mrs. Pearl Thompson, Mrs. Gloria Livingston, Mrs. Judy Willard, Mrs. Jane Kincaid, Mrs. Isabel Eaton, Mrs. Karna Secker, Mrs. Alice Simila, and Mrs. Linda Kivela.

Greenville Volunteers — Mrs. Marguerite Vaillancourt, Mrs. Rachel Rousseau, Mrs. Louise Henneman, Mrs. Dorothy Bosse, Mrs. Debbie Lake, Mrs. Jeanne Desrosiers, Mrs. Bernadette Fortier, Mrs. Phyllis Colburn, and Mrs. Monique Fafard.

Mason Volunteers — Mrs. Claire Bowen, Mrs. Judy Higgins, Mrs. Linda Berke, Mrs. Norma Fortier, Mrs. Carol Contryman, and Mrs. Isabelle Farrey.

Mrs. Mildred Henault, teacher aide at Central School, has helped in many ways.
