## Dedication

### Helen Mae Olson

(February 4, 1938 - December 16, 2014)

Helen was a member of the Rindge Chamber of Commerce, Chairman of the Rindge Senior Housing Committee, a Board member at the Cathedral of the Pines, a Town of Rindge Election Day Poll Worker, Board Member of the Monadnock Tenant Co-op, Secretary for Rindge ZBA at one time, Member of the Search Committee for Rindge Recreation Director, and a Rails to Trails Director.

### Edwin Seppala

(November 1, 1922 – September 9, 2014)

Edwin Seppala donated the property upon which the Town Office is located. Edwin served his country during World War II. He served three years in the Army Air Force, assembling and overhauling aircraft engines as far away as India. He served as the Honorary Grand Marshall in the 2012 Rindge Memorial Day Veteran's Parade. Edwin was born in Jaffrey and moved to Rindge at the age of five to Crowcroft Pond, then moved to Payson Hill Road.

## State of the Town

Within this report you will find a page listing the many elected and appointed ‘officials’ of the Town of Rindge. All are volunteers that give selflessly of their time to help make Rindge a town to not only be proud of, but the place we all call ‘home’. Without their devotion and assistance, Rindge would not be able to provide all it does without having to pay for these services. The Board of Selectmen and the residents of Rindge are very grateful and appreciative for all the work done by our volunteers. If you would like to see your name among these citizens, please contact the Town Office and ask what you can do to assist in keeping Rindge the town you want it to be.

This year you may notice a little difference in your Town Report: A State of the Town Report. This is replacing the reports of the Town Administrator and the Board of Selectmen. Since the Town Administrator executes the directives of the Selectmen, the two reports came from the same office.

The year 2014 was very eventful for the Town of Rindge. This is an overview with more detail available in the various department and committee reports that follow.

In January the Planning Director’s position was vacated. Kirk Stenersen decided not to run for the Planning Board after serving as Chairman for the past several years. Although unfortunate for the Board in one respect, the Planning Board was fortunate that Kirk with his civil engineering background and years of service on the Board, graciously accepted the position of Interim Planning Director on a part time, as needed, basis and has been doing a great job for the Town.

In March Robert Hamilton was welcomed to the Board of Selectmen after a Town Meeting that had a great turn-out of voters.

At the end of March the Board was surprised by Chief of Police Frank Morrill’s retirement announcement effective at the end of April. The Board of Selectmen contracted with Municipal Resources, Inc to perform a search for a new Chief of Police and to bring in Michael French as interim Police Manager. During this time an internal audit of the police department operations and building was also performed.

In August the Board was pleased to announce the hiring of Todd Mulenberg from Scottsdale, AZ as our new Chief of Police with a start date in September. Soon after his arrival, work began on implementing the changes recommended in the MRI report to the both the Police Department building and operations.

During the same time frame, the Town was disappointed to learn that our Recreation Director, Craig Fraley would be leaving in June. A search committee was formed representing all age groups and segments of the population of the Town. Many thanks to Renee Sangermano for doing an incredible job maintaining the programming of the Recreation Department as Interim Recreation Director during the search process and for the insight she added to the search process.

In August the Search Committee selected, and the Board hired, Timothy Goodwin from Jaffrey as our new Recreation Director. Fortunately Timothy was able to start in early September and has been enjoying his position and all the activities of the Recreation Department.

## State of the Town

In October the Board of Selectmen was pleased to present a replica of the Boston Post Cane to our most senior resident, June MacDonald. The original Boston Post Cane, presented to the Town in 1909 is in the Selectmen's Meeting Room at the Town Offices. Pictured, left to right William and Helen Macdonald, Selectmen Roberta Oeser, Dan Aho and Bob Hamilton with June Macdonald at the Boston Post Cane presentation

Throughout the year the Board of Selectmen has been working on a fairly ambitious list of goals and objectives that were adopted in August of 2013 to help guide us with what we felt were priorities for the Town. Although much has been accomplished, the Board of Selectmen will be re-visiting this again in 2015:

- To promote and improve the trail network in Town for the enjoyment of residents and visitors by forming a trails committee: Sadly this has been difficult without having the services of a fulltime Planning Director to take the lead, but will remain on 'the list'.
- To address the maintenance and expansion of town facilities to ensure they are well suited for the provision of excellent public services: Many improvements have been made to the Fire Station and the Police Station to improve the functionality and provide much safer working conditions. This was done using available resources and town employees.
- To provide competitive and fair compensation to all town employees: A pay plan was researched and raises given without adding to the budget by adjustments in other areas where savings could be obtained.
- To employ technology that is efficient and effective by evaluating our needs and getting competitive bids for equipment and support: This has been accomplished with substantial savings to the Town and improved service that will continue for years.
- Provide town roads and bridges that are maintained to afford safe travel throughout Town in all weather conditions: In order to continue in this quest, the new plow truck will be needed this year.
- Maintain the historic Meetinghouse in good condition: Isn't it beautiful with the new paint? The work will continue this year on the inside through the benevolence of the Ward Trust.
- Plan for the Town's 250<sup>th</sup> Celebration in 2018: A meeting was held with representatives from many of our volunteer committees and community groups indicating much enthusiasm for coordinating the celebration in a few short years.
- Improve the Capital Improvement Program: New members have been added to the CIP committee and we will be putting forth a new plan in 2015.
- Utilize the intellectual resources of Franklin Pierce University by investigating opportunities for interns: This is a work in progress with results anticipated in 2015
- Support energy conservation in Town facilities: It is to the Town residents' and voters' credit that so much has been accomplished at the Library, Fire Station, Department of Public Works Garage, and Police Station. More projects are planned for these buildings and for the Town Office building.
- Improve communication with residents: We hope that you like the new web page and find all the information you need there! [www.rindgenh.org](http://www.rindgenh.org)

## State of the Town

During the last few months of the year many improvements were made to both the Police Department and the Fire Department buildings. Many thanks to our maintenance man from the Department of Public Works, Leif Jackson, who was able to perform most of the work thereby saving the Town money. A special thank you to Rick Donovan our Director of Public and Life Safety who did the electrical work needed to install mini-splits in the Fire Department thereby saving the Town \$8,000. Please watch for a joint 'Open House' for these two departments in the spring.

Something to get excited about: In the 1950's Rindge sold our electric company to the predecessor PSNH. The money from the sale (\$124,000) was put into a fund in accordance with the provisions of an act of the legislature. The terms of the act provided that the principal of the fund could be used for capital purchases or the purchase of land and any earnings would go into the Town's General Fund to offset taxes. Unfortunately the act also made it virtually impossible for the Town to vote to authorize use of the principal. Recently our State Senator, Kevin Avard has introduced legislation to amend the provisions of the act to make it possible for Rindge to access the principal. There will need to be much discussion with the Capital Improvement Committee and other citizens of the Town on determining the Town's highest needs and how to best use these funds which now amount to \$937,000.

Our Interim Town Administrator, Jane Pitt, has been extremely helpful to the Board in implementing one goal that is not listed above: the compilation of town owned properties. Members of the Economic Development Committee and Jane have been working throughout the year on this list and hopefully early in 2015 the Town will have an auction of these properties. This will accomplish two things: putting these properties back on the tax roll for more income to the Town and the money received will help with our reserve fund.

Other projects that Jane has been working to implement are the transition to a new provider for our technology needs and improving our technology access. Although not complete at this writing, transferring the Payson Village Well to Southwest Community Services has taken quite an effort.

In closing, I know that I speak for the entire Board of Selectmen when I say that it has been an honor to serve as your Selectmen.

Respectfully submitted,

Roberta K. Oeser  
Chairman, Board of Selectmen

# Deliberative Session Minutes

## Town of Rindge Minutes of Deliberative Session Saturday, February 1, 2014

**First Meeting: Saturday, February 1, 2014**

**Voters on Checklist: 4,131**

**Voters Attending Meeting: Approximately 150**

**Second Meeting: Tuesday, March 11, 2014**

**Ballots Cast: 1,504**

The meeting was called to order by Town Moderator, David Tower at 9am, he introduced Hanna Ricard of the Venture Crew and Kenny Smith of the Cub Scouts; both led the meeting to the Pledge of Allegiance. David explained the process of the meeting and then introduced non-resident department heads Frank Morrill, Police Chief, Michael Cloutier, Director of Public Works, Craig Fraley, Recreation Director, also Interim Town Administrator, Jane Pitt. David then introduced the Board of Selectmen, Samuel Seppala, Chairman, Roberta Oeser and Daniel Aho. He introduced Town Officials Ellen Smith, Finance Director, Nancy Martin, Town Clerk, Nicole Sesia, Deputy Town Clerk & Executive Secretary, Supervisors of the Checklist Ida Mae Harman, Roberta Letourneau and Karla McLeod, the Budget Advisory Committee Members Tom Coneys, Chairman, Sharon Rasku, Don Cook, Kale Stenersen, Rick Sirvint and Susan Emerson (absent). David explained the process for the meeting. The sound system provided by Rindge Memorial School.

**Articles 1 through 12 are Town Officials and Zoning Articles.**

### **Article 13.**

Shall the Town vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Three Million, Seven Hundred and Six Thousand, Five Hundred (\$3, 706,500) Dollars? Should this article be defeated, the default budget shall be Three Million, Seven Hundred and Fifty Two Thousand, Nine Hundred and Ninety One (\$ 3, 752,991) Dollars which is the same as last year, with certain adjustments required by previous action of the Town or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: This warrant article (operating budget) does not include appropriations in ANY warrant article.

**Sam Seppala presented the article, he stated that it is a responsible budget; he thanked the department heads for the very hard work put into the budget. Tom Coneys said the BOS was actively involved with the process. Ellen gave a presentation of the overall budget, she explained the budget is \$500.00 under last years' budget; when the budget was originally brought to the BOS it was \$3,754,476, the board asked if it would be possible to decrease the number to keep the budget flat and still provide residents the same level and quality of services, the answer was yes. She explained the BOS and BAC worked together with department heads on the budget so there was total transparency. Ellen explained there are some increases beyond our control such as health insurance, NH retirement and mutual aid dispatch. She also explained that the board took the recommendation of the Police Chief not to fill the position left vacant from the loss of Officer Horne; Chief Morrill assured this will not affect your services or your safety. Ellen said the town is facing significant expenditures to get over the "hump" which was created by putting off saving in the past; a result of weak long term financial planning. She explained the long- term goal is to improve the CIP process and the town is looking into a more comprehensive long- term savings plan.**

## Deliberative Session Minutes

**No changes to article 13.**

**YES – 1229 NO - 211**

**Article 14.**

Shall the Town vote to raise and appropriate the sum of Seventy Four Thousand and Eleven (\$74,011) Dollars for the third of five lease payments on the fire truck lease approved by the voters at the 2012 Annual Town Meeting? This lease agreement contains an escape clause.

**Dan Aho presented the article, James Hradecky asked how is this truck helping the Fire Department, Rick explained that they now have improved safety and reliability with the apparatus, which is very important when responding to a call.**

**Ray Rodriguez asked if it were a lease to own Rick answered it was, Ellen asked what is the life of the truck, Rick stated it is 20 to 25 years.**

**No changes to article 14.**

**YES – 1154 NO - 292**

**Article 15.**

Shall the Town vote to raise and appropriate the sum of Eighteen Thousand (\$18,000) Dollars to be added to the Wellington Road Bridge Replacement Capital Reserve Account?

**Roberta presented the article, with no questions from the floor, no changes to article 15.**

**YES – 1064 NO - 359**

**Article 16.**

Shall the Town vote to raise and appropriate the sum of Twenty Eight Thousand (\$28,000) Dollars and to discontinue a 480 foot portion of Converseville Road which includes the bridge that spans Millers River? This appropriation will fund construction of a new 80 foot portion of Converseville Road that will provide alternative access to and egress from NH Route 119 and includes road materials and rental equipment, including but not limited, to loam, gravel, bituminous pavement, drainage, barriers and signage in order to construct the new portion of the road and to limit access to the bridge to pedestrian traffic only.

**Roberta presented the article; the bridge currently supplies access to one home, Ellen explained a road will be cut for access from the house to Route 119 and there will be additional parking for Converse Meadow. Larry Cleveland asked if plowing would be a problem, Roberta stated there would be a turn-around for the trucks.**

**No changes to article 16.**

**YES – 966 NO - 461**

**Article 17.**

Shall the Town vote to raise and appropriate the sum of One Hundred and Sixty One Thousand (\$161,000) Dollars for the purpose of replacing the 18 year-old 1996 Highway Department 6 wheel dump truck and equipping the truck with items such as radio, emergency lights and plow attachments?

## Deliberative Session Minutes

**Roberta presented the article, Tom Coneys said the BAC did not have a lot of information about the truck, Mike said that with the trade-in \$4,500 would go toward the purchase, stating that the life expectancy for this type of truck is 10 years maximum, this truck is 18 years old. Kale Stenersen asked how many miles of roads are plowed; Mike said there is 64 miles plus building lots plowed with six vehicles.**

**After more discussion about the truck and how to fund it; there were no changes to article 17.**

YES – 659 NO - 772

### **Article 18.**

Shall the Town raise and appropriate the sum of Twenty Five Thousand (\$25,000) Dollars to be added to the Meetinghouse Maintenance Expendable Trust Fund?

**Sam presented the article, stating the painting has been sent out for bid, it will be money well spent. No changes to article 18.**

YES – 870 NO - 563

### **Article 19.**

Shall the Town vote to raise and appropriate the sum of Sixty Four Thousand (\$64,000) Dollars for the purpose of funding a portion of the measuring and listing of property for the 2015 Revaluation and to authorize the withdrawal of Thirty Seven Thousand (\$37,000) Dollars from the Revaluation Capital Reserve Fund previously established for this purpose with the remaining balance of Twenty Seven Thousand (\$27,000) Dollars to come from taxation? This will be a non-lapsing appropriation per RSA 32:7 VI and will not lapse until the work is completed or by December 31, 2015, whichever is sooner.

**Roberta presented the article, no changes to article 19.**

YES – 771 NO - 634

### **Article 20.**

Shall the Town vote to raise and appropriate the sum of Twenty Five Thousand (\$25,000) Dollars for the purpose of replacing the 13 year old Recreation Department van with a used 15 passenger minibus or similar vehicle and lettering and equipping this vehicle with a radio?

**Craig Fraley presented the article, he stated the van is rusted out, last year the frame was replaced; bodywork would need to be done in order to pass inspection. He also mentioned that the 15 passenger vans have been deemed unsafe because of the rollover probability. The van is difficult for senior citizens to get in and out of because there are no steps or handles to hold onto, whereas the minibus has handrails and steps to easily get in and out of the van.**

**Penny Rodrigues asked if anyone has thought about undercoating the vehicle for salt damage. Mike Cloutier said he is looking into that.**

**No changes to article 20.**

YES – 697 NO - 726

## Deliberative Session Minutes

### **Article 21.**

Shall the Town vote to raise and appropriate the sum of Eighteen Thousand (\$18,000) Dollars to fund municipal energy projects as approved by the Board of Selectmen?

**Pat Martin presented the article; she stated significant savings have been noticed with the energy projects that have been done.**

**No changes to article 21.**

**YES – 771 NO - 649**

### **Article 22.**

Shall the Town vote to raise and appropriate the sum Five Thousand (\$5,000) Dollars to be spent for body repair, rust removal, painting and re-lettering of Hose Truck # 1 and to authorize the withdrawal of said amount from the Fire Department Equipment Capital Reserve Fund previously established for this purpose

**Rob Jackson presented the article; he stated it is a 1986 four-wheel drive truck, approximately \$2,500.00 was spent from the operating budget last year for repairs, it is a limited use truck so by preserving the body of the truck by repairing minor rust and repainting it will extend the life of the truck another 10 years.**

**No changes to article 22.**

**YES – 1250 NO - 196**

**Roberta made a motion to restrict reconsideration with a second, reconsideration passed by voice vote.**

### **Article 23.**

Shall the Town vote to add to the purposes of the Police Detail Revolving Fund, which was established by Town Meeting in 2006, the purposes of repair and replacement of police vehicles?

**Dan presented the article; he said the selectmen highly recommend voting yes. Jean Carguilo asked how does the money get into the revolving fund, Ellen explained the revolving fund was originally established to pay for wages and benefits associated with police details and for some cruiser maintenance, this article will expand the purpose and the expenditure of the money to include these larger expenditures. The money is generated through police details, such as when you see a PSNH truck and a cruiser, the cruiser and the police officers time will be billed to the vendor and when the money is received from the vendor of that particular detail, it is put into the revolving fund. A portion of the money is paid to the officer and the remaining funds stay in the revolving fund.**

**No changes to article 23.**

**YES – 1094 NO - 348**

### **Article 24.**

Shall the Town vote to establish a revolving fund, pursuant to RSA 31:95-h, for the purpose of public safety details? All revenues received for fire special details, fire alarm ordinance fees, and judgments of the court for safety response services provided under RSA 153-A:24 will be deposited into the fund and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the Town's general fund balance. The Town Treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the

governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created, namely to pay fire personnel wages and benefits associated with details, costs of fire prevention materials and maintenance and replacement of fire equipment, vehicles and apparatus

**Roberta presented the article; she explained it is much the same as the Police Detail Account. Nick Carguilo asked why has the money in the Police Detail Account been left to accumulate and not be used for offsetting wages, etc. Ellen explained that the problem in the past is that there had not been a strong financial oversight of the money, stating that is why she is here as (Financial Director) and why the articles are being amended and put on the ballot so it will not happen in the future.**

**After more discussion, there were no changes to article 24.**

### **Article 32.**

To see if the Town will urge: That the New Hampshire State Legislature join nearly 500 municipalities and 16 other states, including all other New England states, in calling upon Congress to move forward a constitutional amendment that guarantees the right of our elected representatives and of the American people to safeguard fair elections through authority to regulate political spending, and clarifies that constitutional rights were established for people, not corporations.

That the New Hampshire Congressional Delegation support such a constitutional amendment.

That the New Hampshire State Legislature support such an amendment once it is approved by Congress and sent to the State for ratification.

That the record of the vote approving this article shall be transmitted by written notice to New Hampshire’s Congressional Delegation, and to New Hampshire’s state legislators, and to the President of the United States informing them of the instructions from their constituents by the selectmen within 30 days of the vote. (By Petition.)

**Petitioner Pat Martin presented the article. No changes to article 32.**

2. Are you in favor of the adoption of amendment No. 1 to the Town of Rindge Zoning Ordinance and Zoning Map as proposed by the Planning Board and generally described as follows: to create an optional overlay zoning district, known as the Crossroads Overlay, at the northwest, southwest, and southeast corners of the intersection of US-Route 202 and NH Route 119. The Crossroads Overlay district is intended to allow mixed use, higher-density development in a limited area with the goal of serving as the primary center for local commerce and community activity around the Route 202 and 119 intersection. The Crossroads Overlay district is proposed to allow a specific set of uses, with specific frontage, yard, and area requirements for those uses. Participation in the Crossroads Overlay district is intended as an option for respective landowners. Lots that are covered by the proposed "Crossroads Overlay" include, at respective corners of Routes 202 & 119: NW corner (Map 6, Lot 19 [20-acres]); SW Corner: Map 6, Lot 18-1 [6.2 acres]; Map 6, Lot 18-2 [9.3 acres]; SE Corner: Map 6, Lot 17-1 [2.5 acres]; Map 6, Lot 17-2 [2.7 acres]; and a portion of Map 6, Lot 14 (from the NH 119 right of way south to the center of Cheshire Market Place driveway [estimated at 20 acres]). ## **REPORT ON INTERNAL CONTROL BASED ON AN AUDIT OF BASIC FINANCIAL STATEMENTS**

To the Board of Selectmen  
Town of Rindge, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Rindge, New Hampshire (the Town) as of and for the year ended December 31, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, as discussed below, that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in the Town's internal control to be significant deficiencies:

### **LIBRARY FINANCIAL REPORTING**

***Observation:***

During our audit of the Town's Library we noted that cash account checks and deposits were recorded within an operating system, however, a financial report generated from the operating system was not provided by the Library for the audit. As a result, the Town's Finance Director was required to construct a financial statement for the Library based upon the various monthly cash and investment statements received from financial institutions.

# Auditor's Internal Control Report

**Implication:**

Controls over the financial activities of the Library are weakened. Failure to record the activity of all bank and investment accounts within the operating system increases the risk that the Town's Finance Director will compile the Library financial statement with incomplete or inaccurate data. Additionally, financial decisions made by Library Trustees may be made on incomplete or incorrect financial data.

**Recommendation:**

We recommend the Library utilize the operating system to its full capabilities, which includes recording all of the activities of the various cash and investment accounts held by the Library. The operating system would then be able to provide an accurate financial report for the year and which to base financial decisions upon.

## LIBRARY CASH ACCOUNT ACTIVITY POSTING

**Observation:**

During our testing of cash disbursements of the Town's Library we noted numerous checks clearing the bank which did not match the check numbers within the operating system. Also, we noted a check clearing the bank which was not included within the listing of checks issued by the Library. Upon further inquiry, we learned the Library is recording activity within the operating system from the items clearing the bank statement, not when the checks are issued or deposits are received.

**Implication:**

Controls over cash of the Library are weakened. Failure to properly record the activity and perform timely monthly bank reconciliations increases the risk that errors or abuse may occur and remain undetected. In addition, controls over the financial activities of the Library are weakened, as the accounting system is not being properly utilized to record the financial activities for all of the Library's bank and investment accounts.

**Recommendation:**

We recommend the Library Treasurer record the activity within the operating system when the activity occurs, not when the activity clears the bank. Also, we recommend that formal bank reconciliations are prepared on a monthly basis for all of the Library's active bank accounts. Recording and reconciling the activity as it occurs will ensure the Library's financial position is accurate, upon which sound financial decisions may be made.

2. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance as follows:

To amend Article XIII of the Town of Rindge Zoning Ordinance to **eliminate** Section F, which currently states: “An owner of contiguous lots, any one of which has less than the required frontage and/or area, must combine such lots to conform to the frontage and area requirements of this Zoning Ordinance before any building permit may be issued, unless said lots have been previously approved by the Planning Board or exceed five (5) acres in area.”

(The Planning Board recommends this amendment. Vote: 6-0-0)

*This amendment is intended to bring the Town of Rindge Zoning Ordinance into conformance with N.H. State Statutes.*

3. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance as follows:

To amend Article XIII of the Town of Rindge Zoning Ordinance to **eliminate** Section G, which currently states: “Any lot sold or transferred by the owner of a lot contiguous to said lot on or after March 12, 1991,

## 2015 Town Warrant with Explanations

that does not meet the frontage or area requirements of this Zoning Ordinance will not be considered a separate building lot.”

(The Planning Board recommends this amendment. Vote: 6-0-0)

*This amendment is intended to bring the Town of Rindge Zoning Ordinance into conformance with N.H. State Statutes.*

4. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance as follows:

To amend the following three sections: Article V Section B.3, Article VI Section C.3, and Article VII Section B.3 to read as follows:

3. Area:

- a. Each lot shall have an area of no less than two (2) acres.
- b. Single family dwelling lots shall have an area of no less than two (2) acres.
- c. Two family dwelling lots shall have an area of no less than three (3) acres.
- d. Multi-family dwelling lots shall have an area of no less than two (2) acres for each dwelling unit.

(The Planning Board recommends this amendment. Vote: 6-0-0)

*This amendment is intended to add a two (2) acre minimum lot size to non-residential lots. The current Area requirements in the Residential-Agricultural and Village Districts only mention residential dwellings. There are some non-residential uses permitted and therefore should be addressed. This will provide uniform Area requirements across the Residential-Agricultural, Village and College Districts.*

5. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance as follows:

To rescind Article III, Section K and replace it as follows:

K. Road Acceptance: Prior to the acceptance by the Board of Selectman of any road previously approved by the Planning Board as a public way, said road shall be reviewed and inspected in the following manner:

1. The Roadway Committee, consisting of the DPW Director, the Director of Public and Life Safety, the Chief of Police, the Planning Director, one member of the Planning Board and two qualified citizens, in this case one being an abutter to the road being considered, shall be convened to render an advisory opinion to the Board of Selectmen based solely on the construction and acceptability of the road as built.
2. The Roadway Committee shall seek the opinion of a qualified Professional Engineer of their choosing, registered in the State of New Hampshire, who shall provide them with a written report regarding the compliance with Town standards, bond and security issues, projected maintenance, and other items requested. The owner of the road is responsible for the payment of all consulting and engineering fees incurred and failure to do so is cause for disapproval.

## 2015 Town Warrant with Explanations

3. The Board of Selectmen shall conduct the layout and acceptance of the road as prescribed in New Hampshire R.S.A. 43 and 231, as amended, or to determine that the acceptance of the road shall be by a petition warrant article.

(The Planning Board recommends this amendment. Vote: 6-0-0)

*This amendment is intended to clarify the process for the acceptance of a road by the Board of Selectmen. Currently the Roadway Advisory Committee consists of three (3) Selectmen, two (2) Planning Board members and other qualified citizens. Currently the Selectmen are advising themselves.*

6. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Zoning Ordinance as follows:

To amend Article V of the Town of Rindge Zoning Ordinance to **eliminate** Section 6, which currently states: “‘Churches’ are allowed upon the granting of a Special Exception by the Board of Adjustment, when the Board is satisfied that the proposed use meets the requirements imposed by Article XIV,B.”

(The Planning Board recommends this amendment. Vote: 5-1-0)

*Currently there is a conflict between Article V, Section 6 (proposed to be eliminated) and Article III, Section R of the Town of Rindge Zoning Ordinance. Article III, Section 6 reads as follows: “Churches and other places of religious assembly are allowed in all zoning districts and are subject to Site Plan Review by the Planning Board.” Case law allows churches to be subject to Site Plan Review by the Planning Board but not to a Special Exception by the Zoning Board of Adjustment. As per Article III, Section 6 churches will still be subject to Site Plan Review by the Planning Board in all zoning districts.*

7. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Sign Ordinance as follows:

To amend Article III, Section I of the Town of Rindge Sign Ordinance to **eliminate** the final sentence of that section, which currently states: “No Real Estate Directional signs may be placed in the right of way.”

(The Planning Board recommends this amendment. Vote: 6-0-0)

*This amendment is intended to allow temporary real estate directional signs in the right-of-way to reflect the way the ordinance is presently enforced.*

8. Are you in favor of the adoption of this Amendment as proposed by the Planning Board for the Town of Rindge Sign Ordinance as follows:

To amend Article V of the Town of Rindge Sign Ordinance to **eliminate** Section Q, which currently states: “Internally illuminated signs including Vending Machine Signs and/or their facades.”

To amend Article III, Section F of the Town of Rindge Sign Ordinance to **add** the word “External” as the first word of the heading of section F so that it reads as follows: “F. External Illumination Standards.”

To amend Article III, Section F of the Town of Rindge Sign Ordinance to **add** a new subsection 1 and renumber current subsections 1 through 7 to 2 through 8. The new subsection 1 to read as follows: “The use of LED lighting and/or the use of efficient enclosed internal lighting is encouraged for all new applications and changes to all existing external lighting.”

## 2015 Town Warrant with Explanations

To amend Article V of the Town of Rindge Sign Ordinance to **eliminate** Section O, which currently states: “Illuminated Canopy signs.”

(The Planning Board recommends this amendment. Vote: 5-1-0)

*This amendment is intended to allow external internally illuminated signs while encouraging the use of LED lighting and/or efficient and enclosed lighting.*

9. Shall the Town vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,706,400 Dollars? Should this article be defeated, the default budget shall be \$3,791,227 Dollars which is the same as last year, with certain adjustments required by previous action of the Town or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Note: This warrant article (operating budget) does not include appropriations in ANY warrant article. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

*A “yes” vote would approve the operating budget of \$3,706,400. The operating budget is \$100 less than last year’s budget.*

10. Shall the Town vote to raise and appropriate the sum of Seventy Four Thousand and Eleven (\$74,011) Dollars for the fourth of five lease payments on the fire truck lease approved by the voters at the 2012 Annual Town Meeting? This lease agreement contains an escape clause. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

*A “yes” vote would authorize the expenditure of \$74,011 for the fourth of five lease payments on the fire truck that was put into service in 2012. The Town will own the fire truck at the end of the lease term. Last year the Town raised and expended \$74,011 for this purpose. Since the amount this year is the same, there is no increased tax impact. The proposed appropriation of \$74,011 represents approximately \$27 on the tax bill for a \$200,000 house.*

11. Shall the Town vote to raise and appropriate the sum of Eighteen Thousand (\$18,000) Dollars to be added to the Wellington Road Bridge Replacement Capital Reserve Account previously established? (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

*A “yes” vote would deposit \$18,000 into the account established in 2012 for replacement of the Wellington Road bridge. This bridge is on the State’s list of bridges which must be replaced, the cost of which is estimated to be \$730,000. The Town has applied for State Bridge Aid which would cover 80% of the cost, if approved. The Town must save \$146,000 (its 20% portion of the cost) between now and 2020. The Town appropriated \$18,000 into the account in 2012, \$18,000 in 2013 and \$18,000 in 2014. This year’s appropriation would bring the total amount in the account to \$72,000. Since the amount of the proposed appropriation this year is the same as last year, there is no increased tax impact. The proposed appropriation of \$18,000 represents approximately \$ 6 on the tax bill for a \$200,000 house.*

## 2015 Town Warrant with Explanations

12. Shall the Town vote to raise and appropriate the sum of One Hundred Fifty Six Thousand Five Hundred Ninety (\$156,590) for the purpose of replacing the 19 year old 1996 Highway Department 6 wheel dump/plow truck and equipping the truck with items such as radio, emergency lights and plow attachments? (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

*A “yes” vote would authorize the purchase of a 6 wheel dump truck to replace the 19 year old truck which has serious mechanical and rust problems that take it out of service and it is increasingly expensive to repair. The trade-in value of this truck was recently estimated to be \$4,500. The repair and maintenance costs for this vehicle this year will exceed its value. This is a new appropriation and represents an increased tax impact of approximately \$57 on the tax bill for a \$200,000 house.*

13. Shall the Town vote to raise and appropriate the sum of Ten Thousand (\$10,000) Dollars to fund municipal energy projects as approved by the Board of Selectmen? (Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

*A “yes” vote would authorize the expenditure of \$10,000 for the Town’s Energy Commission. Last year the Town raised \$18,000 for this purpose. Since the amount this year is \$8000 less than last year’s amount, there is no increased tax impact. The proposed appropriation of \$10,000 represents approximately \$ 4 on the tax bill for a \$200,000 house.*

14. Shall the Town vote to establish an Expendable Trust Fund for the purpose of supporting the Town’s 250<sup>th</sup> Anniversary celebration in 2018 and to raise and appropriate the sum of Five Thousand (\$5,000) Dollars for that purpose and for incidental expenses related thereto and to appoint the Selectmen as agents to expend from the Fund? (Recommended by the Board of Selectmen, 2 in favor, 1 opposed. Not recommended by the Budget Advisory Committee, 3 in favor, 4 opposed.)

*A “yes” vote would authorize the Town to begin saving for the Town’s 250<sup>th</sup> Anniversary Celebration in 2018. This is a new appropriation and the amount of \$5,000 represents an increased tax impact of approximately \$2 on the tax bill for a \$200,000 house.*

15. Shall the Town vote to raise and appropriate the sum of Thirty Thousand (\$30,000) Dollars for the purpose of purchasing a 15 passenger mini-bus or similar vehicle with lettering and a radio to replace the 13 year old Recreation Department van; and to authorize One Thousand (\$1,000) Dollars of the purchase amount to be raised from taxes; and to authorize the acceptance of Twenty Nine Thousand (\$29,000) Dollars of the purchase amount from donations. This shall be non-lapsing until January 1, 2018 or until the \$29,000 in donations have been raised, whichever is sooner?  
(Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

*A “yes” vote would authorize the replacement of the 13 year old Recreation Department van with a newer minibus or similar vehicle in order to expand and improve programs for Rindge residents, especially teens and seniors. The current van is difficult for small children and seniors to enter and exit. A newer replacement vehicle will substantially reduce maintenance costs. \$29,000 of the purchase amount must be raised by*

## 2015 Town Warrant with Explanations

*donations. This is a new appropriation of \$1,000 from Town funds and represents an increased tax impact of approximately \$0.36 on the tax bill for a \$200,000 house.*

16. Shall the Town vote to pass the following non-binding resolution, which reads: “The Ingalls Memorial Library Board of Trustees should continue to work on the Ingalls Memorial Library expansion and renovation project which was started in the middle 90’s?” (Submitted by the Ingalls Memorial Library Trustees). (Recommended by the Board of Selectmen, 3 in favor, 0 opposed.)

*A “yes” vote would show support for the work on the final phase and completion of the Library expansion and renovation project. There is no tax impact.*

17. Shall the Town vote to raise and appropriate the sum of Twenty Five Thousand (\$25,000) Dollars, the total amount to be withdrawn from the Library’s Restricted Funds, for the purpose of developing design documents for the expansion and renovation of the Ingalls Memorial Library? (Submitted by the Ingalls Memorial Library Trustees). (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed, 1 abstention.)

*A “yes” vote would authorize the Library Trustees to withdraw \$25,000 from the Ingalls Memorial Library Restricted Funds account which contains donations and bequests for the benefit of the Library. This money would be used to provide schematic design and design development documents for the final phase of the Library expansion and renovation project started in the middle 90’s. Approval from the Town is needed in order to use the money from this existing fund. There will be no impact on the tax rate.*

18. Shall the Town vote, pursuant to RSA 35:9-a-II, to authorize the Trustees of the Trust Funds to pay for capital reserve fund investment management services, and any other expenses incurred, from capital reserve fund income? No vote by the Town to rescind such authority shall occur within five (5) years of the original adoption of this Warrant Article. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 7 in favor, 0 opposed.)

*A “yes” vote would enable the Trustees to engage an investment advisor to invest the Town’s Capital Reserve Funds, and it would enable the Trustees to pay for these investment services out of the income from the Capital Reserve Funds. This Warrant Article does not require the Trustees to do anything; it merely enables the Trustees to explore investment options and pay the fees. There is no tax impact.*

19. Are you in favor of repealing the Town of Rindge Impact Fee Ordinance? (Submitted by Petition). (Recommended by the Planning Board, 4 in favor, 3 opposed.)

*A “yes” vote would repeal the Town of Rindge Impact Fee Ordinance which currently assesses an impact fee on new development in the Town of Rindge.*

20. Shall the Town of Rindge vote to oppose approval by the NH Energy Facility Site Evaluation Committee of the construction and installation of a natural gas pipeline by Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company) as part of the Northeast Energy Direct Project because the proposal is inconsistent with the basic tenet of individual property rights whereas if approved, Tennessee Gas Pipeline Company LLC shall have the power to force private property owners to give up rights under Eminent Domain proceedings in order to create a new corridor for the installation of the pipeline project? (Submitted by Petition).

## 2015 Town Warrant with Explanations

*A “yes” vote would direct the Selectmen to actively oppose approval of the pipeline project on the grounds that the approval allows a private corporation, Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company) to construct, install, and maintain a pipeline located in a new utility corridor in Rindge that could include private property taken through Federal eminent domain proceedings.*

21. Shall the Town of Rindge vote to oppose approval by the NH Energy Facility Site Evaluation Committee of the construction and installation of a natural gas pipeline by Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company) as part of the Northeast Energy Direct Project because the proposal is inconsistent with the Town’s goal of protecting its aquifers, drinking water including community and private wells, wetlands, streams and other bodies of water. In addition, the proposal to extract water to use in drilling or other operations, whether from a body of water or well, is inconsistent with the Town’s goal to protect such waters? (Submitted by Petition).

*A “yes” vote would direct the Selectmen to actively oppose approval of the pipeline project on the grounds that approval allows a private corporation, Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company) to possibly endanger our sources of drinking water, wetlands, streams, and other bodies of water during the construction, installation, and maintenance of a pipeline in Rindge*

22. Shall the Town of Rindge vote to deny permission to the Tennessee Gas Pipeline Company, LLC (a Kinder Morgan Company), its representatives, contractors, sub-contractors, or associates to enter any Town-owned property, including but not limited to Converse Meadow, to perform surveys in furtherance of a pipeline infrastructure project. Any such physical entry onto Town-owned property will be considered unauthorized, and treated as trespass and prosecuted as such? (Submitted by Petition).

*A “yes” vote would direct the Selectmen to continue to deny permission to Tennessee Gas Pipeline Company, LLC or anyone representing them access to Town-owned properties. This action was originally approved unanimously by the Selectmen on Dec 4, 2014 until a vote of the Town could be taken.*

## Beautification Committee

In 2014 The Rindge Beautification Committee (RBC) members planted and maintained seven public gardens including those at the police station, the Smith Pavilion, the Recycling Center, Town Office, Ingalls Memorial Library, Wellington Field and the Meeting House.

The RBC raises funds mainly by requesting donations from local businesses and organizations. The RBC is grateful to those who responded generously over past years including The Rindge Police Association, the Rindge Woman's Club, the Ingall's Memorial Library, the Chamber of Commerce, the Jaffrey-Rindge Rotary and the RAMS. In addition, every year Walmart donates a gift card used for fertilizer and flowers, and Hannafords and Demoulas Market Basket supply plants. Committee members contributed labor and shared plants from their gardens.

Committee members are happy to see Rindge attractive and blooming and would welcome volunteers to help with planting, watering and weeding. It is a healthy and rewarding activity, and the resulting colorful gardens are admired by all.

During the calendar year 2014 the Board of Adjustment considered 16 cases. There were 10 variances, 3 special exceptions and 3 appeals. This volume is up a little from 2013. One decision of an appeal regarding an Administrative Decision was appealed to the courts and was upheld.

Board members are: Phil Stenersen, Janet Goodrich, Marcia Breckinridge (Vice-Chair), William Thomas and David Drouin

Alternate members are: Joseph Hill, Rick Sirvint and Forbes Farmer

Thank you to all the members and alternates for their time and efforts regarding the cases considered.

Respectfully submitted,

David G. Drouin  
Chair

## Budget Advisory Committee

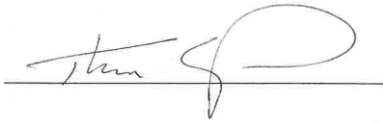

We reviewed the budget this year in a similar fashion as last year with the Board of Selectmen. The Selectman again had an active involvement in the budget process with the purpose of having a level budget equal to last year. The Budget Committee supported that initiative.

Not all of our recommendations were adopted by the Selectmen. Notably, we did not support a wage pool this year. Primarily because the amount budgeted for wage increases last year was more than doubled as a result of under spending in other areas. This resulted in large retroactive wage increases in 2014 of approximately \$66,000. We also did not support the creation of another full time support position for the Town Office. We felt that some additional part time work staff would be sufficient. Lack of support for this is due to the ever increasing cost of benefits, which we have expressed concerns about for a number of years. Additionally we had concerns about excessive overtime in a couple of departments. We recommended adding additional money to the highway projects appropriations line for additional paving. The Town is behind in paving roads and we felt it was prudent to make a start and add additional revenue for this purpose. This recommendation was not included in the budget. Our recommendations would have delivered a budget roughly \$7,700 lower than last year.

The committee is supportive of the overall budget as proposed only because it is not greater than last year. There are however, line items contained in the budget that the committee does not support.

I would like to thank all the members of the committee who bring their collective circles, relationships and neighbor's viewpoints together to provide insight into the budget process on the behalf of the taxpayers of Rindge.

Respectfully Submitted,

Thomas Coneys, Chairman

## Building Department

The Rindge Building Department conducted approximately 471 inspections in 2014. In 2015 we will continue to update the inspection process to ensure that all applicable codes are met and all contractors performing the work are properly licensed in the State of New Hampshire. We will continue to look at ways to clarify the process for obtaining the necessary permits and documentation for commercial and residential building, occupancy and operation permits. This information will hopefully help the permit process go smoothly. In 2015 we will update the town's new website with all permit applications, worksheets, inspection schedules, permit fees, and information pertaining to obtaining a permit. I continue to look forward to working with all homeowners and contractors performing work in the Town of Rindge.

The Town of Rindge Building Department issued eight (8) Residential Single Family Dwelling Permits; four (4) Replacement Single Family Dwelling; one (1) Commercial Building; ninety-nine (99) Residential Accessory Permits; eighteen (18) Commercial Accessory Permits; fourteen (14) Demolition Permits; seventy-five (75) Electrical Permits; twenty-six (26) Plumbing Permit; forty-eight (48) Fire Safety Permits; thirteen (13) Occupancy Permits; twenty-four (24) Mechanical Permits.

### PERMIT REQUIREMENTS

**Permits are required for all construction within the Town of Rindge including Remodeling, Additions, sheds, outbuildings, decks, pools, sundecks, Demolition of a structure, etc. A permit is also required for all electrical, plumbing, mechanical, oil and gas appliances including piping, wood burning equipment, chimneys, etc. Permit applications and information may be obtained at the Rindge Building Office located in the Rindge Town Office Building on Payson Hill Rd. Permit applications may also be downloaded from the town's website.**

All contractors are required to file a permit application to obtain a permit for their respective trade. Examples are electrical, plumbing, mechanical permits, etc. This process will ensure better management of building projects within the town. This procedure will guarantee the contractor's endorsement for the building project.

**The Rindge Building Department encourages all residence and contractors planning any remodeling or construction projects to first contact the Building Office prior to construction, remodeling, repairing, demolish, altering, etc. to obtain information on the permit process and what permits may be required as well as what codes and code editions are adopted.**

Respectfully Submitted,

Rickard J Donovan  
Director of Public and Life Safety

## Capital Improvements Plan Committee

Providing the basic services which ensure the health, safety and wellbeing of Rindge's residents is a fundamental responsibility of Town government. Deferred maintenance of Town facilities and the failure to replace essential equipment on a regular basis will likely result in the unpleasant surprise of expensive projects or acquisitions generating large property tax increases.

The Capital Improvements Plan helps to anticipate needs rather than simply reacting to unanticipated problems. A good Capital Improvements Plan can help identify the most economical means of financing a project or a purchase.

The Capital Improvements Plan Committee added three new members in 2014: Charlie Eicher, Craig Clark and Jason Paolino. The Committee has been reviewing the needs of Town Departments as well as updating the Capital Improvements Plan.

This year the Committee has focused, specifically, on the needs of the Public Works/Highway Department. The Committee has recommended the replacement of the 19 year old 1996 Highway Department 6 wheel dump truck/plow . It is costing the Town more to repair and maintain this truck than it is worth. The Public Works/Highway Department has doubled the manufacturer's intended service life of this truck, but is now forced to expend much more than the value of the truck for annual maintenance with the ever increasing risk of catastrophic mechanical failure.

The Committee also has recommended raising \$35,000 to be placed in the Highway Department Equipment Capital Reserve account in order to begin saving for the replacement of additional vehicles and equipment in the next 5 years. This amount is not nearly enough to address the critical needs of the Highway Department but the Committee believes it is imperative to start to save for Rindge's future equipment purchases.

Respectfully submitted,

Rindge CIP Committee

## Cemetery Trustees

The Meeting House Cemetery located in the center of town is an important part of the history of the town of Rindge and is the resting place of many of the town's first settlers. It is important that any town recognize the importance of its cemeteries, its history and its establishment with a sign identifying its name. With the generosity of the RAMS - Rindge Athletic Men's Club, the RAMS paid for a new sign that will be located in front of the cemetery near the historical Meeting House. The sign should be in place sometime in spring or sooner. The Meeting House Cemetery was established in 1764 and is on the register of National Historical Places. The RAMS also paid for a section of white picket fence to create a separation and border between the town office parking lot and the cemetery. For 2015, the Cemetery Trustees will be looking at the possible expansion of the back section of Hillside Cemetery along with an area for possible Green Burials in the future. The Cemetery Trustees will continue reviewing the town's Cemetery Ordinances to ensure they comply with current state RSA requirements for town own cemeteries along with a complete inventory of all cemeteries located in the Town of Rindge. And as stated in last year's cemetery trustees report, there is still major concern with the ongoing weathering of gravestones resulting in damage to many historical gravestones located mainly in the Meeting House Cemetery. Repairs of old gravestones is costly and extremely time consuming but never less needs to be addressed in order to help preserve the gravestones that are such a large part of Rindge town history.

There were 13 burials in the year of 2014, 6 Full burials, 7 cremations and no children or infants. Total income for burials was \$4,550.00, \$750.00 for perpetual care and \$700.00 for lot purchases. The Cemetery Trustees would like to thank the Director and all employees of the Department of Public works for the continued help with burials, upkeep and ongoing maintenance for the graveyards and cemeteries located in the town of Rindge and special thanks to the RAMS for their help with obtaining a sign for the Meeting House Cemetery and the section of white picket fence.

Respectfully submitted,

Rindge Cemetery Trustees

## Code Enforcement Officer

The Rindge Board of Selectmen is responsible for the enforcement of town zoning and sign ordinances, land use decisions of the Planning Board, and all Board of Adjustment (ZBA) rulings. The Board appointed the Code Enforcement Officer to carry out their enforcement responsibilities as the need therefor arises.

Generally, people who violate town ordinances are unaware of the ordinances that prohibit or limit their actions. Do you know what the building setbacks are in your District? Do you even know what District your property is in? Do you know how far from a stream or the lake shore you may erect a shed or a deck? Generally, only a telephone call is sufficient to inform someone of our requirements. Sometimes it takes a bit more.

Fortunately the list of situations I am actively monitoring remains small. Oftentimes I merely perform a regular update. Most violations involve unregistered or junk cars or a new shed or deck constructed within a setback or without a Building Permit.

I represent the Board of Selectmen at ZBA hearings, interpreting applicable laws or regulations when asked. Some cases call for a Variance from town ordinances and others a Special Exception for a permitted action.

If you need assistance to review a neighborhood situation and a potential zoning violation, please let me know (extension 113) Mondays, Wednesdays, or Fridays during business hours.

Respectively submitted,

David E. DuVernay  
Rindge Code Enforcement Officer

## NOTICE

The New Hampshire legislature has enacted HB 316 in 2011 which states:

“I. In this section:

‘Involuntary merger’ and ‘involuntarily merged’ mean lots merged by municipal action for zoning, assessing, or taxation purposes without the consent of the owner.

‘Owner’ means the person or entity that holds legal title to the lots in question, even if such person or entity did not hold legal title at the time of the involuntary merger.’

‘Voluntary merger’ and ‘involuntarily merged’ mean a merger under RSA 674:39-a, or any overt action or conduct that indicates an owner regarded said lots as merged such as, but not limited to, abandoning a lot line.

II. Lots or parcels that were involuntarily merged prior to September 18, 2010 by a city, town, county, village district, or any other municipality, shall at the request of the owner, be restored to their premerger status and all zoning and tax maps shall be updated to identify the premerger boundaries of said lots or parcels as recorded at the appropriate registry of deeds, provided:

The request is submitted to the governing body prior to December 31, 2016.

No owner in the chain of title voluntarily merged his or her lots. If any owner in the chain of title voluntarily merged his or her lots, then all subsequent owners shall be estopped from requesting restoration. The municipality shall have the burden of proof to show that any previous owner voluntarily merged his or her lots.”

III. All decisions of the governing body may be appealed in accordance with the provisions of RSA 676.

IV. Any municipality may adopt local ordinances, including ordinances enacted prior to the effective date of this section, to restore previously merged properties that are less restrictive than the provisions in paragraph I and II.

V. The restoration of the lots to their premerger status shall not be deemed to cure any non-conformity with existing local land use ordinances.”

If you need any assistance in understanding the import of this legislation or its applicability to you, please do not hesitate to inquire of the Town Administrator, Planning Director, or Assessing Clerk.

(This Notice must be posted prior to January 1, 2012 and remain posted until December 31, 2016.)

## Conservation Commission

The Rindge Conservation Commission (RCC), strives to monitor, protect and preserve the natural resources of Rindge. The Commission works closely with the public, Town boards and the N.H. Department of Environmental Services to give advice and make recommendations in an effort to protect the environment now and for the future.

Activity Highlights:

1. Pursuit of conservation land, easement acquisition and facilitation.
2. Conservation land holdings management.
3. Wetlands permit application review.
4. Environmental violation investigations and reports
5. Environmental education promotion.

The Commission's largest project in 2014 was the creation and improvement of the Contoocook Marsh Complex off County Road and along the Rail Trail. A new parcel, the Johnson Family Wilderness Preserve, was gifted to Rindge by Joy Waldren in memory of her parents, adding to the complex. A series of four different properties tied together by a new loop trail featuring an innovative floating bridge over a stream crossing designed by Project Manager Richard Mellor, the bridge and trail construction as well as signage was made possible by a grant from the state.

Across the Rail Trail at Roger's Landing the Town is hosting one of ten native pollinator project sites in the county to enhance the habitat for strengthening and increasing the native pollinators over the whole growing season. A large portion of the labor to prepare the site by removing brush was provided by a youth leadership group from Camp Wildwood. They are regular contributors of volunteer labor to the Town and the Commission is very grateful.

The water quality project continues with Franklin Pierce University and the Pearly Pond Association to address the continuing water quality issues of that body of water in Town.

The Commission again selected a Rindge youth for a week at Camp Wildwood at no cost to the Town or the resident due to the generosity of the Mass. Audubon Society.

The Commission selected and the Highway Department moved and installed a stone from the Converse Meadow Mill site to the base of the tree on the Meeting House lawn in memory of Bob Cleland, a long time Commission member and the donor of the tree.

The Commission is pleased that the Rindge Athletic Men's Social Club ran a youth obstacle race at Converse Meadow in the fall, further highlighting that wonderful property.

Property owners wishing to help insure Rindge's natural future who may be interested in conserving their land, should contact the Commission to discuss the range of possibilities. The Commission meets the second Monday and fourth Thursday of every month and we invite the public to join us any time.

Respectfully submitted,

David G. Drouin, Chair

## Economic Development Task Force

The Economic Development Task Force was created in 2012 for the purpose of implementing the goals and objectives of the Rindge Economic Development Initiative (REDI) Action Plan. It received its charter from the Rindge Planning Board and considers its responsibility to be "watchdogs" to ensure various town organizations are keeping economic development progressing in Rindge.

Early this past year, the task force hosted a presentation by Mike Cloutier, Director-Public Works Department, who discussed the challenges and opportunities of providing affordable quality public works services and other related infrastructure. This includes sixty-five miles of roads, buildings, cemeteries and public areas.

In May the task force members were hosts of Diane Gardenour, Director-Ingalls Memorial Library and Jim Qualey, Co-Chair-Trustees, for a discussion of the library's future expansion/renovation plans, along with a tour of all three floors. The library anchors our historic center and remains a vibrant part of our community.

The task force then began to focus on updating the 2011 REDI Action Plan and will subsequently propose certain recommendations to the Rindge Planning Board.

In the summer of 2014 the task force established the Real Estate Inventory Subcommittee (REIS) to review the inventory of town-owned properties. REIS is nearing completion of this undertaking which when finished will provide the Board of Selectmen updated research on certain tracts of land available to either be sold or continue to be owned by the town for conservation or various other purposes.

The Task Force meetings are held on the second Monday of each month at 8:30 a.m., usually in the Selectmen's Meeting Room. The public is encouraged to attend.

The Task Force members extend their gratitude to Burton Goodrich for his contribution in guiding them from their initial meeting up to March of 2014.

Respectfully submitted,

Bruce Donati-Chair

## Emergency Management Department

The Rindge Emergency Management Department worked with town department heads to review and update the Emergency Response Plan which will be filed with FEMA in 2015 instead of 2014. The Emergency Response Plan and the Hazard Mitigation Plan must be updated and filed with FEMA every five (5) years.

All Emergency Management trailers were outfitted with shelving for equipment storage, emergency warning lights on the Traffic Control trailer, and converted wiring to the same electrical connection plugs. We also purchased a new trailer to be used as a Technical Rescue Trailer housing all the departments technical rescue equipment. This will reduce our response time by having all equipment stowed in one place ready to respond to an incident.

The Rindge Emergency Operations Center (EOC) opened locally for snow storm events one time in 2014. The station is staffed during this event to allow for quick and efficient response to calls for service.

In times of storm events, the Emergency Management Department asks all residents and visitors to respect all road barricades for closed roads and partially closed roads. We experience road barricades being run down or thrown off the roads into the woods or over the shoulder. These barricades are placed to indicate a hazardous condition and for public safety. Your cooperation in this matter would be greatly appreciated.

In 2015 we will continue to implement a town-wide notification system. We will also be updating the town's new website with important preparedness information and other storm related material. We will also be researching grants for equipment and other needs of the town.

Respectfully Submitted,

Rickard J Donovan, Emergency Management Director

The Rindge Energy Commission began 2014 with the following objectives:

- 1.) Replace leaky and broken windows in the Fire Department (RFD) building, work on several lighting projects, and improve energy efficiency at one or more municipal buildings.
- 2.) Assist other town boards, departments, and committees in tracking and optimizing energy usage.

The energy efficiency projects, authorized by the voters, gave the Energy Commission and the Department of Public Works (DPW) the flexibility to present the Board of Selectmen with a menu of proposals which optimized energy conservation goals while also meeting Town infrastructure needs.

Project Name:	Amount	Vendor
Town Common, Veterans Memorial, & Church Pole - Change lighting to LED	1,430.10	Electrical Supply of Milford
		S.R. Ellis Electric
Library install LED lights and dimmer	212.47	Electrical Supply of Milford
Meetinghouse Candelabras and dimmer	223.88	Electrical Supply of Milford
	139.50	S.R Ellis Electric
	(150.00)	Women's Club Contribution
	213.38	
RPD Change track lighting to LED fixture	225.00	Grace Electric
RFD Windows	1,753.55	Belletetes
RFD Mini-Splits	17,145.00	Jay Moody LLC
	1,928.36	Milford Electric
	747.70	Belletetes
	(5,655.56)	Impact fees
	14,165.50	
<b>TOTAL EXPENDED</b>	<b>18,000.00</b>	

This year’s major project of installing mini-splits at the Fire Department is expected to save approximately 500 gallons of oil per year and \$500 annually on electric consumption compared with resistive heating. In addition, this project met the RFD and DPW goal of heating the dispatch room.

The total value of the mini-split project was \$27821.06 if the quoted price of \$8000 for electrical wiring is included. The Energy Commission Warrant Article funds paid \$14,165.50 of the cost, while impact fees of \$5655.56, and donated electrical work valued at \$8000 by Fire Chief Rickard Donovan, contributed to reduce the anticipated payback to less than 8 years.

The Rindge Energy Commission appreciates the contributions of DPW and RFD personnel, not only in the work done on the mini-split project, but also for securing great pricing on the windows and using in house labor to keep the costs down.

## Energy Commission

The Energy Commission asks Rindge Residents to vote in favor of a Warrant Article for energy efficiency projects for municipal buildings and additional outdoor lighting efficiency (LED conversions) projects for non-PSNH owned lights in 2015. All projects will be presented to the BOS for approval with the guidance of the DPW and the Town's Building Committee.

The Town of Rindge spent \$5537.37 less on energy consumption compared with 2011 during 2014. Rindge expended \$81,336.63 in energy dollars (excluding transportation, but including the 50% paid by the Congregational Church for the Meeting House energy expense) in 2014. In contrast, Rindge spent \$95,346.52 in 2013 and \$86,874 in 2011. Since most of the energy efficiency projects were completed in 2012, the baseline year is 2011.

### Heating

2014 was another cold year with 6244 Heating Degree Days (HDDs) compared with 5813 in 2011 and only 4911 in 2012. Despite 2014 having 7% more HDDs than in 2011, overall the Town used 2419 (16.3%) fewer gallons of oil than in 2011. Weatherization work and improved controls at the Library saved 260 gallons of oil compared with 2011, but it saved 924 gallons compared with usage in 2013 during a comparably cold winter. Previous weatherization work at the Police Department and Highway Garage and better controls and heating equipment at the Meeting House and Library all contributed to a raw savings of 2419 gallons valued at \$6845.77 (2014 price of \$2.83/gal) compared with 2011. While oil consumption at the RFD was down slightly over 2013, propane usage was up.

### Electricity

There were 17% fewer Cooling Degree Days in 2014 than 2011 which had a small positive impact on electricity savings (air conditioning costs decreased). Overall, there was a 1.7% decrease in electricity usage at municipal buildings, most of which can be attributed to reductions in electricity usage at the Library (\$1815.41), Police Department (\$737.06), and the Town Offices (\$2299.80), for an overall cost reduction of \$4282.39 compared with 2010.

The Streetlight conversion project continues to save at least \$5000/year compared with the higher rate paid prior to 2010 (Streetlight conversion project occurred in mid-2011). The Fire Department electricity usage increased 5% over 2011 levels despite a lighting efficiency project in 2012. However, the Fire Department building is constantly occupied now compared with 2011 usage levels and oil consumption increased nearly 60% in the same time period. Lighting efficiency projects at the Meeting House and Fire Department and additional outdoor lighting projects will be the focus for reducing electricity consumption in 2015.

Respectfully Submitted

# Fire Department

In 2014 the Fire Department responded to 673 calls for service. Fire-related incidents accounted for 309 calls and EMS related incidents accounted for 364 calls for service. The department’s annual activity remained about the same as 2013.

In 2015 the Fire Department will continue to build its call membership and provide all these dedicated men and women with the necessary training and equipment to respond to emergencies and preserve the safety of the town and its residents. This is very important to ensure firefighter safety and help keep the town tax rate in check. The dedication and hard work of these residents, who spend hundreds of hours to train and certify, allows the department to provide a high level of professional service to the town and protect its residents.

These emergency responders are paid per call instead of manning the station at all hours. Without a full-time Fire Department, Rindge relies on service-minded citizens to work on behalf of the community. Anyone interested in a making a difference for their community as a first responder can contact Director of Life and Public Safety Rick Donovan at the Fire Station (899-3324) for details.

During the past year the department and its members have made several improvements to the fire station. Those improvements, designed to bring the station up to code in order to provide a safe, efficient and professional service to our citizens and visitors. Those improvements include installing replacement windows in the Meeting/Training Room and Office’s, Renovation of the Radio Room and Report Area, installation of insulation in the back storage areas of the station, and the installation of five (5) Mitsubishi Electric Split Units within the station.

The Fire Department provides Fire Prevention and Education Programs at the schools and during public events. The department also offers Fire Safety Programs, Fire Prevention programs, Fire Extinguisher Training, and CPR and First Aid training to local businesses and their employees as well as Rindge residence. The department also offers free Home Fire Safety Inspections to Rindge residents and performs mandatory annual State Fire Code inspections of town businesses, public buildings and multi-family dwellings. If you are interested in more information about these programs, please contact us at 603-899-3324.

The department extends a sincere thank you to all the people, businesses, and organizations that have provided their support during the past year.

Come see us. The department has an open door policy and Rindge residents are invited to come visit the station during regular business hours to look at the town’s emergency apparatus and equipment. Fire prevention materials are also always available.

Rickard J Donovan, Director of Public and Life Safety

## Fire Department

The Rindge Fire Department maintains minimum training and certification levels for all emergency responders in accordance with the National Fire Protection Association and National EMS Registry requirements and recommendations. All members are required to participate in mandatory fire, rescue, and EMS trainings, infectious disease training and monitoring, and leadership training.

### Apparatus Brief

The Rindge Fire Department will continue its Preventative Maintenance Program on all vehicles and equipment in effort to keep all emergency equipment in a state of constant readiness. This program also helps keep repair costs down and ensures the equipment meets its recommended life span. The maintenance program consists of in-house weekly vehicle and equipment inspections; in-house fluid, filter, and lubrication service; oil changes; pump and ladder maintenance; small engine service, and building maintenance.

### FIRE PREVENTION, EDUCATION, AND INSPECTION OFFICE

The Rindge Fire Department will continue its Fire Prevention and Education Programs in the schools and other public and private events. We also continue to offer Fire Safety Programs, Fire Extinguisher and Prevention Programs to local businesses for their employees. The Rindge Fire Department also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections at businesses and multi-family dwellings located in town. The Rindge Fire Department maintains an open door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the town owns. This is also a great time to see what is available and the importance of different equipment used in the fire service. Fire prevention materials are also available at the fire station.

Under NH State Fire Code and State Statutes, all businesses and residential rental units are subject to annual life safety inspections. The Town of Rindge currently inspects 12 Businesses twice annually, 162 Businesses in 89 buildings annually, 15 Multi-Family Units annually, 54 Residential Rental Units annually and 10 Town and State Buildings annually. All single-family dwelling units or rental rooms within a dwelling used as rental units are subject to annual inspections under the State Fire Code.

### CPR, AED, AND FIRST AID TRAINING

The Rindge Fire Department offers CPR, AED, and First Aid classes to the general public and businesses within the Town of Rindge. We are planning on scheduling monthly classes, and more if necessary. To receive more information or to sign up for a class, please contact the Departments CPR/First Aid Coordinator, Brittany Gilman at 603-899-3324. Our goal is to train as many citizens as possible in CPR, AED, and First Aid.

**The Rindge Fire Department would like to thank the Town of Rindge residents and businesses for all their support throughout the years.**

# Forest Fire Warden & State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdf.org](http://www.nhdf.org).

This past fire season started in early April with the first reported fire on April 7th. April, which is the traditional start to our spring fire season, began very dry with unseasonably dry conditions continuing through the entire month. This dry pattern continued through the first half of May. 80% of our reported fires this season occurred during this six week period. The largest fire was 24 acres, occurring in the town of Tamworth. From mid May through early September, above average rainfall kept our total acreage burned statewide at 72 acres. This is the smallest amount of acreage burned statewide in several years. Late August through late September though brought a dry trend to northern areas, resulting in several deep-burning remote fires. Our fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2014 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

#### Rindge Fire Department Burn Permit Schedule

##### **Burn Permits**

Permits will only be issued after the state “Daily Fire Danger Class” announcement at 3 PM Monday thru Thursday at the Fire Department or Town Offices and 3 PM on Friday, at the Fire Department. Weekend permits will be issued after 3 PM on Friday. You can obtain a Burn Permit on the day you plan to burn at:

##### FIRE STATION

Mon – Fri 3 PM – 6 PM

##### TOWN OFFICES

Mon. – Thurs. 3 PM – 4:30 PM

There will be no permits issued on Saturday, Sunday or Holiday’s so plan ahead if you plan to burn on these days.

##### NOTE

- **You must obtain a Burn Permit for all outside fires**
- **You must notify the on duty Warden of a burn when there is snow cover**
- **If we are out of the station or office during the scheduled time frame, please wait or call later, we may be on an emergency call or an inspection.**
- **Please DON’T call the Warden or Deputy Wardens at home. Call the cell phone.**
- **Please allow time for the Warden or Deputy Warden to call back after calling them. They could be on an emergency call or busy at that time, but will call you as soon as possible.**
- **It is the responsibility of seasonal permit holders to check the Danger Fire Class.**
- **It is illegal to burn household trash, treated wood, logs bigger than 5”, etc. Please contact Warden or Deputy Warden if what you are burning is questionable. Only clean wood can be burned.**

**If you ignite a fire without a permit, the Rindge Fire Dept. will extinguish it at the owner’s or responsible party’s expense. (RFD Policy: \$250 Base Fee for UNAUTHORIZED BURNING)**

## History Committee

The purpose of the Rindge History Committee is to assist in maintaining the historical integrity of the Town and foster awareness of the history, people, places, traditions, structures, and artifacts of Rindge.

The History Committee meetings are open to the public and attendance by residents is encouraged. Suggestions and ideas from the public are welcome.

This year the History Committee met and discussed the upcoming Sestercentennial or 250<sup>th</sup> Anniversary of the incorporation of the Town of Rindge in 1818. Some of us have wonderful memories of Rindge's Bicentennial or 200<sup>th</sup> birthday in 1968. It was a time when the whole community came together to share the town's past and look to the future. There were many events spread throughout the year, sponsored by all the clubs and organizations in town. There were special church services, a fireman's muster, a square dance, the Bicentennial ball, fireworks at Franklin Pierce College, the burial of razors by the Brothers of the Brush, and even a cow milking contest between the Selectmen, the School Board, and the Bicentennial Belles. Of course the Belles won! The events culminated in a grand parade with bands and floats that stretched from West Rindge Village to the Center. That evening a pageant documenting Rindge's history was performed in Roland Goddard's field, home site of Abel Platts, Rindge's first settler.

The History Committee suggested to the Board of Selectman that the town start to raise funds to support the upcoming 2018 Anniversary and to appoint a committee to plan and oversee our 250<sup>th</sup> birthday celebration. The selectmen have included an article to establish an Expendable Trust Fund and to raise an appropriate the sum of \$5,000 for that purpose in the town warrant this year. It is hoped that the town will support this article.

In 2015, the History Committee will continue to inform and advise the Board of Selectmen about the Rindge Historic Landmarks that fall within the path of the proposed pipeline.

## Ingalls Memorial Library

I always like to thank the people that serve the Ingalls Memorial Library in so many ways each year before anything else. The Ingalls Memorial Library Trustees, Friends of Ingalls Library, volunteers and members of my staff work very hard to make our library a great meeting place for our community. Thank you all.

Our volunteers have put in 1089 hours of service this year and help make the library such a friendly place to visit. Thanks to: Jan Lashua, Kathryn Strasser, Alice Cole, Alice Nagahiro, Priscilla Leslie, Bev Rice, Maura Keegan and Kathy Seppala.

Passes to local attractions are provided to us by the Friends of Ingalls Library. Passes offered this year were: The Cheshire Children’s Museum in Keene; Seacoast Science Museum in Rye; Ecotarium Museum, Worcester; American Textile Museum, Lowell, MA; and the USS Constitution, Boston.

Programs included the very popular mystery writer, Archer Mayor, who lives in Vermont. That was a really fun and entertaining booktalk.

We had 10 Children’s Room programs with total attendance for all programs being 2,337. The Summer Reading Program had 108 registered readers with 87 actual participants that read a total of 100,712 minutes in the nine weeks. Story time is held twice a week, Boys and Girls Reading Clubs once a month, Lego Club once a month plus the Homeschoolers continued to meet at the library for activities. We also added three new programs this year Snacks & Stories; Pizza & Pages and Storytelling Club. The Battle of the Books at the Elementary schools also had meetings at our library to prepare for the “battle”

The Summer Reading Program for young adults had a total of 28 participants and was nine weeks long. We started and ended with a pizza party which included awarding prizes to all that participated. A Board Game and Electronic Board Game night/Frisbee on the common were the three extra social activities available to participants. A special thank you to Michael Gallagher for helping with the Game Nights and to the Friends Group for purchasing books and WalMart gift cards as prizes for the Teen Program.

Something new at our library are “Playaway Views.” These are located in our Children’s Room and area handheld item featuring a children’s book that people can watch. We have also added more “Playaways” in the Adult and Young Adult area which are handheld books titles sort of replacements for audiocassettes.

The Ingalls Memorial Library is open 35 hours per week. M, W, F 10-5; TU, TH 2:30-8; SAT 9-12 noon. The Library was open 298 Days and 1732.5 hours in 2014.

Number of Registered Borrowers: 1830 with 190 patrons added in 2014.

Number of Materials Owned: 43,304.

## Ingalls Memorial Library Board of Trustee's

The Board of Trustees and the Building Committee have continued to work on the final phase of the expansion and renovation project. A charitable non-profit foundation, the Ingalls 1894 Association, has been formed by a group of residents to assist with the fundraising. This association is planning to raise the needed funds without requesting taxpayer funding. They would like to have the project completed in time for the town's 250<sup>th</sup> anniversary in 2018.

The project was started in 1995 resulting in the 2001 accessibility improvements, additional space in both the adult and children's sections and additional unfinished third floor space. In 2006 the parking and septic were upgraded.

The final phase involves renovation of the currently unusable third floor space and the addition of a multi-purpose meeting room. The completion of this project will allow for additional space for community use, additional library programs and conference areas to be available to local small businesses or community groups.

Multiple concepts for the library project will be considered. The board of trustees will be seeking community input to help determine which conceptual design best meets the community needs.

If you would like more information or are interested in becoming involved with this project please contact Diane Gardenour.

## Meeting House Oversight Committee

Meeting House restoration repairs in the past few years have included the bell tower and windows. With the completion of these restorations, the Meeting House Oversight Committee recognized that painting the exterior was a high priority to undertake in 2014. Bids were put out for this work and the low bid from Stebbins Spectacular Painting, Marlborough, NH was approved by the Board of Selectmen. The project included painting the building exterior, as well as railings, and fire exits, and metal lamps. Total cost for this contract was \$30,400. The Ralph and Gertrude Ward Trust Fund generously provided full funding for this painting project.

Additionally, the carriage sheds adjoining the Meeting House, the Town Common gazebo, and cemetery picket fence were all repaired and painted by the Town maintenance crew. With the fresh coat of paint, the Meeting House built in 1796 continues to look grand and beautiful as it anchors the center of Rindge.

The Meeting House Oversight Committee also began considerations in 2014 for interior beautification efforts in preparation for the Rindge 250 Anniversary in 2018. The Ralph and Gertrude Ward Trust Fund has indicated it will provide financial support for painting, floor resurfacing, carpet replacement, stage curtain repairs and cleaning, etc.

2014 remained a modest year for development proposals. The Planning Board reviewed a total of 15 formal applications during the 2014 calendar year. Of the 15 applications, there were three Major Site Plans; two Minor Site Plans; one Major Subdivision; three Minor Subdivisions; three Technical Subdivisions and three Voluntary Mergers.

Warrant articles submitted by the Planning Board concerning zoning changes at the Route 202/119 intersection, “Crossroads Overlay”, the Village District and the College District were soundly defeated at the March 11, 2014 Town Meeting. With that vote, all obligations for the grant from the New Hampshire Housing & the US Department of Housing and Urban Development have been met.

Planning Board members continue to be involved with the meetings of the Economic Development Task Force, the Town Gown Committee, and the Pearly Pond Association. Members are also serving on subcommittees to work on changes to zoning ordinances, results of which will be presented at the Town Meeting on March 10, 2015.

Mark S. Smith, Planning Director, left in January 2014 in a mutual decision by him and the Planning Board. As a result, Planning Board members filled in with the review of applications for completeness until May when the Planning Board hired Kirk Stenersen as a part time Planning Director. Susan Hoyland, the Planning Board secretary, has done an excellent job of going above and beyond her job description and keeping the Planning Office moving forward in a positive direction. Tina Eaton, the town’s part time bookkeeper, was hired part time in the Planning Office to assist Susan in organizing and updating the electronic and paper files and streamlining the filing process. This work continues and Tina has been a valuable asset to the Planning Department. With this change in staffing, the planning budget was significantly reduced. The Planning Board intends to continue with this reduced staffing in 2015 with further budget reduction.

2015 will include review of the Site Plan Regulations, continued work with subcommittees to keep ordinances current and election and appointment of Planning Board officers.

Lyman “Hank” Whitney, Chairman

## Police Department

*“Nobility is defined as ‘greatness of character and high ethical qualities or ideals that serve a cause greater than self; faithfulness to a higher calling or purpose’. Policing is one of the noblest professions for we are the entrusted guardians of peace, justice, and democracy. This is our calling, it is our purpose, and it demands our selfless loyalty to the cause. Our citizens expect and deserve no less.” ~TM*

The men and women of the Rindge Police Department, both sworn and civilian, clearly demonstrated their nobility and commitment in 2014. It was a very challenging and turbulent year filled with staffing shortages, external assessments, change, and transition. Ultimately, the professionalism, dedication, and teamwork of our staff prevailed and we ended the year moving in a positive direction with a renewed investment in our mission, a shared vision of the future, and a joint statement of our core values...Honor, Integrity, Courage, and Respect.

Staffing was problematic in 2014. Three members of the Police Department, Chief Frank Morrill, Officer David Blake, and the Administrative Assistant, Evelyn Lewis retired after many years of valuable service to the Town of Rindge. Two other fulltime officers, Thomas Horne and Christopher Martin left the Police Department to pursue other opportunities. Thankfully, David, Tom, and Chris all volunteered to stay on as part-time officers. These changes, in addition to our staffing allocation being reduced from 8 fulltime officers to 7, left the remaining officers shorthanded for much of the year.

Sergeant Dan Anair, Detective Jeff Seppala, Officer Rachel Malynowski, and Officer Erin Minihan exhibited incredible dedication by working extended hours, and sacrificing vacation time and training opportunities to cover shifts. Part-time Officers, David Blake, Ed Cody, Joseph Hazelrigg, Thomas Horne, and Christopher Martin all stepped up to fill shifts and alleviate some of the burden to the fulltime staff. Michelle Szalanski, the Secretary to the Prosecutor, voluntarily took over the Administrative Assistant's responsibilities, in addition to her own, while the hiring process for Evelyn's replacement was conducted. In addition, Animal Control Officer Larry Harris continued to do what he has done for the last 55 years...serve the community in any way possible. Each of these people has our sincere thanks and appreciation for going above and beyond the call of duty and performing in exemplary fashion during a very difficult time.

Help arrived in August with the addition of our new Administrative Assistant, Nicholas Roy. Nick's friendly demeanor, organizational skills, crime analysis interests, and technical aptitude have greatly enhanced the Rindge PD Team. A short time later, Officer Mark Griffin, a Rindge native, graduated from the academy and entered the

Field Training Program. Mark is now fully trained and patrolling Rindge with a refreshing energy level that is transmitting to his peers.

# Police Department

Chief Morrill's retirement in April was the catalyst for the hiring of Municipal Resource Services (MRI) to conduct a nationwide recruitment to identify and hire a new Chief of Police. MRI was also charged with providing an Interim Police Manager as well as conducting comprehensive assessment of the Rindge Police Department. The assessment and subsequent report included observations made by the Interim Police Manager, Michael T. French, as well as recommendations on how to correct deficiencies and improve operations. The report, issued in October, was factual and thorough. The recommendations made in the report were reasonable and based on the present minimum needs of the department to address safety, liability, and efficiency concerns. The report also highlighted the importance of continued professional development efforts for all members of the organization to enhance expertise and the quality and type of law enforcement services we deliver to our primary customers, the residents and visitors of the Town of Rindge. The report resulted in a detailed response plan that is intended to address concerns, build on strengths, and serve as a map to the future.

Based on recommendations in the MRI report, renovations to the Police Station, meant to enhance security and functionality until a new Public Safety Facility in constructed, began in October. These renovations addressed physical security concerns in the booking area, added a new employee entrance, enlarged the locker room, and created separate office spaces for the Detective and the Chief. Renovation plans for 2015 include the creation of a new interview room to double as a juvenile detention room, and the installation of a storage pod to the rear of the Police Station to help address evidence storage needs.

Law enforcement related weapons, equipment and supplies were purchased at the end of 2014 to enhance officer safety, expand capabilities, and limit liability exposure. Administrative procedures and policies have been and are continuing to be changed to improve thoroughness, efficiency, and to ensure compliance with nationally recognized best practices. Individual Professional Development Plans are being created and training schedules are being implemented to ensure each employee has a career path and a means to achieve their goals.

We greatly appreciate the support of the Board of Selectmen, and the efforts of the Town Administrator, Jane Pitt, and Financial Director, Ellen Smith to help identify and authorize funds for our renovations and equipment purchases. We also thank The Director of Public Works, Mike Cloutier and his team, Leif Jackson, Jonathan Sawyer, and David Bilodeau for their hard work in completing our station renovations.

## Police Department

Community Policing initiatives were slowed in 2014 due to the staffing shortages however during the fourth quarter business and home checks were reinstated and outreach efforts were accelerated. Rindge Police Officers participated in events such as Citizen Drug Recognition Training at Franklin Pierce University, Trunk or Treat at Wellington Park, The Rindge Memorial School Halloween Parade, The Welcome Table at the Meeting House, meal deliveries for seniors sponsored by the Recreation Department, and the Tree Lighting Ceremony in the Common just to name a few.

The efforts to build strong community relationships spearheaded by Chief Morrill last year were continued in 2014. The Rindge Crime Watch continues to be a valuable partner and their efforts to monitor our community for crime and safety concerns has helped to make Rindge an incredibly safe and welcoming environment for our residents, business owners, and guests. Our relationship with Franklin Pierce University is also as strong as ever thanks to the collaborative nature of the Town and Gown Committee. A new partnership was also formed with Reverend David Jadlocki of the First Congressional Church when he graciously volunteered to serve as the Rindge Police Department's Chaplain.

There were many personal achievements by members of the Rindge Police Department in 2014, however, it was the consensus of the group not to list them in this year's annual report. Instead, they thought it was more important to simply say that during a tough year filled with challenge and adversity, they came together as a team and persevered in their mission to provide outstanding law enforcement services to this community.

Although we will look to the past for lessons learned, it is the intention of the men and women of the Rindge Police Department to focus on the future and implement necessary changes to move our agency in a positive and progressive direction. It is *our* pledge, as the servants and protectors of the community, to set a goal of perpetual improvement as we strive for excellence in our noble endeavor.

## **Mission Statement**

“The Rindge Police Department recognizes and embraces our noble duty to serve as the entrusted guardians of peace, justice, and democracy in our community. We pledge to uphold our core values of Honor, Integrity, Courage, and Respect as we provide effective police services in a professional, courteous, and equitable manner.

We will work as a team and collaborate with our residents to earn and establish mutual respect, trust, and understanding. We will be dedicated to our mission, loyal to each other, and disciplined in our endeavors to create and sustain a safe and welcoming environment for our citizens and guests.”

## **Vision Statement**

“The Rindge Police Department is amongst the most professional, credible, and respected law enforcement agencies in the region. We provide outstanding police services in a manner that exhibits our core values of Honor, Integrity, Courage, and Respect. We are progressive, innovative, and adaptable to the changing needs of our community. We have collaborative working partnerships with our citizens and Town government that allow us to enhance public safety while fostering an environment of mutual respect, trust, understanding, and cooperation.”

## **Core Values**

The Rindge Police Department strives to establish our credibility and reputation through the embodiment of our core values - **Honor, Integrity, Courage, and Respect**. Utilizing these values, and many others, we will exhibit the highest levels of professionalism and ethical standards. Pride will be our reward. If we can demonstrate legitimacy in our pride, then our citizens will be proud of us.

### ***Honor***

Honor is our word, our promise to always do what is right, and our pledge to strive for excellence. It is who we are, the manner with which we perform our sworn duties, and the catalyst for the self-pride and respect that enables us to turn our job into our profession.

### ***Integrity***

We will never compromise our integrity. We will be honest with ourselves and others at all times to earn and sustain the trust and confidence of those we serve.

### ***Courage***

Courage is a reflection of the content and strength of our character, and it resonates to those around us. It is at the heart of every virtue. It is consistent, persistent, and resilient to external influences. “The courageous are not deterred by fear or adversity. They simply acknowledge its presence and choose to continue.”

### ***Respect***

Respect is the state of being regarded with honor or esteem. Respect for our character, competence, wisdom, and vision must be earned and maintained through our daily words and actions. We will respect ourselves and we will respect the citizens we serve.

## Public Works Department

The Rindge Department of Public Works strives to give the citizens of Rindge quality roads. Assessing the condition of and maintaining the town roads are our main priorities. The Town of Rindge maintains sixty-five miles of roads.

The Department was asked to develop a 5-year Road Plan by the Board of Selectmen. This plan is a fact-based foundation/profile of Rindge roads to develop a thoughtful ongoing strategy for road construction and maintenance and to expand this strategy into a longer range plan. The Board of Selectmen accepted this plan; however, trying to maintain a level budget has somewhat hindered the full fruition of this plan. In addition, the state cut the Highway Block Grant by \$27,000 three years ago. Since that time, the Highway Block Grant funding has increased 2 percent. The plan does give a solid direction for sections, evaluation of roads and year's sections need attention using the Hub and Spoke Paradigm. Again, trying to maintain a level budget we have not been able to fund the gravel road maintenance line item. Our other Fall projects consist of preparing the Town trucks and equipment for the Winter months, raking and picking up leaves on all town grounds, preparing the Town parks for Winter, draining the water lines and winterizing bathrooms at Wellington Park, re-grading and ditching all the gravel roads, and patching potholes.

The Winter months keep us very busy. Obviously, our main challenge is keeping the roads clear of snow and ice. This can be very challenging and tiring at times. It is not unusual for our crew to work 24-30 hours during major storms. We spend many sleepless nights to give the citizens of Rindge safe roads. The highway crew also services and maintains the equipment during the winter months and assists other town departments as needed. The town is fortunate to have such a talented and diverse group of individuals to provide this service. We have very dedicated crew members who really care about their jobs and take a lot of pride in their work. I would like to personally thank them for their dedication and many hours of work put in during the Winter months keeping all town roads safe for our citizens.

The Spring months keep us busy cleaning up from Winter and preparing for Summer. Projects in the Spring consist of: placing gravel and stone on the dirt roads during mud season, patching potholes, raking and picking up the rest of leaves from the Fall, power sweeping all the town parking lots, line striping all parking lots and crosswalks, opening the cemeteries, maintaining lawns, cutting brush and trimming trees in preparation for Summer projects, repairing damages to property and road signs from Winter plowing, and preparing and advertising bids for the major Summer projects such as paving roads, drainage and reclamation of roads.

The major Public Works projects are performed in the Summer. These consist of: replacing drainage pipes, reclaiming roads in preparation for paving, grading dirt roads and line striping several roads, maintaining the Town Common, Police Station, Fire Station, Library, Meeting House, cemeteries, and the Town Office lawns, preparing Wellington Park fields for Summer recreation, and roadside mowing.

### Highway Projects

- Placing 500 cubic yards of gravel on dirt roads
- Resurfaced Candlelight Rd
- Resurfaced Perry Rd
- Resurfaced Hunt Hill Rd
- Shimmed Section of Thomas Rd
- 400 feet of Ditching and Rip Rap and siltation mats on Fitzgerald Rd
- Line striped Forristall Road, University Drive, Mountain Road, Main Street
- Continued major ditching on several roads and replaced several culverts

## Public Works Department

### **Converseville Road/Bridge Project**

The Converseville Bridge over Miller's River is inspected annually by the NH DOT and was red-flagged for immediate replacement with an estimated replacement cost of \$700,000. As the DPW Director, I submitted a warrant article for voters to abandon the bridge and fund construction of a one hundred fifty foot section of road access to NH RT 119 to give access to 9 Converseville Road. The warrant article asked for \$28,000; however, only \$17,230 was expended to complete the project. All work was performed by the Rindge DPW personnel, which resulted in further savings.

I would like to express sincere thanks to the Esposito Family for working in conjunction with the town and the NH DOT to address the issue and making it possible to realize the substantial savings as a result. Many thanks to the Rindge voters for passing this warrant article to complete this project.

### **Transfer Station**

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers for all their personal time in organizing and staffing the Swap Shop. Without their help, the Swap Shop would not be the success that it is today. Hazardous Waste has taken a new direction due to the lack of grant funding for smaller municipalities. We have partnered with the City of Keene in their Household Hazardous Waste Days in the Spring and Fall. Rindge citizens can take their hazardous waste to the Keene Recycling Center located on Route 12 in Keene, NH. Citizens are required to provide proof of residency to dispose of their hazardous waste. Cost of disposal is the responsibility of the citizen at the facility's disposal rate.

The Recycling Program has recycled 338.01 ton in 2014; in 2013 we recycled 333.07 ton to Monadnock Disposal of Jaffrey, NH. This is a difference of +4.94 ton. Disposal of Demo/Household waste to Monadnock Disposal in 2014 is 877.79 ton. In 2013 we disposed of 829.68 ton. This is a difference of 48.11 ton increased from last year. We have seen an increase of citizen use of the facility during the 2014 calendar year. We would like to thank the citizens of Rindge for their conscious effort in recycling and those citizens who participate in the annual Earth Day roadside cleanup keeping Rindge clean. Keep up the good work.

### **Building Maintenance Department**

The full-time Maintenance Technician has worked hard all year at keeping up the buildings and repairing major safety and building issues and working with the Energy Committee on improvements to the town facilities with BOS approval. This has saved the town in having to hire out some of these projects to contractors. The Maintenance Technician along with the DPW Director work with other department heads to devise a yearly maintenance/repair plan to address maintenance issues for all town buildings. He is also responsible for winter plowing which include roads, parking lots and sidewalks for all of the public buildings.

The Crew and I wish to thank the citizens of Rindge and other departments and boards for their cooperation and assistance during the past year. I especially wish to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

Sincerely yours,

Michael Cloutier, Sr.  
Director of Public Works

## Recreation Department

The Recreation Department had a successful and very busy 2014. There were changes and additions to the staff and programs. The Recreation Committee, many volunteers, and a dedicated part time staff pulled together and worked to maintain the well-established programs of the Recreation Department.

The following programs were offered:

**Winter:**

Thursday Night Lights Ski Program Homeschool  
Ski Program Tuesdays Basketball, Instructional  
and league options Homeschool Physical  
Education Classes Homeschool Theater  
Safe Sitter classes  
Fishing

**Summer:**

Pre-School Day Camp  
7 weeks of Day Camp with 1 night option to "sleep-over"

**Spring:**

Instructional Softball  
Coed T-Ball Girls Softball Basic

**Fall:**

Homeschool Physical Education Classes  
Soccer  
Sports Conditioning

Throughout the school year we continued the Extended (school)-Day Program for elementary students, with an average of 12 students each morning and 35 students each afternoon. There were over 400 options for participation in this program with 6,713 registrations processed.

There were 26 field trip options and 491 registrations processed. These included trips like a Harbor Cruise on the Madeleine, the Boston Museum of Science, the Muppets, Red Sox games, Canobie Lake Park, Sky Zone, Hampton Beach State Park, Circus Smirkus, NH Fishercats games, and several others.

Our Holiday programs were a big hit this year with approximately 300 participants in the Halloween Trunk-or-Treat; over 100 attended the Tree Lighting; approximately 200 attended Breakfast with Santa; and there were 205 meals served to seniors and volunteers for the Senior Citizens' Holiday Dinner.

A number of organizations made use of the facilities at Wellington Park, including but not limited to Destination Imagination, RAMS, Rindge Women's' club, Cub Scouts, Boy Scouts, the Senior Coffee group, Extended Day Programs, Knitters Group, Crime Watch, and there were many local family and business events.

Some new things in 2014 include the purchase and painting of a school bus for the department, which is primarily used to support the After School Programs; it also allowed for our ski program numbers to grow in 2015. There is a new GaGa court permanently built into the landscape at Wellington Park. In the fall we purchased a new heavier material liner for the ice rink on the tennis courts, which should last several years longer than the first. The high fence around the basketball court was repaired, and several lamps were replaced in the field lights over the Wellington Park fields.

Please join me in expressing a special "thank you" to the members of the Recreation Committee: Mike DiPasquale (chairman), Jaime Hennessey (vice-chair), Tom Ciglar (secretary), Lydia Hatch, Adam Patria, David Graham, and Bob Hamilton (Selectmen's Liaison) and to all of the part time employees. Additional

## Recreation Department

thanks go to all individuals, civic groups, and foundations that made donations and grants to the Rindge Recreation Department. Without your support we would not be able to offer the diverse offerings we have. We look forward to another successful year in 2015!

Respectfully Submitted,

Timothy J. Goodwin  
Recreation Director

## Roadway & Highway Safety Committee

## Safety Committee

The Safety Committee, or formally named the Joint Loss Management Committee, existence is mandated by state worker compensation laws. This committee was formed to oversee the safety of the municipal employees and the general public who use municipal facilities. The committee is composed of equal parts labor and management, meets at least quarterly, investigates workplace accidents/injuries and makes recommendations to reduce the town's liability. One of the goals of the Safety Committee is to reduce the severity and incidence of workplace injury, thus reduce worker compensation claims.

The Safety Committee identified a number of safety concerns throughout a number of the town buildings. Through the efforts of the Town employee's, many of these concerns have been addressed and corrected. The Safety Committee will continue to bring issues of employee safety forward. Your input and questions are always welcome.

Respectfully submitted,

*Rindge Safety Committee*

*Jane Pitt, Town Administrator*

*Casey Burrage, Fire Inspector*

*Leif Jackson, Building Maintenance*

*Todd Muilenberg, Police Chief*

*Diane Gardenour, Library Director*

*Timothy Goodwin, Recreation Director*

## Technology Committee

The Rindge Technology Committee was established by the Selectmen under the leadership of Board of Selectmen Chair, Roberta Oeser, for the purpose of supporting the Town's efforts to put Information Technology (IT) services and hardware/software purchases for the Town departments out for competitive bidding. In addition, Selectman Oeser had the goal of reducing the annual technology budget by \$10,000 while improving services for all Town departments. The Board of Selectmen appointed members Michael DiPasquale, Pat Martin, and Phil Motta to the Committee.

The first meeting was held on December 10, 2013. Michael DiPasquale was selected as Chair and Pat Martin as Secretary. Selectman Oeser explained the goals of the Committee and shared pertinent documents of existing equipment and billing invoices. Chair DiPasquale directed the Committee to conduct a thorough inventory of town equipment which was completed in May of 2014.

The Committee membership changed slightly in May; with Michael DiPasquale passing the Chair to Phil Motta and Tim Wessels joining the Committee. Chair Motta directed the Committee to seek quotes to replace all equipment being leased from the current IT vendor. Competitive quotes were obtained from Dell and HP Government Purchase Programs.

Next, the Committee was directed to prepare a Request For Proposal (RFP) to provide IT Services. Finance Director Ellen Smith found a relevant RFP to use as a template for developing the RFP. Town Administrator Jane Pitt provided critical legal advice and language for the final RFP which was issued in late August with bids due by October 1<sup>st</sup>.

Six IT vendors submitted bids on October 1<sup>st</sup>. Three finalists were selected from the bids based on budgeting constraints and calls for references by the Town Administrator. Chair Phil Motta, Selectman Oeser, Town Administrator Jane Pitt, Finance Officer Ellen Smith and the Committee reviewed the bids in detail and interviewed the finalists during October. The final approval of Spaulding Hill Networks for a three year contract by the BOS had the advantages of being the low bid and offering the most comprehensive service with great references and reputation.

The transition to Spaulding Hill Networks completed in mid-November. Selectman Oeser negotiated the final terms which allowed the Town to retain leased equipment and purchase a newly installed server. The new IT solution will save the Town at least \$12,000 annually.

Going forward, the Technology Committee will meet on a quarterly basis to review any issues or concerns or as requested by the Board of Selectmen.

Respectfully Submitted by,

Pat Martin, Secretary

## Telecommunications Committee

The Telecommunications Committee has met monthly in 2014 continuing to look for ways to improve internet service to the Town of Rindge.

FastRoads is up and running with a number of businesses and individuals connected. Speeds are a function of the package purchased from one of the vendors and are no less than 10 megabyte download.

Fairpoint has also made additional inroads and now services almost the whole town with speeds being a function of distance from the central office or one of the remote stations.

One of the wireless providers, Granite Connection, has shut their three sites down and is no longer providing internet access.

A draft franchise agreement was received from Argent and the committee has been working on a counter proposal and hopes to finish that work early next year. This was done locally in lieu of have a telecommunications law firm review the agreement in an attempt to save the town legal fees. After the draft is completed and reviewed, there will be a public meeting to get input from Argent customers and the town. After the hearing, final changes will be made and negotiations will recommence with Argent. The franchise agreement only covers television service as the internet is not a regulated service at this time. The president has proposed that the FCC regulate the internet in a similar fashion to phone and electrical service but this has not yet been implemented.

Sincerely

J. Craig Clark

## Town-Gown Team

Membership of the Town/Gown Team is made up of representatives from Franklin Pierce University (FPU), Rindge Town Government, and the community of Rindge at large.

## TIPS

- Keep your monthly rent or mortgage payment less than half of your household’s monthly income
- Set up monthly payment plans with your electric company, heating fuel supplier, doctor, and dentist
- Use savings and retirement money to pay living expenses until your income increases
- Cancel all voluntary deductions out of your paycheck to increase your take home pay
- If you have a home phone and cell phone, cancel one of them
- Cancel cable TV and internet until your income increases \*(internet is free at the library)
- Refinance car loan - extend the repayment term (lower your monthly payment), look at cheaper insurance
- Put college loans into deferment or forbearance until your income increases
- Cut up credit cards and call Green Path to consolidate them [www.greenpath.com](http://www.greenpath.com)
- Do not ever get a Payday Loan – you will end up paying back up to 400% interest!
