IN MEMORIUM

The Town of Sandown dedicates this Town Report to a man well known to most of us during the many years that he lived in Sandown.

He had been a resident of Sandown for 30 years, and was a retired locksmith. He was town moderator, supervisor of the checklist and building inspector for several years. He was a past president of the Old Meeting House Historical Association and a member of the Sixty-Plus Club and the Sandown Historical Society and Museum. He was a 32nd degree Mason of the Ancient Accepted Scottish Rite, and member and past patron of the Ramsford Chapter, OES, Derry. He was also a member of the Sandown Grange, the Society of American Magicians, Herman Hanson Assembly, Boston, and was a professional magician for 35 years.

In tribute to a friend of many years, we respectfully dedicate this report to the memory

of

MALCOLM E. CAMERON, SR.

1904-1981

Dec. 31, 1981

Prepared by Ernest Pillsbury, Treasurer, Sandown Public Library for year ending December 31, 1981.

NEWMARKET REGIONAL HEALTH CENTER

In 1981, the Newmarket Regional Health Center celebrated its 10th anniversary and opened a new medical facility, the Lamprey River Clinic, in Raymond, New Hampshire. At both facilities, a medical program is operated, providing general medical care, preventive health services and an extensive community outreach program, which includes preventive screening clinics, health education and social services. In 1981, the health center initiated a mental health linkage program. Ann Bliss, a counselor, was hired to provide mental health services which consist of initial intake and assessment, short-term counseling linkage and referral to area mental health agencies.

Medical services are provided by Sarah Oxnard, M.D., Michael Lewis, R.P.A., and Barbara Janeway, M.S.N., A.R.N.P. In July, Peter Friedensohn, M.D. joined the staff. Dr. Friedensohn is a graduate of Dartmouth Medical School. The medical team includes registered nurses, medical assistants and community health workers. For more information or to make a medical appointment, call 659-3106 in Newmarket, 895-5531 in Raymond, or toll-free in Newmarket at 1-800-582-7279.

The Community Health Workers coordinate a school health program and preventive screening clinics to detect potential health hazards. They hold informative workshops and act as liaison between the medical providers and the patient.

The Newmarket Regional Health Center also operates a Senior Citizen Transportation Program. In 1981, two new 18-passenger busses (with hydraulic lifts) were purchased, increasing our fleet to three vehicles equipped to provide services to individuals confined to a wheelchair.

The transportation service enables seniors to remain independent, self-sufficient and active by providing rides to needed services, including medical, shopping and recreational trips. For more information or to arrange a ride for a senior citizen, call 659-2424 or toll-free at 1-800-582-7279.

The Newmarket Regional Health Center wishes to express its deepest appreciation for the continuing support given by the town of Sandown.

Sincerely,

ANN H. PETERS

Executive Director

BUILDING INSPECTOR'S REPORT

For the year ending December 31, 1981 a total of 65 Building Permits were issued.

17	New Homes
1	Duplex
5	Mobile Homes

1	Pool
1	Ceiling Fan
1	Mobile Home, Replaced by New Home
1	Camp, Replaced by New Home
2	Duplex
1	Wiring of Basement
1	Wiring of upstairs

WALTER PSKOWSKI
Electrical Inspector

HEALTH OFFICER'S REPORT

This year of 1981 has seen a marked reduction of rubbish problem complaints. This is encouraging as it concerns us all. We wish to thank all for their part in keeping our town clean and encourage everyone to keep up the good work.

May I suggest that each of us secure all rubbish enroute to the disposal area as it is evident as you look along the sides of the roads that a certain amount of rubbish is being lost along the way. It is required by law for all rubbish to be covered.

Again may I remind you that your Health Officer is ever ready to help you whenever needed.

Respectfully Submitted,

ROBERT K. TOWNE

Health Officer

Town of Sandown, NH

PLANNING BOARD REPORT

I would first like to thank all the members of the Sandown Planning Board for a job well done, but the great task is still before us.

As you know, the Master Plan Committee has been formed and is very hard at work generating new input for the Board to review, which someday will help with the growth of Sandown.

As usual the Planning Board was very busy during the past year with numerous subdivisions, both large and small. For the first time since I have served, we had a full Board including 3 alternates which indicates to me that the Town's people have heard the message -GET INVOLVED IN THE PLANNING OF YOUR TOWN!!

We are again looking forward to a very busy year and with your help and better communications, we will make the task easier for all. Remember all the Planning Board's meetings are OPEN TO THE PUBLIC!

Respectfully,

WILLIAM MELANSON

Chairman

CONSERVATION COMMISSION

This year the commission began the management of the Town Forest. The Town Forest is located on Fremont Road opposite where Phillips Road begins. It is almost across from Lily Pond. The primary purpose for managing the various town owned parcels of property is to improve the remaining trees. A secondary benefit is the generation of relatively small sums of money to be used in part to accurately locate other town owned lands. This money is placed in a special conservation fund.

Research was conducted with respect to three town owned lots of land. The lots are commonly referred to as: 1) The Sawyer Lot, 2) the Collins/Cheney Lot and 3) the Philbrick Lot. The work on these particular lots necessitated some professional assistance which amounted to \$680. However, for the work that was done this is a very nominal amount. It is worth noting that this money came from the special conservation fund and not town taxes.

The Commission feels that this a very unique year in which the Town's people have the opportunity to vote for something that will be beneficial not only for current residents but for future generations. That something is the proposed Wetlands Conservation District.

The Commission wanted to begin a semi-annual water quality testing program. However, due to the few people actively participating in this Commission it was not possible. It does not look like it will be feasible in future years either. The program would have involved the semi-annual sampling and subsequent analysis of each and every naturally occurring body of water in Sandown. This is an important program in an effort to maintain good water quality.

Our special thanks are extended to Mr. John Holmes, Jim Hayden of the Soil Conservation Service, Forester Tom Neff and the Southern Rockingham County Planning Commission for their continued assistance.

Respectfully submitted,

**Sandown Conservation
Commission
ROBERT BALDWIN
MELO DICKASON
HENRY HIGGINS
VINCENT IACOMINO
ROBERT O'NEILL**

WARRANT

THE STATE OF NEW HAMPSHIRE

The Polls Will Be Open From 10:00 A.M. To 7:00 P.M.

TO THE INHABITANTS OF THE TOWN OF SANDOWN IN THE COUNTY OF ROCKINGHAM IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

YOU ARE HEREBY NOTIFIED TO MEET AT TOWN HALL IN SAID SANDOWN ON TUESDAY, THE NINETH DAY OF MARCH, NEXT AT TEN OF THE CLOCK IN THE FORENOON TO ACT UPON THE FOLLOWING SUBJECTS:

1. To choose all necessary Town Officers for the year ensuing.
2. The following articles to be voted on at adjourned meeting Wednesday, March 10, at 7:00 p.m.
3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
4. To see if the Town will raise and appropriate the sum of \$20,000 (Twenty thousand dollars) to sand and seal five miles of town road. (With Recommendation of the Budget Committee)
5. To see if the Town of Sandown will vote to raise and appropriate the sum of \$8,000 (eight thousand dollars) for the purchase of a Rescue Vehicle, such funds to come from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, as amended, or to be raised by tax dollars. The balance of \$2,000 to come from the Capital Reserve Fund for a total amount available of \$10,000. (By Petition) (Without Recommendation of the Budget Committee)
6. To see if the Town will vote to raise and appropriate the sum of \$6500 (sixty five hundred dollars) for the following repairs to the Library: Basement entrance, east side; concrete wheel chair ramp and correct swing entrance to Library level; fill to street entrance level on front side and hot top walk to concrete ramp; Jack Hammer entrance in basement, add door, trim, etc.; building to be complete with electricity, drywall, paint, trim, floor coverings, exit signs, etc. (Without Recommendation of the Budget Committee)
7. To see if the Town will vote to raise and appropriate the sum of \$5,000 (five thousand dollars) to be placed in the Capital Reserve Account for the purpose of a new fire truck. (With Recommendation of the Budget Committee)

8. To see if the Town will vote to raise and appropriate the sum of \$2,000 (two thousand dollars) to be placed in the Capital Reserve Account for the purpose of a new police cruiser. (With Recommendation of the Budget Committee)
9. To see if the Town will vote to raise and appropriate the sum of \$2,000 (two thousand dollars) to be placed in the Capital Reserve Account for the purpose of a new rescue vehicle. (With Recommendation of the Budget Committee)
10. To see if the Town will vote to raise and appropriate the sum of \$1,000 (one thousand dollars) for the purchase of (5) five revolvers for the Police Department, such funds to come from the Revenue Sharing Fund established under the provisions of State and Local Assistance Act of 1972, as amended, or to be raised by tax dollars. (With recommendation of the Budget Committee)
11. To see if the Town will vote to accept Town Road Aid, State to contribute \$4747.32. Town to raise and appropriate \$712.10. (With Recommendation of the Budget Committee)
12. To see if the Town will vote to raise and appropriate the sum of \$450 (four hundred fifty dollars) for the purchase and installation of a fuel tank for the storage of gasoline for the Police Department. (With Recommendation of the Budget Committee)
- 12A. To see if the Town will vote to raise and appropriate the sum of \$2,900 (two thousand nine hundred dollars) for the purchase of (1) one mobile unit with the scan option and (2) two hand held radio units and accessories for the Police Department, such funds to come from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, as amended, or to be raised by tax dollars. (With Recommendation of the Budget Committee)
13. To see if the Town will vote to appropriate the sum of \$350 (three hundred fifty dollars) for Recreational and Educational purposes for the Elderly, and to authorize the withdrawal of the amount requested from the Federal Revenue Sharing Funds under the provisions of the State and Local Assistance Act of 1972, and as amended in 1976. (By Petition) (With Recommendation of the Budget Committee)
14. To see if the Town will vote to raise and appropriate the sum of \$100 (one hundred dollars) for fire proofing the boiler room at the Library. (With Recommendation of the Budget Committee)
15. To see if the Town will vote to rescind the provisions of the Municipal Budget Law, N.H.R.S.A. Chapter 32, said rescission to take effect immediately upon the termination of the 1982 Town Meeting. (Secret Ballot)

16. To see if the Town will vote to rescind its previous vote providing for the election of members to the Town of Sandown Planning Board and instead provide for the appointment of the seven members of said Board by the Selectmen.
17. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
18. To see if the Town will vote to authorize the Selectmen to sell, at public auction or by advertized sealed bids and to convey any real estate acquired through deeds from the Collector of Taxes, provided, however, that the Selectmen, pursuant to the authority granted by RSA 80:42 (III; (supp.) may sell such property to the former owner thereof (or his heirs, successors, and assigns) who lost the same to the Town for non-payment of taxes, upon said owner paying to the Town (I) all past unpaid taxes, including costs and interests relating thereto, (II) all expenses incurred by the Town in the administration of said property and (III) all tax revenues lost by the Town, by virtue of the Town's ownership of said property, from the time of its acquisition by the Town to the time of its conveyance to the former owner.
19. To see if the Town will vote to authorize the Selectmen to make application for, to receive and spend in the name of the Town, such advances, grants in aid or other funds as may now or herein after be forthcoming from Federal, State and local or private agencies.
20. To see if the Town will vote to establish the polling hours for Federal, State and Town elections as follows: Polls will open no later than 10 AM and close no earlier than 7 PM, these hours to remain in effect until amended by vote of the town at an annual town meeting or special town meeting called for the same. (By Petition)
21. To see if the Town will adopt the provisions of N.H.R.S.A. 76:15-a (supp) as amended by 1981, 465:15, providing for the semi-annual collection of taxes.
22. To see if the Town will vote to authorize the Selectmen to grant franchises for the installation of cable television systems within the Town pursuant to N.H.R.S.A. Chapter 53-C.
- 22A. To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the remaining balance of \$5686 (five thousand six hundred eighty six dollars) for use as setoffs against budgeted appropriations for Police and Fire Departments or take any other action hereon.
23. To see if the Town of Sandown will vote to allow the "Sandown Historical Society and Museum" to occupy the Sandown Depot; being responsible for operating expenses and continued renovations. It is the intention of the Society to use the building

as a museum for the purpose of recording and displaying the history of the Town of Sandown. (By Petition)

24. To see if the Town will vote to adopt the following resolution (RSA 204-C:11) : "Be it resolved by the Town of Sandown that the New Hampshire Housing Finance Authority be and is authorized to sponsor a project for low income persons under Section 8 of the U.S. Housing Act of 1937 as amended, for newly constructed housing of 24 units for elderly families; the total of the foregoing not to exceed 24 units."
25. To see if the Town will vote to adopt the following as the second paragraph to existing Article VI, Section 1 of the Zoning Ordinance: (Ballot Question)

The Board of Adjustment shall also include five alternate members. Whenever a regular member shall be absent, the Chairman shall designate an alternate, if an alternate is present, to act in the absent member's place. One alternate member shall be appointed to serve for one year, one for two years, one for three years, one for four years, and one for five years and thereafter the Selectmen shall annually appoint one member for a term of five years. Said alternate members shall be removeable by the Selectmen upon written charges and after public hearing. Vacancies among the alternates shall be filled for the unexpired term. (With Recommendation of the Planning Board)

26. To see if the Town will vote to adopt Article II, Part C, Sections 1, 2, 3, 4, 5 and 6 to the Town of Sandown Zoning Ordinances. (Ballot Question)

ARTICLE II Part C DRIVEWAY REGULATIONS- All Zones

SECTION 1

A permit shall be required for the establishment of any driveway, unless the issuance of driveway permits for a roadway is under the jurisdiction of the State of New Hampshire.

SECTION 2

It shall be unlawful to construct, or by any other means establish, a driveway connecting to any Town Road or proposed Town Road without first obtaining a formal written permit therefor.

SECTION 3

It shall be the duty of the Administrative Authority to determine that an all season safe sight distance of 200 feet exists in both directions

along the highway from the driveway, and that adequate drainage provisions have been made for the proposed driveway.

For the purposes of this section, all season safe sight distance is defined as a line which encounters no visual obstruction between 2 points, each at a height of 3 feet 9 inches above the pavement, and so located as to represent the critical line of sight between the operator of a vehicle using the access and the operator of a vehicle approaching from either direction.

SECTION 4

Before any driveway for which a permit has been issued has been given final approval, the Administrative Authority shall determine that to his satisfaction both the sight distance and drainage requirements specified in the permit have been met.

SECTION 5

The Administrative Authority for the issuing and monitoring of driveway permits shall be the Sandown Town Road Agent.

SECTION 6

There shall be a fee of \$5.00 for the issuance of a driveway permit required pursuant to sections 1 and 2 of this Article II Part C. (With recommendation of the planning board)

27. To see if the Town will vote to change Article II, Part A. Section 7, to read: (Ballot Question)

“There shall be a fee for the issuance of any building permit required pursuant to Section 2 of this Article II, Part A, such fees shall be calculated as follows:

- a) Alterations/additions: \$10.00 base fee plus \$2.00 per \$1000 of estimated added value over \$500.00.
- b) New dwellings (including apartments) - .04¢ per square foot of above-ground floor space.
- c) Commercial/Industrial (excluding apartments) - \$2.00 per \$1000 of estimated cost.
- d) The inspection of every sanitary system as required under this Ordinance or under any state statutes when such inspection is performed by any town official on behalf of the town or the State of New Hampshire \$5.00.

28. To see if the Town will vote to adopt the Wetland Conservation District Zoning Provision as an addition to the Town Zoning Ordinance as proposed by the Planning Board, to read as follows: (Ballot Question)

ARTICLE II PART B
Section 4

This section is a product of the Sandown Master Planning Process.

Wetland Conservation District

0401

PURPOSE

In the interest of public health, convenience, safety, and welfare, the regulations of this district are intended to guide the use of areas of land with standing water or extended periods of high water tables:

- A. To encourage those uses that can be appropriately and safely located in wetland areas.
- B. To prevent the destruction of natural wetlands which provide flood protection, recharge of ground water supply, and augmentation of stream flow during dry periods.
- C. To prevent unnecessary or excessive expenses to the Town to provide and maintain essential services and utilities.
- D. To prevent the development of structures and land uses on naturally occurring wetlands which would contribute to pollution of surface and ground water and threaten public health and safety.

0402

DISTRICT BOUNDARIES

The Sandown Wetland Conservation District is hereby determined to be those areas that contain ponds, lakes, and perennial streams as shown on the Town of Sandown Wetland Conservation District Map. Areas that contain soils identified and outlined as poorly drained or very poorly drained soils by the National Cooperative Soil Survey through field mapping surveys completed in August 1981 and shown on field mapping photographic sheets for the Town of Sandown, New Hampshire are also included. The Wetland Conservation District as herein defined as is shown on a map or maps designated as the Town of Sandown Wetland Conservation District Map. For a detailed explanation of soil types, see "Soils and their Interpretations for Various Land Uses, Town of Sandown, Rockingham County, New Hampshire" on file with the Planning Board and the U.S. Soil Conservation Service office in Exeter.

0403

GENERAL

In the event an area is incorrectly designated as having poorly drained or very poorly drained soils on the Town of Sandown Wetland Conservation District Map and evidence to that effect is satisfactorily presented to the Building Inspector, (in the case of a request for a building permit) or to the Planning Board (in the case of a subdivision pending approval) the restrictions contained in this Section shall not apply. Such evidence shall be obtained by adequate on-site soils investigation and analysis conducted by a qualified soils scientist (as interpreted herein). Such evidence shall be accompanied by the findings of

ADDENDUM TO ARTICLE 28

0405

Special Provisions

1. No septic tank, leach field or any other subsurface wastewater disposal system may be constructed or enlarged within seventy-five (75') horizontal feet to any land situated in the Sandown Wetland Conservation District.
2. Poorly drained soils may be used to fulfill all but 3/4 of an acre of any building lot required by the Zoning Ordinance. No very poorly drained soils or bodies of water may be used to satisfy minimum lot sizes.

*Qualified Soil Scientist is interpreted to mean a person qualified in soils classification and field analysis. (With Recommendation of the Planning Board.)

a review by the Rockingham County Conservation District. The evidence and findings shall be submitted in writing to the Building Inspector (in the case of a request for a building permit) or to the Planning Board (in the case of a subdivision pending approval) with a copy of the evidence and findings to the Town Clerk. The Town Clerk shall retain the copy for record purposes. All expenses shall be borne by the applicant.

Only subdivisions with final approval will not be affected by this provision provided that active and substantial development has taken place in accordance with the plan during the first twelve months after the approval.

0404 PERMITTED USES

The following uses are permitted.

1. For poorly drained soil areas.
 - a. The erection of a structure but only if such structure is accessory to a use permitted under subparagraph c thru j below.
 - b. Alterations of surface configuration of the land by the addition of fill or dredging but only if such fill or dredging is accessory to a use permitted under subparagraph c thru j below.
 - c. Agriculture, including grazing, hay production, gardening, and silage production provided that such use is shown not to cause significant increases in surface or ground water pollution and that such use will not cause excessive soil erosion.
 - d. Forestry and tree farming including construction of access roads associated with forestry and tree farming.
 - e. The constructions of well water supplies.
 - f. Drainage ways to include streams, creeks, or other paths of normal runoff water and common agricultural land drainage provided such use is otherwise permitted in the Town Zoning Ordinance and Subdivision Regulations.
 - g. Wildlife habitat development and management.
 - h. Parks and recreational uses.
 - i. Conservation areas and nature trails.
 - j. Open space as permitted by subdivision regulations and other sections of this Ordinance.
2. For very poorly drained soils, marshes, lakes, ponds and perennial streams.

Such uses as specified under Paragraph 0404-1 (a-j) for poorly drained soils shall be permitted except that no alteration of the surface configuration of the land by filling or dredging and no use which results in the erection of a structure will be allowed.
3. Special Exception.

Special Exceptions may be granted by the Board of Adjustment for the following uses within the Wetland

Conservation District: streets, roads, and other access ways, water impoundments, and utility right-of-way easements including power lines and pipe lines if such location is essential to the productive use of land not so zoned, and so constructed as to minimize any detrimental impact of such use upon the Wetland Conservation District.

29. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this fifteenth day of February, in the year of our Lord nineteen hundred and eighty two.

FIRE DEPARTMENT REPORTS

This year the department utilized the new building and enjoyed the benefits that have been provided compared to the old building.

The number of structure fires have been at a low level, a large percentage were preventable, these types of fires are the ones that present unnecessary life and property problems to neighboring homes.

As the high cost of heating is still with us, the use of wood has become a common fuel to aid in home heating and as experience and expertise is gained some of the problems of previous years are being reduced, still improper disposal of ashes and stoves close to combustible materials (walls, furniture, etc.) are the common problems we still have.

Remember to have chimneys cleaned and inspected at least once a year for safe operation.

The five mobile and two portable radios were purchased and installed in the vehicles.

A thank you to all that have made this a working department.

Respectfully submitted,

GEORGE NEWTON
Chief

POLICE DEPARTMENT REPORT

The Police Department continued to serve the residents with a high level of efficiency in 1981.

At this time, seven members of the department have been certified as Part-Time Officers with two awaiting certification and one enrolled in classes.

Of the 3,120 budget hours, 3,421 were actually served with an additional 13,700 hours of unpaid on call time donated by the officers based on the two man patrol system. In addition to the donated hours, officers answer the emergency phones and provide income to the town through insurance reports.

Through the efforts of our residents, arrests and convictions resulted from information forwarded to the department. That cooperation from the community helps enable the department to provide increased protection.

Juvenile crime is on the increase and the number of offenses prosecuted increased. The State now holds parents responsible for the actions and damages done by their children up to \$15,000 and the department seeks restitution to individuals in cases where warranted.

The open door policy initiated three years ago is still in effect. Residents are encouraged to seek help from the department in areas of home and personal property protection, juvenile problems, domestic violence and neighborhood watch programs.

The budget shows a requested increase of \$2,000. This is the first increase since 1979. The increased costs of investigation, prosecution and need for increased patrol account for the majority of the request. As a greater number of adult and juvenile offenders are brought before the courts to answer for crimes, the cost to the town also increases. An additional 500 hours of patrol will increase visibility but represents only 10 additional hours of patrol a week. The same visibility is a deterrent to crime.

In the coming year, the department will continue their efforts to serve their town.

Respectfully,

JAMES COMERFORD

Chief

RESCUE SQUAD REPORT

Since January 1, 1981 the Rescue Squad has responded to 50 medical emergencies and 8 fire calls.

The present active membership consists of 3 Advanced First Aiders and 10 Nationally Registered Emergency Medical Technicians, bringing the total to 13 active members.

During the year the Rescue Squad changed from a 6 phone system to a quick call system. The Rescue phone rings in the homes of 3 members and also at Southern New Hampshire Ambulance Service. This system has given us a better response time.

The Rescue Squad will do its best to provide 24 hour coverage as we have done in the past.

The volunteers of the Rescue Squad wish to express their thanks to everyone who has supported this squad financial and otherwise.

Respectfully submitted,

HOLLY COTE

President, Rescue Squad

MENTAL HEALTH CENTER

ANNUAL REPORT CENTER FOR LIFE MANAGEMENT

The Mental Health Center for Southern New Hampshire is now the Center for Life Management. The name change reflects the purpose and philosophy which guides the continued growth and development of the organization. The mission of the Center is to provide a resource for individuals and families experiencing problems in daily living.

The Center for Life Management now operates a 24-hour emergency response system; two outpatient clinics (Salem and Derry); inpatient psychiatric services; a partial hospitalization program; a substance abuse program; consultation to area schools, professionals and agencies; and a Family & Life Education program.

Our Salem branch office is located at 22 Main Street on the second floor of the Salem Professional Building. Clinic hours are Monday through Friday, 9:00 am to 5:00 pm, and Tuesday and Thursday evening until 9:00. Our Derry branch is located in the Medical Arts Building, Birch Street. Clinic hours are Monday through Friday, 9:00 am to 5:00 pm, and Wednesday and Thursday evenings until 9:00.

The Windham Inn is located on Route 28, Windham. The Windham Inn is a program for individuals who have experienced long and/or severe emotional crises. They often must relearn the basic skills of daily living. The Windham Inn provides a supportive family atmosphere in which clients regain basic social, self-care, communication and work skills. Productive employment is a primary goal of both staff and clients at the Windham Inn. Through daily classes in prevocational skills and a community based transitional employment program, Windham Inn clients gradually return to full-time work.

During 1981 our Family and Life Education program provided the following programs and services to the residents of Sandown.

January 20	"When Red and Green Turns Blue"
February 10	"As the Bills Pour In...\$\$"
March 3	"Stepparenting"
March 22	"Stress and Family Life"
April 14	"Sweet Nothings"

April 28	"Explaining Death to Children"
May 19	"Upheaval and Relocation"
June 2	"Summer Survival with Kids"
October 1-November 19	"Stress Management" (8 week course)
October 20	"Pre-School Books as a Parenting Aid"
October, 20, November 3, November 17	"I Can Cope"
October 14-November 11	"Anxiety Management"(6 week course)
October 26	"Parenting Skills"
October 28	"Stress"
November 17	"Going Single"
December 8	"When You're Racing with the Clock"

BOARD OF ADJUSTMENT

During the year 1981 this Board heard eleven cases in all. Six of these were requests for variances to the zoning ordinances. Five were granted and one denied at public hearings. One request for a Special Exception was denied. We heard four appeals to an administrative decision by a town official. These were in regard to the issuance of building permits by the Building Inspector. Two of these were upheld and two denied. Three of these Appeals were evidently deemed to be so complex, that both parties involved were represented by Attorneys at Law.

During the year we lost the services of Steve Kreatz as an Alternate due to his moving out of town. We were and are fortunate to have the services of Sandra Newton to record all our hearings and decisions. These minutes are typed by her for our records and greatly appreciated. The Board now consists of George Romaine as Chairman, Robert O'Neill, Fred Cote, Timothy Morrill and Jim Tammany, Secretary. Mr. David Tenney is our only Alternate.

Respectfully submitted,

JAMES P. TAMMANY

Secretary

HIGHWAY DEPARTMENT REPORT

Before starting my report this year, I would like to say due to cutting the 1981 Highway Budget there has not been much Summer Maintenance done this year when you only have \$6,000 to maintain the amount of road this town has. The roads are in such poor shape you spend half the summer patching holes and when it rains you are back doing the same thing, so you wind up spending half your time patching roads. If you want to hire help or equipment you wind up eating up a good share of your money. If the town does not come up with some kind of a plan soon to start rebuilding parts of these roads where they are in such bad shape and start sealing these roads, you are to wind up costing more and more to keep them in repair. It's not like it was ten to fifteen years ago when you jumped out of your seat when a car went by, you didn't know what was going on. Today you have a lot more cars and trucks on these roads and they do a lot more damage than they did a few years ago. Also we have a few stone culverts that are falling in due to heavy trucks going over them. They also need to be replaced. Also, on Odell Road on Odell Hill there is a wall which is starting to fall down and should have repairs done to it before all of it falls down. Parts of Odell Road is in bad need of repair, and parts of North Road, Wells Village Road, Fremont Road. You also have Odell Bridge which needs to be repaired or replaced and one on Wells Village Road where the salt has eaten the cement away and the railings are starting to fall down. These are only a few things that sooner or later will have to be done.

Now I would like to say a little something about myself. I hear a lot of comments either I don't know anything about taking care of roads or I am trying to make a full time job out of it. Well, it might look like a full time job but half the time I am the only one out there doing the work. I didn't just show up from the city. I am a native of New Hampshire and worked on town roads in my town and spent a few years working for the state of New Hampshire Highway Department and on a few other road construction jobs so I should know a little about taking care of roads and if there is something I don't know about the roads I will talk to someone that does know and can help the town and does have a responsibility to take care of these roads.

We no longer live in the past where you pack up your car for the winter and put it away for the winter and then take it out when the snow and mud was gone. That might have been alright back then but today people want to move and they don't want to wait until spring to do it. Today you have schools, businesses, fire department and traveling public that have to get around these roads. God forbid if anything should happen because of neglect to maintain these roads both summer and winter. There is a lot more that can be said but there might not be room in this town report to put it all.

SUMMER MAINTENANCE

Due to the cut in the budget there was very little summer maintenance done. There were no culverts put in, culverts were not cleaned out, very little brush or trees were cut. All that got done was mowing the sides of the roads and patching the roads. When you are out there working you hear all these comments that you have Highway Subsidy money, why don't you use that on the highway, well it is used on roads to buy coal patch, salt, sand, labor and equipment. By the time you buy all these materials and take labor and equipment out you don't have much left and, yet, we do have Town Road Aid money and Additional Highway money, and this money can only be used for construction or reconstruction of class IV and V highways and shall not be used to increase the highway appropriation of the town. The only one that can be used is Highway Subsidy which can be used for maintenance or construction or reconstruction. The only reason I am putting this in this report is that a lot of people think that all this money is part of the Highway Budget and it is not used for general maintenance of town roads. It is used for rebuilding roads. This money is not for summer or winter maintenance.

T.R.A. PROJECT WELLS VILLAGE ROAD

This year we did a TRA Project up on Wells Village Road at Porter's Pond where there was a very dangerous spot. There was an old stone culvert which was starting to fall in and a stone curve in the road. This project is about 90% complete. What is left to do is headers for the culvert, haul in some stone to make a sluiceway for the outlet end of culvert, gravel for mix and place and a little hand work on the slopes and that project

will be done. There have been a few comments about this project, that it was done because there are apartment houses right where the project took place. This project was not done because of any apartments or any other buildings. I went around with the person who has charge of TRA monies to do these projects of all the bad and dangerous places on these town roads. This was the project we decided to do. These projects are not done because so and so has apartment buildings or some representative from the town lives on these roads. These projects are done for the safety of residents of the town and the traveling public.

WINTER MAINTENANCE

The Winter of 1981 was mild from October to December and from December 1981 to February of 1982 we have had snow, rain and ice storms about one every other day. We have used about 200 ton of salt and 1600 yards of sand. Snow storms are easy to take care of, it is the rain and ice storms that are hard to take care of. You salt and sand and just about the time you have the roads back to somewhere normal you have another storm so you are right back where you started. The ice builds up a little more, unless the days warm up so that you can go out and try to scrape it off. Shaded areas are the hardest to take care of because there is not much sun light and about all you can do is put salt and sand on them and wait until the temperature gets just right, so hang in there, drive slow and we will do the best we can. We have already spent roughly \$20,000 out of the 1982 highway budget and this money hasn't yet been appropriated nor will it be until town meeting. This amount includes only labor and equipment for storms up to February 5, 1982 and does not include the cost of salt and sand.

Respectfully submitted,

ROBERT JOHNSON
Road Agent

DERRY VISITING NURSE

The Derry Visiting Nurse Association has proudly served the Town of Sandown since 1974. The following and many other factors combine to continually demand that this agency be effective and flexible in responding to your community's home health care needs:

- a rapidly growing population
- earlier hospital discharges
- longer life spans
- escalating costs of institutional care
- increasing emphasis on prevention
- New England tradition of self reliance

The Derry Visiting Nurse Association has a long proven record of serving participating communities with professional excellence and human caring. Services are offered under four major program areas as follows.

CARE OF SICK PROGRAM

- Nursing Home Visits
- Physical Therapy
- Occupational Therapy
- Home Health Aide Visits

HOMEMAKING PROGRAM

- Homemaker Visits

MATERNAL AND CHILD HEALTH PROGRAM

- Well Child Clinics and Followup Visits
- Immunization Clinics
- Expectant Parents Classes
- New Born Visits

ADULT HEALTH PROMOTION PROGRAM

- Screening and Follow-up Clinics
- Health Education
- Adult Health Home Visits

We are happy that home health care costs have been increasing at a much lower rate than institutional health care costs. One of the major factors in our increased costs is maintaining certification for reimbursement from Federal sources such as Medicare, block grants and Title XX. However, those Federal funds, combined with specific grants, allows our agency to provide services to Sandown which cost the agency over three (3) times as much as the Town appropriation. We feel this is appropriate utilization of agency resources.

Federal funds and grants usually are restricted to specific categories of illness, age, income and time periods. Many people needing our services simply do not fit those specific

eligibility categories. So, it is important to emphasize that Town appropriations assist the agency to serve people regardless of income and age.

Following are some major statistics for Sandown for last fiscal year ending, June 30, 1981.

Skilled Nursing Home Visits	225
Physical Therapy Visits	14
Occupational Therapy Visits	3
Home Health Aide Visits	78
Screening Clinics (people seen) approx.	95
Well Child Clinics (Children served)	21
Maternal Child Health Home Visits	35

The above and other services for Sandown residents come to a total per capita value of approximately \$5.75. It is impossible to translate those services into human values, but our clients and their families can testify to the meaning of home health care in their lives.

If local citizens meet President Reagan's challenge to increase local funding to compensate for drastic Federal cuts, the Derry Visiting Nurse Association will be able to continue its long standing commitment to serve people regardless of income and age. If the local funding challenge is not met, this agency will be forced to radically alter the services provided.

The Sandown representative on the Board of Directors is Lillian Fay.

CEMETERY REPORT

The Synopsis of Rules and Regulations are in effect for the Cemeteries in Sandown. They are available upon request, also they are printed on the back of the deeds. The Center Cemetery is divided into four (4) sections. The lots are numbered on the maps and a card file is made up alphabetically. The older part of the Center Cemetery has not been completed.

The Board of Cemetery Trustees were voted at Town Meeting by a Warrant Article #13 in 1978. The Trustees appointed Irving Bassett as Sexton who will have charge of the maintenance, opening and closing of graves and other services needed. In case of cremation the same policy as a burial will be handled by the Sexton. In this way a record will be made as to the grave location with the Trustees. Each lot consists of two (2) graves and they have perpetual care. The money is placed with the Town Trustees of Trust Funds. The interest will take care of the graves forever making it *not* the responsibility of the Town to make a large appropriation. Any owner or relative of lots not so funded is urged to contact the Trustees or Sexton for the procedure to do so.

RECEIPTS

MASTER PLAN COMMITTEE

The Master Plan Committee has been meeting on a monthly basis since January 7, 1981. The Committee has four subcommittees - Financial Management, Conservation/Land Use, Roads and Recreation. These subcommittees have spent many hours gathering pertinent information, which they presented to the Townspeople at a Public Information Night on September 23. On this night the Townspeople's input was received and is being included with the previously found information.

The Wetland Conservation District Zoning Provision was submitted to the Planning Board by the Master Plan Committee as a product of the Master Planning Process in Town.

The Committee meets at the Town Hall on the first Wednesday of every month, meetings begin at 7:30 p.m. The Townspeople are urged to attend the meetings and become involved in this Community Planning Process.

Respectfully,

JUDITH RIZZO

VITAL STATISTICS

The following is a list of vital statistics for the year 1981. As this list is a record only of statistics *reported* to this office, it does not necessarily constitute a complete listing of actual events.

Residents requiring copies of vital statistics are advised that they now *must* be obtained at the town or city of *occurrence*, not necessarily of residence, and the request *must* be in writing, giving name of person requesting same, relationship, and purpose of the request. A \$3.00 fee is charged for each copy in New Hampshire. With this in mind those requiring copies are advised not to delay the request until the last minute as the record could possibly be in a distant town or city, or another state. Inquiries must be made directly to the town or city clerk where the event took place.
