Annual Report of the Town of Alexandria

FOR THE FISCAL YEAR ENDING
DECEMBER 31, 1988

Cover: Highway Department's New 1988 Ford L8000

This Town Report is dedicated to the men and women of

THE ALEXANDRIA VOLUNTEER FIRE DEPARTMENT
and it's
LADIES AUXILIARY

Now, we'd like to tell you why we feel they deserve this honor, by giving you a short history of these two fine organizations.

On January 2, 1963, an event occurred which forever altered fire protection in the town of Alexandria. Mrs. Gene Nathan Stone, age 19 years, perished in a fatal fire in her Alexandria home. That home was located where the fire station now stands. At that time, Alexandria relied on the Bristol Fire Department, and it's Mutual Aid partners, for fire protection.

Resolute in his grief, determined that some good must come from this horrendous tragedy, her husband, Peter Stone, made an offer to the people of Alexandria. He would donate the land which his house had occupied, if a fire department could be formed to build, maintain, and equip a fire station on the site.

So, in the early spring of 1963, a group of men met to form the Alexandria Volunteer Fire Department, and accept Mr. Stone's generous offer. The Ladies Auxiliary to the A.V.F.D. was organized at the same time, it's object being to provide the financial support needed to make possible the planned building and purchase of equipment.

Thus, the partnership of these two organizations of selfless men and women was formed and together they began their work. As Rep. James Cleveland said in his dedicatory speech, given on July 21, 1966, "This new fire station is the house built by chicken, ham and beans, and roast beef suppers. It has been a labor of love and is standing today as a testimony to hard work and good old-fashioned yankee ingenuity."

It is, of course, a testament to the generosity of all of the people who have attended all of the fund raisers, as well.

The bronze plaque affixed to the front of the fire station dedicates the building to the memory of Gene Nathan Stone. As her grieving husband had envisioned - out of the ashes of tragedy a living, continuing memorial to his wife had come into being.

The following years, have seen many changes and improvements for the A.V.F.D. In the first years, a system of red phones was the method used to spread the alarm of a fire. Many thanks are due the wonderful people who had those telephones in their homes, and served the people of Alexandria so well. The homes involved were those of Louise and Wesley Platts, John and Alice Pyne, and Andre' and Maxine Bourbeau.

A great leap forward, however, came when the A.V.F.D. joined the Lakes Region Mutual Fire Aid Association. This made possible the 24-hour coverage from a central dispatch, with instantaneous tone-activated notification of all firefighters, simultaneously. The marked reduction in response time was most helpful.

It also required the purchase of radio receivers for each firefighter. A recent improvement over the Plectron radio was the purchase of paging units for each firefighter. These units are approximately the size of a pack of cigarettes and are easily carried at all times.

The fire trucks that the firefighters use have been updated, as well. Beginning with a 1942 Buffalo mid-ship pumper purchased through the good offices of the Civil Defense system from the Boston Navy Yard in May of 1963, the A.V.F.D. has tried very hard to keep the station filled with trucks that, while being far from new, are nevertheless capable of doing the job.

In 1966, the Hopkinton, Massachusetts Fire Department donated to

the A.V.F.D. a 1939 Dodge front-end pumper. This truck was given in memory of Chief Joe Pyne, brother of John Pyne, who had died in a fire.

The next truck came through Carr Oil Company, when they sold the A.V.F.D. a retired oil tanker for a nominal sum. With a few modifications, and a new coat of bright red paint, the A.V.F.D. had a 1,000 gallon tank truck.

For many years, these three trucks served the A.V.F.D. very well. Under the painstaking care of charter member Kenneth Patten, who has been the Engineer for the A.V.F.D. since it's inception, these vehicles were kept in top notch shape. Ken has had many assistants, but his continued, dedicated service is an acknowledged fact. A great deal of credit must be given to this man for the many, many hours of work, he has spent in caring for the A.V.F.D. trucks.

At the present time, the A.V.F.D. has in service a 1957 Mack midship pumper, a 1957 FWD mid-ship pumper and a 1954 converted Army cargo-carrier front-end pumper/tanker. These trucks have passed stringent pumping tests.

Chiefs of the A.V.F.D. have been: Stewart Walker, Arthur Costin, Ed Masi, John Pyne, Kenneth Patten, Francis Butler, and the present Chief is David Bucklin.

So many neighboring towns have donated equipment that it would be impossible to mention lack, as it would be to enumerate the donations of equipment and money by individuals.

One exception should be, however, the acknowledgements of the work of master mason Donald Jacquith. Donald donated many hours of labor to help construct the cement block, brick trimmed fire station. He had many helpers throughout the construction, but his expertise was invaluable and much appreciated.

One of the great strengths of the A.V.F.D. and the Auxiliary has been the involvement of entire families in the organizations - husbands as firefighters, wives in the Auxiliary and children helping whenever they can. It has recently happened that three generations of the Corliss family are serving in the A.V.F.D. with the acceptance of Mike Corliss as a firefighter. Mike joins his father, Bill Corliss and his Grandfather, Leo Corliss. It is also quite remarkable that the present Chief, David Bucklin is joined in the line of officers by his brothers, 2nd Lieutenant Everett Bucklin, and Captain John Bucklin.

The steadfast support of the Ladies Auxiliary has been the mainstay of the A.V.F.D. whether it is a request for \$4,000.00 to equip a newly acquired fire truck, or as more recently, \$7,500.00 to purchase the pagers mentioned earlier. The Auxiliary has always been there to supply the needed monies. In the 26 years, since it's formation, the Auxiliary has turned over to the A.V.F.D. a total of more than \$32,000.00 to help them purchase needed equipment. The Auxiliary has always been secure in the knowledge that the money will be used with utmost responsibility and frugality.

The roster of Presidents of the Ladies' Auxiliary is much shorter than the listing of Chiefs of the A.V.F.D. The wonderful reason is that, following the terms of Mrs. Eileen Williams and Mrs. Margaret Adams, both of whom served for one year each, the Auxiliary had the great good fortune to elect Mrs. Doris Sargent, as President. President, Sargent has been the guiding light of the Auxiliary since 1966, when she assumed her duties.

Two lines from an essay entitled "What is a fireman" speak the accolade due these two organizations: "They don't preach the brotherhood of man. They live it."

Respectfully submitted by,
Beverly M. Patten

F O R E W O R D

This past year, the Town of Alexandria's town office has, again gone through considerable transition and change. The entire area is going through much growth and change, as well.

As we all know, another Selectmen resigned for personal reasons, the Road Agent resigned and the Selectmen's Secretary left our employ. Fortunately, we found willing and competent individuals to complete the year, such as Debra Haggerty, who was hired to take over the position of the Selectmen's Secretary.

This year, we converted to a computerized property tax billing, resulting in much more property data being readily available on each property owners tax bill.

With the growing needs and demands of the Town of Alexandria, the position of Selectmen's Secretary has been increased to a full-time position, with office coverage from 9:00 A.M. to 5:00 P.M., Tuesday through Friday, resulting in timely handling of matters, availability, and being of assistance when needed.

This year, after receiving various price quotes and specifications, our Town Report was prepared in camera ready quality, due to the efforts of our Secretary, resulting in a substantial reduction of printing costs of our 1988 Annual Report.

We wish to extend special thanks to all of the extra time and special efforts of our Secretary, Debra Haggerty. As well as, the Town Clerk and Tax Collector, Charlotte Platts; and our Road Agent, Michael Plummer and highway crew.

Let's keep our lines of communication open and try to continue to build on what has started to fall into position, by working together. We look forward to the new year.

1989 TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

The polls will be open from 11:00 A.M. to 7:00 P.M., Tuesday, on the fourteenth day of March next.

To the inhabitants of the Town of Alexandria, in the County of Grafton in the said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Alexandria on Tuesday, the fourteenth day of March next at eleven of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To choose all necessary School Board and School Budget Members for the Newfound Area School District for the ensuing year.

You are hereby notified to meet at the Alexandria Town Hall in Alexandria, on Thursday, the sixteenth day of March next, at seven-thirty of the clock in the evening, to act upon the following subjects:

3. To raise such sums of money as may be necessary to defray the town charges for the ensuing year and make appropriations of the same.

Town Officers' Salaries	\$ 25,000.00
Town Officers' Expenses	22,664.00
Election and Registration	750.00
Cemeteries	4,000.00
Reappraisal of Property	7,500.00
Legal Expenses	6,000.00
Expenses/Town Hall and Other Town Buildings	4,250.00
CPA Audit	3,100.00
Tax Maps	600.00
Police Department	23,000.00
Fire Department	5,000.00
Civil Defense/Emergency Management	3,000.00
Street Lighting	1,200.00
Hebron and Bridgewater Refuse Disposal	36,800.00
Newfound Area Ambulance Association	2,684.00
Planning and Zoning	1,000.00
Interest and Debt Service	26,343.00
Animal Control	250.00
Vital Statistics	25.00
General Assistance, Town Poor	1,500.00
Old Age Assistance, (State)	500.00
Bristol Community Center	2,252.00
Patriotic Purposes (Memorial Day)	200.00
FICA	9,500.00
Insurance	31,947.00
Unemployment Compensation	100.00

\$219,165.00

1. To see if the Town will vote to raise and appropriate the sum of \$2,928. (two thousand and nine hundred and twenty eight dollars) for the local Newfound Area Nursing Association.

2. To see if the Town will vote to raise and appropriate the sum of \$1,249. (one thousand and two hundred and forty nine dollars) for the support of the following:

Community Action Program	\$350.00
Grafton County Senior Citizens Council	\$699.00
Plymouth Area Task Force	\$200.00

3. To see if the Town will vote to raise and appropriate the sum of \$15,000. (fifteen thousand dollars) for the replacement and completion of Bailey Bridge.

- 8. To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000.00) to be added to the Highway Department Capital Reserve Fund.
- 8. To see what sum of money the Town will vote to raise and appropriate for the maintenance, sealing, reconstruction, and plowing of roads. The Budget includes: \$149,934.00.
- | | |
|-------------------------|--------------|
| Town Funds. | \$109,721.85 |
| Highway Block Grant Aid | \$ 40,212.15 |
10. To see if the Town will vote to create an expendable general trust fund under the provisions of RSA 31:19-a, to be known as the Town Hall Maintenance Fund, for the purpose of repairing and maintaining the Town Hall. Both the principle and the interest in the fund may be appropriated and expended for that purpose.
10. To see if the Town will vote to establish a Capital Reserve fund under the provisions of RSA 35:1, for the purpose of installing heat in the Town Shed, to be known as the Town Shed Maintenance Fund, and to raise and appropriate the sum of three thousand dollars (\$3,000.00) towards this purpose, and to designate the Board of Selectmen as agents to expend.
11. To see if the Town will vote to create a Capital Reserve Fund under the provisions of RSA 35:1, for the purpose of purchasing a cruiser for the Alexandria Police Department and to raise and appropriate the sum of four thousand dollars (\$4,000.00), to be placed in this fund and to designate the Board of Selectmen as agents to expend.
12. To see if the Town will authorize the establishment of a Capital Reserve Fund pursuant to RSA Chapter 35 for the future revaluation of the town and to raise and appropriate the sum of sixty thousand dollars (\$60,000.) towards this purpose, and appoint the Board of Selectmen as the agents to administer this fund.
13. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 (five thousand dollars), to be added to the Capital Reserve Fund for the purpose of fire equipment for the Alexandria Volunteer Fire Department.
14. To see if the Town will vote to raise and appropriate three thousand and three hundred and sixty dollars, (\$3,360.00), for the refinishing, sealing, and urethaning of the floors in the Town Hall, kitchen, office, stage, and thresholds.
15. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive, and expend federal and state grants, which may become available during the course of the year, in accordance with the RSA 31:95-b, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money.
16. To see if the town will grant the Alexandria Planning Board, by ballot, the power to regulate sub-divisions pursuant to RSA 674:35, as follows:
- I. A municipality may by ordinance or resolution authorize the planning board to approve or disapprove, in its discretion, plans and to approve or disapprove plans showing the extent to which and the manner in which streets within subdivisions shall be graded and improved and to which streets water, sewer and other utility mains, piping, connections, or other facilities within subdivisions shall be installed.
 - II. The planning board of a municipality shall have the authority to regulate the subdivision of land under the enactment procedures of RSA 675:6. The ordinance of resolution which authorizes the planning board to regulate the subdivision of land shall make it the duty of the city clerk, town clerk, clerk of district commissioners or other appropriate recording official to file with the register of deeds of the county in which the municipality is located a certificate of action showing that the planning board has been so authorized, giving the date of such authorization.

17. To see if the Town will vote to authorize the Board of Selectmen to carry over the remaining nineteen thousand seven hundred and twenty one dollars (\$19,721.), into the replacement costs and completion of Bailey Bridge.
18. To see if the Town will vote to accept the following code:
Before acceptance of new roads, one year must have passed to ensure that the road is up to specifications.
19. To see if the Town will vote to approve the Board of Selectmen appointing or accepting a volunteer to serve on a committee along with persons from the Town of Hebron and the Town of Groton to look into a feasibility of a regional Police Department to serve the three (3) towns and to report their findings back to the Board of Selectmen of all the towns before the next Town Meeting in March of 1990.
20. "Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes."
21. To see if the Town will vote to adopt an ordinance on new driveways, whereas an application for a driveway permit must be obtained by and submitted to the Board of Selectmen for approval or disapproval prior to proposed driveway construction and installation.
22. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.
23. To see if the Town will vote to authorize the Tax Collector to accept prepayment of taxes.
24. To transact any other business that may legally come before this meeting.

The business meeting to consider the above-mentioned articles of this Warrant will open at the Town Hall on Thursday, March 16, 1989 at 7:30 P.M. to act on the above subjects.

Given under our hands and seal, this 23rd day of February, in the year of our Lord nineteen hundred and eighty-eight.

ALEXANDRIA HIGHWAY DEPARTMENT

1988 REPORT

With the continuation of upgrading all our roads in town, there were many projects started and completed in the five months of my position as Road Agent since I began on July 5, 1988.

The rebuilding top to bottom of the Linfield Bridge on the Brook Road, was a complete success this past summer. And, with the finishing touches coming from the State for the rating of E2, no permit loads bridge. Among other bridge work completed this past year, the Dick Martin Bridge and the Kummerers Bridge on the Brook Road saw many reinforcements to the already standing bridge structures, which in turn brought the grades up to 15 ton limits by the State.

The upgrading of other roads in town this past summer, consisted of replacing and/or repairing culverts, cleaning existing ditches, and the making of new ones along with the widening of several roads.

As the Highway Department over-came several obstacles over these past few months of severe equipment problems due to long term neglect, I feel that the worst is now behind us and all other future projects will progress smoothly.

The purchasing of a new Ford L8000 dump truck and plow, replaced the old Ford 600 dump truck. We have seen very little snow this year, however with the new truck as part of our small fleet, I feel the roads have been maintained as best they can be due to these winter conditions. With the lack of snow, but the over abundance of rain and ice, I have bought and used more sand than this town has used for a very long time. However, I feel by doing so, the roads have been much safer to travel.

My job as Road Agent comes with a great deal of responsibility not to mention respect, that I have not taken lightly. I cannot take the credit for these accomplishments on my own. My thanks go out to the trustworthy and dependable crew I have had the pleasure to work with. This town and public safety are our number one concern, and will continue to be. We are aware of our duties and the needs of the town, and know that we can continue to do it well.

I would like to publicly thank all of you for the continued support of the Highway Department.

Respectfully submitted by,

Michael Plummer, Road Agent

PLANNING BOARD REPORT - 1988

Your Planning Board met twice monthly from January to August. In September, we dropped our special meetings on the first Wednesday of the month and continued to meet on the regular meeting night, which is the 3rd Wednesday of each month.

This past year, subdivision regulations were prepared and there were two hearings held. First hearing on June 15th with approximately 36 in attendance, the second hearing on August 3rd with approximately 43 in attendance. Prior to this, these regulations had been reviewed by the law firm of Hall, Morse, Gallagher, & Anderson in Concord: amended and sections added to assure that this will be a workable document.

The Board is now waiting for authorization from the Town at the Annual Meeting in March to approve subdivision regulation. If planning work is to continue, we must receive an affirmative vote on Article # 14, so to adopt provisions of RSA 674:35 - Subdivision Regulations.

Your Planning Board has worked diligently for two years to prepare for a degree of planning for the town, and while overspending on the Budget this past year, has over the two years saved the town several thousand dollars, in preparation of a Master Plan (or as I prefer to call it, the Town Plan), and subdivision regulations, two necessary documents the Planning Bd. must have before it can function to any extent. If these plans had to be prepared by sources other than the Board itself, the cost would have been several thousand dollars, at least.

Copies of our Master Plan are available at the town office at a cost of \$7.50 (seven dollars and fifty cents), and draft-copies of the subdivision regulation are also available free. Copies of the above are available also at Haynes Library, next to the Town Hall, for review.

We solicit your thoughts and ideas on planning at any time. Please let us hear from you.

Let me say again, an affirmative vote will be needed at the town meeting on the authorization to approve subdivision regulations if planning work is to continue.

Respectfully submitted by,

Sherman Wadhams

Planning Board Meetings

Regular meetings of the Alexandria Planning Board will be held on the third Wednesday of each month, until further notice. All meeting will begin at 8:00 P.M. in the Town Hall.

POLICE REPORT 1988

TOTAL CALLS: 1,012

ALEXANDRIA VOLUNTEER

FIRE DEPARTMENT REPORT FOR 1988

TO REPORT A FIRE IN ALEXANDRIA DIAL 524-1545.

Give the dispatcher the exact address location of the fire emergency AND when possible, remain on the telephone line so further information can be obtained, if needed.

The Alexandria Fire Department would like to thank the people of Alexandria for their continued support throughout the year.

Three new members have joined the Fire Department this past year, bringing our membership to 30.

We would like to thank the Ladies Auxiliary for their generous support throughout the year.

We responded to the following incidents in 1988:

Mutual Aid13
Car Fires9
Chimney Fires7
Wires Down4
Forest Fires3
False2
Chimney Inspections.60
Oil Burner Inspection5
Foster home Inspections.2
Day Care Inspection.1

REMEMBER A PERMIT IS REQUIRED TO INSTALL AND OPERATE OIL BURNERS.

Respectfully submitted by,
David B. Bucklin/FIRE CHIEF

NEWFOUND AMBULANCE RESCUE

1988 REPORT

Newfound Ambulance Rescue experienced another busy year during 1988, with the increased call activity in providing services to the surrounding Newfound Area Towns: Alexandria, Bridgewater, Bristol, Danbury, Hebron, and New Hampton.

There were a total of 456 calls during 1988, an increase of 24 over the previous year. This continues the trend in recent years of steadily increasing call activity. For example, in 1984, there were 316 calls. For the Town of Alexandria, there were 58 calls, up from 45 the year before. A breakdown of the number of calls per town is shown below.

Efforts are ongoing to ensure continuing compliance with basic State requirements and to improve on the level of care we can offer the residents and visitors in our service area. Most important in this regard, are the E. M. T. attendants that staff the ambulances, a small dedicated group that strive to enhance their individual training and upgrade to advanced levels of certification. They deserve your support.

Newfound Ambulance Rescue is always on the lookout for new and interested attendants. As activity grows, we need additional help. If you might be interested in becoming an ambulance attendant, or know someone who could be, please contact Roger Pedersen at the Bristol Town Offices for more information.

In the year ahead, we look forward to replacing the 1981 ambulance with a new unit. Also, significant is an anticipated change in the dispatch service to the Lakes Region Fire Dispatch Center, approximately, by July 1. This will result in a single number to call for an emergency ambulance and rescue need, the same number you now call for your Fire Department. This change will be possible as a result of the integration of Newfound Ambulance Rescue as a department of the Town of Bristol.

Alexandria	58
Bridgewater	25
Bristol	186
Danbury	59
Hebron	28
New Hampton	72
Others	28

THANK YOU FOR YOUR CONTINUED SUPPORT.

REPORT OF TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER

Between July of 1987 and June of 1988, we experienced more fires than normal. The three leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden, and debris burning. All causes are preventable, but only with YOUR help.

Please help our town and state Forest Fire Officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest protection Headquarters at (603)-271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

NEWFOUND AREA NURSING ASSOCIATION

Dear Selectmen,

The Newfound Area Nursing Association Board of Directors respectfully requests town funds be appropriated for 1989. At the recommendation of its Finance Committee; we request a 10% increase from all of the towns this year as follows:

Bristol	\$13,286.
Alexandria.	\$ 2,928.
Bridgewater	\$ 2,928.
New Hampton	\$ 5,905.

Our newly expanded building, complete with new heating system, is efficient and economical. Thanks in part to the generosity of area businesses and individuals, the addition is completely paid for.

Unfortunately, other operating costs, such as supplies and telephone, are escalating. The governor-elect has announced his intent to cut all spending for services by 3%. Federal programs, such as Medicare, are also in danger of being reduced. Since reimbursement for home health services is cost based, cuts mean reimbursement below the cost of providing the service.

To help insure that NANA will be able to continue to provide services, the Board of Directors has established an endowment fund for all general contributions received. The purpose of this endowment will be to conserve principal and use interest income to subsidize services.

Our dedicated staff continues to provide needed services to residents in the home. The monthly hypertension screening, well-child immunizations, and foot care clinics are available to all at no charge. Durable medical equipment, such as electric beds and wheel chairs, are loaned to area residents at no cost.

The continued support of our towns is appreciated and is essential to meeting the health needs of area residents. Thank you for your continued support.

Sincerely,

Jeannine M. Martin
Executive Director

NEWFOUND AREA NURSING ASSOCIATION BUDGET FOR 1988

NET GAIN (loss)	\$ (600.00)

EMERGENCY MANAGEMENT REPORT - 1988

Hazardous material accidents and spills are occurring more and more in New Hampshire, as they are all over the country, and it is important that every local emergency management unit be prepared to handle an accident of this type because "it can happen here".

A series of training courses is being scheduled for this year, to better equip Alexandria's emergency response personnel to handle a hazardous materials accident.

The Board of Selectmen approved on June 23, 1988, a Hazardous Materials Ordinance. This ordinance places the burden of costs of a hazardous materials accident upon the party who causes the accident and requires the responsible party to pay for all services provided by the town in relation to the control and clean up of these materials and to reimburse the town for any costs or damages directly or indirectly incurred as a result of its efforts to contain, control, or clean up such hazardous materials.

In addition, the ordinance provides a \$200. response fee in the case of a hazardous materials incident. All costs and fees uncollected under this ordinance, will be placed in a special hazardous materials account and expended by Emergency Management and the Fire Department to equip and maintain, and train a hazardous materials unit.

The Emergency Management Director and the Fire Chief are responsible for enforcing this ordinance. Interested citizens may obtain a copy from the Emergency Management Director or the Selectmen.

We applied for special funding from the Department of Safety for hazardous materials training this past year, but grant money was assigned elsewhere. We will submit an application again this year.

Alexandria was the fifth town or city in the state to submit its community plan complying with SARA (Superfund Authorization Recovery Act) Hazardous Materials Planning Requirements. Every community in the United States was required to have this plan filed with their state emergency management agency by October 17, 1988. We were very pleased that Alexandria complied with the law sooner, in most instances, than much larger cities in the state with many more resources in terms of man power and funding.

The Emergency Management Director attended numerous seminars on cold weather emergencies, hazardous materials, floods, and communications.

The N. H. Department of Transportation reimbursed the town just \$1,232. for the state's share of the flood damage to the roads in 1987. The Federal Government reimbursed the town for its 75% share (\$9,197) in 1987. The town also contributed monies totaling 12 $\frac{1}{2}$ % of the total damage.

Alexandria, once again, participated in the FEMA program in 1988 and half of all emergency management monies expended by the town were reimbursed by the Federal Government.

Respectfully submitted by,

George G. Whittaker

EMERGENCY MANAGEMENT DIRECTOR

1988 ANNUAL OUTREACH REPORT

Tri-County
Community Action

Outreach is the field services arm of the agency. The purpose of this program is to assist low-income, elderly, and handicapped persons to solve individual problems and meet needs through individual and/or group self-help efforts. Outreach Coordinators accomplish this purpose by providing information, referrals, guidance, organizational assistance, individual counseling and by effectively linking and utilizing community resources.

This program operates primarily during the summer months. Last summer, the following people were served by the CAP Outreach Program in Plymouth.

Category	Type of Assistance
Food	Emergency food supplies, Food Stamps, Government surplus foods, consumer education, food baskets, nutrition, Green Thumb Gardening, Community Gardens.
*Energy	Electrical disconnects, out-of-fuel, Weatherizations, woodstove, fuel wood, home repairs, furnaces.
Housing	Emergency placements, furnishings, loans, home improvements, tenant/landlord relations, relocations.
Budget Counseling	Money Management, debt management, financial planning.
Health	Medicare, Medicaid, Mental Health, & Home Health.
Income	Job Corps, employment referrals, & welfare studies.
Transportation	Emergency rides, and car pools.
Legal Assistance	Information and referrals to Legal Aid.
Other	Miscellaneous
TOTAL CLIENTS SERVED:	Households: 1926 Individuals: 6504.

*Does not include fuel assistance.

Because of drastic reduction in federal funds received for our Outreach Program, we are asking for your continued financial assistance with a modest increase. With the Fuel Assistance Administrative monies, our program has experienced a 18.65% decrease in funds. With the Community Services Block Grant funds, we have experienced an 8.66% decrease. We are able to keep our request for funds from the towns modest, at this time, as a result of a small grant from the State of New Hampshire to assist homeless persons and families throughout the northern three counties.

Services/products provided for low-income people in your area:

	Funds or Products Provided
FEMA (Emergency Food and Shelter)	\$ 5,670.00
USDA (Food products-retail value)	\$ 38,787.25
N. H. Emergency Response Systems - personal emergency response units	\$ 750.00
GREEN THUMB: Garden seeds and community garden funds	\$ 600.00
VOLUNTEER HOURS @ \$3.55 an hour	\$ 976.25
TOTAL:	\$ 53,583.50

Please note that these funds are in addition to the approximately \$4,000. Community Services Block Grant matching funds that are applied to each Outreach Worker's Salary and other local expenses.

	# HOUSEHOLDS	DOLLAR AMOUNT
FUEL ASSISTANCE	813	\$ 3,303,015.70
WEATHERIZATION	N/A	\$ 42,036.26

TOLL FREE TELEPHONE: 1-800-552-4617

1988 NEW HAMPSHIRE HUMANE SOCIETY REPORT

Office of the Selectmen
Town of Alexandria
Alexandria, New Hampshire

January, 1989

Dear Selectmen:

The 1988 totals of the number of animals brought to the New Hampshire Humane Society shelter from your town are as follows:

By your Animal Control Officer:					
Dogs & Puppies:	5	Cats & Kittens:	4	TOTAL:	9
From Local Residents:					
Dogs & Puppies:	3	Cats & Kittens:	3	TOTAL:	6
Non-Domestic Animals:	0			TOTAL:	0
TOTAL NUMBER OF ALL ANIMALS RECEIVED:					<u>21</u>

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1988.. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs.

Every town has stray animal problems. We encourage your town and especially your Animal Control Officer to use our services more in 1989.

Sincerely,

Fritz T. Sabbow
Executive Director

THE LAKES REGION ASSOCIATION REPORT

1988

The Cooperative Advertising and Mailing program of the Association is our major program each year. This past year, we had four Chambers of Commerce and the Lakes Region Attractions working cooperatively raising \$16,667.00, which was matched with a matching Grant from the State in the amount of \$16,677.00 giving us a total advertising budget for the year of \$33,334.00. This is an increase over the previous years.

This amount made it possible to purchase \$20,000.00 in magazines advertisement, using 19 different media, and \$13,334.00 in newspapers, using 18 different locations. This brought us in 49,443 individual requests for literature at an over-all cost of 66 cents each. An outstanding value.

The Lakes Region Attractions didn't use Television this past year but did insert their Map/Guide in four Eastern Massachusetts newspapers. An over-all amount of 926,000 copies were printed of the Map/Guide and all were distributed.

We continue to publish and distribute the WHERE TO book annually, as well as distribute several navigational charts of our lakes.

We are currently working on a survey of two thousand, which is 1 out of each 22 requests we received for information on the Region. This brought us in over 400 questionnaires or over 20% replies. From this, we learned that our literature was most helpful, and that most people contacted came to the Lakes Region, one-third had been here previously, they utilized all types of accommodations, they stayed on an average of 7.1 days (which is above the national travel figures), and they spent an average of \$108.00 a day, per person. Most plan to return again. Predominantly they were from New York and New Jersey and also Massachusetts, and they all came during eleven months of the year. All proving that our vacation travel business is healthy.

We strive to preserve the quality of life in the Region and to preserve the Natural Resources of our lakes, our fields, and our forests, so that they can be enjoyed not only by our residents and visitors, but for those that are to come after us.

The Lakes Region Association is pledged to work in concert with our communities for mutual goals.

Mildred A. Beach, Exec. Secretary

PLYMOUTH AREA CRISIS SERVICES 1988
Task Force Against Domestic and Sexual Violence

PROGRAM DESCRIPTION

Plymouth Area Crisis Services (PACS), formerly the Plymouth Area Task Force Against Domestic Violence, is a non-profit volunteer organization, which provides assistance to adult victims of domestic and sexual violence. PACS, a member group of the New Hampshire Coalition Against Domestic and Sexual Violence, serves 17 towns: Alexandria, Ashland, Bridgewater, Bristol, Campton, Dorchester, Ellsworth, Groton, Hebron, Holderness, Plymouth, Rumney, Thornton, Waterville Valley, Warren, Wentworth, and North Woodstock. PACS is the only organization of its kind in southeastern Grafton County.

Since its inception in 1981, the organization has maintained a 24-hour crisis line, staffed by 25 volunteers who provide legal advocacy, temporary emergency shelter, transportation, food, emotional support & services, and referrals to its clients. Organization members also coordinate and conduct community outreach programs.

Providing support services to the volunteers are the three staff members: Program Director (full-time position), Director of Legal Advocacy (part-time), and Administrative Director (part-time). All three are supervised by the seven-member Board of Directors.

In the past seven years, PACS members have answered over 1,000 calls from all the towns it services. Many of these calls have been referred to us by the local police departments, the court, physicians, counselors and therapists. District Court Judge Edwin Kelly is also a supporter of PACS.

All services are free to any adult victims of sexual or domestic violence in the town that PACS serves. Volunteers and staff adhere to strict NH law (RSA 173-B:21), which requires that they maintain confidentiality with regard to persons served by them and files kept by the organization. Also, as required by law (RSA 173-C Privilege Bill), all information received by a volunteer or staff member in the course of a relationship with a victim is confidential. This law allows PACS to keep its location from being made public.

Susan L. Steiger
Admin. Director

Andrea M. Lee
Program Director

THANK YOU AGAIN FOR YOUR CONTINUED SUPPORT.

GRAFTON COUNTY COMMISSIONER'S REPORT

February 2, 1989

Unlike town and school budgets which are passed by local voters each March, Grafton County budgets are passed by the 28 member Legislative Delegation in late June. The State Department of Revenue Administration determines each town's share of county taxes based on the town's proportion of total assessed valuation in the county. Each town's property tax rate reflects its share of county tax as well as town and the school taxes.

In 1988, Grafton County's budget increased from \$8.9 million to \$10.1 million. The amount of the county budget to be raised by property taxes increased by 12.85% from \$4.5 million to \$5.0 million. (Just under half of the county budget is funded by property taxes. The rest is funded by a combination of state and federal monies and various user fees.)

The 1988 county tax increase resulted from a number of factors. A 5% wage/salary raise for the county's 250 employees increased the budget by \$96,000. Operating expenses for a new 34-bed jail wing added to \$114,000.; capital expenditures added another \$223,000. The county's share of court-ordered placement costs for juveniles increased \$150,000, while the county share of nursing home payments for indigents in county and private homes was up \$338,000. (These two programs, representing almost a quarter of the county budget, are determined by state and/or federal legislation, and are, therefore, beyond the county's control.) Finally, the county lost \$42,000. in revenue with the elimination of Federal Revenue Sharing Funds.

Since 1986 the county has been responsible for several programs formerly paid by the towns. These include paying 25% of court-ordered placement costs for juveniles and 50% of Old Age Assistance and Aid to the Permanently Disabled.

Furthermore, during the state financial crisis for the early 1980's, the state reduced its share of Medicaid for county nursing home patients from 50% to 38.5% of the non-federal contribution. Legislation to restore the state's 50% share passed the New Hampshire House in 1986 and 1987, but was killed in the Senate. Until such legislation passes, counties are forced to make up the difference.

Grafton County operates a 134-bed nursing home, primarily for individuals who are eligible for Medicaid. With the opening of a new wing (expected around April 1, 1989), the county's correctional facility will expand from 64 to 98 beds, housing both men and women awaiting trial or sentenced to a year or less of incarceration. The county farm which is one of three in the state and continues to be self-supporting, offers work programs for inmates. It also provides fresh meat and vegetables for the nursing home and cooperates with the Extension Service in experimental agricultural programs.

The county also maintains the Grafton County Courthouse renting courtrooms and offices to the state-run superior and probate courts, the state probation and parole agency and the state division of human services. The courthouse also houses an efficient Register of Deeds office, the Grafton County Sheriff's Department, the County Attorney's office, cooperative extension service, and the Commissioners' Office, which serves as the business office for the entire complex.

The Grafton County Commissioners meet weekly on Wednesdays at the Grafton County Courthouse in North Haverhill. We encourage public attendance and welcome tours of our facilities. For further information please call the Commissioners' Office at 787-6941 or contact Commissioner Betty Jo Taffe (Rumney), Everett Grass (Sugar Hill), or Gerard Zeiller (Lebanon).
