TRUSTEES OF THE TRUST FUNDS

The income from Common Fund #1 is less this year as a result of a reinvestment of some of the Capital into bonds that will produce a capital gain at the expense of income.

The approximate yield on total investment for 1981 was 9.5%. Based on an average principal and accumulated dividends of \$55,456.19 and income of \$5,295.07. This yield of 9.5% compares with 8.0% for 1980 and 6.5% for 1979.

On July 30, 1981, the balance of the municipal building fund of \$23,609.54 was turned over to the Selectmen for payment for the Thorsen lot.

A new perpetual care cemetery fund was established in the name of Clifton Arnold.

A capital reserve account for the purchase of a new fire truck was established this year. The contributions were: \$711. from the sale of old engine #3, \$289. donation from the Fire Belles, and \$10,000. appropriated by the Town at Town Meeting.

TOWN OF DANVILLE, N. H. WARRANT and BUDGET

To the Inhabitants of the Town of Danville in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Danville Fire Association Hall in said Danville on Tuesday, the ninth (9th) day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing. (by ballot)

2. To choose all necessary School District Officers for the ensuing year. (by ballot)

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

4. To see how much of the Parsonage Fund the Town will vote to spend for the ensuing year.

5. To see if the Town will vote to authorize the Selectmen to hire money for the use of the Town in anticipation of taxes.

6. To see if the Town will vote to authorize the Selectmen to sell Tax Title Property by public auction.

7. To allow the Selectmen to reconvey title to tax deeded property to the former owners only upon repayment of all taxes, costs, interest and other expenses which would have been paid.

8. To see if the Town will vote to authorize the Selectmen to apply for, contract for, and accept aid relative to natural disasters from the Federal Government from the Federal Disaster Assistance Administration in Washington.

9. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon: \$3,000. for new roof at Town Hall; \$1,000. for parking lot adjacent to Town Hall; \$4,000. for Tax Map; and \$3,000. for Fire Department.

10. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

11. To see if the Town will vote to adopt the Amendment to the existing Danville Zoning Ordinances and Land Subdivision Control Regulations as proposed by the Danville Planning Board as follows: Replace Article II, General Provisions, Paragraph D. 4., Sanitary Protection Requirements, to read: "All percolation tests to be witnessed and certified by the Health Officer prior to State approval. The fee for same shall be \$20.00 plus \$5.00 for each additional test in contiguous lots. Fee payable by the landowner directly to the Town. The Health Officer will be compensated for his services by the Town of Danville." (by ballot)

12. To see if the Town will vote to adopt the Amendment to the existing Danville Zoning Ordinances and Land Subdivision Control Regulations as proposed by the Danville Planning Board as follows: Amend Section III, Procedure, Paragraph K to read: "In areas not currently served by public sewer systems it shall be the responsibility of the subdivider or his agent to provide adequate information to prove that the area of each lot is adequate to permit the installation and operation of an individual sewage disposal system (septic tank and drain field). Such information shall consist of the report of the Health Officer regarding seepage and other tests he may require. The subdivider or his agent shall be required to provide the necessary equipment and labor for the making of these tests. Percolation tests conducted within the Town of Danville shall be deemed valid only if witnessed and certified by the Health Officer of the

Town of Danville prior to State approval. No subdivision approval or building permits shall be deemed valid without aforementioned participation of the Health Officer." (by ballot)

13. To see if the Town will vote to adopt the Amendment to the existing Danville Zoning Ordinances and Land Subdivision Control Regulations as proposed by the Danville Planning Board as follows: Amend Article II, General Provisions, Paragraph G, Water, Health and Safety Provisions, to read: "No structure shall be erected or fill placed within marshy, wet or seasonally flooded areas within the Town which will reduce the natural seasonal high water storage capacity, interfere with the natural flow of water courses or risk the health and safety of present or future residents of the Town. All new construction shall require a building permit review. All building permit applications filed with the Building Inspector(s) will be reviewed by a Permit Site Evaluation Committee consisting of a Building Inspector, Road Agent and/or Town Engineer, Conservation Commission member, Health Officer and a Planning Board member. This Committee will determine if the proposed location falls within an area which will reduce the natural seasonal high water storage capacity or interfere with the natural flow of any flood or seasonal high water. The Committee will insure that those areas of proposed construction or fill must be at an elevation above the mean seasonal high water mark." (by ballot)

14. To see if the Town will vote to adopt the Amendment to the existing Danville Zoning Ordinances and Land Subdivision Control Regulations as proposed by the Danville Planning Board as follows: Replace Article III, Paragraph A, to read: "To require all new businesses to obtain a permit to transact business. Permit to be issued by the Board of Selectmen at a cost of five dollars (\$5.00)." (by ballot)

15. To see if the Town will vote to adopt the Amendment to the existing Danville Zoning Ordinances and Land Subdivision Control Regulations as proposed by the Danville Planning Board as follows: Replace Article XIV, Definitions, Paragraph M, Building Code, to read: "The Building Officials and Code Administrators International (BOCA) Code, basic only, in effect January 1981 and as amended yearly shall be the minimum standards for all

construction within the Town of Danville. All new electrical wiring to comply with the National Electrical Code." (by ballot)

16. To see if the Town will vote to adopt the Amendment to the existing Danville Zoning Ordinances and Land Subdivision Control Regulations as proposed by the Danville Planning Board as follows: Adopt a new Article XVIII: "House Numbering. Adopt the numbering system in use by the Danville Fire Department as the official Town system for all purposes." (by ballot)

17. To see if the Town will vote to adopt the Amendment to the existing Danville Zoning Ordinances and Land Subdivision Control Regulations as proposed by the Danville Planning Board as follows: Adopt a new Article XIX, Comprehensive Zoning, to read:

Any building and use of any building or land which was in full compliance with all those ordinances and regulations in effect immediately prior to the adoption of this Article shall be permitted to the extent previously permitted. All change, extension or use of a building shall be subject to this Article. (by ballot)

A. Zoning Districts and Boundaries

The Town of Danville is hereby divided into zoning Districts designated as follows:

1. Residential/Agricultural: Every part of the Town of Danville not otherwise hereinafter designated.

2. Commercial/Retail and Service: That part of the Town of Danville bounded as follows:

(a) A strip of land extending southward along Main Street from the centerlines of Colby Road and Kingston Road to a line 550 feet south of the intersection between the centerlines of Main Street and the southerly fork of Colby Road and running perpendicular to the centerline of Main Street. The strip of land to be 450 feet wide in the East to West direction on each side of the centerline of Main Street.

(b) A strip of land extending southward along the easterly side of Main Street from the centerline of Pleasant Street to a line 400 feet south of the intersection between the centerlines of Main Street and the southerly fork of Pleasant Street and running perpendicular to the centerline of Main Street. The strip of land to be 450

feet wide in the easterly direction from the centerline of Main Street.

THANK YOU

A special thank you to the Anonymous donor of \$2,000.00 this past year, to help defray our cost of legal expenses. We would also like to thank the Danville Baptist Church for their donation of \$1,200.00 to the General Fund; as well as the Danville Firemen's Picnic Committee for their donation of \$500.00, and the Danville Fire Belles for their two donations totalling \$1,789.00 for the Capital Reserve Fund for future fire truck purchases.

And while we are expressing our gratitude, let us not forget the many people in Danville who donate their time to one or more Boards, Committees or Commissions at no cost to the Town. They do it just to help the Town of Danville.

POLICE DEPARTMENT REPORT 1981

During the past year our department has responded to the usual varied calls such as neighborhood and family disputes, theft, vandalism, medical emergencies, fires, accidents, traffic control, lost and stray animals and other various duties.

Our budget does not allow for special patrol duty but members of our department are always alert as they travel through town on a trip to the store or to visit someone, etc., so "patrol" is at various times in many various ways, at no cost to the town. We do however, as always, rely on our good and faithful residents to also be alert and notify us of any suspicious activity. Our police telephone is "manned" 24 hours a day for quick response to emergencies as well as providing any information you may need.

Some years ago the State of New Hampshire created a Police Standards and Training Council to establish minimum standards for all New Hampshire Law Enforcement Officers. They have implemented a program for certification of part time as well as full time officers. Our department does not employ officers on a regular 8 hour paid schedule but respond to emergency calls and other necessary business, so we fall into the part time category. The specifications for certification are much the same with classes in Community Relations, Police Ethics, Constitutional Law, Laws of Arrest, Criminal Law, Motor Vehicle Law, Civil Liability and Use of Emergency Motor Vehicles. Introduction to Service Revolver, Report Writing, Complaints and Warrants and Accident Reports. Handling Domestic Complaints, Prowler and Disturbance Calls, Searching and Handcuffing and Vehicle Pullover techniques. Classes were held weekly at Timberlane Regional High School and the University of New Hampshire, with periodic testing in each area. Each officer has to attend classes and receive a passing grade on each test in order to receive certification.

We are pleased to have had the following mem-

bers of our department receive their State Certification -- Selectwoman, Patricia Cote ; Chief, Clyde Goldthwaite; Officers, Eleanor Goldthwaite, Chester Walker and Robert Wilson. Other members attended some classes but have not completed all areas needed, for certification. They will continue their studies when classes become available, in this area, again. Since our budget did not allow payment for time spent for schooling, we thank our officers who spent so many hours to receive this certification.

While this is a must, it is by far no guarantee of a good officer and we must also have officers who have good common sense, experience and general knowledge and with a "Call" department such as ours, devotion and cooperation are very important, to give 24 hours a day coverage.

The members of our department have made every effort to provide necessary protection for the people and property of the Town of Danville, and we want to thank all our citizens for their cooperation and understanding.

CLYDE E. GOLDTHWAITE, Chief

CEMETERY REPORT

This year more loam was placed in the back of the Old Meetinghouse Cemetery and some levelling was done. There is a need to acquire additional cemetery acreage.

Residents may purchase lots at \$25. per grave. Corner markers must be placed flush to the ground within 60 days of purchase. Purchasers are urged to set up perpetual care on their lots by contacting the Trustees of Trust Funds.

MUNICIPAL COMPLEX COMMITTEE REPORT

The Committee has had a number of meetings during the year of 1981, and will present a working plan and preliminary recommendations at the Town Meeting. Items under discussion include:

Immediate Action (1982) Placing parking facilities on the land adjacent to the existing Fire Station.

Near term actions (within 3 years) Location of replacement Fire Station, renovation of Town Hall to accomodate all Town services.

Far term actions (5+ years) Expansion of Library, expansion of recreation facilities.

Any comments on any related issue would be gratefully considered by the Committee. Contact Bob Kent 382-8132 with any comments.

EXETER AREA VISITING NURSE ASSOCIATION, INC.

This non-profit community health service agency continues to provide acute, chronic, and preventative health care to member town individuals and families in their homes, in the office, and in the clinic. Referrals may be from physicians, patients, families, or other agencies. A physician must prescribe ongoing therapy.

Home Health Care includes provision for treatment by a registered nurse or physical therapist. Under the supervision of a nurse or physical therapist, home health aid care is available.

The Maternal and Child Health program includes nursing visits to new and expectant mothers, two well child clinics per month, and family planning when appropriate.

The Adult Screening Program includes the Blood Pressure Clinics and the Annual Flu Clinics, one of which is held in Danville in October to distribute the vaccine.

There is a mental health program and a communicable disease program available.

Thanks to all those in the Town who have volunteered their time and energies to the Agency.

Danville's population has increased and a second member to the board should be appointed to represent the Town. Meetings are every other month, excluding July and August. Available transportation to these meetings is a requirement. If anyone could serve in this capacity for a 3 year term, please call Claire Mace and me.

Watch for VNA notices in the Danville Gazette.

PLANNING BOARD

During the year, the Planning Board was requested to review four subdivision proposals and acted favorably on three of them. One variance was granted on one of the subdivision actions.

The Planning Board placed eleven articles on the 1981 Town Warrant, nine of which were approved and adopted by the Townspeople.

The Board spent a great deal of this year working with the Selectmen on issues in which the Town was involved in litigation. The Board developed a modified Zoning article which will be presented to the Town for acceptance on the 1982 Town Warrant.

We were encouraged with the apparent increase in resident interest in the workings of the Town this year. We urge anyone interested in Town planning to contact any member of the Planning Board. The Board's responsibility is to reflect the will of the community. Unless those needs/ideas are known, that responsibility cannot be adequately performed.

We look forward to working with you in 1982.

FOREST FIRE WARDEN REPORT

The local fire warden has control of the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and places as the Fire Warden deems as safe.

Burning hours are from 5 p.m. to 9 a.m. unless raining. A permit is required even if it is raining. Outside cooking fires using wood must have a permit.

If one burns when the ground is covered with snow, please let the warden be aware of it by calling 382-6967 or Fire Dept. dispatcher 362-4781. This sometimes saves unnecessary runs for the Fire Department.

This year's acreage from the ten starts was less than one half acre. The fast report of the fire by the person discovering the fire, and the fast response of the Fire Dept. no doubt contributed to the low acreage.

1981 Fire Statistics

- 1 Illegal campfire
- 1 Illegal outside cooking fire
- 8 Illegal grass and brush fires
- 1 Roadside fire caused by carfire

RECREATION COMMISSION

The Recreation Commission for 1981 sponsored the following activities:

The Heartbeat bounce was successfully held in March mainly due to the efforts of Jason Holder who inspired a dozen or more loyal "bouncers" to support this worthy cause.

The summer recreation program was held in July and August and received tremendous town support and was efficiently and energetically supervised by Mike Cassano and his assistants Guy Meigs and Jane Chase. Activities were held daily Tuesday, Wednesday and Thursday, featuring special field trips to the play "Fiddler on the Roof", Kingston State Park, New England Aquarium and Old Ironsides. The program also sponsored the World Frisbee Contest in Danville. Fifty-two youngsters participated through the course of the summer and heartily appreciate the efforts of the staff and all the adult volunteers who assisted.

The Senior League was also made available to the youth of Danville again this year. Fifteen boys participated and deserve a lot of support for their dedication in spite of the inconvenience of playing with no field in town large enough for them to practice on.

The Commission supported a recommendation made at the 1981 Town Meeting advising the formation of a town sub-committee to search for a possible recreation land purchase.

The latest special event funded by the Commission was bus transportation for the youth of Danville to visit the Exeter Haunted House at Halloween. Fun was had by all who participated.

COLBY MEMORIAL LIBRARY

382-6733

This year some of the much needed shelving was purchased. This was a step in the right direction. More will be purchased this year.

Participation in the Merri-Hill-Rock Co-op has been most beneficial for us to better serve our patrons through Inter-library-loan and discount purchasing and binding.

This year we have added many fine books and expanded our periodical section through subscriptions and gifts.

The Trustees and Librarian wish to thank all who donated their time, talents, books and magazines. We really appreciate your help.

The Friends Group attended the Public Legislative hearing in Concord, the annual State Library Conference and a special meeting on the revision of the State Friends Constitution and by-laws. With the proceeds from several sales and a very generous donation of an anonymous donor, they were able to purchase an Olivetta dry-paper copier for the Library and the use of all Danville residents. Members staffed the library on Saturday mornings and assisted with the cataloguing and reshelving books. Pre-school story hours were held. New members are always welcome to attend meetings on the first Wednesday at 9 a.m.
