SELECTMEN'S ANNUAL REPORT

The Board initiated its yearly activities, by welcoming it's two new members, Mrs. Mary-Louise Woolsey and Mrs. Diana LaMontagne.

The intensity of the February 1978 blizzard did considerable damage to our beach front. The Board arranged for repairs to Bicentennial Park, utilizing personnel resources provided by the Comprehensive Employment Training Act (CETA) saving the Town considerable money in wages.

A new addition to our Town government complex, was the completion of the new fire station, adjacent to the Town Office. This structure is considered a much needed addendum to the Town's safety resources.

The Board was proud to take part in our historical heritage by being involved in the dedication of a meaningful historical marker, placed at Bound Rock. The identification and preservation of our past history is a significant function of your Town government.

We have strenuously supported and are delighted to report continued progress in the completion of our Master Sewer Plan. Phase II of the Boar's Head segment including Red Coat Lane, has been completed. It is significant to note that full advantage of State and Federal funds has been sought and that many of our Town projects have been so funded, markedly decreasing Town costs. We have completed eight (8) of our first nine (9) priorities. The State priority list for this fiscal year's sewer funding was published in late 1978 and Hampton was declared eligible for some \$133,000 for sewer design and construction. A request is on file to increase this amount to \$185,000. The Town's portion of this cost is approximately 5% or \$9,250. It is essential that these grants be procured on a timely basis because of varying Federal priority parameters, that could render the Town ineligible in the next fiscal year.

At various times during the past fiscal year, it was anticipated that a budget deficit of \$40,000 could be generated. Through astute management practices and the close cooperation of all department heads, the deficit was reversed and in the end resulted in a surplus of \$44,000. Without this joint team effort, it would have been impossi-

ble to accomplish such a reversal in fiscal management.

In order to accommodate our senior citizens and gain the benefits of elderly housing, it was necessary to generate a rare action, a Special Town Meeting, in order to expedite the proposal.

This year also saw the resignation of Town Manager, Peter G. Lombardi. A candid appraisal of the situation, reflects the fact that a majority of the Board are sponsoring a Warrant Article to eliminate the Town Manager form of government. In the interim, the Board appointed Mr. George Hardardt as an Administrative Assistant, in lieu of a Town Manager. Action has been taken to accept resumes for Town Manager and/or Administrative Assistant. When the will of the people has been expressed at Town Meeting, action will be completed accordingly.

This year the Board of Selectmen were involved in a new policy format. We involved ourselves in the direct negotiation with the Police and Firefighter's Associations. These actions allowed the Board a better understanding of the terms and conditions of said contracts and made the Board more responsible and accountable to the voters of the Town.

The Board recognizes that it cannot and was not all things to all people. But we would like to reiterate that we kept the good of the Town always first and foremost during this past year.

COLLECTOR OF TAXES

Due to the change in the format of reporting the Annual Audit of the Tax Accounts, which no longer is required, I am pleased to be able to report to the citizens of Hampton as your Collector of Taxes instead of just an audit rundown. The last eight years as your elected Collector of Taxes has been very interesting and productive. We have come a long way in keeping an accurate account of the millions of dollars which come through the office to keep our Town running in a solvent manner.

The amount of Property Taxes committed to me for collection has increased over Two Million, Seven Hundred Thousand Dollars during the eight years and a substantial increase has taken place in the Resident Taxes, Land Rent and Tax Sales Accounts. Also committed to me for collection are the Bank Stock Taxes, Yield Taxes and the Warner Lane Sewer Assessments. Overall, the Tax Collection Department is responsible for in excess of Six Million Dollars and close to Fourteen Thousand accounts each year. The Resident Tax Account totals Sixty-five Thousand Dollars or Six Thousand Five Hundred taxpayers between eighteen and sixty-five years of age. There are many many other duties undertaken in this Department to assure legal compliance with the New Hampshire State Statutes as our Tax Rate is effected by a strick adherence to the State Laws.

We all dislike taxes, but as we all know, they are the basis of our operations and without them no Government can exist.

I wish to thank all the citizens of Hampton for their cooperation during the past years and it is my endeavor to provide you with continued prompt and courteous service.

The remainder of this report gives a complete status of the Tax Accounts of my Office.

Respectfully submitted,

Lewis W. Brown,
Collector of Taxes

TOWN CLERK'S REPORT 1978

“Busy” is the most appropriate word to describe the Town Clerk's office in 1978. We registered 10,628 motor vehicles, bringing in \$231,692 for registrations and \$3,254 for title applications. All together we collected \$305,528 for the Town of Hampton, \$11,200 of which was for sewer permits and credited to the Dept. of Public Works. Dog license fees totaled \$5,345.35, and \$470.50 of that was sent to the N.H. State Diagnostic Lab.

\$2,527.56 was taken in for Uniform Commercial Code financing and termination statements, \$1,214 for marriage licenses, and certified copies of birth, marriage and death certificates. Dance hall permits, pistol permits, taxi, theatre, beano and kennel licenses, were issued, 118 hunting and fishing licenses were sold, and 15 bad checks were collected.

We received fees for recording Federal tax liens, writs, telephone pole licenses, mortgage discharges, bills of sale, processed majority card applications and political filings.

There are also many responsibilities which do not generate revenue for the Town of Hampton which are part of the Town Clerk's duties. We registered close to 1,000 new voters, issued 3,300 dump permits, and answered 6,000 telephone calls, provided the public with all kinds of forms necessary for their dealings with state government.

We have kept the books, done the banking, sent out absentee ballots, acted in our capacity as an election official, recorded the annual Town Meeting, have sworn in elected and appointed officials, and offered notarial and justice of the peace services to the public at no charge to them.

Our heavy work load has been made lighter by the good humor and patience of the citizens of Hampton who often had to wait in line at our counter, and we would like to offer them sincere thanks for their courtesy and forbearance.

Jane Kelley
Town Clerk

BUILDING INSPECTOR REPORT

The Building Inspection Department consists of two full-time personnel; The Building Inspector, the Assistant Building Inspector, and a part-time Secretary.

The total cost of construction for the year of 1978 was \$8,874,874.04, an increase of \$3,724,260.04 over 1977. There were 809 building permits issued. The graph below shows a breakdown by months.

Jan.	353,575.00	Jul.	1,112,081.39
Feb.	140,465.00	Aug.	567,347.00
Mar.	857,125.00	Sept.	1,203,935.00
Apr.	899,373.60	Oct.	1,147,364.05
May	771,518.00	Nov.	828,745.00
Jun.	487,075.00	Dec.	506,270.00

Permits issued by classification :

HOUSEKEEPING RESIDENTIAL BUILDINGS	
One-Family houses.....	65
Two-Family houses.....	5
Multi-Family houses.....	2
MOVED OR RELOCATED BUILDINGS.....	2
MOBILE HOMES.....	33
ALL OTHER BUILDINGS AND STRUCTURES	
Industrial Buildings.....	4
Transit Hotels/Motels.....	3
Residential Garages or Carports.....	31
Professional Buildings.....	1
Stores and Other Mercantile Buildings.....	3
Other Non-Residential Buildings.....	3

INDIVIDUAL PERMITS OVER \$100,000.....	10
MISCELLANEOUS.....	217
TOTAL.....	809

Total number of new housing units for the year 1978 were 114. Single family house construction was up 23% over 1977. 18 Building Violations were discovered during the year 1978.

Building Permit fees collected for the year 1978 were \$30,803.00 as compared to \$17,858.00 for the year 1977.

The results of the Certificate of Occupancy for winter rentals from the beginning of enforcement, June 1, 1976, to December 31, 1978 are as follows:

1. Permits issued.....623
2. Permits issued for 1978.....191

Respectfully submitted,

John E. Medlock, Building Inspector
 Charles H. Parkhurst, Asst. Building Inspector
 Elaine Ritchie, Secretary

**1978 ANNUAL REPORT
ASSESSOR'S REPORT**

The net assessed valuation of Hampton increased by \$3,149,360. over the previous year. A comparison of the two years is indicated below.

Town & Preceinct Taxable Valuation		
	1977	1978
Land	\$20,774,740	\$21,356,820
Buildings	75,628,900	78,343,430
Factories	596,850	643,700
Utilities	5,409,000	5,699,400
Mobile Homes	804,600	1,024,100
Boats	76,800	71,700
Gross Valuation	<u>\$103,290,890</u>	<u>\$107,139,150</u>
Elderly & Blind Exemptions	-691,100	-1,390,000
Net Valuation	<u>\$102,599,790</u>	<u>\$105,749,150</u>

The more than doubling of the amount of valuation deducted for exemptions was the result of voter approval last year of a local option referendum changing the formula for computing elderly exemptions from equalized to actual assessed valuation, with the additional loss in valuation contributing to an increase on the tax rate.

The precinct portion of the town's valuation, shown in the following chart, remained stable at 34.1 percent of the total net valuation, as it has since 1976.

Precinct Taxable Valuation		
	1977	1978
Land	\$7,243,460	\$7,331,520
Buildings	25,488,380	26,608,670
Utilities	1,804,100	1,861,900
Mobile Homes	524,900	521,000
Boats	44,200	38,200
Gross Valuation	<u>\$35,105,040</u>	<u>\$36,361,290</u>
Elderly & Blind Exemptions	-122,600	-245,000
Net Valuation	<u>\$34,982,440</u>	<u>\$36,116,290</u>

The comparison of the 1977 and 1978 tax years in the table below shows a net increase of \$5.60 in the composite tax rate and of fifty cents in the precinct rate. Also illustrated is the apportionment of the amounts attributable to each jurisdiction and the percentage of the total rate for which it accounted.

TAX RATE STRUCTURE				
	1977	Percent	1978	Percent
Municipal	\$16.30	34%	\$21.40	40%
County	2.50	5%	2.10	4%
Winnacunnet Co-op	11.60	24%	11.20	21%
Elementary	17.80	37%	19.10	35%
Town Rate	<u>\$48.20</u>		<u>\$53.80</u>	
Precinct	<u>3.20</u>		<u>3.70</u>	
Precinct Rate	\$51.40		\$57.50	

A two year summary of amounts committed for tax collection is listed in the next chart.

COMMITMENTS TO TAX COLLECTOR		
	1977	1978
Property Taxes	\$4,951,555.24	\$5,712,156.60
Precinct Taxes	<u>106,973.11</u>	<u>125,964.78</u>
Gross Property Taxes	\$5,058,528.35	\$5,838,121.38
Veterans' Exemptions	<u>-53,255.76</u>	<u>-57,561.51</u>
Net Property Taxes	\$5,005,272.59	\$5,780,559.87
Inventory Penalties	<u>--</u>	<u>12,935.66</u>
Total Property Taxes	\$5,005,272.59	\$5,793,495.53
Resident Taxes	\$59,920.00	\$64,070.00
National Bank Stock Taxes	800.10	657.60

As evidenced in the preceding display, many property owners failed to heed the notice on the 1978 Inventory of Taxable Property forms cautioning of a penalty for failure to timely file and/or complete the form. The Inventory is a State form which is distributed by the local assessing of-

ficials. Contrary to popular misconception, it has always been required that the form be completed and filed annually. Failure to comply in past years resulted in loss of the right to appeal the property tax and loss of any exemptions to which the owner was otherwise entitled. A new law in 1978, in addition to the above penalties, further imposed a monetary penalty of one percent of the property tax, with a minimum of ten dollars and a maximum of fifty dollars. The forms are sent by first class mail each year on or before March 25 and must be completed and returned by April 15. Any property owner not receiving the Inventory form by April first should contact the assessing office for a duplicate in order to avoid the penalty.

Another change of law pertains to taxation of boats. Effective August 13, 1978, pleasure boats are no longer subject to property taxes. Instead, a boat tax, similar to the excise tax on automobiles, will be imposed at the time the boat is registered with the State's division of motor vehicles or that agency's authorized representative.

The revaluation of taxable property being performed by the Municipal Appraisal Company of Warren, Rhode Island is proceeding on schedule. Often the company has completed its field work of measuring and inspecting construction and determining land values, letters will be sent to all property owners notifying them of their individual appraisal figures and advising them of the time periods when the public may meet with company representatives for hearings. The new valuations will become effective in the 1979 tax year.

Respectfully submitted,
Howard Promer, Assessor

HAMPTON POLICE DEPARTMENT HAMPTON, NEW HAMPSHIRE

ANNUAL REPORT

Personnel: 20 Full-time Law Enforcement
50 Part-time Law Enforcement
5 Clerical - Dispatch

ADMINISTRATION

1978 has been a productive year for the Hampton Police Department. Working within the resources allocated, a number of improvements were made in areas such as safety improvements to the Police Station, Inservice Training, selection of personnel, and reporting and records management.

Dispatchers, who were hired under the CETA Program in August of 1977, were trained and relieved officers for patrol duty. The positions, which were budgeted, were then maintained on a permanent basis during 1978, successfully placing trained personnel on desk duty and maintaining continuity within the communications section.

The increase in crime and workload continues to be the single most disturbing aspect of public safety in Hampton. As you can see from the attached chart, Hampton experienced another 17% increase in Part I offenses and a 35% increase in the amount of property stolen. Burglary continues to be the single most serious crime committed in Hampton. Of the total 951 Part I Crimes, 283 of these were burglaries, and, although this represents a 5% decrease over the previous year, it is our opinion that Hampton is experiencing too high a burglary rate. We would urge all citizens of Hampton to practice sound crime prevention principles. Crime prevention information is available at Police Headquarters or from your insurance carrier.

OPERATIONS DIVISION

The Operations Division, which consists of the Patrol Bureau and the Bureau of Criminal Investigation, were significantly impacted by the increase crime rate and resulting workload. It is this Division which initially

responds to calls for citizen service and the follow-up criminal investigations. Although resources are limited, the personnel assigned to this Division accomplished a 6% increase in the clearance rate of Part I Crimes. Nevertheless, this Division's ability to respond effectively is severely strained.

In an effort to better utilize manpower and provide a more cohesive BCI, the Youth Services Sergeant was assigned as Commanding Officer of BCI, a Bureau that heretofore had no supervisor to coordinate the work effort.

The Patrol Bureau participated in the Selective Traffic Enforcement Program, again, in 1978. This program provides an additional cruiser on patrol on weekends during the Summer and holiday weekends to reinforce the traffic enforcement efforts.

In 1978, the Town purchased a new "Paddy Wagon" to replace the badly worn, previously owned, "Paddy Wagon". The new wagon was distinctively marked to match the cruiser markings. Two new replacement cruisers were purchased late in the model year, and, unfortunately, we had no choice of color as we had to purchase vehicles that the dealer had in stock. Consequently, two cruisers were an off-color and not distinctively marked. Hopefully in future years, vehicles can be ordered earlier to provide a color choice and allow for distinctive markings.

STAFF SERVICES DIVISION

The Commanding Officer of the Staff Services Division has numerous responsibilities including supervision of the Communications Section, Animal Control and facilities maintenance. Additionally, he prosecutes all cases in the District Court, and "wears other hats" when coordinating training, vehicle maintenance and records control.

During 1978, substantive safety improvements were made in the Jail at Police Headquarters. Windows in the cells were removed and cement blocks installed to prevent prisoners from obtaining weapons and contraband. The vitreous china toilets, which were often intentionally broken and thus posing a threat to officer safety, were replaced with unbreakable stainless steel. Light fixtures, which had been vandalized, were replaced so that officers.

would no longer have to enter dark cells to remove prisoners, and a ventilation system was installed as a health precaution. Additionally, some rooms were painted by the Custodian, and the Communications Center was partitioned to allow for greater security and less radio background interference. New lighting fixtures, which were not cost effective to replace, were installed in major office work areas as the original fixtures were no longer serviceable. The result was a more efficient, pleasant, work environment.

In-Service Training was undertaken in 1978, with funds appropriated in the budget for this purpose, and all officers attended approximately ten In-Service Training sessions. Additionally, other officers attended a fingerprint school, a photography school, and two Command Officers attended the Command Training Institute at Babson College.

In addition to the above training, the new Special Officer recruits attended a basic course of instruction before being appointed. Unfortunately, training had to be curtailed due to budgetary constraints later in the year.

Communications and records procedures were streamlined and made more accurate in 1978, by instituting a system which allows for faster retrieval of information with less cumbersome reports. Also, a system for recording calls for service and dispatch was developed which gives accurate time sequences of calls for service and a more accurate record.

The Animal Control Section handled 861 complaints in 1978, issued 133 summonses and picked up 152 dogs running at large. Additionally, the Town purchased a specially designed piggy-back carrier for the Animal Control truck, allowing the Animal Control Officer to pick up more dogs before making a trip to the Kennel.

CONCLUSION

During 1978, Detective James Tuttle and a number of Special Officers resigned for various reasons. Officer Tuttle will be staying on as a Part-time Officer. We wish him and the Special Officers who left to accept full-time positions elsewhere good luck in their new endeavors.

We would like to take this opportunity to thank all the

citizens of Hampton who have assisted and supported the Hampton Police Department during 1978. We would especially like to thank all those who assisted during the storm in February. Unfortunately, space does not permit us to list all the names of individuals and organizations participating during this emergency.

We would also like to thank Director George Hardardt and the men of the Public Works Department, along with Chief Howard Stickney and the men of the Hampton Fire Department, for their able assistance during the year.

Finally, we would like to add that the men and women of the Hampton Police Department are continuously committed to providing the best possible Police services within the resources allocated, and we will continue to strive for excellence as a law enforcement agency to meet the law enforcement needs of the community.

Respectfully submitted,
Robert P. Picucci
Chief of Police

HAMPTON POLICE DEPARTMENT

FIRE PREVENTION

During the year, Fire Department Headquarters moved to the new uptown station. This move places the department administration functions at a more central location and out of heavy congestion experienced at the beach during the summer beach season. Greater efficiency and reliability of the department functions could be attained with the establishment of the dispatch center at this new facility.

The town lost a commercial establishment during the year to the ravages of fire. From this fire we learn once again the hazard of combustible interior finish. We talk about this hazard at every opportunity. It has been a major factor in all serious building fires experienced by this department. Many onlookers at the recent loss were appalled at the speed of destruction before them. How many of them realize the same is possible with their property if combustible finish is present. It is time for vision to go beyond aesthetics.

One of our residents turned in a container sold for the storage and handling of gasoline. He determined that this container created a hazard. We are grateful that the problem was called to our attention. Through this resident's thoughtfulness, serious injury or loss of life may be prevented. Our own tests were made and revealed a real hazard. These test results have been reported to the New Hampshire Fire Marshal and the Consumer Product Safety Commission. Replies have been received that this hazard is being looked into. All we can do now is wait for their results.

AMBULANCE SERVICE

During 1978 the Hampton Fire Department's two ambulances answered a total of 817 calls for medical assistance. This reflected an increase of 41 calls over 1977. As in the past, calls increased dramatically in June, July, and August proving once again the necessity of having an extra man per shift during the summer. Several weekends in May and early June were extremely busy at the beach. Memorial weekend was one of the busiest of the season with traffic at a standstill at the beach for hours.

The Department has two new members replacing the two that left the department in 1978. At the present time we are trying to enroll these new men in an Emergency Medical Technician course. This course is the highest level of medical training available in New Hampshire today. It is our wish that every member, new and old, could receive this training which is so vital to giving good medical service.

We now have two firefighters that completed a Red Cross Instructors Course in CPR. They will instruct their fellow firefighters in CPR on a regular basis. They will also recertify every man every year in CPR. This is a requirement before you are issued an ambulance attendant's license from the State of New Hampshire.

At this time I wish to remark on the foolhardy practice of running shifts that do not have a full complement of men. In 1978 we were plagued with simultaneous ambulance calls and calls minutes apart, thus stripping the station of an effective firefighting force. On two occasions in 1978 the duty officer responded to box alarms alone on the beach engine because both ambulances were out. The number of calls both fire and ambulance are increasing each year. WE MUST MAINTAIN FULLY MANNED shifts at all times to handle these emergencies.

CALLS FOR 1978 are summarized as follows:

In Town Calls	756
Out of Town Calls	46
Calls to I-95	<u>15</u>
TOTAL	<u>817</u>
Highway Accident	158
Residential	344
Other	<u>315</u>

Portsmouth Hospital	9
Pease AFB Hospital	7
Anna Jacques Hospital	31
No Transport	230
Walk-in Medical Aid	
At Headquarters	333

FIRE ALARM

Two new master fire alarm boxes were added to the system during the year.

7146 Seagate Motel - Ashworth Avenue

7434 Galley Hatch Restaurant - Lafayette Road

To date a total of thirty-five public buildings, schools, factories, office buildings and apartment complexes are connected to the Hampton Municipal Fire Alarm System.

Due to budget constraints, routine maintenance of the Fire Alarm System as well as scheduled rewiring was severely curtailed this year and only projects of an emergency nature and new box installations were completed.

Six system failures during the year required emergency replacement of twenty-nine hundred and fifty feet of wire. Every effort was made to provide continuous service and to maintain the Fire Alarm System as fail-safe as possible.

All boxes in Town, a total of one hundred and thirty-eight, were tested twice during the year to insure proper operation.

TRAINING

The Training Division with the assistance of the Shift Lieutenants conducted in-service training of permanent firefighters. This daily training covers all areas of Fire Prevention, Fire Suppression, and Emergency Medical Training. The suppression forces engaged in over 4,109 manhours of training in the following subjects:

E.M.T. Refresher Course for 240 hours.

Cardio-Pulmonary Resuscitation for 146 hours.

The call firefighters under the direction of Call Captain Bernerd Robinson, and Company Lieutenants logged over 712 manhours of training. Regular call training accounted for 200 hours, the Basic Training Course for nine new call firefighters accounted for 288 hours, Basic Pump Operators Course accounted for 96 hours, Basic Aerial Ladder Operation accounted for 48 hours, and CPR Training for 80 hours.

Permanent and call members attended training sessions and seminars offered throughout the state. The Hampton Fire Department is fortunate to have several members who instruct at these weekend seminars.

In September the vacant house owned by the Co-operative Bank on High Street burnt in a day-long training exercise for permanent and call firefighters. Live fire training is the most realistic form of training available and affords an opportunity to gain actual fire experience and

builds confidence.

The Hampton Fire Department is proud of the high level of proficiency for services rendered to the community and in-service training is necessary to maintain this desirable characteristic.

The Hampton Fire Department has seen an unusually small increase in emergency service of only 2.4% above 1977.

During the year the department had an organizational change with a promotion of 3 firefighters to the rank of lieutenant, allowing us 7 lieutenants and 21 firefighters. This change enabled us to man both stations with lieutenants. Also to transfer the ambulance and manpower to the town station for off season operations.

The department also added 10 new call firefighters, to bring the call force strength to 30 men.

On March 18, 1978, the department moved into the new fire station and in this move, the office of the Chief, Deputy Chief and Fire Prevention Officer are now located in the town station; enabling us to be more conveniently available to all residents of the town.

During the storm in February our first line ambulance was totaled in an accident with a military vehicle. This required us to lease a new ambulance that went into service in May, and has been budgeted to be purchased in 1979.

It was voted at Town Meeting to purchase a new pumper. The contract was awarded to Maxim Motors in July and delivery is expected in January of 1979.

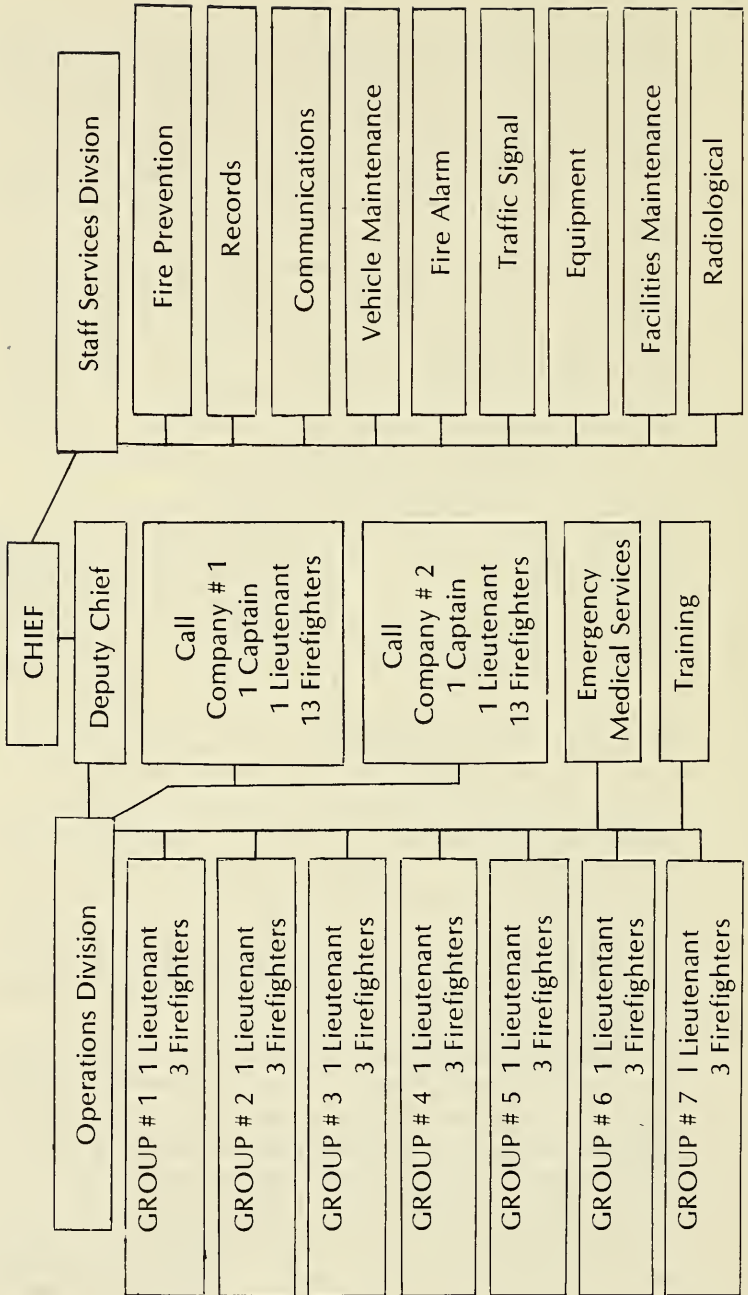

In October new rules and regulations were issued to all personnel.

I would like to take this opportunity to commend the permanent and call firefighters for their outstanding professional performance during 1978.

On behalf of the department, I want to thank the Police Department, Public Works, and area fire departments that gave us no less than their best assistance and cooperation enabling us to provide the Town of Hampton with the highest level of fire protection, second to none.

Respectfully submitted,
Howard W. Stickney
Chief of Department

HAMPTON FIRE DEPARTMENT Organizational Chart

PUBLIC WORKS DEPARTMENT

Personnel:

Regular - 40

Part-time - 24

Total Personnel - 64

WASTE WATER TREATMENT PLANT

In 1978 we processed 657,660 gallons of waste water, of which 582.3 tons were solid waste (sludge). Our average daily flow was 1,801,808 gallons per day. Included in the overall flow is 4 661,210 gallons of septic tank system wastewater and sludge.

SEWERS & DRAINS

1978 saw the completion of Phase II of our Boars Head Sewer Project. Also completed were the following drainage projects: Gill & Pearl St., Tuttle Ave., Ross Road, Park Ave. and Drakeside Road. Installed in the above drainage projects were 15 catchbasins, 300 feet of 18 inch culvert pipe, 664 feet of 12 inch culvert pipe, 180 feet of 6 inch culvert pipe and 2 backflow valves and a headwall.

There were 123 sewer entrances into our sanitary sewer system. In addition, 185 sewers and/or laterals were located for contractors, water co., gas co., and others.

We installed 29 new sewer laterals and relaid 5 others. We cleaned and flushed 67,081 feet of sewer mains and drains. There were 4 new manholes built and 19 were raised and/or repaired. 3 french drains were constructed and 2 were re-constructed. 10 catchbasins were repaired. 498 catchbasins were cleaned.

SOLID WASTE DISPOSAL

Solid waste disposal (rubbish collection) is again beginning to increase. Below is an 11 year comparison of compacted cubic yards of rubbish collected.

1968 - 33,124	1973 - 47,428
1969 - 35,246	1974 - 49,716
1970 - 37,180	1975 - 51,760
1971 - 42,171	1976 - 52,418
1972 - 45,854	1977 - 50,692

1978 - 51,040

Our town dump is continuing to be operated in an ex-

cellent and most economical manner. Our dump attendants are continuing to do an excellent job controlling the use of our dump and screening out people from entering illegally.

HIGHWAY MAINTENANCE & CONSTRUCTION

Our road resurfacing program is a continuing one. During 1978 we resurfaced 25,331 lineal feet of roads. Below is a list of roads.

Kings Highway	Woodland Road
Little River Road	Taylor & Ward St.
Mooring Drive	Thayer Road
Carolan Ave.	Seavey & Wingate St.
Drakeside Road	Towle Farm Road
Gill Street	

Along with the resurfacing program all of the above roads had their shoulders brought up to grade with crushed gravel, so as to protect the edges of the new pavement.

This section is also responsible for patching of pot holes. During the year we expended 231 tons of patch material on pot holes and ditches.

During 1978 we received 86 inches of snow requiring plowing, pickup, salting and sanding of our roads. All told we had 15 storms. The cost of the storms alone, excluding normal winter maintenance, was \$54,155.16 or \$629.71 per inch of snow.

There were 42 driveway permits issued requiring 84 inspections, 22 septic tanks installed requiring 49 inspections.

Again, as always street signs and traffic control signs have been a huge problem. During 1978 we installed 105 and/or reinstalled 419 signs of all types, largely due to malicious vandalism.

In closing this report, I would say that these are just highlights. There were many requests made of this department by our citizens, but are too numerous to list. Your Public Works Director will continue to improve when possible, always working to keep our roads, sidewalks and beaches a cleaner and safer place to live in.

Respectfully submitted,
George F. Hardardt
Public Works Director

HAMPTON TOWN MEETING

**Hampton, New Hampshire
March 14, 1978**

The 1978 ANNUAL HAMPTON TOWN MEETING convened at 8:00 AM, March 14, 1978 and was called to order by Moderator, H. Alfred Casassa. The annual business meeting was postponed until 10:00 AM, Saturday, March 18 and the polls were opened to allow voting on Article 1 and Articles 26 through 43, which were printed on the written ballot. The polls closed at 7:00 PM and a tally of the votes produced the following results:

RESULT OF VOTING BY NON-PARTISAN BALLOT Annual Town Meeting March 14, 1978

ARTICLE 40

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by inserting after Article XI a new Article XI-A as follows:

Article XI-A Controlled Growth

To control the growth of the Town in a manner not to exceed the capacity of providing the expanded services to support such growth, and expressly to protect the public health standards such as water quality and sewage treatment, the following restrictions shall apply:

11-A.1 The number of building permits to be issued for

new dwellings shall be limited to twelve per subdivision in a any one calendar year.

11-A.1.1 For the purposes of Section 11-A.1 a subdivision is defined as the dividing of a lot, tract, or parcel of land into more than two residential lots, whether or not any new street must be constructed to the same.

11-A.1.2 For the purposes of Section 11-A.1 those subdivisions which have been previously approved and in which more than two lots remain for which no building permit has been issued for a new dwelling shall be included as a subdivision under Section 11-A.1.

11-A.1.3 For the purposes of Section 11-A.1 a subdivision shall include additional tracts of land submitted in a separate plan where the additional tract of land is in the same ownership or under the same control and is a continuation of an approved plan.

11-A.1.4 For the purposes of Section 11-A.1 a duplex dwelling shall be considered as two permits.

11-A.2 Building permits for non-dwelling construction and for the expansion, alteration or replacement of existing dwellings are not subject to this article.

11-A.3 Mobile home parks shall be considered a subdivision for the purposes of this article and the number of mobile homes permitted to be located in a mobile home park shall be limited to twelve in any one calendar year.

11-A.4 Any residential lot having a frontage of 200 feet or more and being in size 1 acre or more shall be excluded from the provisions of this article.

NO: 382

**1978 ANNUAL TOWN MEETING
HAMPTON, NEW HAMPSHIRE**

March 18, 1978

The adjourned session of the March 14, 1978 annual Town Meeting for the Town of Hampton, New Hampshire was called to order at 10:00 AM by Moderator H. Alfred Casassa.

The Moderator welcomed the citizens of Hampton and asked that all visitors sit in the section on his right. He stated that any motion for reconsideration must be taken before going on to another article, and one amendment would be dealt with at a time.

The action on Article 1 having been taken on March 14, 1978, the agenda started with Article 2.

ARTICLE 2: To raise and appropriate the sum of \$960,-735. to be added to a gift of \$25,000 made by Wheaton J. Lane said total amount of \$985,735 to be used for the purpose of building and equipping an addition to the Lane Memorial Library in accordance with the report submitted at the 1978 Annual Meeting by the Library Study Committee, said sum to be raised by the issuance and sale of notes and/or bonds of the Town of Hampton in accordance with the Municipal Finance Act, in the principal amount of \$960,735. maturing over a twenty year period, the provisions for the sale of the notes and/or bonds and all other matters relating to, to be delegated to the Selectmen. Article 2 was moved by Michael McCarthy, seconded by Dona Janetos. A Yes/no ballot was taken. Yes: 195, No: 247. The article failed

ARTICLE 3: To see if the Town will vote to appropriate the sum of \$80,000 to purchase a new Tanker/Pumper with a 1,250 GPM pump and a 1,000 gallon water tank. This vehicle would replace the 1965 Maynard pumper which has already cost the Town in excess of \$20,000 for major repairs and which is no longer a reliable piece of fire apparatus. The new Tanker/Pumper would also enable the Fire Department to carry more water to those areas outside the present hydrant district.

Authorize the Selectmen to issue and sell such bonds or notes and determine the rate of interest to be paid

thereon as may be necessary to effect issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hampton, New Hampshire.

Authorize the Selectmen to enter into agreements and contracts and to take other action necessary to purchase said fire truck and to apply for and to accept State or Federal grants in aid of such project.

Any other action in connection with the foregoing matters or any of them.

Article 3 was moved by Robert Lessard and seconded by Robert Bridle. The Article passed.

ARTICLE 4: To see if the Town will vote to appropriate the sum of \$45,000 for the purpose of removing and constructing three new tennis courts in Tuck Field, said project to include all labor, materials, and installation; authorize the Selectmen to issue and sell such bonds or notes and determine the rate of interest to be paid thereon as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hampton, New Hampshire; authorize the Selectmen to enter into agreements and contracts and to take any other action necessary to complete said project and to apply for and accept any State or Federal grants in aid of said project; any other action in connection with the foregoing matters of any of them. Robert Lessard moved to indefinitely postpone, seconded by Ednapearl Parr. The motion passed.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of \$23,252 to fund cost items relating to the Police Officers' salaries and benefits for 1978, such sum representing the cost of those additional salaries and benefits authorized to be offered by the Hampton Selectmen to the Police Relief Association in the collective bargaining sessions which are still going on. Moved by Allen Bridle, seconded by Robert Lessard, Article 5 passed.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$23,943 to fund cost items relating to the Firefighters' salaries and benefits of 1978 representing the cost of those additional salaries and benefits authorized to be offered by the Hampton Selectmen to the Permanent

Firefighters' Association in the collective bargaining sessions which are still going on. Moved by Allen Bridle, seconded by Peter Lombardi, Article 6 passed.

ARTICLE 7: To see if the Town will vote to accept or reject the following recommendation of Fact Finder, Frank S. McDonnell submitted November 7, 1977 in the matter of Fact Finding between the Town of Hampton and the Hampton Permanent Firefighters' Association, which fact findings and the submission of this Article being in accordance with the New Hampshire Revised Statutes Annotated 273-A:12;

1. The Fact Finder recommends a 5% increase "across the board" retroactive to January 1, 1977;

2. The Fact Finder recommends that Article 20 (Sick-Leave) Section 1 be amended to read: "Upon retirement or voluntary quit (after 5 years continuous service) the Town will pay to the individual an amount representing 22.5% of his accumulated unused sick leave."

Moved by Louisa Woodman, seconded by Robert Bridle, Article 7 passed, on a Yes/No ballot. 169 in favor and 93 against.

ARTICLE 8: To see if the Town will vote to accept the budget as submitted by the Municipal Budget Committee, and to raise and appropriate the sum of \$3,472,322. Article 8 was moved by Glyn Eastman and seconded by Robert Bridle. Ashton Norton moved, seconded by George Hardardt, to amend the budget by adding \$30,000 to buy a new dump machine rather than spend \$18,600. in repairing a 6 year old vehicle. When a close vote was taken the Moderator asked for a hand vote and the amendment passed with 98 in favor and 79 against.

Helen Hayden moved, seconded by Keith Lessard, to Amend the budget by increasing account no. 225 by \$15,000 to pave Town Office parking lot. The amendment passed.

Allen Bridle moved, seconded by Ashton Norton, to amend the budget by putting \$6,000. back in the snow account. The amendment passed.

Arthur Moody moved, seconded by Keith Lessard, to remove \$492 from Account 29, since the Town Clerk already had a new typewriter. The amendment passed.

Allen Bridle moved, seconded by William Wilson to add \$6,000. to repair and reseal the tennis courts. The

amendment passed.

William Wilson moved, seconded by Diana LaMontagne, to increase the Fire Department budget by \$2,000. to repair the fire alarm system west of Exeter Road. The amendment passed.

Michael McCarthy offered an amendment to add \$1,000. to the budget for a Big Sister/Big Brother organization, but the Moderator ruled the amendment out of order because this is not an existing account.

James Fallon moved, seconded by Arthur Moody, to amend the budget by adding \$10,000. for planning for Town property. The Fallon amendment failed.

Allen Bridle moved, seconded by Robert Lessard, to add \$6,317. to buy a cruiser with 6 cylinders. The amendment passed.

Richard Batemen moved, seconded by Philip Darling, to amend the budget by adding \$500 and allow Selectmen to use their discretion in cylinder size for cruiser. Amendment failed.

It was moved by Mr. McAteer, and seconded by Mrs. Harvey to accept the budget as approved by the Municipal Budget Committee and amended by the Town Meeting, in the amount of \$3,537,147. Article 8 as amended passed.

ARTICLE 9: To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing fund established under the provisions of the State and Local Assistance Act of 1972 for the use as set-offs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action herein.

Police	\$24,333.
Fire	24,333.
Public Works	24,334.
TOTAL;	\$73,000.

Moved by Allen Bridle, seconded by Clifford Eastman. It was moved to postpone Article 9 by James Fallon, seconded by Arthur Moody. The motion to postpone passed.

ARTICLE 10: To see if the Town will vote to have a reappraisal made of all real estate in Town and to raise and appropriate the sum of \$98,000. for this purpose; to authorize the use of Revenue Sharing funds to defray the expense of

such reappraisal; or to take any other action hereon. Said reappraisal has been ordered by the State of New Hampshire, Board of Taxation.

Moved by Frank Fitzgerald, seconded by Robert Lessard to pass Article 10. Robert Bridle moved, seconded by Arthur Moody, to have the Town put out a book at a cost of \$1,800. of the assessed valuation after completion of the reappraisal. Bridle withdrew dollar amount, Moody withdrew his second. The Moderator asked for the sense of the Meeting; would the people like this book printed if it could be produced within the \$98,000. The sense was in the affirmative.

Moved by Richard Stebbins to instruct the Assessor to maintain 100% assessments. The Moderator stated that instruction without appropriation is out of order. Article 10 passed.

ARTICLE 9: Moved by Allen Bridle and seconded by Clifford Eastman passed.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$31,200. to purchase 12 acres, more or less from Mr. George Bergon; said acreage being an integral part of Hampton's Sanitary Landfill and necessary for continued access to the site from Landing Road. Moved by Frank Fitzgerald and seconded by Glyn Eastman.

Ashton Norton, seconded by Louisa Woodman, moved to reduce Article 11 to a 30 foot right of way. Moderator turned meeting over to Assistant Moderator Carl Bragg. Norton amendment failed. Article 11 passed.

ARTICLE 12: On petition of Frances W. Irving and 21 other legal voters of the Town of Hampton, to see if the Town will vote to raise and appropriate the sum of \$1,520 to assist Rockingham Child and Family Services. Moved by Colin Irving seconded by Allen Bridle, the article passed.

ARTICLE 13: On petition of Richard P. Millette and 14 other legal voters of the Town of Hampton, to see if the Town will vote to: raise and appropriate the sum of \$150. to be used for the support of the New Hampshire Seacoast Region Assn. Moved by Jane Kelley, seconded by Robert Bridle, the Article failed.

ARTICLE 14: On petition of Robert F. Preston and 10 other legal voters of the Town of Hampton, to see if the

Town will vote to: Raise and appropriate the sum of \$8,000. for the support of the Seacoast Regional Counseling Center, Portsmouth. Ednapearl Parr moved, seconded by Margaret Lawrence, to indefinitely postpone Article 14. The motion carried.

ARTICLE 15: On petition of Kenneth W. Malcolm and 15 other legal voters in the Town of Hampton to see if the Town will vote to raise and appropriate the sum of \$1,000 to renovate and repair the Fire Alarm Signal System wiring in the area west of Lafayette Road.

Moved by Roland Paige and seconded by Richard Stebbins, to indefinitely postpone the article. The motion carried.

ARTICLE 16: To see if the Town will vote to give the Selectmen and Town Treasurer power to borrow not more than \$2,750,000. in anticipation of taxes.

Moved by Robert Lessard, seconded by Les Cummings. The article passed.

Newly elected Chairman of the Board of Selectmen, Clifford Eastman, presented retiring Selectman Helen Hayden with a pewter plate and thanked her on behalf of the Town for her twenty-five years of dedicated service. Mrs. Hayden thanked the Board. Retiring Selectman Frank Fitzgerald was then presented with a pewter plate in gratitude of his unselfish service to the Town. Mr. Fitzgerald expressed his thanks to the Board of Selectmen and the people of the Town.

The Moderator stated that the Town of Hampton is losing extremely valuable public servants. "We are most deeply in their debt. We have been most fortunate in this town in the high calibre of selectmen and women. These two rate right at the top."

ARTICLE 17: To see if the Town will vote to discontinue a portion of the old Towle Farm Road in accordance with RSA 238 which portion runs westerly from the relocated Towle Farm Road at land of Philip A. Towle, S. Allen Towle and Murray A. Towle, for a distance of approximately 2,000 feet and terminates at the easterly side of Interstate Route 95 right-of-way. The Town of Hampton shall be relieved of all obligation to maintain and all liabilities for damages incurred in the use of, such portion of the old Towle Farm Road in the event it is so discontinued.

Moved by Frank Fitzgerald and seconded by Richard Stebbins, Article 17 passed.

ARTICLE 18: To see if the Town will vote to lease its revisionary interest in the land now subject to a 99 year lease with the Hampton Beach Improvement Company (date of expiration, March 31, 1997) to the present sub-lessees of the Improvement Company (or their successors in title) said leases between the Town and sub-lessees to commence on April 1, 1977 at such rentals, for such terms and on such conditions as the Selectmen believe to be in the best interest of the Town; to authorize the Selectmen to execute and deliver in the name of the Town all such agreements and leases as may be necessary and proper for this purpose; and to take any other action relating thereto; (this land is part of that now leased to the Hampton Beach Improvement Company, bounded on the north by Island Path, on the east by Ocean Boulevard, on the west by Ashworth Avenue and on the south by the northerly line of the Bridge Lots, so-called.)

Moved by David Riggs, seconded by John Bellerose, Article 18 passed after it was agreed, as suggested by Town Counsel. Seth Junkins, to change the word 'revisionary' to 'reversionary'.

ARTICLE 19: To see if the Town will vote to empower the Board of Selectmen to lease to Bailey Motel, Inc., a parcel of Town land containing 2,645 square feet and designated on a plan entitled "Town of Hampton, Lot No. 583, January 1978, scale 1" equals 20 feet." Said lease to contain the restriction that no structure of any kind be placed upon the land. Article 19 Indefinitely postponed.

of Hampton, Lot. Lot No. 583, January 1978, scale 1" equals 20 feet.". Said lease to contain the restriction that no structure of any kind be placed upon the land.

Article 19 Indefinitely postponed.

ARTICLE 20: To see if the Town will vote to amend the Dump Ordinance as adopted by the 1967 Annual Meeting and amended at subsequent meetings; by deleting to permit expiration date of May 1 and substituting in its place the date of January 1.

Moved by Allen Bridle, seconded by Robert Lessard, Article 20 passed.

ARTICLE 21: To see if the Town will vote to give the Selectmen power to accept, administer (including leasing for a term of years), or sell any Real Estate acquired through tax deeds, any sale to be at public auction or by requesting sealed bids therefore with reserve, with the exception that all tidal and fresh water marsh acquired through tax deeds be kept by the Town and placed under the jurisdiction of the Conservation Commission. Moved by Helen Hayden, seconded by Ednapearl Parr, Article 21 passed.

ARTICLE 22: On petition of Michael McCarthy and signatures of 12 registered voters of the Town, to see if the Town of Hampton will vote to: Contract for or accept grants of Federal or State aid or both in connection with the construction of any addition to the Lane Memorial Library approved by the Town at this Annual Town Meeting, 1976 and to expend such grants to pay or reduce the indebtedness incurred on account of such construction. Moved by Suzanne Ficke, seconded by Robert Bridle, Article 22 passed.

ARTICLE 23: On petition of Arthur J. Moody and 11 other legal voters of the Town of Hampton, to see if the Town will utilize in all Town Meetings, decisions, correspondence, documents and records the more common identity of the following:

Marelli Square: to use the more common Depot Square.

Hampton Beach Village District: to use the more common Precinct.

Cooperative Secondary School District No. 6: to use the more common Winnacunnet High School.

Municipal Sanitary Landfill: to use the more common Town Dump.

Ocean Blvd. (North Beach area): to use the more common North Shore Boulevard.

Wastewater Treatment Facility: to use the more common Sewer Plant.

Neil R. Underwood Memorial Bridge: to use the more common Hampton River Bridge.

Old Burying Ground: to use the more common Pine Grove Cemetery.

Meeting House Green Memorial Park: to use the more common Founder's Park.

And to authorize the recorder at such meetings and secretaries to such officials to substitute the above more common names when a citizen or official forgetfully writes or utters the legal and official name, notwithstanding to the contrary any provision of the United States and New Hampshire Constitution's Bill of Rights concerning freedom of speech or expression, or any statute or ordinance requiring accurate records of public proceedings and legally worded documents.

Or by rejection of this article, to reaffirm the Town's official position that legal and historical accuracy is far more important in the course of Hampton events than any purported double-identity crisis.

Moved to indefinitely postpone made by Arthur Moody, seconded by Ednapearl Parr. Motion carried.

ARTICLE 24: On the petition of Roger P. Garland and 15 other legal voters of the Town of Hampton to see if the Town will vote to adopt the following: A proposal by the President of the Meeting House Green Memorial and Historical Association, Inc. to have the Town of Hampton officially utilize the more common identity of the Association as the Hampton Historical Society in all Town Meetings, decisions, correspondences, and documents; such reference not intended to be utilized nor confused with any other organization.

Moved by Roger Garland, seconded by Glyn Eastman to pass Article 24. Article fails.

ARTICLE 25: On petition of Thomas J. Cots and 40 other legal voters of the Town of Hampton; to see if the Town will vote to instruct the Selectmen to issue forthwith the 5% salary increase to the members of the Hampton Permanent Firefighters Association, retroactive to January 1, 1977 in accordance with the recommendations of the fact finder, the funds for said salary increase having been appropriated in the 1977 Town Meeting, and remaining encumbered for application to the 1977 salary payments for the Hampton Permanent Firefighters Association members.

Moved by Thomas Cotts, seconded by Richard Bateman. Moderator rules that Article 25 is an affirmation of previous Article 7.

Articles 26 through 43 were decided on March 14 on the written ballot).

ARTICLE 44: To see if the Town will vote to empower the Board of Selectmen to apply for and accept any and all Federal Grants that may be available to reimburse the Town for losses suffered as a result of the Blizzard of 1978; the Town having been declared a disaster area by the President of the United States. Moved by Robert Lessard, seconded by Mr. McAteer. William Wilson offered an amendment, seconded by Mr. McAteer to add "and extend" to Article 44, and the article was passed as amended.

ARTICLE 45: To transact any other business that may legally come before this meeting. Allen Bridle discussed the need for a new ambulance. Robert Lessard sensed the opinion and will ask the Selectmen to ask for a special town meeting. William Wilson expressed heartfelt thanks to public employees who were involved in the Blizzard of '78, a job well done.

5:29 PM: The Moderator thanked Selectmen Hayden and Fitzgerald, and welcomed newly elected Selectmen Woolsey and LaMontagne. Arthur Moody moved and George Hardardt seconded that the meeting adjourn. Motion passed.

**QUESTIONS RELATING TO
CONSTITUTIONAL AMENDMENTS**

PROPOSED BY THE 1975 GENERAL COURT

1. Are you in favor of amending the Constitution to provide that all persons have the right to keep and bear arms in defense of themselves, their families, their property and the state but authorizing the legislature to prescribe the manner in which they may be borne and to prohibit convicted felons from carrying or possessing them?

YES 2,463

No 1,280

PROPOSED BY THE 1977 GENERAL COURT

2. Are you in favor of amending the Constitution to provide for annual sessions of the legislature and to allow mileage payments for actual attendance for a maximum of 90 legislative days per biennium?

YES 2,578

No 1,083

3. Are you in favor of amending the Constitution to provide a town, ward, or unincorporated place may be divided into two or more representative or senatorial districts if requested by a referendum in such town, ward, or place?

YES 2,609

NO 887

PROPOSED BY THE CONVENTION TO REVISE THE CON-
STITUTION

4. Are you in favor of amending the Constitution to provide that the chief justice of the supreme court shall be the administrative head of the state courts, and that he shall, with the concurrence of a majority of the supreme court justices, make rules governing procedure in the courts?

YES 2,423

NO 1,029

5. Are you in favor of amending the Constitution to allow the court to direct the trial of a defendant, at the defendant's request, to a county or judicial district in which a fair

and impartial trial can be obtained when the court finds a fair and impartial trial cannot be obtained in the county or judicial district where the crime has been committed?

YES 3,059

NO 474

6. Are you in favor of amending the Constitution to provide that the salaries of superior and supreme court judges shall not be diminished during their terms of office?

YES 2,123

NO 1,360

7. Are you in favor of amending the Constitution to reduce the residency requirement for the office of state senator and governor's councilor from seven years to four years?

YES 1,934

NO 1,679

HAMPTON MOSQUITO CONTROL DISTRICT REPORT

At the 1978 Town Meeting a \$15,757.25 appropriation was voted by the citizens. It was expended as follows through December 31, 1978:

	1978 Appropriation	1978 Expenditures	1979 Request
Labor	\$8,514.00	\$7,821.55	\$8,868.00
Chemical control			
Materials and			
Aerial Spraying	4,315.75	5,719.55	6,000.00
Vehicular Maintenance			
Fuel, and Repairs	500.00	250.44	500.00
Misc. Supplies, Medical			
Exams, and Commission			
Expenses	460.50	378.78	335.00
ULV Leco Sprayer			
Maintenance and			
New Equipment	167.00	42.00	200.00
ULV Sprayer			
Replacement Fund			500.00
	\$15,757.25	\$14,212.32	\$16,403.00

The Commissioners held eight meetings with all but one at the Library. Employees were hired as follows: Part-time Supervisor Lauren C. Rowell; Part-time Assistant Charles Lylis, and Certified Pesticide Applicators: Lee Brooks and Richard Cullen. The County Mosquito Project did light trapping and species identification for Hampton under Jonathan's leadership. Appreciation is publicly expressed to the County Commissioners for this help from Mr. Tucker and his staff.

GOALS FOR 1978 WERE: to conduct a comprehensive mosquito control program with source reduction, larviciding, adulticiding, light trapping, collection and identification of mosquito specimens, larval population surveillance, and storm drain treatment.

SOURCE REDUCTION: is required by state law. The

Commission made a donation to the Rye Commission's research project on Marsh Management of Mosquitoes. They are carefully studying vegetation and animals living in a specific, five acre marsh area plus the soils, fish, birds, and topography. This is in preparation for a network of ditches and ponds to study source reduction of marsh mosquitoes. Permission must be obtained from the Special Board of the N.H. Water Resources Board and the Army Corps of Engineers. Hampton's donation was to indicate that Hampton is concerned about source reduction. Legislative help is still needed to allow coastal Mosquito Control Districts to use hand tools to clean existent marsh ditches that are breeding mosquitoes. If the ditches were connected, then salt water minnows could feed on mosquito larvae when the water circulates. It would be a beginning in needed source reduction, but no permission has been granted yet. Selective ditching and impoundment of water are two other possible methods and both require the approval of the Special Board.

LARVICIDING AND STORM DRAIN TREATMENT:

Chemical control is an integral part of Hampton's control program. It has improved human health and comfort and resulted in economic benefits. Materials used were Abate-2G, granules which are applied with a cyclone grass seeder in heavily vegetated areas.

A second material used with the approval of the N.H. Pesticides Control Board was Abate-4E. This is a liquid mixed with water and applied on breeding sites with backpack, hand sprayers by all the personnel.

In the storm drains Altosid, an insect growth regulator in briquet form was used. Monitoring of the results was very time consuming. So in 1979 Abate-4E will be used in the drains as well as in stagnant water pools.

PUPACIDING: to kill the third state of mosquitoes was done with Flit-MLO. It's a refined mineral oil applied to stagnant pools of pupae. It was used for emergencies to suffocate larvae and pupae.

AERIAL LARVICIDING: was budgeted for 1978. Contracts were signed in cooperation with Rye and North Hampton. Later tidal conditions during the summer of 1978 caused cancellation of plans twice.

So in 1979 discontinuance is planned in favor of hand larviciding because of the following conditions: expense, lack of guarantee on mortality of mosquitoes, great amount of work to prepare for aerial spraying only to have the weather and high tides cancel all plans and legal permissions. Breeding along the edge of forest and marshes, close to open and running water ways and under high tension wires can be controlled more efficiently by less expensive means: motorized, backpack sprayers, that are state approved for dispersing granules in heavily vegetated marsh areas, that were previously inaccessible.

After a high run of tide for one to three days, acres of salt marshes can be covered with an inch of water. It neither drains or evaporates within the time it takes for a whole brood of mosquitoes and larvae to develop and emerge as adults in summer weather. A contract with a helicopter firm is a firm date regardless of tidal conditions. So coastal towns can try to adapt to fast changing conditions with their own personnel and equipment.

ADULTICIDING: supplements work in trying to control the immature stages of mosquitoes. There can be up to forty million larvae per acre in stagnant water. The Town's ULV (Ultra Low Volume) Leco Cold Aerosol Fogger was mounted on a town truck. All District personnel drove this truck. It is equipped with a flow meter to control the insecticide flow rate. This depends on weather, temperature, wind velocity, vehicle speed and type of insecticide used.

Cythion-95 (malathion) was used, and application made usually twice a week at the rate of about 2 gallons per hour. In 1978 nearly 60,000 acres were treated. Every ounce of material used has to be reported to the N.H. Pesticides Control Board by the Supervisor.

One pass was made per street that was capable of passage. In the future an even more maneuverable vehicle, as a 3 wheel Cushman used by Hampton Police officers, would be desirable. The ULV Leco machine could be mounted. The chief advantage would be ease of driving on some of the narrow, crowded, dead-end streets at Hampton Beach. Some are presently impossible to maneuver with even a pick-up truck if cars are parked along the street and there is no turn-around area. Access and maneuverability are necessities.

LIGHT TRAPPING AND SPECIES IDENTIFICATION:

Each mosquito season requires surveying and monitoring of breeding sites in fresh and salt water areas. Larvae are dipped from the water environment. Adult mosquitoes are caught in light traps. Three are owned by Hampton, and three were supplied by the County Mosquito Project. Dry ice was used as an attractant at night. It increased the numbers caught.

Each week specie results were obtained. This helped Hampton to evaluate control efforts. Some 1743 adult mosquitoes were identified by species. In the spring there are mosquitoes from fresh water sites, and in the summer they are primarily from the salt marshes.

BITING COUNTS AND NUISANCE REPORTS: were helpful in assessing mosquito populations. A telephone extension at the Town Office would aid the public to communicate and report any problems. The Commissioners and the personnel have previously reported the lack of telephone connection between April and October 15th, the mosquito season.

SUMMARY: 1978 was a warm summer, which necessitated constant efforts by the District personnel to monitor and treat breeding sites whenever possible. Severe tidal conditions interfered twice. Until a very high tide goes out, temperature is a tremendous factor influencing breeding. Chemical treatment can't be done, or it would be carried out by the tide and have no effect.

The personnel deserve commendation for their conscientious efforts during a difficult summer. More acres (59,994 versus 45,655 in 1977) were treated than ever before.

Necessary state reports were filed, a tool inventory maintained, and necessary office records. State personnel came to observe the program several times during the summer.

Basically the 1979 program will remain the same as in 1978. The State Mosquito Committee wants more source reduction as a permanent control. They need to exert their professional leadership in cooperation with state legislators and the coastal Mosquito Control Commissions to try to untangle the legal problems that now prohibit source reduction efforts by coastal towns.

ACKNOWLEDGMENTS: The Commissioners and the

District employees appreciate the Town Hall office in the basement, the use of a Public Works truck, the winter storage of the ULV fogging equipment at the Town Garage. The support of the public officials and citizens is very encouraging.

The passing of Ruth Bragg, Commission Secretary, is noted as she was a fine cooperator.

LANE MEMORIAL LIBRARY
Report of Librarian

Circulation statistics for 1978:

Adult books including paperbacks	51,888
Children's books	26,803
Pamphlets	89
Cassettes and Records	3,059
Periodicals	4,631
Original Art	156
Art Prints	479
Films and Filmstrips	681
Equipment and Realia	117
TOTAL	96,903

The library is now open 51 hours per week all year round, with two sessions of Story Hour for 4-5-6 year old children on Wednesday at 10-10:45 a.m. and at 1-1:45 p.m. This starts the first Wednesday in October and runs until mid August.

The microfilm reader purchased in 1977 by the Friends has had extensive use. We had purchased the Hampton Union on microfilm, and this year some of the town records on microfilm were donated by Hampton Historians, Inc. In addition we have borrowed for genealogists many reels of U.S. Census records from the Federal Archives and Record Center in Waltham, Mass.

Our Lane Book Cooperative enables us to receive free shipping and a substantial 37-40 percent discount on our book purchases. Our membership in SLAMS, Seacoast Librarians and Media Specialists, affords us the opportunity to share activities and problems with our area school and public librarians. Our participation in 2 film cooperatives permits us to pool our resources and save money. Our new filmstrip cooperative, which we have just organized, will offer the same advantages. We feel strongly that cooperative ventures are partial answers to budget problems.

As always we are recruiting volunteers to assist with the

work in the library, and are most grateful to those who have given their time and talents. It is impossible to mention all our volunteers; but Mrs. Leah Liberra has given untold hours this year, Miss Dorothy Lee comes in faithfully twice a week to type, and our long term volunteer, Mrs. Arlene Farrell continues to type our catalog cards at home. We also wish to express our sincere appreciation to the local organizations, Rotary, Kiwanis and the Hampton Monday Club, who have donated records and cassettes, and large print books to the library. Our collection potential has been increased by the donation of magazines and newspapers by individuals and organizations. We have benefited from the continued assistance and support of the Friends of the Lane Library.

The library staff wishes to express our appreciation to the people of Hampton for the many kindnesses shown to us this year from flowers to cookies, and to extend an invitation to avail themselves of the varied services offered at the Lane Memorial Library.

RECREATION DEPARTMENT 1978 Annual Report

The pursuit of leisure time activities and recreation programs has continued to increase as was evidenced during 1978. The Recreation Department has continued to expand its programs and activities to meet the needs and demands of all age groups.

The Hampton Youth Association has continued to serve the youth of Hampton including such programs as ice hockey, basketball, little league baseball, football, pony league baseball and softball. A new girls soccer program was started in the fall which was very successful. The girls played against other teams from the seacoast area.

The summer playground program continued to be a popular summer activity for many youngsters in town. The playgrounds were located at the Marston School and at Tuck Field. Various games, arts & crafts, trips, special events and other activities are offered during the day.

For the adults, many instructional programs, both beginners and intermediate levels, showed popular interest. Health and fitness programs as well as low-key competition sports programs and leagues were very successful.

Several new social and cultural programs were organized including a tap/ballet class, drama classes, disco dance classes and adult ballet were popular.

The senior citizens club has continued to grow during the past year. The seniors meet the second Thursday of each month, September through June at the United Methodist Church. Various programs and activities are held each month such as crafts classes, bus trips, lectures, movies and a bowling league. This past year the seniors traveled to the White Mountains, the circus, flower show, Mt. Sunapee, Heritage Museum, Red Sox game, Willowbrook, Maine and several events in Boston. Over 600 senior citizen discount cards have been issued to seniors over 65 years of age.

Many programs and special events were also a big success including the annual Halloween party and costume judging, a Pentathlon competition, as well as the Junior tennis clinics and the annual open singles tennis tournament.

Our tennis courts at Tuck Field were resurfaced this

past year to serve as a temporary solution to the long-range goal of rebuilding the courts.

A new swing set was installed at the Tuck Field playground and some new equipment was added to the playground at Five Corners. The playground at Academy Avenue was repaired and painted during the summer.

In closing, I would like to express my sincere thanks and appreciation to the many civic organizations, volunteers, school department, town departments and sponsors for their continued support and cooperation throughout the year.

Respectfully submitted,
Neal R. Socha
Recreation Director

HAMPTON CONSERVATION COMMISSION

Annual Report 1978

The Hampton Conservation Commission has held monthly meetings at the Lane Memorial Library, and special meetings when necessary. We have carried out the duties as outlined in the Enabling Act passed by the New Hampshire General Court. These call for the promotion and development of the natural resources, for the protection of watershed resources, and include many other facets of research in it's local land areas.

Members of this Commission have attended meetings held in Concord, pertaining to applications for dredge and fill. We also maintain communication by letters and telephone with George McGee, Sr., of the Special Board Water Resources, and have studied maps of the coast and wetlands sent to us from his office.

Ednapearl Parr attended a Quality Management Workshop, New England Legislation on Water Pollution and Control, and brought each of us a joint State and Federal Policy and Program Recommendations for Four Key Determinants of Water Quality in New England. It was stated at this meeting that no wetlands can be filled for building purposes.

William Barkley attended the Governor's Southeast New Hampshire Economic Conference held in Portsmouth. At this meeting it was stressed that a master land use plan was vital to each community. This would be for control, but not exclusion. There is a possibility of a \$20,-000,000 water system for the area.

We are in communication with the Environmental Coalition in Concord. They are in attendance at Legislative meetings, and work on bills on environmental issues. This Coalition is an alliance of over one hundred public service, professional, and conservation organizations, working together to enhance New Hampshire's human and natural resources.

We have inspected many areas where construction is involved, including Synercap, Edward Luck's Park of mobile homes off Timber Swamp Road, and many sites at the

beach, where owners have filed applications for dredge and fill, due to the damage caused by last February's blizzard, or to fill a vacant lot.

We were represented at the Selectmen's meeting for a study of the traffic problem at Elmwood Corner. This was conducted by Mr. Clements of the Highway Department of Concord. Also discussed was the traffic problem at the end of High Street and Route 1A.

Ednapearl Parr obtained valuable material for us from The National Sea of Conference held at the Wentworth-by-the-Sea Hotel. This was attended by people from as far off as California, Oregon, Washington, and foreign countries. This was a three day conference, covering oceanography, use of marshes, aquaculture, and other related topics. During the presentations, it was noted that the most perfect marshes left to us, were those in Newcastle, Rye and Hampton.

Again this year, we are fortunate in having Ednapearl Parr as a liaison between us, and both George McGee of the Special Board Water Resources, and the legislative members in Concord.

Our members are vitally interested in Conservation, at the same time being concerned about the arguments of those opposed. The date of our meetings is posted on the bulletin board in the Town Office, and also listed in the Hampton Union. All are welcome to attend our meetings.

Nelson Grant, Chairman
Ednapearl Parr, Co-Chairman

HAMPTON HISTORIANS, INC.

In 1978, Hampton Historians, Inc., continued its primary purpose of researching, promoting and preserving the rich heritage of the Town of Hampton, the first incorporated municipality in New Hampshire. The young voluntary organization received full cooperation from the Board of Selectmen in carrying out projects in 1978 and preparing for another in 1979.

Early in the year, HHI presented the Town a framed sample of the Hampton Bicentennial Committee's colorful stationery. The frame is displayed in the Selectmen's Meeting Room, which was dedicated on the Fourth of July 1976. It is placed beside the large 1841 street map of the Town which the HHI Moderator asked then Chairman of the Selectmen, R. "Vic" Lessard, to get out of storage.

In March, HHI informed the public of a special postal cancellation for the birth anniversary of Jane (Appleton) Pierce, wife of N.H.'s Franklin Pierce, 14th President of the United States. Mrs. Pierce, born in 1806 at the Old Parsonage in Hampton, was being honored as a First Lady of the United States. The Hampton Post Office opened specially on March 12, a Sunday, to affix the Hampton postmark.

In midyear, the Selectmen gave permission to allow The Genealogical Society of the Morman Church to sell to HHI copies of six microfilm rolls of Hampton Town Records, 1638-1918. (In 1950 and 1976, when the Mormans were granted permission to microfilm the records, one of the conditions was Town approval for any duplication of the rolls.) In the fall, HHI continued its policy of giving by presenting the six rolls to the Trustees of the Lane Memorial Library. The microfilms are available for public use six days and three evenings per week on the microfilm reader donated by the Friends of the Lane Memorial Library.

October 14, 1978, was Hampton's traditional Founders' Day and it was the 340th anniversary of the Town's settlement. HHI's article in the press was the only advance recognition of that special anniversary of the Town.

In the fall, the Moderator wrote a Hampton itinerary for a "Heritage Tour" being prepared by the Heritage Chairperson of the N.H. Federation of Women's Clubs.

Also, the President of the N.H. N. Old Graveyard Assn. called on HHI to inventory all of the cemeteries and family plots within the Town. The finished data included locations, sizes, features, etc., of the several burial grounds and corrected information previously published at the state level.

During the year, HHI continued to assist a project to identify glass-plate negatives produced in the Seacoast Region by Clarence N. Trefry of Rye Beach during the first decade of this century. Some of the views are of groups of students at Hampton Academy & High School. Many of the subjects were previously identified when positives of the same negatives were given to the high school alumni assn. several years ago by various alumni.

As the year ended, the Selectmen granted permission for HHI to initiate the paperwork in nominating Bound Rock (dating from 1657) for the National Register of Historic Places. Although the Town is older than the age of nearly all of N.H.'s listings on the Register, no landmark, structure, site or object in Hampton is listed. This oversight may be corrected with Bound Rock, which was once the bound between N.H. and Mass. in Colonial times. The Hampton UNION has pledged to supply the photos that must accompany the application, which is filed with the Federal Government through the State Historic Preservation Office.

HHI has purchased the rights to the N.H. Marine Memorial pendant design from the former New England Etching Co., Hampton. The shiny pewter pendant with chain is offered at \$5.50. HHI's address is P.O. Box One, Hampton, or call the Moderator.

HHI thanks all who have donated items of historic import for its archives. Included is a portfolio of photos of Beach activities and storms of the 1940's. Most of the items are of the past but Arthur Irwin, on behalf of the Hampton National Bank, has donated samples of the bank's 1977 Tudor Rose and 1978 Roseate Tern Medallions — designs with association to the Seacoast as crafted by Towle Silversmiths.

Arthur J. Moody, Moderator
Ednapearl F. Parr, Clerk
James F. Fallon, Bursar

TOWN WARRANT

1979

**TOWN OF HAMPTON
STATE OF NEW HAMPSHIRE**

TOWN WARRANT FOR 1979

To the inhabitants of the Town of Hampton in the County of Rockingham, said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Gymnasium of the Center School on Winnacunnet Road on Tuesdays, the thirteenth day of March, 1979, at eight o'clock in the forenoon to act upon the following subjects: Article 1, and Articles ~~29~~ through 54.

Pursuant to the action in Article 16 in the 1973 Town Warrant, the Board of Selectmen has set Saturday, March 17, 1979 at 10:00 A.M. at the Winnacunnet High School Auditorium for the second session of the Annual Town Meeting to act upon the following subjects: Articles 2 through 28 and Article 55.

ARTICLE 1

To choose by non-partisan ballot, two (2) Selectmen for three (3) years, one (1) Treasurer for one (1) Tax Collector for Three (3) years, one (1) Trustee of Trust Funds for three (3) years, four (4) members of the Municipal Budget Committee for three (3) years, one (1) member of the Municipal Budget Committee for two (2) years, one (1) member of the Municipal Budget Committee for one (1) year, one (1) Library Trustee for three (3) years.

(The Polls for election of officers and Australian Ballot Articles will open at eight o'clock in the forenoon and will remain open until eight o'clock in the evening of the same day.)

ARTICLE 2

To see if the Town will vote to raise and appropriate a sum of \$185,000 for the purpose of preparing plans and specifications on sewerage and sewage treatment facilities

which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et. seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$185,000 under and in compliance with the provisions of the Municipal Finance Act (N.H. R.S.A. 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Hampton and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and pass any vote relating thereto.

(Recommended by the Budget Committee)

ARTICLE 3

On petition of Ashton Norton and 22 legal voters of the Town of Hampton to see if the town will vote to:

- A. Raise and appropriate the sum of \$140,000 to purchase a new 100 foot aerial ladder.
- B. Said sum to be raised by the issuance and sale of notes and/or bonds of the Town of Hampton in accordance with the Municipal Finance Act, in the principal amount of \$140,000 maturing over a 5 year period.
- C. Authorize the selectmen to issue and sell such bonds or notes and determine the rate of interest to be paid thereon as may be necessary to affect issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hampton, New Hampshire.
- D. Authorize the selectmen to enter into agreements and contracts and to take other action necessary to purchase said ladder truck and to apply for and accept state or federal grants in aid of such project.
- E. Any other action in connection with the foregoing matters or any of them.

(Submitted without recommendation of the Budget Committee)

ARTICLE 4

On Petition of James E. Pinard and 14 other legal voters of the Town of Hampton to see if the Town will vote to:
Reduce the Budget Committee's recommended Town operating Budget by seven percent (7%).

ARTICLE 5

To see if the Town will vote to accept the budget as submitted by the Municipal Budget Committee, and to raise and appropriate the sum of \$3,725,174.

ARTICLE 6

To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the use as set-off against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action herein:

<u>Appropriation</u>	<u>Amount</u>
Police	\$57,000
Fire	57,000
Public Works	57,000
TOTAL	<u>\$171,000</u>

(Recommended by the Budget Committee)

ARTICLE 7

To see if the Town will vote to raise and appropriate the sum of \$36,862 to fund cost items relating to the Police Officer's salaries and benefits for 1979, such sum representing the cost of those additional salaries and benefits agreed upon in collective bargaining by the Hampton Board of Selectmen and the Police Relief Association; pursuant to N.H. Revised Statutes Annotated Chapter 273-A.

(Recommended by the Budget Committee)

ARTICLE 8

To see if the Town will vote to raise and appropriate the sum of \$20,787 to fund cost items relating to the Firefighters salaries and benefits of 1979, representing the cost of those additional salaries and benefits authorized to be offered by the Hampton Selectmen to the Hampton Firefighters, Local 2664, in the collective bargaining sessions which are still going on; pursuant to N.H. Revised Statutes Annotated, Chapter 273-A.

(Recommended by the Budget Committee)

ARTICLE 9

On petition of Nancy Greenlaw and 42 other legal voters of the Town of Hampton, to see if the Town will vote to:

Raise and appropriate \$2,000 for a feasibility study of the proper course to be taken to alleviate a constant flooding of Plaice Cove during heavy rains and tidal floods. We also petition for the Town to seek state and/or federal funds if available.

(Recommended by the Budget Committee)

ARTICLE 10

On petition of Robert H. Price and 11 other legal voters of the Town of Hampton, to see if the Town will vote to:

Raise and appropriate \$1,000 from the 1979 general town revenue in support of the services of the Newmarket Regional Health Center. The Health Center in turn will use this sum as matching funds for the Center programs.

(Recommended by the Budget Committee)

ARTICLE 11

To see if the Town will vote to raise and appropriate the sum of \$11,000 to purchase a Hurst Power Rescue Tool (Jaws of Life). This piece of equipment to be used by the Fire Department to effect extrication of victims from

automobiles involved in accidents.

(Not Recommended by the Budget Committee)

ARTICLE 12

On petition of Joseph O'Keefe and 12 other legal voters of the Town of Hampton, to see if the Town will vote to:

- A. To raise and appropriate the sum of \$50,000 for the purpose of removing and constructing three new tennis courts at Tuck Field, said projects to include all labor, materials and installation;
- B. Authorize the selectmen to issue and sell such bonds or notes and determine the rate of interest to be paid thereon as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hampton, New Hampshire;
- C. Authorize the selectmen to enter into agreements and contracts and to take any other action necessary to complete said project and to apply for and accept any state or federal grants in aid of said project;
- D. Any other action in connection with the foregoing matters or any of them.

(Not Recommended by the Budget Committee)

ARTICLE 13

On petition of Edward J. McDermott and 10 other legal voters of the Town of Hampton to see if the Town will vote to:

Raise and appropriate the sum of \$8,000 to assist the Seacoast Regional Counseling Center, a private non-profit organization. During the year 1978, 82 Hampton residents, for a total of 811 sessions, used this service at a cost of \$29,196 to the Counseling Center.

The funds requested are to be used for current operating expenses to enable the Counseling Center to continue providing counseling service for residents of the Town, whether or not said residents are able to pay.

(Not Recommended by the Budget Committee)

ARTICLE 14

On petition of Richard P. Millette and 10 other legal voters of the Town of Hampton, to see if the Town will vote to:

Raise and appropriate the sum of \$500 to be used for the support of the New Hampshire Seacoast Region Association.

(Not Recommended by the Budget Committee)

ARTICLE 15

On petition of Roland W. Paige and 12 other legal voters of the Town of Hampton, to see if the Town will vote to:

Raise and appropriate the sum of \$300 for the Portsmouth-Kittery Armed Service Committee.

(Not Recommended by the Budget Committee)

ARTICLE 16

To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent Town Meeting, to apply, negotiate and do all other things necessary to obtain such Federal, State, or other assistance as may be available for the design of, and construction of a sewage disposal system, and to authorize the Selectmen to borrow money in anticipation of said assistance as outlined in N.H. R.S.A. 33:7-b et seq., as amended, and pass any vote relating thereto.

ARTICLE 16A

To see if the town will vote to give the selectmen and town treasurer power to borrow not more than \$3,000,-000.00 in anticipation of taxes.

ARTICLE 17

To see if the Town is in favor of excluding from its Social Security plan, services performed by election officials or

election workers for a calendar year in which the renumeration paid for such service is less than \$100.00

ARTICLE 18

To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend (up to \$13,000) in Municipal Coastal Planning Grants as authorized and approved under the New Hampshire Coastal Resources Management Program.

ARTICLE 19

To see if the Town will vote to authorize the Selectmen to convey to the Hampton Precinct a certain parcel of land containing 6,000 square feet, more or less, owned by the Town of the Northerly side of Brown Avenue and Westerly of and adjoining that parcel conveyed by the Town to the Precinct by deed dated November 7, 1977 and recorded in Book 2298, Page 827.

ARTICLE 20

On petition of Arthur J. Moody and 16 other legal voters of the Town of Hampton to see if the Town will vote to:

Permit the nine vehicle parking spaces along Winnacunnet Road near the main entrance to the Town Office Building, such parking having been permitted ever since the site became solely the Town Hall in 1843 and prior to that the Church and Town Meeting House from 1797.

ARTICLE 21

On petition of Dona Jenetos, Chairman of the Lane Memorial Library Committee, authorized by the 1976 Annual Town Meeting, and 10 other legal voters of the Town of Hampton, to see if the Town will authorize the Trustees of the Lane Memorial Library to accept grants of Federal or State aid or both; or private funds if such should be

available to be added to the Twenty Five Thousand (\$25,000.00) Dollars already donated by Wheaton J. Lane towards the construction of an addition or reconstruction of the Lane Memorial Library

ARTICLE 22

On petition of Nicholas Samonas and ten or more legal voters of the Town of Hampton, to see if the Town will vote to:

Authorize the Selectmen to convey to Nicholas Samonas, upon such terms and conditions as the Selectmen may determine appropriate, all of the Town's interest in that parcel of vacant land shown as Lot 33 on Town of Hampton Tax Map 111 and which parcel of land was conveyed to Nicholas Samonas by deed dated April 5, 1973 and recorded in the Rockingham County Registry of Deeds at Book 2199, Page 1860.

ARTICLE 23

On petition of Arthur J. Moody and 11 other legal voters of the Town of Hampton, to see if the Town will vote to:

Designate the Zoning Board of Adjustment as the board of appeal for variances involving regulations for the construction, remodeling and maintenance of buildings (that is, building codes and ordinances adopted by Town Meeting.) The designation of the Zoning Board of Adjustment as the appeal board is authorized by Revised Statutes Annotated Chapter 156, Section 4-b.; without such designation, the Board of Selectmen is the variance board for building regulations and there is no requirement of a public hearing and notification of abutters for each variance request, as required by Zoning Board of Adjustment statutes.

ARTICLE 24

On petition of Arthur J. Moody and 13 other legal voters

of the Town of Hampton, to see if the Town will vote to:

Direct the Board of Selectmen to dispose of the 1964 Maynard, One-of-a-kind fire engine-pumper by way of sealed competitive bids after advertising in various "fire-buff" and collectors periodicals, and other publications as deemed appropriate by the Board, such bidding procedure being the town ordinance method of disposing of surplus town property not otherwise used for trade-in.

ARTICLE 25

On petition of Emil F. Soucy and 14 other legal voters of the Town of Hampton, to see if the Town will vote to:

Empower the Board of Selectmen to lease to the Bailey Motel Inc., a parcel of town land containing 2,645 square feet and designated on a plan entitled "Town of Hampton, Lot No. 583, January, 1978, Scale 1" Equals 20'." Said lease to contain the restriction that no structure of any kind be placed upon the land.

ARTICLE 26

On petition of Peter G. Lombardi and 44 other legal voters of the Town of Hampton, to see if the Town will vote to:

To see if the Town will vote to rescind the provisions of the Municipal Budget Law.

ARTICLE 27

On petition of Barbara J. McGowan and 13 other legal voters of the Town of Hampton to see if the Town will vote to:

"Are you in favor of adopting an ordinance to limit the number of cats to three (3) per household, as applies to dogs?"

ARTICLE 28

On petition of William H. Lessard and 14 other legal voters of the Town of Hampton; to see if the Town will vote on the following question:

“Are you in favor of decreasing the Board of Selectmen to three (3) members?”

ARTICLE 29

On petition of William H. Lessard and 15 other legal voters of the Town of Hampton, to see if the Town will vote to recommend that the Board of Selectman hire an Administrative Assistant if the Town votes to rescind the Town Manager position. (Note) Article 29 appears on the Ballot worded as follows: “Is it recommended the Board of Selectmen hire an Administrative Assistant if the Town voted to rescind the Town Manager form of government.” (On petition of William H. Lessard and the Board of Selectmen)

ARTICLE 30

On petition of William H. Lessard and 13 other legal voters of the Town of Hampton, to see if the Town will vote to rescind the adoption of the provisions of New Hampshire Revised Statutes Annotated, Chapter 37, relative to the Town Manager, and in voting on the question of revoking the provision of this chapter the balloting procedure prescribed in section 15 of said chapter be followed by having the following question appear on the ballot:

“Do you favor the continuation of the Town Manager plan as now in force in this Town? (Note) Article 30 appears upon the Ballot worded as follows:

“Do you favor the continuation of the Town Manager plan as now in force in this Town?”

(On petition of William H. Lessard and the Board of Selectmen)

ARTICLE 31

On petition of Suzanne M. Ficke and 17 other legal voters of the Town of Hampton:

To see if the town will vote to adopt an ordinance requiring all electric power transmission lines, to be constructed in or through the Town, having a rated potential capacity of 69,000 volts or more to be buried underground. Said article to be voted on written ballot. (Note) Article 31 appears on the Ballot worded as follows:

“Are you in favor of the adoption of an ordinance requiring all electric power transmission lines, to be constructed in or through the Town, having a rated potential capacity of 69,000 volts or more to be buried underground?”

ARTICLE 32

On petition of Arthur J. Moody and 14 other legal voters of the Town of Hampton; to see if the Town will vote to adopt the following:

To see if the Town will vote to have an elected Planning Board instead of one appointed entirely by the Selectmen for five-year terms. In accordance with RSA 36:4, the terms of six of the seven members will be for three years and the seventh member will be a selectman appointed by the selectmen. If approved by majority vote at Town Meeting, election of members will be held at the annual Town Meeting in 1980 with the initial election being for two members each for terms of one, two and three years. Thereafter, two members will be elected at each annual meeting for three-year terms. (Note) Article 32 appears on the Ballot worded as follows:

“Are you in favor of the Town’s Planning Board elected by the voters for three (3) year terms instead of one appointed entirely by the Selectmen for a period of five (5) year terms? If approved by majority vote, election of members will be held at Annual Town Meeting in 1980.”

ARTICLE 33

Are you in favor of the adoption of Amendment Number One proposed by petition of more than twenty five legal voters of the Town of Hampton. To see if the Town will vote to amend the zoning ordinance and zoning map of the Town of Hampton to rezone from B District (Business) to RA District (Residence A) that portion of Tower Drive lying westerly of Lafayette Road to land owned by the Boston & Maine Railroad as described as follows:

Beginning at a point in the southeasterly corner of Lot No. 11 on said Plan, and thence running S 77° 43.8' W by lot No. 11, 88.0 feet to Lot 10; thence continuing on the same course by Lot No. 10, 55.60 feet to a concrete bound at land now or formerly of Atwood Sturtevant; thence turning and running N 13° 24.5' W by Lot 10, a stone wall and said Sturtevant land, 57.35 feet to a drill hole in the stone wall; thence turning and running S 62° 08.1' W by said stone wall, 40.00 feet to Lot No. 9; thence continuing on the same course by Lots 9, 8, and 7 by a stone wall and said Sturtevant land, 361 feet to a concrete bound at land of the Boston and Maine Railroad; thence turning and running N 11° 07.8' W by Lots 7 and 6 and land of the Boston and Maine Railroad, 263.95 feet to a rail bound in a stone wall at land now or formerly of Marston; thence turning and running N 57° 30.3' E by said stone wall and said Marston land, by Lot 6, the end of Tower Drive, Lots 5, 4, and 3, a total distance of 467.61 feet to northerly corner of Lot 3 at land now or formerly of Jeremiah Kennelly; thence turning and running S 26° 10.1' E by land of said Kennelly and a fence, 85.24 feet to a point in Lot 1; thence turning and running N 70°

43.3' E by said Kennelly land 72.42 feet to the northwesterly corner of Lot 1; thence turning and running S 19° 00.0' E by Lot 1, 100.4 feet to Tower Drive; thence turning and running N 71° 00.0' E by and along Tower Drive a distance of 81.21 feet to a point, thence running by Tower Drive and by the arc of a curve to the left having a radius of 15.00 feet, a distance of 21.49 feet to a point in Lafayette Road; thence turning and running S 11° 04.1' E by said Lafayette Road across the end of Tower Drive to a point in Lot 12, said point being N 11° 04.1' W, a distance of 153.87 feet from the southeasterly corner of Lot 12; thence running by Lafayette Road by the arc of a curve to the left having a radius of 15.00 feet, a distance of 25.61 feet to a point in Tower Drive thence continuing S 71° 00.0' W by and along Tower Drive a distance of 89.76 feet to the northwesterly corner of Lot 12; thence turning and running S 11° 04.1' E by and along Lot 12, 160.56 feet to the point of beginning. (Note: This article appears on the Town Ballot as Amendment No. 1 by petition.)
 (Approved by the Hampton Planning Board)

ARTICLE 34

Are you in favor of the adoption of Amendment #2 to the zoning ordinance as proposed by petition of the voters of the Town of Hampton: We the undersigned legal voters of the Town of Hampton request that the following petition amendment to the Town of Hampton Zoning Ordinance be submitted to the voters at the time of the 1979 Annual Town Meeting.

Amend Article 3 by adding the following new subsection:

3.37 Taking care of three-or-less children during times when the parents of such children are otherwise occupied.

RAA	RA	RB	RCS	B	BS	I	G
P	P	P	P	P	P	P	P

(Note: This article appears on the Town Ballot as
Amendment No. 2 by petition)
(Approved by the Hampton Planning Board)

ARTICLE 35

Are you in favor of the adoption of Amendment No. 1 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to rezone from District B (business) to R A District (Residence A) that portion of Fairfield Park and Belmont Circle portion, lying westerly of Lafayette Road to land owned by the Boston & Maine Railroad as described below:

Beginning at a point on the westerly sideline of Lafayette Rd. at a point distant 110 feet, more or less, from the southerly sideline of Fairfield Drive and being the southwesterly corner of Lot No. 2 on a Plan of Fairfield Park and thence running N 56° 00' West, 180.25 feet, more or less, to a point; thence turning and running N 34° 58' East 15 feet, more or less, to a point; thence turning and running N 56° 00' West, 40 feet, more or less, to a point; thence turning and running S 34° 00' W, 222.4 feet, more or less, to land now or formerly of Rice; thence turning and running N 55° 30' by Rice land, 100 feet, more less, to Ruth's Lane, so-called; thence continuing N 55° 30' W across Ruth's Lane, 50 feet, more or less, to a point; thence continuing on the same course, 300.25 feet, more or less, to an iron pipe set in stones at land nor or formerly of the heirs of Warren Dearborn; thence turning and running N 50° 21' West, 145.2 feet, more or less, by said Dearborn land to an iron pin set in stones; thence turning and running N 29° 19' West, 143.22 feet, more or less, to land of the Boston & Maine Railroad; thence turning and running by and along said Railroad land, N 42° 27' East, 464.3 feet, more or less, to a stake set in the ground; thence turning and running by and along said Railroad land, N° 14' E,

61.1 feet, more or less, to a stake set in stones; thence turning and running by and along said Railroad land, S 87° 97' East, 392.76 feet, more or less, to an iron pin set in the ground and to land now or formerly of Bernice Godfrey; thence turning and running S 44° 30' E, 413.0 feet, more or less, to a point on the westerly sideline of Lafayette Road; thence turning and running S 13° 01' W by said Lafayette Road, 100 feet, more or less, to a point on the northerly sideline of Belmont Circle; thence continuing across Belmont Circle, S 13° 01' West, 47.0 feet, more or less, to a point; thence turning and running S 22° 58' West, 47.7 feet, more or less, to a point; thence turning and running S 32° 58' West, 41.6 feet, more or less to a point; thence continuing S 32° 00' West, 95 feet, more or less, to the northerly sideline of Fairfield Drive; thence running S 34° 00' West, across said Fairfield Drive, 50.03 feet, more or less, to a point; thence continuing S 34° 00'W, 110 feet, more or less, to the point of beginning.

(Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 1 by the Planning Board.)

ARTICLE 36

Are you in favor of the adoption of Amendment No. 2 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by adding to Article V the following section: 5.3 Only one sign advertising garage, barn or lawn sales, as permitted under Article III, Section 3.36.1, shall be permitted in Residence AA, Residence A, Residence B, and Residence C - Seasonal District, and such sign shall not be permitted other than on actual day or days of such sale.

(Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 2 by the Planning Board.)

ARTICLE 37

Are you in favor of the adoption of Amendment No. 3 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by striking out Footnote 17 in Article IV and inserting in place thereof the following:

(17) Where set back requirements are 4 feet any structure substantially on the setback line shall be of cement block construction, except that if of wood frame construction the structure shall have an approved sprinkler system. One and two-family dwellings are exempted from this requirement.

(Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 3 by the Planning Board.)

ARTICLE 38

Are you in favor of the adoption of Amendment No. 4 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend Zoning Ordinance of the Town of Hampton by striking from Article I, Section 1.6.5 all the words after the word "Ordinance", so that said section shall read as follows:

1.6.5 LOT WIDTH: The distance between the side lot lines, measured along the setback line as established by this Ordinance. (Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 4 by the Planning Board.)

ARTICLE 39

Are you in favor of the adoption of Amendment No. 5 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton as follows:

By adding to Article III immediately after the caption "Use Regulations" the following statement: Any use not specifically enumerated or defined in the following code is prohibited.

By striking out subsection 3.34 of Article III.

By renumbering subsections 3.35 of Article III and those following to begin as subsection 3.34.

(Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 5 by the Planning Board.)

ARTICLE 40

Are you in favor of the adoption of Amendment No. 6 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by inserting after Article XI a new Article XI-A as follows:

ARTICLE XI-A CONTROLLED GROWTH

To control the growth of the Town in a manner not to exceed the capacity of providing the expanded services to support such growth, and expressly to protect the public health standards such as water quality and sewage treatment, the following restrictions shall apply:

11-A.1 The number of building permits to be issued for new dwellings shall be limited to twelve per subdivision in any one calendar year.

11-A.1.1 For the purposes of Section 11-A.1 a subdivision is defined as the dividing of a lot, tract, or parcel of land into more than two residential lots, whether or not any new street must be constructed to the same.

11-A.1.2 For the purposes of Section 11-A.1 those subdivisions which have been previously approved and in which more than two lots remain for which no building permits has been issued for a new dwelling shall be included as a subdivision under Section 11-A.1.

11-A.1.3 For the purposes of Section 11-A.1 a subdivision shall include additional tracts of land submitted in a separate plan, where the additional tract of land is in the same ownership or under the same control and is a continuation of an approved plan.

11-A.1.4 For the purposes of Section 11-A.1 a duplex dwelling shall be considered as two permits.

11-A.2 Building permits for non-dwelling construction and for the expansion, alteration or replacement of existing dwellings are not subject to this article.

11-A.3 Mobile home parks shall be considered a subdivision for the purpose of this article and the number of mobile homes permitted to be located in a mobile home park shall be limited to twelve in any one calendar year.

11-A.4 Any residential lot having a frontage of 200 feet or more and being in size 1 acre or more shall be excluded from the provisions of this article.

(Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 6 by the Planning Board.)

ARTICLE 41

Are you in favor of the adoption of Amendment No. 7 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by adding to Article III. Section 3.27 the following: No restaurants, hotels, or clubs with on-sale permits as defined by RSA 181.4, nor clubs with licenses as defined by RSA 178.7, shall be located within a

radius of 1,000 ft. of any type of existing establishment as defined herein.

(Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 7 by the Planning Board.)

ARTICLE 42

Are you in favor of the adoption of Amendment No. 8 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by striking out entirely Article XV and substituting therefor the following:

ARTICLE XV - VIOLATIONS Any person violating any of the provisions of this ordinance shall be subject to a fine as provided in RSA 31:88, as amended. The Board of Selectmen, or the Building Inspector, are hereby designated as the proper local authorities of the Town to institute appropriate action under the provisions of RSA 31:88.

(Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 8 by the Planning Board.)

ARTICLE 43

Are you in favor of the adoption of Amendment No. 9 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by inserting in Article III, Section 3.14 between the word "within" and the figure "2,000" the words "a radius of".

(Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 9 by the Planning Board.)

ARTICLE 44

Are you in favor of the adoption of Amendment No. 10 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by adding to Article VIII a sub-section as follows:

8.2 Proposed conversion condominiums and the use thereof which do not conform to the zoning, land use and site plan regulations of the Town of Hampton shall secure a special exception therefor from the Zoning Board of Adjustment under the terms of Article I, Section 1.4.3.

(Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 10 by the Planning Board.)

ARTICLE 45

Are you in favor of the adoption of Amendment No. 11 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Building Ordinance of the Town of Hampton by amending or adding to Article XI as follows:

By changing the following sub-sections to read as follows:

11.3 LIFE SAFETY CODE - The Life Safety Code, 1976 edition.

(Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 11 by the Planning Board.)

ARTICLE 46

Are you in favor of the adoption of Amendment No. 12 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Building Ordinance of the Town of Hampton by amending or adding to Article XI as follows:

11.4 ELECTRICAL WIRING - All wiring shall conform to the National Electrical Code, 1978 edition,

FPA No. 70-1978.

(Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 12 by the Planning Board.)

ARTICLE 47

Are you in favor of the adoption of Amendment No. 13 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Building Ordinance of the Town of Hampton by amending or adding to Article XI as follows:

11.5 PLUMBING - BOCA Basic Plumbing Code, 1978 edition.

11.8 All construction, other than single and two-family dwellings, shall conform to the National Building Code, 1976 edition. Construction of single and two-family dwellings shall conform to the One and Two-Family Dwelling Code, 1975 edition, and to any state or local laws, regulations and ordinances pertaining to such construction.

By adding to Article XI the following sub-sections:

11.3.1 AIA Fire Prevention Code, 1976 edition.

(Approved by voters at Town Meeting, March 14, 1978.)

(Note: This article appears on the Town Ballot as Amendment No. 13 by the Planning Board.)

ARTICLE 48

Are you in favor of the adoption of Amendment No. 14 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton by amending or adding to Article V as follows:

To amend Section 5.1.7 to show that other signs are prohibited in the Business Seasonal, Business, and in the Industrial Districts.

By adding the following subsection:

5.3 All signs are prohibited unless permitted by the preceding Sections of Article V.

(Note: This article appears on the Town Ballot as

Amendment No. 14 by the Planning Board.)

ARTICLE 49

Are you in favor of the adoption of Amendment No. 15 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows:

To change from the General District to the Residence A District all of that area which is now in the General District and is within the area shown on plan entitled Plan of Part of "Eastgate" Hampton, N.H. Scale: - 1 inch equals 60 feet April 1969, John Durgin Civil Engineers, which plan is recorded in the Rockingham Registry of Deeds as plan number D-2745, and plan entitled Plan of Part of "Eastgate" Hampton, N.H. Scale: 1 inch equals 60 feet, March 1973 John W. Durgin Civil Engineers, which plan is recorded in the Rockingham County Registry of Deeds as Plan number D-3680.

(Note: This article appears on the Town Ballot as Amendment No. 15 by the Planning Board.)

ARTICLE 50

Are you in favor of the adoption of Amendment No. 16 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to adopt an amendment to the Zoning Ordinance of the Town of Hampton as follows:

To see if the Town will vote to amend the Zoning Ordinance by striking out the existing Article VIII and substituting in its place the following Article VIII.

Article VIII - MULTI-FAMILY DWELLINGS

8.1 Multi-family dwellings are subject to the approval of a site plan by the Planning Board and must be in conformity with the following standards in all zones:

8.1.1 No multi-family dwelling shall exceed thirty-five feet in height.

8.1.2 Multi-family dwellings are subject to being serviced by public water and sewer.

8.1.3 Basement apartments, including any apartments with any portion of the living space below grade level, are prohibited.

8.2 Multi-family dwellings must be in conformity with the following standards in all zones except the Business-Seasonal (BS) zone.

8.2.1 Multi-family dwellings shall provide a minimum of 400 square feet of recreation area per dwelling unit.

8.2.2 A minimum of 100 feet frontage shall be required of any multi-family use.

8.2.3 No multi-family dwelling shall be closer than forty (40) feet to any part of any other building or to any lot line.

8.2.4 Driveways and parking lots shall be located at least twenty-five (25) feet away from the front of any building and at least ten (10) feet away from the side or rear of any building. Distance requirements shall not apply to those driveways providing access to structures with enclosed garages or carports.

8.2.5 All driveways and parking areas shall conform to construction specifications for new town subdivision streets. Night lighting shall be designed so as not to cast a glare on neighborhood property.

8.2.6 An open space buffer of at least twenty (20) feet shall be preserved along all boundaries of the site. Retained natural woodland shall be the preferred landscaping where approved by the Planning Board. Grass and mounds shall be approved buffer material provided suitable indigenous shrubs and other plant material are used for screening. All buildings shall be located at least twenty (20) feet from the interior edge of the buffer zone. Buffers adjacent to roads may be reduced when the surrounding area has been previously developed provided the existing character of the neighborhood is maintained. This may be permitted only upon written recommendation of the Planning Board.

(Note: This article appears on the Town Ballot as

Amendment No. 16 by the Planning Board.)

ARTICLE 51

Are you in favor of the adoption of Amendment No. 17 as proposed by the Hampton Planning Board for the Hampton Zoning Ordinance as follows?

To see if the Town will vote to amend the Zoning Ordinance by striking out certain footnotes to Article IV and substituting the following:

Change footnote 9 to read “For multi-family dwellings refer to Article VIII, subsection 8.2.1

**MEETING HOUSE GREEN
MEMORIAL AND HISTORICAL ASSOCIATION INC.
(Home of the Tuck Memorial Museum)
HAMPTON, NEW HAMPSHIRE 03842**

At the annual meeting of the Meeting House Green Memorial and Historical Association, Inc., (aka The Hampton Historical Society), held on October 14 (Founders' Day), the following slate of officers were elected to serve for 1978-79:

President	Leslie S. Cummings
Vice President	Alfred H. Carlson
Treasurer	Samuel A. Towle
Recording Secretary	Kenneth Nelson
Corresponding Secretary	John M. Holman
Historian	Harold E. Fernald

Roland W. Paige, Jewel Brown and Connie Holman were reappointed to the Tuck House and Custodian Committee, and John M. Holman was reappointed as Curator of the Tuck Memorial Museum. Directors as appointed by the Officers are Arthur Irwin, Connie Holman, Roland W. Paige, Gertrude F. Plamer, and Carrie Higgins. Ruth M. Goodwin was selected as the new Tuck House custodian. The Membership Committee consists of Samuel A. Towle and Kenneth Nelson. Loring and Judy Mills together with the Curator, make up the Tuck Museum committee.

In order to prepare the Tuck Museum for the Annual Open House on July 1, 1978, and the opening of the museum for the 1978 summer season, over 170 hours of volunteer time were devoted in preparing the interior of the museum for the extensive painting project. Assisting the curator in this project were Connie Holman, Loring Mills and Judy Mills.

A Colonial white paint was chosen for the walls in keeping with the historical motif. All wall displays were removed from the walls, the walls cleaned, holes filled with spackle and sanded, and a coat of white paint was applied with both brush and sponge applicator. Two coats of this paint were applied for a lasting finish. The exhibits were replaced on the walls in the most attractive manner, grouping the photographs, documents according to their subject matter.

After the walls were finished and all displays returned to their respective places, attention turned to the upper hall, or Museum Library. These walls in turn were also cleaned, holes filled and sanded, and 2 coats of paint applied. The wall displays were then returned to their proper places.

1924-25 Time Capsule case was used as a base with the E.H.&A. Trolley exhibit base secured on top, in order to conserve space. This technique was also used on the Grammar School case and the Hampton Beach Souvenir case, one on top of the other. These were placed on opposite sides of the room. All floor display cases were moved from their positions and the floors under were scrubbed and waxed. "Bill" Elliot's services were utilized to wash, strip and wax the remaining floors, both upper and lower levels of the Museum. This will prove to be a worthwhile service each year in order to preserve and protect the floors from the summer traffic.

Many small changes and additions to the exhibits took place prior to the opening on July 1st. Clapboards which had fallen off the Jewel Grist Mill, were replaced and the water container was replaced and the mill put into operation for the summer season. The working exhibit of the Mill is a focal point of the visitor with the water wheel turning under the motivation of the water. The colored lights in the windows help to brighten up the display.

Two of the unframed posters from the past were framed and matted by the Curator, thereby saving a considerable amount of money with the use of the "do-it-yourself" method. Other new exhibits which were framed were the Invitation to the Hampton's Tercentenary Celebration in 1938, as well as the mint sheets of the official stationery used by the committee in 1938, and a 3 piece set of the Wooden Nickels used in that year.

The outside sign "TUCK MUSEUM" was given a fresh coat of green paint. A new screen was made and painted for the window under the upper level section, to the "crawl-space". This replaced a temporary screen. The front door to the museum was painted a new coat of green, along with the frame and surrounding windows.

ONE ROOM DISTRICT SCHOOL HOUSE:

The window frames and screens were painted a coat of white paint in order to sustain the deteriorating condition of the exterior. Also, the entire front of the school was painted, including the door, gate and door frame. The school sign was repaired and replaced.

WELL PUMP AND PLATFORM:

A new platform was constructed and painted for the well pump on the Green. Also the pump was given a fresh coat of Barn Red in keeping with the Colonial motif.

WELL COVER:

A new well cover was constructed with $\frac{3}{4}$ inch plywood weighted with a chain and cement block to prevent vandalism, and then painted.

MEETING HOUSE GREEN MEMORIAL PARK SIGN:

The Meeting House Green Memorial Park sign on the front of the garage was in great need of paint around the edge of the molding, being laid bare to the wood. A coat of black paint was applied to hold this sign from further decay.

It is recommended that this sign be painted entirely another year. It is over 53 years old, being the original sign installed at the Memorial Park (Founder's Park) in 1925, and well worth the expense of restoring.

TUCK HOUSE:

With the resignation of the Tuck Memorial Custodian, Marion Freeman, a Tuck House and Custodian Committee was appointed by the president, consisting of Roland W. Paige, Jewel Brown, and Connie Holman, to seek a new custodian. The following repairs and renovations to the Tuck House were accomplished prior to the renting of the property to the new custodian:

Installed new ceiling in bedroom, furnace and water heater cleaned, two smoke detectors installed, two rooms upstairs and hallways sanded and stained, bathroom window repaired, basement cleaned, front porch and steps painted, kitchen stove wiring repaired, new window shades installed, basement windows repainted and painted, walls of back entry-way stained, trimmed shrubs, wallpaper removed from two rooms upstairs and repapered, bathroom repapered, woodwork and windows repainted upstairs, and many other incidental repairs.

Applicants for custodian were screened and inter-

viewed. Mrs. Ruth M. Goodwin was selected as the new custodian and began her duties on November 1, 1978. Mrs. Goodwin donated funds to have the kitchen repainted including the ceiling.

The following volunteers gave freely of their time on the repairs and renovations to the Tuck House and the Association is truly appreciative of their service:

Louis DuBois, J. Leavitt Harvey, Roland W. Paige, Joan C. Mackle, Loring Mills, Connie Holman, Kevin Mills, Judy Mills, and John M. Holman, curator.

TUCK MUSEUM CUSTODIAN'S REPORT:

During the months of July and August 1978, the Tuck Museum had over 740 visitors including adults and children. 31 volunteer aides assisted in keeping the museum open daily from 1 to 4 p.m. Also, during the year, the museum has been opened for various school groups and other parties interested in viewing the museum.

The Tuck Memorial Museum Volunteer Aides included, Marion Freeman, Marjorie Wood, Jewell Brown, Gertrude Richardson, Leonore Bleher, Judy Mills, Bruce Aquizap, Marjorie Batchelder, Carrie Higgins, Minnie Philbrook, Ethel Garland, Gertrude Palmer, Cora Munsey, Grace Hickley, Grace Jackson, and Kay Morrissey.

Also, Priscilla Brown, Ruth Chilton, Marion Knight, Allen Knight, Dorothy Holman, Helen Garland, Grace Perkins, Myrtle Chadbourne, Marion Mason, Jesse Mason, Pauline Stenstream, William Barkley, Norma Brosie, Dorothy Cummings, Leslie Cummings, and Edith Marsden.

For continuing beautification of the Tuck Museum grounds, the SALTY MARSH GARDEN CLUB OF HAMPTON was presented a Certificate of Award.

There were 156 members (both individual and family) and 34 life members in the Association for 1977-78.

Membership dues may be paid at this time at \$2.00 for an individual, \$3.00 for a family, or \$25.00 per person for a Life Membership, and may be sent to Meeting House Green, 40 Park Avenue, Hampton, N.H. 03842.

The Hampton Historical Society cordially invites you to become a member of the Society and welcomes your interest and support in preserving Hampton's rich and historic past.

The Tuck Memorial Museum is open daily during July and August from 1 to 4 p.m. and the admission is FREE. Plan to visit it in 1979, and bring along a friend.

SHADE TREE COMMISSION REPORT 1978

Budget requested was \$3,500., budget granted was \$2,500. Over 45 trips to various parts of our town were made to view trees. In 1978 we lost eight trees by disease and three by vandals. Most of our elms were injected and sprayed to try to protect them from diseases. Much pruning and some fertilizing was done in 1978.

A total of ten butts and stumps were removed at the request of the Public Works.

Seven trees were planted along our roads, fifteen small trees were planted in our cemeteries at no cost except labor.

As long as the elm and maple diseases are with us, we can expect to lose some trees each year.

Again this year we lost trees where the locations will no longer permit planting.

Removal:	\$642.40
Repairs:	981.11
Spraying:	180.00
Injecting:	242.50
Planting:	430.60
Tree, P.W.	22.45
TOTAL	\$2,499.06

We appreciate very much the calls from citizens who took an interest in trees which needed attention and would bring same to our attention.

Respectfully submitted,
Roland W. Paige

ZONING BOARD OF ADJUSTMENT

For the Zoning Board of Adjustment, the year 1978 was the busiest in the 30-year history of zoning in Hampton. Ninety petitions were received for which public hearings were advertised. The caseload would have been even greater had not it been discovered in April that the ZBA was not the appeal board for building or construction regulations. Since the Town Meeting had never designated an appeal board, the Board of Selectmen had jurisdiction.

Hearings are scheduled for each third Thursday to hear and decide upon petitions received prior to the beginning of that month. Printed petition forms are available at the ZBA office in the Building Inspection Dept. at the town offices, where the Board's files and minutes are also kept. To cover the required published legal notice and certified-mail notification of abutters, the \$15. hearing fee was increased to \$17. as of August. According to state law, only the cost of advertising and mailing notices can be charged petitioners. Total expenses for the year amounted to about \$1300 with receipts of about \$1,375.

Two sets of hearings were held in May and October in order to limit the number of petitions heard on any single agenda to no more than eight to ten. As in 1977, hearings were held in the summer months. All but two petitions heard were decided in public immediately following the individual hearing. One of those two was a building code appeal and the Board took no jurisdiction; the other was decided at a special public meeting following inspection of the interior of the dwelling involved. Members of the Board usually inspect the sites involved in upcoming cases but do not enter the property or talk to the petitioner.

Generally, the ZBA's caseload devolves around zoning ordinance variances in the areas of lot size and frontage, setback distances, uses including expansions of nonconforming uses, signs and parking requirements. Other matters handled are: special exceptions to the ordinance where specifically authorized in the ordinance; appeals from administrative decisions; granting permission for property situated in two zonal districts to be used according to the less restrictive district; authorizing or actually issuing building permits for structures to be placed on parcels

without access on an accepted or public street. Public hearings with notification to abbuters and a published legal notice at least five days before the hearing are required for all such matters except the last named one where fifteen days' notice is required.

Most of the 90 petitions filed for public hearing in 1978 were requests for a variance from strict adherence to the dimensional requirements of Article IV and to the listed uses of Article III. The 90 petitions were disposed of as follows:

49 Variance petitions were granted (ten of which were granted subject to conditions(s) set by the Board)

21 Variance petitions were denied (one of which was denied "without prejudice" and the petition was later resubmitted and denied outright)

3 Special Exception petitions were granted (one for a public utility under Article III, Uses, and two for temporary signs in new housing developments under Article V, Signs)

2 Appeals from an Administrative Decision of the Building Inspector were denied (in addition, one of the petitions denied under the zoning authority of RSA Chapter 31 also was denied as an appeal of the BI in refusing to grant a permit to build on an unaccepted street, under RSA Chapter 36)

4 Petitions were granted to allow uses of the less restrictive district to obtain where property was situated in two districts

2 Petitions were denied regarding the above two-district situation

8 Petitions were withdrawn (five before the hearing and three during the hearing; as of the end of the year, five of the eight had been resubmitted, heard and decided)

1 Petition was not acted upon (no jurisdiction)

90 TOTAL

In addition, six petitions for rehearings were received; one was granted.

Administratively, the year began with the five Regular Members averaging over three years of experience as full members of the Board. They were: Chairman Joseph C. Flynn, Vice Chairman and Clerk A. Reid Bunker, Jr., Ansell W. Palmer, Arthur J. Moody and Cheryl M. Ganley, the second female ever to serve on the Board. Mr. Palmer's term

expired in March and Alternate Henry J. Stonie was appointed by the Selectmen for the five-year term. Mrs. Ganley moved from town and Emil F. Soucy was appointed in April to fill her unexpired term. Although the officers were re-elected after Town Meeting, both resigned their offices in September and Mr. Moody was elected Chairman with Rev. Stonie being elected Clerk. Mr. Bunker submitted his resignation in October to be effective December 31 or sooner if a replacement was named. Alternate Harry E. Youngman was named to fill the unexpired term of Mr. Bunker, who had served nine and a half years. As the year ended, five-year member Joseph Flynn had submitted his resignation to the Selectmen.

The legal complement of five Alternate Members at year's end included: Linwood W. Taylor, Bruce E. Russell, Margaret S. Lawrence, Bradford J. Cook and John A. Bellerose. Early in the year, Alternate Robert J. Wilson had moved from town. Building Inspector John Medlock or his Assistant, Charles Parkhurst, attended most of the Board's hearings during the year. On occasion, Town Counsel Seth Junkins was called on to give advice. From May, the Board's Secretary has been Barbara Drew.

As a point of reference, the Board began numbering petitions/cases within each calendar year. All hearings were taped-recorded with the tapes being retained. Two appeals (one from 1977 and one from 1978) of ZBA denials are pending in Superior Court. One other appeal from 1978 has been withdrawn by the petitioner. In October, guidelines were adopted at the request of BI Medlock giving direction as to when the ZBA felt it should be petitioned regarding proposed additions on existing structures with nonconforming setback dimensions. Generally, if the addition will make the structure more nonconforming laterally (toward the lot lines) or if it will expand it upward one full story or more, a variance must be sought. At year's end, Chairman Moody proposed a rule that would give only the Board itself authority to approve withdrawal of a petition once it has been advertised or certified-mail notices sent. The proposal is scheduled to be acted upon in 1979.

Arthur J. Moody
Chairman

HAMPTON BEACH VILLAGE DISTRICT AUDITOR'S OPINION

I have examined and audited the accounts and records of the Hampton Beach Village District, New Hampshire for the fiscal year ending December 31, 1978.

My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of accounting records and such other auditing procedures as were considered necessary in the circumstances.

In my opinion, the accompanying balance sheets and statements of sources of revenues and expenditures present fairly the financial position of the Hampton Beach Village District, New Hampshire at December 31, 1978, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on basis consistent with that of the preceding fiscal year.

Respectfully submitted,

Frank A. Briggs
East Kingston, N.H.

TOWN OF HAMPTON AUDITOR'S OPINION

We have examined the financial statements of the various funds and groups of accounts of the Town of Hampton, New Hampshire for the year ended December 31, 1978 listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records as we considered necessary in the circumstances.

The Town of Hampton has not maintained a record of its general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the financial statements listed in the aforementioned table of contents present fairly the financial position of the various funds and groups of accounts of the Town of Hampton, New Hampshire at December 31, 1978 and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles applied on a consistent basis.

The supplemental schedules included in this report, although not considered necessary for a fair presentation of the financial position and results of operations of such funds and group of accounts, are presented primarily for supplemental analysis purposes. This additional information has been subjected to the audit procedures applied in the aforementioned examination of the basic financial statements and is, in our opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Killion, Plodzik & Sanderson

TOWN OF HAMPTON

LETTER OF TRANSMITTAL

Members of the Board of Selectmen
Town of Hampton
Hampton, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination of the financial statements of the Twon of Hampton, New Hampshire for the year ended December 31, 1978. Exhibits as hereafter listed are included as part of the report.

FINANCIAL STATEMENTS

General Fund:

Balance Sheet.....	Exhibit A-1
Statement of Changes in Fund Balance	Exhibit A-2
Statement of Estimated and Actual Revenues.....	Exhibit A-3
Statement of Appropriations and Expenditures	Exhibit A-4

A balance sheet disclosing the financial condition of the general fund at December 31, 1978 is presented in Exhibit A-1. As indicated therein, the unappropriated fund balance amounted to \$292,429 at December 31, 1978. A statement of the changes in fund balance is shown in Exhibit A-2.

Statements of estimated and actual revenues, appropriations and expenditures are included in Exhibits A-3 and A-4, respectively. As indicated therein, revenues in excess of estimates amounted to \$123,788, while appropriations exceeded expenditures by \$52,833, resulting in a 1978 budget surplus of \$176,621.

Capital Projects Fund

Balance Sheet.....	Exhibit B-1
Statement of Appropriations and Expenditures	Exhibit B-2

FINANCIAL STATEMENTS

A balance sheet of the capital projects fund at December 31, 1978 is presented in Exhibit B-1. A statement of appropriations, expenditures and unexpended capital project fund balances is contained in Exhibit B-2. The total fund balances amounted to \$396,931 at December 31, 1978, of which \$50,226 is unappropriated. This amount represents premium and accrued interest from the sale of sewer bonds, plus interest earned on investments. Unless these funds are appropriated by vote of the Town, they may be expended only in accordance with the provisions of the New Hampshire Revised Statutes Annotated, Chapter 33, Section 3A,

Special Revenue Funds

Balance Sheet..... Exhibit C-1

**Statement of Revenues, Expenditures
and Changes in Fund Balances Exhibit C-2**

A balance sheet of all the special revenue funds is presented in Exhibit C-1. These funds include federal revenue sharing, public library, district court, conservation commission, and mosquito control commission funds. The special revenue fund balances total \$181,422 at December 31, 1978. A statement of revenues, expenditures and changes in fund balances is contained in Exhibit C-2.

Trust and Agency Funds

Balance Sheet..... Exhibit D-1

**Statement of Revenues, Expenditures
and Changes in Fund Balance..... Exhibit D-2**

A balance sheet and statement of revenues, expenditures and changes in fund balance of the trust and agency funds are presented in Exhibits D-1 and D-2, respectively. These funds include the Town endowment funds. Total trust and agency fund balances were \$18,458 at December 31, 1978.

Debt Service Funds

Statement of Revenues

and ExpendituresExhibit E

A Statement of revenues and expenditures of the debt service fund is presented in Exhibit E. The Town appropriated \$142,507 for principal and \$89,921 for interest payments for the current year redemption of serial bonds and notes.

Long-Term Indebtedness

Statement of General

Long-Term Debt.....Exhibit F

A statement of the general long-term debt of the Town is contained in Exhibit F. As indicated therein, the long-term debt amounted to \$1,313,960 at December 31, 1978.

RECOMMENDATIONS

Implementation of Mechanical Accounting System

The increased number and complexity of the financial transactions of the Town warrants consideration to utilizing a more modern and advanced type of mechanical accounting system, preferably one which would perform multiple accounting functions in a single operation, thereby eliminating duplicate record-keeping and facilitate monthly and yearend reporting.

We would like to extend our thanks to the officials and the office staff of the Town of Hampton for their assistance during the course of the audit.

Very truly yours,
Killion, Plodzik & Sanderson
