IMPORTANT MEETINGS

Selectmen's Meeting:

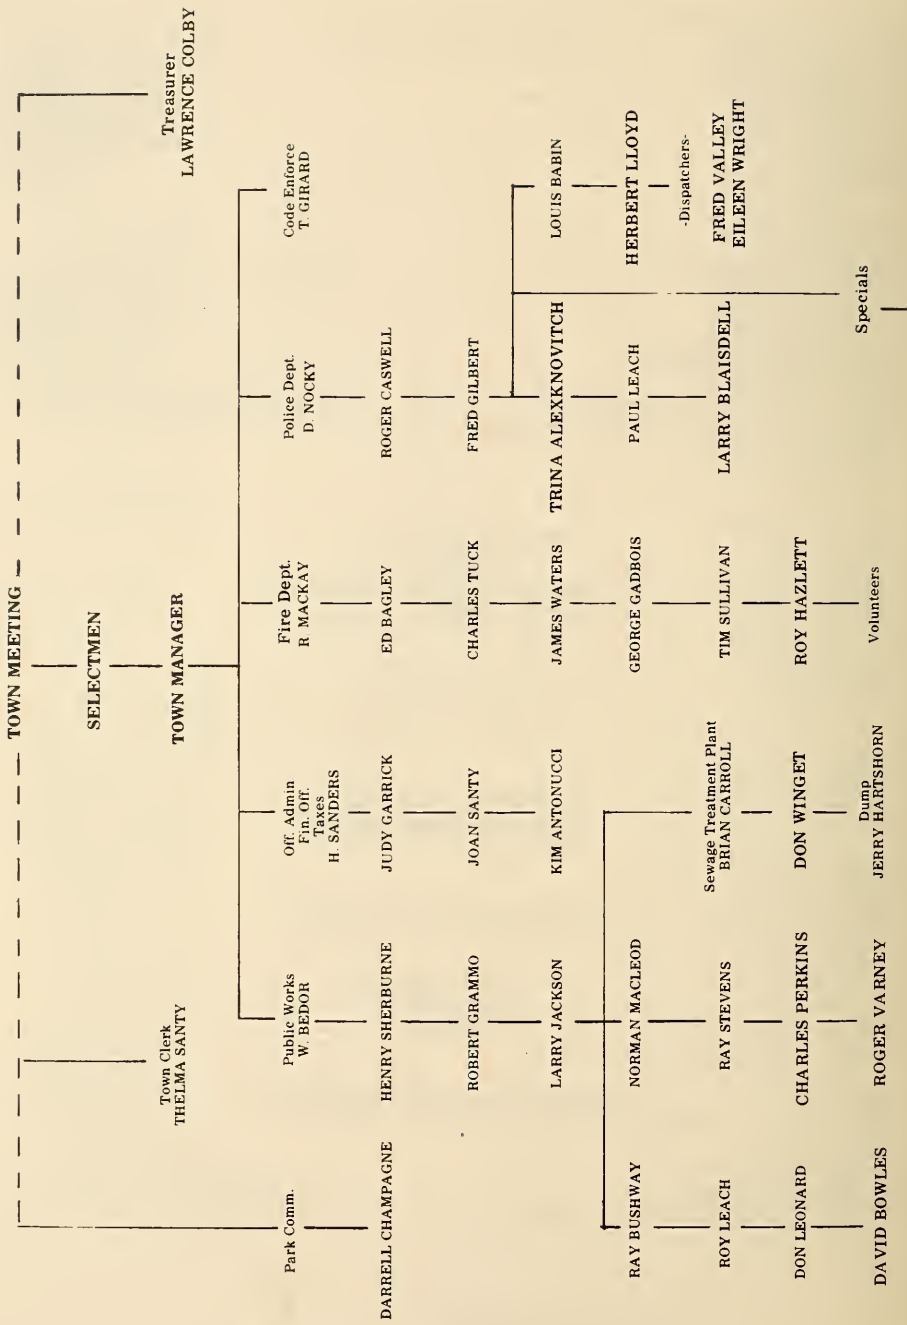

2nd & 4th Tuesday each Month

Planning Board:

1st Wednesday each Month

Board of Adjustment:

Meets as needed for a Variance

RESULTS OF THE 1979 LITTLETON WARRANT The State of New Hampshire

To the inhabitants of the Town of Littleton, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Town Hall on the thirteenth day of March next, being the second Tuesday of March, at eight o'clock in the forenoon (the polls are to open at 8:00 A.M., and may not close prior to 6:00 P.M.; business meeting to be held at the High School Auditorium at 7:00 P.M.), to act upon the following:

ARTICLE 1. To choose one Selectman for the term of three years, one Park Commissioner for three years, a Town Treasurer, three members of the Board of Trustees of the Public Library for three years, one Trustee of Trust Funds for three years, and one Supervisor of the Checklist for six years.

— on ballot — election of officers of the town.

ARTICLE 2. Are you in favor of the adoption of Amendment No. 1 as proposed by the Board of Selectmen and approved by the Planning Board for the Town of Littleton Zoning Ordinance as follows: "To amend the Land Use Classification on the remaining land approximately 6.9 acres belonging to the Littleton Sand and Gravel Company bordering South Street Extension, so-called, and the Northerly side of Interstate 93 from Residential I to Commercial."

— on ballot — approved 983 to 273.

ARTICLE 3. Are you in favor of the adoption of Amendment No. 2 as proposed by the Board of Selectmen and disapproved by the Planning Board for the Town of Littleton Zoning Ordinance as follows: "To amend the 5 acre minimum requirement in a rural area to 3 acres."

— on ballot — approved 559 to 462.

ARTICLE 4. To raise and appropriate such sums of money as may be necessary for Town Officers' Salaries, for Town Manager's Salary, General Expenses, Elections, District Court, Fixed Charges, Town Building, Police Department, Whitefield Airport, Civil Defense, Planning Board, Zoning Officer, Board of Adjustment, Damages and Impounding Dogs, Hospital, White Mt. Mental Health Center, North Country Home Health Agency, Senior Wheels Transportation, North Country Council, Health Officer, Fire Department, Forest Fires, Town Garage, Dump, Vital Statistics, Region Association, Sewers, Sidewalks, Streets and Highways, Town Road Aid, Highway Subsidy, Welfare, Old Age Assistance, Parks and Playgrounds, National Holidays, and other necessary expenses.

Moved that the Town raise and appropriate the sum of \$1,149,816.00 — then two amendments were introduced and voted on. Amendment by Chief Nocky — "I move that Article 4 be amended to increase the Police Department budget by \$10,359.00". This was so voted by voice vote in the affirmative. Second amendment by Attorney Robert E. Bowker — "I hereby move to amend Article 4 by increasing the amount by the sum of \$10,000.00, this sum to be added to the appropriation of the Fire Department." This was so voted by voice vote in the affirmative. Article 4, with the amendments was voted in the affirmative — to raise and appropriate the sum of \$1,170,175.00 for the Town Budget for the year.

ARTICLE 5. To see if the Town will vote to authorize the expenditure of the sum of Two Hundred and Fifty Thousand Dollars (\$250,000.00), for the purpose of constructing headworks facilities at the Littleton sewage treatment plant, said sum to be raised as follows: Town and State funds \$62,500.00; State to reimburse the Town the sum of \$50,000.00; Federal funds up to \$187,500.00; and to raise and appropriate the Town and State shares by the issuance of Serial Bonds or Notes not to exceed Sixty-two Thousand Five Hundred Dollars (\$62,500.00), under and in compliance with the provisions of the Municipal Finance Act or any other enabling authority, and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Littleton, and further, to authorize the Selectmen to file an application for Federal Grant Assistance and to

allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Act, as amended (33 U.S.C.-1251 et seq.) and pass any vote relating thereto.

— Two-thirds vote was necessary for approval. Article 5 was approved by a unanimous vote.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of Three Hundred Thousand Dollars (\$300,000.00) to pay the amount of the installment payable by the Town to New England Power Company pursuant to the Decree of the Grafton Superior Court entered on March 12, 1975 in the tax abatement suits previously brought by said Company against the Town.

Voted yes to raise and appropriate the sum of \$300,000.00 to pay the amount of the installment payable by the Town to New England Power Company.

ARTICLE 7. To see if the Town will vote to purchase a police cruiser, and to raise and appropriate for said purpose the sum of Three Thousand Five Hundred Dollars (\$3,500.00); and further, to authorize the withdrawal of said sum of Three Thousand Five Hundred Dollars (\$3,500.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Voted yes — to purchase a police cruiser.

ARTICLE 8. To see if the Town will Vote to purchase a new fire truck and to raise and appropriate for said purpose the sum of Fifty-five Thousand Dollars (\$55,000.00), and to authorize the expenditure of the Thirty Thousand Dollars (\$30,000.00) placed in escrow by vote under Article 12 at the 1978 Town Meeting; and further, to authorize the withdrawal of Fifty-five Thousand Dollars (\$55,000.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Voice vote yes.

ARTICLE 9. To see if the Town will vote to purchase a 1974 - 75B Michigan Loader and raise and appropriate the sum of Forty-one Thousand Dollars (\$41,000.00); and further, to authorize the withdrawal of said sum of Forty-one Thousand Dollars (\$41,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Voted yes.

ARTICLE 10. To see if the Town will vote to purchase a Bombardier SW48FA Sidewalk Tractor with plow and sander and to raise and appropriate for said purpose the sum of Seventeen Thousand Dollars (\$17,000.00); and further, to authorize the withdrawal of said sum of Seventeen Thousand Dollars (\$17,000.00) for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Voted yes.

ARTICLE 11. To see if the Town will vote to authorize the Board of Selectmen to withdraw the sum of Thirty-six Thousand Dollars (\$36,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 to defray the cost of lighting the streets of the Town.

Voted yes.

ARTICLE 12. To see if the Town will vote to appropriate the sum of Eleven Thousand Two Hundred Eighty-five Dollars (\$11,285.00) for repairs to the Library Building; and further, to authorize the withdrawal of said amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Voted yes.

ARTICLE 13. To see if the Town will vote to appropriate the sum of Twenty-four Thousand Dollars (\$24,000.00) for repairs to the Bridge Street bridge; and further, to authorize the withdrawal of said amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Voted yes.

ARTICLE 14. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of

the State and Local Assistance Act of 1972, the following sums for the following specific capital improvements: Police Department, radio — \$1,400.00; Fire Department, radios, monitors, protective equipment — \$6,000.00; Public Works, truck — \$12,000.00; Repairs to building at Remich Park — \$3,500.00; total — \$22,900.00.

Voted yes.

ARTICLE 15. To see if the Town will vote to authorize the Board of Selectmen to borrow monies, from time to time, for current indebtedness of the Town for the ensuing year, in anticipation of taxes to be collected for the year 1979 and to be paid therefrom.

Voted yes.

ARTICLE 16. To see if the Town will vote to authorize the Board of Selectmen to apply for, contract for and accept any State and/or Federal aid and/or funds available at any time relating to disasters or emergencies within the Town, and to expend such funds for repair and relief, utilizing appropriate departments.

Voted yes.

ARTICLE 17. To see if the Town will vote to rescind the previous vote of the 1970 Town Meeting authorizing a seven man Fire Department.

A standing vote to pass over this article was 125 for, to 89 against. We will have a seven man Fire Department.

ARTICLE 18. To see if the Town will vote to place the following limits upon the amounts the Town shall pay for installation of septic systems, namely:

Tank - 1,000 gal.	Vee B ox
Stone - 40 yards	Labor - 16 manhours
Perforated Pipe - 200 ft.	Labor - 4 backhoe
Solid Pipe - 20 ft.	

Voted yes.

ARTICLE 19. To see if the Town will vote to authorize the Board of Selectmen to provide by ordinance provisions for the granting of licenses to itinerant vendors, hawkers and others, as set forth in R.S.A. 31:102-a, to sell or take orders for merchandise from parked motor vehicles, push carts, temporary stands or other stationary temporary outlets at such locations and subject to such conditions, fees and terms as in the opinion of the Board of Selectmen the public convenience and safety demands.

Voted yes.

ARTICLE 20. To see if the Town will authorize the Selectmen to enact the following ordinance that: "Any person plowing, removing or piling snow shall not be allowed to place snow in any manner that will obstruct a driver's view at any street or road intersection in the Town of Littleton, or to cover any hydrant."

Voted yes.

ARTICLE 21. To see if the Town will vote to provide workmen's compensation for eligible employees by participating in the New Hampshire Municipal Association Self-funded Workers Compensation Program, and to authorize the Selectmen to take such action in furtherance of this vote as may be necessary.

Voted yes.

ARTICLE 22. To see if the Town will vote to adopt the following resolution, namely: That the New Hampshire Housing Commission be and is authorized to operate in the Town of Littleton; and that said New Hampshire Housing Commission be and is authorized to sponsor a project under Section 8 of the Housing and Community Development Act of 1974, for the following dwelling accommodations: newly constructed housing for the elderly, not to exceed forty (40) units.

Voted yes.

ARTICLE 23. To see if the Town will vote to require inspection by the Fire Department of new chimney installation and all types of heating unit installation; and before thimble is installed or heating unit is used, including a change of any unit, the owner of the property shall make application for a permit for construction, installation and inspection to include a fee to be set by the Selectmen; the installa-

tion shall conform with State of New Hampshire Fire Marshal Standards 89M-211, and the Chief of the Fire Department shall have the right to deny operation of the unit if it is considered unsafe or does not meet State Fire Marshal codes; and the Chief of the Fire Department is authorized to enforce the foregoing by issuing a Cease and Desist Order if necessary.

Standing vote =100 for- 84 against- voted yes.

ARTICLE 24. To see if the Town will vote to adopt the provisions of An Act amending the charter provisions of the Littleton Water and Light Department enacted by the 1979 General Court.

Approved by voice vote — as presently amended in the Senate.

ARTICLE 25. To see if the Town will vote to retain and maintain its membership and participation in the Twin State Fire Mutual Aid Association. Dues for such membership to be paid from the Fire Department budget. (This Article inserted upon written application of voters.)

Motion to pass over approved.

ARTICLE 26. To amend Article #20 that the New Hampshire Housing Commission be and is authorized to operate in the Town of Littleton: and that said NHHC be and is authorized to sponsor a project under Section 8 of the Housing and Community Development Act of 1974, for any of the following dwelling accommodations or a combination thereof; a) existing standard housing, not to exceed forty (40) units; b) newly constructed housing not to exceed ten(10) units, passed on March 14, 1978, to read(a) existing standard housing, not to exceed eighty (80) units. (This Article inserted upon written application of voters.)

This article was ruled illegal, so no action taken.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Fifty Dollars (\$750.00) for the purpose of assisting Alpha House, so-called, a place where remedial activities are carried on relative to the health of the bodies and minds of the persons who go there for treatment. (RSA 31:4, XLVIII). (This Article inserted upon written application of voters.)

Voted to raise \$750.00 for Alpha House.

ARTICLE 28. To see if the Town will vote to purchase from New England Power Company the existing transmission line known as the 3315 power line extending from the Moore Dam to South Street in the Town of Littleton for Ten Thousand Dollars (\$10,000.00); said sum to be paid by the Littleton Water and Light Department at no cost to the Town.

A bill relative to this has been passed with an amendment by the New Hampshire House and is currently in the Senate as HB-96. The article was amended to assure that it would refer to the bill as currently constituted. Voice vote yes.

ARTICLE 29. To see if the Town will vote to authorize the Board of Selectmen to administer and sell and convey any real estate acquired by the Town through Tax Collector's Deed for such price and upon such terms as the Selectmen may in their discretion determine.

Passed, with amendment — "provided that public notice giving the date, time, and place of any such sale be published in the Littleton Courier or any other newspapers, if several circulation in the town, for three successive weeks prior to the sale." This was passed, voice vote in the affirmative.

ARTICLE 30. To hear the reports of Agents, Auditors, Committees, including the Planning Board, or Officers chosen, and pass any vote relating thereto.

Passed over.

ARTICLE 31. To choose any other necessary Town Officers for the ensuing year, and to choose and elect any Agents or Committees which may be necessary to carry into effect any vote that may be passed under the Warrant.

Passed over.

ARTICLE 32. To transact any other business that may legally come before the meeting.

Given under our hands and seals this 13th day of February, 1979.

LITTLETON WARRANT

The State of New Hampshire

To the inhabitants of the Town of Littleton, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Town Hall on the eleventh day of March next, being the second Tuesday of March, at eight o'clock in the forenoon (the polls are to open at 8:00 A.M. and may not close prior to 6:00 P.M.; business meeting to be held at the High School Auditorium at 7:00 P.M.), to act upon the following:

ARTICLE 1. To choose one Selectman for the term of three years, one Town Clerk for three years, a Town Treasurer for a one year term, one Park Commissioner for a three year term, one Library Trustee for a one year term, three Library Trustees for three year terms, one Moderator for a two year term, one Supervisor of the Checklist for a six year term, and one Trustee of Trust Funds for a three year term.

ARTICLE 2. Shall we adopt the provisions of RSA 466:30-a which makes it unlawful for an owner of any dog licensed or unlicensed to allow said dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such?

ARTICLE 3. Shall we adopt the provisions of RSA 56:40-a permitting applications for changes in party affiliation to be made with the Town Clerk?

ARTICLE 4. To raise and appropriate such sums of money as may be necessary for Town Officers' Salaries, for Town Manager's Salary, General Expenses, Elections, District Court, Fixed Charges, Town Building, Police Department, Whitefield Airport, Civil Defense, Planning Board, Zoning Officer, Board of Adjustment, Animal Enforcement, Hospital, White Mt. Mental Health Center, North Country Home Health Agency, Senior Wheels Transportation, North Country Council, Health Officer, Fire Department, Forest Fires, Town Garage, Dump, Vital Statistics, Region Association, Sewers, Sidewalks, Streets and Highways, Town Road Aid, Highway Subsidy, Welfare, Old Age Assistance, Parks and Playgrounds, National Holidays, and other necessary expenses.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of One Hundred Sixty-five Thousand Two Hundred Twenty-eight Dollars (\$165,228.00) to pay the amount of the installment payable by the Town to New England Power Company pursuant to the Decree of the Grafton Superior Court entered on March 12, 1975 in the tax abatement suits previously brought by said Company against the Town.

ARTICLE 6. To see if the Town will vote to appropriate Six Thousand Six Hundred Dollars (\$6,600.00) for a police cruiser and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 7. To see if the Town will vote to appropriate a sum not to exceed Thirty-nine Thousand Dollars (\$39,000.00) for the purchase of a new loader for the Public Works Department and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 8. To see if the Town will vote to appropriate a sum not to exceed Thirty-five Thousand Dollars (\$35,000.00) for the purchase of a new backhoe for the Public Works Department and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 9. To see if the Town will vote to appropriate a sum not to exceed Twenty Thousand Dollars (\$20,000.00) for the purchase of a new truck for the Public Works Department and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 10. To see if the Town will vote to appropriate a sum not to exceed Two Thousand Two Hundred Dollars (\$2,200.00) for the purchase of a new fence (at the Town Garage) for the Public Works Department and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 11. To see if the Town will vote to authorize the Board of Selectmen to withdraw the sum of Forty-one Thousand Dollars (\$41,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 to defray the cost of lighting the streets of the Town.

ARTICLE 12. To see if the Town will vote to appropriate a sum not to exceed Four Thousand Dollars (\$4,000.00) for the insulation of the Community Center Building and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 13. To see if the Town will vote to appropriate a sum not to exceed Nine Thousand Four Hundred Forty-four Dollars (\$9,444.00) for renovations to the Library Building and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 14. To see if the Town will vote to appropriate the sum of Three Thousand Dollars (\$3,000.00) and authorize the Library Trustees to expend said amount for a Space Utilization and Future Needs Study for the Public Library and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 15. To see if the Town will vote to appropriate the sum of Four Thousand Dollars (\$4,000.00) and authorize the Library Trustees to expend said amount for the restoration of paintings at the Public Library

and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 16. To see if the Town will vote to appropriate the sum of Thirteen Thousand Dollars (\$13,000.00) and authorize the Selectmen to expend said amount for repairs, paint and energy related improvements to the Town Hall Building, and further authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 17. To see if the Town will vote to appropriate the sum of Thirty Thousand Dollars (\$30,000.00) for repairs to the Bridge Street bridge and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 18. To see if the Town will vote to authorize the Selectmen to operate the waste paper salvage operation at the dump, including the purchase of a trailer and other related costs, and further, to appropriate a sum not to exceed Five Thousand Dollars (\$5,000.00), (to be combined with income from salvage material to operate on a test basis), and authorize the withdrawal of said sum for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) to purchase and maintain Christmas lighting for the Community. (This Article inserted upon written application of voters.)

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for the White Mountains Center for the Arts, to provide tickets to the Town through its Recreational Department for a special Sunday Afternoon Children's Series.

ARTICLE 21. To see if the Town will vote, by exchange of deeds with Rena G. Hood, to re-locate a Town right-of-way for foot travel now extending in a southerly direction over land of said Hood from the southerly line of N.H. Route 18 to the Kilburn Crags, so-called, in accordance with a plan entitled "Rena G. Hood Land, St. Johnsbury Road, Littleton, N.H., R. H. Marshall, Land Surveyor, Dec. 1978", and to authorize the Selectmen to convey in the name of the Town to said Hood the easement for a right-of-way as now located, and further, to accept from said Hood a deed conveying the easement for a right-of-way for foot travel approximately one (1) rod in width extending from said N.H. Route 18 to said Kilburn Crags and located westerly of and adjacent to a stone wall, all as shown on the aforesaid Marshall plan, the detailed provisions of the latter deed to be determined by the Selectmen in their discretion.

ARTICLE 22. To see if the Town will vote to authorize the Selectmen to act as the "Franchising authority" for the Town in franchising and regulating cable television systems in the Town with the authority and powers set forth in RSA Chapter 53-C; and further, to ratify and confirm any prior

actions of the Selectmen re franchise agreements with New England Cablevision, Inc.

ARTICLE 23. To see if the Town will vote to close the South Shore Road at Partridge Lake subject to gates and bars.

ARTICLE 24. To see if the Town will vote to authorize the Selectmen to enter into an agreement with the Department of Resources and Economic Development of New Hampshire relating to the Historic Preservation Fund Development Project, Littleton Town Building (Opera House), and to accept any State and Federal money which becomes available for renovations to said building, the terms of said agreement to be in the discretion of the Selectmen.

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum not to exceed Fifteen Thousand Dollars (\$15,000.00) and appropriate an additional sum not to exceed Forty-five Thousand Dollars (\$45,000.00) for the purpose of continuing the Sewer System Evaluation Survey which is a requirement contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. sec, 1251 et seq.) and which qualify the Town for federal funds. Funds will be generated as follows:

Fifteen Thousand Dollars (\$15,000.00) to be raised by the issuance of Serial Bonds or Notes under and in compliance with the provisions of the Municipal Finance Act (N.H., R.S.A. 33.1 et seq., as amended) and authorize the Selectmen to issue and negotiate such bonds or notes and determine the rate of interest thereon, and take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town; Twelve Thousand Dollars (\$12,000.00) of which will be reimbursed to the Town by the State of New Hampshire upon completion of the Sewer System Evaluation Survey in accordance with the provisions of R.S.A. 149-B:1; and Forty-five Thousand Dollars (\$45,000.00) to be provided by the Federal Government under the Financial Assistance Program of the Construction Grants Section of the Federal Water Pollution Control Act (33, U.S.C. Sec. 1251 et seq.); and further to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants Section of the Federal Water Pollution Control Act, as amended, and pass any vote relating thereto.

The total cost of the program outlined herein will not exceed Sixty Thousand Dollars (\$60,000.00).

ARTICLE 26. To see if the Town will vote to authorize the Selectmen to sell and convey the property acquired by the Town by Tax Collector's Deed, the sales to be by public auction or by advertised sealed bids, or in such other manner as justice may require as determined by the Selectmen.

ARTICLE 27. To see if the Town will vote to reopen and maintain for about four hundred seventy-five (475) feet, a portion of Walker Hill Road off the Lisbon Road. (This Article inserted upon written application of voters.)

ARTICLE 28. To see if the Town will vote to authorize the Board of Selectmen to borrow monies, from time to time, for current indebtedness of the Town for the ensuing year, in anticipation of taxes to be collected for the year 1980 and to be paid therefrom.

ARTICLE 29. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or other governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in R.S.A. 31:95-b.

ARTICLE 30. To see if the Town will vote to authorize prepayment of resident taxes and to authorize the Tax Collector to accept prepayments as provided by R.S.A. 80:1-a.

ARTICLE 31. To hear the reports of Agents, Auditors, Committees, including the Planning Board, or Officers chosen, and pass any vote relating thereto.

ARTICLE 32. To choose any other necessary Town Officers for the ensuing year, and to choose and elect any Agents or Committees which may be necessary to carry into effect any vote that may be passed under the Warrant.

ARTICLE 33. To transact any other business that may legally come before the meeting.

Given under our hands and seals this 12th day of February, 1980.

AUDITORS' OPINION

January 31, 1980

Board of Selectmen
Town Hall
Littleton, New Hampshire 03561

Dear Board Members:

We have examined the financial statements of the Town of Littleton for the year ended December 31, 1979, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records as we considered necessary in the circumstances.

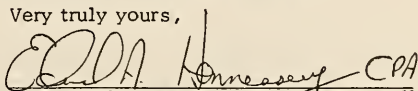

The financial statements of the Littleton Water and Light Department for the year ended December 31, 1979, have not been included in the accompanying financial report. However, we have issued our separate report thereon dated February 6, 1980.

The Town of Littleton has not maintained a record of its general fixed assets, and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial statements.

In our opinion, except for the effects of the omission of a statement of general fixed assets, and the omission of the statements of the Littleton Water and Light Department as discussed in the preceding paragraphs, these financial statements present fairly the financial position of the Town of Littleton at December 31, 1979, and the results of its operations and changes in financial position for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with the preceding year.

The accompanying supplemental information is not necessary for a fair presentation of the financial statements, but is presented as additional analytical data. This information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above, and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Very truly yours,

Martin, Thomas, Hennessey & Driscoll
Public Accountants

COMPLIANCE OPINION

January 31, 1980

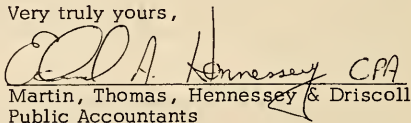

Board of Selectmen
Town Hall
Littleton, New Hampshire 03561

We have examined the financial statements of the various funds and account groups of the Town of Littleton for the year ended December 31, 1979, and have issued our report thereon, dated January 31, 1980. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In connection with our examination, we also performed tests of compliance with the Revenue Sharing and Antirecession Fiscal Assistance Acts and regulations as required by Sections II. C. 3. and III. C. 3. of the Audit Guide and Standards for Revenue Sharing and Antirecession Fiscal Assistance Fund Recipients (Guide) issued by the Office of Revenue Sharing U. S. Department of the Treasury, and compared the data on Bureau of Census Form RS-8 with the audited records of the Town of Littleton as required by Sections II. C. 4. of the "Guide".

Based on these procedures, we noted no instance of non-compliance with the regulations, and no material differences between the data of Bureau of Census Form RS-8, and the records of the Town of Littleton for the year ended December 31, 1978.

Very truly yours,

 C. A. Hennessey CPA

TOWN OF LITTLETON
 NOTES TO FINANCIAL STATEMENTS
 DECEMBER 31, 1979

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town of Littleton conform to generally accepted accounting principles applicable to governmental units, except as indicated hereinafter. The following is a summary of significant accounting policies.

Basis of Accounting

The accrual basis of accounting is followed by the Trust and Agency Funds. The General Fund and Special Revenue Funds utilize the modified accrual basis of accounting whereby revenues are recorded when measurable and available and expenditures are recorded when the liability is incurred.

Fixed Assets

As is the usual practice in the State of New Hampshire, fixed assets are not capitalized in the accounting records when acquired. Funds used to acquire general fixed assets and/or make the debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made. Generally accepted accounting principles require that general fixed assets be capitalized and accounted for in a separate fixed assets group of accounts.

Continued Appropriations

Appropriations for certain projects and specific items not fully expended at year end are carried forward as continued appropriations to the new year in which they supplement the appropriations of that year. At the year end, the continued appropriations are reported as a component of the fund balances.

Investments

Investments in marketable securities are carried at cost.

2. CHANGE IN METHOD OF ACCOUNTING

In conformance with accounting requirements set forth in Statement 1, "Governmental Accounting and Financial Reporting Principles", issued in March 1979 by the National Council on Governmental Accounting, fund balances as of January 1, 1979, have been restated to reflect the following changes:

	<u>General Fund</u>	<u>Anti- Recession Fund</u>	<u>Library Fund</u>	<u>EDA Project Fund</u>
Fund Balances - January 1, as Originally Presented	\$ 107,328	\$	\$	\$ 10
Transfers Between Funds	<u>(4,943)</u>	<u>883</u>	<u>4,070</u>	<u>(10)</u>
Fund Balances - January 1, as Restated	<u>\$ 102,385</u>	<u>\$ 883</u>	<u>\$ 4,070</u>	<u>\$</u>

2. CHANGE IN METHOD OF ACCOUNTING - (Continued)

	Revenue Sharing Fund	Trust Funds
Fund Balances - January 1, as Originally Presented	\$ 108,687	\$ 51,369
Adjust to Modified Accrual	36,575	
To Reflect Balance of Funds in Addition to Capital Reserve Fund	<u> </u>	<u>226,817</u>
Fund Balances - January 1, as Restated	<u>\$ 145,262</u>	<u>\$ 278,186</u>

3. OTHER GENERAL ACCOUNTING POLICIES

Retirement System

Members of the Police Department and Fire Department are automatically members of the New Hampshire Retirement System. Membership is voluntary to members of the Highway Department and Town Offices. Under this plan, participants contribute annually a percentage of compensation which is fixed by law and dependent upon age when contribution begins. The Town's contribution rate for normal cost of the plan is based upon an actuarial valuation of the state plan. In addition the Town is contributing to the Special Legislative Annuity being paid monthly to retired employees in accordance with RSA 100-A. The amount, if any, of the excess of vested benefits over pension fund assets for the Town of Littleton is not available. The Town has no past service cost obligation. The total pension cost to the Town for the year was \$25,499.43.

Property Taxes

Annually, the Town establishes an amount for abatement, discounts and refunds of property tax revenues known as "Overlay". All abatements, discounts and refunds are charged to overlay.

As prescribed by law, the Tax Collector sells at tax sale, all uncollected property taxes in the following year after taxes are due, where applicable. The purchaser at tax sale has a priority tax lien on these properties and accrues interest at 11% per annum. Delinquent taxpayers must redeem property from tax sale purchasers.

Property is sold to the party who will accept a lien for the least undivided interest in the property for payment of taxes and related costs due. If property is not redeemed within two years' redemption period, the property is tax deeded to the lienholder.

4. GENERAL LONG TERM DEBT

General long term debt is summarized as follows:

	Interest Rate	Original Amount	Issue Date	Maturity Date	Outstanding Balance
Sewer Bonds	3.10%	\$ 630,000	1963	1983	\$ 120,000
South Street Sewer Notes	6.00%	98,000	1976	1981	39,200
New England Power Co. Agreement	6.00%	1,700,000	1975	1980	<u>155,876</u>
					<u>\$ 315,076</u>

General long term debt transactions for the year ended December 31, 1979, are summarized as follows:

Long Term Debt Outstanding - January 1, 1979	\$ 648,872
Maturities	(333,796)
New Debt	<u>-</u>
Long Term Debt Outstanding - December 31, 1979	<u>\$ 315,076</u>

Aggregate maturities of the general long term debt (principal and interest) for the five years subsequent to December 31, 1979, are as follows:

1980	\$ 205,476
1981	49,600
1982	30,000
1983	30,000
1984	None

The New England Power Company settlement for abatement of real estate taxes in the amount of \$1,700,000 plus interest at 6% from March 1, 1975, will be paid in full in 1980.

At December 31, 1979, the Town has voter authorization to issue the following additional general long term bonds or notes:

Sewage Plant Headworks Facilities - 1979	\$ 62,500
Sewage Plans and Specifications - 1977	70,000

5. CONTINGENT LIABILITIES

The Town is contingently liable in respect of law suits and other claims in the ordinary course of its operations. The settlement of such contingencies under the budgetary process would require appropriation of revenues yet to be realized and would not materially affect the financial position of the Town at December 31, 1979.

ANNUAL PROPERTY INVENTORY FORM

Chapter 231, Laws of '77, states that any person who fails to file a fully completed inventory form on or before April 15th, unless granted an extension, will be subject to a penalty of 1% of the property tax, (a minimum of \$10.00 and not more than \$50.00). Selectmen shall first send notice of failure to file or failure to file a completed inventory form to the property owner of record as of April 1st, before the penalty can be imposed. The penalty is part of the tax and should be billed with the annual property tax bill.

Littleton Public Library

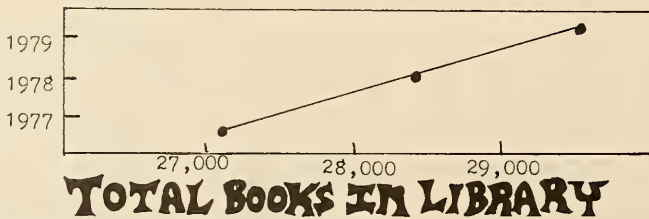

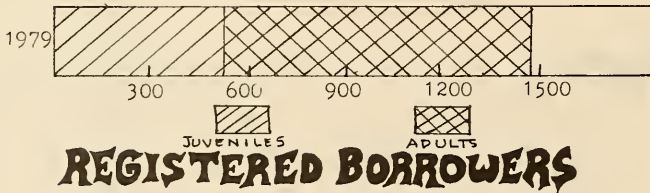

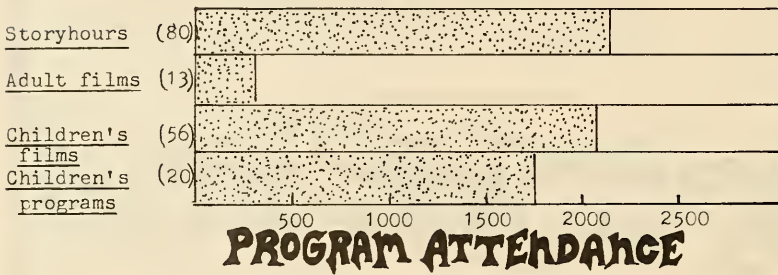

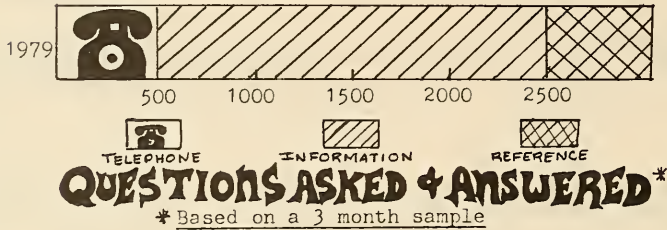

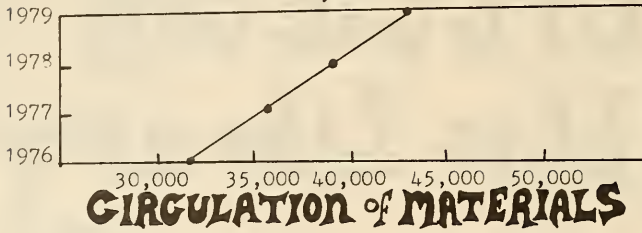

Free to Littleton residents. There's a \$7.50 charge to non-residents.

Open daily Monday through Friday, 10-5, Saturday from 10-12, and Monday, Wednesday*Friday nights.

**Questions Asked + Answered
By Telephone - 444-5141**

We have 29,000 books, 400 records, 100 magazines, 5 newspapers, QUICK INFORMATION pamphlet file, paperback swaprack, clothing patterns, book delivery to shut-ins, large print materials, pre-school Story-hours, Thursdays, 10:15 and 11:15.

Facts and Figures for 1979

LIBRARIAN'S REPORT

The graphs on the previous page show the Library activities during 1979, and chart the Library's growth wherever the previous year's statistics were available. New policies and procedures, most notably the new bright yellow library cards and changes in the overdue book policy, were adopted in 1979 to cope with the continual increase in library patronage and book circulation. Book Circulation increased 10% in 1979; 17% since 1977; and in the first six months of the new card system, 1300 people (520 juveniles and 733 adults) registered to use the library.

"Libraries are MORE than books." This message was the focus of our program and public relations efforts in 1979. Radio announcements and a medley of new programs all served as library promotion, bringing new library users, and educating regular patrons to the variety of services the Library has to offer. The following is a list of library programs conducted during the year. The asterisk (*) indicates the new programs this year.

*January — Promotion of a free Book Delivery Service via Senior Wheels.

*February — Five-week Brain Boggle for children grades 3-4 and 5-6.

April — Third annual Craft Contest and *First Bookmark Contest.

June-July — Summer Reading Program with 175 children participating.

August — Book Sale at which \$850 was raised for the Library.

*October-November — Noon-time film program for adults.

*November — Professional puppeteers, "Two-headed Cow" performed for 250 children; sponsored by the North Country Library Co-op.

December — Christmas tree decorated by the Littleton Girl Scouts. In addition there were the regular weekly Storyhours and children's film program, programs for Senior Citizens, Senior Wheels and Tempo Workshop.

Libraries are a place to ask questions and get answers. Particular emphasis was given to improving the Reference Collection and promoting our telephone information service. 530 questions were answered by telephone, 2600 more asked and answered in the Library, 650 of which required more than five minutes to answer. The **Index to How-to-do-it Magazines**, the **Index to New England Periodicals**, the **Directory of Federal Domestic Assistance**, and local and metropolitan area telephone books are among tools added to the Reference Collection. The Quick Information Pamphlet File was updated and revised. Reference questions we could not answer were relayed to the New Hampshire State Library by teletype, and noted by the staff so the needed Reference tool might be considered for purchase. Reference books are extremely expensive; **Thomas Register**, a list of American manufacturers by company name and product made, is one of the frequently used tools — and at \$120.00 — not the most expensive.

As the Library use increases and the tax dollars decrease, the Library is increasingly conscious of cost efficiencies. Changes have been made in

staff schedules and duties to better utilize personnel. The talents of volunteers have been gratefully used. The new library card system instituted in June has tightened procedures and given more credibility to our overdue system and charges. Renovations in August improved the appearance and space utilization of the First Floor Stack Room, and tightened the security of old magazines kept for research purposes.

The Library is indebted to its generous Library friends. Ever so many contributed to the August Book Sale, making it a success. The Village Bookstore faithfully donated a book to the Library every month. The Littleton Garden Club continues to care for the Library's front lawn by planting shrubs and trees. The Friday Club, White Mountain Garden Clubs, and the Eagles Auxiliary have given generously. Friends have given books in memory of Frances Langford, Mabel Downing, Fred Dupont, Maurice Lake, David Moore, Clinton Kelley, Clarence Wiley, George Richardson, Ethel Carter, Ella Berry, and Imelda Levesque.

Libraries have books, magazines, records, etc., BUT the library staff who bring people and the material together are the single most important library asset. The Littleton Public Library has an excellent staff. Fifty preschoolers weekly run to Storyhour to hear Ellen Morrow tell tales. The artwork, including that in this Report done by Ellen for the Library, adds a "pizzazz" that draws attention plus professionalism. Pat Stillings' work is less visible, but of equal or greater importance. Changes in the lending and overdue systems have required her limitless patience and scrutiny. Maintenance of the card catalog is her monumental responsibility. Sally Haskell's willingness to work at a minute's notice allows the Library to stay open through sickness and storm. Sandy Fillion made the Children's Room a friendly place to be during the summer. Stanley Fillion works six hours a week putting books back on the shelves endlessly. Charles Hodge has kept the Library spotless since Ken Horner resigned in August. We thank Barbara Melnick who retired in June.

The nine members of the Library's Board of Trustees meet monthly to confront the problems of maintaining an old building, and deliberate the policies necessary to run a public institution committed to answering the educational and recreational needs of 5500 residents of all ages. Their work becomes more complex each year. I thank them for their time and energy. A special thanks must be given to Board member Patrick Cullen, his family, and recruited friends who, on two Saturdays, hauled 6500 books first upstairs, then back down during the August renovations.

We all work to make the Library answer Littleton residents' needs. New programs, policies, procedures and services were added this year. We sincerely welcome positive and negative comments from users and non-users.

Respectfully submitted,
BETSY EATON
Librarian

TOWN MANAGER'S REPORT

TO: Citizens and Taxpayers of Littleton

My first full year working with the Selectmen and Department Heads has been interesting; relationships have been tested at times, as we have all worked to make a compatible change-over from the Selectmen to the Town Manager form of government. It is making good progress.

A program of enforcing the dilapidated buildings laws is in operation. Four buildings have been cited; one is partially torn down, another is in the final legal step with two others being delayed by a transfer of ownership, which should be taken care of soon.

We received a grant from the Mott Foundation (private grant money) for a Citizen Participation Program and Laura Pavlick has been hired as director. She is keeping you informed by means of a Newsletter provided at no cost to the Town.

With the assistance of the North County Council, an application for Community Development funds was submitted to the Department of Housing and Urban Development for \$400,000.00 for the Mill Street Redevelopment Project, which includes townwide housing rehabilitation. Although we did not score high enough to be assured funding, we have been requested to submit an application as the number one standby in case some other town decides not to submit their application. There are also possible emergency funds which could allocate \$80,000.00 to us for use in initiating the rehabilitation project.

I have worked with Jim Henderson to develop a cardboard salvage operation at the Landfill Dump. Removal of as much cardboard and paper as possible will extend the life of the site. Cooperation of all citizens is requested to deliver the maximum amount of such material at the baling area.

A pay classification and step plan has been developed for all Town employees including an evaluation program which will provide salary increases on a merit basis to encourage everyone to continue doing his best to provide the services that should be given to our citizens.

Other items which have been accomplished or are still in the process are energy related problems, use of plastic and caulking on windows and a study of the heating system for the Town Hall, easement across Railroad land to the Industrial Park, a better access route to the Industrial Park, loss prevention with insurance companies and elderly housing.

There have been meetings with the Planning Board, Industrial Committee and Department Heads for coordination of services and purchasing. Twenty-six (26) regular and four (4) special meetings of the Board of Selectmen have been held.

We have submitted to you a number of Warrant Articles to be funded by Revenue Sharing funds, mostly in the area of capital improvements on buildings and equipment.

As it has been 11 years since the Town has had a tax revaluation, the equalized value as figured by the State at the end of 1978 was 48% and is continuing to drop as the sale value of property increases. While this trend continues, the inequity of comparable property widens, thus not providing a fair valuation on many properties. A revaluation should be planned for another year.

Respectfully submitted,
JAMES E. HANNIGAN
Town Manager

**LITTLETON DEPARTMENT OF
PUBLIC WORKS AND HIGHWAYS
STREETS & HIGHWAYS**

Work during the winter months consisted of plowing, sanding, salting, snow removal, cutting brush and hauling cover for the dump.

We were able to start our summer work early this year, with the first project being Cyr Road (off Mt. Eustis). This project consisted of upgrading the road to State T.R.A. standards. We widened the road and reduced two bad curves. We had to remove a lot of ledge and replace all culverts. The wood was cut and hauled to the property owner, Charles Brooks.

We finished our T.R.A. job on the Old Whitefield Road and oiled with a mix in place and sealed after. We oiled a short piece of road on Mt. Eustis and the so-called "Girard Road Development." We made 700 yds. of blade mix, which was used on Foster Hill Rd., Slate Ledge Road and Manns Hill. The paving was done on Badger Street Extension, Sunset Circle, Manns Hill (from Mrs. Southard's home to the Beane home at the top of the hill), Gary's Drive to the brook and Elm Street from West Main Street to High Street.

We reconstructed Park Street from High Street to Oak Hill Avenue. We dug out about three feet of clay and old material, had water line replaced, hauled in new gravel and replaced sidewalk. Had utility poles set back of sidewalk and repaved street.

We removed 5200 yds. of gravel from the river in front of the Manseau property on the Lisbon Road. This was hauled into a stockpile at the Treatment Plant; some was used on the T.R.A. project and also for Park Avenue. We hauled 800 yds. of sand from the Curran stockpile at Moore Dam; this was stockpiled at the Treatment Plant and used for oiling and blade mix, which was hauled out again on different roads.

With the weather so mild this fall, we were able to do a lot of ditching with the backhoe on Manns Hill, McDade Road and Mt. Eustis. Also, we were able to get the ditches cleaned on some of Slate Ledge Road, Gannon, Williams, Dodge and parts of Broomstick Hill Road; the work was done with the grader and loader.

Catch basins were cleaned and many repaired; this is a never-ending project, as the basins are constantly deteriorating and caving in. The sweeper was used to clean our streets and some of the outside roads. The grader was out on the outside gravel roads a number of times this season and gravel was hauled onto a lot of these. We hauled 6000 yds. of sand from the back side of Mt. Eustis and stockpiled at the Town Garage for winter use.

SEWERS

We installed 26 complete septic systems this season and did 6 repair jobs. In the compact area, lines were rodded and flushed; no new lines installed this year. Septic tanks are purchased from Calco, Inc. of Waterford, Vermont; they deliver and set these for us. Perforated pipe and tile is from them also. The stone for leaching fields is picked up at Twin Mountain Sand and Gravel; this year 900 cubic yards was hauled in by Town trucks.

SIDEWALKS

We removed the old sidewalk in front of the Congregational Church, dropping it about eight inches, installing granite curbing and hot topping the walking surface. The wall in front of Century 21 Real Estate on West Main Street was repaired. Sidewalk paving was done on Meadow Street, Lafayette Avenue and Park Avenue.

DUMP

We hauled in 5500 yds. of cover from Mt. Eustis in addition to ditching material. The sweepings were hauled to the dump. We constructed the building at the dump for storage of the cardboard recycling process.

Respectfully submitted,
WILLIAM J. BEDOR
Superintendent of Public Works

LITTLETON FIRE DEPARTMENT REPORT

In 1979 the department attended fire school in Jefferson, Lancaster, Bethlehem, Dalton and hosted one in Littleton. All of these schools consisted of actual controlled burning of condemned buildings. Fire schools of this kind are very helpful in teaching firemen the actual knowledge of fighting fire. Classes were held in ventilation, self-contained breathing apparatus, pumping, nozzle and hose control. The schools were very educational and there was a good response in attendance from all departments.

During the year a new type of fire fighting nozzle was put to use by this department. The nozzle itself has been around for many years but the new technique (an idea of Chief Howard Sanborn of Bethlehem) is a big help in extinguishing fires. Both Littleton and Bethlehem fire departments have these nozzles in use and they have proved to be a very helpful piece of fire fighting equipment.

Wood stove and chimney inspections have been carried out by the department with the biggest share being very good jobs. To date we have inspected over 112 homes for wood or coal installations. Information and pamphlets are available at the Fire Dept. on wood stove installations. If you have any questions, do not hesitate to call (444-2218).

The new pumper that was ordered last year should be arriving sometime in February or March. The arrival of this new piece of fire fighting apparatus will be greatly accepted. The pumper will be an added asset to the department for future fire fighting.

In closing, we again urge everyone to use extra caution and fire safety in the months ahead.

Help us help you in preventing fires.

Respectfully submitted,
RICHARD C. MacKAY
Fire Chief

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is responsible for assisting the municipal forest fire organization in any way possible.

State personnel conduct five training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

1979 FOREST FIRE STATISTICS

THE LITTLETON HOSPITAL ASSOCIATION

The Littleton Hospital looks forward to the challenges of the 1980's. In 1981 the hospital will celebrate its 75th anniversary of service for the acute health care needs of residents and visitors of the North Country. The hospital's course for the 80's was set by its trustees who formulated this mission:

- Provide a range of health care services to include Cardiology, General Medicine, Internal Medicine, Obstetrics and Gynecology, Orthopedics, Pathology, Pediatrics, Radiology, Surgery, a fully-staffed 24-hour a day Emergency Department and out-patient care.
- Enhance public awareness of personal health care through education and through support of primary health care services.
- Participate in cooperative regional hospital efforts to share services.
- Be financially accountable and economical in every action taken.

As a result of the recently completed construction and renovation program, Littleton Hospital is now a fully modernized 54-bed facility providing modern clinical and diagnostic support to a highly talented and dedicated cadre of physicians who comprise the medical staff.

Littleton Hospital is a fully accredited not-for-profit organization directed by a Board of Trustees who are elected residents of the communities within the hospital's support area.

To improve and update sophisticated medical equipment, the hospital looks for funds from annual appropriations from supported communities, gifts and bequests from hospital friends and supporters, grants from charitable foundations and revenue from benefits sponsored by the hospital auxiliary and other civic clubs.

Littleton Hospital is committed to containing the cost of hospital care. Rates and charges are fixed by the Trustees at levels to adequately cover the cost of operations and services rendered.

Town appropriations are a primary source of nonoperating revenue so necessary to keep the Littleton Hospital equipped for the needs of modern medical and surgical practice.

During 1979, 2,582 patients were treated and discharged; 221 infants were born; almost 1,200 surgical procedures were performed and more than 9,600 individuals were treated in the Emergency Department. Town appropriations contributed to the quality of care each of these patients received at the hospital.

Respectfully submitted,
LEONARD F.B. REED, JR.
Acting Executive Director

**WHITE MOUNTAIN
MENTAL HEALTH CENTER
DIRECTOR'S REPORT**

Enclosed in this report are facts and figures which reflect the activities of White Mountain Mental Health Center during the past year.

A. Clinical Activity:

1. Enrolled 355 clients (about 80% of which were new referrals). A total of 506 clients were counseled during the year, in 2,434 sessions.
2. Held numerous consultation sessions with other professional persons and volunteers (doctors, nurses, social workers, attorneys, etc.) and organizations concerning those individuals they were attempting to serve.
3. Held educational and community information sessions with and for interested professional and lay persons in the region served by the Agency.

B. Services Rendered:

1. A 24-hour, 7-day a week, on-call emergency service for problems that need immediate attention. A White Mountain Mental Health Center Staff Member is on-call at all times. During the year, there were approximately 400 emergency contacts, 60% of these occurring at night or on weekends.
2. A Case Management Program to provide more extensive care for those individuals for whom individual therapy is not sufficient.
3. Outpatient counseling to area residents — the major activity of the Clinic. The services offered include individual counseling, group therapy, family therapy, marital counseling, and play therapy (for children). The services are provided in Littleton and the three satellites located at the Cottage Hospital in Woodsville, at the Lin-Wood Medical Center in Lincoln, and at Weeks Memorial Hospital in Lancaster.
4. Intensive diagnostic and inpatient care in our local hospitals for those individuals experiencing an emotional problem.
5. Psychotropic medication. In certain cases, medication is used as an adjunct to other forms of therapy listed above. During the year, only 6% of our clients required medication.
6. Pre-admission screening and aftercare services for patients entering and leaving the New Hampshire Hospital, in Concord.
7. Social, psychological and psychiatric evaluation and/or testing for schools, courts, and State Vocational Rehabilitation services.
8. Psychiatric consultation to physicians and to hospital staffs serving patients hospitalized in our local general hospitals; mental health consultation to the District Court, school system, police, Headstart, public nurses, and the Welfare Department.
9. Sponsorship of T.E.M.P.O., a sheltered workshop for developmentally disabled persons between the ages of 15 and 65, now serving 24 individuals. This Program provides job skills training, through contracts obtained from local business and industry. This Program offers a comprehensive program of skills training to individuals with various needs and levels skill.

10. Specialized clinical services for the elderly.
11. Specialized clinical programming for post-New Hampshire Hospital patients by the on-site location of a State Hospital Employee, for follow-up purposes.
12. Contractual participation with Burch House, a halfway house facility used as an alternative to inpatient hospitalization.
13. Participation with P.A.D.A. (Program on Alcohol and Drug Abuse) to maintain joint programs so as to strengthen services to alcoholics.

White Mountain Mental Health Center is approved as a comprehensive mental health center by the Northern New Hampshire Mental Health Center, Inc., and is a Member Clinic of said Organization. White Mountain Mental Health is affiliated with the New Hampshire Association of Community Mental Health Clinics, New Hampshire Health and Welfare Council, the Association of Mental Health Administrators, and the New Hampshire Association of Mental Health.

This non-profit Agency is governed by a 25-person Area Council of local citizens, and a 12-member Regional Board of Directors of the Northern New Hampshire Mental Health Center. Local elections are held each year at the time of the Agency's Annual Meeting (in May). All money voted or contributed to White Mountain Mental Health Center is used to support local needs. This Agency serves 22 towns, with a resident population of 25,775.

Respectfully submitted,
MILTON T. BRATZ, Ph.D.
Area Director

LITTLETON PARK COMMISSION

A number of improvements were made last year in parks and recreation. The tennis courts and recreation building at the Apthorp Common were completed in the fall; only landscaping and fencing remain to be finished.

With revenue sharing money, improvements were made in the building at Remich Park. Insulation, workshop area and recreation room headed the list. The summer crew improved the wooded area near the Little League field; it is now available for individual and group picnics and activities.

In the area of recreation, Pierre Lafitte and staff had an excellent summer program for the youth of our community. Carol King with her life guards and staff continued the excellent programs at the pool.

The men's softball program at the common increased its league to ten teams. Under the guidance and supervision of John Simon and Pierre Lafitte, the league provides many evenings of outstanding competition.

In cooperation with the Littleton Chamber of Commerce, the Park Commission was pleased with the outcome of the 4th of July celebration. We would like to publicly thank the following organizations for their financial support in the purchasing of the fireworks: Littleton Savings Bank, Lafayette National Bank, Peoples National Bank, O'Neil Assembly Knights of Columbus, V.F.W. Ladies Auxiliary, Littleton Lions Club, the Elks Club, and the Chamber of Commerce. A special thanks to Darrell Champagne, Mike Allard and their crew for the outstanding display on the 4th.

Through the efforts of Brien Ward, Dave Stoddard and the high school basketball players, the Saturday morning Bidy Basketball program ran smoothly.

With the backing of the Littleton Outing Club and the drive of Brien Ward, Mt. Eustis will operate this winter. Many hours of labor and dedication will make it possible for the citizens of Littleton to enjoy skiing.

The Park Commissioners wish to thank the people of our town for supporting our programs and budget. We look to the future to improve on the programs and the facilities.

Sincerely,
RICH MILLEN, Chairman
JOHN SIMON
TOM ALT
Littleton Park Commissioners.

LITTLETON POLICE DEPARTMENT

The Littleton Police Department made a total of 967 arrests during 1979. Motor vehicle arrests numbered 677, criminal arrests 253 and juvenile offenses 37. The department investigated a total of 324 reported criminal offenses, and assisted in the investigation of 3 homicides.

Speeding offenses were again the most common motor vehicle violation with 301 citations having been issued, followed by 117 inspection violations and 58 DWI's. There were a total of 82 breathtests run on the department's equipment of which 12 were below the prima facie level of .10%. Of the 21 persons who refused to take the test, 2 were found not guilty.

The department investigated 269 motor vehicle accidents which included 7 bicycles, 4 motorcycles and 2 pedestrians. There were a total of 25 reported injuries and no fatalities. The accidents involved 233 male drivers and 153 female drivers; 131 were between the ages of 16 and 25.

Crimes against property resulted in 47 arrests, disorderly conduct related arrests totaled 11 and crimes against the person totaled 22. Theft related offenses were the most numerous juvenile cases. Theft type crimes resulted in a loss of \$72,052.00 with \$47,567.00 having been recovered. The department received 59 bad check complaints with 31 cases cleared. The department is concerned over the increase in non-resident bad checks because of the added problems of interstate recovery and prosecution.

The 1979 session of the New Hampshire Legislature resulted in sweeping changes in the laws pertaining to juveniles, public intoxication and in the enactment of a new Domestic Violence chapter. These changes, along with the present interpretation of the Insanity Laws are making the role of law enforcement more challenging and difficult.

The department added a battery charging console to its equipment and is involved in a program designed to replace aging and unreliable equipment.

Littleton officers completed 16 weeks of recruit training, one week of Command Training, one week of Survival Training, 2 seminars on new laws and three special officers completed a 32 hour part time officers course. The office staff attended a one day seminar on a new procedure for Uniform Criminal Reporting to the State of New Hampshire.

Respectfully submitted,
DONALD M. NOCKY
Chief of Police

LITTLETON CONSERVATION COMMISSION

This past year's members have been: Thomas Cuddihy, Chairman and Acting Secretary; Dorothy Joslin, Treasurer; Louis Derosia, Barbara Ashley, David Gilpin, Raymond Schmitt, and Sally Haskell.

Throughout the year, efforts have continued to relocate the public foot-path right-of-way to the Kilburn Crags. Much progress has been made in the legal process involved, and we hope to have secured a proper right-of-way by this coming summer.

A recycling center has now been established at the Littleton Town Dump, thanks to the efforts of Jim Henderson. Although only accepting cardboard and newsprint at present, the center will hopefully expand its facilities to include the recycling of other materials. The Conservation Commission plans to continue its role as a disseminator of information about the ongoing recycling program.

Aerial photographs of Littleton, which the Commission has had since 1976, have been assembled and coordinated into a usable package. These photographs are intended for the Town's use.

Several Dredge and Fill permits were acted upon.

John Daley attended the Society for the Protection of New Hampshire Forests Youth Conservation Camp this past summer. His attendance was funded by the commission.

David Lynde was employed by the Commission to perform maintenance work and litter pick up at the Dells this past summer.

My sincere thanks to all the Commissioners for their hard work and interest. My thanks also to Carl Schaller and Bill Nichols for their support as active "non-members" of the Commission; and to the members of All Saints' Episcopal Church, who have permitted us to use their Parish House as a meeting place these past few years.

Respectfully submitted,
THOMAS CUDDIHY
Chairman

NORTH COUNTRY HOME HEALTH AGENCY, INC.

North Country Home Health Agency provides services to people in their own homes who have health-related problems. Nursing visits are provided for the chronically ill, for care following hospitalization or for acute care in lieu of hospitalization. Physical Therapy and Speech Therapy are available to homebound patients. The Homemaker/Home Health Aides work with the nurses and therapists to assist with personal care, light housekeeping and meal preparation, and other health-related services aimed at keeping people independent in their own homes for as long as possible.

This year we added a program aimed at reducing child abuse through personal contact by Family Assistants with families which are not coping.

Our Public Health activities are aimed at prevention of disease, and include child immunization clinics, well-child conferences, handicapped children's clinics, adult health screenings and child dental screenings. Monthly well-child and immunization clinics are now held in both the Littleton and Haverhill areas, as well as three times a year in Lisbon and Lincoln. Health promotions for the assessment of problems and newborn visits to infants and mothers are also made. There is no charge for any of the clinics, health promotions or newborn visits.

North Country Home Health Agency serves 15 towns in a 1200 sq. mile area. Its main office is 60 High St., Littleton; there are satellite offices in Lincoln and Woodsville.

Service for 1979

Nursing Care	5168 Visits
Physical Therapy	233 Visits
Speech Therapy	61 Visits
Social Work	9 Visits
Home Health Aid	4534 Hours
Homemaker	3902 Hours
Family Assistants	1771 Hours
Newborns and Mothers	159 Visits
Health Promotions	507 Visits

Clinics for 1979

Adult Health Screening with Lions Club	4
Attended by:	239
Well Child and Immunizations	20
Attended by:	484
Handicapped Children	4
Attended by:	135
Dental Screening	4
Attended by:	155

Services included to residents of Littleton are: 1420 Nursing care visits; 102 Physical Therapy Visits; 26 Speech Therapy Visits; 1574 Home Health Aide Hours; 1344 Homemaker Hours, 93 Health Promotions, 47 newborn visits and 3 Social Worker visits. All residents may attend the clinics in any location.

Respectfully submitted,
JOAN M. COLLINS
Business Manager

CIVIL DEFENSE REPORT

In early spring I traveled to Concord to the State Civil Defense Office for the purpose of having all of the town's Radiological Monitoring Devices recalibrated and inspected, and I received tips on the operation and testing of this equipment.

The annual preparedness program paper was submitted to Concord in October and was approved on 12/6/79 for the year 1980. This enables the town to draw upon Federal Assistance should it be needed in a disaster.

The State Agency will come to Littleton to teach a radiological monitoring course this spring if enough people express an interest.

Respectfully submitted,
WILLIAM LATULIP
Director

LITTLETON PLANNING BOARD

After many years of constant turnover, the Littleton Planning Board has remained intact for all of 1979. William Hight and Courtland Quimby were reappointed by the Selectmen, and continue their fine service to the town.

At the Selectmen's request, the Planning Board held hearings on three zoning amendments. Two of these were subsequently approved by the voters of the town. One was to reduce the acreage requirement for house lots in the rural sections of Town from 5 to 3 acres. The second amendment was to change the designation of a parcel of land on South Street (formerly part of the Littleton Sand and Gravel property), from Industrial to Commercial.

The Planning Board approved 29 subdivisions during the year. State Statutes were changed in the last session, requiring as of August 21, 1979 that all abutters to a property proposed for subdivision shall be notified by certified or registered mail. In the spirit of the mandate, we also advertise our proposed subdivisions for two weeks in *The Courier* to maximize public input into the planning process.

The Board meets the first Wednesday of every month at 7:30 P.M. in the Town Building. We urge all citizens who are contemplating a subdivision to come in and discuss it with us on an informal basis before having final plans drawn. If you do this, it will possibly save you time and money in the future.

Respectfully submitted,
BRIEN L. WARD
Chairman

PROGRAM SUMMARY OF THE WHITE MOUNTAIN REGION ASSOCIATION

Solicited and prepared the 1979 edition of the New Hampshire Lodging Directory. Published a WMRA Visitor Directory that was part of the new "Little Phone Book" project and four separate telephone books with common regionwide yellow pages. A fifth book will be published in 1980 for those towns in the southern part of the region.

Prepared text material for issues of **Outlook Magazine**. Continued work in support of the White Mountains Center for the Arts, which in 1980 will move to a more convenient location - Bretton Woods, N.H. Surveyed numerous gasoline stations during summer and fall as part of a hot line informational network.

Contacted New Hampshire's Congressional Delegation and protested the amount of additional acreage that was proposed for wilderness designation in the White Mountains National Forest. Also protested to the same delegation and to energy officials in Washington, federal proposals which would close gas stations on weekends.

Continued support of the 1.2 million dollar Christmas tree industry in the region. Continued support to 4-H programs and activities. Assisted several travel writers in promoting our region to the vacationing public.

Prepared and delivered testimony on the importance of vacation travel to the state and to the region to the N.H. House Appropriation's Committee. Provided travel information in response to numerous telephone calls and written inquiries from out of state.

Respectfully submitted,
NED PINKERTON
Executive Director

LITTLETON AREA HISTORICAL SOCIETY OFFICERS - 1979

President - Sandra E. Hamilton
1st Vice President - Frances M. Heald
2nd Vice President - Edward A. Stewart
Recording Secretary - Beatrice C. Blasenak
Corresponding Secretary - Hazel L. Kaye
Treasurer - Amy G. Stillings
Curator - Mary E. Heald
Historian - Mildred C. Lakeway
Auditor - Gilbert B. Pike
Directors - John W. Farr III, Edward A. Stewart, Frances M. Heald

The Littleton Area Historical Society made great strides in 1979.

Eleven meetings, informative and social, were offered to members and all interested area residents. The Society participated in the July 4th parade with an antique car, held its second annual flea market, and displayed a number of the Society's artifacts pertaining to Littleton's Main Street and early history in the People's National Bank.

Members were asked to speak before the Littleton Rotary Club and the Emma Merrill Guild of the Congregational Church. Many local organizations requested historical information, among them the Littleton Garden Club, the Littleton Tomorrow - Pride Committee, the Chamber of Commerce and the Courier.

The strength of an historical society depends in large measure on the interest and support of its members. The Society's membership numbers 216 strong; of these, 75% are from Littleton, while the remaining 25% from outside the local area include those who continue to hold ties with our community and want to help in the preservation of its historical heritage.

Membership dues provide the major source of income and we hope to increase the number of contributing and sustaining members. A first in 1979 was instituting a Junior membership for interested local young people.

Our Museum welcomed over 400 visitors in the past year. Its value increases each year and proves the vision of those founders in 1967 who had the courage to start the venture. Its great need is more volunteers, not only to keep it open but also to become well acquainted with what it has to offer Littleton residents. In 1979 the Museum received many donations from all parts of the country, but every gift has some connection with Littleton's history.

Our much hoped for goal of bringing the town's history to the younger generation was realized with the visit of an enthusiastic third grade class who is now using Mildred C. Lakeway's "Historical Glimpses of a North Country Community" in a social studies class. We are pleased that the Littleton School Department has incorporated the book into the school's study of town history.

Sale of the Paul R. Clay book, "Picturesque and Progressive Littleton and the White Mountains", continues and a new book, "When My World Was Young", by Norman H. Kinne is now available.

House Plaques are available at a nominal cost to any town resident wishing to date his home, old or new.

For all these achievements grateful thanks are due to our faithful members, officers, curator and directors of the Society. Thanks are also due to the Courier, the Caledonian and WLTN, all of whom are most cooperative in carrying our articles and announcements. We are grateful to the Business Education Department of Littleton High School for printing our program at a very reasonable cost. Our thanks also to Betsy Eaton and the Library Board of Trustees for their continued hospitality and cooperative spirit, and to Ann Fillion and the Board of Directors of the Community Center for graciously providing a meeting place and much needed storage space.

1980 begins a new and exciting decade! We have much yet to do and to look forward to. There will be change and progress. Littleton's Town History of 1905 is still in need of being updated and our valued paintings in the Library and Community Center need to be restored.

We can only accomplish these goals and preserve Littleton's Town History through continued active support and membership in our town's Historical Society.

Respectfully submitted,
SANDRA E. HAMILTON
President

NORTH COUNTRY COUNCIL, INC.

In Littleton, North Country Council provided assistance to the Town in preparing a community development application for \$400,000 under the HUD small cities program to rehabilitate the Mill Street Area and to provide housing assistance for the structures in the village. Provided information on the EDA 304 program, recycling potential and possible zoning amendments. NCC expects to provide special services in business development to fill the need for new employment opportunities through the services of a business development director.

This past year of 1979 saw a mixture of planning and action for the North Country Council, Inc. Major contributions were made in rural and economic development, local planning, and transportation.

In rural development, the Council assisted approximately 25 communities in taking positive steps on such concerns as housing, downtown revitalization, water supply, and solid waste. The Council has helped communities obtain needed housing resources. Working with appropriate state and federal agencies, the Council assisted targeted communities by preparing applications and by providing information so decisions can be made. In economic development, the Council assisted two communities with steps toward the creation of parks which will provide a necessary place for additional jobs. Energy development activities have encouraged the development of indigenous resources such as wood and hydro power. NCC has also been active in helping local companies with loan applications and business counseling, and in assisting a targeted community with a revolving loan fund. Additional business development services will be furnished during the coming year to encourage existing area and other in-state businesses to expand or locate so that more jobs can be provided in the North Country. An industrial brochure has been published which promotes the quality of life in the region and the resources available for small companies.

Local planning assistance, such as master planning, subdivision regulations, zoning and review of development proposals continues to be a major function of the Council. This activity will take on greater significance with the N.H. Supreme Court's emphasis on local master planning as a basis for local regulations.

Technical reports have been prepared on Mt. Washington Valley's Seasonal Population and on wetland evaluation and management. Brief and informative fact sheets on community investment strategies, land capability and wetlands are also available.

To advocate North Country transportation needs at the state and federal level, a Transportation Committee has been organized with representatives from different communities and transportation sectors.

The Council acts as a "regional spokesman" with membership on the Governor's Advisory Committee on Growth, the N.H. Environmental Law Clinic, and the State's Forestry Resources Committee. By sponsoring forums and conferences on growth in the forest industry, agricultural development, and regional land use, the Council has brought together people, ideas, and resources to generate appropriate solutions.

We believe that the Council has a program which can assist its rural communities in meeting the challenges and opportunities of the 1980s. The Board of Directors, the Staff and the entire Council greatly appreciate the support given to us in 1979 and over the last few years. Please call us at 823-8108 if the Council can be of service to your Town.

Respectfully submitted,

- 5.) Moonlight Madness Sale
- 6.) "Yankee International Hydroplane Regatta"

D. Other Directly Related Town Promotions

- 1.) T-Shirts
- 2.) Town Maps
- 3.) White Mountain Map.

In 1979, the Chamber of Commerce began the new year with a speaker, Mr. Jud Hale, the Publishing Editor of Yankee Magazine and the Old Farmers Almanac. Mr. Hale spoke briefly on Yankee ingenuity and "stick-to-it-ness" that our area is so famous for, and it is my opinion that the Littleton Chamber of Commerce, using this type of ingenuity through

its volunteers and Board of Directors, has been able to help shape the history of the Town of Littleton and surrounding area.

We began the year by updating and compiling statistics that would be most usable to area residents, businessmen and inquiries from people inside and outside our area. The Chamber currently produces a list of all Littleton businesses, compiles a Factual Profile which includes information on government, utilities, population, area characteristics, schools, banks, facilities and services, recreation and culture, labor market analysis and transportation. A survey of 71 Retail Stores was completed to help merchants focus on holiday closings, regular hours and Christmas hours. The Chamber also produced an area brochure that included the Towns of Littleton, Franconia, and Bethlehem, and listed lodging accommodations, available services and general directory information on the area.

The year 1979 has been one in which many crises had to be addressed. The Chamber conducted a bi-weekly gasoline survey of the area gas stations to keep potential visitors informed that we had gas available. This survey was done cooperatively with the State Office of Vacation and Travel from May-September 1979. We were able to encourage skeptical visitors to continue to visit our area through this survey.

The Chamber successfully promoted four seasonal retail promotions. These promotions included the Washington Birthday Sale, the Red Tag Sale, the Sidewalk Sale and a Moonlight Madness Sale. These promotions were not only beneficial to the merchants who cooperatively advertised these sales, but also brought a larger variety of merchandise at a better price to area shoppers.

A placement network during Fall Foliage was again implemented to service visitors who were without accommodations. The coordination of this effort was accomplished by working with area police, Chambers of Commerce and various representatives from surrounding towns.

Several meetings and forums were presented, from Woodburning Alternatives, Telephone Service Problems to Downtown Revitalization. These programs have been able to provide information on a variety of topics and have proved to be another added resource to the awareness of the Community.

The Chamber has been able to strengthen already existing promotions such as the Fourth of July Celebration and the Sidewalk Art Show and Festival. These events encourage community spirit, participation and succeed in promoting more new visitors to come to our area. These events are continuing to grow very rapidly and play an important role in the Community we live in.

Obviously the highlight of 1979 was the Yankee International Hydroplane Regatta. This event helped promote the Littleton Area on an international level throughout Canada and the New England States. It is estimated that more than 14,000 spectators attended this event in its first year. Our area not only received tremendous exposure from this promotion, but achieved it in an off season period when business is normally much slower.

Two grants were secured from the Federal and State levels of government to financially assist the success of the event. Governor Gallen, and his staff, played an instrumental role in securing these grants. These grants were the first to ever be secured in the history of the Chamber.

The direct, and indirect economic impact generated by this promotion created many short term benefits to the area. The future, however, of this International Event promises to offer much needed long-term exposure and prosperity in the coming years.

The year 1979 can easily be summarized as a successful year, due to the large numbers of volunteers, led by determined, hard-working, and goal oriented committee chairpersons. Each success that the Chamber has been able to achieve in 1979, would not have been possible without the new ideas and follow-thru of these volunteers, working together using the Chamber as a vehicle. Promotions and events such as the Yankee Regatta, are the type that can help produce and encourage the greatest amount of prosperity and exposure for our Community and surrounding area.

Promotions and events, however, are not the total picture. The Chamber is continually encouraging new and more businesses and industry to come to our area which can offer a variety of services, jobs, and products. The goal is not only to maintain a stable economy, but also to help create a prosperous economy.

Respectfully submitted,
 JAMES W. POWERS

LETTER OF TRANSMITTAL

Board of Water and Light Commissioners
34 Main Street
Littleton, New Hampshire 03561

Gentlemen:

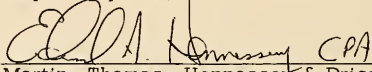

Submitted herewith is the report of the annual examination and audit of the accounts of the Littleton Water and Light Department for the year ended December 31, 1979.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the permanent records.

The provisions of Chapter 71-a, Section 21, requires that the auditors' letter of transmittal shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Littleton Water and Light Department for their assistance during the course of the audit.

Very truly yours,

Martin, Thomas, Hennessey & Driscoll

LITTLETON WATER AND LIGHT DEPARTMENT

Certificate of Audit

We have examined the accounts and records of the Littleton Water and Light Department for the year ended December 31, 1979.

Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Littleton Water and Light Department at December 31, 1979, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Very truly yours,

 CPA

CITIZEN PARTICIPATION PROJECT REPORT

Littleton's Citizen Participation Project was begun in September, 1979 as a part of the town government. At that time Littleton was chosen to receive a one-year grant from the New England Municipal Center and the Mott Foundation to stimulate greater citizen participation in the workings of our town government and to promote volunteerism within the community. The goal of this project is simply to encourage those people who have chosen not to participate in local government to attend the many meetings and hearings and to take an active role in the decision making process. In this way, we can all help to keep Littleton strong and beautiful and a good place to live.

There are several reasons why a Citizen Participation Project can and should succeed in Littleton. First is our highly representative form of government, something people in other areas of the country are quite envious of. Secondly, there is the pride Littleton residents feel for our community. But many people of Littleton, for a variety of reasons, have chosen not to become involved in matters that directly concern them and their neighbors. It is our goal for the Citizen Participation Project to persuade these people to choose to participate in their own government. How to achieve this goal is still an open question and we welcome all ideas.

With the close cooperation of town officials, we have started towards our goal of increasing citizen participation in local government. The month of September was spent in on-site training with New England Municipal Center staff people and in setting up a Citizen Participation Office in the Town Building. The Coordinator of the Project can be reached by calling 444-3996.

October was involved in speeches before some of our local service clubs and in preparing articles for publication by our local media, all of whom have proven most cooperative. The purpose of these articles was to get information on issues to townspeople so they could make decisions and report their opinions to the Selectmen. Planning was also begun for publication of a bi-monthly newsletter. The first edition of the **Littleton Town Crier**, completely funded by the New England Municipal Center with private enterprise funds, came out on December 10 and was well-received. It is our hope that future editions of the **Town Crier** will keep our townspeople informed of local events and stimulate more interest and greater involvement.

Perhaps the most gratifying single day in the short life of the Citizen Participation Project was Saturday, December 8, when 15 volunteers came forward to work in the cold, wind and rain to weatherize two needy homes. As part of Community Action's Winterization Program, representatives of the Lions Club, the LHS Varsity Rifle Team and the Rotary worked installing weatherstripping, insulation, plastic sheeting and trailer skirting and two homes were completed, a task which otherwise would have taken several weeks. All this work was done with no compensation but a cup of coffee. This is the kind of volunteer spirit we have in Littleton!

With hopes for continued progress this report is respectfully submitted,

LAURA W. PAVLICK

Citizen Participation Coordinator

ZONING OFFICER'S REPORT

The issuing of 96 building permits at \$5.00 each for the calendar year 1979 indicates that progress continues in the Town of Littleton.

The categories listed for the permits are as follows: new homes, additions such as garages, porches, breezeways, extra rooms, signs and fences.

The larger additions to the community included the 50 unit housing for the elderly, remodeling of the Lane home for multi-use purposes, the remodeling of the Littleton Savings Bank and Pizza-Hut to date.

Respectfully submitted,

THELMA GIRARD

Zoning Officer

LITTLETON WATER AND LIGHT DEPARTMENT

This is a brief summary and description of various jobs that the Littleton Water and Light Department has performed in the last year, starting January 1, 1979 to December 31, 1979.

1. The Department spent \$17,500.00 on a new 13000 KV conversion which extended this higher voltage into a greater portion of the town. This lessened the burden on the South Street and Lafayette substations.

2. The Department also purchased the 3315 line at a cost of \$37,000.00 from New England Power Company, a distance of approximately eight miles from Moore Dam to the Lafayette substation.

3. Assisted White Mountain Hydro in reactivating the Hydro station at the Apthorp Dam.

4. Engaged Environmental Engineers of Concord, N. H. to do a preliminary engineering study into the water system of Littleton. This study was required by the Water Supply and Pollution Control Commission of the Safe Water Drinking Act. This engineering work was done at a cost of \$10,000.00 to the Department.

5. The Department had a telemetering system installed which regulates the pumps at the Goss Pump Station and Brickyard Road. This system keeps the maximum amount of water supply that can be stored at the Mt. Eustis reservoir without over flowing or wasting water. The metering equipment and labor cost for this installation was \$2,200.00

6. The Department installed 8" PVC pipe at the Oak Hill reservoir to increase the circulation of the water and stop foreign matter from settling in the reservoir.

7. Installed new fire hydrants on School Street, South Street and Meadow Street. The Department also painted and repaired all other hydrants in the town so they would be in good working order.

8. The Department has also absorbed a total of 9% rate increases from New England Power without passing it on to its customers. The Department still has the lowest electric rates in the area.

9. The Department has saved the Town \$1,305.06 a year by removing two bulbs from every street light on Main Street. Also, through negotiations with the New Hampshire Public Works Department, the Water and Light Department was able to save the Town \$1,655.28 a year by having the State pay for the cost of 17 street lights on Exits 41 and 42 on I-93.

I would like to explain at this time that all these improvements in the Department were done to operate the Company in the most economical manner possible. This is why I cannot express myself strongly enough to have our customers conserve energy between the hours of 10 A.M. to 2 P.M. when the Department is charged the most for electricity from New England Power Company.

These major projects were completed along with the regular day's activity of installing new services, new line extensions and repairing any electrical outages and water breaks.

I would also like to give thanks at this time to Fire Chief MacKay, Police Chief Nocky and Bill Bedor of the Town Highway Department and their men for their invaluable assistance on weekends and evenings in handling the Department's emergency calls.

Respectfully submitted,
JOHN L. CASSIDY
Superintendent

**GRAFTON COUNTY
COMMISSIONERS
REPORT**

To the Citizens of Grafton County:

In an effort to communicate more directly with the taxpaying citizens of Grafton County, we, the Grafton County Commissioners, are writing to you through your individual town or municipal reports.

Last year (1978-79) the total county tax raised was \$1,977,142. These monies were appropriated by the County Delegation and administered by the Commissioners. Some of the ways this money was spent was in maintenance of our courthouse, nursing home, county farm, sheriff's department, jail and house of correction, social welfare, etc.

The average number of patients in our nursing home is 140. The average daily census of the Jail/House of Correction is 25. We had a total of 349 inmates in the Jail and 114 inmates in the House of Correction during our fiscal year.

In addition to providing food for the nursing home complex and agricultural services for the community, the farm also continually shows a profit. In our fiscal year 1979 the farm profit was \$60,654, due in part to sale of pigs at \$5,500, cows at \$27,000, wood at \$1,800, hay at \$2,100, milk at \$135,444 and produce at \$48,129.

We have completed Phase II-Design of the sewage project and anticipate beginning construction under Phase III in the spring. The total overall cost of the project is approximately \$540,000, of which \$400,000 is federal grant, \$110,000 State share and \$30,000 County share.

We are making an effort to conserve energy, particularly in the courthouse building, and are taking a hard look at any modifications in this so called "modern" facility that will make it a less expensive consumer of fuel.

A trial dispatching service was instituted for 16 area fire departments and probably will be made a permanent function during the latter part of 1979. A yearly fee is charged for this service.

Grafton County employs 230 people of whom we are very proud. It is because of these people that Grafton County continues to operate efficiently and within budget.

There are many other concerns that we, the Commissioners, deal with. We invite the citizens of Grafton County to take part in any of our regular meetings held each Monday morning at the courthouse in North Haverhill.

Respectfully submitted,
RICHARD L. BRADLEY, Chairman
DOROTHY CAMPION, Clerk
ARTHUR SNELL
Grafton County Commissioners

Town Clerk

PRESIDENT'S REPORT LITTLETON COMMUNITY CENTER

Theyear of 1979 was not as dramatic as the previous two years in terms of seeing large expansion. The previous years saw great leaps in property improvements. This year we decided to ask for less funds from the Town and thus had to establish a holding pattern as fuel and operating costs escalated.

The Center was again the hub of all sorts of activity. Under the direction of Hostess Ann Fillion, some 80 organizations and 17,650 people held meetings and activities. Mrs. Fillion and her husband, John kept the facilities in top condition in spite of almost constant use.

Almost every Board of Directors' meeting had some mention of preserving oil paintings hanging within the House. With the aid of the Littleton Area Historical Society, American Legion Auxiliary, and some special friends, we were able to see a dramatic restoration of the Edwin Hill painting, "Sugar Time". So pleased were we that it appears we are well underway to seeing other paintings restored in the same manner.

The coming year will be a resumption of property improvements. We have asked the Town to make available additional funds to winterize the House. Insulating and installation of storm windows will take place as soon as these funds are approved. The Budget Committee and Selectmen have been most encouraging during this stage of planning.

Our future pledge as Directors is to see the Community Center continue and grow in effectiveness in assisting adult education and recreation in Littleton.

Respectfully Submitted,
THOMAS A. GOLDEN
President

LITTLETON COMMUNITY CENTER TREASURER'S REPORT — DECEMBER 31, 1979
