REPORT OF SCHOOL BOARD.

To the citizens of Lyndeborough we present the following report:

At the annual meeting of the school district Ella R. Holt was re-elected a member of the school board for a term of three years and S. Kate Swington treasurer for one year.

It was voted that \$1,250.00 be the sum to cover all appropriations for support of schools and \$100.00 for repairs on school buildings.

School board met and organized as follows: S. K. Swington chairman, Alice M. Chase secretary.

Five schools have been in session during our school year and one term of school at North Lyndeborough during the fall.

Ninety-five pupils have been registered and the average amount paid out for each has been about sixty cents per week.

We have employed eight teachers: Annie S. Holt spring and fall, Florence Thomson winter, at Center; Bertha T. Parker, South; Martha M. Whitney, Southwest; Annie M. Curtis, Johnson Corner; Bertha P. Woodward spring, Abbie E. Kendall fall and winter, at Perham Corner. Miss Kendall came to us new in the work but filled with energy and determination to succeed, and in our opinion, succeed she will. Abbie A. Dodge taught the term in North Lyndeborough, and she deserved a better opportunity for beginning her work as a teacher, for while perhaps we expected discouragements, the conditions there would "cause stout hearts to quail," but she bravely did the best she could, some days having none and some eleven scholars, as the case might be.

We exceedingly regretted the resigning of Mrs. Woodward and Mrs. Holt, and we feel that this is a suitable place to extend to them our acknowledgement for the conscientious work and the good they accomplished: we feel they walked hand in hand and heart to heart with their pupils and made school a happy as well as a profitable place.

In ways our schools are moving in the right direction and there are many reasons for congratulation and encouragement. We believe a child's attention should be directed in various ways, that they should be taught to observe closely and required to clothe in pure language the thoughts that result from their observation.

Physical culture was introduced at the beginning of the year and given a short time each day, with good results. The marching of the children, in passing in and out of the room, under Miss Kendall's instruction, was unique and well worth seeing. Miss Curtis and pupils also deserve great credit along these lines.

We hope none of our citizens will imagine these various exercises crowd the regular studies. Only a few minutes each day are given them and the children return to their work with renewed zest after these few moments of change and relaxation.

The honor of the largest collection of wild flowers by any school belongs to Perham Corner—number collected 310, and by any individual pupil to Ernest Stephenson—number collected 286.

We still plead for the interest of the parents and the other residents of the town. Visit our schools. You surely can afford time to find out what your children are doing along educational lines, and how else can you know but by visiting and seeing our teachers and pupils in their every-day work? It is the duty, and should be the pleasure of parents, to do this, also to insist upon the lady-like and gentlemanly behavior of their girls and boys going to and coming from, as well as in school, and that pupils are present every session unless sickness prevents.

The exercises "Children's Day," "Memorial Day," and at "Teachers' Meeting" were worthy of mention, and both thanks and credit are due both teachers and scholars. We wish more of our people would take advantage of these opportunities of seeing and hearing what our children can do.

Your school board has endeavored to work for the advancement, both morally and mentally, of your pupils. Where we have failed has not been for lack of interest or conscientious effort. Your teachers have labored diligently and faithfully, aiming at a high standard of excellence, and we believe our pupils are capable of holding their own with those of adjoining towns.

In closing, we ask your financial support and solicit your aid in developing the moral and mental growth of the children of this town. Schools will open again the first Monday in April, unless further notice be given.

We thank teachers, pupils and citizens for the courteous treatment we have received at your hands.

Respectfully submitted,

S. KATE SWININGTON,
ALICE M. CHASE,
ELLA R. HOLT,

Members of School Board.
