## FIRE DEPARTMENT REPORT

---

To the Citizens of Madbury:

Although the drought conditions were severe in 1964, our fire record remained close to the annual average.

There were 11 alarms. 4 were in buildings, 6 were brush fires, and 1 car fire. We received 2 calls to assist Dover at brush fires.

Assistance from the Dover Fire Department was received at the Dover Sand and Gravel Garage, and at Colprit's Nursery. In both cases damage was moderate.

The equipment is in good condition. Repairs consisted of replacement of the clutch in the Chevrolet, and 2 tires for the International truck.

New equipment consisted of 200 feet of 1½ inch hose. We installed a Tone Alerting Radio system which when completed will be paid for by the Fire Department, and matching funds from Civil Defense.

A Dry Hydrant has been installed on Perkins Road. The cost is to be shared by the Fire Department and interested citizens.

The Department has held it's regular monthly meetings, and some extra meetings for training. A station watch, with daily check of the equipment during the winter months was organized.

Please continue to co-operate in obtaining permits for open fires and incinerators.

Fire calls in 1964:

Cars	1
Buildings	4

Forest—grass	6
Smokes investigated	3
Average No. of men per fire	7
Water hauled to Fires	9,000 gals.
Hose laid	1,500 ft.
Permits issued	40
Incinerator permits	8

Respectfully,

JAMES H. COLPRIT,

Fire Chief
