REPORT OF DENTAL CLINIC

On August 16, 1933, a dental clinic was held in town, for pre-school children. Eight were examined, 26 fillings, seven cleanings and three partially treated.

The clinic was made possible by the co-operation of the New Hampshire State Board of Health Division Child Hygiene, and local health committees.

On August 17, for school children at the Kings' Daughter's Hall, 14 children were examined, 53 fillings and 15 extractions.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Citizens of Newbury:

This, my first report as your superintendent, deals with the following topics:

- (1) Our reorganized supervisory union.
- (2) Statistics of our schools.
- (3) Our school buildings.
- (4) Music education.
- (5) A proposed change in school organization.

OUR REORGANIZED SUPERVISORY UNION

In accordance with an economy measure enacted into law at the last session of the General Court, the school districts of the State have been rearranged, for purposes of school supervision, into larger unions, in order to dispense with the services of five superintendents.

GENERAL STATISTICS FOR SCHOOL YEAR ENDING

JUNE 30, 1933

School	Half-days school in session	Average membership (number of pupils)	Percent of attendance	Half-days absence per pupil	Number tardinesses per pupil	Visits by Supt.	Visits by school nurse	Visits by citizens
Baker Hill	360	17.9	97	10	1.7	29	4	57
Center	360	22	91.9	29	.2	27	1	32
South Newbury ...	360	26.2	95.3	16.9	.5	30	4	75
All Newbury Sch'ls	360	66.1	94.7	19	0.8	86	9	164
State of N. H.	354.4	...	95.4	...	0.9	..	..	...

The Warner union, No. 61, of which Newbury was a part, was one of the smaller unions in the state, and was dissolved last July by action of the State Board of Education. Newbury is included in the Hopkinton union, No. 26, which now comprises six districts—Hopkinton, Henniker, Bradford, Dunbarton, Newbury and Sutton.

OUR SCHOOL BUILDINGS

Time was when an educational leader in our state spoke jokingly of our town as the one "with a million-dollar barn just across the road from a hundred-dollar schoolhouse." This can no longer be said of us, for one must now travel far to find a pleasanter and more up-to-date set of school buildings than we have in Newbury.

This year we have provided new chemical toilets for the South Newbury school, and dug a well providing water for the Center school. Some improvements have also been made in the heating system at the Center. The one-pipe furnace meant a cold floor and inadequate ventilation, so we rebuilt the cold air intake to admit some fresh air from out-of-doors.

MUSIC EDUCATION

We have found a way to provide the services of a music supervisor one day each week. Her work of teaching and providing definite assignments for each week's music study is helping to overcome the handicap that most rural children have when they wish to join glee clubs or choirs during high school or in later years.

A PROPOSED CHANGE IN SCHOOL ORGANIZATION

The Center and South Newbury schools each have large enrollments, and each has pupils in all grades from the first to the eighth. If each teacher had fewer grades, it would be possible to give every child more attention and a better chance to learn. It has been suggested that the first four grades be taught at South Newbury as a primary school, and

the upper grades at the Center. The transportation could be arranged by allowing one of the carriers who already brings a load to one of the schools, to make one trip night and morning between the villages to make the necessary exchange of pupils. It seems to me that the resulting benefits to the children of such an arrangement would far outweigh the expense involved.

CONCLUSION

The short time that I have been working in Newbury has been very enjoyable indeed. Our schools owe much to the leadership and effective work of my predecessor, Mr. Sinclair. The earnest efforts of the teachers, and the willing cooperation of parents and citizens, deserve gratitude. Let us continue to work together for the good of our children.

Respectfully submitted,

ALMON W. BUSHNELL,
Superintendent of Schools.
