ANNUAL REPORT

OF THE

TOWN OFFICERS

OF THE

Town of Piermont

NEW HAMPSHIRE

For The Year Ending December 31

1963

200th ANNIVERSARY • PIERMONT NEW HAMPSHIRE

1764-1964

1764 - 1964

200TH ANNIVERSARY - PIERMONT, N. H.

This is the year when the town of Piermont celebrates its two hundredth anniversary. On November 6th, 1764, Governor Benning Wentworth, Portsmouth, put his signature to the Charter which made the settlement of this area possible.

Seven generations ago, our forebears arrived and, with great courage, began to hew our pleasant community out of a hostile wilderness.

The Bicentennial Committees and the numerous social organizations in the Township already have plans for appropriate observances. Their purpose is to recapture, for townspeople and visitors alike, the sincerity, dignity and, yes, the fun that marked the lives of our first settlers.

Space does not permit us to go into detail here, but, it can be said that the commemorations will go on from May to November. Certain displays and exhibits will be continuous throughout the whole period.

The principal festivals, however, will be centered around three, separate, gala events scheduled to take place over the Memorial Day weekend of May 30th and 31st, the midsummer weekend of July 18th and 19th, and the Charter Night Thanksgiving Dinner on November 6th. Many entertainments of various kinds are programmed for these dates. All will be very enjoyable and worthwhile.

Everyone is invited to participate in Piermont's Bicentennial. Everyone is urged to contribute to its success. It is our earnest desire that the celebrations will prove to be a gratifying experience, long remembered.

Town Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Piermont in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Piermont Town Hall in said Town on Tuesday, the 10th day of March, next at 7:30 of the clock in the evening to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To raise and appropriate money to maintain highways and bridges.
4. To raise and appropriate money for town road aid.
5. To raise and appropriate money to maintain street lights and blinker.
6. To raise and appropriate money for the support of the Library.
7. To raise and appropriate money for the support of the Fire Department.
8. To raise and appropriate money for the relief of poor and old age assistance.
9. To raise and appropriate money for maintenance of cemeteries.
10. To raise and appropriate money for Memorial Day and choose committee for the same.
11. To see if the Town will appropriate the sum of \$700 for Bi-Centennial observance .

12. To raise and appropriate \$300 for maintenance of swimming pool.

13. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and to make an appropriation to cover the expense of such audit.

14. To raise and appropriate to the White Mountain Region Association for its program of advertising, etc., as a part of the cooperative investment by regional towns, an amount equal to 7 cents per \$1,000 of the assessed valuation of the Town for 1963.

15. To see if the Town will authorize the Selectmen to distribute the inventory blanks at the time they examine the taxable property.

16. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

17. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deeds or otherwise .

18. To see if the Town will appropriate money for dishes, silver, and tables for the Town Hall.

19. To see if the Town will raise and appropriate the sum of \$200 to clean and develop water holes.

20. To raise and appropriate \$100 for maintenance of Lebanon Airport.

21. To see if the Town wishes to raise and appropriate money for Liability and Compensation Insurance.

22. To raise and appropriate money for Pine Blister Rust Control .

23. To raise and appropriate money for Town Dump.

24. To raise and appropriate the sum of \$7,000 as the Town's share of a State Aid Bridge at the Brook Road four corners.

25. To choose Delegates to the Constitutional Convention.

26. To vote on the question "Shall sweepstake tickets be sold in this city or town?"

27. To see if the Town will vote to authorize the selectmen to execute a deed to Robert and Elizabeth McTague as joint tenants and a deed to George D. and Ruth L. Gaffield as joint tenants of certain springs together with a right to maintain the existing pipe lines to them over land of said Town to perfect their title to said springs and pipe line as previously purchased by them.

28. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this first day of February in the year of our Lord nineteen hundred and sixty-four.

Magazines	2,765
Juvenile Magazines	403
New Books Purchased	248
Gift Books	29
Adult Magazine Subscriptions	28
Juvenile Magazine Subscriptions	7
Gift Magazine Subscriptions	11

The Piermont Public Library enjoyed another good year with a circulation only slightly less than in 1962 .

As always, we continue to depend heavily on the Book-mobile, borrowing over 2,000 volumes therefrom.

The outstanding gift of the year to the Library came from Mr. and Mrs. Philip Robinson, who gave, in memory of Mrs. Robinson's mother, Mrs. Mary Babbitt, four handsome, maple, colonial type, Hubbard chairs, which add much to the comfort and appearance of the Library. This gift is deeply appreciated by the Trustees.

From the Mother's Club a gift of \$10.00 purchased seven outstanding books for children, and a gift from Mrs. E. B. Robbins bought a book in memory of Mrs. Walter Kleinlein. For these, and for the many other gifts, the Trustees are grateful.

Again, as always, the Trustees thank the Town for its interest and support.

WILLIAM R. DEAL, Treas.,
Piermont Public Library

PIERMONT FIRE DEPARTMENT

1963

The Piermont Fire Department held twelve regular and two special meetings in 1963 with an average attendance of 23.

FIRE REPORT:

Dwelling fires — 1 - Mrs. Green's. Cause "undetermined" (verdict of N. H. Fire Marshal's office, which investigated.) Cost \$136.60 plus \$120.00 for Haverhill F. D. Total \$256.60
Chimney fires — 1 - no damage. Cost \$1.50
Forestry — 2 very small fires set by lightening. Cost \$45.35.
Forestry Patrol — Cost \$309.55
Automobile — 1 - Cause not definitely known. Cost \$9.75.
Miscellaneous — 1 - sofa set on fire by lightning. Cost \$1.50
Total cost for firemens' time \$624.25.

It should be noted that one half the cost of all fires or expenses charged to Forestry and approved by them is paid to the Town by the State. This payment effectively reduces the cost of the Fire Department to the Town — but it does not show in the Fire Department accounts as the money is paid into the general fund directly rather than being credited to the Fire Department.

Water holes. One new water hole was dug in 1963, on land donated by Mr. Glen Oakes for the purpose. This new hole, which was dug during the dry spell at a cost of approximately \$150.00, filled to overflowing in a few days, and, at last report is still running. It supplies an adequate source of water for fire protection for seven houses and one barn. It is hoped, in the coming year, that more water holes can be dug; and existing ones cleaned and repaired as necessary.

New Pumper. Our new fire truck, authorized at the 1963 Town Meeting, was delivered in May. Final tests were made by the Fire Underwriters later in the summer, and the unit passed all phases of their examination.

Water Tank. This 1100 gallon tank, obtained last year, we intended to place on our old fire truck. However, it was too large for this purpose. It has now been placed at the Town Dump and will be kept filled with water after the danger of freezing is past. It can be connected to any of our pumps, and will be most useful should a fire develop there.

Tank Truck. The Fire Department using funds earned by them at oyster suppers, etc., has purchased a tank truck (formerly an oil delivery truck.) This unit, which was in unusually good condition, is being refinished and modified for fire department purposes; and will be presented to the Town, as a gift, when complete. The truck carries 1040 gallons of water. It may be used as a self contained unit, pumping water through its built in hose reel and pump, or it may be connected to a portable pump or to either of our pumpers through a 2 1/2 in. coupling. Acquisition of this unit has caused much favorable comment both from officials of the N. H. Underwriters and the Forestry Service, and from neighboring Fire Chiefs — who know by experience the value of such a vehicle. It is now in operational condition — although it has not been repainted yet.

New Fire House. In August, the frame of the new building was substantially complete, and the labor of the contractor done. This left clapboarding, exterior painting, insulation, sheetrock, all interior finish including painting, wiring, plumbing and heating to be done. This work is being done— entirely free—by members of the fire department who thus contributed 942 man-hours through December. Although not properly a part of a 1963 report, I might add that during January 1964 a total of 748 man-hours more were given. And time is not the only thing to be donated. All of the heating, wiring, plumbing and painting materials and most of the extra items needed for completion of the building (sheetrock, sub-flooring etc. was supplied by the contractor but not installed) have been supplied at wholesale — and some materials have been given outright.

The value of all this, together with the value of the donated time, will easily exceed \$5,000. before the work is done, and is an unusual testimonial of the devotion of the members to their department and to their Town .

Reduced fire insurance rate. This was one of the benefits promised as a result of the new department and equipment. However, we did not expect it to be granted until everything was entirely complete. We were therefore, much pleased when the Board of Fire Underwriters advised us that the new reduced rate of E-2 would become effective as of 31 December 1963. This means that dwellings within two miles by road of the fire station will cost less to insure than ever before.

Fire Alarm telephone number. Piermont 272-4911.

And, in closing, the Department wishes to thank everyone who, in any way, has helped us in these various undertakings.

GLEN PERKINS, Chief

WILLIAM R. DEAL,

Secretary/Treasurer Piermont Fire Dept.

REPORT OF THE FOREST FIRE WARDEN

AND YOUR DISTRICT CHIEF

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. For their effort and public response the general fire service expresses its heart felt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.

2. Carry your rubbish to the public dump — its safer. A neglected backyard incinerator causes many fires.

3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.

4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and

not make it a subject of play .

Lets all join with “Smokey the Bear” and “Keep New Hampshire Green” and growing in 1964.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Piermont qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 17th day of March, 1964, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.
7. To choose agents, auditors, and committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the school district will vote to adopt a plan for extending to employees of the school district the benefits of title II of the Federal Social Security Act (Old Age, Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 302

and 332 of the Laws of 1955 and to raise and appropriate the sum of \$15.00 to defray the school district's share of the cost thereof.

10. To see if the school district wishes to exclude from the plan services in any class or classes of positions filled by popular election.

11. To see if the school district wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis.

12. If a plan for Social Security coverage is adopted, to see if the school district will authorize the school board to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect and to see if the town will designate the school district treasurer as the officer responsible for the administration of the plan.

13. To see if the district will vote to authorize the application of any unanticipated income to expenses.

14. To transact any other business that may legally come before said meeting.

Given under our hands at said Piermont this 9th day of January 1964.

Auditors

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Piermont School District:

I submit, herewith, my seventeenth annual report as Superintendent of Schools.

1962-1963

Number of pupils registered during year	79
Average membership	76.2
Percent of attendance	94.7
Number of pupils neither absent nor tardy	8
Number of children age 6-14 not attending any school	1
Number of pupils whose tuition was paid by the district: Secondary	37
Number of pupils transported at district expense: Elementary	59

ROLL OF HONOR FOR PERFECT ATTENDANCE FOR FULL YEAR

Davis, Jeffrey, Grade 1	Dessert, Everett, Grade 7
Rodimon, Teresa, Grade 2	Jesseman, Paula, Grade 7
Jesseman, Doreen, Grade 3	Fadden, Joyce, Grade 8
Dessert, Aleta, Grade 5	Jesseman, Gloria, Grade 8

PROMOTED FROM GRADE 8 TO HIGH SCHOOL JUNE 1963

Davis, Daniel	Miles, Richard
Drew, Wanda	Nystrom, Linda
Fadden, Joyce	Stevens, Thomas
Fulford, Howard	Welch, James
Hood, Donald	Wilson, Charlotte
Jesseman, Gloria	

ENROLLMENT BY GRADES

Grade	1	2	3	4	5	6	7	8	Total
Piermont									
Village	11	5	15	5	12	11	9	11	79

A vacancy in the teaching staff was caused at the close of the school in June by the resignation of Mrs. Howe. The district is fortunate, however, to have the position filled by Mrs. Avis Lemieux White, a retired teacher, with many years of successful teaching experience.

The staff is administering a fine program of formal education in the Piermont schools. High School attendance is high—in fact so high that an unanticipated burden was placed on the school budget, making it insufficient for the school year's expenses.

The school needs increased activity on the part of the parents and community to make a more responsible citizen of the maturing child.

In the realm of education, it would seem that more and more parental responsibilities are being shunted onto the school systems; and to the detriment of the child's well being.

For nearly 300 years we had a society and way of life that required every growing youngster to carry in fire wood when he was about age six. He learned to plow at 12 and become a "hand" at 16. But modern life has changed all that. The greatest resource available to today's youth is time. Their most perplexing problem is finding something useful to do with it.

Since the time when about 90 percent of our people worked the land and it took about three individuals in agriculture to sustain one on the city street, we have moved to where one farm worker can now supply 23 others. The economists predict that this proportion is sure to go to one to 30 and eventually, perhaps to where one individual on the land can maintain 40 or 50 individuals living in town.

Because much of the change in agriculture and our way of living has been recent, a majority of our adult population can remember a growing up experience when there was something useful to do—the very doing of which was of significance and made a difference to the other members of the family

group. It may or may not have been carrying in the wood or learning to plow. It might have been white-washing a fence, gathering eggs, pumping water, closing in the chickens at night, tending a vegetable garden, or some other important and necessary chore.

But in that earlier period children were genuinely an economic asset. Their efforts were purposeful and needed.

At home, in school, and in community activities, children learn through participation. They learn to accept responsibility by being given responsibilities. They learn correct procedures by making occasional mistakes. Skills develop through practice.

In the process by which young people grow into mature citizens, idleness is not a substitute for work experiences geared to advancing maturity. The opportunities available to youth in generations past are now missing. For it is pretty hard for a youth to learn to plow on a city street.

Unfortunately, only a small minority of rural youth actually live on productive farms.

They have moved with high hopes of finding some share of the "good life." Taking their disadvantages with them—poverty, a low level of educational background, a lack of employable skills—they have not generally found it.

It is frustrating, perhaps even worse, for our youth who find themselves in a society that doesn't have anything for them to do.

Having a generation of perhaps the healthiest and most energetic youth the world has ever known with not much to do with their time is a serious social problem. Its seriousness is not only the idleness of youth but the fact that they are deprived of maturing influences that constructive work experiences give.

So far our society has either failed to recognize this problem or has simply turned its back on it.

Parents need to understand the significance of work experiences and must try to find as many outlets for their children as possible.

Children learn by the tasks they do. They have little opportunity to learn when everything is done for them, when they are shielded from responsibility. From an early age with each child, parents must be alert to the tasks and chores and routine jobs that can be assigned and supervised.

The leaders of business and labor need to accept a share of responsibility for furnishing work opportunities to youth.

It is not suggested that youth be put in competition with adults for jobs. They are not ready to accept such responsibility.

Opportunities for work experiences for youth need to be created.

Our modern society is something of a unique experiment. Only recently have we become a nation more urban than rural.

But regardless of how the job is attacked, at what level or by what agency, many opportunities for youth will need to be created.

One of the basic social problems in America is the fact that it *now has on its hands*, not around the bend, a generation of youth with nothing to do but go to school. A generation with nothing to do but go to school long after our colonial, agricultural concept of a school program should have been taken out of the picture. For there isn't any way to take the meager scrap of time now allocated to education and do for this country what has to be done if it is to survive and prosper during the last half of the Twentieth Century.

The cooperation of the School Board, the interest of the citizens in their school, and the integrity of the staff is deeply and sincerely appreciated.

The report of Mrs. Muriel LaMott, R. N., follows.

Respectfully submitted,
PHIL A. BENNETT
Superintendent of Schools

Piermont, N. H.
January 9, 1964

REPORT OF SCHOOL NURSE

Number of pupils examined			79
Number of school visits	18	Home Visits	40
Successfully vaccinated			9
Corrections of Defects:			
Vision			21
Teeth			46
T & A			1

Communicable diseases reported:

Measles 34

Clinics:

11/7/62 — 1 pupil tested at Child Guidance Clinic in Concord, N. H.

During the summer of 1962, the Sabin Oral Polio vaccine became available. The Department of Health conducted a series of three clinics. Local committees did pre-registrations and records for these clinics. In March, April, and May, 1963, make-up clinics were held and every school child had an opportunity to complete any of the three oral polio types that was missed during the previous summer .

In March 1963, 76 pupils and 6 adults were given the Heaf Tbc skin tests.

Vision and hearing tests were done in all grades.

I wish to thank Mr. Bennett, Mr. White and his staff, the pupils and parents for their continued interest and cooperation in the school health program.

Respectfully submitted,

MURIEL LaMOTT, R. N.

School Nurse
